

Mattox Mowing

910 Fairway Court
Crete, NE 68333

Service Quote

PREPARED FOR

Crete Public Schools

C/O Dr. Joshua McDowell and Jenny Beck

PREPARED DATE

April 21st 2026

EXP. DATE

May 21st 2026

Property	QTY	PRICE	TOTAL
All CPS properties except district office grounds	Weekly Service	\$75.00 per hour	\$75.00 per hour
			\$75.00 per hour

THIS QUOTATION IS SUBJECT TO THE FOLLOWING TERMS AND CONDITIONS:

1. The estimate is based on paying wages for employees, maintenance and repair of machinery, fuel costs, and rental costs for machinery storage.
2. The goal of Mattox Mowing is to be as efficient as possible each week with mowing and maintaining properties.
3. Quotes on properties include the following- mowing the grass areas, trimming around buildings, sidewalks, and driveways if safe to do so, edging the sidewalks, and blowing off the grass clippings from sidewalks and driveways.
4. Quotes on properties are based on a weekly service. If a property does not need to be maintained due to dry OR rainy weather we can adjust this to suit Crete Public School's needs. There may be some areas that need to be mowed each week while others do not. That would reflect in the amount of hours Mattox Mowing would bill CPS.
5. Mattox Mowing would be interested in purchasing the following equipment that could be negotiated into the service contract-
 - 2 riding mowers, preferably the Exmark ones
 - 2-4 edge trimmers

There could be other mowing related equipment that Crete Public Schools has that Mattox Mowing would also be interested in.

6. Mattox Mowing would be interested in using a garage space located on the Crete Middle School grounds (white building) that we would rent out from you. It would save on time for mowing, thus saving Crete Public Schools money, if we had our equipment on site instead of transporting it to Crete Public Schools grounds. If/when the business relationship would end between Crete Public Schools and Mattox Mowing the equipment would be removed promptly. Mattox Mowing and Crete Public Schools would work together on a rental fee for one garage stall.

7. Mattox Mowing would take direction from CPS maintenance to best serve the needs of the Crete Public Schools district.

Please let me know if you have any questions. We are here to serve you!
