Elementary Touchpoints

May Board Meeting, 2024

It's progressively gotten busier since the April board meeting ("good" busier), with events and field trips being added to schedules. This pace will likely carry through for the remainder of the school year.

Humphrey's 1st and 2nd grade students performed in front of a packed house both for our matinee and evening programs. They did a great job, and Ms Kalvig found another fitting show to connect fun, learning, and personality to the students. Well done!

Kindergarten is up next for programs, and will be our last one for the school year. They will perform in the evening on May 21 at 6 and 7:15 at the HLWWHS in the auditorium.

May 9th was "Move Up Day" for our 4th grade students, in which they tour the middle school with Mr. Schimelpfenig, meet staff, and talk about what 5th grade looks and feels like. Students are able to ask questions and alleviate some nerves as the move up to the "bigger kid campus." Thanks to the middle school team for welcoming and reassuring our rising 5th graders!

Both PTA groups helped celebrate teacher and staff appreciation week at the elementary schools in fine fashion. Thank you to the parents and PTA members who had a hand in sharing gratitude on jobs well done.

We will wrap up the year at each building with our end of year assemblies. Students will be recognized for academic and citizenship honors and spotlight different learning experiences from the year.

Respectfully submitted—

Jen Olson
