

**BELDING AREA SCHOOLS
BOARD OF EDUCATION
MEETING**

JULY 20, 2026

VOLUME LXIV

FOR ACTION

SUBJECT: Building Radios

Background and findings:

The Administrators are requesting the purchase of portable and mobile radios for each Belding Area Schools building to be used in the event of an emergency. The radios will allow direct communication with local police and 911 operators. The 31aa grant funding will be used for the purchases. The information below details the purchases. Detailed quote documents have been provided to the Board.

Chrouch Communications, Inc.

R5 Display Portable Radios
XPR2500 Mobile Radios

\$896.80/each
\$867.20/each

Recommendation:

It is recommended that the Board approve this request to purchase portable and mobile radios for emergency situations.
