

## April-Athletic Report

### Track -

- Our Boys track team has finished in the top 3 in our division in each meet we have this year. Every kid has had a PR (personal record) this year and some have had a PR in every track meet. Kids are competing at a high level. Our focus each week is getting better and preparing for the district meet on April 8th and 9th.

- Girl's track has been making a ton of progress this year. Our relay teams have improved each week and have a shot at placing top 4 at the district meet.

JH - Could not be prouder of how these kids are competing. Our boys and girls won the Panhandle track meet. The improvement and participation at this level is huge for the future.

### Baseball -

The baseball team is 10-4 and 1-1 in district. They split with WT to start district play. They are continuing to work on the fundamentals to prepare them for district play and a playoff run. Big series against Gruver and Highland Park are coming up which will be important for playoff seeding.

### Softball -

They are 5-1 in district play so far. 3-1 in divisional district play. Big games against Gruver and Sunray are coming up. The girls continue to improve and get better.

### Golf -

Our gold teams started the district tournament this week and will finish up on April 6th. The boys are poised to make another run at the district title.

Thanks  
Bennett
