Mid-America Technology Center considers all applicants for employment without regard to race, color, religion, gender, national origin, age or disability, or status as a Vietnam-era or special disabled veteran in accordance with federal law. This includes, but is not limited to, admissions, employment, financial aid, and educational services. In addition, Mid-America Technology Center complies with applicable state and local laws prohibiting discrimination in employment in every jurisdiction in which it maintains facilities. Mid-America Technology Center also provides "reasonable accommodations" to qualified individuals with disabilities, in accordance with the Americans with Disabilities Act and applicable state and local laws. Mike Eubank is the coordinator of the Mid-America Technology Center's effort to assure nondiscrimination.

Additional Applicant Information

Memberships, awards, and additional training.

Breaking Traditions Award at Mid America Technology Center

Skills, licenses, and/or trade/professional certifications.

Welder Certification Card 3G-6G SMAW and OSHA 10 hour general industry safety and health

Additional information about yourself that you believe would be helpful in appraising your qualifications for the position for which you are applying:

Having completed a two-year welding program, I am well-acquainted with the school. I am an amiable individual who readily connects with others. Although I have no prior teaching experience, I have consistently harbored an interest in helping others. As a female, I believe my presence would serve as an encouragement for more women to explore the field of blue-collar trades.
