

Board of Education

ACTION

TITLE: Consider Approval of the Construction of the Southside High School Kitchen/Cafeteria Roof

DATE: July 20, 2026

RESPONSIBLE ADMINISTRATOR: Shawn Shaffer
Executive Director of Facility Operations

Joseph Velasquez
Construction Project Manager

BACKGROUND/CONSIDERATIONS:

A portion of the construction update presents the findings from our engineer's review of the remaining 1960's building. This presentation presents next steps for the affected areas.

RECOMMENDATION:

The administration recommends that the Board approve the Southside Kitchen/Cafeteria roof replacement.

If the Board agrees, the motion would read: ***move to approve the Southside 1960's building reroof construction as presented in the engineer observation report.***
