Item Name: MEAL PRICE INCREASE

Item Summary: Each year, the federal government requires the District to ensure that the price students pay is not supplemented with federal dollars. They provide a tool that requires us to enter all data for both free and paying students to verify that there is no additional funding to cover the costs of paying students. Based on this tool, we need to increase the breakfast price by \$0.15 and the lunch price by \$0.25 for the 2026-2027 school year.

Recommendation: Administration recommends increasing the breakfast price by \$0.15 and the lunch price by \$0.25 for the 2026-2027 school year.
