Our Summer Focus

Our priorities for preparing the district for the 2026–2027 school year

- Student Readiness

Preparing devices and technology before the first day of school.

- Staff Readiness

Ensuring every employee has the tools that they need to succeed.

- Infrastructure & Security

Strengthening district technology, security, and operations.

- Preparing for the School Year

Supporting teachers and students throughout the start of the school year.

Student Technology Readiness

Ensuring students have reliable technology on Day One

- **Student Devices**

- Chromebook deployment completed

- Windows laptop deployment prepared

- Student devices cleaned, repaired, and prepared for deployment

- **Registration Support**

- Registration devices prepared

- Senior devices processed

- **Classroom Preparation**

- Completed district-wide 7th & 11th grade device transition

- Kindergarten iPad deployment prepared

Staff Technology Readiness

Supporting our teachers and staff

- **New Employee Onboarding**

- User accounts & email

- Device deployment

- Building badge access

- PowerSchool & system access

- **Staff Technology Refresh**

- Laptop replacements

- Office and classroom technology moves

- Classroom technology setup & support

- **District Operations**

- Business Office technology upgrades

- Administrator workstation deployments

- Printer and office support

Improving district-wide technology

- PowerSchool rollover completed before registration
- ParentSquare implementation to improve district communication
- District-wide technology inventory completed
- Cybersecurity awareness and phishing training rollout
- Classroom technology, lab, and infrastructure improvements
- Device management, security and reliability enhancements

Preparing for the School Year

Work continuing over the coming weeks

- Teacher technology onboarding
- **PowerSchool University** – advanced training to improve district support and student information systems
- Counselor support
- Final classroom and device deployments
- First-day technology support

Thank You

Thank you for your continued support of the Technology Department and for everything you do to serve the students, staff, and community of Minidoka County School District.
