2nd		23	23	Same
3rd		19	19	Same
4th		19	19	Same
5th		19	18	Down 1

***Elementary School Highlight #1**

We did have two students test positive for COVID in April. Both students were from the same family. We had to quarantine 5 students in PK and K.

***Elementary School Highlight #2**

We held our annual literacy night virtually this year. I don't feel it was as successful as in the past when we had it in person, but we did provide the parents and students with some fun ways to enjoy reading.

***Elementary School Highlight #3**

The district celebrated administrative professional day on April 21 with a pot luck luncheon for the three secretaries.

***Elementary School Highlight #4**

Elementary fun day will be May 7. We look forward to a great day with the kids.
