## Overview

Adelante Educational Specialists agrees to provide consultation and professional development with district stakeholders in the area(s) of biliteracy professional development and curriculum development as indicated below:

## Goals -

1. Provide professional development for bilingual staff in the areas of best practice instruction and biliteracy instruction through a Dual Language Professional Development Series.
  - a. Provide professional development for bilingual staff in the areas of best practice instruction and biliteracy instruction.
    - i. Full Day Sessions:**
      1. Day 1 - Building the Foundation for Dual Language & Biliteracy instruction
      2. Day 2 - English Language Development (ELD) using the WIDA ELD 2020 Standards
  - b. Provide guidance through the professional development to develop a pacing guide for the dual language program.
    - i. This pacing guide will identify priority standards and will align Spanish Language Development (SLD) with English Language Development (ELD)

## Description of Services

Adelante Educational Specialists will work with staff to build the capacity and knowledge regarding effective biliteracy programming and instruction for second language learners in a dual language program. During the Dual Professional Development Series, participants will continue to strengthen their knowledge of effective dual language programming and biliteracy instruction as well as alignment of the WIDA ELD 2020 standards.

---

## Time

Total days for the biliteracy curriculum development and frameworks is 2 days totaling \$7,400. Dates and sessions will be determined by Adelante Educational Specialists Group and the administrators of Harlem School District.

## Adelante Project Representative

Amy Mosquera is the Project Representative for the programmatic, contractual and scheduling of this project. All questions or correspondence regarding the implementation of this project should be directed to:  
[amy@adelantespecialists.com](mailto:amy@adelantespecialists.com), 224-715-5169.

## Additional Fees

This price includes all professional fees for the consultant on site and any additional materials to be provided by Adelante Educational Specialist Group, including meals, transportation/mileage and hotel. Harlem School District will be invoiced for these services and agrees to pay Adelante Educational Specialists Group upon approval of the invoice when services begin.

The terms and pricing of this proposal are valid for 60 days from the proposal date. Once a signed proposal is received, the district has 30 days to schedule dates to fulfill services within each school year, as requested by the district. Payment is required within 60 days of invoicing.
