

# Japan Travel Opportunity - Summer 2028

**April 23, 2026**

Dr. Chris Bellmont, Assistant Superintendent

Alicia Vonderharr, Travel Club Advisor + Burnsville High School Teacher

Gloria Webber, Travel Club Chaperone + Burnsville High School Teacher

# Travel Club - Update

- **2026 Switzerland/Italy Trip Update**
  - We are ready for departure!
  - All tips covered via fundraising - no extra expense for families
  - Traveling from June 29-July 8, 2026

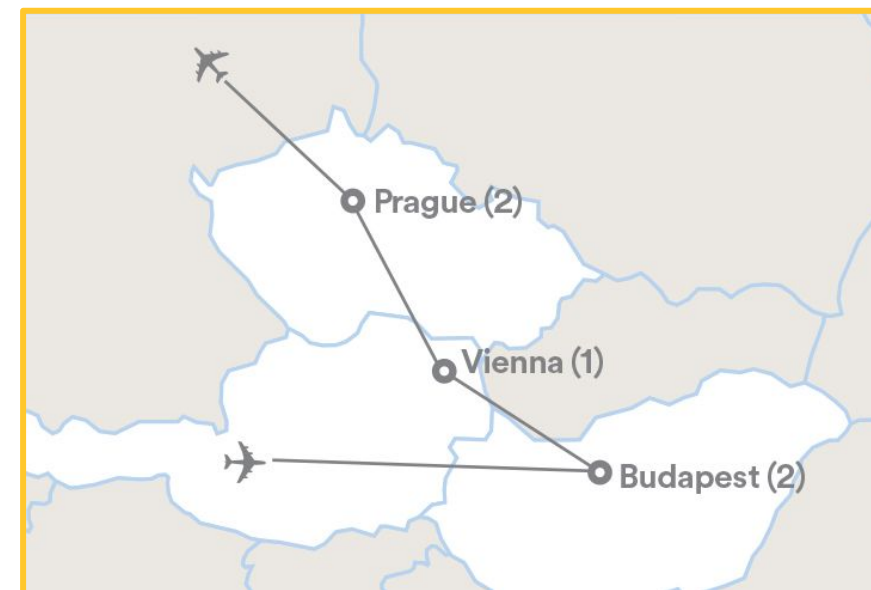

# Japan: Land of the Rising Sun

## Proposed Trip

This highly requested trip will take students through modern Tokyo and traditional Kyoto along with the country's natural beauty, as seen through the window of the high-speed Shinkansen train. Students will experience everything from ancient shrines to the Harajuku Shopping Center of Tokyo to the famous Bamboo Forest of the Kansai region. Since Travel Club started back up in 2022, students have been asking for a trip to Japan. We are excited to offer this opportunity!

## Important Note

Please note: We are requesting approval for this international trip much further in advance of our requested departure date than normal because this trip is more expensive than ones to Europe. As a result, we want to offer this trip as soon as possible in order to keep the monthly costs low for our families.

# Fundraising Plans

## Opt-In Fundraising Opportunities

- CUB bagging groceries
- Restaurant nights
- Cherrydale fundraiser
- Students can apply for a \$1000 merit- and needs-based scholarship via EF Tours
- We are open to more fundraising ideas from students and families!

## Included with Trip

- Each student has a fundraising page through their EF Tours website
- Smaller monthly payments when students book as far in advance as possible
