RE: Chippewa Elementary and Navajo Elementary – Budgetary Quotations

Kim Anoman,

Thank you for your interest in North-West Drapery Service, Inc. and the products and services that we can provide to you at Palos Heights School District 128. As per our email correspondence, I am pleased to offer you the following budgetary quotations for replacement of the existing curtains at Navajo ES and Chippewa ES.

Replacement Stage Curtains:

We will remove the existing curtains from the hanging hardware and dispose of them in a school provided dumpster.

We will furnish, fabricate, and install new stage curtains made in typical stage manner using 50% added fullness sewn into box pleats located 12" on center.

Heavy 3" Polypropylene webbing will hold the pleats in place.

Grommets will be inserted in the center of each pleat and at the ends for s-hook or tie line attachment to the existing hanging hardware in its existing condition.

All side and bottom hems will be 4" with the bottom hems of all floor length curtains having an internal pocket containing a continuous length of chain for added weight.

We will use inherently flame retardant (IFR from here forward) synthetic Prism material for all curtains quoted.

All downstage curtains (valances and front curtains) will be fabricated using IFR 22 oz. Prism and all upstage curtains (borders, and rear travelers) will be fabricated using IFR 15 oz. Prism.

Per your request we have removed the side legs from the upstage curtain schedule.

Mill issued certificates of compliance will be issued upon completion of the project.

Curtain Schedule:

Navajo ES – 6 curtains (3 downstage and 3 upstage curtains)... **\$8,970.00**

Chippewa ES – 6 curtains (3 downstage and 3 upstage curtains)... **\$8,770.00**

Please note that all labor rates are based on current prevailing wage rates for Cook County.

We can hold our price firm for 60 days.

Thank you for taking the time to review these budgetary quotes. If you have any questions or would like to see fabric samples, please feel free to call or email. Thanks again for your time and I look forward to hearing back from you.

Best regards,

Matt Schoeff
