

Action Sheet

MEETING DATE: June 13, 2012

AGENDA ITEM: Discuss approval of a contract with Rice University to provide an 8 day intensive math training in July and August of 2012 for up to fifteen GISD secondary math teachers and up to six days on site consulting during the 2012-2013 school year for an amount not to exceed \$45,000, funded by the Secondary Math Teacher Support Program grant funds and Title funds.

As part of the planned continuation of the Secondary Math Teacher Support Program grant, received last year, TEA has asked that we provide a math institute this summer with our Institution of Higher Education Partner, Rice University, for the math teachers that will participate in the program next school year. The funding for this will come from the current Secondary Math Teacher Support Program and from Title Funds.

RECOMMENDATION: Approve a contract with Rice University to provide an 8 day intensive math training in July and August of 2012 for up to fifteen GISD secondary math teachers and up to six days on site consulting during the 2012-2013 school year for an amount not to exceed \$45,000, funded by the Secondary Math Teacher Support Program grant funds and Title funds.

Larry Nichols
