Wrapping Up

We have 5 days of learning and fun left for the 2025-26 school year. This week we have classes going on the loon pontoon, visiting The Yellow House for ice cream, going fishing, visiting the Historical Society, going to Valley Fair, visiting the Train Museum, and more. Everyone will be celebrating the last day of school

Community Support/Engagement

Mr Cutkay's class hosted a plant and craft sale last Friday. The students created these crafts during their Home Economics time this year. They raised an incredible \$2,155 to support the program for next year's students. The excitement and generosity of the community were absolutely amazing!

Summer Kids Care

Our new summer Kids Care program is filling up fast, with 29 students already signed up. We are currently finalizing plans and hiring staff to ensure kids have a safe and fun summer with us.

This week...

- ★ Be Seen, Wear Green, Mental Health Matters
 - Students and staff are invited to wear green on May 19th to support mental health awareness.

 "What Day Is It?" — This Week in the Library & Entryway
