

1 NEW MEXICO SCHOOL BOARD'S PETITION SUPPORTING THE OVERSIGHT
2 OF THE PUBLIC EDUCATION DEPARTMENT BY MEANS OF AN ELECTED
3 STATE BOARD OF EDUCATION

4 Introduced by Cloudcroft Municipal Schools
5

6 By signing this petition, we are asserting the following:

- 7 1) We are the duly elected school board for our district and have the requisite authority to sign
8 this petition.
9 2) The signatures on this petition affirm the district's support via a majority vote of the board.
10 3) We believe that PED should no longer have unilateral control of education and should be
11 subject to a system of regulatory checks and balances. The responsibility of this regulatory
12 oversight will lie within a newly created State Board of Education, a board comprised of
13 stakeholders equally represented across the State.
14 4) We support the attached draft of a Senate Joint Resolution to be presented for introduction
15 as such.
