Superintendent's School Board Report – May 18, 2026

“Chart. Navigate. Anchor.

We are here to help our Students.....

Chart Their Course To Prepare For Their Futures, Navigate Challenges With Grace and Anchor Themselves In Our Community.”

CORRESPONDENCE

Community Engagement/Input Meetings – About 20 patrons attended this meeting. Response to results was positive with few questions asked. I will be working to set a Long-Range Facilities Planning Engagement Meeting in late May.

BOARD

Aaron's Work – This month Aaron has been working on staffing issues, preparing for upcoming Family Academy informational/recruitment meetings, ODE reporting, budget preparation, and long range planning for facilities and early childhood learning options.

Individual Board Member/Superintendent Meetings: Please set a time.

STUDENTS/ACADEMICS

Enrollment – Enrollment has stayed steady at 231 students.

Family Academy – We will be holding 3 informational meetings the last week of May and first week of June to share the program with other prospective students/families. We interviewed for our open District/Family Academy Secretary position, and hope to have a final announcement on hiring for you at the meeting.

Academic Showcase and Artshow – This event was well attended, and our students shared some very sophisticated pieces of work.

STAFF

Professional Development: Friday PD activities for this month include: Individual Time, District work as well as time spent to align curriculum for consistency and effectiveness, K-12. For Teacher Appreciation Week I sent teachers home early for our District PD. They work a lot of hours at home, and this was a small gesture of gratitude for their hard work and dedication.

BUDGET

Budget Update – See Budget Committee Meeting.

FACILITIES

Bond Work – Aaron and Tara have had initial meetings with companies that will help us through this process with the financial planning, project management and publicity needs. These were initial meetings and will result in one more community input meeting this spring to help prepare the community, and gather input on acceptable projects and bond levy amounts.
