Agenda Item – 8B

Background Information

On June 14, 2026, Midway ISD property was damaged because of flooding that occurred due to a significant rain event. Some of the damage compromised the district's ability to facilitate movement of emergency response personnel and equipment. For this reason, the Superintendent of schools exercised his authority in accordance with policy CH (LOCAL) to expedite critical repairs by contracting for services needed to address storm related damage. This agenda item presents the Board with a resolution formally ratifying the contracts for repair services initiated by the Superintendent. The cost of repairs authorized by the superintendent totaled approximately \$300,000

Fiscal implications

Approximately \$300,000

Administration Recommendation

Approve the "RESOLUTION OF EMERGENCY DECLARATION OF THE MIDWAY INDEPENDENT SCHOOL DISTRICT BOARD OF TRUSTEES" as presented.
