Re: Report on Cameras

A report from a district administration representative will be presented regarding planning and budgeting for camera installation in all qualifying classrooms under TEC 29.022, including determining the scope, equipment needed, timeline, and funding strategy.

In the event that after considering the district administration's report, the board wishes to take the action in accordance with TEC 29.022(a) and (a-1) (as well as 19 TAC 103.1301 and Board Policy EHBAF) by authorizing a written request on behalf of the Board of Trustees to the designated administrator that equipment, including a video camera, shall be placed, operated and maintained in the following specified schools or campuses at which one or more children received special education services in special education classrooms or other special education settings: *See attachment.*
