RESOLUTION 26-003

A RESOLUTION OF THE NORTHWEST ARCTIC BOROUGH SCHOOL DISTRICT (NWABSD) IN SUPPORT OF COMPREHENSIVE TOBACCO PREVENTION AND CONTROL PROGRAM AND POLICY

WHEREAS, the Northwest Arctic Borough School District supports the mission of the Statewide Coalition of Breathe Free Alaska: *To improve public health by reducing exposure to secondhand smoke and aerosols; prevent youth smoking and use of tobacco, nicotine, and electronic smoking devices; and reduce nicotine addiction through the utilization of evidence-based practices.*

WHEREAS, the Northwest Arctic Borough School District serves this community, Northwest Arctic Borough, in this capacity, of public education.

Human and Economic Toll of Tobacco in Alaska

WHEREAS, tobacco use remains a leading cause of preventable death in Alaska causing 600 deaths each year;¹ and

WHEREAS, tobacco use causes serious health consequences, including heart disease, lung disease, and cancer;² and

WHEREAS, smoking is estimated to cost Alaska \$438 million in health care costs, \$192 million in Medicaid costs, and \$400 million in lost productivity each year;³ and

WHEREAS, tobacco companies spend an estimated \$16.4 million annually on advertising and marketing campaigns in Alaska;⁴ and

Health Harms from Tobacco Product Use & Exposure

WHEREAS, secondhand tobacco smoke exposure is another leading cause of preventable death and causes disease in healthy nonsmokers, including heart disease, stroke, lung disease, and cancer;⁵ and

WHEREAS, among people with behavioral health conditions increases chances for greater depression symptoms, psychiatric hospitalization, suicidal behavior, and drug and alcohol relapse. Smoking can interfere with psychiatric medications, resulting in the need for higher medication doses to achieve the same therapeutic benefit;⁶

Impact on Youth & Young Adults

WHEREAS, youth e-cigarette use in Alaska remains a very serious health concern. Almost 1 in 5 (17%) Alaska teens currently vape and over 1 out of 3 (38%) Alaska teens have ever tried vaping;⁷ and

WHEREAS, e-cigarettes can vary in the amount of nicotine present, they often contain nicotine at much higher levels than cigarettes, and nicotine exposure during adolescence and young adulthood can affect the developing brain and may have lasting effects on cognitive function, decision-making, and impulse control;⁸ and

WHEREAS, e-cigarettes are not FDA-approved as therapeutic cessation products and any promotion or claim to be a cessation product is against federal law;⁹ and

MISSION: To provide a learning environment that inspires and challenges students and employees to excel.

VISION: To graduate all students with the knowledge, skills, and attitudes necessary for a successful future.

WHEREAS, the tobacco industry strategically targets young people through various marketing tactics, including price promotions, appealing flavors and products designed for discreet use (like snus and dissolvable tobacco products;⁸ and

WHEREAS, over 85% of middle and high school students who use nicotine pouches reported using those which are flavored. The top nicotine pouch flavors are mint, fruit and menthol, with over 19% of youth nicotine pouch users reporting menthol flavored nicotine pouch use;¹⁰

WHEREAS, flavored tobacco products, including cigarettes, cigars, e-cigarettes, and smokeless tobacco, are specifically designed to appeal to youth and young adults, contributing to the initiation of tobacco use and addiction among vulnerable populations, with studies showing that flavored e-cigarettes are a key factor in the rise of youth vaping in the United States;⁸ and

WHEREAS, the vast majority of tobacco use starts before age 21, and the State of Alaska cannot cite retailers for violations of the federal age 21 for sale of tobacco without a conforming change in Alaska state statute; and

WHEREAS, penalizing children has not been proven to be an effective strategy for reducing youth smoking, and these penalties inappropriately shift the blame away from the tobacco industry and retailers to youth;¹⁰ and

Alaska Priority Populations

WHEREAS, tobacco use is significantly higher across key demographics, including pregnant women, Alaska Native people, youth, people with lower incomes, and people with a mental or behavioral health condition, which contributes to disparities in health outcomes and challenges in public health interventions;⁷ and

Effective Policy Interventions

WHEREAS, sales restrictions on flavored products in the United States have been shown to reduce (1) sales of tobacco products, (2) the odds of youth trying flavored tobacco products, (3) the odds of youth ever using tobacco products, and (4) youth current use of tobacco products, particularly when the restrictions apply to all flavors in all tobacco products;¹² and

WHEREAS, raising tobacco taxes has been shown to reduce smoking rates, discourage smoking initiation, encourage cessation among current smokers, and prevent tobacco-related diseases, ultimately leading to long-term public health benefits;¹³ and

WHEREAS, taxation of e-cigarettes at an equivalent rate to cigarettes is consistent with the evidence-based tobacco control, which aims to reduce the consumption of products that harm health, and has been shown to be a key measure in reducing tobacco use, preventing initiation, and supporting cessation efforts;¹³ and

WHEREAS, funding for Alaska's comprehensive Tobacco Prevention and Control program is essential to ensure that local communities have access to effective educational resources, outreach initiatives, and prevention and cessation efforts that can directly address Alaska's different population groups, especially those who are at higher risk of tobacco and nicotine addiction;¹⁴ and

WHEREAS, the Alaska Tobacco Quitline is available to Alaskans as part of the comprehensive program, providing FDA-approved cessation products and counseling support; and

WHEREAS, maintaining and strengthening Alaska’s Clean Indoor Air laws will continue to protect vulnerable populations, enhance the quality of life for all Alaskans, and promote a healthier, smoke-free environment in public places, workplaces, and indoor areas; and

THEREFORE, BE IT RESOLVED that the Northwest Arctic Borough School District recommends that the State of Alaska prioritize evidence-based policies to reduce the harmful health impacts of tobacco, including the following policy interventions:

- Protect and increase funding for comprehensive tobacco prevention and cessation programs.
- Institute and regularly increase significant and comparable taxes on tobacco (including nicotine, synthetic nicotine products and e-cigarettes) to discourage youth initiation
- Direct tobacco tax revenues to support comprehensive tobacco prevention and cessation
- Defend and strengthen Alaska’s Clean Indoor Air laws
- Work to restrict the sale of all flavored tobacco products
- Support efforts to restrict sales of all tobacco products to minors

ADOPTED, April 28, 2026, at a duly convened special meeting of the Northwest Arctic Borough School District Board of Education, a quorum was present and voted.

DATE: April 28, 2026

NUMBER: 26-110

FR: Office of the Superintendent

SUBJECT: Approval of Proposed
Revisions to BP 5111
Admission; Second
Reading

STRATEGIC PLAN/BOARD GOAL:

Track 1: Operational Improvements
Initiative: Optimize Business Practices

ABSTRACT:

Board policy revisions require Board approval.

ISSUE:

At issue is to approve the second reading of the proposed revisions to BP 5111 Admission.

BACKGROUND AND/OR PERTINENT INFORMATION:

The Superintendent/designee presents drafts or suggestions for board policy revisions when the law changes or specific needs occur. Policy revisions shall normally be given two readings prior to adoption by the Board.

This is the second reading of the proposed revisions to BP 5111 Admission within the Students series.

This policy update reflects current statutory rules on when a student may begin school, based on their age at admission. It also includes the statutory provision stating that students who are suspended or expelled are not guaranteed admission.

The Board Policy Committee reviewed the proposed changes and recommends approval.

ALTERNATIVES:

1. Approve the second reading of the proposed revisions to BP 5111 Admission as presented;
2. Do not approve the second reading of the proposed revisions to BP 5111 as presented;
3. Take no final action.

ADMINISTRATION'S RECOMMENDATION:

The administration recommends the Board approve the second reading of the proposed revisions to BP 5111 Admission as presented.

BP 5111 ADMISSION

Note: Pursuant to [4 AAC 06.060](#), authority to deny admission to a student is vested with the School Board. The following sample policy authorizes the Superintendent or designee to deny admission to children who don't meet established entrance requirements.

The School Board believes that all children should have the opportunity to receive a free appropriate public education. Staff shall encourage parents/guardians to enroll all school-aged children in school.

The School Board reserves the right to verify the residency or anticipated residency of any student and the validity of any affidavit of guardianship. These admission policies are not intended to be a barrier to the enrollment and retention of homeless children and youth.

The Superintendent or designee shall verify compliance with all entrance requirements established by law or School Board policy.

Students subject to suspension or expulsion under AS 13.03.160 in the District or another district are not guaranteed admission.

(cf. 5112.1 - Exemptions from Attendance)

(cf. 5112.2 - Exclusions from Attendance)

(cf. 5116 - School Attendance Boundaries)

(cf. 5117 - Interdistrict Attendance)

(cf. 5141.3 - Health Examinations)

(cf. 5141.31 - Immunizations)

Note: A child who is six years of age on or before September 1 following the beginning of the school year, and who is under the age of 20 and has not completed the 12th grade, is of school age. [AS 14.03.070](#). The school year begins on July 1 and ends June 30. ~~Pursuant to [AS 14.03.080](#), the School Board may admit children under school age who meet School Board standards of mental, physical, and emotional capacity necessary to perform satisfactorily in school and may admit children under school age to kindergarten, as provided below. In 2003, the legislature amended the early entrance statute for the purpose of clarifying that two-year kindergarten programs are not authorized. Districts with early entry into kindergarten must have an~~

~~educational program prescribing that under school age students advance through the curriculum or grade level by the following school year. This is a programmatic requirement and is not meant to limit individualized student assessment. In 2004, the early entrance statute was again amended to provide School Boards with the option of delegating early entrance decisions to the Superintendent or designee. The School Board may establish a kindergarten class for children who are five on or before September 1 following the beginning of the school year; must admit children under school age who move into the district and who were previously enrolled in public school in another district or state; and may admit students over school age and charge them tuition.~~

A child five years of age on or before September 1 may be admitted to kindergarten.

~~Early Admission~~

There is no early admission for pre-kindergarten.

Students in kindergarten and above are eligible for early admission through the acceleration process.

(cf. 5123 - Promotion/Acceleration/Retention)

The Superintendent or designee is the delegated authority to make early-entrance determinations. The School Board authorizes the admission of students under school age who are at least four years of age at the beginning of the school year, provided they exhibit the mental, physical, and emotional capacity to perform satisfactorily, including advancement through the curriculum or grade level by the following year.

The cutoff date to apply for early admission to kindergarten will be ten (10) school days after school opening.

~~The School Board authorizes the admission of students under school age who exhibit the ability to perform satisfactorily, including advancement through the curriculum or grade level by the following year. The Superintendent or designee is delegated authority to make early entrance determinations.~~ Students under school age who were previously enrolled in public school shall be admitted to school at the grade level determined by the Superintendent or designee. BACKGROUND AND/OR PERTINENT INFORMATION:

The Superintendent/designee presents drafts or suggestions for board policy revisions when the law changes or specific needs occur. Policy revisions shall normally be given two readings prior to adoption by the Board.

This is the first reading of the proposed revisions to BP 4021 Drug and Alcohol Testing for School Bus Drivers within the Personnel series.

This update clarifies that school bus driver testing may be accomplished through contracting with the transportation services provider.

The Board Policy Committee reviewed the proposed changes, recommends approval and to open for public comments.

ALTERNATIVES:

1. Approve the first reading of the proposed revisions to BP 4021 Drug and Alcohol Testing for School Bus Drivers as presented and open for public comments;
2. Do not approve the first reading of the proposed revisions to BP 4021 as presented;

ADMINISTRATION'S RECOMMENDATION:

The administration recommends the Board approve the first reading of the proposed revisions to BP 4021 Drug and Alcohol Testing for School Bus Drivers as presented and open for public comments.

BP 4021 ~~ALL PERSONNEL~~ -- DRUG AND ALCOHOL TESTING FOR SCHOOL BUS DRIVERS

Note: All persons subject to commercial driver's license requirements must be tested for alcohol, marijuana, cocaine, amphetamines, methamphetamines, opiates (including heroin) and phencyclidine (PCP). In [AS 14.09.025](#), the Alaska Legislature enacted its own statutory requirement for testing bus drivers, which is in effect for all Alaska districts that employ bus drivers. This area, especially post-employment testing of drivers, involves constitutional issues. School districts should refer to legal counsel in designing and implementing drug testing procedures. Although the passage [AS 17.38](#) authorizes the use of marijuana under certain conditions, it explicitly recognizes the authority of employers to prohibit the use, consumption, possession, transfer, display, transportation, sale, or growing of marijuana in the workplace. [AS 17.38](#) also does not prevent employers from establishing policies that restrict the use of marijuana by employees. [AS 17.38.120\(a\)](#). In addition, as a recipient of federal funds, the district is obligated to maintain a drug-free workplace consistent with federal law, which prohibits the manufacture, sale, distribution, possession and sale of marijuana. For purposes of the district's policy and legal obligation, marijuana is prohibited.

Purpose

The Superintendent or designee shall establish and implement a drug and alcohol testing program for all bus drivers employed by the [sSchool eDistrict](#), in accordance with state and federal law. [This testing program may be accomplished through a contract or agreement with the district's transportation services contractor.](#) The purpose of the testing program shall be to help prevent accidents and injuries resulting from the misuse of drugs and alcohol by bus drivers. This program shall test drivers for the improper use of drugs and alcohol and shall include random testing. Improper use of drugs and alcohol consists of use that constitutes a federal or state criminal offense, or otherwise violates the regulations of the Department of Education and Early Development.

Prohibited conduct

No personnel employed by the [sSchool eDistrict](#) as drivers of motorized vehicles used to transport students shall report for duty requiring the performance of safety-sensitive functions, or remain on duty, when the driver uses any controlled substance or has a prohibited concentration of alcohol in the driver's system. The only exception is when a driver has used a controlled substance pursuant to the instructions of a qualified physician who has advised the driver in writing that the substance does not adversely affect the driver's ability to safely operate a motorized vehicle for the transportation of students. Drivers shall provide a copy of the physician's written advice to the driver's supervisor prior to operating any motor vehicle for the [sSchool eDistrict](#).

Required Testing

Drivers shall be subject to pre-employment/pre-duty, reasonable suspicion, random, post-accident, returning to duty and follow-up alcohol and drug testing. Random alcohol testing shall be limited to the time period surrounding the performance of safety-related functions, which include just before or just after the employee performs the safety-related function for the district. Controlled substance testing may be performed at any time the driver is at work. An employee subject to this testing may not refuse to take a test when required.

[Note: Under 49 CFR Part 40, the Department of Transportation has made specimen validity testing \(SVT\) mandatory within the regulated transportation industries. Making SVT mandatory has become necessary because of the increase in products designed to adulterate specimens, which has made tampering with specimens more prevalent.](#)

Consequences for failing or refusing to take a required test

A refusal to take a required test shall be considered in violation of the employee's contractual obligations to the district and may constitute grounds for the employee's termination from employment with the district. If testing confirms prohibited alcohol concentration levels or the unauthorized presence of a controlled substance, the employee shall be removed immediately from safety-related functions in accordance with law. The district may reassign the employee to non-safety-related functions until such time as the driver complies with the requirements for returning to duty.

The Superintendent or designee retains the authority, consistent with state and federal law, to discipline or discharge any driver who is alcohol or chemically dependent and whose current use of alcohol or drugs impairs the employee's job qualifications or performance. Before a driver may be reinstated, if at all, the driver shall undergo an evaluation by a substance abuse professional, comply with any required rehabilitation and undergo a return-to-duty test with verified results.

Except as required by law or collective bargaining agreement, the district is not required to provide rehabilitation, pay for substance abuse treatment or to reinstate a driver who has failed a required drug or alcohol test. All employment decisions involving reassignment, reinstatement, termination or dismissal from employment shall be made in accordance with applicable district policies and procedures.

Records

The district shall keep and maintain testing records, and shall maintain the confidentiality of those records, in accordance with law. Testing records, and any information about false positive test results, shall not be released without the written consent of the employee. The district shall not retain records of false positive test results in the employee's employment records.

Training

The district shall take steps to ensure that supervisors receive appropriate training to administer the district's drug and alcohol testing program, and that employees receive the notifications required by law.

The administration recommends the Board approve the first reading of the proposed revisions to BP 4111/4211/4311 All Personnel - Recruitment and Selection as presented and open for public comments.

BP 4111/4211/4311 ~~CERTIFICATED~~ ALL PERSONNEL - RECRUITMENT AND SELECTION

Note: Effective for the 2016-2017 school year, the federal Every Student Succeeds Act has eliminated the requirement that teachers be "high qualified." Rather, teachers should be fully licensed and endorsed in each subject they are teaching.

The ~~e~~District shall employ the most ~~highly~~ qualified person available for each open position. The Superintendent or designee shall develop recruitment and selection procedures to ensure that every effort is made to find and hire fully qualified ~~teachers for all classrooms, staff~~ which include:

1. Assessment of the ~~e~~District's needs to determine those areas where specific skills, knowledge and abilities are lacking.
2. Development of job descriptions which accurately portray the position, including requirements that an ~~n teacher-employee~~ be qualified in accordance with federal and state law.
3. Dissemination of vacancy announcements to ensure a wide range of candidates, when necessary.
4. Screening procedures which will identify the best possible candidates for interviews.
5. Interview procedures which will determine the best qualified candidate for recommendation to the Board.

Staff members involved in the selection process shall recommend only those candidates who meet all qualifications established by law and the Board for a particular position. Nominations for employment shall be based upon appropriate screening devices, interviews, observations, recommendations from previous employers and any requirements of applicable collective bargaining agreements.

No inquiry shall be made with regard to age, race, color, religion, sex or national origin of persons proposed for or seeking employment. Questions regarding disability shall be asked only when directly related to the job and as permitted by law.

Note: The Alaska Professional Teaching Practices Commission recommends that districts develop a policy regarding the procedures to be followed when desiring to hire an educator currently under contract with another school district. The following policy language is based on procedures developed by the Fairbanks North Star Borough School District.

Before considering the hire of an ~~n certificated staff member~~ applicant who is currently under contract in another district, the Superintendent or designee will require the certificated staff to provide written documentation that he/she: (1) has made an effort to secure a release from the employing district thirty calendar days prior to the employing

district's first contract day; or, (2) has secured a written release from the employing district.

Note: A subject-matter expert teacher, holding a limited certificate issued by the Department, may be employed to teach subjects in which the person has satisfied the education or experience requirements set out in state statute [AS 14.20.022](#). Before a school district determines whether to hire a person as a subject-matter expert teacher, the school district must administer a competency examination. Additionally, once a subject-matter expert teacher is hired, the district must provide a mentor who is an experienced teacher for the subject-matter expert teacher for at least the first year of the subject-matter expert teacher's employment in the school district. A person employed as a subject-matter expert teacher under this section is considered a certificated employee for purposes of the teachers' retirement system. Finally, employment as a subject-matter expert teacher counts as employment for purposes of acquiring tenure; however, a person holding a subject-matter expert limited teacher certificate is not entitled to tenure until the person receives a teacher certificate under [AS 14.20.022](#).

(cf. 4112.8/~~4212.8/4312.8~~ - Employment of Relatives)

Note: [AS 14.20.020](#) requires coursework in Alaska studies and multicultural education or cross-cultural communications in order to be eligible for a teacher certificate. Effective June 30, 2017, [AS 14.20.020](#) also requires training on alcohol and drug related disabilities, sexual abuse and sexual assault awareness and prevention, dating violence and abuse awareness and prevention and suicide prevention in order to be eligible for a teacher certification. [AS 14.20.035](#) requires districts to give preference to applicants who demonstrate training or experience that indicates sensitivity to the traditions and cultures represented in the student population.

In evaluating applicants, preference shall be given to those applicants who can demonstrate training and experience related to the traditions and cultures represented in the student population.

(cf. 4030 - Nondiscrimination in Employment)

~~(cf. 4111.1/4211.1/4311.1 - Affirmative Action)~~

(cf. 4111.2/4211.2/4311.2 - Legal Status Requirement)

No person shall be employed by the Board without the recommendation or endorsement of the Superintendent or designee. The Board shall be presented with the Superintendent or designee's recommended candidate who may be ~~selected~~ [approved](#) or rejected by the Board. If the candidate is rejected, the Superintendent or designee shall recommend subsequent candidates until the Board ~~selects~~ [approves](#) someone to fill the position. The Board ~~has authority over the employment of~~ [shall make the final](#)

~~decision on the selection of~~ all employees, however, the Board may delegate the Superintendent or designee the authority to make staff hires without prior Board approval. If such authority is delegated, the Superintendent or designee shall notify the Board of all hires at a regularly scheduled Board meeting.

(cf. ~~6181—Charter School~~10000 – Concept and Roles)

Note: AS 14.08.111 and AS 14.14.090 require districts to provide prospective employees with information regarding the availability and cost of housing in rural areas to which they may be assigned and when possible assist them in locating housing. The following may be revised or deleted as appropriate.

The Board recognizes that the eDistrict encompasses rural areas and will assist teachers in obtaining information regarding the cost and availability of housing as required by law.

Personnel records shall be kept for all current employees and shall include information usually expected in good personnel administration. Records shall be kept for all former employees, including such information as ~~shall seem~~deemed appropriate to the administration.

Note: The Alaska Supreme Court has upheld a broad policy of public access to records and has ruled that employment applications of police chief and city manager may not be exempt from disclosure in view of the public's strong interest in high level public officials. It is likely therefore that Superintendent or designee applications, and possibly other employee applications, are subject to public disclosure.

(cf. 1340 - Access to District Records)

(cf. 3580 - District Records)

(cf. 1312.1 - Complaints Concerning Personnel)

Note: 4 AAC 19.040 exempts employee evaluations from public disclosure and requires districts to establish procedures as to which supervisory personnel may have access to evaluation documents. AS 14.20.149 provides that information provided to a district under the district's certificated employee evaluation system is not a public record and is not subject to public disclosure. The Alaska Supreme Court in Anchorage Daily News has held that the evaluation of head public librarian is a public document. AASB recommends public requests for evaluations of district administrators be reviewed with district legal counsel on a case-by-case basis.

All personnel files are confidential and shall be available only to the employee, persons authorized by the employee, the Superintendent or designee, and those individuals authorized by the Superintendent or designee or Board in accordance with administrative procedures. The School Board members may collectively request to review an employee's file at an executive personnel session of the Board, pursuant to a specific employee action and/or complaint process, and in accordance with the Alaska Open Meetings Act.

Employees shall be notified whenever derogatory information is to be placed in their personnel files. Employees may review and comment on the contents of ~~this~~their personnel file. Personnel records shall be made available for inspection by the employee at an off-duty time. Inspection shall take place in the presence of an administrator.

BP 4113 CERTIFICATED PERSONNEL - ASSIGNMENT

Note: The following sample policy may be revised or deleted to reflect district philosophy. This subject area is covered by collective bargaining laws.

The School Board recognizes strategic assignments are essential to supporting student success and maintaining a healthy, consistent school environment. While assignments must comply with applicable laws and credentialing requirements, the strengths, experiences, and well-being of district staff are important considerations. Since both students and staff benefit from stability, continuity, and positive relationships, assignment decisions should also consider the impact on school climate by minimizing unnecessary disruptions, and promoting consistency in student-teacher relationships. ~~respects the importance of assigning teachers in accordance with law, so as to serve the best interests of our students and the educational program.~~

BP 4115 CERTIFICATED PERSONNEL - EVALUATION/SUPERVISION

Note: [AS 14.20.149](#) requires school districts to have a certificated employee evaluation system. The School Board is required to consider information from students, parents, community members, classroom teachers, affected collective bargaining units, and administrators in the design and periodic review of the system. The evaluation must be based on observation of the employee in the employee's work place. In addition, the law mandates a number of requirements for the system including the establishment of district performance standards, a minimum number of evaluations each year, the preparation and implementation of a plan of improvement, and opportunity for students, parents, community members, teachers, and administrators to provide information on the performance of the person being evaluated.

Department of Education and Early Development regulations require a district's certificated employee evaluation system to evaluate a teacher or administrator's performance on applicable professional content standards as exemplary, proficient, basic, or unsatisfactory. In addition, overall performance must be evaluated with these same four ratings. No later than July 1, 2016, a district shall adopt for teachers and administrators standards for performance based on student learning data. [4 AAC 04.205](#). Beginning July 1, 2016, a district shall report to the department not later than September 15th of each year evaluation results as to tenured and non-tenured teachers, administrators and special service providers and performance levels, as prescribed in [4 AAC 19.055](#). The Educator Evaluation regulations are found at [4 AAC 19.010-19.099](#).

The School Board believes that evaluations can provide important information relevant to employment decisions, ~~can~~ help staff improve their professional skills, ~~can~~ improve the effectiveness of instruction, and raise student achievement levels. In accordance with the ~~d~~District's certificated employee evaluation system, the Superintendent or designee shall evaluate certificated personnel annually, including teachers, administrators, and special service providers. The evaluation system shall evaluate whether the certificated employee is exemplary, proficient, basic, or unsatisfactory on applicable content standards and in overall performance. The ~~d~~District's certificated employee evaluation system will incorporate those procedures and mandates required by law.

The ~~d~~District shall provide ~~annual~~ in-service training to all certificated employees subject to the evaluation system. The training will assure inter-rater reliability and address the evaluation procedures, the standards used by the ~~d~~District in evaluating performance, and other information that may be helpful to a thorough understanding of the evaluation system.

Individuals conducting an evaluation must hold a Type B Administrative Certificate or be a Site Administrator under the supervision of a person with a Type B certificate, be

employed by the School District as an administrator, and complete training in the use of the District's evaluation system.

A certificated employee has a right to ~~timely~~ comment within 10 days on the evaluation and may not be retaliated against for doing so.

The certificated employee evaluation system will be periodically reviewed. The ~~e~~District will consider input from students, parents, community members, classroom teachers, affected collective bargaining units, and administrators. The ~~e~~District will make a form, template, or checklist that the ~~e~~District uses in the evaluation of certificated employees available to the public, including posting the form, template, or checklist on the ~~e~~District's website. The posting will explain how the ~~e~~District has considered the input of these groups in the design of the evaluation system.

ABSTRACT:

Board policy revisions require Board approval.

ISSUE:

At issue is to approve the first reading of the proposed revisions to BP 4117.2/4217.2/4317.2 All Personnel - Resignation and open for public comments.

BACKGROUND AND/OR PERTINENT INFORMATION:

The Superintendent/designee presents drafts or suggestions for board policy revisions when the law changes or specific needs occur. Policy revisions shall normally be given two readings prior to adoption by the Board.

This is the first reading of the proposed revisions to BP 4117.2/4217.2/4317.2 All Personnel - Resignation within the Personnel series.

This update merges BP 4117.2 and BP 4217.2. This update simplifies the process for an employee to resign and merges the classified and certified resignation policies.

The Board Policy Committee reviewed the proposed changes, recommends approval and to open for public comments.

ALTERNATIVES:

1. Approve the first reading of the proposed revisions to BP 4117.2/4217.2/4317.2 All Personnel - Resignation as presented and open for public comments;
2. Do not approve the first reading of the proposed revisions to BP 4117.2/4217.2/4317.2 as presented;

ADMINISTRATION'S RECOMMENDATION:

The administration recommends the Board approve the first reading of the proposed revisions to BP 4117.2/4217.2/4317.2 All Personnel - Resignation as presented and open for public comments.

BP 4117.2/4217.2/4317.2 CERTIFICATED ALL PERSONNEL - RESIGNATION

The Superintendent or designee is authorized to accept the written resignation of any employee on behalf of the School Board, and the resignation shall become effective immediately upon acceptance by the Superintendent or designee. A resignation presented to and accepted by the Superintendent or designee may not be withdrawn by the employee.

Note: *The Alaska Professional Teaching Practices Commission recommends that districts adopt a policy which addresses the situation of a teacher's request to resign during the teacher's contract term, or abandoning the position without notice. The PTPC further recommends a policy that addresses what procedures the school district will follow when recruiting a teacher currently under contract with another district, including a teacher who has not obtained a written release from that district. The PTPC will implement possible sanctions against a teacher who unilaterally breaches his or her employment contract. The following language can be revised to reflect your district's needs.*

A certificated staff member should provide notice as early as possible to the eDistrict when the staff member knows that he or she does not plan to return for the following school year. The eDistrict will agree to release a certificated staff member who ~~terminates~~ has signed a contract provided notice is given to the eDistrict, in writing, post-marked on or before June 30th. ~~thirty calendar days prior to the staff member's first contract day of the school year.~~

If a request to release a certificated staff member from his or her contract is made after June 30th ~~when fewer than thirty calendar days remain before the staff member's first contract day, or anytime thereafter~~, the eDistrict will consider filing a Professional Teaching Practices Commission (PTPC) complaint. When considering if the filing of a PTPC complaint is warranted, the eDistrict will weigh any mitigating circumstances including, but not limited to, factors impacting the staff member's family or health, factors related to the staff member's expectations regarding employment or working conditions, or unforeseen changes in the circumstances impacting the staff member's ability to continue employment with the eDistrict.

If a certificated staff member is currently under contract with the eDistrict and the eDistrict learns the staff member has contracted with another eDistrict without obtaining a written release, the eDistrict will file a PTPC complaint against the staff member.

The eDistrict will not contract with a certificated staff member under contract with another district unless the staff member provides a written release from the current employer. If the eDistrict contracts with a certificated staff member who has not disclosed that he/she is under contract with another school district, the eDistrict

reserves the right to terminate the contract for material misrepresentation and to file a PTPC complaint.

This is the first reading of the proposed revisions to BP 4117.4 Certificated Personnel – Dismissal within the Personnel series.

This update codifies the requirement established by the Alaska Supreme Court that certified employees may call witnesses at a pre-termination hearing.

The Board Policy Committee reviewed the proposed changes, recommends approval and to open for public comments.

ALTERNATIVES:

1. Approve the first reading of the proposed revisions to BP 4117.4 Certificated Personnel – Dismissal as presented and open for public comments;
2. Do not approve the first reading of the proposed revisions to BP 4117.4 as presented;
3. Take no final action.

The administration recommends the Board approve the first reading of the proposed revisions to BP 4117.4 Certificated Personnel – Dismissal as presented and open for public comments.

BP 4117.4 CERTIFICATED PERSONNEL - DISMISSAL

Note: AASB recommends that districts consult with legal counsel well before dismissal proceedings are to be instituted. The complexity of legal provisions pertaining to dismissal make such consultation imperative.

Employees shall not be deprived of their position during the school year except when cause for the dismissal can be shown. Employees shall be accorded their due process rights provided by law. Employees shall have the right to call witnesses in a pre-termination hearing held under the procedure set forth in AS 14.20.180.

BP 4119.12/4219.12/4319.12 ALL PERSONNEL - HARASSMENT

The School Board is dedicated to providing a safe environment. Harassment disrupts a student's ability to learn and a school's ability to educate. Personnel are expected to demonstrate positive character traits and values. Conduct and speech must be civil and respectful.

~~The School Board recognizes that harassment can cause embarrassment, feelings of powerlessness, loss of self-confidence, reduced ability to perform school work, and increased absenteeism or tardiness. The School Board shall not tolerate the harassment of any student by any other student or district employee. Any student or employee who is found guilty of harassment shall be subject to disciplinary action up to and including suspension or termination.~~

Personnel are prohibited from engaging in any form of harassment in any school-related setting, including but not limited to: school property, during school hours, on school buses, at bus stops, and at school-sponsored activities, events, or functions.

Harassment means and includes, but is not limited to, intimidation by threats of or ~~actual~~ physical violence; the creation ~~by whatever means~~ of a climate of hostility or intimidation; or the use of language, conduct, or symbols in such a manner as to convey hatred, contempt, or prejudice or to have the effect of insulting or stigmatizing an individual. Administrator-s shall discuss this policy with their employees and shall assure them that they need not endure any form of harassment.

The School Board encourages students or staff to immediately report incidences of harassment to the administrator or designee. Note: The following policy is **optional**. If the School Board wishes to expand the policy to proscribe or prohibit specific items of clothing, it is advisable to consult with legal counsel. In adopting such a policy, the district must ensure that its dress code is reasonable and reasonably enforced.

The School Board believes that since teachers-staff serve as role models, they should maintain professional standards of dress and grooming. ~~Just as overall attitude and instructional competency contribute to a productive learning environment, so do appropriate dress and grooming.~~

The Board encourages staff during school hours to wear clothing that demonstrates their high regard for education and presents an image consistent with their job responsibilities. ~~Clothes that may be appropriate for shop instructors or gym teachers may not be appropriate for classroom teachers.~~

Note: The following optional policy may be revised or deleted. SB 16 (Statutes of 1992), repealed Title 14 provisions related to collective bargaining and affirmed placement of public school employees under the Public Employment Relations Act. In addition, public school employees were reclassified from class (a) (2) to class (a) (3) under AS 23.40.200 which provides them the right to strike after exhausting the advisory arbitration process. If advisory arbitration fails, a strike may not begin until at least 72 hours after notice of the strike is given. In any event, a strike may not begin on or after the first day of the school term, as that term is described in AS 14.03.030, unless at least one day in session with students in attendance has passed after notice of the strike is given by the employees. AS 23.40.080 provides public employees the right to engage in concerted activities. AASB is available for assistance in preparing contingency strike plans.

~~The Board subscribes to the principle that differences with employees or employee groups shall be resolved by peaceful and appropriate means without interruption of the school program.~~

~~The Board considers any type of unauthorized, improper or illegal work stoppage by District employees to be substantial non-compliance with the regulations and policies of the District.~~

The Superintendent or designee shall maintain a plan for the safe operation of the schools in the event of a work stoppage. In the event of a strike, a walkout, a coordinated mass use of sick leave or any other concentrated refusal of staff to perform assigned duties, the Superintendent or designee shall take whatever emergency steps ~~he/shethey~~ deems necessary for the safety of students, staff and ~~d~~District property. Such steps shall be reported to the Board as soon as possible.

When students raise questions related to a work stoppage, staff shall be expected to approach the subject in accordance with the District's policy on controversial issues. Staff shall not let such discussions interfere with their regular employment responsibilities.

(cf. 6144 - Controversial Issues)

Employees shall not provide students with messages or other information that promotes or explains the position of any employee organization that is engaged in or contemplating a work stoppage.

Note: Alaska school districts are required to adopt standards relating to when a teacher, paraprofessional, or other person responsible for students is authorized to use reasonable and appropriate force to maintain classroom safety and discipline. Effective October 2014, the use of restraint and seclusion of students is strictly limited and in some situations prohibited by law. [AS 14.33.125](#). Any use of restraint or seclusion by a district employee of a student must comply with all legal requirements. A teacher, paraprofessional, administrator, or another person responsible for students may not be terminated or otherwise subjected to formal disciplinary action for lawful enforcement of a school disciplinary and safety program, including behavior standards. [AS 14.33.130](#). This group is protected from civil liability for acts or omissions arising out of enforcement of the disciplinary and safety program while in the course of employment, unless the act constitutes gross negligence or reckless or intentional misconduct. [AS 14.33.140](#), and the Every Student Succeeds Act.

An employee may use approved methods of physical restraint if a student's behavior poses an imminent danger of physical injury to the student or others and less restrictive interventions would be ineffective at stopping the imminent danger. Restraint must be limited to that necessary to address the emergency and must be immediately discontinued when the student no longer poses an imminent danger or when a less restrictive intervention is effective to stop the danger.

(cf. 5144 - Discipline)

(cf. 5142.3 - Restraint and Seclusion)

Note: A teacher, *paraprofessional*, administrator, or other employee responsible for students who, during the course of employment, observes a student committing a crime must report the crime to local law enforcement. [AS 14.33.130](#). The obligation to report to law enforcement resides with the staff member observing the crime. "Crime" means an offense for which a sentence of imprisonment is authorized; a crime is either a felony or a misdemeanor. [AS 11.81.900](#).

Employees shall promptly report any ~~personal attack~~, assault or threat against them to their immediate supervisor who will report to the Superintendent or designee. The employee and the administrator or other immediate supervisor ~~both~~ shall promptly report such instances to the appropriate local law enforcement agency, as appropriate. The Superintendent or designee shall be made aware of all police reports made by District personnel.

BP 4159/4259/4359 ALL PERSONNEL - EMPLOYEE ASSISTANCE PROGRAMS

The School Board supports the well-being of all employees and recognizes the benefit to the school system and students of a healthy workforce. The Board also recognizes that ~~s~~School ~~d~~District employees may have personal ~~problems-issues~~ which can have detrimental effects upon job performance and student safety. Many personal ~~problems issues~~ are easier to resolve when they are addressed early, before they reach disabling proportions. The Board encourages employees to seek help when such ~~problems issues~~ exist and to take advantage of the resources that are available to assist them.

Employees shall have confidential access to information about community resources that address personal ~~problems~~issues. This information shall be available, on a voluntary basis, to all employees, spouses and dependents.

(cf. 4020 - Drug and Alcohol-Free Workplace)

Management and supervisory staff shall be knowledgeable about the ~~d~~District's employee assistance program. When there are indications of declining performance, attendance problems, or on-the-job behavioral problems, supervisors shall consult with the Superintendent or designee to explore the resolution of such problems.

Note: The federal Americans with Disabilities Act, Section 104 states that an employee who uses drugs or who is an alcoholic may be held to the same job performance standards as held for other employees, even if any unsatisfactory performance is related to the drug use or alcoholism. Section 104 also states that an employer cannot discriminate against an individual who has successfully completed a supervised drug rehabilitation program or an employee who is currently participating in a supervised rehabilitation program and no longer engaging in drug use. The following optional paragraph clarifies that although participation in the assistance program is risk-free, the district reserves the right to discipline in accordance with its existing policies and procedures.

Participation in the assistance program will not jeopardize the employee's employment or career advancement, nor will it protect the employee from disciplinary action for substandard job performance.

ABSTRACT:

Board approval is required for purchases that exceed \$50,000.

ISSUE:

At issue is board approval of a contract increase for Burkhart Croft Architects for construction administrative services, and potential on-site cultural resources work for Deering Gravel Production and in an amount not to exceed \$290,000, an increase of \$100,000.

BACKGROUND AND/OR PERTINENT INFORMATION:

In April 2025, through Memo 25-125, the Board approved a contract for site design, cultural resources desktop survey, topographic survey, and permitting assistance. Topo survey work was completed last fall, and the remaining work is in progress. Contract amount was not to exceed \$190,000. However, Construction Administrative services for the design team put their overall contract amount above \$190,000. A contract increase, not to exceed an additional \$100,000 is needed to contract for their services during negotiations for the gravel production and services during that phase of the project. In addition, dependent on the findings of the cultural desktop survey, on-site work may be needed this summer. The increase in the Not to Exceed contract amount includes this service if needed.

ABSTRACT:

Board approval is required for purchases that exceed \$50,000.

ISSUE:

At issue is Board approval for the contract for construction for Districtwide Fire Systems Replacement, 4 sites to Convergent for an amount Not to Exceed of \$3,300,000.00.

BACKGROUND AND/OR PERTINENT INFORMATION:

A DEED grant was awarded in 2025 to replace the Fire Systems in six schools. Noorvik's was replaced in 2025. Schools remaining to receive a new Fire Alarm system are Ambler, Buckland June Nelson Elementary and Kotzebue Middle High School. System will be a non-proprietary system, Potter, to match that installed in Noorvik and Selawik. While Shungnak is included in the grant, it may need a new sprinkler system in addition to the fire alarm system, thus it has been separated off as a different project.

As a system replacement project, the District can utilize the Sourcewell contract awarded to Convergent through a nationwide competitive bid process. This solicitation basically creates a per unit contract. As a member of Sourcewell, the District can utilize this existing contract saving time and money on procurement. Both DEED and District legal counsel approve the use of this contract format.

ISSUE:

At issue is an increase in contract amount for DD Strait Consulting for Capital Projects Management Services in an amount Not to Exceed \$71,000 for a total contract amount Not to Exceed \$206,000.

BACKGROUND AND/OR PERTINENT INFORMATION:

New capital projects and related efforts have arisen since the approval of Capital Projects Manager DD Strait Consulting, LLC's contract approval in August 2025. Additionally, several building permits are needed for pending projects and SOA Fire Marshal's new system requires online payment to begin the review. DD Strait Consulting, LLC pays for this and is then reimbursed. The majority of CIP management services and expenses are reimbursed by active grants or can be retroactively reimbursed when a grant is awarded.

In early 2024 DD Strait Consulting, LLC was selected as the replacement capital projects manager following a competitive request for proposal process. That contract may be renewed up to four additional years, and the position must be advertised every five years.

Scope of Work for the position includes grant applications to various entities, management of any funded projects, and additional duties as requested.

The current contract not to exceed amount is \$135,000. This increase will revise that to a Not to Exceed amount of \$206,000, with over \$35,000 of it as building permit expenses. The contract includes both direct costs and reimbursable costs, such as travel, printing or postage, etc. as they arise. As a contractor instead of a district employee, DDSC does not receive District benefits.

ISSUE:

At issue is Board approval for the contract for construction of Phase I HVAC Controls Upgrades, 8 Sites in an amount Not to Exceed \$6,000,000.00.

BACKGROUND AND/OR PERTINENT INFORMATION:

Convergent is the Alaskan Distributor for Alerton Controls systems. Alerton is the controls system currently installed in Kivalina and Buckland. The district is standardizing around this system to streamline management, maintenance and operations. District personnel can receive factory training on the system. A DEED grant to replace the controls systems in eight schools was awarded in 2024. Selawik is also being replaced with an Alerton System under a separate project. A Borough VIF grant was awarded in 2025, providing the District's match and completing all funding needs. Phase I construction is ready to begin in Summer '26 and will include Ambler, Kiana, Noatak, Noorvik, and Kobuk. Phase II and Shungnak work will occur in 2027. District is utilizing Convergent's Sourcewell Contract, which was awarded through a nationwide competitive bid process. It is essentially a per unit contract. The Sourcewell contract allows other governmental entities to use the contract without a separate procurement. District is a member of Sourcewell and this is an acceptable contract to DEED and District legal counsel.

At issue is an increase to Burkhart Croft's design contract for ILILGAAT MUNAQRIVIAT Childcare Center to add completion of the design phase and construction phase services. Contract increase shall not exceed \$90,000.

BACKGROUND AND/OR PERTINENT INFORMATION:

Burkhart Croft is the prime contractor for the ILILGAAT MUNAQRIVIAT Childcare Design Team. Current services do not include 100% construction documents or construction administration services. Design Team services are critical during construction to review products and materials to be used in the construction, to answer Contractor questions and to perform completion inspections. At the end of construction, the Design Team produces Record Drawings of what was actually built and reviews contractor provided Operations and Maintenance manuals used by the District for the life of the construction.

Lessor's consent shall not be unreasonably withheld. Any attempted assignment, transfer, mortgage, encumbrance or subletting without such consent shall be void and shall constitute a breach of this Lease.

ARTICLE 7 TERMINATION, DEFAULT AND DEFEASANCE

- 7.01 Event of Default. The following shall be a default by Lessee and a breach of this Lease:
- A. Failure to Perform Covenants. Abandonment or surrender of the Leased Premises or of the leasehold estate, or failure or refusal to pay when due any installment of rent or any other sum required by this Lease to be paid by Lessee or to perform as required or conditioned by any other covenant or condition of this Lease.
- 7.02 Notice and Right to Cure.
- A. Notices. As a precondition to pursuing any remedy for an alleged default by Lessee, Lessor shall, before pursuing any remedy, give notice of default to Lessee.
- B. Method of Giving Notice. Lessor shall give notice of default by either personal service or by first class mail.
- C. Lessee's Right to Cure Default(s). If the alleged default is nonpayment of rent, Lessee shall have

- 7.03 Non-Waiver. Acceptance by Lessor of any rents shall not be deemed to be a waiver by it of any breach by Lessee of any of its covenants contained in this Lease or of the right of Lessor to re-enter the Leased Premises or to declare forfeiture for any such breach. Waiver by Lessor of any breach by Lessee shall not be deemed to be a waiver of the right of Lessor to declare forfeiture for any other breach or of any other covenant.
- 7.04 Right of Lessor to Protect Against Default. If Lessee fails to observe or perform any of its covenants contained herein, Lessor, at any time thereafter and with seven (7) days notice, or in the case of a situation deemed by Lessor to constitute an emergency, without notice, shall have the right but not the obligation to observe or perform such covenant for the account and at the expense of Lessee, and shall not be liable to Lessee or anyone claiming by, through, or under it for any loss or damage by reason thereof to the occupancy, business, or property of any of them. All costs and expenses paid or incurred by Lessor in observing or performing such covenant shall constitute additional rents, which Lessee shall forthwith pay to Lessor upon statements therefore.
- 7.05 Lessor's Remedies. In the event of a breach by Lessee of any of the agreements, conditions, or terms of this agreement, and a subsequent failure to cure the breach by Lessee, then Lessor shall have the right to terminate this Lease and seek reasonable damages. Lessor retains the right to invoke any other remedy allowed by law or in equity. These rights are cumulative and the exercise of one right has no exclusionary effect on any other. Failure to exercise a right does not constitute a waiver of that right.
- A. Termination in the Event of Default. If Lessor gives Lessee notice of termination, all Lessee's rights in the Leased Premises shall terminate. Within forty-eight (48) hours after notice of termination, Lessee shall surrender and vacate the Leased Premises, and Lessor may re-enter and take possession of the Leased Premises. Termination under this paragraph shall not relieve Lessee from the payment of any sum then due to Lessor or from any claim for damages previously accrued or accruing against Lessee, or any other relief available to Lessor.
- B. Recovery of Rent. Lessor shall be entitled, at Lessor's election, to each installment of rent or to any combination of installments for any period before termination, plus interest at the rate of two (2%) percent from the due date of each installment.
- C. Lessee's Personal Property. Lessor may, if Lessee fails to remove personal property or any new improvements within the time allowed above, use Lessee's personal property, Lessee's improvements and trade fixtures on the Leased Premises, or any of such property without liability for use or damage, or store them at the sole risk and cost to Lessee.
- 7.08 Lessee's Right to Terminate Lease. Lessee may terminate this lease by: (1) not exercising its right to renewal; or (2) failure to obtain a license to operate a child care center for reasons directly related to facility issues. Lessee may give Lessor ninety (90) days advance written notice to Lessor of its intent to terminate this Lease. In such event, Lessee shall be responsible for all rents for anytime it is occupying the Premises, even partially, except for June and July rents.
- 7.09 Lessee's Remedies. This is a commercial lease and in no respect is covered by the Residential Landlord Tenant Act of the State of Alaska or any other statutes designed to protect residential tenant or landlord interests except as they apply to commercial leases. In the event that Lessee is dissatisfied with any aspect of Lessor's performance, Lessee shall give written notice to Lessor, and Lessor shall have ten days to

remedy the defect. If the defect is substantially cured but not fully satisfactory to Lessee, then Lessee shall notify Lessor, and Lessor shall have another ten days to affect the cure. Lessee shall have all rights given to Lessee for a breach of the terms of this Lease by Lessor at common law in law and equity subject only to the condition precedent of notice as required in this section.
