Gleason Lake Elementary School is proud to nominate Katie Englund as the District Employee of the Month. Katie has been a first grade teacher at Gleason Lake Elementary for the past 7 years. She brings compassion, dedication and expertise to this position. Her enthusiasm for teaching and positive engaging personality is evident in the relationships she forms with students. She is always willing to put students first and continually focus on each child's unique strengths. **ITEM: C. WHS Hockey Association Donation**

**COMMENTS BY: Superintendent Anderson**

During the past summer, Wayzata Public Schools, in partnership with the Wayzata Youth Hockey Association (WYHA), completed an update to the Wayzata Public Schools Ice Arena located at Central Middle School. The project included the installation of new interior and exterior doors and an upgrade to the ventilation system in the varsity and individual locker rooms at the rink. The ventilation system upgrade added new heating and exhaust systems to the locker rooms and cost approximately \$100,000.

The WYHA contributed \$19,000, with additional funding from Wayzata Public Schools to install the new, heavy duty interior vestibule doors and exterior door. The donation also covered the expense of some interior painting in the locker rooms.

These projects could not be done without the yearly commitment from the WYHA. The ice arena is more than 30 years old and the WYHA plays a large role in maintaining this facility for the students, players and community members who participate in events.

WYHA president Greg Gibson and WYHA board member Paul Hahn are here tonight to present the district with the donation of \$19,000.

Thanks very much to the WYHA for its continued partnership with Wayzata Public Schools.

**ITEM: D. ACT Perfect Scores**

---

**COMMENTS BY: Superintendent Anderson**

---

**Jessica Anderson, Zach Quanbeck and Zach Sperry**, seniors at Wayzata High School, earned a perfect score of 36 on the ACT exam.

**Jessica** prepared for the exam by purchasing a review book to familiarize herself with test questions. She said her normal class work also prepared her for the exam. She is currently enrolled at Bethel University through the Post Secondary Education Option (PSEO), and while she is a senior at WHS, she spends her entire day at the university. She is tentatively majoring in reconciliation studies, which she said is unique to Bethel and is a program that focuses on working to heal divides created by race and religion. She is a National Merit Scholar Semi-Finalist.

**Zach Quanbeck** said he was expecting to do well on the exam because he challenges himself academically at school. He has taken many Advanced Placement Courses and was expecting to earn a score in the 30 range. He used the real ACT red study book to practice for the exam based on a recommendation from Zach Sperry, who achieved a perfect score on the December 2008 exam. Zach has participated in Math Team, intramural sports, Link Crew and is a National Merit Scholar Semi-Finalist.

**Zach Sperry** said he was shooting for a score of 30 or above. He prepared for the exam through his curriculum choices of AP courses and the use of the real ACT red study book. He is involved with improve troupe, the Trojan Leadership Council, Knowledge Master Open, Link Crew, Student Council and the creative writing club. He also plays the violin and is a National Merit Scholarship Semi-Finalist.

**ITEM: E. National Merit Scholarship Semi-Finalists and Esteemed Teachers**

**COMMENTS BY: Superintendent Anderson**

Wayzata High School has 23 seniors who have been selected as 2010 National Merit Scholarship semifinalists. We are very pleased that Wayzata Public Schools students do such a commendable job on these highly competitive national tests year after year. It speaks very positively about their motivation and aptitude and highlights the excellent work Wayzata Public Schools' teachers and support staff do in providing a solid learning experience for such achievement. Through this recognition event, we are not only honoring these scholars, but the elementary, middle and high school teachers who the students have selected as having "had the most positive and formative influence" on them as learners in the Wayzata Public Schools.

As the students are introduced, they will in turn introduce their choice of elementary, middle or high school "Esteemed Teachers" and present each with a glass apple. The glass apples were donated by Anchor Bank of Wayzata. We extend our wholehearted thanks and appreciation to Anchor Bank for their generous contribution to recognize excellence in our schools. Anchor Bank N.A.'s Wayzata location president **Duane Sather** is here representing the bank tonight and would like to speak briefly about the importance of recognizing these students and their "Esteemed Teachers."

Regular Meeting – November 9, 2009

AGENDA SECTION: 6. SUPERINTENDENT'S REPORTS AND RECOMMENDATIONSITEM: C. SuperintendentCOMMENTS BY: James Westrum**2. Approval of Attendance Boundary Adjustment for 2010-2011**

Resident student enrollment at Kimberly Lane Elementary continues to exceed the projections used by the School Boundary Task Force in making their boundary adjustment recommendations in 2006. Current and projected resident enrollment at Kimberly Lane creates the need to make an administrative elementary boundary adjustment effective with the 2010-2011 school year. Although resident enrollment growth within the current Kimberly Lane attendance area has been higher than projected, total enrollment within the Greenwood's attendance area has been slightly lower than projected.

The administration, in conjunction with our demographer, Hazel Reinhardt, and with the support of a GIS mapping system from TIES, have reviewed current and projected enrollment data from our three northern elementary schools. We have also reviewed projected housing development information from the cities of Plymouth and Maple Grove, along with information from the developers. This process has resulted in a recommendation to reassign a small census area from Kimberly Lane Elementary to Greenwood Elementary to prevent potential overcrowding at Kimberly Lane Elementary.

The area proposed for this administrative attendance area includes current and future residences in the City of Plymouth, north of Schmidt Lake Road, and west of Lawndale Lane North. The northern boundary of this census area would be at the City of Maple

Grove's border, while the western boundary would extend and be contiguous to the existing Greenwood attendance area. This change is not anticipated to impact transportation services. The administration is recommending that the five current elementary students who may be affected by this adjustment be given the option to continue their attendance at Kimberly Lane Elementary School for the remainder of their elementary years. Three current 5th graders will be in 6th grade next year and will not be affected by this adjustment.

**RECOMMENDED ACTION:** Approve the reassignment of the attendance boundaries for Kimberly Lane and Greenwood Elementary Schools, in the manner described above, beginning with the 2010-11 school year.

The School District General election was held on November 3, 2009, to fill the expiring 4-year terms of Susan Hayes Droegemueller, John A. Moroz, and Carter G. Peterson. There were six candidates for the three 4-year terms and 5,246 District residents voted in the election. The enclosed Abstract and Return of Votes Cast indicates that Susan Hayes Droegemueller, Susan Gaither, and John A. Moroz received the largest number of votes and have been elected to the Wayzata School Board effective the first Monday in January 2010.

The School District Special election was held on November 3, 2009, to fill a vacancy in the term of school board member expiring January 2, 2012. There were two candidates for the one 2-year term and 5,246 District residents voted in the election. The enclosed Abstract and Return of Votes Cast indicates that Carter G. We offer our congratulations to Susan, Susan, John and Carter, and extend our wholehearted appreciation on behalf of the Wayzata Public Schools' community for their willingness to serve.

Our sincere thanks and appreciation are also extended to outgoing Board member Gregory D. Rye, who was appointed to the Board in July 2008 to finish out the first half of a 4-year term held by Gary W. Landis, after Gary's resignation.

Greg has made outstanding contributions as a member of the School Board, provided excellent leadership, and always kept “what is best for kids” as his primary vision for District 284.
