**AGENDA SECTION: 4. RECOGNITIONS**

**ITEM: A. Employee of the Month - March**

**COMMENTS BY: Superintendent Anderson**

Plymouth Creek is proud to recognize third grade teacher, **Jim Hebeisen**, as the March Employee of the Month. It is a great pleasure to work with such an outstanding teacher and wonderful person. Jim is a supportive colleague and committed friend of children and brings generosity, wisdom, and an energetic sense of humor to the Plymouth Creek Elementary School community.

Jim came to Plymouth Creek Elementary School one week after school started the year Plymouth Creek opened in 1989. He has taught third grade in the same classroom for his entire career. Jim has served on school and district committees in Math, Health and Science. He has also been a new teacher mentor and chairs our PBIS (Positive Behavioral Interventions and Supports) team. Jim is known throughout the Plymouth Creek community for his "theatrical" contributions both in and out of the classroom. Whether creating humorous videos, singing with the "Plymouth Creek Lettermen," or making special appearances in the classroom, Jim enjoys a good performance.

When asked about teaching highlights, Jim noted he enjoys getting to know individual students and meeting their individual needs. For example, recently he received an e-mail from a former student who credits Jim's influence on her decision to become a teacher.

Congratulations Jim!

**POLICY: 502**

The mission statement of the Wayzata School District includes a commitment to personal wellness and fostering respect for self and others.

In support of this mission, we believe in the following:

- Recognition of the rights and responsibilities of all individuals.
- Respect for governing laws.
- Respect for private and public property.
- Consequences for failure to follow student conduct rules.

The School Board believes that learning occurs best in an orderly environment which promotes responsible behavior in our students. This policy and these regulations apply to all students on school property at all times, at any school-sponsored activities, at school bus stops, or and on school buses.

It is the intent of the School Board that all students be treated fairly, both in and out of class. The School Board has a responsibility to make reasonable policies for governing student behavior and conduct consistent with Minnesota statutes including Minnesota Pupil Fair Dismissal Act and rules and regulations approved by the Minnesota Department of Education. The School Board recognizes the uniqueness of each building and classroom and intends that there will be individual building and classroom procedures to implement District policy and administrative regulations.

**A. Preventive Measures**

Preventive measures may include the involvement of the parent/guardian and appropriate professional staff in an attempt to plan corrective strategy jointly. In cases of students with an active Individualized Education Program (IEP), preventive or corrective action plans will generally involve the student's case manager.

**B. Types of Corrective Measures**

- Student conference.
- Parent contact.
- Parent conference.
- Removal from class.
- Contract.
- Restitution.
- In-school support.
- Detention.
- Suspension or removal from extracurricular activities.
- In-school monitoring.
- Community service.
- Referral to outside agency therapeutic program.
- Suspension.
- Assign alternative program.
- Police referral.
- Petition County Court.
- Transfer to another school.
- Superintendent-level intervention.
- Expulsion/Exclusion.

These actions are not listed in any particular order and other actions may be appropriate as well.

**C. Building Level Measures**

The classroom teacher will generally attempt other means to correct undesirable behavior before removal from class is used.

1. **Removal from Class:** Violation of any rule or policy established by the School Board, administration, or teacher may be grounds for removing a student from a specific class or activity for an amount of time not to exceed five (5) class or activity periods. Students removed from a class or activity shall report to the area that is designated.
  - a. **Secondary Schools:** A class or activity means the daily instructional time for a given course of study.
  - b. **Elementary Schools:** A class or activity means a period of time not to exceed one (1) hour, regardless of subject of instruction.

2. **Suspension:** Suspension is a directive from a school administrator prohibiting a student from attending school.
  - a. **Notice:** All provisions of the Pupil Fair Dismissal Act will be followed.
  - b. **Re-entry:** Conference with parent or guardian is required as condition of reinstatement. (Per Pupil Fair Dismissal Act). The requirement for a Re-entry Conference cannot delay the delivery of special education services if a student has an IEP.
  - c. **Violation of Suspension:** If a student returns to school or a school- sponsored activity without permission during a suspension, the action may be considered a violation of the suspension and may be cause for further action.

#### D. Superintendent Level Disciplinary Process

The principal may refer a student to the Superintendent/designee for further action. The referral will be in writing and will be accompanied by a complete and up-to-date record of the facts of the incident(s) and all corrective measures attempted.

1. **Informal Hearing:** The Superintendent/designee will conduct an informal hearing. The student and parent/guardian will be notified of the hearing and will receive a copy of the referral letter. At the hearing the student may choose to be accompanied by any person. The principal and other school personnel may be present.
2. **Actions:** The Superintendent/designee will take one or more of the following actions:
  - a. Defer action pending further investigation
  - b. Place the student on Superintendent's probation.
  - c. Transfer the student to a different school.
  - d. Place the student on home instruction.
  - e. Place the student in a modified or alternative program.
  - f. Attempt to seek placement in a school outside the District with parental/guardian agreement.
  - g. Recommend expulsion or exclusion. The Superintendent may modify such expulsion/exclusion requests on a case by case basis.

**E. Expulsion/Exclusion**

**1. Expulsion**

Expulsion is a School Board action to prohibit an enrolled student from further attendance for up to twelve (12) months from the date the student is expelled. The procedures for notice and hearing under the Pupil Fair Dismissal Act regulations will be followed.

**2. Exclusion**

Exclusion means a Board action to prevent enrollment or re-enrollment of a student for a period that shall not extend beyond the school year. The procedures of the Pupil Fair Dismissal Act will be followed.

**F. Alternative Placement**

Alternative placement to another in or out-of-District school site may be made at the recommendation of the administration.

**III. NOTIFICATION OF BOARD POLICY/REGULATIONS AND BUILDING PROCEDURES**

**A.** High school and middle school students will be given a copy of the Student Discipline Regulations and any building-level procedures. Receipt of the written policy and procedures will be construed as having knowledge of the contents. Elementary students will receive an oral explanation.

**B.** Copies of the Board Policy on Student Discipline and Regulations will be available to students and parents/guardians in the office of each school building.

**IV. IMPLEMENTATION**

The building level procedures for implementing this policy will be determined by each site. The building principal and licensed employees shall confer annually to review the discipline policy and to assess whether the policy has been enforced.

A District committee will review the policy and regulations annually.
