B. Modification to Superintendent Contract Vacation Language

Modification to
Superintendent
Contract Vacation
Language

Background: Under the constructive receipt rules of the Internal Revenue Code, Dr. Anderson's contract language regarding vacation payout must meet three conditions: (i) the election to cash

out the leave is made prior to the start of the year in which the payment is made; (ii) the election to cash out the leave is irrevocable; and (iii) the election relates only to leave that will accrue in the year after the election is made, not to leave that has already accrued. Accordingly, it was suggested the contract be revised to make Dr. Anderson's ability to cash out vacation days subject to those three conditions and this language is aligned with our original intent of the contract.

Delete the following language from Dr. Anderson's current contract: The Superintendent shall receive and use twenty six (26) working days of paid vacation each Contract year, which may not be accrued. Unused vacation must be taken within six (6) months after the end of the Contract year in which it is earned. The School District will pay the Superintendent for up to ten (10) days of unused vacation per year when requested by the Superintendent. The payment will be based on the Superintendent's daily rate of base annual salary for the given fiscal year. The Superintendent will have the option to annually convert up to three (3) days of the unused and accrued days into an HSA account.

Replace the text from above with the following language in Dr. Anderson's current Contract: The Superintendent shall receive and use twenty six (26) working days of paid vacation each Contract year, which may not be accrued. Unused vacation must be taken within six (6) months after the end of the Contract year in which it is earned. Prior to the start of each Contract year, the Superintendent may inform the Payroll Manager of his election to cash out up to ten (10) days of vacation to be earned during the following Contract year. The Superintendent will indicate the number of days not to exceed ten (10). This election cannot be changed at a later date. The payment will be made at the end of the Contract year with respect to which the cash out election is made and will be based on the Superintendent's daily rate of base annual salary for the given Contract year.

Approved Modification to Superintendent Contract Vacation Language as recommended.

C. Waive Statutory Requirement for Weekly Pledge of Allegiance

Waive Statutory Requirement for Weekly Pledge of Allegiance

According to Minnesota Statutes Section 121A.11, enacted in 2004, "all public school students shall recite the Pledge of Allegiance to the flag of the United States of America one or more times each week." As part of this requirement, a school district must instruct students in the proper etiquette toward, correct display of, and respect for the flag, and in patriotic exercises. A school board may waive the recitation and corresponding etiquette requirement by an annual vote.

Wayzata Public Schools also has a district policy that states:

The School Board recognizes the need to display an appropriate United States flag and to provide instruction to students in the proper etiquette, display, and respect of the flag. The purpose of this policy is to provide for recitation of the Pledge of Allegiance and instruction in school to help further that end.

Students shall recite the Pledge of Allegiance one or more times a week. The recitation shall be conducted by each individual classroom teacher or teacher's surrogate or over a school intercom system by principal or designee.

Anyone who does not wish to participate in reciting the Pledge for any personal reasons may elect not to do so. Students and school personnel must respect another person's right to make that choice.

Students will be instructed in the proper etiquette toward, correct display of, and respect for the flag. The practice during the 2012-2013 School Year was to have elementary students routinely recite the Pledge; generally daily or weekly. Middle school and high school students recited the Pledge weekly. This practice worked well and the administration is recommending the continuance of this protocol for the 2012-2013 School Year. Generally, weekly recitation of the

Wayzata Youth Hockey Association Donation

The Wayzata Youth Hockey Association generously donated the funds for the District to purchase a new edger for the Zamboni. The old edger was a separate gas powered piece of equipment. The purchase of the new edger that is attached to the Zamboni eliminates all gas powered equipment used in the arena. With this donation, the District is able to improve indoor air quality for visitors! The on-going relationship with Wayzata Youth Hockey is greatly appreciated! Greg G. Gibson, Wayzata Youth Hockey president, was at the meeting to present the District with a check for \$7,500.

A. Approval of Designated Bulletin Board, Radio Station and Newspaper for Legal Public Announcements

Board Legislative Action Committee Appointment

While it is generally accepted that the School Board's "Official Bulletin Board" is located at the District Administration Building, it is recommended that the Board take action on the designation annually as a reminder to the public. We will continue our practice of posting School Board agendas in all District schools and on the District's Website.

It has also been a long-standing practice of the District to use WCCO-AM Radio Station for making emergency announcements such as closing, delayed opening, or dismissing schools early. It was recommended that the Board annually designate the station the District will use for such announcements and that we continue with WCCO-AM for the 2012-2013 School Year. These emergency announcements will also be posted on the District's Web site.

In addition, administration recommended that the School Board again designate the PLYMOUTH SUN-SAILOR as the District's official newspaper. The District publishes in the official newspaper all legal notices, such as School Board Minutes, bid solicitations, election notices, etc.

A motion was made by Ms. Droegemueller and seconded by Ms. Cohen to approve the Designated Bulletin Board, Radio Station and Newspaper for Legal Public Announcements. The motion passed 6-0.

AGENDA SECTION: 2. APPROVAL OF AGENDA AND CONSENT AGENDA ITEMS

ITEM: C. Miller 32nd Avenue, LLC Lease Agreement

COMMENTS BY: Mr. Westrum

The District has entered into a lease for a bus garage with Hanus Enterprises that was approved at the March 24, 2008 Special Meeting. Since that time, it was determined that the District should also retain control of the agreement that First Group (aka First Student) had with an adjoining property for parking spaces. The Assignment for the Parking Spaces Lease with First Student Inc., and Miller 32nd Avenue, LLC accomplished that goal.

This Amendment allows the District to extend the term and other components of the parking spaces agreement.

RECOMMENDED ACTION: Approve the attached Third Amendment Lease Agreement with Miller 32nd Avenue, LLC; and authorize the clerk to execute the document.

WHEREAS, the Lease was amended by a First Lease Amendment dated July 31, 2008; and

WHEREAS, the Lease was amended by a Second Lease Amendment dated July 31, 2009 to amend certain terms and conditions of the Lease effective September 1, 2009; and

ITEM: A. Employee of the Month – July 2012 – Sylvia Grismer

COMMENTS BY: Superintendent Anderson

It is an honor to recognize Sylvia Grismer as the July employee of the month. Sylvia has spent the past 14 years in Wayzata Public Schools and is known to be a valued educator and respected colleague in the Special Services Department. She is responsible for supporting infant through kindergarten age children, and their families, with special needs. Sylvia is compassionate, collaborative, brilliant, and works tirelessly to advocate for those she supports. She always has a kind word to say and has a heart of gold. She is a volunteer both in and out of the District, volunteering with the Plymouth Community Emergency Response Team.

Sylvia has provided outstanding leadership to Early Childhood Special Education (ECSE) staff in her role as a lead teacher. She is a champion for equity and diversity in our District, participating as the ECSE representative to the District Equity Leadership Committee. Additionally, Sylvia serves on the ECSE Professional Development Committee and the ECSE Data Team. Sylvia has been making data driven decisions long before Performance Matters, Collaborative Inquiry and PLCs became standard work in our District. At the District departmental level, Sylvia has served as the primary liaison for the due process IEP data management program, training and mentoring all special education staff on the system. Sylvia is the primary “speed dial” number on most, if not all, Special Services staff phonebooks.

Last and foremost, Sylvia is the proud parent of three incredible children. Please join us in honoring and thanking Sylvia for her amazing gifts and selfless commitment to the work of Special Services.

Congratulations, Sylvia!

ITEM: B. Employee of the Month – August 2012 – Mary Kay Williams

COMMENTS BY: Superintendent Anderson

Community Education is pleased to recommend **Mary Kay Williams** as the August Employee of the Month. As the Club Y.E.S Coordinator, Mary Kay is so much to so many, a role model for all of us. She is one of the most positive people we know.

Club Y.E.S. is a tremendous resource to so many organizations in our schools and in our community. An example of how it makes a difference can be seen in the Club's relationship with IOCP, where Y.E.S students help in countless ways throughout each year...from sorting school supplies for the Back to School Drive, to supervising activities at the annual Sleep Out kickoff, to babysitting young children at IOCP while parents are talking with case managers. Mary Kay makes it all possible!

Mary Kay exemplifies the spirit of Wayzata Community Education and is an incredible ambassador for Wayzata High School. Her commitment to community, service and lifelong learning are evident in all that she does. She works tirelessly to ensure Club Y.E.S is a positive reflection on the Wayzata School District and showcases the talents and great attributes of the participating students.

Mary Kay leads by example ...always inclusive, always encouraging. Students LOVE her as she takes time to individually mentor over 800 students. Each year she works with a student leadership team and delegates authority to the team to accomplish goals. She believes in her kids, and they respond by exceeding her expectations.

We are delighted that Mary Kay Williams is being recognized as the Employee of the Month. To us, she is the Employee of a Lifetime! Congratulations Mary Kay!

ITEM: C. Employee of the Month – September 2012 – GW Home Base Team

COMMENTS BY: Superintendent Anderson

Greenwood Elementary School is pleased to recommend the **Greenwood Home Base Team** as the September Employee of the Month and has provided the following comments regarding their work:

The Home Base team is committed to providing world-class care to our children; before school, midday and after school. The needs of families are a top priority and individual care is given to each and every child. The team is child-centered, positive, professional and nurturing. They can be observed going “above and beyond” on a daily basis, and the faculty and families that work closely with the team will agree that *exemplary* is their Modus Operandi.

In the rare event that there is a miscommunication with families or plans that change the Home Base team handles those situations with grace and fervor. In one instance last year we had a student that mistakenly traveled home instead of attending Home Base after school. The Home Base team sent two staff members to physically walk the roads and route to the child’s residence to ensure the child’s safe arrival and welfare. In addition to this response a myriad of proactive communication and subsequent updates were provided in real-time to building staff and the family involved. It was above and beyond “textbook” and the comprehensive response is what we’ve come to expect from their team over the years.

They are highly valued and trusted. They work diligently to deliver enriching learning experiences to children on a daily basis. Our kids are able to create, play, study and grow in our Home Base program because the team demonstrates an unswerving commitment to extend the love and care that students receive from our teaching staff during the school day. They are truly a model of excellence working synergistically to help all students thrive. On top of all the wonderful things we can say about them...they like to have FUN and instill that in their work each day.

Please join the entire Greenwood community in congratulating and thanking the 2012-2013 Home Base team. We are looking forward to partnering together for another great year! The team consists of: Jessica Baer, Jenna Bjorke, Bryan Bjorlin, Katrina Clark, Renae Connoy, Jeff Hortenbach, Mindy Iverson, Mari Johnson, Corinne Laho, Josh Mahowald, Ashley Meyer, Tanya Rustad, and Sharon Foltz-Ringstrom, Site Leader.

2. Scoreboard Update

The Wayzata Booster Foundation is a non-profit corporation whose mission is to raise funds for the promotion of athletics and activities, community building, enhancement of facilities and scholarships to student athletes. The Boosters wanted to supply a scoreboard to the Wayzata Stadium at Wayzata High School for that purpose. The District was also interested in using the Scoreboard without incurring capital expenses in connection with acquisition and construction. The parties agreed that the Scoreboard was to be purchased and installed by the Boosters located on land leased by the District to the Boosters for that purpose. The terms and conditions of the use of the scoreboard were included and approved in a Use Agreement between the Wayzata Booster Foundation and the Wayzata Public Schools in June 2012.

The Scoreboard has been installed and has been operating at the Wayzata Stadium for several weeks now.

No Board action is required.

3. Preliminary Levy Limitation and Certification – 2012 Payable 2013

Minnesota Law requires school districts to certify their proposed property tax levy payable in 2013 to the county auditor on or before September 30, 2012. We have not received the levy data from the Minnesota Department of Education in time for today’s meeting. Later this week, the reports will be generated by the Minnesota Department of Education and then we will be analyzing the details.

A summary spreadsheet and a written analysis of the proposed levy will be provided at a Special Board Meeting prior to September 30th. We anticipate that the District’s total levy will be comparable to the levy that was certified last December.

No Board action required.
