

WAYZATA PUBLIC SCHOOLS

Independent School District 284
Wayzata, Minnesota

BOARD OF EDUCATION

Regular Meeting - September 24, 2019 - 4:01 PM
District Administration Building
210 County Rd. 101, N, Plymouth, MN

AGENDA

1. **CALL TO ORDER/ROLL CALL**
2. **ADMINISTRATIVE**
3. **TEACHING AND LEARNING**
 - A. Annual Report/WBWF on Student Achievement J. Johnson & S. Lackner 45 minutes 3
 - B. Mental Health Intervention Updates *J. Remsing 45 minutes* 69
4. **FINANCE AND BUSINESS**
 - A. Facility and Enrollment Growth Update *J. Westrum 45 minutes*
5. **HUMAN RESOURCES**
6. **SCHOOL BOARD**
7. **ADJOURN**

WAYZATA PUBLIC SCHOOLS

Independent School District 284
Wayzata, Minnesota

MISSION

Our Core Purpose:

The mission of Wayzata Public Schools is to ensure a world-class education that prepares each and every student to thrive today and excel tomorrow in an ever-changing global society.

VISION

What We Intend to Create and Experience:

The vision of Wayzata Public Schools is to be a model of excellence where all students discover their unique talents, develop a love and tenacity for learning and demonstrate confidence and capacity for success through:

Exceptional Student Learning, Experiences and Relationships:

- High achievement by each and every student—no exceptions, no excuses;
- Content-rich, rigorous and personalized education;
- Meaningful relationships with teachers, staff, mentors and peers in a welcoming, nurturing and safe environment where all are valued for who they are and the contributions they make.

Community Trust, Confidence and Partnership:

- Comprehensive learning opportunities meeting diverse learner needs and community aspirations;
- Committed to being the first choice for students and families;
- Maintaining the highest levels of satisfaction and pride by staff, parents and community.

Operational Excellence:

- Attraction, development and retention of exemplary, creative and engaged employees;
- Accountability by all staff for individual and collective performance;
- Effective and efficient use of time and human, financial and physical resources;
- Culture of continuous improvement and responsive innovation;
- High performing district governance, management and partnerships.

World's Best Workforce Report Annual Scorecard Report

School Board Work Session

September 24, 2019

Dr. Jill P. Johnson

Executive Director of Teaching and Learning

Dr. Stacey Lackner

Director of Research and Evaluation

BACKGROUND INFORMATION

The 2013 Minnesota Legislature Established the World's Best Work Force. The purpose of the legislation is to ensure that every school district in the state is making strides to increase student performance. School boards are to adopt a long-term, comprehensive strategic plan to support and improve teaching and learning.

This plan is to address the following five goals:

1. All children are ready for school.
2. All third-graders can read at grade level.
3. All racial and economic achievement gaps between students are closed.
4. All students are ready for career and college.
5. All students graduate from high school.

WORK FORCE PLAN REQUIREMENTS

1. Identify Student Achievement Goals
2. Establish a Process to Determine Goals
3. Identify Measures to Assess Goals
4. Identify Measures to Assess Student Progress
5. Establish a Process to Assess and Evaluate Curriculum and Instruction
6. Establish an Advisory Committee
7. Develop a Communication Plan

World's Best Work Force Road Map

I: STUDENT ACHIEVEMENT GOALS

- **Readiness:** All children are ready for school
- **Achievement:** All third-graders will be at or above proficiency in reading, math, writing and speaking
- **Achievement:** Student achievement will not be predictable by any demographic classification, i.e. race, socioeconomic status, gender, or disability.
- **Readiness:** All students are ready for career and college.
- **Achievement:** All students graduate from high school
- **Personalization:** All students will know and understand their unique talents, have a voice in their educational experiences, and take ownership for their learning, career aspirations, and future success
- **Health and Well-Being:** All students will feel a sense of belonging and connection to their school where social-emotional, physical and mental health is nurtured and valued

II: ESTABLISHMENT OF GOALS TO ASSESS STUDENT LEARNING

- **District Goals** - are established through the district strategic planning process (e.g. Strategic Road Map)
- **Site Goals** - are developed and finalized by sites at the annual data retreat
- **Individual Student Goals** - are developed by teachers, PLCS or other teacher teams

III: ACCOUNTABILITY MEASURE TO EVALUATE PROGRESS ON GOALS

- **Kindergarten Readiness** - ISEL
- **Third Grade Proficiency** - M&R - MCA
Third Grade Proficiency - W&S - TBD
- **Achievement Gap** - MCA
- **College – Career Readiness** – MCA and ACT
- **Graduate High School** – Graduation Rate
- **Personalization** – Engagement Survey
- **Health and Well-Being** - TBD

IV: ASSESSMENT AND EVALUATION OF STUDENT PROGRESS

Four types of assessments are used to monitor student progress.

- Screeners
- Diagnostic Assessment
- Progress Monitoring
- Outcome Based Assessments

The data is use at the –

- **District level** - to evaluate progress on goals, to set priorities and to allocate resources
- **Building level** - by the principal and site leadership teams to set building goals, developed improvement plans and to monitor progress toward achieving identified site goals
- **Classroom level** - to monitor progress toward building goals and to identify common areas of strengths and areas for improvement
- **Student level** - to determine instructional support, advanced course work, program placement and grade acceleration.

V: ASSESSMENT AND EVALUATION OF CURRICULUM AND INSTRUCTION

Curriculum – Curriculum is assessed and evaluated on a six-year cycle. The review process consists of four phases and is co-facilitated by district staff, resource teachers and principals. Community involvement is encouraged and is facilitated through surveys and focus groups. Results from the review process are shared with the school board at board committee meetings, board work sessions and board meetings.

Instruction – Instruction is assessed and evaluated through the Teacher Development and Evaluation process. Principal instructional leadership is evaluated through the Principal Development and Evaluation process.

VI: ADVISORY COMMITTEE

The School District utilizes the Curriculum, Instruction and Technology advisory committee (CITAC) for input and feedback on the World's Best Work Force Plan.

VII: COMMUNICATION PLAN

Plan is reviewed by the school board at the annual WBWF School Board Work Session. The plan is available to the public on the school district's website.

Excellence. For each and every student.

Wayzata Public Schools Strategic Road Map

"Excellence. For Each and Every Student."

Mission

Our Core Purpose

The Mission of Wayzata Public Schools is to ensure a world-class education that prepares each and every student to thrive today and excel tomorrow in an ever-changing global society.

Core Values

- Achievement:
- Collaboration:
- Community:
- Equity:
- Integrity:
- Respect:

Drivers of Our Words and Actions

- Challenging oneself and others for excellence in all we do
- Working together to maximize opportunities and eliminate barriers to learning for all
- Maintaining a sense of belonging to and responsibility for the broader community
- Meeting the specific needs of all students
- Doing the right thing in the right way at the right time, even when no one is aware
- Valuing others for their diverse talents, backgrounds, cultures and viewpoints

Vision

What We Intend to Create and Experience

By Realizing our Vision, We Achieve Our Mission

The Vision of Wayzata Public Schools is to be a model of excellence where students of all ages discover their unique talents, develop a love and tenacity for learning and demonstrate confidence and capacity for success through:

Exceptional Student Learning, Experiences and Relationships:

- High achievement by each and every student;
- Content-rich, rigorous and personalized education;
- Meaningful relationships with teachers, staff, mentors and peers in a welcoming, nurturing and safe environment where all are valued for who they are and the contributions they make.

Community Trust, Confidence and Partnership:

- Comprehensive learning opportunities meeting diverse learner needs and community aspirations;
- Culture of continuous improvement and responsive innovation;
- Committed to being the first choice for students and families;
- Maintaining the highest levels of satisfaction and pride by staff, parents and community.

Operational Excellence:

- Attraction, development and retention of exemplary, creative and engaged employees;
- Accountability by all staff and clarity in all operations to maximize individual and collective performance;
- Effective and efficient use of time, human, financial and physical resources;
- High performing district governance, management and partnerships.

Strategic Directions (2019-2022)

Focused Allocation of Resources

Through Focus on Priorities and Strategy Execution, We Achieve Excellence and Realize Our Vision

- Achievement:** By the end of third grade, all students will achieve at or beyond grade level expectations for reading, writing, and mathematics.
- Each and Every:** Student achievement will not be predictable by any demographic classification, i.e. race, socioeconomic status, gender, or disability.
- Personalization:** All students will know and understand their unique talents, have a voice in their educational experiences, and take ownership for their learning, career aspirations, and future success.
- Health and Well-Being:** All students will feel a sense of belonging and connection to their school where social, emotional, physical and mental health is nurtured and valued.

Approved by WPS School Board: July 8, 2019

Teaching and Learning EFFECTIVE PRACTICES MAP

ENVIRONMENT – Safe and welcoming school that support and encourage student learning

Strategy: Learning Model – How learning will be delivered

- *Action: E – 12 Program; Grade Configuration, Calendar, Daily Schedule, Boundaries; Class Size*

Strategy: Facilities – Where learning will occur

- *Action: District Facilities Plan*

Strategy: Finance – How learning will be paid for

- *Action: Budget Allocation – Plan & Process*

Strategy: Human Resources – How the learning program will be staffed

- *Action: Staffing Allocation – Plan & Process*

Strategy: Safety – How we will stay safe

- *Action: Safety and Crisis Plan*

CULTURE – Meaningful relationships with teachers, staff, mentors and peers in a welcoming and nurturing environment where all are valued for who they are and the contribution they make.

Strategy – Students: “know” themselves, their peers and their environment.

- *Action: Student Advisory; Orientations, PBIS,*

Strategy – Staff: Staff to better understand themselves, their peers, our students and their families.

- *Action: Beyond Diversity; Insights*

Strategy – Families: Families to better understand the school system and to be more engaged in their child’s learning.

Action: Open House; Conferences, Advisories

INSTRUCTION – Content Rich, Rigorous and Personalized (*Teacher Experience*)

Strategy: Curriculum – Content Rich and Rigorous

- *Action: Adopted Curriculum*

Strategy: Instruction – Quality First Time Instruction, Personalized

- *Action: Instructional Practices as Defined by Teacher Development & Evaluation*

Strategy: Assessment – Multiple data points to measure student learning and for system accountability

- *Action: Balance Assessment System*

Strategy - Resources, Materials and Supports for Effective First Time Instruction

- *Action: Technology - iPads, Canvas, Illuminate*
- *Action: Professional Development*
- *Action: Collaboration - PLCs*
- *Action: Coaching - Peer Coach, Tech Integration, Resource Teachers*

Multi-Tiered System of Supports to Support Student Learning

- *Action:*
 - *Intervention Services*
 - *Extended Day and Year Learning –*
 - *Gifted & Talented - Vision 21*

LEARNING EXPERIENCE – Content Rich, Rigorous and Personalized (*Student Experience*)

Strategy: Personalized (Voice, Choice, Ownership)

- *Action:*

Strategy: Authentic (Genuine Experiences) and Amplified (Deep, Intense)

- *Action:*

Strategy: Extending Beyond the Walls of the Classroom and Confines of the School Day

- *Action*

Strategy: Fostering Creativity and Innovation

- *Action:*

Strategy: Technology Integration

- *Action: iPads and other Technologies*

Priorities to Address Achievement Gap

Personalization – Better know and understand our students so that we can removed barriers and created difference making learning experiences

2019 – 2020: Kindergarten Experience

2020 – 2021: 1st Grade Experience

2021 – 2022: Second Grade Experience

Teacher Interviews
Class Observations

Early Education Program – Increase the number of students who have a pre-school – type experience

Family Outreach

Extended Learning – Extended the school day and school year to maximize the student time for student learning

Summer Learning
Targeted Services

Questions

**WAYZATA PUBLIC SCHOOLS
SCORECARD
2018-19**

DESCRIPTION OF MEASURES

Kindergarten Readiness: The Wayzata Public Schools' definition of "Kindergarten Readiness" applies only to the area of reading. Based on the fall administration of the Illinois Snapshots of Early Literacy (ISEL) test, kindergarten students who score at or above the district target of 3 out of the 4 subtests (Alphabet Recognition, Story Listening, Phonemic Awareness, and Letter Sounds) are considered "Kindergarten Ready."

Writing Prompts: Writing Prompts are administered to all students in Grades K-5 three times per year as part of the Luc Calkins Writing Curriculum. For each administration, students are given 45 minutes in class to independently write an Opinion/Argument, Information, or Narrative text.

Accountability Tests (MCA/MTAS): The Minnesota Comprehensive Assessments (MCA) and Minnesota Test of Academic Skills (MTAS) are state tests in reading, mathematics, and science that are used to meet federal and state legislative requirements. The tests are administered every year to measure student performance relative to the Minnesota Academic Standards that specify what students in a particular grade should know and be able to do. All students in public schools are required to participate in the statewide assessment program. Reading and mathematics tests are administered in grades 3–8 and high school (students in grade 10 test in Reading, and students in grade 11 test in Mathematics).

Reading and Math Progress: Reading and Math progress was calculated from data provided to districts by the Minnesota Department of Education (MDE) as part of the North Star Accountability System. In this system, academic progress measures whether grades 4-8 students' achievement levels improve on the MCA and MTAS tests. Each student's current achievement level is compared to their achievement level the previous year.

Four-Year Graduation Rate: The four-year graduation rate is calculated by the Minnesota Department of Education (MDE) as part of the North Star Accountability System and shows the number of students graduating from high school within four years after entering grade nine.

College Enrollment: College enrollment is calculated and reported by the Minnesota P-20 Partnership as part of the Statewide Longitudinal Education Data System (SLEDS). College enrollment shows the number of high school graduates who enroll in postsecondary education in the fall after graduation.

Student Engagement Survey: Each year, Wayzata Public Schools administers the K12 Insight Student Engagement Survey to all students in grades 4-12. Student Engagement is the connection that students have with their school and their studies.

District/School Climate Parent Survey: Every few years, Wayzata Public Schools has invited all parents of students in grades K-12 to provide their feedback on the district and school climate. Climate is the shared beliefs, values and attitudes that shape interactions between students, teachers and administrators. Two of the topics addressed in the parent survey are Academic Support and School Support.

Consistent Attendance: Consistent Attendance is computed by MDE as part of the North Star Accountability System. It is a measure of students who attend school on a regular basis and are not frequently absent. A student is considered consistently attending if they attend more than 90 percent of the time they are enrolled during the year.

DESCRIPTION OF MEASURES (CONTINUED)

Developmental Assets (Skills): Developmental Assets (Skills) are calculated in an analysis conducted by Dr. Michael Rodriguez at the University of Minnesota of the Minnesota Student Survey results. Developmental Assets (Skills) are characteristics that are important in positive adolescent development. They are defined as, Commitment to Learning (e.g., caring about doing well in school), Positive Identity (e.g., having a sense of control of one’s life, feeling good about self and future), and Social Competence (e.g., saying no to dangerous/unhealthy things, building friendships, planning ahead and making good choices).

Discipline – Out of School Suspensions: As required by state and federal law the Minnesota Department of Education collects discipline data from all schools in the state each year through the Discipline Incident and Reporting System (DIRS). As part of this data, schools must report any out of school suspensions of one day or more with the reason the student was suspended.

Achievement

By the end of third grade, all students will achieve at or beyond grade level expectations for reading, writing, and mathematics.

Kindergarten

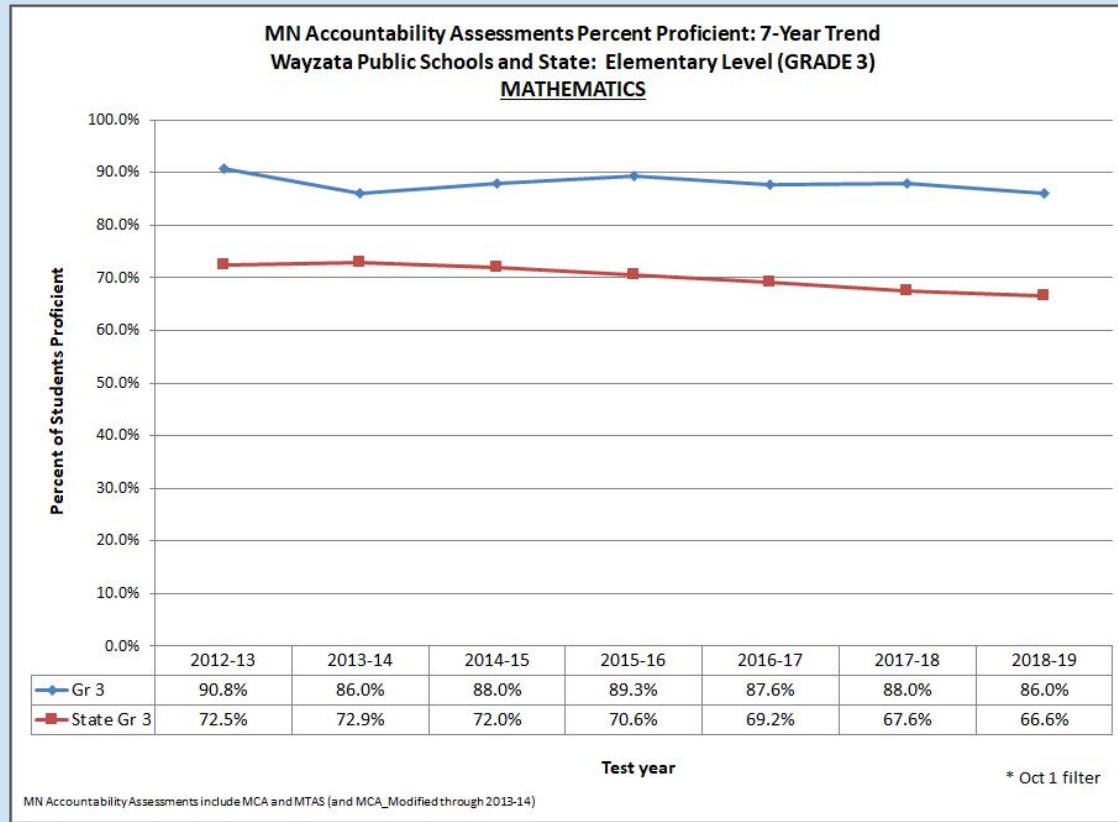

The percent of students entering kindergarten ready in the area of reading increased in 2018-19 to 71.5%.

Grade 3

The percent of WPS grade 3 students who scored proficient in reading decreased slightly from 78.6% in 2017-18 to 77.0% in 2018-19. The statewide percent proficient has shown a steady decline since 2014-15.

Grade 3

The percent of WPS grade 3 students proficient in math decreased slightly from 88.0% in 2017-18 to 86.0% in 2018-19. The statewide percent proficient has shown a steady decline since 2013-14.

**MN Accountability Assessments Percent Proficient: 7-Year Trend
Wayzata Public Schools and Statewide: All Grades
READING**

MN Accountability Assessments include MCA and MTAS *(and MCA-Modified through 2013-14)

* Oct 1 filter

The percent of WPS students in all grades tested scoring proficient in reading increased slightly from 80.1% in 2017-18 to 81.0% in 2018-19. The statewide percent proficient decreased in these two years.

MN Accountability Assessments Percent Proficient: 7-Year Trend
Wayzata Public Schools and Statewide: All Grades
MATHEMATICS

MN Accountability Assessments include MCA and MTAS (and MCA-Modified through 2013-14) **Test Year** * Oct 1 filter

The percent of WPS students in all grades tested scoring proficient in math decreased slightly from 81.2% in 2017-18 to 79.5% in 2018-19. The percent of students scoring proficient in math statewide has decreased every year for the past seven years.

Reading - All students (grades 4-8)

2018 Achievement Level	2019 Achievement Level			
	Does Not Meet	Partially Meets	Meets	Exceeds
Exceeds	0 0.0%	6 0.2%	654 20.1%	2595 79.7%

Does Not Meet	233 79.8%	57 19.5%	2 0.7%	0 0.0%

In math, 68.7% of Low Income students who started at Exceeds stayed at Exceeds. Of the Low Income students who started at Does Not Meet, 20.2% of them increase at least one level.

Graduation

The percent of students graduating in four years increased from the Class of 2017 to the Class of 2018 for all three special population groups.

College Enrollment

The percent of Low Income students enrolling in college in the fall after graduation has ranged between 58% and 74%. The trend has been flat over the past six years.

Personalization

All students will know and understand their unique talents, have a voice in their educational experiences, and take ownership for their learning, career aspirations, and future success.

Grades 4-12

In 2018-19, approximately 70% of students responded “Often” or “Almost Always” to the statement “School helps me discover my strongest skills”, approximately 78% to “I feel what I learn in school helps me be a better student”, and approximately 85% to “School helps me discover the skills that need work.”

Health and Well-Being

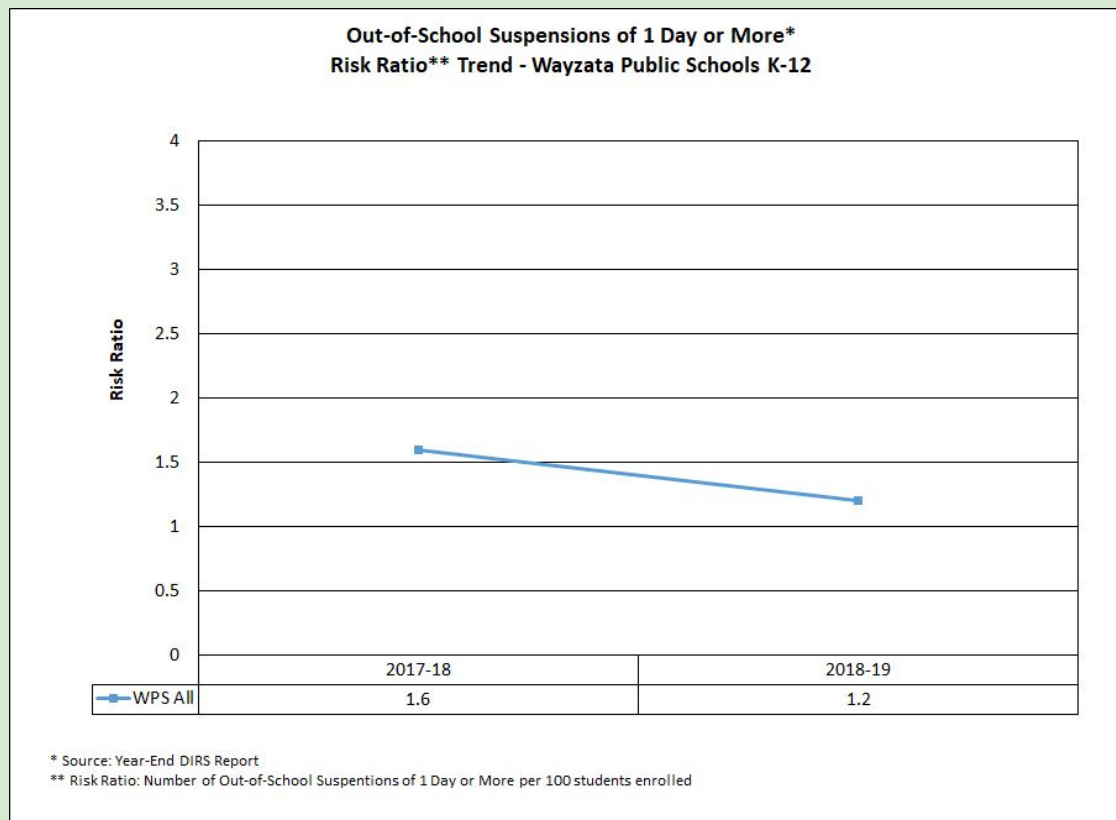

All students will feel a sense of belonging and connection to their school where social-emotional, physical and mental health is nurtured and valued.

Grades K-12

Over the past four years of available data, the percent of WPS students in grades K-12 who consistently attend school has been about 92%.

Grades K-12

Between 2017-18 and 2018-19, the risk ratio of the number of students who received Out-of-School suspension of one day or more decreased from 1.6 to 1.2.

Grades 4-12

Student Social and Emotional Engagement Wayzata Public Schools: Grades 4-12 Percent of Students Responding "Often" or "Almost Always"

NOTE: Blank cells in the data table indicate that the question was not asked on that year's survey.

The percent of students who responded “Often” or “Almost Always” to the statements “I feel like I belong at this school” and “I feel respected at this school” increased from 83% in 2017-18 to 84% in 2018-19. The percent decreased slightly for the statements “I feel good about my future opportunities” (90% to 88%) and “I feel good about my future success” (89% to 87%).

A Model of Excellence Among Learning Communities

School Wide Support: EMS

- SEARCH Institute offers a range of research, tools, and resources to create school and classroom environments where all students can succeed.
- REACH is a relationship system to strengthen student motivation.

SEARCH Institute: EMS

Developmental Relationships:
Young people are more likely to successfully grow up when they experience developmental relationships with important people in their lives.

REACH: EMS

Schoolwide Support: CMS

Life Skills Training: Pilot at CMS with MN Department of Human Services

- Learning based on positive mental health and the prevention of substance abuse
- Self image and improvement
- Making decisions
- Myths and realities regarding tobacco, alcohol, and marijuana
- Manipulation from advertisements
- Violence and the media
- Coping with anxiety
- Coping with anger
- Communicating effectively
- Social skills
- Assertiveness

**A Model of Excellence Among
Learning Communities**

Social Emotional: High School

The screenshot shows a Canvas LMS interface. On the left is a dark blue navigation sidebar with icons and labels for Account, Dashboard, Courses, Calendar, Inbox, and Help. The main content area has a white background. At the top, there's a dark blue 'Home' button and the page title 'WHS Mental Health Help'. Below the title, there are links for 'Pages' and 'Newsela'. The central focus is a graphic with a blue brain icon and the text 'MENTAL HEALTH MATTERS'. Below this is the heading 'WHS Mental Health Help' and a paragraph of text: 'Lets talk about the importance of mental health! This Canvas page offers resources to you or someone you know who is struggling with mental health. There are many ways to get help.'

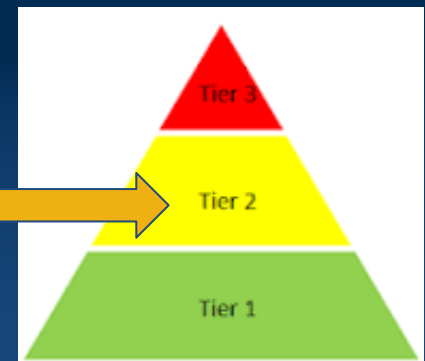

A Model of Excellence Among
Learning Communities

Mental Health Intervention

- ✓ **Additional** classroom small group or individual instruction provided by **classroom teacher**
- ✓ Additional **small group instruction** provided by the school social worker, counselor, behavior specialist, dean or other **trained support professional**
- ✓ Additional **individual instruction** provided by social worker, Relate therapist (with parent consent), behavior specialist, achievement specialist, dean or other **trained professional**

A Model of Excellence Among Learning Communities

Mental Health Professionals

- 1 Health Administrator
- 1 Mental Health Coordinator
- 2 Behavior Analysts
- 21 Social Workers
- 17 Counselors
- 4.66 Licensed School Nurses
- 4.6 Therapists (Relate)
- 0.5 Chemical Health Therapist (Hazelden)
- 9 Primary Project Paraprofessionals

A Model of Excellence Among Learning Communities

Beyond Intervention: Tier 3

- Tier 3 = formal service plan
- 504 accommodations
- Special education and related services
- Generally: collaboration with private providers

Mental Health and Behavior

Becca Boggs and Amy Naleid

- District PD tour
- 4 talks per building
- Tier 1 support: *teacher knowledge and mindset impact behavior and mental health for all students*
- Classrooms that feel under control can stay connected
- Connection/ relationships lead to better mental health

What next?

- Continued case-by-case support for Student Support Specialists, Social Workers, Counselors and Teachers--for Tiers 1 and 2
- Intensive behavioral consultation for SPED
- Ongoing mental health case consultation

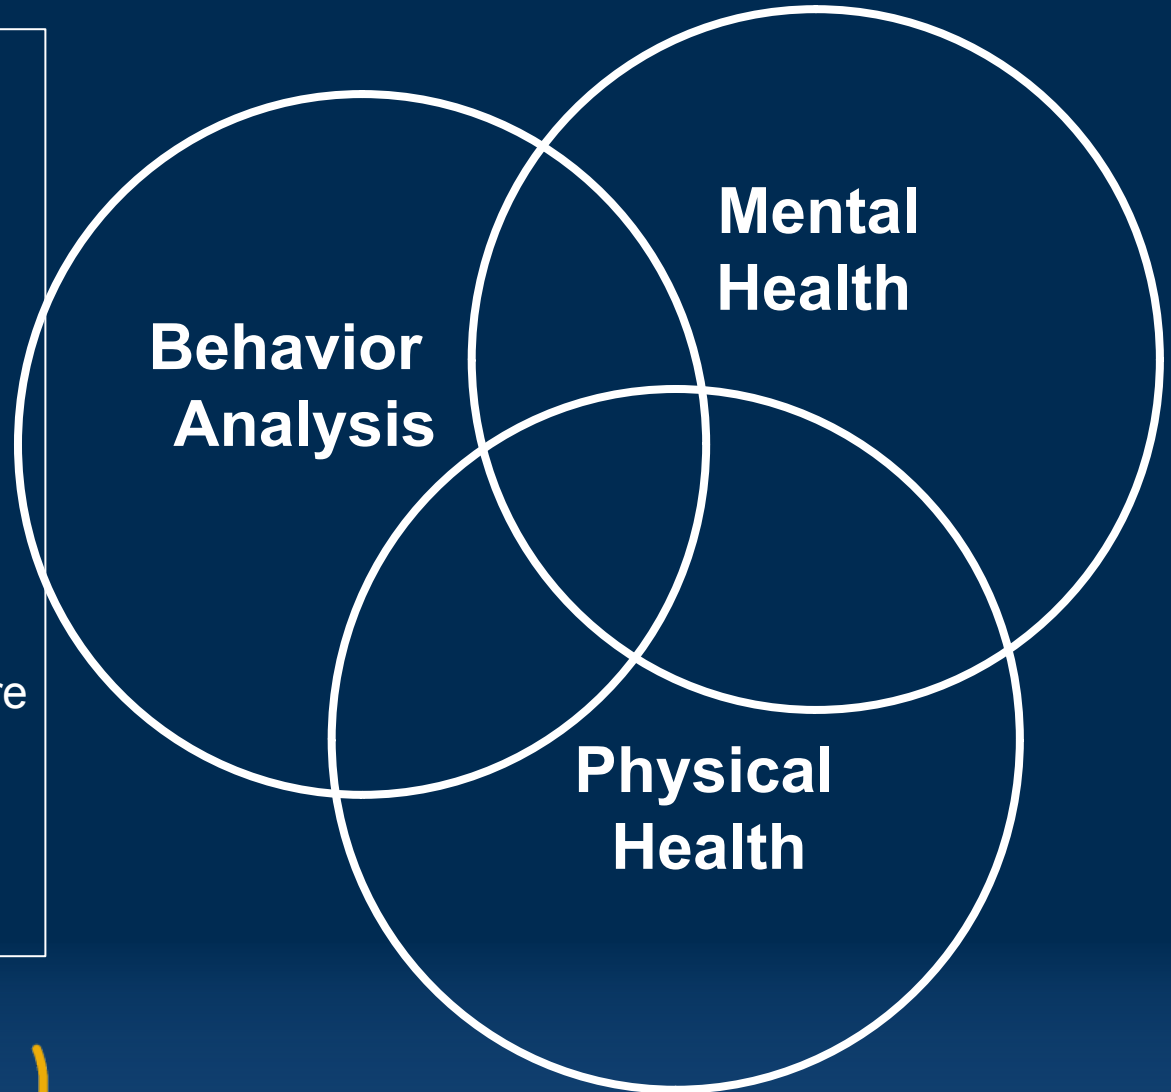

Systems alignment

Alignment of policy and practice between buildings, levels, and roles.

There is a strong correlation between mental health, physical health and behavior.

By working collaboratively, we are able to help assess and address issues that the student might be facing.

Foundations of Behavior Overview

Part I

- What is behavior?
- What is mental health?
- Functions of behavior
- Importance of relationships

Part II

- Relationships
- Replacement Behaviors (Skill vs Motivation)

Part III

- Mindset (Reinforce desired behaviors)
- Proactive Strategies

Part IV

- Escalation Cycle
- Reactive Strategies
- Restoring the Relationship

Safety: Physical Harm

- Nonviolent crisis intervention training equips staff with skills, confidence, and an effective framework to safely manage, deescalate, and prevent difficult behavior.
- Person centered trauma-informed strategies prevent aggression stemming from trauma.
- Violence prevention is a skill. We utilize the same training used in hospitals,
- Goal in all settings is to:
 - Reduce and eliminate the need to restrain students.
 - Reduce risk of injury to student and staff.

Safety: Self Harm, Suicide, Aggression

- Best prevented when students feel they belong
- All staff are able to create community
 - we provide tools and support for classrooms
- Connection is the first step to intervention
 - we help staff learn how to connect
- Staff need knowledge of support system for when they hit a limit
 - how to refer to building supports
 - clear understanding of how the system works

Parent Child Interaction Therapy

- PCIT is evidence-based treatment for young children with behavior needs (eg. early ODD, CD).
- PCIT is conducted through coaching sessions between parent and child.
- Parent and child are in a playroom while the therapist is in a an observation room watching. Parent wears an earpiece for in the moment coaching.

Vision for the Future

- Increase co-located mental health providers with a goal to have a presence at each site to address Tier 3 mental health needs.
- As a result, the Social Workers and Counselors can focus on proactive supports to students and teaching staff (Tier 1-2).
- Strong presence of Social Workers and Counselors at intervention (MTSS) and Child Study meetings to help identify students who are struggling, develop plans, and fulfill child find requirements.
- Electronic documentation to improve communication when a student moves to another school in the district (continuity of care).
