Re: 2022-2023 Calendar recommendation for the January 31 special board meeting

As we are all aware there are a lot of considerations that go into creating a school calendar. The opportunity to give feedback on a calendar that may be different from years past has allowed for new voices to be heard and different options to be considered. We will continue to encourage dialogue and listen to what is important to our staff.

Here is the information we gathered for the 2022-2023 calendar.

We had 687 responses. Teachers (504, appx. 53%), Admin/Paras (100), Custodians (8), Wayzata Cafe' (21), Principals (12), Unaffiliated (23), Wayzata Kids (19).

ITEM! IDEA Resolution

COMMENTS BY: Cheryl Polzin, Director

Wayzata School Board Resolution in Support of Fully Funding Federal Payments of IDEA

WHEREAS, the Wayzata School District recognizes the need for a strong investment in the Individuals with Disabilities Education Act (IDEA); and

WHEREAS, the Individuals with Disabilities Education Act was first enacted in 1975 to help ensure that all students with disabilities will have access to a free appropriate public education and IDEA’s enactment more than 45 years ago, the current federal investment in IDEA is less than 14 percent and

WHEREAS, with the enactment of IDEA, the United States Congress committed to fund up to 40 percent of the additional cost of special education, thereby promising to provide up to 40 percent of the national average per pupil expenditure, which is currently estimated at \$13,828 by the U.S. Department of Education; and

WHEREAS, our nation’s school districts face an increased demand for greater resources to fulfill the needs of students under IDEA, including those for students affected by multiple disabilities whose individual education plans require more resources; and

WHEREAS, with each increase in the IDEA child count, the Wayzata Public Schools School Board and others throughout the country continue to adjust their budgets to accommodate this increased need and ensure that each child educated through IDEA receives the appropriate supports, with some school districts dedicating forty percent or more of their general education budgets to special education services; and,

WHEREAS, the Wayzata school district has a \$10,263,818 cross-subsidy for FY 20 ([Link to MDE Special Education Cross-Subsidy Report FY 2020](#)), which is one part of the statewide cross-subsidy that was more than \$673 million in FY 20, and is expected to grow to \$806 million in FY 25.

BE IT RESOLVED, that the Wayzata Public Schools School Board supports Congress fully funding IDEA to the 40 percent Federal share as originally intended, strengthening the federal¹⁰ investment in special education; and,

BE IT RESOLVED, that the Wayzata Public Schools School Board urges Congress' strong bipartisan support for and passage of legislation that will ensure fulfillment of this Federal commitment, immediately or over a specified number of years; and,

NOW, THEREFORE BE IT RESOLVED that the Wayzata Public Schools School Board remains committed to providing students with disabilities and their families the supports they need.

Recommended Action: Approve supporting of fully funding federal payments of IDEA.
