2022-23 and 2023-24 School Years Produce Request for Proposal (RFP)

The request for proposals to provide produce for the 2022-23 and 2023-24 school years with a renewable one additional two-year period upon mutual agreement of both parties were opened at the Welcome Center conference room on Friday, June 24, 2022, at 10:00 a.m.

RFPs were sent to Wholesale Produce, G.O. Fresh, Russ Davis Wholesale, Bix Produce, Loffredo Fresh Foods, DNO Produce, and Taylor Farms.

RFPs submissions were received from Bix Produce and Loffredo Fresh Foods.

The RFPs were evaluated based upon references, quality of food safety protocols and communication, pricing consistency (based upon certain core items at a sample period), and the ability to meet district needs and product specifications.

Based upon the results of the above criteria, administration is recommending Bix Produce to provide produce for the 2022-23 and 2023-24 school years.

Recommended Action: Award the request for proposal to Bix Produce for produce for the 2022-23 and 2023-24 school years with a renewable one additional two-year period based upon mutual agreement of both parties.

WPS Employee of the Month - July 2022

Jeri Klein
Wayzata Transition Work Coordinator

Jeri Klein has worked for the Wayzata Public Schools since 2014. Before that, she worked in the Robbinsdale Public Schools where she provided quality special education services to elementary through transition aged students as a special education teacher and a work coordinator.

When Jeri joined Wayzata Public Schools she began her career at Plymouth Creek and Gleason Lake as a resource special education teacher. She then moved over to Central Middle School working in the Specially Designed Classroom. After working at the middle school for a couple of years, she went to the high school where she worked as an applied math special education teacher. As soon as there was an opening for a work coordinator, Jeri jumped at the chance to move into this role.

In the spring of 2019, the district made the decision to open a transition program and began interviewing candidates. Jeri was selected as the work coordinator to help get the program off the ground. With her extensive experience in work coordination, Jeri was able to hit the ground running. Jeri easily developed many relationships with our business community and secured many work experience opportunities for the first group of Wayzata Transition students. In the first year, Jeri had secured more job sites than we had students!

When the pandemic hit, we were at a loss for what we were going to get students in the community as this is a major component of the program. Jeri was instrumental in finding alternative community experiences by bringing them to us. Jeri worked diligently to secure work experiences within the district and working with our community partners to bring work activities into the building. Jeri has been a foundational member of the program. She has worked and continues to build many partnerships with the community businesses for the Wayzata Transition students.

Jeri is an active member of WEA, attends and facilitates AWE³⁶ classes, teaches ESY, attends continuing education

classes, and jumps into anything that will further her knowledge to support our Wayzata Transition students. Jeri comes to work every day with a positive attitude and a mountain of motivation. She is a ray of sunshine to the Transition team.

Congratulations Jeri! Thank you for your service, innovation and dedication to all of our students!

- Underlevy on general fund equalized levy results in proportionate reduction in associated aid.
- Total Debt Service revenue on line 49 must not exceed total LTFM revenue for individual district projects (line 30) for any of the 10 years in the plan.
- For 1A districts with old Alt Facilities bonding, the amount on line 22 will reduce initial revenue on line 10, less the H & S portion entered on line 14.
