Re: 2023-2024 Calendar recommendations

Work will begin on creating the 2023-2024 calendar within the next month and as always there are factors and issues that will need our thoughtful consideration and attention. The issues facing us this year will need board guidance as the topics we are discussing may influence policy moving forward. Considerations for the 2023-2024 calendar would be as follows:

1. Inclusion of religious observances
 2. Inclusion of Junetenth as an observed holiday
 3. Other
- I. Inclusion of religious observances
 - A. Within the past year, [Hopkins](#), [Mankato](#), and [Minneapolis](#) public schools have added additional religious observances to their calendars.
 - B. Hopkins [Policy](#), Mankato [Policy](#)
 - C. Currently the WPS calendar does not include any days off for religious observance other than December 25. (Federal Holiday)
 - D. [Current Practice](#)
 - E. Decision Moving Forward:
 1. Additional of Religious Observances
 2. Process for determination
 - II. Inclusion of Juneteenth Holiday
 - A. Current School Districts observing Juneteenth - Osseo, St. Paul, North St. Paul, Brooklyn Center, Minneapolis
 - B. Current [State Status](#)
 - C. Decision impacts only those employees working during the summer
 1. 52 week employees (Unaffiliated, Principals, Admin Pros, Custodians)
 2. Wayzata Kids/Summer School
 3. Does the District Close?
 4. Negotiation Issue
 - D. Decision Moving Forward:
 1. Support of acknowledging Juneteenth as a District Holiday

- III. Other
 - A. Start of school year
 - B. Breaks (Spring)
 - C. Flex Days
