Re: 2023 Roof Rehabilitation (Multiple Sites) Base Bid #3 – Plymouth Creek Elementary School

Dear Mr. Peterson:

Bids were received for the aforementioned project at ISD 284 on February 14, 2023. After reviewing the bids received, Central Roofing Company's bid in the amount of \$2,514,673 was low, however they modified the Bid Form and removed five roof areas from the project which would adversely affect the final cost of the project. John A. Dalsin & Son, Inc.'s bid in the amount of \$2,710,513 was the responsive low with all roof areas for the project included on the Bid Form.

After final review of the bids and discussions with you, it is our recommendation and, in the District's best interest, to accept the bid from John A. Dalsin & Son, Inc. in the amount of \$2,710,513.00.

We have discussed the bid results with Jim Dalsin of John A. Dalsin & Son, Inc., and he indicated they have reviewed their bid proposal and would be pleased to complete the Work for their submitted amount of \$2,710,513.00.

ZMD's staff has reviewed references and has past work history with John A. Dalsin & Son, Inc. They have performed satisfactory roof replacement services in the District and for ZMD on past projects. It is our opinion they are capable of performing the Work as specified.

We would like this letter to serve as ZMD's formal letter of recommendation for John A. Dalsin & Son, Inc. to perform the 2023 Roof Rehabilitation (Multiple Sites) Base Bid #3 at Plymouth Creek Elementary School for Independent School District 284.

WPS Employees of the Month - March 2023

Jayashree Narasimhan

Administrative Professional- Sunset Hill

On behalf of the staff at Sunset Hill Elementary, we are excited to recognize Jayashree Narasimhan as Wayzata Public School's March Employee of the Month. Mrs. Jay, as she is affectionately known, has been a part of our community for the past ten years. Her first role at Sunset Hill was as our office paraprofessional. She worked for three years before moving into her current role as the building's administrative professional.

Staff refers to Jay as "boss" because she manages the extremely busy school office with ease, handling a variety of daily tasks, including the coordination of purchase orders, repairing copy machines, or collaborating with the district's HR department to find daily substitutes. Outside of the main office, Jay is always happy to help wherever needed. She may be asked to assist with bus duty, help in the cafeteria, or to quickly cover a classroom for a lunch supervisor in transition.

Jay treats students and families with extra special care. She takes new and prospective families on building tours, enjoys reading to children, and has even helped interpret in *Tamil* when needed. Not a day goes by without a student stopping by to say hello or to share a hug with Jay. Her workspace is filled with the little gifts, personal notes, and pieces of artwork that students deliver to her desk.

Jay is the heart and soul of Sunset Hill. She always has a welcoming smile for staff and families. Her organization keeps our school running smoothly, and her creative problem-solving is valued. If a hug is needed, she is available!! - teacher

"Ms. Jay works hard, and every time a kid comes late, she helps them. She's always so kind and knows everyone by their name. She doesn't quit and is on top of things and you can count on her." - students in grades 3-5.

Jay is a valuable asset to our Sunset Hill Elementary team. She is a perfect example of the type of person who should greet staff and visitors in our office, and her perspective and insight has contributed to many positive changes in office routines and practices. She is a wealth of information and has the ability to find answers when people need them. Jay's friendly presence puts people at ease, she listens deeply, and is authentic in letting others know they are what is most important.

On behalf of the entire Sunset Hill Community, thank you for all you do, Jay!

Trout Life Cycle

- Embryonic - egg stage
- Hatching Stage - Alevin
- Larval stage
- Juvenile Stage - Fry

Life Stages of the Rainbow Trout

The embryonic (egg) stage
Within 10 to 14 days of fertilization of the egg, the embryo has developed sufficiently for the eyes to be seen. This is the "eyed egg". Eggs that have turned white are not fertile and will not hatch.

Actual size of egg
Actual size of alevin

Hatching Stage
The time of hatching depends on the water temperature. When they are ready, an enzyme is secreted which softens the eggshell and allows the sac-fry (alevin) to break through.

Enlarged photo of an immature alevin inside the egg

Larval Stage
When hatched the alevin retains its yolk sac and remains hidden in the gravel as protection from predators.

Juvenile Stage
65 to 20 days the alevin has absorbed the yolk sac and emerged from the gravel as fry. They now begin to feed on plankton and free floating organic matter. The fry gradually acquire the characteristic body markings of Rainbow Trout

The first thing I could remember was a glowing wall of orange. Yes, my grandchild. Orange. The most beautiful of colors. It is the color of life, for a dignified fish. Hush, now. As I was saying, as I gazed at the glowing, warm wall around me, I felt a sudden urge to go explore the outside world. Struggling out of my egg, I glimpsed boulders, and mountains of sand. Fields of silt, and forests of duckweed. Oh, stop snickering! It was true. Go outside if you don't believe me.

...

You see?

...

Never mind.

...

Anyway, that was when I was a small, young Adriatic trout. As I grew, I met many dangers. Hooked, pointed bits of metal were plunged into my home at daily intervals. Huge, fur-covered fins

of some sort swiped at us viciously, tearing away the lives of many young trout. Sometimes even a toothed snout flew from the world above, looking to swallow us whole.

...

Ah. You're scared.

...

Yes, dear. Many of my friends and family were caught by those... er, predators. It was heartbreaking, living there back then. But you are lucky. You are living in a safe lake, too wide and deep for anything to harm you. Your grandfather and I, along with the rest of the fish that happened to be migrating at the same as us, decided to take the trail down river, swimming until we found a safe place. Right here. There are still dangers here, though. Those hooks I mentioned? They still appear when we are asleep. Maybe you will migrate again, someday.

...

Oh, you're tired?

...

Yes, dear. Goodnight.

Monthly Financial Reports

No School Board action is required.

2022-23 School Year Financial Report Analysis

Excellence. For each and every student.

For the Month Ended January 31, 2023

Statement of Revenues Analysis

This analysis reflects revenue received by the month end noted above. Property Tax revenues are close in line with prior years along with State Aids. As pointed out in prior reporting months, deviations in revenue from prior years include Federal Aids and Miscellaneous Local Revenue. The significant increase over prior years in Federal continue to be the fact that CARES Act dollars continued to flow into the district in FY22-23 with these dollars being allowed to carry over to multiple future fiscal years. This has allowed the district to draw on these funds periodically throughout the fiscal year. A portion of the variance in Miscellaneous Local Revenue from prior years includes an Insurance Recovery of almost \$300,000. This pushes that comparative percentage upwards from the prior fiscal year during the same time frame. The district continues to see numbers more in line with pre-pandemic times as it relates to fees the district collects for sports and would also be a similar story for Community Education levels for the before and after care programs of school children.

Statement of Expenditures Analysis

The analysis of the expenditures reflects the actual expenditures and does not include outstanding encumbrances. As you can see from the Statement of Expenditures, the overall expenditures are similar in several prior years especially as it relates to Salaries and Benefits combined factoring in the revised budget. As mentioned in prior reporting months, Supplies & Materials along with Other Expenditures can vary from year to year based on the timing of purchases or payments during the fiscal year depending on the needs of staff, buildings, and departments. As an example, Purchased Services are up over last fiscal year percentage wise due to the timing of some transportation payments and other expenditures where payment timing can vary. The variation in Capital Expenditures from the prior year was driven mainly by more projects being conducted in the prior fiscal year along with the timing of purchases during the fiscal year.

AGENDA SECTION: Other Board Action

ITEM: Superintendent Contract

COMMENTS BY: Sarah Johansen, School Board Chair

The School Board Committee on Superintendent Evaluation and Compensation recommends approval of the attached Superintendent’s Contract for services July 1, 2023 - June 30, 2024. The proposed contract was reviewed by legal counsel on behalf of the Board of Education.

Notable information about this contract includes the following:

- Given the uncertainty of school funding for the 2023-2024 school year, and the current cost containment measures underway to prepare a 2023-2024 WPS budget, Superintendent Anderson recommended to the school board chair and vice chair that they prepare a one year contract to extend the current contract which expires on June 30, 2023. This one year extension is in lieu of the more traditional three year contract often written for school superintendents.
- The annual salary for the 2023-2024 school year reflects a 0% increase when compared to the Superintendent’s contracted salary for the 2022-2023 school year.
- Minor revisions were made to the Family Emergency Leave provisions.
- Clarification to the language was made for the section titled “Continuation of Contribution toward Health Insurance upon Termination of Employment.”
- Benefits outlined in the contract are structured the same as those for the 2022-2023 school year.

Recommended Action: Approve the Contract for Services for Superintendent of Schools for July 1, 2023 - June 30, 2024 Contract Year, and authorize the School Board Chair and Clerk to sign the document on behalf of the Board of Education.

**CONTRACT FOR SERVICES
SUPERINTENDENT OF SCHOOLS
INDEPENDENT SCHOOL DISTRICT NO. 284
WAYZATA, MINNESOTA**

The School Board of Independent School District No. 284, Wayzata, Minnesota (“School District”) enters into this agreement (the “Contract”) with Chace Anderson (“Superintendent”), a legally qualified and licensed superintendent, who agrees to perform the duties of Superintendent of Schools of the School District. The implementation of this Contract is contingent upon the Superintendent completing the terms of the existing contract as required by Minn. Stat. 123B.143 Subd. 1.

The School District and the Superintendent agree as follows:

I. Applicable Statute

This Contract is entered into between the School District and the Superintendent in conformance with Minn. Stat. § 123B.143, Subd. 1.

II. Licensure

The Superintendent shall furnish, throughout the life of this Contract, a valid and appropriate license to act as Superintendent in the State of Minnesota as provided by applicable state laws, rules and regulations.

III. Duration, Expiration, Termination and Mutual Consent

1. Duration.

This Contract is for a term of one year commencing July 1, 2023, and ending June 30, 2024. It shall remain in full force and effect unless modified by mutual written consent of the School Board and the Superintendent, or unless terminated as provided herein.

2. Subsequent Contract.

The School Board shall notify the Superintendent in writing no later than September 1, 2023 (or ten [10] months prior to the expiration of this Contract) whether the School Board wishes to enter into negotiations with the Superintendent for a subsequent contract. If the Board fails to give notice of its intent concerning renewal by September 1, 2023, the parties shall assume that no such renewal is intended by the School Board and the Contract shall expire at the end of the Contract term. If the Superintendent intends not to seek another contract with the District, the Superintendent will give the School Board written notice of such intent no later than September 1, 2023 (or ten [10] months prior to the expiration of this Contract).

3. Expiration.

This Contract shall expire on June 30, 2024. At the conclusion of its term, neither party shall have any further claim against the other, and the School District's employment of the Superintendent shall cease, unless a subsequent contract is entered into in accordance with M.S. § 123B.143, Subd. 1.

4. Termination During the Term.

The Superintendent's employment may be terminated during the term of this Contract only for cause as defined in M.S. 122A.40, Subds. 9 or 13, as amended. Except for purposes of describing grounds for discharge, the provisions of M.S. 122A.40 shall not be applicable. If the School Board proposes to terminate the Superintendent during the Contract term for cause as described in M.S. 122A.40, Subds. 9 or 13, it shall notify the Superintendent in writing of the proposed grounds for termination. The Superintendent shall be entitled to a hearing before an arbitrator, provided the Superintendent makes such a request in writing within fifteen (15) calendar days after receipt of the written notice of the proposed termination. In such an event, the parties shall jointly petition the Bureau of Mediation Services (BMS) for a list of five (5) arbitrators. The arbitrator shall be selected by the parties through the normal striking process as provided by BMS rules. The arbitrator shall conduct a hearing under normal arbitration procedure rules and issue a written decision. The decision of the arbitrator shall be final and binding upon the parties, subject to normal judicial review of arbitration decisions as provided by law. The Superintendent may be suspended with pay pending final determination by the arbitrator. If the Superintendent has been charged with a felony and the underlying conduct that is the subject of the felony charge is a ground for a proposed immediate discharge, the suspension pending the conclusion of the hearing and determination of the issues may be without pay. If a hearing is held, the board must then reimburse the Superintendent for any salary or compensation withheld if the final decision of the board or the arbitrator does not result in a penalty to or suspension, termination or discharge of the Superintendent. If the Superintendent fails to request a hearing as provided herein within the fifteen (15) calendar day period, it shall be deemed acquiescence by the Superintendent to the School Board's proposed action and the proposed action shall become final on such date as determined by the School Board, and the Superintendent shall have no further claim or recourse.

5. Mutual Consent.

The parties may terminate this Contract at any time by mutual written consent.

The School Board may, in its discretion, extend such a leave upon written request. A request for medical leave of absence or extension of such leave pursuant to this section shall be accompanied by a written statement from a physician outlining the condition of health and estimated time at which the Superintendent is expected to be able to resume normal responsibilities. The Superintendent, when on medical leave of absence, is eligible to continue to participate in group insurance programs as permitted under the insurance policy provisions, but the Superintendent shall pay the entire premium for such programs as the Superintendent wishes to retain commencing with the beginning of the leave. If medical leave of at least one full year is granted pursuant to this section, the Superintendent voluntarily waives any right to a leave of absence to which the Superintendent might otherwise be entitled pursuant to M.S. 122A.40, Subd. 12.

10. Worker's Compensation.
