Garland Independent School District First Quarter Investment Report July 1 – September 30, 2025

On September 30, 2025, Garland ISD held all invested assets in Texpool, Lonestar and Texas CLASS investment pools, as permitted by Government Code §2256.016.

The Pools invest in similar assets with each pool using a different mix of authorized investments.

As part of a continuing effort to have administration keep the board abreast of the district's investment activities, the respective pools' list of authorized investments—that is, in what the district is invested—are attached to give the board a better understanding of the underlying investments being made on behalf of the district's as funds are deposited with each pool. As each pool amends their authorized investment mix, the new list will be provided to the board.

Re: October 2025 Financial Statements – General Fund

The district starts receiving state funding in September of each year. The District is classified by TEA as payment class 2 and will receive 50% of our state aid funding prior to tax collections and the remaining 50% will come between April and August, with settle-up payments commonly happening after August. Federal revenue is being received for indirect cost associated to federal funds and interim SHARS claims.

This is the fourth month of our FY26 fiscal year. The attached analysis compares October 2025 YTD to October 2024 YTD.

Below is a budget to actual comparison by summary account code. Attached is the detail by function and summary account code.

Re: **October 2025 Financial Statements – Interest and Sinking Fund (I&S)**

Most of the funding received by this fund comes from local property taxes, which are dependent on the I&S rate. Most of the funding comes during December and January of each year, while the payments go out in August and February of each year. There are some other smaller amounts obtained from state aid and federal funds. The state aid is called Additional State Aid for Homestead Exemption (ASAHE), and it helps districts recover some of the lost revenue due to homestead exemptions.

This is the fourth month of our FY26 fiscal year.

Below is a budget to actual comparison by summary account code.

Account	Revenue Type	FY26 Budget	FY26 Actuals	% Earned

BOARD OF TRUSTEES AGENDA

Date: December 16, 2025

Presented By: Mark Quinn, Director of Security

Subject: Receive Intruder Detection Audit Report for December 2025

Information Item

Executive Summary:

The top priority of Garland ISD and the State of Texas is keeping students and staff safe every day. The Texas School Safety Center recently conducted an Intruder Detection Audit at one or more of our campuses. The audits test whether a campus is accessible to an unauthorized individual. This audit seeks to help districts identify how campuses can improve safety for students, such as ensuring exterior doors are locked. The audit provides us with an opportunity to create a safer learning environment for our students and staff.

We are working closely with our district's School Safety & Security Committee to ensure that we are training all our staff and securing our doors for the protection of everyone at our campuses. The support from the state in conducting the Intruder Detection Audits is just one of the many actions we are taking to ensure our schools are safe. We know that this work does not end, and we appreciate the Board's support.

We acknowledge that parents and community members are likely very interested in the details of the audit results; however, it is in the best interest of the students that we do not share this information to the broader public as it could lead to compromising important campus security information. Specific details of the Intruder Detection Audit will be discussed in the executive session and with the Safety and Security Committee. Garland ISD is committed to providing a safe and secure learning environment for our students and staff.

BOARD OF TRUSTEES AGENDA

Date: December 16, 2025

Presented By: Wesley Johnson, Garland ISD School Board Vice President

Subject: Consider Approval of Naming Portion of Facility- Sydna Gordon Boardroom

Consent Agenda

Executive Summary:

In recognition of Sydna Gordon's profound impact on the entire Garland Independent School District and the broader community, it is proposed that the Board Room at Harris Hill Administration Building be named in her honor.

Mrs. Gordon served on the GISD School Board for fifteen years, including three terms as Board President. During her tenure, she used her skills and acumen as a practicing attorney to help guide the District through the shifting sands of the school finance litigation and constantly changing funding mechanisms of the 1980s and 1990s. She also saw the end of Garland's period of skyrocketing population growth and helped position the District to succeed with a new model less dependent on consistent student population increases.

While serving on the Board, Sydna helped elevate GISD at the state and regional level by serving on the Executive Committee of the North Texas Area of School Boards for six years; as a Texas Association of School Boards Trustee for six years, including statewide office as Secretary-Treasurer for the 1997-1998 academic year. She was tasked by the Texas Education Agency to serve on the Texas School Improvement Initiative in the 1991-1992 academic year. She was also selected by the University Interscholastic League to serve on the UIL State Executive Committee from 1996-1999.

Perhaps even more significant than her period of service to the GISD as a Trustee is Mrs. Gordon's continued committee to the District and community after she left elected office. Mrs. Gordon has chaired or served on dozens of citizen committees, including, but not limited to, Kiwanis Club of Garland (President); Main Street Garland; Executive Women of Dallas (President); Rowlett Chamber of Commerce (Director); Garland Chamber of Commerce (Director); Garland Business and Education Coalition; Garland Economic Development Authority (Director); Hope Clinic (Director); New Beginnings Center of Garland (Director);

BOARD OF TRUSTEES AGENDA

She also continued to directly serve the interests of the students, faculty and staff of the GISD through years of service on the Garland ISD Education Foundation (previously Best Education Foundation) where she served on the Board of Directors. She has also served the GISD community by being a committee member on all major bond proposals and the Vote Yes Garland ISD PAC in support of the recently passed Proposition A.

Time and work ethic are not the only contributions that Mrs. Gordon has made. Both her and her husband Don have donated hundreds of thousands of dollars to both the GISD Education Foundation and Hope Clinic.

She has been honored as a distinguished alumnus of her alma mater, East Texas A&M University, where she has also had the honor of serving the Director of the Alumni Association. But Mrs. Gordon's ultimate pride is found in the Outstanding Alumnus Award received from her beloved Garland High School in 2010.

From her years of service on the School Board and her unparalleled community leadership after leaving the School Board, Mrs. Sydna Gordon has provided the entire community with a master class in servant leadership and left an enduring legacy characterized by dynamic leadership, unwavering dedication, and a deep commitment to fostering growth and excellence in others.

Administrative Recommendations:

Recommend naming the Boardroom at Harris Hill Administration Building in honor of Mrs. Sydna Gordon.

Recommended Motion for Action Items:

Move to approve the Harris Hill Boardroom to be named in honor of Mrs. Sydna Gordon.

Financial Impact and Funding Source:

Anticipated cost of room signage not to exceed \$1000

Sydna Gordon

Sydna Gordon has been a champion for Garland ISD and the Garland community for decades. She has served on many local boards of directors, including the Garland Independent School District Board of Trustees. Her fifteen-year service on the Board included three terms as Board President.

As an attorney, Sydna spent the majority of her career representing local governmental entities. Her practice helped provide necessary funding to ensure that our communities had the resources to prosper. In addition to her experience as an attorney, Sydna was a teacher for six years.

Presented By: Mark Booker, Executive Director of Purchasing
Joseph Figarelli, Director of Fine Arts

Subject: Consider Approval of Purchase of Fine Arts Temporary Staffing Personnel Services (#345-25-01)

Action Item

Executive Summary:

Fine Arts temporary staffing personnel services connect artists, designers, and other creative professionals with organizations that support our students within the fine arts realm who require short-term creative assistance. The service will allow our students to broaden their skill sets and maintain the competitiveness of our district for projects, events, or when students need specialized artistic skills.

The Texas Education Agency (TEA) has modified the purchasing module of the Financial Accountability System Resource Guide to permit the use of an “Extended RFP Process”. This process is different from the traditional RFP process as it affords districts the ability to accept, evaluate, and award proposals as they are received throughout the term of the agreement. The benefits of this process allow the district to be more responsive to unforeseen and unexpected events that require compliance with purchasing law. Along with the benefits, TEA requires internal controls to ensure the process is used properly.

1. Local policy will dictate which purchases require approval by the Board of Trustees - \$150,000 or greater in accordance with CH Local.
2. The standard procurement process should be used when possible.
3. The Purchasing Department, in conjunction with the Committee(s), will establish guidelines to ensure all requirements listed in the Financial Accountability System Resource Guide are met. At a minimum, the following guidelines must be established:
 - Establish the categories in which responses will be received
 - Determine the frequency of reviewing and approving responses
 - Determine the criteria for accepting and rejecting responses
 - Review existing contracts to ensure the needs cannot be met with an existing contract.

BOARD OF TRUSTEES AGENDA

By design of the extended RFP, we are adding additional vendors to continue creating a pool of awarded temporary staffing vendors that have been approved and vetted for Garland ISD campuses and departments. This specific recommendation to award includes the addition of eighty-four (84) new companies. Reviewed and approved by Joseph Figarelli, Director of Fine Arts, Mark Booker, Executive Director of Purchasing, and Darrell Dodds, Chief Financial Officer.

Administrative Recommendations:

It is the administration's recommendation that the offer(s) for Fine Arts Temporary Staffing Personnel Services (Extended) that the 84 new companies listed on (Exhibit A), provide the best value to the Garland Independent School District.
