BOARD OF TRUSTEES AGENDA

Date: May 26, 2026

Presented By: Mark Quinn, Director of Security

Subject: Receive Intruder Detection Audit Report May 2026

Information Item

Executive Summary:

The top priority of Garland ISD and the State of Texas is keeping students and staff safe every day. The Texas School Safety Center recently conducted an Intruder Detection Audit at one or more of our campuses. The audits test whether a campus is accessible to an unauthorized individual. This audit seeks to help districts identify how campuses can improve safety for students, such as ensuring exterior doors are locked. The audit provides us with an opportunity to create a safer learning environment for our students and staff.

We are working closely with our district's School Safety & Security Committee to ensure that we are training all our staff and securing our doors for the protection of everyone at our campuses. The support from the state in conducting the Intruder Detection Audits is just one of the many actions we are taking to ensure our schools are safe. We know that this work does not end, and we appreciate the Board's support.

We acknowledge that parents and community members are likely very interested in the details of the audit results; however, it is in the best interest of the students that we do not share this information to the broader public as it could lead to compromising important campus security information. Specific details of the Intruder Detection Audit will be discussed in the executive session and with the Safety and Security Committee. Garland ISD is committed to providing a safe and secure learning environment for our students and staff.

Re: Write-off of Delinquent Taxes

Dear Ms. Cooper:

Attached are lists of delinquent taxes we recommend be removed from the delinquent tax roll as required by the Texas Property Tax Code §33.05(c)(1) and (2) and mobile home and business personal property accounts we have determined to be uncollectible and are beyond the statute of limitations and recommend be removed from the delinquent tax roll.

Exhibit A contains the accounts that should be removed from the tax roll pursuant to §33.05 (c)(1) of the Texas Property Tax Code. This provision of the Code provides that a tax on real property that has been delinquent for more than 20 years shall be removed from the delinquent tax roll. This includes the 2005 and prior tax years. The total amount of base taxes for this list is \$40,329.11.

Exhibit B contains the delinquent taxes that we recommend be removed from the delinquent tax roll that we have determined to be uncollectible and are beyond the statute of limitations. Texas Property Tax Code §33.05 (a)(1) provides that property may not be seized and a suit may not be filed to collect a tax on personal property that has been delinquent more than four years. The total amount of base taxes for this list is \$151,716.79.

Please do not hesitate to contact me if you have any questions or need further information on any of the accounts.

Sincerely,

A handwritten signature in black ink, appearing to read 'J. Douglas Burnside', with a long, sweeping horizontal line extending to the right.

J. Douglas Burnside

Memorandum of Understanding

This Memorandum of Understanding (“MOU”) is entered into and effective on the date of the last signature below (the “Effective Date”), by and between Texas A&M AgriLife Extension Service an agency of the State of Texas and a member of The Texas A&M University System (“AgriLife Extension”), and Garland Independent School District (“Collaborator”). Member and Collaborator are sometimes hereafter referred to as “Party” individually and as “Parties” collectively.

This MOU consists of two articles. Article 1 is a non-binding portion of this MOU containing the general understandings and intentions of the Parties. Article 2 contains terms to which the Parties agree to be bound. The Parties agree as follows:

Article 1

- 1.1 This Article 1 is not intended to be legally binding on either Party.
- 1.2 The Parties desire to provide hands-on experiences through 4-H programs that support youth leadership, civic engagement, and career readiness. Activities may include after-school clubs, STEM learning, healthy living projects, and community service initiatives hosted on Collaborator’s campuses (the “Purpose”).
- 1.3 AgriLife Extension intends to:
 - (a) deliver evidence-based nutrition and wellness programs such as Better Living for Texans (BLT) and Walk Across Texas to promote healthy eating, physical activity, and chronic disease prevention among Collaborator students and families.
 - (b) work with Collaborator to host family-focused workshops on topics such as parenting skills, financial literacy, food safety, and community resource awareness—empowering families to support student success and well-being.
 - (c) implement garden-based learning, environmental awareness, and sustainable agriculture education through programs such as school gardens, pollinator habitats, and urban agriculture demonstrations, integrating science and environmental stewardship into classroom and extracurricular learning.
 - (d) partner with Collaborator to provide experiential learning opportunities, guest speakers, and career exploration activities that expose students to agricultural sciences, environmental careers, nutrition education, and public service pathways aligned with workforce development goals.
 - (e) Follow and abide by all Collaborator Board policies and procedures.
 - (f) Follow and abide by all policies and procedures of the Collaborator campus or facility.
 - (g) Ensure that all representatives have passed AgriLife Extension’s background checks required upon employment.
 - (h) Maintain the confidentiality of all Collaborator’s student information and acknowledge that any student information may only be used for purposes related to and within the scope of the Community Organization’s programs as described below in Section 2.3.
- 1.4 Collaborator intends to:
 - (a) Designate individuals serving in campus leadership roles as specific points of contact at each participating campus.

- (b) Designate a public space for the Community Organization to conduct activities after school.
- (c) Provide appropriate oversight/supervision.

Article 2

- 2.1 This Article 2 is intended to be legally binding on the Parties.
- 2.2 Each Party acknowledges that neither Party will have any legal rights or obligations as to the understandings and intentions in Article 1, and neither Party should or may take any action or fail to take any action in detrimental reliance on Article 1.
- 2.3 The Parties anticipate that under this MOU it may be necessary for a Party (the “Disclosing Party”) to transfer information of a confidential nature (“Confidential Information”) to the other Party (the “Receiving Party”). The Disclosing Party shall clearly identify Confidential Information at the time of disclosure by (i) appropriate stamp or markings on the document exchanged, or (ii) written notice, with attached listings of all material, copies of all documents, and complete summaries of all oral disclosures (under prior assertion of the confidential nature of the same) to which each notice relates, delivered within thirty (30) days of the disclosure to the other Party.
 - (a) “Confidential Information” does not include information that: (i) is or becomes publicly known or available other than as a result of a breach of this MOU by the Receiving Party; (ii) was already in the possession of the Receiving Party as the result of disclosure by an individual or entity that was not then obligated to keep that information confidential; (iii) the Disclosing Party had disclosed or discloses to an individual or entity without confidentiality restrictions; or (iv) the Receiving Party had developed or develops independently before or after the Disclosing Party discloses equivalent information to the Receiving Party.
 - (b) The Receiving Party shall use the same reasonable efforts to protect the Disclosing Party’s Confidential Information as it uses to protect its own confidential information of a similar nature. The Receiving Party may use Confidential Information only for the Purpose under this MOU and may disclose Confidential Information only to its directors, regents, officers, employees, agents, consultants, advisors, or other representatives (“Representatives”) having a need to know the Confidential Information for the Purpose, provided that they are subject to confidentiality obligations not less restrictive than those set forth herein, and that the Receiving Party remains responsible for its Representatives’ compliance with such obligations.
 - (c) If the Receiving Party is legally required to disclose Confidential Information, the Receiving Party shall, to the extent allowed by law, promptly give the Disclosing Party written notice of the requirement so as to provide the Disclosing Party a reasonable opportunity to pursue appropriate process to prevent or limit the disclosure. If the Receiving Party complies with the terms of this Section, disclosure of that portion of the Confidential Information, which the Receiving Party is legally required to disclose, will not constitute a breach of this MOU.
 - (d) The Receiving Party shall, upon request of the Disclosing Party, promptly return or destroy all materials embodying Confidential Information other than materials in

electronic backup systems or otherwise not reasonably capable of being readily located and segregated without undue burden or expense, except that the Receiving Party may securely retain one (1) copy in its files solely for record purposes. The Receiving Party's obligations as to Confidential Information will survive the termination or expiration of this MOU for a period of three (3) years.

- 2.4 Each Party acknowledges that all rights in any trademarks, service marks, slogans, logos, designs, and other similar means of distinction associated with that Party (its "Marks"), including all goodwill pertaining to the Marks, are the sole property of that Party. Neither Party may use the Marks of the other without the advance written consent of that Party, except that each Party may use the name of the other Party in factual statements that, in context, are not misleading or imply an endorsement by that Party or its employees. The Parties will mutually agree in advance upon any public announcements, or communications to the media regarding this MOU to be provided pursuant to this MOU.
- 2.5 Each Party shall be responsible for its own costs, risks, and liabilities as a result of its activities under this MOU without expectation of reimbursement from the other Party. There will be no exchange of funds or other resources among the Parties.
- 2.6 This MOU commences on the Effective Date and continues through one year from the Effective Date (the "Term"), unless sooner terminated as provided herein, not to exceed a total Term of five (5) years. Either Party may terminate this MOU effective upon thirty (30) days' written notice to the other Party. Either Party may terminate this MOU effective upon written notice to the other Party if the other Party materially breaches any term of this MOU and fails to cure such breach within ten (10) days after receiving written notice of the breach.
- 2.7 Each Party shall conduct all activities in connection with this MOU in compliance with all applicable federal, state, and local laws, rules, and regulations.
- 2.8 The validity of this MOU and all matters pertaining to this MOU, including but not limited to, matters of performance, breach, remedies, procedures, rights, duties, interpretation or construction, shall be governed and determined in accordance with the laws of the State of Texas. Pursuant to Section 85.18(b), Texas Education Code, mandatory venue for all legal proceedings against AgriLife Extension is to be in the county in which the principal office of AgriLife Extension's governing officer is located.
- 2.9 Any notice required or permitted under this MOU must be in writing and in English, and is deemed given: (a) three (3) business days after it is deposited and post-marked with the United States Postal Service, postage prepaid, certified mail, return receipt requested, (b) the next business day after it is sent by overnight carrier, (c) on the date sent by email transmission with electronic confirmation of receipt by the party being notified, or (d) on the date of delivery if delivered personally. Parties can change their respective notice address by sending to the other Party a notice of the new address. Notices should be addressed as follows:

Email: contracts@ag.tamu.edu

(b) Collaborator: Lakisha Culpepper
501 S Jupiter Road, Garland, TX 75042
lmculpep@garlandisd.net

- 2.10 This MOU is not intended to create a partnership or joint venture between the Parties. Neither Party may bind the other or otherwise act in any way as the representative of the other, unless specifically authorized, in advance and in writing, to do so, and then only for the limited purpose stated in such authorization.
- 2.11 This MOU contains the entire understanding of the Parties as to its subject matter and supersedes all other written and oral agreements between the Parties as to that subject matter.
- 2.12 This MOU is assignable only with the written consent of both Parties.
- 2.13 Each provision of this MOU is severable. If any provision is rendered invalid or unenforceable by statute or regulations or declared null and void by any court of competent jurisdiction, the remaining provisions will remain in full force and effect if the essential terms of this MOU remain valid, legal, and enforceable.
- 2.14 Neither Party is liable or responsible to the other Party for any loss or damage or for any delays or failure to perform under this MOU due to causes beyond its reasonable control, including, but not limited to, acts of God, employee strikes, epidemics, war, riots, flood, fire, sabotage, terrorist acts or any other circumstances of like character (force majeure occurrence).
- 2.15 Member is an agency of the state of Texas and under the Constitution and the laws of the state of Texas possesses certain rights and privileges, is subject to certain limitations and restrictions, and only has authority as is granted to it under the Constitution and the laws of the state of Texas. Collaborator expressly acknowledges that Member is an agency of the state of Texas and nothing in this MOU will be construed as a waiver or relinquishment by Member of its right to claim such exemptions, remedies, privileges, and immunities as may be provided by the Constitution and the laws of the state of Texas.
- 2.16 Prior to performing any specific projects or work contemplated by this MOU, the Parties will enter into a separate agreement containing definitive statements of work and associated budgets. Notwithstanding the foregoing, this MOU does not bind the Parties to negotiate or consummate any such later agreement(s).
- 2.17 Should this document be executed in two languages, the English version of this MOU represents the understanding of the Parties. Any other version is provided as a translation only. In the event of conflict between the two versions, the English version will prevail.

Each Party enters into this MOU as of the Effective Date.

REGION ONE EDUCATION SERVICE CENTER MASTER INTERLOCAL AGREEMENT

This Master Interlocal Agreement ("Agreement") is made by and between Region One Education Service Center ("Region One") and Garland ISD ("Member"), (collectively referred to as the "Parties") acting herein by and through their respectively authorized officers or employees.

RECITALS

WHEREAS, Chapter 791 of the Texas Government Code authorizes local governments to contract with each other to provide governmental functions and services; and
WHEREAS, the Parties wish to enter into this Agreement to provide local governments with greater efficiency and economy in purchasing products and services; and
NOW THEREFORE, in consideration of and conditioned upon the mutual covenants and agreements, herein, the Parties hereto mutually agree as follows:

AGREEMENT

1. **TERM:** This Agreement is effective from the date of the last signature and shall automatically renew for services and/or goods selected for successive one-year terms unless either party gives sixty (60) days prior written notice of non-renewal. Notice of such non-renewal shall be sent according to Paragraph 13. The conditions set forth herein shall apply to the initial term and all subsequent renewals.
2. **TERMINATION:** Either party will be in default of this Agreement if such party fails to comply with any obligation in this Agreement and such failure continues for ten (10) days after receiving written notice from the non-defaulting party. In the event of default, the non-defaulting party, upon written notice to the defaulting Party, may terminate this Agreement for cause as of the date specified in the notice, and may seek other relief as provided by law. Region One or the Member may terminate this Agreement in writing at any time upon providing at least thirty (30) days written notice to the other party. The Member agrees to pay an amount which bears the same ratio to the total compensation as the services actually performed to the total services of this Agreement, less any compensation previously paid. The Member acknowledges that some service contracts accompanying this Agreement may not be subject to early termination and therefore early termination in such situations is void.
3. **SCOPE:** The scope of this Agreement is limited to the purchase of goods and/or services, other than engineering or architectural services or construction services, governed by the contracts between Region One and vendors offering such services/goods. The purchase of goods includes the purchase of any services reasonably required for the installation, operation, or maintenance of the goods. The Member acknowledges and agrees that the terms of the contracts between Region One and the vendors providing such goods and/or services are incorporated as if they were fully set out herein. The Member shall abide by the terms of the contracts for the goods/services the Member elects to purchase.
4. **ELECTION OF GOODS AND/OR SERVICES:** A list of the goods/services available for contracting through this Agreement is contained in the Election of Goods and/or Services Form, attached hereto as Exhibit A. Upon entering into this Agreement, the Member shall indicate on the Election of Goods and/or Services all goods and/or services the Member seeks to purchase for the initial term of this Agreement. If Member elects to purchase different goods and/or services for subsequent renewal terms, Member shall complete an

updated Exhibit A, which will be effective upon the start of the renewal term. If Member does not complete an updated Exhibit A, then the election(s) contained in the present Exhibit A shall control for the term of the renewal(s).

5. RELATIONSHIP: The relationship between the Parties is that of independent contractor. Neither party has the authority to bind the other in any manner.

6. MEMBER RESPONSIBILITIES: The Member understands that certain federal requirements involve circumstances unique to the Member's transaction and must be completed by the Member. At the time of procurement, specific information about the Member's transaction is unavailable to Region One, including the funding source to be used, the total value of the transaction, any specific requirements of a particular grant, or the Member's local policy requirements. As a result, the Member is ultimately responsible for compliance with certain applicable requirements and is advised to consult with the Member's legal counsel or granting agency to confirm compliance with any applicable regulations. Depending on the value or nature of a specific transaction, specific grant conditions, or other requirements, the Member may be required to:

- a. Maintain written procedures regarding conflicts of interest of employees engaged in the selection, award, and administration of contracts or purchasing;
- b. Avoid the purchase of unnecessary or duplicative items;
- c. Prepare an Independent Estimate and conduct a Cost and Price Analysis where the total cost of any transaction will exceed the simplified acquisition threshold, and negotiate profit as a separate cost item (if a cost analysis is performed);
- d. Take any necessary steps to ensure minority businesses, women's businesses, and labor surplus area firms are used when possible (i.e. dividing a project into smaller tasks or quantities to maximize participation by small, minority, and women owned businesses); and/or
- e. Ensure compliance with provisions related to recovered materials and domestic preferences.

7. COOP MEMBERSHIP: The Member understands that by executing this Agreement it agrees to be a member of the Region One Coop.

8. CURRENT REVENUES: The Member hereby warrants that all payments required of it pursuant to this Agreement shall be made from current revenues budgeted and available to the Member.

9. PAYMENT TERMS: Invoices are generated upon selection of goods/services. Invoices shall be payable to Region One in accordance with the provisions of the Prompt Pay Act Texas Government Code Chapter 2251, within forty-five (45) days after the Member's receipt of the invoice and delivery of the goods or services, and interest shall be payable by the Member on all past due amounts at the rate specified in Section 2251.025(b), Texas Government Code.

10. SOFTWARE SERVICES: Should the Member elect to purchase any of the software services offered by Region One, the Member understands that it may be required to execute a license agreement for such software. If a license agreement is required for purchase and use of any software, the Member agrees to execute such agreement in a timely manner.

12. OWNERSHIP OF WORK PRODUCT: All work product, including any concepts, products, research, reports, studies, data, or other documents, drawings or materials prepared by Region One in the performance of its obligations under this Agreement shall not be works for hire and shall remain the exclusive property of Region

One. Any programs, data or other materials furnished by Region One for use by Member in connection with the Services performed under this Agreement will remain Region One's property, subject to any superseding licensing agreement or intellectual property rights of third parties.

13. NOTICE: Any notice required or permitted by this Agreement must be in writing and addressed to the party at the address set forth below, or such other address as is subsequently specified in writing. Notices will be effective as the date: (i) delivered by hand, (ii) delivered by national courier service or Registered/Certified Mail, postage prepaid, return receipt requested, (iii) received by facsimile, or (iv) received by email.

As detailed herein, on an annual basis, Member has the option to execute an updated Election of Goods and Services, a copy of which is attached hereto as Exhibit A, and may, for such upcoming renewal term, make changes to the goods/services it purchases except where not allowable under a specific program.
