There is a home basketball game tomorrow. The varsity volleyball team, which was undefeated, recently lost a match. Band members competed in Solo & Ensembles Saturday, with several obtaining a "one" rating. The high school musical, *On the Town*, will be presented in late March, one weekend only.

Board Member Comment

Member Knechtel thanked the Board for the flowers they sent him following a recent surgery in Ann Arbor. He also thanked the Board, Cabinet, and superintendent's office for the plant in remembrance of the sudden death of his father last Wednesday. He stated he appreciates all the comments, thoughts, and prayers during this time.

Member Martin expressed condolences from her family to Member Knechtel's family. She thanked Dr. Pillar for the portfolio presented to Board members for School Board Recognition Month and thanked Dr. Baldwin and the Colt family for acknowledgement of School Board Recognition Month.

Member Martin indicated she had copies of two opinion articles from the February 11th *Lansing State Journal* she found interesting and would share with other Board members if they hadn't seen them. One opinion was titled "Best way to save on school ballots is keep local control" (Justin King) and the other was "MEAP really tells us about families" (Barbara Vander-Molen).

Member Slocum stated it looks like Board members and administrators will have 3 ½ to 4 months to work on budget issues. He asked everyone to work together, like one big family. The budget process needs to be approached with eyes wide open.

Board Member Comment (Continued)

Member Slocum thanked Dr. Baldwin and the Colt Elementary staff and students for the appointment book.

Member Breggins apologized for arriving late to the meeting. He honored the student winners at the Martin Luther King, Jr. dinner, noting Waverly swept everything, and recognized the parents, relatives, teachers, counselors, and principals for providing support and encouragement. Member Breggins stated it is unfortunate these stories aren't on the front page of the paper.

Member Breggins thanked Dr. Pillar, Jacklin Blodgett, and Rob Spagnuolo for being proactive on setting the budget for the 2007-2008 school year. He thanked past Board members who pinched pennies when it was not popular. Because they watched spending, Waverly's situation is not as bad as some neighboring school districts. Member Breggins stated we need to invest on the front end and not on the back end. It is cheaper to invest on the front end as the return of the investment is much greater.

Member Suttles thanked Mrs. Gonzalez, students, and staff for their hospitality, noting she thoroughly enjoyed the orchestra students' performance. She stated it is a pleasure to know we can still have music programs in our elementary buildings. Member Suttles reported she had the pleasure of attending a performance by Theatre Works Children's Theatre Group, in which her two daughters are performing. The *Freedom Train* is the story of Harriett Tubbs. The production is being presented in schools throughout the Midwest and on the East Coast. Member Suttles indicated she would like to talk about bringing it to Waverly next year. She indicated it is an absolute marvelous story told in spirituals and words.

Member Suttles thanked Jacklin Blodgett and the administration for the budget presentation this evening. She stated it is a story worth talking about to the community as a whole as hard decisions will need to be made.

Member Jones thanked Mrs. Gonzalez, the East staff, and students for hosting the Board meeting. He stated attending the Martin Luther King, Jr. luncheon was like attending a Waverly homecoming. Member Jones read the names of middle school students who were recognized in the essay contest. First place – AiriAnah Bynum; second place – Elijah Melton; and third place – Frankie Mobley. Students receiving honorable mention were Tracy Gallihugh; Christina Goedert; Kristine Hannula; Justin Wray; and Amy Trinh. He thanked the parents, teachers and administrators for such a wonderful event which Waverly tends to dominate.

Member Jones stated he looks forward to an open, frank discussion of the budget, noting we have to make a difference by fighting for every dollar we get.

The meeting included IISD staff and the Board presidents and superintendents of the 12 districts. There was 100% participation. The main topic was possibly exploring a future millage election for special education. This topic is only in its very early discussion stage and nothing definite has been established. Dr. Pillar encouraged Board members to share their views with President Broughton about this issue so that he can represent them at the next meeting which is scheduled for March 21st.

The first meeting would be on April 9th, which is the first day back from Spring break, and the second meeting would be on April 23rd.

Dr. Pillar notified the Board the Strategic Plan reporting schedule has been modified from late April to late June. The reason for the change is the scheduling of two separate sessions in the spring to present School Improvement reports. The secondary level reports will be presented on April 23rd and the elementary level reports will be presented on May 21st. These meetings will begin at 6:00 p.m. in the Middle School Little Theatre.
