STRATEGIC PLAN UPDATE MARCH 2026

Goal & Benchmark

THE SUPERINTENDENT WILL EXECUTE A PROCESS THAT WILL PUT IN PLACE AN UPDATED AND REFRESHED WCS STRATEGIC PLAN.

PROVIDE A FRAMEWORK FROM WHICH TO UPDATE AND REFRESH THE WCS STRATEGIC PLAN.

What I have learned about
the current WCS Strategic
Plan...

VERY WELL INTENDED AND PUT TOGETHER WITH SOME STAKEHOLDER
INPUT

GOOD EFFORT TO WRITE A WELL WORDED PLAN

THE PLAN WAS WRITTEN BY THE SUPERINTENDENT AND SOME CABINET
MEMBERS

THE PLAN WAS PUT TOGETHER AND MADE PRESENTABLE FOR THE
WEBSITE AND THE COMMUNITY

What I have learned about
the current WCS Strategic
Plan...

SOME TEACHERS AND STAFF BEGAN ORGANIZING THEIR WORK AROUND
THE STRATEGIC PLAN

ONCE POSTED – THERE WAS NO ORGANIZED STRATEGY TO
COMMUNICATE THE PLAN TO STAFF, STUDENTS, FAMILIES OR THE
COMMUNITY

UNLESS YOU WERE DIRECTLY INVOLVED IN WRITING OR GIVING INPUT
TO THE STRATEGIC PLAN, YOU LIKELY DO NOT KNOW THAT IT EXISTS

Where do we go from
here?

STAY THE COURSE WITH OUR CURRENT PLAN?

START OVER – BEGIN BUILDING A NEW PLAN?

HIRE AN OUTSIDE COMPANY TO COME HELP US BUILD A NEW PLAN?

...And then I discovered
this team

ANDREW SHAUVER – INSTRUCTION AND TECHNOLOGY COACH, IISD

JEFF PARKS – STUDENT ACTIVITIES AND GRANT COORDINATOR

CHRIS SMITH – ASSISTANT PRINCIPAL, WAVERLY HIGH SCHOOL

RACHEL WENZLICK – INSTRUCTIONAL COACH, WHS & WMS

SAMUELA MOUZAOIR – RESEARCH & INSTRUCTIONAL DATA CONSULTANT, IISD

NICK SAUVE – STEAM TEACHER, EAST, ELMWOOD

SARA VOGEL – INSTRUCTIONAL COACH, ELMWOOD

NEALIE HOLMES – INSTRUCTIONAL COACH, WINANS

What I am learning about
successfully implementing
a strategic plan...

BUILD NOTHING FOR US WITHOUT US!

CULTURE IS THE INVISIBLE “WAY WE DO THINGS AROUND HERE”. THE SHARED VALUES, BEHAVIOR, AND MINDSETS THAT SHAPE HOW WORK ACTUALLY GETS DONE.

NO MATTER HOW BRILLANT YOUR STRATEGY – IT WILL FAIL WITHOUT THE RIGHT CULTURE TO BRING IT TO LIFE

YOU CAN'T DESIGN NEW LEARNING EXPERIENCES ON TOP OF UNCLEAR BELIEFS OR MISALIGNED ADULT BEHAVIORS

Discover Cohort

Districts in the **early stages of exploration and awareness:**

- These districts are beginning to question traditional models of learning and are curious about future-focused approaches such as personalized and competency-based learning.
- Leaders and teams are learning new strategies, engaging in professional networks, and initiating conversations with staff and communities.
- At this stage, districts are building shared understanding, identifying champions, and experimenting with small-scale pilots to prepare for deeper system redesign.

Shared Vision-Tips

Connecting Purpose → Design

- Gather input from all stakeholders
- It's important to hold a series of meetings and have processes to hear everyone's voice.
- A Shared Vision should NOT be created by the superintendent and passed on to others.
- Your Shared Learner Vision is not a poster...it is a design NORTH STAR.
- Aligned from the district, to school and classroom level.
- Everything we build in CBE (competencies, progressions, pacing, small groups, assessment practices) should flow from the learner experience you define here.

Our foundation for transformation rests on:

- **Community Need** – Understanding who we serve and why change is necessary.
- **Vision** – Describing what a thriving learner-centered system looks like.
- **Mission** – Defining our enduring purpose for learning.
- **Values & Norms** – Clarifying the beliefs and behaviors that guide every decision.

Reflect: What community needs are driving your work today?

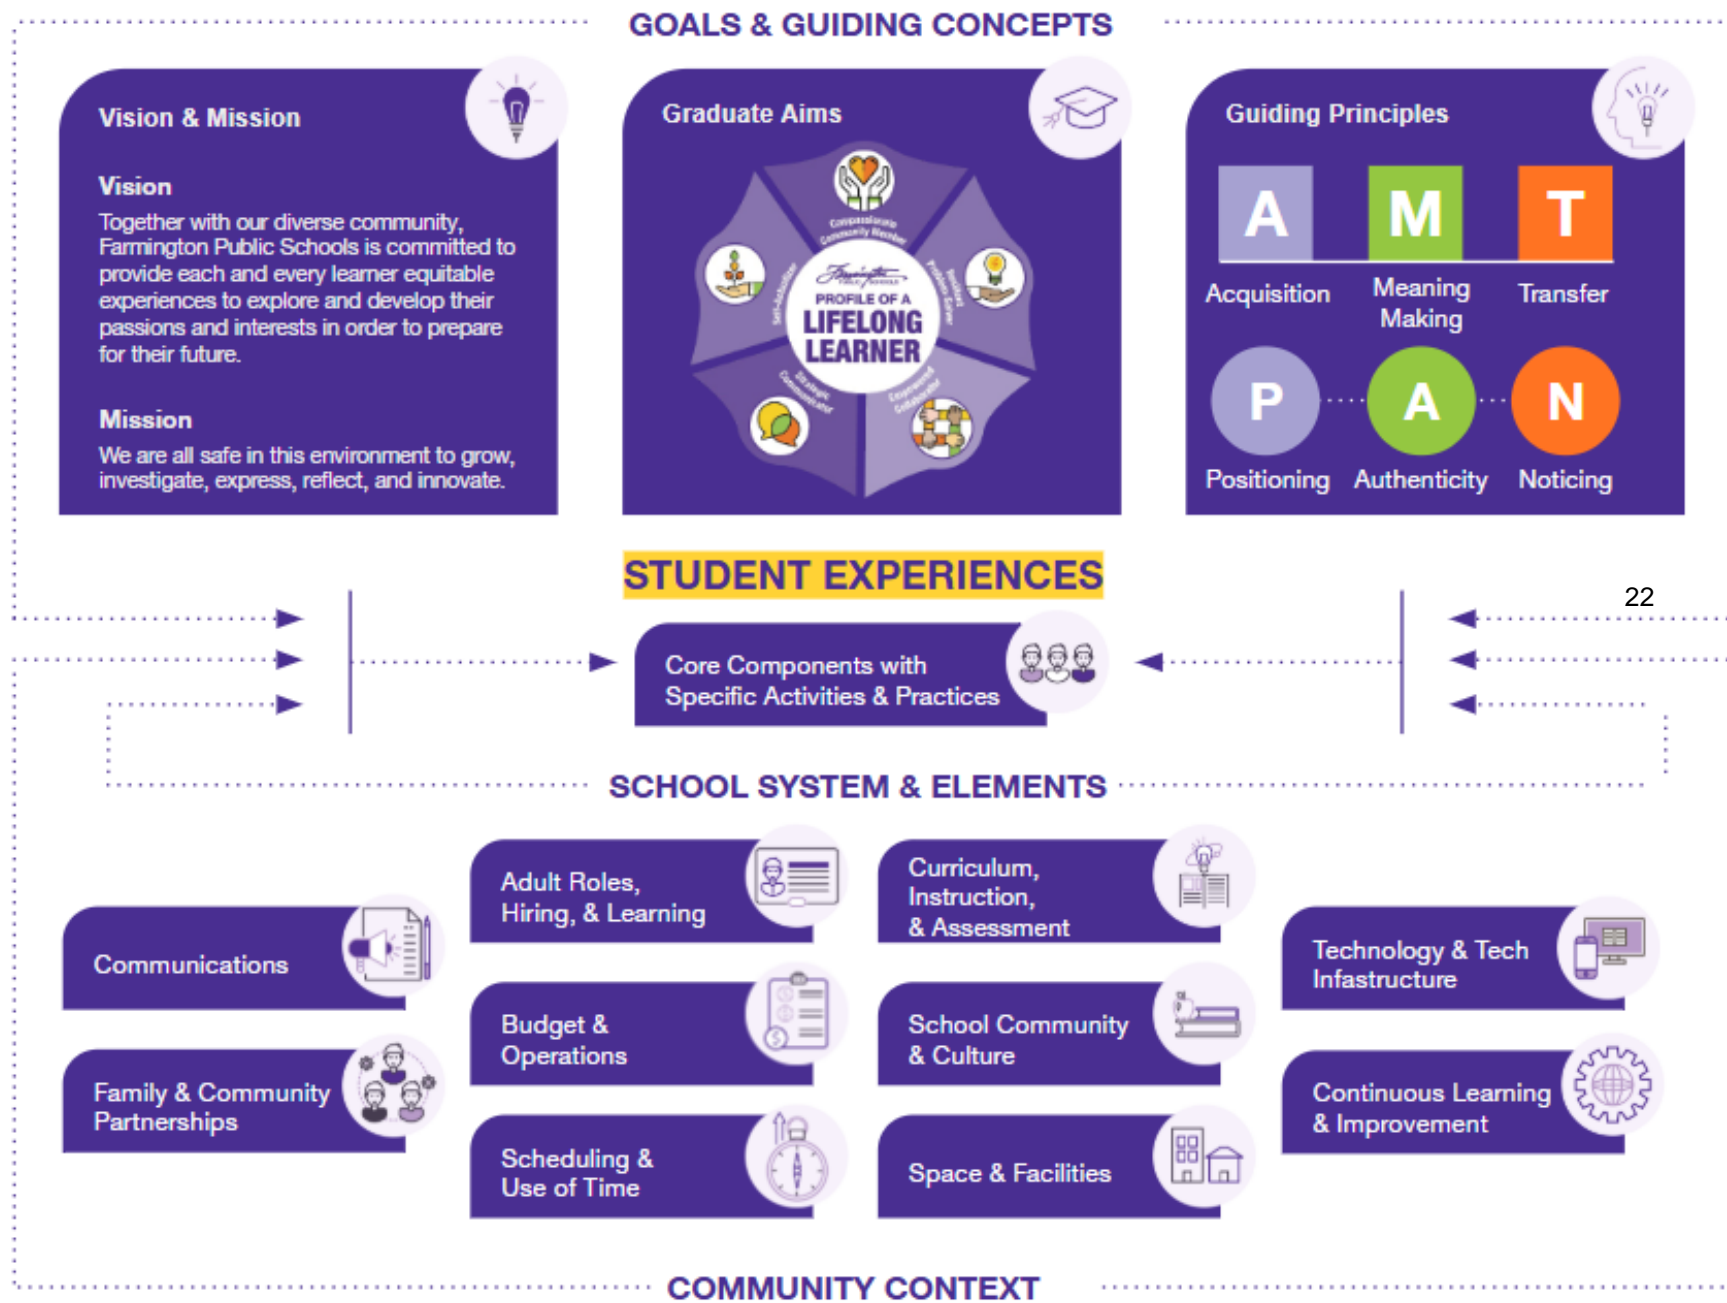

Which of these drivers are already visible in your culture, and which need greater clarity or alignment?

A Blueprint for Every Learner's Success

At Farmington Public Schools, every decision we make, from how we structure our classrooms to how we support students' well-being, is guided by a clear and thoughtful framework for learning and growth. This School Design Blueprint shows how all the pieces of our educational system work together to support students at every level.

This Blueprint is a commitment to belonging, academic excellence, real-world learning, and strong relationships. Each part is designed to make sure students feel known, challenged, and prepared for whatever comes next. See how our programs, supports, and priorities connect, and how they're all part of a bigger picture: each student's lifelong success.

The FPS Blueprint reflects a commitment to transforming student experiences in big, meaningful ways.

Approval of Meeting Minutes

The committee approved the meeting minutes from the November 2025 meeting.

New Business

Finance – The committee reviewed the budget projections. Mr. Nuffer explained the purpose of the projections is to help determine available resources, inform negotiations and make decisions on schools of choice. The accuracy of the projections can only be as good as the inputs, such as the Consensus Revenue Estimating Conference revenues and historical patterns for inflationary cost increases. The number of school of choice students also impacts the budget projections but the number of such students remains unknown at this point. Mr. Nuffer does not anticipate any drastic changes in programming or services but does expect the District will need to tighten up financially in order to prevent any significant erosion of fund balance.

The Budget Amendment was reviewed for the committee. The Budget Amendment is necessary as the school's budget must be completed by June 30 of each year although the state budget is rarely done by that point, therefore the budget will be amended to meet the needs of the school. This year approximately 600,000 will be transferred from the general fund.

Facilities - The committee reviewed change orders from November through February. The total amount of the change orders are within the amount budgeted for contingency on the construction projects. Changes include the technology contracts for Colt, changes in steel specifications for Winans, sitework for the Middle School and Elmwood and an electrical panel upgrade at Elmwood amongst other smaller miscellaneous items.

The committee received a copy of the OAC meeting minutes from the most recent meeting. No questions or concerns were presented.

Waverly Junior Warrior Football lease for facilities was reviewed. At the moment there are several points have yet to be agreed upon but talks continue. Member Guevara commented that the district should

consider improving the access to the facilities as well as the maintenance thereof. While we support the lease as written, the committee will continue to discuss this issue.

Public Comment - There was no public comment

Other Committee Business - Chairperson Pike will email committee members to establish an ongoing meeting schedule.

Advanced Placement Program

In response to public comment at the February board meeting, the committee reviewed the Advanced Placement program at the high school. Mr. Huff presented extensive information regarding the program and the results thereof.

The College Board, parent company of the Advanced Placement courses, encourages all students with an interest to pursue Advanced Placement courses. These classes help students to understand college level work and the necessary commitment. Additionally, according to College Board research, “Students who earn a 2 on an AP exam do significantly better in introductory college classes.” By extension, this should also apply to their other high school classes as well.

The demographics of our AP programs speak well of our school. The enrollment shows that our AP programs are educating a wide swath of our population and allowing access to these classes to all who are interested and committed.

mischool data 2024-25

The committee reviewed the recently released mischool data for the 2024-25 school year. The Parent Portal can be found at: <https://mischooldata.org/dashboard-home/> . The elementaries and intermediate school did well. There are concerns regarding some of the assessment results for the middle and high schools. Administration is currently assessing options and paths to improve the situations at these buildings.

Alternative Education Program

Waverly will be working with Grad Alliance for alternative school students as well as credit recovery. Mr. Jeremiah Baynes will lead as the principal has already begun working on the program for the school.

And..

Parents have access to enVision Family Engagement Math program.

REGULAR BOARD MEETING

Report #25-54

FOR ACTION

Subject:

2026-27 Schools of Choice and State Aid Recommendations

Recommendation:

The Superintendent recommends the Board of Education approve participation in the Schools of Choice Program (Section 105 and 105c) in the following select grades for the 2026-27 school year:

Kindergarten – Unlimited	7 th – Unlimited
1 st – Unlimited	8 th – Unlimited
2 nd – Unlimited	9 th – Unlimited
3 rd – Unlimited	10 th – Unlimited
4 th – None	11 th – Unlimited
5 th – Unlimited	12 th – Unlimited
6 th – Unlimited	

It is further recommended that the Board authorize the Superintendent to deny State Aid Release requests for resident students in grades K–12 for the 2026–2027 school year, unless the student attended the district to which they are requesting release during the 2025–2026 school year.

Budget Impact:

Schools of Choice helps to mitigate the impact of declining resident enrollment and consequently the loss of funding due to declining enrollment.

Historical Perspective:

The Schools of Choice option was approved by the legislature to give parents some choice in their child’s education and create competition among schools. Schools of Choice applications are processed in accordance with State law. A student may be accepted unless they have had 1) a suspension in the previous two years or 2) an expulsion.

Discussion of Options:

The Board may approve the recommendation as presented, consider a reduced Schools of Choice option, or not offer this option for the 2026-27 school year. However, all students currently enrolled under the Schools of Choice option may continue their education at Waverly as provided by the State School Aid Act.

Rationale for Recommendation:

Resident enrollment is declining due, in part, to an overall decline in birth rates and enrollment across the State. This recommendation is designed to utilize existing classroom capacity, while leaving room for new students moving into the district.

Furniture Purchase Recommendation – Winans (Phase II)

Recommendation:

The Superintendent recommends the Board of Education approve the purchase of furniture from Great Lakes Furniture Supply, Wisner Contract Furnishings, LLC and DBI, as per the attached quotes, in accordance with Board Policy 6320 (Purchasing).

Statement of Purpose:

The purpose of this recommendation is to purchase new furniture as part of the subcommittee recommendation for new classroom and office furniture.

Budget Impact:

The total cost of this recommendation is One Hundred Fifty-Three Thousand Seventy-Four and 88/100 Dollars (\$153,074.88). The contract will be funded by the proceeds from the 2022 Building and Site, Series II bonds.

Historical Information:

On May 4, 2021 a special election was held for the purpose of proposing a ballot question to authorize Waverly Community Schools to borrow the sum of \$125,000,000 and issue its general obligation unlimited tax bonds therefor, in one or more series for the purpose of erecting additions to, remodeling, including security improvements to, furnishing and refurnishing, and equipping and re-equipping school buildings; acquiring and installing instructional technology and instructional technology equipment for school buildings; purchasing school buses; and developing, equipping and improving playgrounds, play fields, athletic fields, parking areas and sites. The ballot proposal, having received sufficient votes, was approved.

A sub-committee was formed for the purpose of selecting new classroom furniture standards for the District. The committee worked with TowerPinkster to design furniture based on the committee's recommendations.

Cooperative Purchasing saves schools time and money by providing bids compliant with the Revised School Code, allowing schools to buy without bidding independently.

Rationale for Recommendation:

The rationale for this recommendation is to complete the purchase and installation of standardized classroom furniture in spaces that were initially designed to reuse existing furniture

Re: Waverly Winans Elementary School
 2021 Bond Project – Furniture Design – Phase 2

Dear Evan,

In partnership with Waverly Community Schools Furniture Committee, TowerPinkster has developed standards for new furniture across the district. These standards were developed from input received through staff surveys, testing numerous furniture samples from multiple manufacturers, and testing pilot spaces using the selected furniture.

TowerPinkster developed a furniture pricing package for Winans Elementary School based on the selections made by the furniture committee and requested quotes on behalf of Waverly Community Schools. Quotes were requested and provided by Three (3) furniture dealers, representing Six (6) furniture manufacturers. All quotes utilize contract purchasing agreements. See below for a breakdown of the quotes.

NOTE: If additional endorsements on Certificate of Insurance beyond the contract between end user & MOS are required, an additional fee of \$250.00 per endorsement may be incurred.

CREDITS OF PAYMENT TERMS: Buyer hereby authorizes Seller to obtain such credit reports, financial information or other information (collectively "Credit Information") as Seller may request, including, without limitation, Credit Information from any financial institutions or others having a business relationship with the Buyer ("Credit References"). Buyer hereby authorizes any Credit References to answer Seller's inquiries & provide such Credit Information & documentation as Seller may request. Seller reserves the right to reject any order, or to require additional or alternate payment or other terms with respect to any order, where Seller is not satisfied, in its sole discretion, with the Credit Information. Further, & without limitation, where Seller becomes aware of any fact or thing which may impact the Buyer's credit worthiness or ability to timely pay Seller's accounts, Seller may, in its sole discretion, & without liability, stop any work in progress until such time as the Buyer provides payment assurances which are satisfactory to Seller, in its sole discretion. The Buyer hereby releases & holds Seller harmless for any inconvenience whatsoever, caused by any temporary or permanent withdrawal or restriction or credit privileges hereunder, or the enforcement of any of the provisions contained in this paragraph.

CUSTOMER STORAGE OF DIRECT SHIPPED MERCHANDISE: The Buyer will provide safe & adequate storage. Seller shall be entitled to bill Buyer for all amounts incurred by Seller for double handling, product movement, lifting, hoisting, trash removal & any other resulting charges. If the space provided is inconveniently located or on another floor, the extra cost of transporting to & from storage will be reimbursed by Buyer. If the merchandise must be moved due to progress of other trades or for any other reason, the extra cost of such moving will be reimbursed by the Buyer. Such costs shall be calculated by multiplying the extra time incurred by Seller's employee(s) by their standard hourly rate. If security is required, such shall be arranged by & paid for by the Buyer.

DAMAGE OR LOSS: After arrival at the site, all loss or damage, including, but not limited to loss or damage caused by weather, other trades (such as painting or plastering), fire or other elements, shall be the responsibility of the Buyer, & the Buyer agrees to hold the Seller harmless from all such loss or damage. All unpaid amounts due Seller shall at Seller's option become immediately due & payable. In addition, Buyer agrees to pay Seller interest of one & one-half percent (1.5%) per month on the unpaid balance until the balance has been paid in full. Upon Buyer's default Seller shall have all the rights & remedies of a secured party under the Uniform Commercial Code, as shall be in effect at the time, & any other applicable laws, including the right to recover any delinquent payments & penalties.

DEPOSIT: The Buyer agrees to pay a deposit upon approval of the order. Product balance is due upon product receipt. Any installation or design service charges will be invoiced separately after installation is complete.

NO MODIFICATIONS: No modifications, amendment, supplement, waiver to termination to this agreement, or any other provision hereof, will be effective except by written instrument signed by a duly authorized representative of the Buyer & the President of Seller.

PARTIAL DELIVERIES: Seller reserves the right to make delivery in installments. All such installments shall be separately invoiced & paid for when due without regard to subsequent deliveries. Delay in delivery of any installment shall not relieve Buyer of its obligation to accept remaining deliveries.

PRICES: Prices quoted are computed from the current factory price list & are subject to change. Prices quoted are good for thirty (30) days from the date of quotation unless otherwise noted.

PURCHASE MONEY SECURITY INTEREST: To secure full payment & performance of Buyer's obligations to Seller. Buyer hereby grants to Seller, as secured party a purchase money security interest in all the merchandise sold herein & in any proceeds, thereof & any present & future attachments or addition thereto. Buyer (Debtor) agrees that this contract shall act as a security agreement providing Seller a security interest in the goods sold (equipment & office furniture).
