Fall Academic All-State was to be submitted by December 11th.

Academic All-State includes contributing athletes with a GPA of 3.7 or higher and contributor to the team. Students include Softball: Sydnie Allen and Carissa Hill, Cross Country: Madison Brown, Brooklyn Christensen, Landis Beverly, and Kalen Wallin, Volleyball: Adelaide Maxwell and Madison Schuller, Football: Trevor Peterson and Scott Wheeler, Play Production: Jordan Jablonski and Tegan Towns.

The Chase County wrestling Invitational is this weekend with 16 teams. We are up 4 teams from last year. We will be using track wrestling and Chuck Lambert the Superintendent at Bridgeport was going to help run the computers and clocks. He had a Great Uncle in the family pass away and will be unable to attend. We have lined up someone else to come help with the meet. It will more than likely be an individual from Southern Valley. We will be hosting Gordon-Rushville for a Dual on Friday night.

I will be attending the NSAA district 5 Meeting in Holdrege tomorrow January 9th. We will be discussing and voting on the upcoming District Proposals.

I will release the SPVA tournament seeding tomorrow and brackets on Thursday for the tournament. The Boys will play on Monday and Thursday night with Finals on Saturday. The Girls will play on Tuesday and Friday night with finals on Saturday. The Boys should have the number one seed if they win tonight and the Girls we will have to wait and see but could move to the 4th spot and host on Tuesday. Perkins County is the only team that does not play tonight so there could be some shifting around depending on the outcome of tonights games.

If you have any questions about my report, please email me at thauxwell@chasecountyschools.org

7-12 Principal Report: January 2019

Welcome back, and Happy New Year! Teachers report back to school on January 7th with students reporting on January 8th.

Exciting things from December included success on student MAP Growth tests. On the last day of school we recognized students in grades 7-12 for high growth in at least one areas. Students who earned recognition had their name called at the assembly and received a certificate indicating the content areas in which they met growth goals. In addition, the last day of school included the science fair, trench ball for 9-12, and bingo for 5-8.

Our K-12 staff has begun the process of planning out our vision and mission through the establishment of a graduate profile. A group of teachers and a couple board members met on December 17th to do some preliminary planning. An update was shared with all teachers on December 21st and the full staff will participate in a similar planning experience on January 7th.

Mr. Hauxwell, Mrs. Odens, Mr. Klooz and myself participated in valuable professional development in December that will be impactful on our future hiring process and helped to build communication skills amongst our team.

A major focus right now is creating a schedule for the 2019-2020 school year. We will be evaluating student numbers, course offerings, prerequisites, academic needs, and personnel. The primary goal will be to build a schedule that best serves students as we work to prepare them for success during and after school.

Chase County Schools 7-12 Principal

Mrs. Odens' February, 2018 School Board Report

We had reported at last month's meeting about the various activities that were happening on the last day of school before Christmas break. The Middle School students enjoyed some time playing bingo with the help of some volunteers with the Lions Club. At the end of the day, the Lions Club generously donated the cards to the school for future use. The students earned various prizes when they won a game of bingo.

We met with our School Improvement team as well as a couple board members on December 17 at the public library. We went through the process of creating a portrait of a graduate as well as discussion of a vision and mission statement. The staff will be going through the same process during the In-Service Day on January 7th.

The Administrative Team went through the Level 1 Training with Crown Global. The process we are beginning to learn will benefit our school and students as we hire new staff members. We have been busy completing our "homework" for the training.

The Administrative Team has also been meeting and discussing scheduling and classes for the 2019-2020 school year.

The PBIS team is planning to start the PBIS program on Monday, January 14th. The students will be taught the expectations for the various areas of the school. The students will earn a ticket when a staff member acknowledges their good behavior. The tickets will then be put into a weekly drawing by grade level. The weekly drawing winners will then be entered into a monthly drawing.

The fifth and sixth graders will be attending the UNL Food and Nutrition Day at the fairgrounds on January 31st. . The students will learn about nutrition, given lunch, and will be sent home with some groceries and recipes at the end of the day.

20 TIPS FOR A POSITIVE NEW YEAR

2019

1 STAY POSITIVE

You can listen to the cynics and doubters and believe that success is impossible or you can trust that with faith and an optimistic attitude all things are possible.

2 TAKE A DAILY "THANK YOU WALK"

You can't be stressed and thankful at the same time. Feel blessed and you won't be stressed.

3 EAT HEALTHIER FOODS

that grow on trees and plants and less foods manufactured in plants.

4 TALK TO YOURSELF

instead of listen to yourself. Instead of listening to your complaints, fears and doubts, talk to yourself with words of truth and encouragement.

5 NO ENERGY VAMPIRES ALLOWED

Post a sign that says "No Energy Vampires Allowed." Gandhi said, "I will not let anyone walk through my mind with their dirty feet."

6 BE A POSITIVE TEAM MEMBER

Being positive doesn't just make you better, it makes everyone around you better.

7 DON'T CHASE SUCCESS

Decide to make a difference and success will find you.

8 GET MORE SLEEP

You can't replace sleep with a double latte.

9 DON'T WASTE YOUR ENERGY

Don't waste your precious energy on gossip, energy vampires, issues of the past, negative thoughts or things you cannot control.

10 LOVE, SERVE AND CARE

You don't have to be great to serve but you have to serve to be great. Look for opportunities to Love, Serve and Care.

11 REMEMBER YOUR WHY

Live your purpose. Remember why you do what you do. We don't get burned out because of what we do. We get burned out because we forget why we do it.

12 LOVE THE PROCESS

Remember there's no such thing as an overnight success. Love the process and you'll love what the process produces.

13 HAVE TRUST

Trust that everything happens for a reason and expect good things to come out of challenging experiences.

14 NO COMPLAINING RULE

Implement the No Complaining Rule. If you're complaining you're not leading.

15 READ MORE

Read more books than you did in 2018. I happen to know of a few good ones. :)

16 DON'T SEEK HAPPINESS

Instead live with love, passion and purpose and happiness will find you.

17 FOCUS ON "GET TO"

Focus on "Get to" vs "Have to." Each day focus on what you get to do, not what you have to do. Life is a gift not an obligation.

18 GET BACK UP

The next time you "fail" remember that it's not meant to define you. It's meant to refine you.

19 SMILE & LAUGH MORE

They are natural anti-depressants.

20 ENJOY THE RIDE

You only have one ride through life so make the most of it!
