Definition of Grievance. A grievance is an allegation by an employee or group of employees that there has been a violation of a provision of the negotiated agreement or a policy of the board of education.

Procedural Steps. The procedure for handling grievances is as set forth below.

Step 1 - Oral Notice to Principal. The grievant shall initiate the grievance by presenting it to his or her principal or immediate supervisor within seven (7) days from the date that the grievant knew or should have known of the incident giving rise to the grievance.

Step 2 - Written Grievance to the Principal. If the grievance is not resolved to the satisfaction of the grievant within five (5) days of the meeting with the principal, the grievant representative may present the grievance in writing to the principal.

The principal shall schedule a meeting within three (3) days of receipt of the written grievance to discuss the elements of the grievance. The principal shall submit his or her determination in writing to the grievant within five (5) days of the meeting.

Step 3 - Written Appeal to the Superintendent of Schools. If the determination of the principal is not satisfactory to the grievant, the grievant may appeal it to the superintendent of schools or his or her designated representative. Said appeal shall be presented, in writing, to the office of the superintendent of schools within five (5) days of receipt of the principal's determination.

The superintendent of schools or a designee shall hold a formal meeting within seven (7) days of receiving the written appeal. The superintendent of schools or a designated representative shall make a written determination regarding the grievance within five (5) days of the date of the meeting.

Step 4 - Appeal to the Board of Education. If the determination of the superintendent of schools is not satisfactory to the grievant, the grievant may appeal it to the board within five (5) days of receipt of the superintendent's decision. The board

shall hear the grievance within thirty (30) days in open or closed session in accordance with the law. The board shall notify the grievant of its decision within five (5) days of hearing the grievance.

Written Presentation. All grievances presented at Step 2 and subsequent steps of the procedure shall set forth in writing all facts giving rise to the grievance, the provision(s) of the Agreement or policy alleged to have been violated, the names of the grievant(s), the names of all witnesses, and the remedy sought by the grievant. All grievances at Step 2 and appeals at Step 3 and Step 4 shall be signed and dated by the aggrieved employee. All written answers submitted by the district shall be signed and dated by the appropriate district representative.

Grievance Meetings or Hearings. All meetings and hearings conducted under this procedure up to and including Step 3 shall be conducted in private and shall include only the administration's representatives, the grievant, the grievant's representatives, and witnesses as necessary.

Association Representation. A grievant shall have the right to have an Association representative present to represent the grievant at each level of the grievance procedure.

Reprisals. No reprisals of any kind shall be taken against any employee who uses this grievance procedure in good faith.

Withdrawal of a Grievance. A grievant may withdraw his or her grievance at any level of the procedure without fear of reprisal from any party.

Advanced Step Filing. A grievance shall be filed initially at the level at which the decision resulting in the grievance was made.

Time Limitations. Time limitations herein are critical. All references to days are to calendar days. No grievance shall be accepted by the district unless it is submitted or appealed within the time limits set forth in this Agreement. If at any time during the grievance process, it is discovered that the grievance was not filed or appealed in a timely manner, the grievance shall be dismissed. If the grievance is not submitted in a timely manner at Step 1 or Step 2, it shall be deemed to be waived. If the grievance is not appealed to Step 3 in a timely manner, it shall be deemed to have been settled in accordance with the

district's Step 2 determination. If the district fails to answer within the time limits set forth in this Agreement, the grievance shall automatically proceed to the next step.

When the deadline for taking an action falls on a Saturday, a Sunday or a legal holiday, the time for taking the action shall be extended to the next working day.

Requirement to Grieve. *This grievance procedure is not discretionary and cannot be waived except through the express written consent of the board. No administrator or board member, individually, has the authority to waive the requirements of this procedure. Any grievance covered by this procedure but not raised pursuant to the requirements herein, including any grievance abandoned, will be forfeited.*

Bad Faith or Serial Filings. *The purpose of the grievance procedure is to resolve complaints and grievances regarding covered matters at the lowest level possible within the chain of command. Grievances filed without any intention to attempt to resolve the issues raised; for the purpose of adding administrative burden; or for purposes inconsistent with the professional obligations of district staff members may be dismissed by the superintendent without providing final resolution other than noting the dismissal on a basis in this section.*

 - c) Any or all bids may be rejected if there is a sound documented reason.
5. The board shall have discretion in determining which bidders are responsible and responsive and shall award the contract to the lowest, responsible, and responsive bidder whose bid meets the bid specifications. This means that the board will select the bid that offers the best value and award a contract based upon the amount of the bid and the bidder's ability and capacity to carry on the work, its equipment and facilities, honesty, integrity, skills, business judgment, experience, equipment, facilities, financial stability, past performance, and other relevant factors.
6. The board will generally complete its review of bids and

select a vendor within 30 days of bid submission.

3. Bids received after the date and time specified in the bid documents shall be returned to the bidder unopened.
4. If bids are being opened on more than one contract, the board, in its discretion, may award each contract as the bids are opened.
5. Sealed bids will be opened in a place and at the specific time stated in the bid solicitation. Bidders shall be notified of the opening and invited to be present.
6. Bids will be reviewed by the Superintendent and/or designee and submitted to the board for approval.
7. The board shall have discretion in determining which bidders are responsible and responsive and shall award the contract to the lowest, responsible, and responsive bidder whose bid meets the bid specifications. This means that the board will select the bid that offers the best value and award a contract based upon the amount of the bid and the bidder's ability and capacity to carry on the work, its equipment and facilities, honesty, integrity, skills,

business judgment, experience, equipment, facilities, financial stability, past performance, and other relevant factors.

8. The board will generally complete its review of bids and select a vendor within 30 days of bid submission.

Purchases made with federal funds, whether those funds are derived directly from the federal government (e.g. award of a federal grant) or are derived by pass-through awards from the Nebraska Department of Education (e.g. special education funds, school lunch funds, Title I funds) are subject to the policy on Purchasing and Procurement with Federal Funds, which is found elsewhere in this section.

This policy applies to all other purchases made by the school district other than construction, remodeling, repair and site improvements.

II. General Purchasing Policy

- A. The school district's budget shall be the guide for all purchases. No employee of the district may make a purchase that is not provided for in the budget without board or administrative approval.

- C. The acquisition of services, equipment and supplies shall be centralized in the administration office under the supervision of the superintendent of schools, who shall be responsible for developing and administering the purchasing program of the school district.
- D. Purchases or commitments of district funds that are not authorized by this policy will be the responsibility of the person making the commitment.

III. Building-Specific Purchasing

- A. School buildings are operationally under the control of building principals. Principals have control and responsibility for the building and grounds, for all supplies and equipment housed at the building, for all school-related activities in the building, and for all pupils, teachers, and other employees assigned to the building.
- B. Principals, in consultation with their staff, are responsible for requisitioning, managing, distributing, and utilizing supplies within the building.
- C. The superintendent of schools or his designee is responsible for the requisitioning, managing, distributing, and utilizing of supplies for maintenance and transportation.
- D. The administration is responsible for purchasing of goods, services and supplies and for providing the necessary forms for establishing efficient procedures to facilitate the process.

V. Relations with Vendors

- A. The board wishes to maintain good working relations with vendors who supply materials, supplies and services to the school system. The school shall not extend favoritism to any vendors. Each order shall be placed on the basis of quality, price and delivery, with past services being a factor if all other considerations are equal. The administrative team may, in its discretion, use a Nebraska a state-wide cooperative purchasing program in lieu of obtaining quotes or bids under this policy to the extent such a bid or quote is not otherwise independently required by law.

- C. No employee shall endorse any product of any type or kind in such a manner as will identify him/her in any way as an employee of the school district.

In the event this policy conflicts or is otherwise inconsistent with mandatory provisions of the UGG, EDGAR or other applicable federal law, the mandatory provisions of the laws shall control.

All other non-construction purchases will be governed by the Board's general purchasing policy, which can be found earlier in this subsection. In the event of a conflict between state and federal law, the more stringent requirement shall apply.

This procurement policy shall govern all purchasing activities that relate to any aspect of the National School Lunch and Breakfast Programs. The district's goal is to fully implement all required procurement rules, regulations and policies set forth in 2 CFR 200, 7 CFR parts 210, 3016 and 3019, and by the Nebraska Department of Education.

II. Procurement System

The District maintains the following purchasing procedures.

A. Responsibility for Purchasing

The authority to make purchases shall be governed by the District's purchasing policy, which can be found elsewhere in this section. Except as otherwise provided in the District's purchasing policy, the acquisition of services, equipment, and supplies shall be centralized in the administration office under the supervision of the superintendent of schools, who shall be responsible for developing and administering the purchasing program of the school district. Purchases or commitments of district funds that are not authorized by this policy will be the responsibility of the person making the commitment.

B. Methods of Purchasing

The type of purchase procedures required depends on the cost of the item(s) being purchased.

1. Purchases up to ~~\$3500~~ \$10,000 (Micro-Purchases)

Micro-purchase means a purchase of supplies or services using simplified acquisition procedures, the annual aggregate amount of which does not exceed \$10,000. Micro-purchases may be made or awarded without soliciting competitive quotations, to the extent district staff determine that the cost of the purchase is reasonable. For purposes of this policy "reasonable" means the purchase is comparable to market prices for the geographic area.

To the extent practicable, the District distributes micro-purchases equitably among qualified suppliers. The District will follow its standard policy on purchasing, which can be found earlier in this subsection.

2. Purchases between ~~\$3500~~ \$10,000 and \$250,000 (Small Purchase Procedures)

b) Contract/Price Analysis

4. Noncompetitive Proposals (Sole Sourcing)

- a) Procurement by noncompetitive proposals is procurement through solicitation of a proposal from only one source and may be used only when one or more of the following circumstances apply:
 - 1) The item is available only from a single source;
 - 2) The public exigency or emergency for the requirement will not permit a delay resulting from competitive solicitation;
 - 3) The federal awarding agency or pass-through entity expressly authorizes noncompetitive proposals in response to a written request from the District; or
 - 4) After solicitation of a number of sources, competition is determined inadequate.
- b) Noncompetitive proposals may only be solicited with the approval of the superintendent or the board. Sufficient and appropriate documentation that justifies the sole sourcing decision must be maintained by the superintendent or designee.
- c) A cost or price analysis will be performed for noncompetitive proposals when the price exceeds \$250,000.

C. Use of Purchase (Debit & Credit) Cards

District use of purchase cards is subject to the policy on purchase cards which can be found elsewhere in this subsection.

D. Federal Procurement System Standards

The district's procurement transactions will be conducted in a manner providing full and open competition consistent with 2 C.F.R §200.319.

The District will maintain and follow general procurement standards consistent with 2 C.F.R. §200.318.

E. Debarment and Suspension

The District awards contracts only to responsible contractors possessing the ability to perform successfully under the terms and conditions of a proposed procurement. Consideration will be given to such matters as contractor integrity, compliance with public policy, record of past performance, and financial and technical resources.

The District may not subcontract with or award subgrants to any person or company who is debarred or suspended. For all contracts over \$25,000 the District verifies that the vendor with whom the District intends to do business with is not excluded or disqualified. 2 C.F.R. Part 200, Appendix II(1) and 2 C.F.R. §§ 180.220 and 180.300.

The District will verify debarment or suspension by revising the excluded parties list on SAM.gov, collecting a certification through the bidding process, and/or by including a debarment and suspension provision in the bid and contract documents. The Superintendent or his/her designee shall be responsible for such verification.

F. Settlements of Issues Arising Out of Procurements

The District alone is responsible, in accordance with good administrative practice and sound business judgment, for the settlement of all contractual and administrative issues arising out of procurements. These issues include, but are not limited to, source evaluation, protests, disputes, and claims. These standards do not relieve the District of any contractual responsibilities under its contracts. Violations of law will be referred to the local, state, or federal authority having proper jurisdiction.

III. Conflict of Interest and Code of Conduct

A. Board and staff member conflicts of interest are governed by the district's conflict of interest policies.

B. Purchases covered by this policy are subject to the following additional provisions.

- 1.** Employees, officers, and agents engaged in the selection, award, and/or administration of district contracts which are prohibited from engaging in such actions if a real or apparent conflict of interest is present.

2. Such a conflict of interest would arise when the employee, officer, or agent, any member of his or her immediate family, his or her partner, or an organization which employs or is about to employ any of the parties indicated herein, has a financial or other interest in or a tangible personal benefit from a firm considered for a contract.
3. The board may determine at its discretion that a financial interest is not substantial enough to give rise to a conflict of interest.

C. Favors and Gifts

The officers, employees, and agents of the District may neither solicit nor accept gratuities, favors, or anything of monetary value from contractors or parties to subcontracts, with the limited exception of unsolicited items of nominal value.

D. Enforcement
