CMS Kindness Club Spreads Appreciation

The CMS Kindness Club helped celebrate Teacher Appreciation Week by putting together a basket filled with positive messages for teachers. The thoughtful gesture helped brighten staff members' mornings and showed appreciation for all they do for students each day.

CMS Hosts Special Olympics Minnesota Unified Track and Field Invitational

On Tuesday, May 19, Cloquet Middle School hosted the Special Olympics Minnesota Unified Track and Field Invitational. Participating schools included Cloquet High School, Cloquet Middle School, Washington Elementary School, Proctor High School, Duluth East High School, Esko High School, Rock Ridge High School, and Hermantown High School.

Special education students partnered with general education students to compete together in four events: 2x50 relay, 2x100 relay, long jump, and shot put/discus (Frisbee). The CMS Middle School Band performed at 9:00 a.m., opening ceremonies were held at 9:30 a.m., and competition events ran from 9:45 a.m. to 12:00 p.m.

Several classrooms came outside to cheer on CMS students and visiting athletes, helping create an exciting and supportive atmosphere for all participants.

CMS Band Concerts Showcase Student Talent and Creativity

On May 11, the CMS Bands held two outstanding concerts filled with energy, creativity, and impressive performances by students across all grade levels.

The evening began with the 6th Grade Band's first-ever concert at 5:30 p.m. The performance featured instrument family introductions, student speakers, and surprise "guest conductors," including an inflatable advertising tube man that brought plenty of laughs from the audience. Mr. Hanson made a memorable entrance riding in on a dragon before the final piece, *Dragon Slayer*. Students proudly showcased the tremendous growth they made throughout the year and delivered an excellent debut performance.

The second concert began at 7:00 p.m. and featured the 7th and 8th Grade Bands.

The 7th Grade Band opened with music from *The Avengers*, followed by a traditional march and the powerful piece *Eagle Song*. Inspired by music shared by a Squamish Nation artist and performer, the piece introduced students and audience members to music influenced by one of North America's First Nations peoples. The group concluded its performance with an energetic rendition of Ozzy Osbourne's *Crazy Train*.

The 8th Grade Band opened with a John Williams medley featuring themes from *Star Wars*, *Jurassic Park*, and *E.T.* Additional selections included *Africa* by Toto, *Swan Lake* by Pyotr Ilyich Tchaikovsky, the theme from *Mission: Impossible*, *Bohemian Rhapsody*, *The Batman Theme* by Danny Elfman, and *Still Fly*, a student-selected piece that was also performed at Unified events and the Wilderness hockey game.

Students who participated in the University of Minnesota Duluth Junior High Honor Band were also recognized during the concert program. The concerts highlighted a successful year of music and student achievement, with great excitement for the future of Cloquet Bands.

Cloquet Area Alternative Education Programs:

We are excited for graduation on Thursday May 21 at Fond du Lac Tribal and Community College. But the weeks have been busy leading up to this big day!

EDHS, our credit recovery program, had its last night of class on Tuesday night,. There were lots of students present, working hard to make up that last class and last credit before the end of the school year.

Last week, we went on an all-school field trip, first to the Vista for a cruise on Lake Superior, and then to the aquarium. Good times were had by all and we were especially lucky to have such a beautiful day!

On Wednesday, May 20, twelve students jumped in a school van at 8:00 in the morning and headed to Valleyfair for Physics Day with Mr. Syck, Mr. Bursch, and Madi, our school counselor. Valleyfair publishes a very detailed curriculum around the physics of roller coasters, Mr. Syck met with these students all day on Saturday for the classroom portion of their independent study course. Today they spent the whole day at the park. The roller coasters aren't just for kicks; they're the ticket to an exhilarating lesson in the laws of physics. Valleyfair has teamed up with top-notch educators and consultants at G04ST8 Physics to create activities and downloadable packets that not only serve as a resource guide but can also be tweaked to fit our unique requirements. Learning has never been this exciting!

The Drumming Class gave their final performance on Tuesday. Mr. Dold teaches the drumming class just twice a year, and invites staff and parents to bi-weekly performances throughout the quarter. They were awesome and will be performing a special song at graduation this year.

The Leadership class is gearing up for the big trip to Cumberland Island from June 10-20! Students have practiced setting up tents, have new boots being broken in for safe hiking, have fitted their backpacks to each individual, and are packing their meals for the week. Just one student has been on a plane before, so while there is nervousness, it's easier to be nervous together and to get through it as a group. They have done an awesome job

bonding and sharing throughout the year. We have a quarterly “CAAEP-ability” (all-school) meeting at the library and the Leadership students hosted and facilitated the last one last week. We have some announcements and then do a team building activity with the whole school. Students loved having that part student-led, and requested more of that in the future.

Finally, we finish the year with symposium after the seniors graduate on Thursday. On Friday, we will make breakfast together, and then head to the zoo. On Tuesday we will go to UW Superior for their climbing wall, teambuilding activities and open gym. The last two and a half days, students will help us pack up the last of our classrooms for our move to CHS, interspersed with some outdoor time, games, prizes, karaoke, and quality time between teachers and students.

So long Garfield! It holds many memories for our students and staff, but we will move forward positively and are also excited for the care and concern being put into at CHS to make our new space the best it can be. CHS admin have graciously reached out to our staff who will be returning next year and invited them to CHS’s annual end of year celebration so they can be introduced to other staff and welcomed to the group. I think CHS will feel lucky to have our great people, and our staff will be happy to be included with such a great group. Change is hard, but they will all do well, I am sure.

Community Education

Community Education is excited to announce a new partnership with DASH Sports to provide additional youth programming opportunities for our students and families.

In May, Community Education and DASH Sports offered a Saturday Track and Field Camp for two age groups: elementary students and preschool-aged children through the “Tykes” program. Due to the strong participation and positive response from families, the program was a great success.

Building on that momentum, a Flag Football Camp will be offered in June for both elementary students and preschoolers. Interest in these opportunities has been very high, demonstrating a strong community desire for additional youth recreation and enrichment programming.

We are pleased with the success of this new partnership and will continue exploring additional opportunities with DASH Sports in the future.

American Indian Education Department:

Greetings School Board Members,

We had a wonderful turnout at our Senior Honor Banquet. Miigwech to everyone who attended and helped make the evening so memorable. This year we gifted our American Indian seniors Ojibwe floral stoles to wear at graduation. The students will also be formally recognized during commencement. This marks a historic milestone for our educational program. Statewide graduation rates for American Indian students remain below 68%, while our program has achieved a graduation rate of over 90%. Our district land acknowledgment will also be read during commencement. We hope this brings a greater sense of belonging, recognition, and connection for our graduates and all those in attendance, while also contributing to ongoing efforts toward healing and repair.

The Minnesota Department of Indian Education State Aid Application and budget for the 2026–2027 school year is due June 1. AIE staff and AIPAC parent committee members have been meeting regularly to discuss and develop SMART goals centered around the five key areas. The program plan is being created collaboratively and in full consultation with AIPAC. Committee members have been given opportunities to provide input, review data, and actively participate in the planning process.

I will be attending the Minnesota Department of Education Native Language Grant (NLG) Grantee Networking & Development Day on June 16 in Minneapolis after successfully writing and securing our Native Language Grant award. The event brings together grant awardees, educators, language speakers, and community partners to collaborate on Native language revitalization efforts across Minnesota. The day will include networking, sharing successes and challenges, discussions on grant requirements and compliance, and opportunities for peer learning and collaboration.

As the school year winds down we take part in many celebrations across our programs. At Washington, students participate in school-wide cultural lessons focused on powwow traditions, dance, regalia, and drumming. CMS American Indian Education recognizes students through special awards and celebrations. At Churchill, fourth-

grade students moving on to middle school are honored with a drum ceremony and gifting. Throughout this time, we also make it a priority to check in with one another and with our students before summer break to help maintain connection and support over the summer.

Lease Purchase Agreement

This Lease Purchase Agreement dated as of July 1 2026 (this “Agreement”) is entered into by and between Apple Inc. (“Lessor”) and Independent School District No. 94 (“Lessee”).

1. Agreement; Schedules. Subject to the terms of this Agreement, Lessee agrees to Lease, purchase and acquire from Lessor certain Equipment and/or software (the “Equipment”) as may be described in any Lease Schedule in the form of Exhibit A (each, a “Schedule”) which may be executed by the parties from time to time. Nothing in this Agreement shall be construed to impose any obligation upon, or otherwise commit, Lessor to enter into any proposed Schedule, it being understood that whether Lessor enters into any proposed Schedule shall be a decision solely within Lessor’s discretion. Lessee understands that Lessor requires certain documentation and information necessary to enter into any Schedule, and Lessee agrees to provide Lessor with any documentation or information Lessor may request in connection with Lessor’s review of any proposed Schedule. Such documentation may include but shall not be limited to: (a) a description of the proposed Equipment, including the cost and its contemplated use and location, (b) information related to the vendor(s) manufacturing, licensing (subject to the terms of the Vendor’s applicable end user license agreement(s)), delivering, installing or maintaining the proposed Equipment for Lessee (the “Vendor”), (c) documentation or information concerning the financial condition of Lessee, and (d) other information related to the Schedule and Lessee. The terms and conditions of this Agreement (including all exhibits and any amendments hereto), are incorporated by reference into each Schedule and each Schedule, once executed by Lessor and Lessee, shall constitute a separate and independent Lease and installment purchase of the Equipment identified therein, hereinafter referred to as a “Lease.”

2. Invoice Payment or Reimbursement. With respect to any Lease, and subject to the provisions of Section 3 if applicable, Lessor shall have no obligation whatsoever to make any payment to a Vendor or reimburse Lessee for any payment made to a Vendor for the Equipment that is the subject of such Lease until three (3) business days after Lessor’s receipt of the following in form and substance satisfactory to Lessor in its sole discretion: (a) a Schedule executed by a duly authorized representative of Lessee; (b) a fully executed partial or final acceptance certificate as applicable (“Acceptance Certificate”); (c) a resolution or evidence of other official action taken by Lessee’s governing body authorizing Lessee to enter into the related Lease and any applicable Escrow Agreement, the acquisition of the Equipment subject thereto, and confirming that Lessee’s actions were in accordance with all applicable state, local and federal laws, including laws regarding open meetings and public bidding; (d) evidence of insurance with respect to the Equipment in accordance with the provisions of Section 15 of this Agreement; (e) a Vendor invoice for the Equipment and, if such invoice has been paid by Lessee, evidence of payment thereof and, if applicable, evidence of official intent to reimburse such payment as required by the Treasury Regulations; (f) a completed and executed Form 8038-G or 8038-GC; (g) an Incumbency Certificate; (h) a Bank Qualification Designation; (i) Lease Payment Instructions; (j) Insurance Coverage Requirements; (k) an opinion of Lessee’s counsel; and (l) such other documents, items, or information reasonably required by Lessor. Lessor shall provide each such document to Lessee in a form and substance satisfactory to Lessor.

3. Escrow Agreement. Upon agreement by both Lessee and Lessor as to any Lease, the parties shall enter into an escrow agreement (an “Escrow Agreement”) with an escrow agent selected by Lessee, such selection subject to Lessor’s approval, establishing an account from which the cost of the Equipment subject to such Lease is to be paid (the “Escrow Account”). Upon execution and delivery of an Escrow Agreement by the parties thereto and satisfaction of any conditions precedent set forth in Section 2 of this Agreement or in such Escrow Agreement, Lessor shall deposit or cause to be deposited into the Escrow Account under the related Escrow Agreement funds for the payment of the costs of acquiring the Equipment under such Lease. Lessee acknowledges and agrees that no disbursements shall be made from an Escrow Account except for portions of the Equipment that are operationally complete and functionally independent and that may be fully utilized by Lessee without regard to whether the balance of the Equipment is delivered and accepted.

4. Delivery and Acceptance of Equipment. Lessee shall order the Equipment, cause the Equipment to be delivered and installed at the location specified in each Lease, and pay any and all delivery and installation costs and applicable sales and other taxes in connection therewith. When the Equipment identified in any Lease has been delivered and installed, Lessee shall immediately inspect the Equipment and evidence its acceptance by executing and delivering to Lessor the Acceptance Certificate. If Lessee cancels or

terminates a Lease prior to delivery of the Equipment or if Lessee fails or refuses to sign the Acceptance Certificate within a reasonable time, not to exceed five (5) business days, after the Equipment has been delivered, Lessor will have the option of treating the Lease as cancelled by Lessee and Lessee will automatically assume all of Lessor's rights and obligations as purchaser of the Equipment, whether under any agreements with the Vendor or otherwise.

5. Lease Payments. Lessee agrees to pay "Lease Payments" to Lessor in accordance with the payment Schedule set forth in each Lease, exclusively from legally available funds, consisting of principal and interest components in the amounts and on such dates as provided in each Lease. Lessee shall pay Lessor a charge on any Lease Payment not paid on the date such payment is due at the rate of 12% per annum or the highest lawful rate, whichever is less, from such due date until paid. The "Commencement Date" for each Lease is the date when interest commences to accrue under such Lease, which date shall be the earlier of (a) the date Lessee partially or fully accepts the Equipment pursuant to Section 4, or (b) the date of Lessor's deposit into an Escrow Account of sufficient monies to purchase the Equipment. Lessor will advise Lessee as to the address to which Lease Payments shall be sent. The Lease Payment is due whether or not Lessee receives an invoice. Restrictive endorsements on checks sent by Lessee will not reduce Lessee's obligations to Lessor. Unless a proper exemption certificate is provided, applicable sales and use taxes may be paid by Lessee from funds advanced to Lessee by Lessor for such purpose in connection with the execution and delivery of the related Lease or may be paid by Lessee pursuant to Section 4 hereof. Lessor and Lessee understand and intend that the obligation of Lessee to pay Lease Payments under each Lease shall constitute a current expense of Lessee and shall not in any way be construed to be a debt of Lessee in contravention of any applicable constitutional or statutory limitation or requirement concerning the creation of indebtedness or debt by Lessee, nor shall anything contained in this Agreement or in any Lease constitute a pledge of the general tax revenues, funds or monies of Lessee.

6. Non-Appropriation of Funds. Lessee is obligated to pay Lease Payments under each Lease for each fiscal period as may lawfully be made from funds budgeted and appropriated for that purpose for such fiscal period. Lessee currently intends to remit and reasonably believes that funds in an amount sufficient to remit all Lease Payments and other payments under each Lease can and will lawfully be appropriated and made available to permit Lessee's continued utilization of the Equipment under such Lease and the performance of its essential function during the scheduled "Lease Term" as reflected in each Lease. Lessee currently intends to do all things lawfully within its power to obtain and maintain funds from which the Lease Payments under each Lease may be made, including making provision for such payments to the extent necessary in each budget or appropriation request adopted in accordance with applicable provisions of law. Notwithstanding the foregoing, Lessor acknowledges that the decision whether or not to budget and appropriate funds or to extend the term of a Lease for any period beyond the original or any additional fiscal period is within the discretion of the governing body of Lessee. In the event that Lessee's governing body fails or is unwilling to budget, appropriate or otherwise make available funds for the payment of Lease Payments and other payments, if any, under a Lease following the then current fiscal period (an "Event of Non-appropriation"), Lessee shall have the right to terminate such Lease on the last day of the fiscal period for which sufficient appropriations were made without penalty or expense, except as to the portion of any Lease Payment for which funds shall have been appropriated and budgeted, in which event Lessee shall return the Equipment subject to such Lease in accordance with Section 19 of this Agreement. Lessee agrees to deliver notice to Lessor of such Event of Non-appropriation with respect to a Lease and termination at least thirty (30) days prior to the end of the then current fiscal period, but failure to give such notice shall not extend the term of the affected Lease beyond such then current fiscal period.

7. Unconditional Obligation. Upon the commencement date of a Lease pursuant to Section 5 of this Agreement, and except as provided in Section 6, "Non-Appropriation of Funds," the obligations of Lessee to make Lease payments and to perform and observe the other covenants and agreements contained in each Lease shall be absolute and unconditional in all events without abatement, diminution, deduction, set-off or defense, for any reason including, without limitation, any failure of the Equipment to be delivered or installed, any disputes with Lessor or any vendor of any Equipment, defects, malfunctions or breakdowns in the Equipment, any accident, condemnation, damage, destruction, or unforeseen circumstance, or any temporary or permanent loss of its use.

8. Disclaimer of Warranties. The sole warranty for the Equipment is the applicable product warranty (defined below). Lessor makes no representations or warranties, express or implied, whatsoever, including without limitation, as to the Equipment's merchantability, fitness for a particular purpose, suitability, design, condition, durability, operation, quality of materials or workmanship, non-

infringement, or compliance with specifications or applicable law, or that the operation or use of the Equipment will be uninterrupted, secure or free of errors, defects, viruses, malfunctions, and Lessee, as of the date of Lessee's acceptance as set forth in Section 4, accepts such Equipment as is and with all faults. Lessee acknowledges that Lessee has selected the Equipment based upon Lessee's own judgment. Lessee acknowledges that the Equipment was manufactured and/or assembled, or in the case of software was developed and licensed, by the applicable vendor and that any warranty rights with respect to such Equipment shall be provided by the applicable vendor (the "Product Warranty"). Lessee agrees to settle any dispute it may have regarding performance of the Equipment directly with the applicable vendor and not to make any claim against the Lease payments due Lessor or any Assignee (as hereinafter defined). Lessee agrees to continue to pay Lessor, or such Assignee (as applicable), all Lease payments and other payments without abatement or set off for any dispute with a vendor regarding the Equipment. Nothing in this Agreement or in any Lease shall relieve Apple Inc. of its obligations under the product warranty offered by Apple Inc. for applicable Apple-branded Equipment. Lessee acknowledges and agrees that the product warranty is a separate agreement between Lessee and the applicable vendor and that such product warranty is not a part of this Agreement or any Lease.

9. Title and security interest. Unless otherwise required by the laws of the state where Lessee is located, during each Lease term, title to the Equipment shall be vested in Lessee, subject to the rights of Lessor under such Lease. In the event Lessor terminates a Lease pursuant to Section 17 of this Agreement or an Event of Non-Appropriation occurs under a Lease, title to the related Equipment shall immediately vest in Lessor free and clear of any rights, title or interests of Lessee. Lessee, at its expense, shall protect and defend Lessee's title to the Equipment and Lessor's rights and interests therein and keep the Equipment free and clear from any and all claims, liens, encumbrances, and legal processes of Lessee's creditors and other persons. To secure the payment of all of Lessee's obligations under each Lease, Lessee hereby grants to Lessor a first priority purchase money security interest in the Equipment subject to each such Lease, anything attached or added to the Equipment by Lessee at any time, Lessee's rights under each agreement for the licensing of software to the extent that a security interest therein may be granted without violating the terms of such agreement, and on all proceeds, including proceeds from any insurance claims for loss or damage, from such Equipment. Lessee authorizes Lessor to file a financing statement perfecting Lessor's security interest under the laws of Lessee's state. Lessee agrees to promptly execute such additional documents, in a form satisfactory to Lessor, which Lessor deems necessary or appropriate to establish and maintain its security interest in the Equipment. The Equipment is and will remain personal property and will not be deemed to be affixed to or a part of the real estate on which it may be situated. If applicable, as further security therefor, Lessee hereby grants to Lessor a first priority security interest in the cash and negotiable instruments from time to time comprising each escrow account and all proceeds (cash and non-cash) thereof, and agrees with respect thereto that Lessor shall have all the rights and remedies of a secured party under the applicable Uniform Commercial Code.

10. Use, Maintenance and Repair. Upon installation, no item of Equipment will be moved from the location specified for it in the related Lease (the "Equipment Location") without Lessor's prior consent, which consent will not be unreasonably withheld, except that any items of Equipment that are intended by design to be a mobile piece of technology (i.e., laptop computers) may be moved within the continental U.S. without consent. Lessor shall have the right at all reasonable times during regular business hours, subject to compliance with Lessee's customary security procedures, to enter into and upon the property of Lessee for the purpose of inspecting the Equipment. In order to facilitate the use of the Equipment by students and/or Lessee's employees ("Authorized Users") while on premises other than those belonging to Lessee, Lessee acknowledges and agrees that: (a) Lessee shall use due care to ensure that the Equipment is not (i) used in violation of any applicable law, in a manner contrary to that contemplated by the related Lease, or for private business purposes, or (ii) used by anyone other than authorized users; and (b) Lessee (and not authorized users) shall be solely responsible for (i) maintaining insurance in accordance with the terms of the related Lease, (ii) payment of any applicable sales, property, and other taxes on the Equipment, and (iii) return of the Equipment under a Lease to Lessor upon the occurrence of an Event of Default or Event of Non-Appropriation thereunder. Lessee agrees that it will use the Equipment under each Lease in the manner for which it was intended, as required by all applicable manuals and instructions and as required to keep the Equipment eligible for any manufacturer's certification and/or standard, full service maintenance contract. Lessee agrees that it will, at Lessee's own cost and expense, maintain, preserve, and keep the Equipment under each Lease in good repair, condition, and working order, ordinary wear and tear excepted. All replacement parts and repairs shall be governed by the terms of the related Lease. Lessee will not make any permanent alterations to the Equipment that will result in a decrease in the market value of the Equipment.

11. Liens; Taxes. Lessee will not sell, transfer, assign, pledge, sub-Lease, or part with possession of the Equipment, or file or permit a lien to be filed against the Equipment, except as otherwise expressly provided under this Agreement and the related Lease. The parties to this Agreement intend that the Equipment will be used for governmental or proprietary purposes of Lessee and that the Equipment will be exempt from all property taxes. Lessee shall timely pay all assessments, license and filing fees, taxes (including sales, use, excise, personal property, ad valorem, stamp, documentary, and other taxes) and all other governmental charges, fees, fines, or penalties whatsoever, whether payable by Lessor or Lessee, now or hereafter imposed by any governmental body or agency on or relating to the Equipment or the Lease payments or the use, registration, rental, shipment, transportation, delivery, ownership, or operation of the Equipment and on or relating to this Agreement or any Lease; provided, however, that the foregoing shall not include any federal, state, or local income or franchise taxes of Lessor.

12. Limitation of Liability. Notwithstanding anything to the contrary, Lessor shall not be liable for any direct damages of Lessee resulting from, arising out of, or in connection with this agreement, whether arising in contract, tort, strict liability, or otherwise, regardless of the theory of liability. Further, notwithstanding anything to the contrary, with respect to each Lease, Lessee agrees that (a) Lessor shall have no liability, cost, or expense with respect to transportation, installation, selection, purchase, Lease, ownership, possession, modification, maintenance, condition, operation, use, return, or disposition of the Equipment, and (b) Lessor shall have no responsibility in connection with the selection of the Equipment, the ordering of the Equipment, its suitability for the use intended by Lessee, Lessee's compliance or non-compliance with competitive pricing and/or bidding requirements, the acceptance by the Vendor of the order submitted, if applicable, or any delay or failure by the Vendor or its sales representative to deliver, install, or maintain the Equipment for Lessee's use. In no event shall Lessor be liable for any incidental, indirect, special, consequential, exemplary, or punitive damages in connection with or arising out of any Lease or the existence, furnishing, functioning, or Lessee's use of any item of Equipment provided for in any Lease, whether in contract, tort, strict liability, or otherwise, regardless of the theory of liability and regardless of whether Lessor has been advised of the possibility of such damages. The parties agree that the provisions in this Agreement fairly allocate the risks between the parties without which they would not have entered into this Agreement.

13. Identification. Lessor shall be entitled to insert missing or correct information on the related Lease, including, without limitation, Lessee's official name, serial numbers, and any other information describing the Equipment under such Lease; provided that Lessor forwards copies of such changes to Lessee.

14. Loss or Damage. Lessee shall be responsible for any loss, theft of, and/or damage to the Equipment or any portion thereof from any cause whatsoever, regardless of the extent or lack of insurance coverage, from the time the Equipment is delivered to Lessee pursuant to the related Lease until the end of the Lease term thereunder or until the Equipment is returned to Lessor pursuant to Section 19 of this Agreement. If any item of the Equipment is lost, stolen, or damaged, Lessee shall immediately provide written notice of such loss to Lessor and shall, within fifteen (15) days after such loss, at Lessee's option, either: (a) repair the damaged Equipment so that it is in good condition and working order, eligible for any manufacturer's certification; (b) replace the damaged Equipment at Lessee's sole cost and expense with Equipment having substantially similar manufacturer's specifications and of equal or greater value to the damaged Equipment immediately prior to such Equipment being damaged, such replacement Equipment to be subject to Lessor's approval, whereupon such replacement Equipment shall be substituted in the applicable Lease and the other related documents by appropriate endorsement or amendment; or (c) pursuant to Section 18(b), purchase Lessor's interest in the damaged Equipment on a pro rata basis (notwithstanding the limitation in Section 18(b) only to prepaying in whole) and continue the related Lease for the non-damaged Equipment for the balance of the applicable Lease term. In such event, Lessor will provide Lessee with a revised amortization of Lease Payments for the non-damaged Equipment. Lessor will forward to Lessee any insurance proceeds which Lessor receives for damaged Equipment for Lessee's use in the repair or replacement of the damaged Equipment, unless there has been an Event of Default or an Event of Non-Appropriation by Lessee, in which event Lessor will apply any insurance proceeds received to reduce Lessee's obligations under Section 17 of this Agreement.

15. Insurance. In the event that Lessee is not self-insured (as hereafter provided), Lessee shall, at its expense, keep the Equipment fully insured against loss, fire, theft, damage, or destruction from any cause whatsoever in an amount not less than the greater of (a) the total Lease Payments for the Lease term under the related Lease or (b) the full replacement cost of the Equipment without consideration for depreciation. Upon Lessor's request, Lessee shall also provide such additional insurance against injury, loss, or

damage to persons or property arising out of the use or operation of the Equipment as is customarily maintained by owners of property similar to the Equipment. With Lessor's prior written consent, Lessee may self-insure against such risks. The policy shall state that Lessor shall be notified of any proposed cancellation at least 30 days prior to the date set for cancellation. All such insurance shall be in form, issued by such insurance companies and be in such amounts as shall be satisfactory to Lessor, and shall provide that losses, if any, shall be payable to Lessor as "loss payee," and all such liability insurance shall include Lessor as an "additional insured." Upon Lessor's request, Lessee shall provide Lessor with a certificate or other evidence of insurance acceptable to Lessor evidencing the insurance coverage required under the related Lease. In the event Lessee fails to provide such evidence within 10 days of Lessor's request, or upon Lessor's receipt of a notice of policy cancellation, Lessor may (but shall not be obligated to) obtain insurance covering Lessor's interest in the Equipment at Lessee's sole expense. Lessee will pay all insurance premiums and related charges.

16. Default. Lessee will be in default under a Lease upon the occurrence of any of the following (each, an "Event of Default"): (a) Lessee fails to pay any Lease Payment or other payment due in full under such Lease within 10 calendar days after its due date; (b) Lessee fails to perform or observe any other promise or obligation in this Agreement and/or any Lease and does not correct the default within 30 days after written notice of default by Lessor; (c) any representation, warranty, or statement made by Lessee in this Agreement or any Lease shall prove to have been false or misleading in any material respect when made; (d) Lessee fails to obtain and maintain insurance as required by Section 15, or any insurance carrier cancels any insurance on the Equipment; (e) the Equipment or any portion thereof is misused, used in a manner not authorized by the applicable end user license agreement (if any) accompanying such Equipment, or used in violation of the terms of the related Lease; (f) the Equipment or any part thereof is lost, destroyed, or damaged beyond repair and remains uncured in accordance with Section 14; (g) a petition is filed by or against Lessee under any bankruptcy or insolvency laws; or (h) an Event of Default occurs under any other Lease or prior financing with Lessor or assigns or their respective affiliates, but any such Assignee may only exercise remedies with respect to other Leases for which it is the Assignee.

17. Remedies. Upon the occurrence of an Event of Default under a Lease, Lessor may, in its sole discretion, do any or all of the following (without penalty, liability, or obligation on Lessor's part and without limiting any other rights or remedies available to Lessor): (a) provide written notice to Lessee of the Event of Default; (b) as liquidated damages for loss of a bargain, and not as a penalty, declare due and payable any and all amounts which may then be due and payable under the Lease, plus all Lease Payments remaining through the end of the then current fiscal period; (c) with or without terminating the Lease Term under such Lease, (i) enter the premises where the Equipment is located and retake possession of such Equipment or require Lessee at Lessee's expense to promptly return any or all of such Equipment to the possession of Lessor in accordance with the requirements in Section 19, and (ii) at Lessee's expense, sell or Lease such Equipment or, for the account of Lessee, sublease such Equipment, continuing to hold Lessee liable for the difference between the Lease Payment payable by Lessee pursuant to the terms of such Lease to the end of the current fiscal period and the net proceeds of any such sale, Lease, or sublease. Lessor may require Lessee to remove all proprietary data from the Equipment, holding Lessor and its assigns harmless if Lessee fails to do so. Lessee will not make any claims against Lessor or the Equipment for trespass, damage, or any other reason. The exercise of any of such remedies shall not relieve Lessee of any other liabilities under any other Lease. Without limiting the foregoing, Lessor may take whatever action, either at law or in equity, may appear necessary or desirable to enforce its rights under any Lease, or as a secured party in any or all of the Equipment. No remedy of Lessor is intended to be exclusive and every such remedy, now or hereafter existing, at law or in equity, shall be cumulative and shall be in addition to every other remedy given under a Lease. In the event that Lessor sells or otherwise liquidates the Equipment following an Event of Default or an Event of Non-appropriation as herein provided and realizes net proceeds (after payment of costs) in excess of total Lease Payments under the related Lease that would have been paid during the related scheduled Lease Term plus any other amounts then due under the related Lease or Leases, Lessor shall immediately pay the amount of any such excess to Lessee.

18. Purchase Option. At the option of Lessee, and provided that no Event of Default or Event of Non-appropriation has occurred and/or is continuing under any Lease, Lessor's interest in all, but not less than all, of the Equipment subject to a Lease will be transferred, conveyed, and assigned to Lessee, free and clear of any right or interest of Lessor, and such Lease shall terminate: (a) upon payment in full of all Lease Payments under such Lease and all other amounts then due thereunder or (b) on any Lease Payment due date under such Lease, provided that Lessee shall have delivered written notice at least 30 days prior to such date of Lessee's intention to purchase the Equipment subject to such Lease pursuant to this provision, by paying to Lessor, in addition to the Lease Payment due on such date, an amount equal to the purchase price (the "Purchase Price") shown for such Lease Payment due date in

the payment Schedule included in the applicable Lease. Lessee hereby acknowledges that the Purchase Price under a Lease includes a prepayment premium.

19. Return of Equipment. In the case of an Event of Default under a Lease or an Event of Non-appropriation by Lessee with respect to a Lease in accordance with Section 6, Lessee will, at Lessee's sole cost and expense, immediately return the Equipment (including all copies of any software free of any proprietary data), manuals, and accessories to any location and aboard any carrier Lessor may designate in the continental United States. The Equipment must be properly packed for shipment in accordance with the manufacturer's recommendations or specifications, freight prepaid and insured, and maintained in accordance with the terms of the related Lease. All Equipment must be free of markings. Lessee will pay Lessor for any missing or defective parts or accessories. Lessee will continue to pay Lease Payments until the Equipment is accepted by Lessor, which acceptance shall be deemed to occur fifteen (15) days after delivery unless Lessor rejects the Equipment for good cause within such fifteen (15) day period. Notwithstanding anything in this Section 19 to the contrary, any amounts to be paid by Lessee as provided in this Section 19 shall be payable solely from funds legally available for the purpose.

20. Lessee's Representations and Warranties. Lessee hereby represents, covenants, and warrants for the benefit of Lessor that as of the date hereof and as of the commencement date for each Lease, and throughout each Lease Term: (a) Lessee is a state or political subdivision thereof within the meaning of Section 103 of the Internal Revenue Code of 1986, as amended (the "Code"); (b) Lessee is duly organized and existing under the Constitution and laws of the state in which Lessee is located; (c) Lessee is authorized to enter into and carry out its obligations under this Agreement and each Lease and every other document required to be delivered in connection with this Agreement and a Lease; (d) this Agreement and each Lease have been duly authorized, executed, and delivered by Lessee in accordance with all applicable laws, codes, ordinances, regulations, and policies; (e) any person signing the Agreement and each Lease has the authority to do so, is acting with the full express authorization of Lessee's governing body, and holds the office indicated below his or her signature, which is genuine; (f) the Equipment is essential to the immediate performance of a governmental or proprietary function by Lessee within the scope of Lessee's authority and shall be used during the Lease Term only by Lessee and only to perform such function; (g) Lessee intends to use the Equipment for the entire Lease Term and shall take such action, in accordance with Section 6, to include in its annual budget request, for submission to Lessee's governing body, any funds required to fulfill Lessee's obligations for each succeeding fiscal period during the applicable Lease Term; (h) Lessee has complied fully with all applicable laws, codes, ordinances, regulations, and policies, governing open meetings, competitive pricing and/or public bidding and appropriations required in connection with each Lease, the selection and acquisition of the Equipment and the selection of vendor; (i) all payments due and to become due during Lessee's current fiscal period under a Lease are within the fiscal budget of such fiscal period, and are or will be included within an unrestricted and unencumbered appropriation currently available for the Lease/purchase of the Equipment under the related Lease; (j) Lessee shall not do or cause to be done any act which shall cause, or by omission of any act allow, the interest portion of any Lease Payment to become includible in Lessor's gross income for federal income taxation purposes under the Code; (k) Lessee shall comply with the information reporting requirements of Section 149(e) of the Code with respect to each Lease (such compliance shall include, but not be limited to, the execution of Form 8038-G or 8038-GC information reporting returns as appropriate); (l) all financial information provided by Lessee is true and accurate and fairly represents Lessee's financial condition; (m) Lessee has not for at least its most recent ten fiscal periods failed to appropriate or otherwise make available funds sufficient to pay rental or other payments coming due under any Lease purchase, installment sale or other similar agreement; (n) there is no litigation, pending or threatened that would materially adversely affect the transactions contemplated by this Agreement, any Lease or the financial condition of Lessee; and (o) any and all Equipment that Lessee Leases, purchases, and/or acquires pursuant to this Agreement and any Lease hereunder is for Lessee's internal purposes only and Lessee is not and will not Lease, purchase or acquire the Equipment for resale.

21. Assignment. Lessor may, upon notice to Lessee but without Lessee's consent, sell, assign, or transfer from time to time Lessor's rights, title, and interest under this Agreement and/or any Lease or Leases or interest therein, including the right to receive Lease Payments under a Lease and Lessor's security interest in the Equipment under a Lease and any related escrow agreement to one or more Assignees or sub-Assignees (each, an "Assignee"). Lessee agrees that, upon such assignment, the Assignee will have the same rights and benefits of Lessor under the terms of the related Lease. Lessee agrees that the rights of Assignee will not be subject to any claims, defenses, or set-offs that Lessee may have against any vendor. Upon notice to Lessee of such assignment, Lessee agrees to

respond to any requests about the related Lease and, if directed by Lessor, to pay Assignee all Lease Payments and other amounts due under such Lease. Lessee hereby appoints Lessor as its agent to maintain a record of all assignments of each Lease in a form sufficient to comply with the registration requirements of Section 149(a) of the Code and the regulations prescribed thereunder from time to time, and Lessor agrees to maintain such registration record.

22. Additional Payments. Lessor may, but is not obligated to, take on Lessee's behalf any action which Lessee fails to take as required by any Lease, and Lessee shall pay any expenses incurred by Lessor in taking such action, which will be in addition to the Lease Payments as set forth in the related Lease.

23. Release and Indemnification. To the extent permitted by applicable state law and subject to Section 6, Lessee shall indemnify, release, protect, hold harmless, save, and defend Lessor from and against any and all liability, obligation, loss, claim, tax, and damage whatsoever, regardless of the cause thereof, and all costs and expenses in connection therewith (including, without limitation, attorneys' fees) arising out of or resulting from (a) entering into this Agreement and/or any Lease; (b) the ownership of any item of Equipment; (c) the ordering, acquisition, use, installation, deployment, testing, operation, condition, purchase, delivery, rejection, storage, or return of any item of Equipment; (d) any damage to property or personal injury or death of any person in connection with the operation, use, installation, deployment, testing, condition, possession, storage, or return of any item of Equipment, or in connection with or resulting from Lessee's acts, omissions, negligence, misconduct, or breach of any provision of this Agreement or any Lease(s) hereunder; and/or (e) the breach of any covenant or any material representation of Lessee contained in this Agreement or any Lease. The indemnification obligations set forth herein shall continue in full force and effect notwithstanding the payment in full of all obligations under any Lease or the termination of the Lease Term under any Lease for any reason.

24. Miscellaneous. Each Lease, together with this Agreement, contains the entire agreement of the parties regarding the subject matter hereof which is limited to Lease financing. Time is of the essence in each Lease. If a court of competent jurisdiction finds any provision of any Lease to be unenforceable, the remaining terms of such Lease shall remain in full force and effect. Each Lease may be simultaneously executed in several counterparts, each of which shall be an original and all of which shall constitute but one and the same instrument; provided, however, that only counterpart one of each Lease (including the terms and conditions of this Agreement incorporated therein by reference) shall constitute the original for such Lease for purposes of the sale or transfer of such Lease as chattel paper. References herein to "Lessor" shall be deemed to include each of its Assignees from and after the effective date of each assignment; references herein to "Lessor" shall not refer to Apple Inc. in its capacity as a vendor or in any capacity other than as a Lessor hereunder. The captions or headings in this Agreement and in each Lease are for convenience only and in no way define, limit, or describe the scope or intent of any provisions. This Agreement and each Lease will be governed by the laws of the state where Lessee is located without regard to the conflict of law principles thereof. Lessor and Lessee both intend to comply with all applicable laws. If it is determined that Lessee's payments under the Lease result in an interest payment higher than allowed by applicable law, then any excess interest collected will be applied to the repayment of principal, and interest will be charged at the highest rate allowed by law.

25. Notices. All written notices under any Lease must be sent by certified mail or recognized overnight delivery service, postage prepaid, to the addresses as stated on each Lease, or by facsimile transmission, with written confirmation of receipt.

26. Electronic Signatures. Notwithstanding anything to the contrary in this Agreement, Lessee and Lessor both intend that this Agreement and any Schedule, acceptance certificate, escrow agreement, or any other related document or certificate (each a "Document") containing the electronic signature of both parties using the procedure or method for electronic signatures that Lessor provided to Lessee ("Electronic Signature") shall constitute the sole original authenticated Document for all purposes (including without limitation the perfection of security interests and admissibility of evidence). Lessee and Lessor acknowledge that any such electronic signatures will be applied by the duly authorized representative of the respective party with the intent to sign, authenticate, and accept the documents on behalf of such party.

IMPORTANT: READ BEFORE SIGNING. THE TERMS OF THIS Agreement AND EACH LEASE SHOULD BE READ CAREFULLY BECAUSE ONLY THOSE TERMS IN WRITING ARE ENFORCEABLE. TERMS OR ORAL PROMISES WHICH ARE NOT CONTAINED IN THIS Agreement OR A LEASE MAY NOT BE LEGALLY ENFORCED. THE TERMS OF THIS Agreement OR A LEASE MAY ONLY BE CHANGED BY ANOTHER WRITTEN AGREEMENT BETWEEN THE PARTIES. EXCEPT FOR AN EVENT OF NON-APPROPRIATION, EACH LEASE IS NOT CANCELABLE BY LESSEE.

2. Amendment to Section 9 of the Agreement. Section 9 of the Agreement is hereby amended by adding the following paragraph to the end of the Section:

For the purposes of the Leases entered into under this Agreement, Lessee and Lessor agree that during the term of each Lease, and so long as Lessee is not in default, all beneficial right, title an interest in and to each item of Equipment under the related Lease shall be vested in Lessee immediately upon its acceptance of each such item of Equipment, subject to the terms and conditions of the applicable Lease. Notwithstanding the foregoing, Lessor shall hold contractual title until title has fully vested in Lessee. Lease Purchase Agreement

This Lease Purchase Agreement dated as of July 1 2026 (this “Agreement”) is entered into by and between Apple Inc. (“Lessor”) and Independent School District No. 94 (“Lessee”).

1. Agreement; Schedules. Subject to the terms of this Agreement, Lessee agrees to Lease, purchase and acquire from Lessor certain Equipment and/or software (the “Equipment”) as may be described in any Lease Schedule in the form of Exhibit A (each, a “Schedule”) which may be executed by the parties from time to time. Nothing in this Agreement shall be construed to impose any obligation upon, or otherwise commit, Lessor to enter into any proposed Schedule, it being understood that whether Lessor enters into any proposed Schedule shall be a decision solely within Lessor’s discretion. Lessee understands that Lessor requires certain documentation and information necessary to enter into any Schedule, and Lessee agrees to provide Lessor with any documentation or information Lessor may request in connection with Lessor’s review of any proposed Schedule. Such documentation may include but shall not be limited to: (a) a description of the proposed Equipment, including the cost and its contemplated use and location, (b) information related to the vendor(s) manufacturing, licensing (subject to the terms of the Vendor’s applicable end user license agreement(s)), delivering, installing or maintaining the proposed Equipment for Lessee (the “Vendor”), (c) documentation or information concerning the financial condition of Lessee, and (d) other information related to the Schedule and Lessee. The terms and conditions of this Agreement (including all exhibits and any amendments hereto), are incorporated by reference into each Schedule and each Schedule, once executed by Lessor and Lessee, shall constitute a separate and independent Lease and installment purchase of the Equipment identified therein, hereinafter referred to as a “Lease.”

2. Invoice Payment or Reimbursement. With respect to any Lease, and subject to the provisions of Section 3 if applicable, Lessor shall have no obligation whatsoever to make any payment to a Vendor or reimburse Lessee for any payment made to a Vendor for the Equipment that is the subject of such Lease until three (3) business days after Lessor’s receipt of the following in form and substance satisfactory to Lessor in its sole discretion: (a) a Schedule executed by a duly authorized representative of Lessee; (b) a fully executed partial or final acceptance certificate as applicable (“Acceptance Certificate”); (c) a resolution or evidence of other official action taken by Lessee’s governing body authorizing Lessee to enter into the related Lease and any applicable Escrow Agreement, the acquisition of the Equipment subject thereto, and confirming that Lessee’s actions were in accordance with all applicable state, local and federal laws, including laws regarding open meetings and public bidding; (d) evidence of insurance with respect to the Equipment in accordance with the provisions of Section 15 of this Agreement; (e) a Vendor invoice for the Equipment and, if such invoice has been paid by Lessee, evidence of payment thereof and, if applicable, evidence of official intent to reimburse such payment as required by the Treasury Regulations; (f) a completed and executed Form 8038-G or 8038-GC; (g) an Incumbency Certificate; (h) a Bank Qualification Designation; (i) Lease Payment Instructions; (j) Insurance Coverage Requirements; (k) an opinion of Lessee’s counsel; and (l) such other documents, items, or information reasonably required by Lessor. Lessor shall provide each such document to Lessee in a form and substance satisfactory to Lessor.

3. Escrow Agreement. Upon agreement by both Lessee and Lessor as to any Lease, the parties shall enter into an escrow agreement (an “Escrow Agreement”) with an escrow agent selected by Lessee, such selection subject to Lessor’s approval, establishing an account from which the cost of the Equipment subject to such Lease is to be paid (the “Escrow Account”). Upon execution and delivery of an Escrow Agreement by the parties thereto and satisfaction of any conditions precedent set forth in Section 2 of this Agreement or in such Escrow Agreement, Lessor shall deposit or cause to be deposited into the Escrow Account under the related Escrow Agreement funds for the payment of the costs of acquiring the Equipment under such Lease. Lessee acknowledges and agrees that no disbursements shall be made from an Escrow Account except for portions of the Equipment that are operationally complete and functionally independent and that may be fully utilized by Lessee without regard to whether the balance of the Equipment is delivered and accepted.

4. Delivery and Acceptance of Equipment. Lessee shall order the Equipment, cause the Equipment to be delivered and installed at the location specified in each Lease, and pay any and all delivery and installation costs and applicable sales and other taxes in connection therewith. When the Equipment identified in any Lease has been delivered and installed, Lessee shall immediately inspect the Equipment and evidence its acceptance by executing and delivering to Lessor the Acceptance Certificate. If Lessee cancels or

terminates a Lease prior to delivery of the Equipment or if Lessee fails or refuses to sign the Acceptance Certificate within a reasonable time, not to exceed five (5) business days, after the Equipment has been delivered, Lessor will have the option of treating the Lease as cancelled by Lessee and Lessee will automatically assume all of Lessor's rights and obligations as purchaser of the Equipment, whether under any agreements with the Vendor or otherwise.

5. Lease Payments. Lessee agrees to pay "Lease Payments" to Lessor in accordance with the payment Schedule set forth in each Lease, exclusively from legally available funds, consisting of principal and interest components in the amounts and on such dates as provided in each Lease. Lessee shall pay Lessor a charge on any Lease Payment not paid on the date such payment is due at the rate of 12% per annum or the highest lawful rate, whichever is less, from such due date until paid. The "Commencement Date" for each Lease is the date when interest commences to accrue under such Lease, which date shall be the earlier of (a) the date Lessee partially or fully accepts the Equipment pursuant to Section 4, or (b) the date of Lessor's deposit into an Escrow Account of sufficient monies to purchase the Equipment. Lessor will advise Lessee as to the address to which Lease Payments shall be sent. The Lease Payment is due whether or not Lessee receives an invoice. Restrictive endorsements on checks sent by Lessee will not reduce Lessee's obligations to Lessor. Unless a proper exemption certificate is provided, applicable sales and use taxes may be paid by Lessee from funds advanced to Lessee by Lessor for such purpose in connection with the execution and delivery of the related Lease or may be paid by Lessee pursuant to Section 4 hereof. Lessor and Lessee understand and intend that the obligation of Lessee to pay Lease Payments under each Lease shall constitute a current expense of Lessee and shall not in any way be construed to be a debt of Lessee in contravention of any applicable constitutional or statutory limitation or requirement concerning the creation of indebtedness or debt by Lessee, nor shall anything contained in this Agreement or in any Lease constitute a pledge of the general tax revenues, funds or monies of Lessee.

6. Non-Appropriation of Funds. Lessee is obligated to pay Lease Payments under each Lease for each fiscal period as may lawfully be made from funds budgeted and appropriated for that purpose for such fiscal period. Lessee currently intends to remit and reasonably believes that funds in an amount sufficient to remit all Lease Payments and other payments under each Lease can and will lawfully be appropriated and made available to permit Lessee's continued utilization of the Equipment under such Lease and the performance of its essential function during the scheduled "Lease Term" as reflected in each Lease. Lessee currently intends to do all things lawfully within its power to obtain and maintain funds from which the Lease Payments under each Lease may be made, including making provision for such payments to the extent necessary in each budget or appropriation request adopted in accordance with applicable provisions of law. Notwithstanding the foregoing, Lessor acknowledges that the decision whether or not to budget and appropriate funds or to extend the term of a Lease for any period beyond the original or any additional fiscal period is within the discretion of the governing body of Lessee. In the event that Lessee's governing body fails or is unwilling to budget, appropriate or otherwise make available funds for the payment of Lease Payments and other payments, if any, under a Lease following the then current fiscal period (an "Event of Non-appropriation"), Lessee shall have the right to terminate such Lease on the last day of the fiscal period for which sufficient appropriations were made without penalty or expense, except as to the portion of any Lease Payment for which funds shall have been appropriated and budgeted, in which event Lessee shall return the Equipment subject to such Lease in accordance with Section 19 of this Agreement. Lessee agrees to deliver notice to Lessor of such Event of Non-appropriation with respect to a Lease and termination at least thirty (30) days prior to the end of the then current fiscal period, but failure to give such notice shall not extend the term of the affected Lease beyond such then current fiscal period.

7. Unconditional Obligation. Upon the commencement date of a Lease pursuant to Section 5 of this Agreement, and except as provided in Section 6, "Non-Appropriation of Funds," the obligations of Lessee to make Lease payments and to perform and observe the other covenants and agreements contained in each Lease shall be absolute and unconditional in all events without abatement, diminution, deduction, set-off or defense, for any reason including, without limitation, any failure of the Equipment to be delivered or installed, any disputes with Lessor or any vendor of any Equipment, defects, malfunctions or breakdowns in the Equipment, any accident, condemnation, damage, destruction, or unforeseen circumstance, or any temporary or permanent loss of its use.

8. Disclaimer of Warranties. The sole warranty for the Equipment is the applicable product warranty (defined below). Lessor makes no representations or warranties, express or implied, whatsoever, including without limitation, as to the Equipment's merchantability, fitness for a particular purpose, suitability, design, condition, durability, operation, quality of materials or workmanship, non-

infringement, or compliance with specifications or applicable law, or that the operation or use of the Equipment will be uninterrupted, secure or free of errors, defects, viruses, malfunctions, and Lessee, as of the date of Lessee's acceptance as set forth in Section 4, accepts such Equipment as is and with all faults. Lessee acknowledges that Lessee has selected the Equipment based upon Lessee's own judgment. Lessee acknowledges that the Equipment was manufactured and/or assembled, or in the case of software was developed and licensed, by the applicable vendor and that any warranty rights with respect to such Equipment shall be provided by the applicable vendor (the "Product Warranty"). Lessee agrees to settle any dispute it may have regarding performance of the Equipment directly with the applicable vendor and not to make any claim against the Lease payments due Lessor or any Assignee (as hereinafter defined). Lessee agrees to continue to pay Lessor, or such Assignee (as applicable), all Lease payments and other payments without abatement or set off for any dispute with a vendor regarding the Equipment. Nothing in this Agreement or in any Lease shall relieve Apple Inc. of its obligations under the product warranty offered by Apple Inc. for applicable Apple-branded Equipment. Lessee acknowledges and agrees that the product warranty is a separate agreement between Lessee and the applicable vendor and that such product warranty is not a part of this Agreement or any Lease.

9. Title and security interest. Unless otherwise required by the laws of the state where Lessee is located, during each Lease term, title to the Equipment shall be vested in Lessee, subject to the rights of Lessor under such Lease. In the event Lessor terminates a Lease pursuant to Section 17 of this Agreement or an Event of Non-Appropriation occurs under a Lease, title to the related Equipment shall immediately vest in Lessor free and clear of any rights, title or interests of Lessee. Lessee, at its expense, shall protect and defend Lessee's title to the Equipment and Lessor's rights and interests therein and keep the Equipment free and clear from any and all claims, liens, encumbrances, and legal processes of Lessee's creditors and other persons. To secure the payment of all of Lessee's obligations under each Lease, Lessee hereby grants to Lessor a first priority purchase money security interest in the Equipment subject to each such Lease, anything attached or added to the Equipment by Lessee at any time, Lessee's rights under each agreement for the licensing of software to the extent that a security interest therein may be granted without violating the terms of such agreement, and on all proceeds, including proceeds from any insurance claims for loss or damage, from such Equipment. Lessee authorizes Lessor to file a financing statement perfecting Lessor's security interest under the laws of Lessee's state. Lessee agrees to promptly execute such additional documents, in a form satisfactory to Lessor, which Lessor deems necessary or appropriate to establish and maintain its security interest in the Equipment. The Equipment is and will remain personal property and will not be deemed to be affixed to or a part of the real estate on which it may be situated. If applicable, as further security therefor, Lessee hereby grants to Lessor a first priority security interest in the cash and negotiable instruments from time to time comprising each escrow account and all proceeds (cash and non-cash) thereof, and agrees with respect thereto that Lessor shall have all the rights and remedies of a secured party under the applicable Uniform Commercial Code.

10. Use, Maintenance and Repair. Upon installation, no item of Equipment will be moved from the location specified for it in the related Lease (the "Equipment Location") without Lessor's prior consent, which consent will not be unreasonably withheld, except that any items of Equipment that are intended by design to be a mobile piece of technology (i.e., laptop computers) may be moved within the continental U.S. without consent. Lessor shall have the right at all reasonable times during regular business hours, subject to compliance with Lessee's customary security procedures, to enter into and upon the property of Lessee for the purpose of inspecting the Equipment. In order to facilitate the use of the Equipment by students and/or Lessee's employees ("Authorized Users") while on premises other than those belonging to Lessee, Lessee acknowledges and agrees that: (a) Lessee shall use due care to ensure that the Equipment is not (i) used in violation of any applicable law, in a manner contrary to that contemplated by the related Lease, or for private business purposes, or (ii) used by anyone other than authorized users; and (b) Lessee (and not authorized users) shall be solely responsible for (i) maintaining insurance in accordance with the terms of the related Lease, (ii) payment of any applicable sales, property, and other taxes on the Equipment, and (iii) return of the Equipment under a Lease to Lessor upon the occurrence of an Event of Default or Event of Non-Appropriation thereunder. Lessee agrees that it will use the Equipment under each Lease in the manner for which it was intended, as required by all applicable manuals and instructions and as required to keep the Equipment eligible for any manufacturer's certification and/or standard, full service maintenance contract. Lessee agrees that it will, at Lessee's own cost and expense, maintain, preserve, and keep the Equipment under each Lease in good repair, condition, and working order, ordinary wear and tear excepted. All replacement parts and repairs shall be governed by the terms of the related Lease. Lessee will not make any permanent alterations to the Equipment that will result in a decrease in the market value of the Equipment.

11. Liens; Taxes. Lessee will not sell, transfer, assign, pledge, sub-Lease, or part with possession of the Equipment, or file or permit a lien to be filed against the Equipment, except as otherwise expressly provided under this Agreement and the related Lease. The parties to this Agreement intend that the Equipment will be used for governmental or proprietary purposes of Lessee and that the Equipment will be exempt from all property taxes. Lessee shall timely pay all assessments, license and filing fees, taxes (including sales, use, excise, personal property, ad valorem, stamp, documentary, and other taxes) and all other governmental charges, fees, fines, or penalties whatsoever, whether payable by Lessor or Lessee, now or hereafter imposed by any governmental body or agency on or relating to the Equipment or the Lease payments or the use, registration, rental, shipment, transportation, delivery, ownership, or operation of the Equipment and on or relating to this Agreement or any Lease; provided, however, that the foregoing shall not include any federal, state, or local income or franchise taxes of Lessor.

12. Limitation of Liability. Notwithstanding anything to the contrary, Lessor shall not be liable for any direct damages of Lessee resulting from, arising out of, or in connection with this agreement, whether arising in contract, tort, strict liability, or otherwise, regardless of the theory of liability. Further, notwithstanding anything to the contrary, with respect to each Lease, Lessee agrees that (a) Lessor shall have no liability, cost, or expense with respect to transportation, installation, selection, purchase, Lease, ownership, possession, modification, maintenance, condition, operation, use, return, or disposition of the Equipment, and (b) Lessor shall have no responsibility in connection with the selection of the Equipment, the ordering of the Equipment, its suitability for the use intended by Lessee, Lessee's compliance or non-compliance with competitive pricing and/or bidding requirements, the acceptance by the Vendor of the order submitted, if applicable, or any delay or failure by the Vendor or its sales representative to deliver, install, or maintain the Equipment for Lessee's use. In no event shall Lessor be liable for any incidental, indirect, special, consequential, exemplary, or punitive damages in connection with or arising out of any Lease or the existence, furnishing, functioning, or Lessee's use of any item of Equipment provided for in any Lease, whether in contract, tort, strict liability, or otherwise, regardless of the theory of liability and regardless of whether Lessor has been advised of the possibility of such damages. The parties agree that the provisions in this Agreement fairly allocate the risks between the parties without which they would not have entered into this Agreement.

13. Identification. Lessor shall be entitled to insert missing or correct information on the related Lease, including, without limitation, Lessee's official name, serial numbers, and any other information describing the Equipment under such Lease; provided that Lessor forwards copies of such changes to Lessee.

14. Loss or Damage. Lessee shall be responsible for any loss, theft of, and/or damage to the Equipment or any portion thereof from any cause whatsoever, regardless of the extent or lack of insurance coverage, from the time the Equipment is delivered to Lessee pursuant to the related Lease until the end of the Lease term thereunder or until the Equipment is returned to Lessor pursuant to Section 19 of this Agreement. If any item of the Equipment is lost, stolen, or damaged, Lessee shall immediately provide written notice of such loss to Lessor and shall, within fifteen (15) days after such loss, at Lessee's option, either: (a) repair the damaged Equipment so that it is in good condition and working order, eligible for any manufacturer's certification; (b) replace the damaged Equipment at Lessee's sole cost and expense with Equipment having substantially similar manufacturer's specifications and of equal or greater value to the damaged Equipment immediately prior to such Equipment being damaged, such replacement Equipment to be subject to Lessor's approval, whereupon such replacement Equipment shall be substituted in the applicable Lease and the other related documents by appropriate endorsement or amendment; or (c) pursuant to Section 18(b), purchase Lessor's interest in the damaged Equipment on a pro rata basis (notwithstanding the limitation in Section 18(b) only to prepaying in whole) and continue the related Lease for the non-damaged Equipment for the balance of the applicable Lease term. In such event, Lessor will provide Lessee with a revised amortization of Lease Payments for the non-damaged Equipment. Lessor will forward to Lessee any insurance proceeds which Lessor receives for damaged Equipment for Lessee's use in the repair or replacement of the damaged Equipment, unless there has been an Event of Default or an Event of Non-Appropriation by Lessee, in which event Lessor will apply any insurance proceeds received to reduce Lessee's obligations under Section 17 of this Agreement.

15. Insurance. In the event that Lessee is not self-insured (as hereafter provided), Lessee shall, at its expense, keep the Equipment fully insured against loss, fire, theft, damage, or destruction from any cause whatsoever in an amount not less than the greater of (a) the total Lease Payments for the Lease term under the related Lease or (b) the full replacement cost of the Equipment without consideration for depreciation. Upon Lessor's request, Lessee shall also provide such additional insurance against injury, loss, or

damage to persons or property arising out of the use or operation of the Equipment as is customarily maintained by owners of property similar to the Equipment. With Lessor's prior written consent, Lessee may self-insure against such risks. The policy shall state that Lessor shall be notified of any proposed cancellation at least 30 days prior to the date set for cancellation. All such insurance shall be in form, issued by such insurance companies and be in such amounts as shall be satisfactory to Lessor, and shall provide that losses, if any, shall be payable to Lessor as "loss payee," and all such liability insurance shall include Lessor as an "additional insured." Upon Lessor's request, Lessee shall provide Lessor with a certificate or other evidence of insurance acceptable to Lessor evidencing the insurance coverage required under the related Lease. In the event Lessee fails to provide such evidence within 10 days of Lessor's request, or upon Lessor's receipt of a notice of policy cancellation, Lessor may (but shall not be obligated to) obtain insurance covering Lessor's interest in the Equipment at Lessee's sole expense. Lessee will pay all insurance premiums and related charges.

16. Default. Lessee will be in default under a Lease upon the occurrence of any of the following (each, an "Event of Default"): (a) Lessee fails to pay any Lease Payment or other payment due in full under such Lease within 10 calendar days after its due date; (b) Lessee fails to perform or observe any other promise or obligation in this Agreement and/or any Lease and does not correct the default within 30 days after written notice of default by Lessor; (c) any representation, warranty, or statement made by Lessee in this Agreement or any Lease shall prove to have been false or misleading in any material respect when made; (d) Lessee fails to obtain and maintain insurance as required by Section 15, or any insurance carrier cancels any insurance on the Equipment; (e) the Equipment or any portion thereof is misused, used in a manner not authorized by the applicable end user license agreement (if any) accompanying such Equipment, or used in violation of the terms of the related Lease; (f) the Equipment or any part thereof is lost, destroyed, or damaged beyond repair and remains uncured in accordance with Section 14; (g) a petition is filed by or against Lessee under any bankruptcy or insolvency laws; or (h) an Event of Default occurs under any other Lease or prior financing with Lessor or assigns or their respective affiliates, but any such Assignee may only exercise remedies with respect to other Leases for which it is the Assignee.

17. Remedies. Upon the occurrence of an Event of Default under a Lease, Lessor may, in its sole discretion, do any or all of the following (without penalty, liability, or obligation on Lessor's part and without limiting any other rights or remedies available to Lessor): (a) provide written notice to Lessee of the Event of Default; (b) as liquidated damages for loss of a bargain, and not as a penalty, declare due and payable any and all amounts which may then be due and payable under the Lease, plus all Lease Payments remaining through the end of the then current fiscal period; (c) with or without terminating the Lease Term under such Lease, (i) enter the premises where the Equipment is located and retake possession of such Equipment or require Lessee at Lessee's expense to promptly return any or all of such Equipment to the possession of Lessor in accordance with the requirements in Section 19, and (ii) at Lessee's expense, sell or Lease such Equipment or, for the account of Lessee, sublease such Equipment, continuing to hold Lessee liable for the difference between the Lease Payment payable by Lessee pursuant to the terms of such Lease to the end of the current fiscal period and the net proceeds of any such sale, Lease, or sublease. Lessor may require Lessee to remove all proprietary data from the Equipment, holding Lessor and its assigns harmless if Lessee fails to do so. Lessee will not make any claims against Lessor or the Equipment for trespass, damage, or any other reason. The exercise of any of such remedies shall not relieve Lessee of any other liabilities under any other Lease. Without limiting the foregoing, Lessor may take whatever action, either at law or in equity, may appear necessary or desirable to enforce its rights under any Lease, or as a secured party in any or all of the Equipment. No remedy of Lessor is intended to be exclusive and every such remedy, now or hereafter existing, at law or in equity, shall be cumulative and shall be in addition to every other remedy given under a Lease. In the event that Lessor sells or otherwise liquidates the Equipment following an Event of Default or an Event of Non-appropriation as herein provided and realizes net proceeds (after payment of costs) in excess of total Lease Payments under the related Lease that would have been paid during the related scheduled Lease Term plus any other amounts then due under the related Lease or Leases, Lessor shall immediately pay the amount of any such excess to Lessee.

18. Purchase Option. At the option of Lessee, and provided that no Event of Default or Event of Non-appropriation has occurred and/or is continuing under any Lease, Lessor's interest in all, but not less than all, of the Equipment subject to a Lease will be transferred, conveyed, and assigned to Lessee, free and clear of any right or interest of Lessor, and such Lease shall terminate: (a) upon payment in full of all Lease Payments under such Lease and all other amounts then due thereunder or (b) on any Lease Payment due date under such Lease, provided that Lessee shall have delivered written notice at least 30 days prior to such date of Lessee's intention to purchase the Equipment subject to such Lease pursuant to this provision, by paying to Lessor, in addition to the Lease Payment due on such date, an amount equal to the purchase price (the "Purchase Price") shown for such Lease Payment due date in

the payment Schedule included in the applicable Lease. Lessee hereby acknowledges that the Purchase Price under a Lease includes a prepayment premium.

19. Return of Equipment. In the case of an Event of Default under a Lease or an Event of Non-appropriation by Lessee with respect to a Lease in accordance with Section 6, Lessee will, at Lessee's sole cost and expense, immediately return the Equipment (including all copies of any software free of any proprietary data), manuals, and accessories to any location and aboard any carrier Lessor may designate in the continental United States. The Equipment must be properly packed for shipment in accordance with the manufacturer's recommendations or specifications, freight prepaid and insured, and maintained in accordance with the terms of the related Lease. All Equipment must be free of markings. Lessee will pay Lessor for any missing or defective parts or accessories. Lessee will continue to pay Lease Payments until the Equipment is accepted by Lessor, which acceptance shall be deemed to occur fifteen (15) days after delivery unless Lessor rejects the Equipment for good cause within such fifteen (15) day period. Notwithstanding anything in this Section 19 to the contrary, any amounts to be paid by Lessee as provided in this Section 19 shall be payable solely from funds legally available for the purpose.

20. Lessee's Representations and Warranties. Lessee hereby represents, covenants, and warrants for the benefit of Lessor that as of the date hereof and as of the commencement date for each Lease, and throughout each Lease Term: (a) Lessee is a state or political subdivision thereof within the meaning of Section 103 of the Internal Revenue Code of 1986, as amended (the "Code"); (b) Lessee is duly organized and existing under the Constitution and laws of the state in which Lessee is located; (c) Lessee is authorized to enter into and carry out its obligations under this Agreement and each Lease and every other document required to be delivered in connection with this Agreement and a Lease; (d) this Agreement and each Lease have been duly authorized, executed, and delivered by Lessee in accordance with all applicable laws, codes, ordinances, regulations, and policies; (e) any person signing the Agreement and each Lease has the authority to do so, is acting with the full express authorization of Lessee's governing body, and holds the office indicated below his or her signature, which is genuine; (f) the Equipment is essential to the immediate performance of a governmental or proprietary function by Lessee within the scope of Lessee's authority and shall be used during the Lease Term only by Lessee and only to perform such function; (g) Lessee intends to use the Equipment for the entire Lease Term and shall take such action, in accordance with Section 6, to include in its annual budget request, for submission to Lessee's governing body, any funds required to fulfill Lessee's obligations for each succeeding fiscal period during the applicable Lease Term; (h) Lessee has complied fully with all applicable laws, codes, ordinances, regulations, and policies, governing open meetings, competitive pricing and/or public bidding and appropriations required in connection with each Lease, the selection and acquisition of the Equipment and the selection of vendor; (i) all payments due and to become due during Lessee's current fiscal period under a Lease are within the fiscal budget of such fiscal period, and are or will be included within an unrestricted and unencumbered appropriation currently available for the Lease/purchase of the Equipment under the related Lease; (j) Lessee shall not do or cause to be done any act which shall cause, or by omission of any act allow, the interest portion of any Lease Payment to become includible in Lessor's gross income for federal income taxation purposes under the Code; (k) Lessee shall comply with the information reporting requirements of Section 149(e) of the Code with respect to each Lease (such compliance shall include, but not be limited to, the execution of Form 8038-G or 8038-GC information reporting returns as appropriate); (l) all financial information provided by Lessee is true and accurate and fairly represents Lessee's financial condition; (m) Lessee has not for at least its most recent ten fiscal periods failed to appropriate or otherwise make available funds sufficient to pay rental or other payments coming due under any Lease purchase, installment sale or other similar agreement; (n) there is no litigation, pending or threatened that would materially adversely affect the transactions contemplated by this Agreement, any Lease or the financial condition of Lessee; and (o) any and all Equipment that Lessee Leases, purchases, and/or acquires pursuant to this Agreement and any Lease hereunder is for Lessee's internal purposes only and Lessee is not and will not Lease, purchase or acquire the Equipment for resale.

21. Assignment. Lessor may, upon notice to Lessee but without Lessee's consent, sell, assign, or transfer from time to time Lessor's rights, title, and interest under this Agreement and/or any Lease or Leases or interest therein, including the right to receive Lease Payments under a Lease and Lessor's security interest in the Equipment under a Lease and any related escrow agreement to one or more Assignees or sub-Assignees (each, an "Assignee"). Lessee agrees that, upon such assignment, the Assignee will have the same rights and benefits of Lessor under the terms of the related Lease. Lessee agrees that the rights of Assignee will not be subject to any claims, defenses, or set-offs that Lessee may have against any vendor. Upon notice to Lessee of such assignment, Lessee agrees to

respond to any requests about the related Lease and, if directed by Lessor, to pay Assignee all Lease Payments and other amounts due under such Lease. Lessee hereby appoints Lessor as its agent to maintain a record of all assignments of each Lease in a form sufficient to comply with the registration requirements of Section 149(a) of the Code and the regulations prescribed thereunder from time to time, and Lessor agrees to maintain such registration record.

22. Additional Payments. Lessor may, but is not obligated to, take on Lessee's behalf any action which Lessee fails to take as required by any Lease, and Lessee shall pay any expenses incurred by Lessor in taking such action, which will be in addition to the Lease Payments as set forth in the related Lease.

23. Release and Indemnification. To the extent permitted by applicable state law and subject to Section 6, Lessee shall indemnify, release, protect, hold harmless, save, and defend Lessor from and against any and all liability, obligation, loss, claim, tax, and damage whatsoever, regardless of the cause thereof, and all costs and expenses in connection therewith (including, without limitation, attorneys' fees) arising out of or resulting from (a) entering into this Agreement and/or any Lease; (b) the ownership of any item of Equipment; (c) the ordering, acquisition, use, installation, deployment, testing, operation, condition, purchase, delivery, rejection, storage, or return of any item of Equipment; (d) any damage to property or personal injury or death of any person in connection with the operation, use, installation, deployment, testing, condition, possession, storage, or return of any item of Equipment, or in connection with or resulting from Lessee's acts, omissions, negligence, misconduct, or breach of any provision of this Agreement or any Lease(s) hereunder; and/or (e) the breach of any covenant or any material representation of Lessee contained in this Agreement or any Lease. The indemnification obligations set forth herein shall continue in full force and effect notwithstanding the payment in full of all obligations under any Lease or the termination of the Lease Term under any Lease for any reason.

24. Miscellaneous. Each Lease, together with this Agreement, contains the entire agreement of the parties regarding the subject matter hereof which is limited to Lease financing. Time is of the essence in each Lease. If a court of competent jurisdiction finds any provision of any Lease to be unenforceable, the remaining terms of such Lease shall remain in full force and effect. Each Lease may be simultaneously executed in several counterparts, each of which shall be an original and all of which shall constitute but one and the same instrument; provided, however, that only counterpart one of each Lease (including the terms and conditions of this Agreement incorporated therein by reference) shall constitute the original for such Lease for purposes of the sale or transfer of such Lease as chattel paper. References herein to "Lessor" shall be deemed to include each of its Assignees from and after the effective date of each assignment; references herein to "Lessor" shall not refer to Apple Inc. in its capacity as a vendor or in any capacity other than as a Lessor hereunder. The captions or headings in this Agreement and in each Lease are for convenience only and in no way define, limit, or describe the scope or intent of any provisions. This Agreement and each Lease will be governed by the laws of the state where Lessee is located without regard to the conflict of law principles thereof. Lessor and Lessee both intend to comply with all applicable laws. If it is determined that Lessee's payments under the Lease result in an interest payment higher than allowed by applicable law, then any excess interest collected will be applied to the repayment of principal, and interest will be charged at the highest rate allowed by law.

25. Notices. All written notices under any Lease must be sent by certified mail or recognized overnight delivery service, postage prepaid, to the addresses as stated on each Lease, or by facsimile transmission, with written confirmation of receipt.

26. Electronic Signatures. Notwithstanding anything to the contrary in this Agreement, Lessee and Lessor both intend that this Agreement and any Schedule, acceptance certificate, escrow agreement, or any other related document or certificate (each a "Document") containing the electronic signature of both parties using the procedure or method for electronic signatures that Lessor provided to Lessee ("Electronic Signature") shall constitute the sole original authenticated Document for all purposes (including without limitation the perfection of security interests and admissibility of evidence). Lessee and Lessor acknowledge that any such electronic signatures will be applied by the duly authorized representative of the respective party with the intent to sign, authenticate, and accept the documents on behalf of such party.

IMPORTANT: READ BEFORE SIGNING. THE TERMS OF THIS Agreement AND EACH LEASE SHOULD BE READ CAREFULLY BECAUSE ONLY THOSE TERMS IN WRITING ARE ENFORCEABLE. TERMS OR ORAL PROMISES WHICH ARE NOT CONTAINED IN THIS Agreement OR A LEASE MAY NOT BE LEGALLY ENFORCED. THE TERMS OF THIS Agreement OR A LEASE MAY ONLY BE CHANGED BY ANOTHER WRITTEN AGREEMENT BETWEEN THE PARTIES. EXCEPT FOR AN EVENT OF NON-APPROPRIATION, EACH LEASE IS NOT CANCELABLE BY LESSEE.

For and in consideration of the mutual promises and agreements contained in the Agreement described herein and in the Leases entered into pursuant thereto and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto agree as follows:

1. Definitions. Each capitalized term used, but not defined, herein shall have the same meaning as when such term is used in Agreement. As used in this Amendment, "Agreement" shall mean the Lease Purchase Agreement between Lessee and Lessor, as described above.

2. Amendment to Section 9 of the Agreement. Section 9 of the Agreement is hereby amended by adding the following paragraph to the end of the Section:

For the purposes of the Leases entered into under this Agreement, Lessee and Lessor agree that during the term of each Lease, and so long as Lessee is not in default, all beneficial right, title an interest in and to each item of Equipment under the related Lease shall be vested in Lessee immediately upon its acceptance of each such item of Equipment, subject to the terms and conditions of the applicable Lease. Notwithstanding the foregoing, Lessor shall hold contractual title until title has fully vested in Lessee. Lessee and Lessor agree that Lessee shall be the owner of the Equipment for federal tax purposes and that during the Lease Term, Lessee shall have all the beneficial rights of ownership and the associated obligations and liabilities including but not limited to insurance, taxes, and maintenance associated with the Equipment.

Upon payment or prepayment of all amounts due and owing under a Lease in accordance with its terms, Lessor's security interest or other interest in the Equipment under such Lease shall terminate, and Lessor shall execute and deliver to Lessee such documents as Lessee may request to evidence the termination of Lessor's security interest in the Equipment subject to the related Lease.

Payment Schedule

Schedule No. 1 dated July 1 2026 to Lease Purchase Agreement Dated July 1 2026

This Payment Schedule 1 ("Schedule") is entered into pursuant to that Lease Purchase Agreement dated July 1 2026 ("Agreement"), and is effective as of July 1 2026. All of the terms and conditions of the Agreement, including Lessee's representations and warranties, are incorporated herein by reference. Unless otherwise indicated, all capitalized terms used but not otherwise defined herein shall have the same meaning as set forth in the Agreement.

To the extent that less than all of the Equipment subject to this Schedule has been installed and accepted by Lessee on or prior to the date hereof, Lessee hereby acknowledges that a portion of the Equipment has not been delivered, installed and accepted by Lessee for purposes of this Lease. Dear School Board Members,

I am writing to express my full support for Nicole Vegars' request for a leave of absence. The opportunity for Nicole to serve as a ReadBasix Implementation Lead will not only support her professional growth, but will also provide lasting benefits to our students, staff, and school community upon her return.

Through this role, Nicole will gain valuable experience, instructional expertise, and a deeper understanding of effective literacy implementation practices. Nicole has already played a vital role in the literacy gains we have experienced at CMS and continues to demonstrate exceptional leadership in our building. The knowledge and skills she develops while working with ReadBasix will greatly benefit our district in whatever role she serves upon her return.

As our current MTSS Coordinator, Nicole has been instrumental in shaping districtwide efforts related to K–12 alignment and the implementation of MTSS goals and objectives. This opportunity will further strengthen her understanding of how research and data can drive effective decision-making in both intervention programming and Tier 1 instruction.

The experience Nicole is likely to gain through this leave would be incredibly valuable to the Cloquet School District. I cannot imagine a better professional learning opportunity for an educator seeking to deepen their expertise in the science of reading and in the systems and practices that help schools successfully implement programs that foster student achievement in this critical area.

If you have any questions or would like further information regarding the value of this opportunity, please feel free to contact me. I would be happy to discuss this further.

With respect,

Tom Lenarz

May 11, 2026

School Board Members,

I am writing to express my full support for Nicole Vegar's request for a leave of absence. In my role as a high school principal, I have had the opportunity to lead and support our building through the development of intervention systems, strengthening literacy practices, improving access to data, and refining our problem-solving processes to better meet student needs. Through that lens, I strongly believe this opportunity represents a valuable investment in both Nicole's professional growth and the continued success of our district.

Nicole has been a key contributor to the systems we have built to support students. As our MTSS Coordinator, she has played an essential role in designing and refining intervention structures, strengthening our problem-solving processes, and helping staff use data more effectively to inform instruction and intervention decisions. Her leadership has directly contributed to improved alignment across the middle school and high school and more targeted support for students.

Nicole has also been instrumental in supporting our special education staff in becoming more effective and intentional in their intervention practices. Through collaboration, coaching, and data-based problem solving, she has helped strengthen how interventions are designed, implemented, and monitored to ensure students receive the specific support they need. Her ability to bridge general education, intervention systems, and special education support has been an important asset to our district.

This opportunity to serve as a ReadBasix Implementation Lead will allow Nicole to deepen her expertise in literacy instruction and implementation science—two areas that are critical to sustaining and accelerating student achievement. The experience she gains in this role will enhance her ability to support both Tier 1 instruction and intervention design, while further strengthening her capacity to lead data-informed decision-making across systems.

From a principal's perspective, opportunities like this are rare and incredibly valuable. Nicole will return with expanded knowledge of high-quality literacy practices, stronger systems-thinking skills, and enhanced strategies for improving how schools access and use data within the problem-solving process. These are precisely the areas that drive meaningful and lasting school improvement.

I fully support Nicole's request and am confident that her experience will have a lasting, positive impact on our students, staff, and district.

Thank you.

Minnesota's Permanent School Fund (PSF) Could See Major Update Increasing Revenue to Schools

Minnesota policymakers are considering a constitutional amendment that would change how the state distributes money from the Permanent School Fund (PSF) to public schools — a move that could significantly increase and stabilize annual funding.

The Permanent School Fund is not new. It dates back to Minnesota's statehood in 1858, when land and natural resource revenues were set aside in a trust specifically to support public education. This concept goes even further back to early federal land policies during westward expansion, when proceeds from public lands were designated to fund schools in new states.

Today, that fund has grown into a substantial financial asset — valued at approximately \$2.3 billion. It is managed by the State Board of Investment and supported by revenue from school trust lands, including timber harvesting, mining activity, and land leases.

The Issue

Despite the fund's growth, how money is distributed to schools is tightly restricted by the Minnesota Constitution. Currently, only interest and dividend earnings can be paid out each year.

That approach creates two key challenges:

- **Lower returns to schools** compared to modern investment practices
- **Unpredictable funding**, since interest and dividend income can fluctuate year to year

As a result, despite the size of the fund, annual distributions to school districts remain relatively modest—approximately \$58 million statewide, or about \$58 per pupil in the most recent year. Moving to a 4.5% POMV distribution model would significantly increase those payments, nearly doubling the revenue delivered to schools.

What's Being Proposed

Legislation moving through the 2026 session — HF3900 and SF3593 — would ask voters to amend the Constitution. If passed by the Legislature, the question would appear on the November ballot.

The proposal would shift Minnesota to a **Percent of Market Value (POMV)** model, a standard approach used by most large endowments.

Under this model:

- Schools would receive **4.5% of the fund's average value**, calculated over three years
- This replaces the current system, which distributes roughly **2.5% based on interest and dividends only**
- Annual distributions to schools could almost double

Why It Matters

Supporters argue this change would:

- **Increase annual funding to schools**, potentially nearly doubling distributions in the near term
- **Stabilize payments**, making funding more predictable year to year
- **Align Minnesota with modern investment practices**, used by universities and other long-term funds
- **Provide additional school funding without raising taxes**

The proposal is based on recommendations from a bipartisan task force convened in 2024, which concluded that the current structure unnecessarily limits the fund's effectiveness.

Current Context

The timing of this proposal is notable. School districts across Minnesota are under increasing financial strain, with many projecting budget shortfalls in the coming years. Because the Permanent School Fund is an existing, constitutionally established asset, this proposal is framed as a way to better leverage resources already dedicated to public education—rather than introducing new taxes or revenue streams.

What Happens Next

For the proposal to take effect, three steps are required:

1. The Legislature must pass the constitutional amendment proposal.
2. Minnesota voters must approve the amendment in the November 2026 election.
3. Education stakeholders will need to execute a coordinated, statewide public information and media strategy to support voter understanding and passage.

If approved, the state would transition to a new distribution model intended to provide more stable, predictable, and potentially increased funding for public schools over time.

RE: Update Regarding Tech Check Services

The School Board requested an update regarding the district's use of Tech Check as a technology services provider during the past year. Overall, the district's partnership with Tech Check has been successful. In addition to completing regular software updates and ongoing maintenance tasks, Tech Check provided support for two situations requiring technical assistance outside of routine maintenance. All services performed throughout the year were completed within the scope of the district's base contract, and no costs were incurred beyond the contracted amount.

We recommend continuing the district's contract with Tech Check for fiscal year 2027. Tech Check has provided value to the district by assisting with routine maintenance responsibilities, supporting operational continuity, and serving as an additional technical resource during unplanned incidents.

In addition, a portion of the services provided by Tech Check is eligible for E-Rate reimbursement. E-Rate is a Federal Communications Commission (FCC) program that provides funding assistance to school districts for eligible connectivity and technology infrastructure services. As required through the E-Rate procurement process, the district issued a request for bids for these services. Tech Check was the only vendor to submit a bid.

The total bid amount submitted by Tech Check was \$46,200. After anticipated E-Rate reimbursement, the estimated final cost to the district is \$35,280. The proposed contract includes the same systems and services covered under the district's current agreement, and the base contract cost prior to E-Rate reimbursement remains unchanged from the current year.
