FAQ

WHO WILL THE PRINCIPAL BE?

Leanne Blanchard will be the principal overseeing ESU 7 Learning Academy and Cen7ter. Leanne currently serves as a behavior and inclusion consultant for Grand Island Public Schools. She is a Mandt trainer and has 20 years of experience teaching special education. She has a school administration degree from Concordia University. She earned her bachelor's degree from University of Nebraska-Lincoln in elementary education and special education and she has a master's from University of Nebraska - Kearney in school counseling.

WHAT IS THE SENSORY ROOM?

The sensory room will be available to meet the sensory needs of students at ESU7 Learning Academy. Students will have scheduled times to use the room as part of their planned sensory diet. The room will also be available support students during de-escalation. The room is specially designed with a beam that can support a swing for students. There will also be a variety of lighting and sound options. Want more information about sensory processing disorders or sensory rooms?

WHAT IS THE PROCESS FOR APPLYING TO ESU7 LEARNING ACADEMY?

The first step is to fill out the application form. A link to the form has been sent to superintendents, principals, and special education directors. If you need access to the link, contact Darius Mettler at dmettler@esu7.org. Learning Academy staff will review the application and possibly request more information. If it appears Learning Academy would be an appropriate placement for the student, Anne Baptiste, Learning Academy teacher, will schedule observation times. In the future, observations may also be completed by the licensed mental health practitioner or program principal. If observations confirm the student fits the criteria for ESU 7 Learning Academy, our staff will attend the IEP meeting at which time placement options are considered. If the IEP team determines Learning Academy is the correct placement for a student, Learning Academy staff will collaborate with the school district and parents to develop an IEP that addresses the needs of the student.

WHEN WOULD ESU7 LEARNING ACADEMY TURN DOWN AN APPLICATION?

The primary goal of ESU 7 Learning Academy is to equip students with strategies and skills to be successful at the school in their community. A student needing a permanent placement would not be a candidate for ESU 7 Learning Academy. If a student's behavior exceeds what the facility or staff training can support, Learning Academy would not be the appropriate placement. Lastly, a student may not be accepted because the Learning Academy is at capacity in terms of staffing or space.
