SCHOOL BOARD MEETING FEBRUARY REPORT FROM PRINCIPAL – RICK LESTER

Below are dates and events that I thought you would be interested in:

- On Wednesday, February 1 at our teacher meeting we had great discussion on semester exams and our grading scale. I'm only receiving input from the staff - they realize that the final decision will be the administrations and the board. Your thoughts?
- The JCC Foundation Board met with our seniors on Wednesday, January 11 and provided them with a breakfast. The board discussed with all seniors the scholarship opportunities they have available and asked seniors there plans after graduation.
- Our Growth Mindset reading is going very well – I have visited with the groups and listen to their discussions – very productive!
- On Wednesday, February 8 me and Mrs. Reuter will be visiting with 8th grade thru 11th grade students to discuss pre-registration for the 2023-2024 school year. The students will receive a Registration Handbook, Pre-Registration Form and a Student Assistance Form. The students will have a month to discuss with teachers, counselor and parents on classes they should take for next school year.
- I met with all Honor Roll students and congratulated them and gave each student a gift certificate from Pizza Hut and then released them for the day the last 15 minutes of school.
- I have been working with my CTE (Career and Technical Education) teachers on Perkins Funds. This is where our ESU4 receives an amount of funds from the State and the ESU4 consortium of schools share the funds. In the past we would make a wish list of supplies we would like to have and we would either be approved or dis-approved for the allotted amount we were given. This year they are doing things different: First they are inventorying all our Perkins supplies we have purchased in the past. Second, all supplies we ask will be kept at ESU4 so all schools in the consortium can use them.

Board Meeting – February 8, 2023

Mr. Rother
February 2023
Superintendent & Tecumseh Site Elementary Board Report

1. I have been shopping around for all-wheel drive vans and/or 14 passenger buses for district purchase. These vehicles would allow us to transport students for the purposes of morning and evening routes, and activities without requiring drivers to hold a CDL.
2. I am looking into purchasing an account with LanguageLine Solutions for translating and interpreting services. This service allows us to simply call a number to get a translator for parents and/or students when needed.
3. Kindergarten Round-Up is scheduled for April 28, 2023. We estimate between 30-40 students.
4. The governor and legislators are looking to allot more tax dollars to public schools through LB583, LB589 and LB681. Through these bills, school districts would be allotted \$1,500 per student. For JCC, this would mean an approximated additional \$760,000 in state aid. This is somewhat similar to the Nebraska Plan that was previewed in early December of 2022. I have attached spreadsheets for both plans.
5. The following are summaries of other bills that could impact education. These are provided by Dr. Michael Dulaney of the Nebraska Council of School Administrators.

LB 71: Senator Sanders' LB 71 is mostly a re-introduction of the same bill proposed by the same senator last session, though LB 71 goes a step further. Last year, Senator Sanders' bill would have generally allowed any person to review instructional materials and required schools to make certain instructional materials available online. This year, LB 71 appears to attempt to mandate parental involvement, though the bill raises more questions than answers. For one, the bill would require all schools to revise its parental involvement policy to address various parental involvement opportunities. However, the bill subsequently codifies parental involvement rights in statute, so it remains unclear why a school would need a policy to develop rules for parental involvement when state statute will specify parental rights in schools. The tension between (1) deferring to school boards to develop rules and (2) mandating what schools must provide to parents is apparent throughout LB 71 and would likely result in board policy mirroring these new requirements. These new requirements could be far-reaching, depending on the parent and how involved they wish to be. For instance, a parent would appear to be able to exclude their student from large portions of the curriculum without any academic consequence or repercussions under the truancy statutes. To be fair, most

schools have a policy on allowing students to be excluded from curriculum that parents find objectionable, but LB 71 would essentially give parents the ability to exclude their students from any curriculum (without needing a reason).

Further, LB 71 would require schools to work with parents to “accommodate” a parent’s request to “attend and monitor courses” with their student. That would be a significant change to existing law that does not give a parent a right to sit in a classroom to observe. Without any limits in LB 71, a parent could presumably ask to sit in their student’s classroom every day. All in all, LB 71 appears to be an overbroad solution to a much narrower concern.

LB 374: LB 374 takes a similar approach to parental involvement by significantly expanding parents’ rights in the school environment. This bill, introduced by Education Committee Chair Murman (and co-sponsored by nine other senators) has been coined the “Parents’ Bill of Rights and Academic Transparency Act.”

The proposed legislation includes 15-pages of new requirements that schools must adopt and implement over the next two years. These new requirements fluctuate between sweeping principles (such as the “right to direct the education and care” of each child) and specific directives (each board must adopt a “policy to guarantee parents’ right to be involved in their children’s education.”).

It is unclear how schools would be able to comply with this bill, given the number of vague and uncertain phrases contained throughout the proposed legislation.

LB 374 similarly implements policy requirements that would obligate the school to implement a library book challenge and removal process. LB 374 would also require each school district to develop and implement an “Internet-based transparency tool” to address and describe 10 different areas of the school curriculum.

Finally, LB 374 includes a litany of other parents’ rights and options, including opt-outs, testing, and the like. In all likelihood, it will be difficult (if not impossible) for schools to comply with these requirements in a two-year timeframe, especially given the anticipated costs of an “online portal” available to all parents in the district.

6. The preschool playground is currently being constructed between the Tecumseh Site buildings.

NEBRASKA PLAN TO RESTORE EQUALIZATION AID TO NEBRASKA SCHOOLS AND LOWER PROPERTY TAXES

In 2007 there were 205 equalized school districts in Nebraska. Today there are only 86. There are two factors which have caused this:

1. Starting in 2008 Agland values increased by double digit percentages for eight years in a row.
2. The Local Effort Rate (LER) was increased from .95 to 1.00 in 2008-09.

Equalization aid peaked in 2010-11 and has not reached that amount of state funding since. Part of the reason for the equalization aid formula not being adjusted was due to a reduction in state revenues in 2009 and 2010 due to the recession. Continued lower equalization aid has helped to balance the state budget for over 10 years.

Now that state revenues are at record highs it is time to adjust the equalization aid formula to RESTORE equalization aid back to Nebraska schools.

Attached is a spreadsheet, “**Nebraska Plan = Ag @ 42% + Real @ 86% + BF @ 10%**”, which has information about why equalization aid needs to be RESTORED to Nebraska schools.

The recession began in 2008-09 which resulted in reduced state revenues for several years (see tab “**History of State Aid and Eq. Aid**” column H). So the state was looking for ways to reduce spending. In 2008 agland values began to increase by double digit percentages and continued for eight years. This is shown in the tab “**History of Valuations**” column C. Agland valuations across the state were at \$28B in 2007 and increased to \$99B in 2016. Valuations increased by over 350% in just 9 years! During the 25 year time span from 1997 to 2021 only agland increased by double digits for 8 years. Residential and Commercial property only had one year when they increased by double digits during this time. So the agland increases are truly unique during this time period. This valuation increase created an “automatic” reduction in equalization aid to schools which allowed the legislature to reduce education spending without taking any action.

The tab “**History of State Aid and Eq. Aid**”, shows that equalization aid, column B, peaked in 2010-11 at \$912M and has never matched that amount since.

One action that the legislature did take was to increase the LER (Local Effort Rate) from .95 in 2007-08 to 1.00 in 2008-09. This is shown in column F. In 2011-12 the LER was raised even further up to 1.0395. This action was reversed in 2014-15 but was again increased in 2017-19 for two years. In 2019-20 the LER was lowered to 1.00 where it is today.

You will also see that the number of equalized schools (column G) was at 205 in 2007-08. It dropped in 2011-12 to 156 when the LER was raised. It then dropped to 87 equalized schools in 2015-16 when agland values dramatically increased 22%, 29% and 19% in the previous 3 years.

These numbers clearly show that action needs to be taken to RESTORE equalization aid to Nebraska Schools and RESTORE the number of equalized schools in the state.

In the tab “**Ag Val. Compared 2007 to 2021**” lines 9 and 10, you will see the percentages that each of the 10 property sectors had of the total state property valuation in 2007 compared to 2021. 2007 is used as the base year because this is the year prior to when agland began to increase annually by double digit percentages for 8 straight years. In 2007 agland comprised

21% of the statewide total valuation. In 2021 agland comprised 32% of the total. So to adjust agland back to the 21% that it was in 2007, agland today would need to be valued at 42% of its market value verses the 75% that it is currently (**lines 14 and 16**). The interesting part is that when agland is adjusted back to 21% of the statewide total (**line 19**), residential and commercial property are still just slightly less than the percentage they were in 2007 (**line 19 vs. line 9**).

Between 2007 and 2016 there was a dramatic shift in the percentage of statewide valuation attributed to agland. Now is the time for this dramatic change to be corrected within the TEEOSA formula (Tax Equity and Educational Opportunity Support Act).

PLEASE NOTE: This proposed agland valuation change is only within the TEEOSA formula for equalization aid calculation purposes. Currently TEEOSA uses 72% of agland value. This proposal does not change the 75% taxable value of agland for property tax assessment.

TEEOSA does not have a mechanism in place to account for when one of the 10 sectors of valuation across the state increases at a rate substantially higher than all others.

So this proposal would bring agland values back to the 2007 level by adjusting them to 42% of market value. Residential values are also a concern across the state so this proposal lowers all other real property (Residential, Commercial, Ag Improve, Railroad and Public Utilities) to 86% of market value. There are also many within the state who feel that all students/schools should be provided at least a minimum level of state support so this proposal includes a minimum of 10% Basic Funding for all schools.

The tab **“21-22 Detailed”** is a model of the 2021-22 TEEOSA Formula with these three changes. Color coding to show school enrollment and levy ranges are shown starting in cell AA261.

The information in this model is from the Nebraska Department of Education and the Department of Revenue. The 42% agland and 86% real property valuation calculations are in columns **BH to BN**. These valuations are then used to calculate the Yield from LER in column **BQ**. New Equalization Aid is shown in Column **BT**. Basic Funding is calculated in columns BV and BW to determine the amount of additional funds needed to provide at least 10% of Basic Funding to all schools. Column BX shows the total New State Aid including the minimum Basic Funding.

Columns **CA, CB and CC** show the current General Fund Levy, Potential GF Levy Change and the Potential New GF Levy. Color coding for levies is at the bottom of these columns. The model is sorted by column A, “System County/District Number”. The tab **“21-22 Simplified Model”** provides the same information in a condensed format. The last tab **“Sort new EqAid, + BF, + Only BF”** shows the schools getting equalization aid, then those getting both equalization aid and basic funding and those only getting basic funding. There are 11 schools at the bottom who don’t get equalization aid or basic funding due to over 10% of their basic funding coming from net option or allocated income tax.

The goal of any change to TEEOSA, the State Aid Formula, should be to bring levies down and closer together. The tab, **“Current Levy vs Nebraska Plan Levy”**, clearly shows the lowering of school levies and that they are closer together across the state. The bar graph is a good visual of this. Schools with levies over .80 are dramatically reduced and over 72% of schools have potential new levies in the 50’s, 60’s and 70’s.

The chart also shows that the number of equalized schools increases by 90 for a total of 177 which is more than double the current 87 equalized schools. 72% of schools would be equalized with the Nebraska Plan. This is certainly a step in the right direction!

The small chart in Columns **P & Q** shows the current levy ranges and the average potential levy reduction for schools within each levy range. The biggest reductions are for those schools with the highest levies which results in levies coming closer together across the state.

The cost of lowering agland to 42%, other real property to 86% and providing a minimum of 10% Basic Funding is approximately \$348M. Where will this money come from? The answer is the general fund. For over 10 years property owners have helped to balance the state general fund budget due to the reduction of equalization aid to schools. Now that state revenues are at historic highs it is time to correct this by RESTORING those funds back to schools through the state general fund. These funds will have a direct impact on lowering property taxes across the state.

Another potential funding source within the current state general fund budget is the unclaimed LB1107 funds for income tax credits for school property taxes paid. For the past two years 40% of those funds have not been claimed. For the most recent year total funding was nearly \$550M so the 40% unclaimed is \$220M. After a one year look back, any unclaimed funds could be reallocated to fund the Nebraska Plan. The balance of \$128M seems very reasonable considering the current high levels of state revenue.

Thank you for reading and I would appreciate your feedback and questions.

(1) The 3 Native American schools are removed from the averaging since 2 of them would have a negative potential levy reduction and 1 of them it was reduced over 88 cents.

A percentage of the increased State Aid would then be available to all property owners through the Income Tax Credit on School property taxes paid.

Increased State Aid will lower the amount of property taxes requested resulting in the % of the Income Tax Credit increasing for all property owners.

The purpose of this survey was to determine Nebraska teacher shortages in the fall of 2022 and what the district/system did to address those shortages. The survey conducted by the Nebraska Department of Education (NDE) and disseminated to all Nebraska PK-12 public school districts, Educational Service Units (ESU), and nonpublic school systems, determined the following:

- The number of districts/systems that could not find fully qualified personnel*;
- The number of teacher positions for which districts/systems could not find fully qualified personnel;
- The endorsement areas of those positions;
- The reasons why individuals in the applicant pool were not sufficient/appropriate for the positions; and
- What districts/systems did to address the positions not filled with fully qualified personnel.

PROCEDURES

The Teacher Vacancy Survey, which is administered online through the NDE Portal, was opened to all Nebraska PK-12 public school districts, nonpublic school systems, and ESUs in October 2022. Announcements in the NDE Bulletin (a weekly e-bulletin for NDE Portal users), phone calls, and email reminders were utilized to encourage participation.

The survey asked districts/systems to report the following information:

- The number of positions the district/system needed to fill at the beginning of the 2022-23 school year;
- The number of those positions not filled with fully qualified personnel;
- The full-time equivalency (FTE) and endorsement area of each unfilled** position;
- Reason for not being able to fill the position with a fully qualified teacher; and
- How the district/system solved the dilemma for the position.

NDE gathered the following information using data available from NDE databases:

- Community College Region in which district/system is located
- Size of PK-12 school enrollment

1 – Western	2 – West Central
3 – Northeast	4 – Central
5 – Southeast	6 – Metro

For purposes of this report, public districts, ESUs, and nonpublic systems' data are combined into total counts as **Districts/systems** (coded in orange, Table #a); ESUs are combined with the public-school data as **Districts** (coded in green, Table #b), while the nonpublic data are shown as **Systems** (coded in yellow, Table #c).

* **Fully qualified** is defined as "an individual who holds a regular Nebraska teaching certificate, the appropriate endorsement for the assigned class, and the professional attributes sought by the school district."

****Unfilled** refers to a position that was filled by someone other than a fully qualified teacher **or** a position that was left vacant.

RESULTS

Response Rate

All 436 districts/systems (public districts and ESUs, and nonpublic systems) in Nebraska had the opportunity to respond to the survey. The overall response rate was good (92%) with 402 completing the survey. The district rate (public/ESU) was 258 of 261 responding for a 99% response rate, while the system rate (nonpublic) was 144 of 175 responding for an 82% response rate. There was an increase in participation by public districts, ESUs, and nonpublic systems this year. Tables 1a (districts/systems), 1b (districts), and 1c (systems) report the distribution and the return sample by Community College Region (region). Tables 2a-c show the return sample by size of district/system.

Districts/systems with Unfilled Positions

Unfilled positions are those positions for which fully qualified personnel were not hired, including positions that were left vacant***. Overall, there were 196 districts/systems reporting unfilled positions, or 48.75% of the returned sample. Tables 3a (districts/systems), 3b (districts), and 3c (systems) report the distribution of those districts/systems by region. Tables 4a-c report the distribution of districts/systems with unfilled positions by size of district/system. Of the districts/systems reporting unfilled positions, almost 72% have **less than 500** students, while over one half (83.67%) of nonpublic systems reporting unfilled positions have **less than 250** students.

Unfilled Positions

There were 768.70 unfilled positions reported. Tables 3a-c identify the percentage of unfilled positions by region. Tables 4a-c identify the percentage of unfilled positions by district/system size. Of the 768.70 unfilled positions, 227.05 positions (29.53%) were in districts/systems with **less than 500** students. Overall, 208.45 of the unfilled positions (27.12%) were reported with a solution of '**not filled**' (vacant).

Tables 3a-c and 4a-c show the number of vacant positions in each region or size, as well as the percent of unfilled positions left vacant. The Metro region had the largest number of unfilled positions and the most difficulty filling open positions. The largest schools (>10,000) had the most unfilled positions and more positions left vacant.

Unfilled Positions by Endorsement Area

Tables 5a-c and 6a-c indicate the number of unfilled positions by endorsement area, by region and district/system size, respectively. The endorsement areas of Special Education (143.4 positions; 18.65%), Elementary Education (117.9 positions; 15.34%), Career Education (70.85 positions; 9.22%), Language Arts (54.1 positions; 7.04%), Science (48.97 positions; 6.37%), Mathematics (46.93 positions; 6.11%), and Speech Language Pathology (45 positions; 5.85%) topped the list of unfilled positions. Additional areas of need include Music Instrumental/Vocal, Early Childhood Education Areas, Art, World Language, and School Counselor.

*****Vacant** refers to a position that was not filled at all.

Reasons for Unfilled Positions

Districts/systems were provided with and allowed multiple reasons for an unfilled position. Of the 196 districts/systems reporting unfilled positions, the main reasons given were divided between “No applicants” (46%) and “No fully qualified applicants based on endorsement area” (20%). Tables 7a-c, 8a-c and 9a-c report the percentage of reasons for unfilled positions by region, district/system size, and endorsement area respectively.

Solutions for Unfilled Positions

The most frequently reported solutions for unfilled positions include: “Position was not filled” (17%); “Hired a person NOT appropriately endorsed in the content area” (15%); “Hired a person who holds a transitional permit” (13%); and “Used substitute teachers” (11%). Tables 10a-c report the number of solutions by endorsement area. Nonpublic systems indicated a higher rate of the solution: “Used substitute teachers” (18% compared to 9%); whereas public systems indicated a higher rate of the solution: “Position was not filled” (19% compared to 7%).

Trend Analysis

Of the top 10 unfilled positions by endorsement area, several are the same for districts and systems – Language Arts, Elementary Education, Music Instrumental/Vocal, Mathematics, Career Education Areas, and Science. Public districts and ESUs show Special Education, Elementary Education, Career Education Areas, and Language Arts as their top four areas of need this year. Nonpublic systems show Elementary Education, Science, Mathematics, and Music Instrumental/Vocal as their top four areas of need. Special Education, Speech Language Pathology, and Elementary Education reported the highest number of positions left vacant in the top 10 unfilled endorsement areas.

Represents Common Shortage Areas

Of the 17 endorsement shortage areas, six have been designated shortage areas each year for the last 15 years: Language Arts, Mathematics, Science, Special Education, Speech Language Pathology, and World Language. In addition to these, 8 others have been designated shortage areas each of the last five years: Career Education Areas; Art; Early Childhood Education; Health and/or Physical Education; School Counselor; School Library; School Psychologist; and Music/Instrumental/Vocal.

Comments were provided by 156 different districts/systems. Over half of the comments (52%) referenced that the overall applicant pool continues to get smaller, along with less qualified candidates applying. In addition, 20% of the comments referenced the difficulty of certification in Nebraska including concerns about challenges for out-of-state applicants and the Praxis requirement.

2022-23 Teacher Vacancy Survey Report Summary

The Nebraska Department of Education (NDE) conducted the 2022-23 Teacher Vacancy Survey in the fall of 2022. All public-school districts, nonpublic school systems and Educational Service Units (ESU) have been included in the collection of data. For purposes of this report, the ESU data has been combined with the public-school data (district) while the nonpublic data (system) is combined with them into the total counts. This summary shows the totals. For the separate district and system counts, see the full report.

The survey of all 436 Nebraska districts/systems (244 PK-12 public school districts, 17 ESUs, and 175 nonpublic school systems) in the state requested the following information:

- The number of districts/systems that could not find fully qualified teachers* to fill positions;
- The endorsement areas of the positions that were unfilled**;
- The reasons why the applicant pool was not sufficient; and
- What the district/system did to address the unfilled positions.

The overall response rate was good (92%) with 402 completing the survey. The district rate (public/ESU) was 258 of 261 responding for a 99% response rate, while the system rate (nonpublic) was 144 of 175 responding for an 82% response rate. There was an increase in participation by public districts, ESUs, and nonpublic systems this year. The endorsement areas with the largest number of unfilled positions were the following:

+ ESL/ELL are traditional shortage areas for federal consideration so Nebraska recognizes them as well.

Districts/Systems reported 768.70 positions as unfilled with fully qualified personnel, and 208.45 left vacant for 2022-23. Of those 768.70 positions, 227.05 positions (29%) were in districts/systems with less than 500 students.

There were 196 districts/systems (48.75% of the returned surveys) with unfilled positions at the beginning of the 2022-23 school year.

For the purposes of this survey:

***Fully qualified teacher** is an individual who holds an Initial, Standard, or Professional, Nebraska teaching certificate with the appropriate endorsement for the assigned class, and the professional attributes sought by the school district.

****Unfilled** refers to a position that was filled by someone other than a fully qualified teacher **or** a position that was left vacant.

*****Vacant** refers to a position that was not filled at all – i.e., in Special Education of the 143.4 unfilled positions, 96 have teachers and 47.4 were left vacant.

Districts/systems were allowed to identify multiple reasons for unfilled** positions. Of the 196 districts/systems reporting unfilled positions, the main reasons given were divided between “No applicants” (46%) and “No fully qualified applicants based on endorsement area” (20%).

The survey offered solutions from which districts/systems could choose from when identifying how they solved the dilemma of unfilled** positions. The most frequently reported solutions for unfilled positions include: “Position was not filled” (17%); “Hired a person NOT appropriately endorsed in the content area” (15%); “Hired a person who holds a transitional permit” (13%); and “Used substitute teachers” (11%). For further information, see Tables 10a-c in the full report.

Of the 17 endorsement shortage areas, six have been designated shortage areas each year for the last 15 years: Language Arts, Mathematics, Science, Special Education, Speech Language Pathology, and World Language. In addition to these, 8 others have been designated shortage areas each of the last five years: Career Education Areas; Art; Early Childhood Education; Health and/or Physical Education; School Counselor; School Library; School Psychologist; and Music/Instrumental/Vocal.

2006 Complaint Procedure

Good communication helps to resolve many misunderstandings and disagreements. This complaint procedure applies to board members, patrons, students and school staff, unless the staff member is subject to a different grievance procedure pursuant to policy or contract. Individuals who have a complaint should discuss their concerns with appropriate school personnel in an effort to resolve problems. When such efforts do not resolve matters satisfactorily, including matters involving discrimination or harassment on the basis of race, color, national origin, sex, marital status, disability, or age, a complainant should follow the procedures set forth below. Students and employees who believe they have been subjected to sex harassment in violation of Title IX should refer to the board's policy titled "Title IX."

A preponderance of the evidence will be required to discipline a party accused of misconduct. This means that the investigator must conclude that it is more likely than not that misconduct occurred.

Complaint and Appeal Process.

1. The first step is for the complainant to speak directly to the person(s) with whom the complainant has a concern. For example, a parent who is unhappy with a classroom teacher should initially discuss the matter with the teacher. However, the complainant should skip the first step if complainant believes speaking directly to the person would subject complainant to discrimination or harassment.
2. The second step is for the complainant to speak to the building principal, Title IX/504 coordinator, superintendent of schools, or president of the board of education, as set forth below.
 - a) Complaints about the operation, decisions, or personnel within a building should be submitted to the principal of the building.
 - b) Complaints about the operations of the school district or a building principal should be submitted in writing to the superintendent of schools.

- c) Complaints about the superintendent of schools should be submitted in writing to the president of the board of education.
 - d) Complaints involving discrimination or harassment on the basis of race, color, national origin, sex, marital status, disability, or age may also be submitted, at any time during the complaint procedure to the School District's Title IX/504 coordinator. Complaints involving discrimination or harassment may also be submitted at any time to the Office for Civil Rights, U.S. Department of Education: by email at OCR.KansasCity@ed.gov; by telephone at (816) 268-0550; or by fax at (816) 268-0599.
3. When a complainant submits a complaint to an administrator or to the Title IX/504 coordinator, the administrator or Title IX/504 coordinator shall promptly and thoroughly investigate the complaint, and shall:
- a) Determine whether the complainant has discussed the matter with the staff member involved.
 - 1) If the complainant has not, the administrator or Title IX/504 coordinator will urge the complainant to discuss the matter directly with that staff member, if appropriate.
 - 2) If the complainant refuses to discuss the matter with the staff member, the administrator or Title IX/504 coordinator shall, in his or her sole discretion, determine whether the complaint should be pursued further.
 - b) Strongly encourage the complainant to reduce his or her concerns to writing.
 - c) Interview the complainant to determine:
 - 1) All relevant details of the complaint;
 - 2) All witnesses and documents which the complainant believes support the complaint;

- 3) The action or solution which the complainant seeks.
 - d) Respond to the complainant. If the complaint involved discrimination or harassment, the response shall be in writing and shall be submitted within 180 calendar days after the administrator or Title IX/504 coordinator received the complaint.
4. If either the complainant or the accused party is not satisfied with the administrator's or the Title IX/504 coordinator's decision regarding a complaint he or she may appeal the decision to the superintendent.
 - a) This appeal must be in writing.
 - b) This appeal must be received by the superintendent no later than ten (10) calendar days from the date the administrator or Title IX/504 coordinator communicated his/her decision to the complainant.
 - c) The superintendent will investigate as he or she deems appropriate. However, all matters involving discrimination or harassment shall be promptly and thoroughly investigated.
 - d) Upon completion of this investigation, the superintendent will inform the complainant in writing of his or her decision. If the complaint involved discrimination or harassment, the superintendent shall submit the decision within 180 calendar days after the superintendent received complainant's written appeal.
5. If either the complainant or the accused party is not satisfied with the superintendent's decision regarding a complaint he or she may appeal the decision to the board.
 - a) This appeal must be in writing.
 - b) This appeal must be received by the board president no later than ten (10) calendar days from the date the superintendent communicated his/her decision to the complainant.

- c) This policy allows, but does not require the board to receive statements from interested parties and witnesses relevant to the complaint appeal. However, all matters involving discrimination or harassment shall be promptly and thoroughly investigated.
 - d) The board will notify the complainant in writing of its decision. If the complaint involved discrimination or harassment, the board shall submit its decision within 180 calendar days after it received complainant's written appeal.
 - e) There is no appeal from a decision of the board.
6. When a formal complaint about the superintendent of schools has been filed with the president of the board, the president or his or her designee shall promptly and thoroughly investigate the complaint, and shall:
- a) Determine whether the complainant has discussed the matter with the superintendent.
 - 1) If the complainant has not, the board president or designee will urge the complainant to discuss the matter directly with the superintendent, if appropriate.
 - 2) If the complainant refuses to discuss the matter with the superintendent, the board president shall, in his or her sole discretion, determine whether the complaint should be pursued further.
 - b) Strongly encourage the complainant to reduce his or her concerns to writing.
 - c) Determine, in his or her sole discretion, whether to place the matter on the board agenda for consideration at a regular or special meeting.
 - d) Respond to the complainant. If the complaint involved discrimination or harassment, the response shall be in writing and shall be submitted within 180 calendar days after the president received the complaint.

No Retaliation. The school district prohibits retaliation against any person for filing a complaint or for participating in the complaint procedure in good faith.

Special Rules Regarding Educational Services and Related Services to Students with Disabilities. Students with disabilities and their families have specific rights outlined in state and federal law, including administrative processes by which they may challenge the educational services being provided by the school district. Therefore, the appeal process contained in this policy may not be used to challenge decisions made by a student's individualized education plan (IEP) team or 504 team.

Complaints about the educational services provided a student with a disability, including but not limited to services provided to a student with an IEP, access to curricular and extracurricular activities, and educational placement must be submitted to the school district's Director of Special Education. The Director of Special Education will address the complaint in a manner that he/she deems appropriate and will provide the complainant with a copy of the Notice of IDEA Parental Rights promulgated by the Nebraska Department of Education.

Complaints about the educational services provided a student with a disability pursuant to a Section 504 plan must be submitted to the school district's 504 Coordinator. The 504 Coordinator will address the complaint in a manner that he/she deems appropriate and will provide the complainant with a copy of the Notice of Section 504 Parental Rights adopted by the board of education.

Complaints about the educational services provided to a student who is suspected of having a disability must be submitted in writing to the school district's Director of Special Education or to the district's 504 Coordinator. The Director of Special Education or 504 Coordinator will either refer the student for possible verification as a student with a disability or will provide prior written notice of the district's refusal to do so.

Bad Faith or Serial Filings. The purpose of the complaint procedure is to resolve complaints at the lowest level possible within the chain of command. Individuals who file complaints (a) without a good faith intention to attempt to resolve the issues raised; (b) for the purpose of adding administrative burden; (c) at a volume unreasonable to expect satisfactory resolution; or (c) for purposes inconsistent with the efficient operations of the district may be dismissed by the superintendent

without providing final resolution other than noting the dismissal. There is no appeal from dismissals made pursuant to this section.

Drug Free Workplace

It is vitally important to have a healthy workforce that is free from the effects of illegal drugs. The use or possession of unlawful drugs in the workplace has a very detrimental effect upon safety and morale of the affected employee, coworkers, and the public at large; and on productivity and the quality of work.

Federal law requires this school district, as a recipient of federal funds, to maintain a drug-free workplace. The unlawful manufacture, distribution, dispensing, possession, or use of a controlled substance in the district's workplace is prohibited. The term "workplace" includes every location where district employees may be found during their working hours or while they are on duty, regardless of whether the location is within the geographic boundaries of the district. Any employee who violates this policy will be disciplined with measures up to and including discharge. The district may, in its sole discretion, require or allow an employee who violates this policy to participate in and satisfactorily complete a drug abuse assistance or rehabilitation program.

The district shall provide every current employee with a copy of this policy, and shall provide each newly hired employee with a copy upon hiring. Every employee shall be required to signify receipt of a copy of the policy in writing. All district employees must abide by this policy, including those who are not directly engaged in the performance of work pursuant to a federal grant.

An employee must notify his/her supervisor of any conviction of a criminal drug statute for a violation occurring in the workplace within five days. The failure to report such a conviction will be grounds for dismissal. If the employee convicted of such an offense is engaged in the performance of work pursuant to the provisions of a federal grant, the district shall notify the grant agency within 10 days of receiving notice of a conviction from the affected employee or of receiving actual notice of such a conviction.

Drug Policy Regarding Drivers

Policy Statement. Drivers for the school district must be free from drug and alcohol abuse, and the use of illegal drugs or improper use of alcohol is prohibited. The overall goal of drug and alcohol testing is to insure a drug-free and alcohol-free transportation environment, and to reduce accidents, injuries and fatalities.

Designated Contact. The school district has designated the superintendent of schools as the individual any driver may contact with questions about this policy or the school district's drug testing program and procedures for drivers. This individual further maintains and will provide drivers informational materials concerning the effects of alcohol and controlled substances use on an individual's health, work, and personal life; signs and symptoms of an alcohol or a controlled substances problem (the driver's or a co-worker's); and available methods of intervening when an alcohol or controlled substances problem is suspected, including confrontation, referral to any employee assistance program and/or referral to management.

The superintendent of schools may be contacted at (402) 335-3320.

Covered Drivers. Any person who operates a commercial motor vehicle on behalf of the school district is covered by this policy and the school district's drug testing program and procedures for drivers. All covered drivers must provide the school district a signed statement certifying that he or she has received a copy of this policy and related materials.

Covered Workday. A driver is required to comply with this policy and the terms of the school district's drug testing program and procedures for drivers at all times they are assigned, or may be assigned, to perform safety-sensitive functions. This includes all time from the time a driver begins to work or is required to be in readiness to work until the time he/she is relieved from work and all responsibility for performing work. Safety-sensitive functions include: (1) all time at a school district facility or property, contractor facility or property, or on any public property, waiting to be dispatched, unless the driver has been relieved from duty by the school district; (2) all time inspecting equipment as required by state or federal law or regulation and any and all other time inspecting, servicing, or conditioning any commercial motor vehicle; (3) all time spent at the driving controls of a commercial motor vehicle in operation; (4) all time, other than driving time, in or upon any commercial motor vehicle; (5) all time loading or unloading a vehicle, supervising, or assisting in the loading or unloading, attending a vehicle being loaded or unloaded, remaining in readiness to operate the vehicle, or in giving or

receiving receipts for shipments loaded or unloaded; and (6) all time repairing, obtaining assistance, or remaining in attendance upon a disabled vehicle.

Prohibited Conduct. No driver shall: (1) report for duty or remain on duty requiring the performance of safety-sensitive functions while having an alcohol concentration of 0.04 or greater; (2) use alcohol while performing safety-sensitive functions; (3) perform safety-sensitive functions within four hours after using alcohol; or (4) refuse to submit to a pre-employment controlled substance, a post-accident alcohol or controlled substance test, a random alcohol or controlled substances test, a reasonable suspicion alcohol or controlled substance test, a return-to-duty alcohol or controlled substances test, or a follow-up alcohol or controlled substance test required under state or federal law or this policy. No driver required to take a post-accident alcohol test shall use alcohol for eight hours following the accident, or until he/she undergoes a post-accident alcohol test, whichever occurs first.

No driver shall: (1) report for duty or remain on duty requiring the performance of safety sensitive functions when the driver uses any drug or substance identified in 31 CFR 1308.11 Schedule 1; (2) report for duty or remain on duty requiring the performance of safety-sensitive functions when the driver uses any non-Schedule I drug or substance that is identified in the other Schedules in 21 CFR part 1308 except when the use is pursuant to the instructions of a licensed medical practitioner who is familiar with the driver's medical history and has advised the driver that the substance will not adversely affect the driver's ability to safely operate a commercial motor vehicle; or (3) report for duty, remain on duty or perform a safety-sensitive function, if the driver tests positive or has adulterated or substituted a test specimen for controlled substances.

Types of Testing. Pursuant to regulations promulgated by the Department of Transportation (DOT), the district has implemented four types of testing: (1) pre-employment testing, (2) reasonable cause testing, (3) post-accident testing and (4) random testing.

Refusal to Submit to Testing. A driver shall not refuse to submit to testing. A driver will be considered to have refused to submit to testing if the driver fails to provide a sample or specimen necessary for testing upon a lawful request, consistent with the required testing protocols. The refusal to submit to the testing used by the district will be grounds for refusal to hire driver applicants and to terminate the employment of existing drivers.

Consequences for Violations. Any driver who becomes unqualified on the basis of violation of the terms of this policy will be subject to disciplinary action which may include termination of the driver's employment, and shall include

the immediate removal from safety-sensitive functions in compliance with federal law. No driver tested pursuant to this policy and the school district's drug testing program and procedures who is found to have an alcohol concentration of 0.02 or greater but less than 0.04 shall perform or continue to perform safety-sensitive functions until the start of the driver's next regularly scheduled duty period, but not less than 24 hours following administration of the test.

Return to Duty Process. A driver who has violated this policy or the school district drug testing program and procedures cannot again perform any safety-sensitive functions until and unless the employee completes the return-to-duty process, including the substance-abuse professional's (SAP) evaluation, referral, and recommended education or treatment. The school district will provide employees the relevant contact information for available and acceptable SAPs as necessary, but the school district is not required under the law to provide a SAP evaluation or any subsequent recommended education or treatment for a driver. Any driver completing the return-to-duty process must complete a return-to-duty test and test negatively.

Disqualification. Any applicant who tests positive for the presence of the following drugs is medically unqualified to drive and will not be considered for the position of driver: (1) marijuana, (2) cocaine, (3) opiates, (4) amphetamines, or (5) phencyclidine (PCP). Any district driver who tests positive shall be medically unqualified and removed from service immediately.

Pre-employment Testing. All applicants for employment must submit to drug and alcohol tests as a condition of being considered for employment.

Reasonable Cause Testing. The district shall have reasonable cause to require a driver to submit to drug testing when a driver manifests physical or physiological symptoms or reactions commonly attributed to the use of controlled substances or alcohol.

Post-Accident Testing. A driver who has been involved in a reportable accident must submit to drug and alcohol testing as soon as possible. A reportable accident includes any accident in which there is a fatality, a person is injured and must be treated away from the accident site, the driver receives a citation for a moving violation, or a vehicle is towed from the scene. The driver must notify the district immediately regarding any reportable accident.

Serious Injury to the Driver. If a driver is so seriously injured that he or she cannot submit to testing at or immediately after the time of the accident, the driver must provide the necessary authorization for the district to obtain

hospital reports or other documents that would indicate whether there were controlled substances or alcohol in the driver's system.

Random Testing. All drivers will be subject to unannounced random testing for drugs and alcohol. The district or its agents will periodically select drivers at random for testing. A district official will notify a driver when his or her name has been selected and will instruct the driver to report immediately for testing. By its very nature, random selection may result in one driver being tested more than once in a 12-month period, while another driver may not be selected at all during the same 12 months.

Frequency of Random Testing. Under DOT regulations, the district must test at least 50 percent of its average number of driver positions for drugs and 25 percent of its average number of driver positions for alcohol each year. The tests must be unannounced and spread evenly throughout the year. DOT regulations also require that every driver selected at random must have his or her name placed back in the random pool for the next selection period.

Testing Procedure. All urine and blood specimens collected under the policy will be submitted to an approved laboratory for testing. Specimens that initially test positive for drugs will be subjected to a subsequent confirmation test before being reported by the laboratory as positive. All such specimens collected and submitted will be maintained securely to safeguard the validity of the test results and maintain the integrity of the testing process while ensuring the results are attributed to the correct driver.

Medical Resource Officer. All laboratory test results will be reported by the laboratory to a medical review officer (MRO) designated by the district. Negative test results will be reported as such by the MRO to the district. Before reporting a positive test result to the district, the MRO will attempt to contact the driver to discuss the test result. If the MRO is unable to contact the driver directly, the MRO will contact a district official designated in advance by the district, who shall in turn contact the driver and direct the driver to contact the MRO. Upon being so directed, the driver shall contact the MRO immediately or, if after the MRO's business hours and the MRO is unavailable, at the start of the MRO's next business day. If required by DOT regulations, personal information collected and maintained pursuant to this policy shall be reported to the Clearinghouse by the MRO in the event of: (1) a verified positive, adulterated, or substituted drug test result; (2) an alcohol confirmation test with a concentration of 0.04 or higher; (3) a refusal to submit to any test required by this policy and the school district's drug testing program and procedures; (4) an employer's report of actual knowledge that a driver has used alcohol or controlled substances based on the employer's direct observation of the employee, information provided by the driver's

previous employer(s), a traffic citation for driving a CMV while under the influence of alcohol or controlled substances or an employee's admission of alcohol or controlled substance use; (5) on duty alcohol use as prohibited above; (6) pre-duty alcohol use as prohibited above; (7) alcohol use following an accident as prohibited above; (8) controlled substance use as prohibited above; (9) a substance abuse professional report of the successful completion of the return-to-duty process; (10) a negative return-to-duty test; and (11) an employer's report of completion of follow-up testing.

Confidentiality. Pursuant to DOT regulations, individual test results for applicants and drivers will be released to the district and will be kept confidential unless the tested individual consents to their release or release is required by law (such as the release of information to the Clearinghouse.) Any person who has submitted to drug testing in compliance with this policy is entitled to receive the results of such testing upon timely written request.

Retesting. An individual who tested positive for the presence of drugs may request that the original sample be retested. The request for a retest must be submitted in writing on a form provided by the district within 3 working days of the district's notification to the individual that he or she has a positive test result. The individual making the request must pay all costs associated with the retest and transfer of the sample to another laboratory before the retest will be performed.

January 16, 2023

Dear Mr. Rother,

Please accept this letter as an official notification of my retirement at the end of this school year. May 19, 2023 will be my official last working day.

I will always cherish my time spent as a librarian, introducing new books to students, hosting book fairs, reading treasured stories and modernizing each library. Each year, when I heard a child say they just loved reading, it brought a smile to my heart.

I am extremely grateful to you, the administration and school board for all your support and guidance. It has been a pleasure and an honor to work under you and to serve the excellent and caring staff that we have here at JCC.

I am more than pleased to offer my assistance to the school and district administration with the transition and process in handing over duties to the new teacher. Let me know how I can best help during this transition.

Please let me know what steps need to be followed in order to initiate the retirement process. You have my total support in making a smooth transition to the new librarian. I will look forward to working with them.

Thank you once again for your undeterred support all along. I wish you and the school the very best.

Sincerely,

A BA+36 column is available to a teacher only if that teacher takes college credit hours at the request or direction of the school district to earn an additional endorsement and taking such courses causes the teacher to earn nine or more college credit hours beyond the teacher's placement on the BA+27.
 - B. After a master's degree, any graduate hours or any hours applied towards an additional endorsement or towards any hours in an institution approved masters, specialist, or PhD degree will count towards movement on the salary schedule.

When those teachers who have been continuously employed by the district as certificated staff members for at least fifteen (15) consecutive years, and only those teachers, depart the employment of the school district, the school district will compensate such teachers for each accrued unused sick leave day, up to a total of sixty (60) days, as follows: (i) if the teacher notifies the superintendent of his or her intention to depart from the district's employment no later than the January 1 immediately preceding the date of departure, the rate of compensation shall be 25% of sub pay; (ii) if the teacher notifies the superintendent of his or her intention to depart from the district's employment after January 1 but no later than the March 15 immediately preceding the date of departure, the rate of compensation shall be 12.5% of sub pay; and (iii) if the teacher notifies the superintendent of his or her intention to depart from the district's employment after the March 15 immediately preceding the date of departure, the teacher shall receive no compensation. - B. The Superintendent will notify the President of the JCCEA of the request.
- C. The Committee shall meet to determine whether the request shall be granted.

- D. A quorum of the voting members of the committee shall be present to determine whether a request is granted.
- E. A majority of the voting members who are present at the meeting must vote affirmative for a request to be granted. A tie vote will mean that the request has been denied.
- F. The committee shall decide what rationale is used in making the decision on an individual request. Sick leave use history is an acceptable rationale for consideration.
- G. The decision of the Committee may be appealed to the Committee, but new evidence or rationale must be submitted in order for the committee to reconsider the request.
- H. If a request is granted and the employee does not use the full number of days granted, the days not used will be returned to the sick bank. Unused granted days may be retained during that school year, but may only be used for the situation for which they were granted.

2. Extra-Curricular activity sponsors or coaches will advance one year on the schedule for each year served in that capacity
3. A coach/sponsor who moves from Head Coach to Assistant Coach in the same activity would be credited with ½ of the years of experience for placement on the schedule.
4. An Assistant Coach/Sponsor moving to the Head position in the same activity will start at Step 1.
5. New coaches/sponsors will start at Step 1.
6. The percentages apply to line item activities and not the total package percentage. Any extra-curricular activity cut from the program will not have its funding prorated among the other activities.
7. The district shall issue activity passes to faculty members. Such passes will provide for admittance to activities for a teacher, his/her spouse, and his/her children, provided that the children are accompanied by one parent at the activity. In return, JCCEA agrees that its members in attendance will assist with supervision if and when such assistance is needed.

JOHNSON COUNTY CENTRAL PUBLIC SCHOOLS

Grievance Procedure

The procedures detailed hereinafter will be utilized to resolve disputes which arise because of an alleged violation of the negotiated agreement between the Johnson County Central Education Association (JCCEA) and the Johnson County Central Public Schools Board of Education (Board).

Definitions

Grievance: An alleged violation of a specific provision(s) of the negotiated agreement

Grievant: An individual or group of certificated staff under contract with the Johnson County Central Public Schools.

Appropriate Administrator: Would be the respective building principal for grievances related directly to their assigned division of operation: Would be the superintendent of schools for grievances which do not easily categorize within either of the elementary or secondary divisions of school operation.

Time Limit for Response: Will be expressed in calendar days (When a time limit expires on the weekend or a school holiday, it will be extended to the next working day.)

Grievance Conference: A private and confidential discussion between the appropriate administrator and/or representatives and the grievant and/or representatives convened by (1) the superintendent, or (2) a two or three person board Committee appointed by the Board President.

Grievant will always attempt first to resolve their concern via an oral and informal discussion with the appropriate administrator. This discussion must take place with fifteen calendar days of the event or circumstances which evoked the potential grievance. If not satisfied with the informal discussion, the grievant may, within the next seven calendar days, submit to the appropriate administrator a written grievance detailing the specific provision(s) of the negotiated agreement which has allegedly been violated, along with a suggested remedy to the grievance.

Upon receiving the written grievance, the administrator will submit in writing to the grievant, within seven calendar days, a response to the alleged violation of the negotiated agreement. If not satisfied with this written response, the grievant may, within seven calendar days, (1) forward the written grievance to the superintendent, if the initial administrator was the building principal, or (2) forward the written grievance to the President of the Board, if the initial administrator was the superintendent. In (1) the superintendent will convene a Grievance Conference within seven calendar days, following which he will submit to the grievant, within seven calendar days, a written response. If not satisfied with the superintendent's response, the grievant may, within seven calendar days, forward the written grievance to the President of the Board.

Upon receiving the written grievance, along with written responses from the appropriate administrators, the Board President will appoint a two or three-person committee of the Board and cause to be convened within seven calendar days, a Grievance Conference chaired by the committee and attended by the appropriate administrator and/or representatives and the grievant and/or representatives. Within seven calendar days, the Board Committee will submit to the grievant a written response. If not satisfied with the committee's written response, the grievant may request, within seven calendar days, with Board President to convene the entire Board to hear the grievance.

Upon receiving such request, the Board shall hear the grievance at the Board's next scheduled regular or special meeting. This meeting will be attended by the appropriate administrator and/or representatives and the grievant and/or representatives and held in closed session unless otherwise mutually agreed to by all concerned parties. No video or audio tape recordings or other written transcription of the meeting will be allowed unless mutually agreed to by all concerned parties. At the close of this meeting the Board will render a decision to either deny the grievance or to effect a remedy.

SUPERINTENDENT'S CONTRACT OF EMPLOYMENT JOHNSON COUNTY CENTRAL PUBLIC SCHOOLS

THIS CONTRACT is made by and between the **Board of Education of Johnson County Central Public Schools**, legally known as **Johnson County School District No. 49-0050**, and referred to as "the Board" and "the School District" respectively, and **Jon Rother**, referred to herein as "the Superintendent". In accordance with its action taken and recorded in the minutes of a duly advertised board meeting, the Board agrees to employ the Superintendent, and the Superintendent agrees to accept such employment, subject to the terms and conditions set forth herein.

Section 1. Term of Contract. The Superintendent shall be employed for a period of one (1) year beginning on July 1, 2022, and expiring on June 30, 2023. During each year of this contract, the Superintendent shall render at least 230 working days of service in the performance of his duties as Superintendent. "Working days" typically will not include Saturdays, Sundays, and legal holidays, but it shall include all days on which the Superintendent actually and necessarily completes his contractual duties. The Superintendent agrees to work sufficient hours and days to satisfactorily complete the duties of this contract. The Superintendent shall keep complete and accurate records of his working days and shall provide the Board of Education with a report of his accumulated working days at least quarterly.

Section 2. Renewal of Contract. If a Board representative does not inform the Superintendent in writing on or before **the seventh day after the regular December board meeting** of the Board's intention to consider the nonrenewal or amendment of this contract, the contract will automatically renew for a period of **one year** from and after the expiration date provided in Section 1 of this contract. The Superintendent shall remind the Board in writing of this provision no later than **its regular November meeting** of each year of this contract and shall make the renewal of his employment contract an agenda item for the regular **December** board meeting during each year of this contract. At the time of each contract renewal and/or amendment, the Superintendent shall be responsible for taking all necessary steps to insure that the district has complied with the Superintendent Pay Transparency Act.

Section 3. Salary. The Superintendent's salary for the contract year shall be \$137,300 which shall be paid in 12 equal monthly installments beginning in the month of August 2022. The Board shall not reduce the Superintendent's salary during the term of the contract, but may increase it and/or the benefits during the term of this contract, as an amendment to the

contract, without the amendment constituting a new contract, requiring a hearing, or extending the term of this contract.

Section 4. Deductions. This contract shall conform to the statutes and regulations governing deductions from compensation and shall be subject to the School Employees Retirement Act. The Superintendent authorizes the District to deduct or withhold from each and every period of pay any amounts necessary to offset any damages caused by the Superintendent or the value of property or money entrusted to the Superintendent or owed by the Superintendent to the District during the course of or as a result of the Superintendent's employment, if such property or money have not properly been returned to the District. The school district shall withhold other deductions as the Superintendent and Board may agree.

Section 5. Professional Status. The Superintendent affirms that he is not under contract with any other board of education covering any part or all of the term provided in this contract. Throughout the contract term, he will hold a valid and appropriate certificate to act as a superintendent of schools in the State of Nebraska which he will register and maintain on file in the school district's central administrative office. This contract shall not be valid and the Board will not compensate the Superintendent for any service performed prior to the date that he registers his certificate. The Superintendent represents that: (1) all information he provided in connection with his application for employment with the District was true and accurate at the time of application, and if there is or has been a material change in such information, he will advise the Board immediately; (2) he has never been convicted of or plead no contest to, a felony as defined in Title 92, Chapter 21, Sections 003.11 and 003.13 of the Nebraska Administrative Code ("Rule 21"), or any offense involving moral turpitude, abuse, neglect, or sexual misconduct, as defined in Title 92, Chapter 21, Sections 003.12 and 003.13 of the Nebraska Administrative Code; and (3) he has not had any professional licenses or certificates suspended or revoked.

Section 6. Superintendent's Duties. The Superintendent's duties shall be 0.8 FTE Superintendent, 0.2 FTE Principal, and as prescribed by statute and by Board policies, rules, regulations, and directives. The Superintendent agrees to devote his time, skill, labor, and attention to his duties throughout the contract term. The Superintendent shall be subject to the direction and control of the Board at all times and shall perform such administrative duties as the Board assigns to him. The Superintendent shall not undertake consultative work, speaking engagements, writing, lecturing, or other professional duties and obligations without first obtaining the written agreement of the school board.

Section 7. Board-Superintendent Relationship. The Board shall be primarily responsible for formulating and adopting policy. The Superintendent shall be the chief administrative officer for the district and shall be responsible for implementing Board policy. He shall organize the administrative and supervisory staff, and select, place, and transfer personnel with the concurrence of the Board. He is responsible for administering the instruction of students and the business affairs of the school district. The Board members agree, individually and collectively, to promptly refer all criticisms, complaints, and suggestions called to their attention to the Superintendent for action, study, and/or recommendation, as appropriate.

Section 8. Cancellation or Mid-Term Amendment. The Board may cancel or amend this contract during its term for any of the following reasons: (a) the cancellation, termination, revocation, or suspension of the Superintendent's certificate (Nebraska Administrative and Supervisory Certificate, or the Nebraska Professional Administrative and Supervisory Certificate) by the State Board of Education; (b) any of the reasons set forth in this contract; (c) the breach of any of the material provisions of this contract; (d) incompetence; (e) neglect of duty; (f) unprofessional conduct; (g) insubordination; (h) conduct involving moral turpitude; (i) physical or mental incapacity; (j) immorality; (k) conviction of a felony; (l) any conduct that substantially interferes with the Superintendent's continued performance of his duties; (m) any arrest, criminal charge, or criminal conviction of Superintendent or the failure to report the same; (n) any filing against the Superintendent under NEB. REV. STAT. § 43-247 or any other provision of the Nebraska Juvenile Code for child abuse and/or neglect or the failure to report the same; (o) knowingly falsifying school district records or documents; (p) misrepresentation of fact to the district and its personnel in the conduct of the district's official business; (q) the use or possession of illegal drugs or controlled substances except as prescribed by a physician; or (r) being under the influence of illegal drugs, controlled substances, or alcohol while on school grounds, at school events, or in a vehicle owned, leased or contracted by the district except as prescribed by a physician. The procedures for cancellation or amendment shall be in accordance with state statutes. The parties agree that the Superintendent's failure to comply with his duties under Section 2 (Renewal of Contract) or Section 15 (Evaluation) shall constitute a material breach of this contract.

Section 9. Disability. If the Superintendent is unable to perform his duties by reason of illness, accident or other disability beyond his control, and the disability continues for a period of more than forty-five (45) days or if the disability is permanent, irreparable, or of such a nature as to make performance of his duties impossible, the Board may initiate action to cancel this contract, whereupon the respective rights, duties and obligations of the

parties hereunder shall terminate, with the exception of any benefits to be paid to the Superintendent under any insurance coverage furnished by the district.

Section 10. Transportation. The Board shall provide the Superintendent with transportation or reimburse him for mileage required in the performance of his official duties at the rate approved by the Board.

Section 11. Fringe Benefits. The Board shall provide the Superintendent with the following fringe benefits:

a. Expense Reimbursement. The Board shall pay or reimburse the Superintendent for expenses that are actually, necessarily, and reasonably incurred in attending educational seminars, conventions, and workshops; conferences; training programs; official school functions, hearings or meetings, provided that (1) such payment or expense is authorized by the Local Government Miscellaneous Expenditures Act (NEB. REV. STAT. § 13-2201 *et seq.*) or some other provision of law, and (2) the Superintendent shall secure the prior approval of the Board before incurring any such expense when the anticipated aggregate expense of any single event is \$1,500.00 or more. If the Superintendent incurs more than \$1,500.00 in educational seminars, workshops, conferences, or training programs in any contract year and chooses to not return the following year of employment as Superintendent, the Superintendent agrees to repay the district in full for expenses paid by the district.

b. Cell Phone. The Board shall provide the Superintendent with a cellular phone at school district expense. The Superintendent shall be permitted to use the cellular phone for personal calls except as otherwise prohibited or limited by the law. The Superintendent shall be responsible for the payment of any charges that directly result from personal use of the cellular phone and authorizes the school district to deduct the cost of the overage from his next regular paycheck.

c. Health Insurance. Family health insurance that is provided to certificated staff through the District's health insurance carrier.

- d. Dental Insurance.** Family dental insurance that is available to certificated staff through the District's health insurance carrier.
- e. Vision Insurance.** Family vision insurance that is available to certificated staff through the District's selected carrier.
- f. Disability Insurance.** The Superintendent shall purchase long-term disability insurance from the school district's carrier at his own expense. The Board will increase his salary by the amount of the premium cost.
- g. Professional Development.** The Superintendent is expected to continue his professional development and to participate in relevant learning experiences. With the approval of the Board, he may attend appropriate professional meetings at the local, state, regional and national level; and the Board will pay for valid expenses of attendance. If the Superintendent attends a national convention and does not return following the initial year of employment as Superintendent, the Superintendent agrees to repay the District in full for national convention expenses paid by the District.
- h. Professional Dues.** The school district will pay the annual dues for the Superintendent's membership in the following organizations: NCSA, AASA, NCA, and ASCD.
- i. Physical Examination.** The Superintendent may voluntarily choose to have a comprehensive medical exam each contract year, which is subject to reimbursement pursuant to the terms of this subsection. Any reimbursement request shall be limited to no more than \$500 of costs that are not paid by medical insurance applicable to the Superintendent. To be reimbursed, the Superintendent shall provide the Secretary of the Board (i) documentation sufficient to support the reimbursement request (e.g. receipts, explanation of benefits, etc.) and (ii) a statement from the physician certifying that the Superintendent is physically fit to perform the essential functions of the Superintendent's position with or without a reasonable accommodation. Such statement shall be placed in a separate medical file and remain confidential as to the extent permitted by law.

Section 12. Residence/Domicile in School District. The Superintendent shall have his domicile and principal residence within the boundaries of the District as they exist on the first duty day for the Superintendent under the terms of this contract; and, the Superintendent shall maintain his domicile and residence within the boundaries of the District during the term of this agreement, or any renewal, amendment, or continuation thereof, except as otherwise provided herein. If the Superintendent is in his first year of employment with the District and does not have his domicile and principal place of residence within the District at the time of his employment, the Superintendent shall move his domicile and principal place of residence into the corporate limits of the District before the expiration of the first six months from the Superintendent's first duty day under this contract. It is the purpose of this paragraph to require the Superintendent to, at all times during such employment, live and maintain his domicile and principal place of residence in the District to encourage the Superintendent: (1) to be highly motivated and deeply committed to the District's educational system; (2) to speak to and vote on ballot issues affecting the district as a legal voter of the school district; (3) to be involved in school and community activities bringing him in contact with parents and community leaders and be committed to the future of the district and its schools; (4) to be accessible to parents and students, and allow parents and students to become personally acquainted with the Superintendent; and (5) to gain sympathy and understanding for the cultural basis of the community, and the social, economic, and environmental problems of the children of the school community and are thus less likely to be considered isolated from the community in which he is the educational leader.

Section 13. No Penalty for Release or Resignation. There shall not be a penalty for the release or resignation of the Superintendent from this contract; provided no resignation shall become effective until the expiration of the contract unless it is accepted by the Board, and the Board shall fix the date at which the resignation shall take effect.

Section 14. Compensation Upon Termination and Credit for Accrued Vacation. Upon lawful termination of this contract for any reason, the compensation to be paid hereunder shall be an amount which bears the same ratio to the annual salary specified as the number of months or fraction thereof to the date of such termination bears to the 12 months in the annual salary period in which termination occurs. The Superintendent shall refund any portion of the salary he was paid but had not earned prior to the date of termination of this contract.

Section 15. Evaluation. The Board shall evaluate the Superintendent once during the 2022–2023 school year. The annual evaluations shall occur no later than the **regular December meeting**. The Superintendent shall: remind the Board members in writing of this provision no later than its **regular November meeting**; make his evaluation an agenda item for the regular **December** board meeting during each year of this contract; and provide them with the written evaluation instrument that is on file with the Nebraska Department of Education.

Section 16. Legal Actions. The Board will support the Superintendent if there is a legal dispute caused by him carrying out his duties properly. If a legal action, including a professional practice complaint, is threatened or filed against the Superintendent as a result of his performance of his duties or his position as Superintendent of the district, the Board will provide him with a legal defense to the maximum extent permitted by law so long as he acted in good faith and in a manner which he reasonably believes to be in or not opposed to the best interests of the district and, with respect to any criminal action or proceeding, had no reasonable cause to believe that his conduct was unlawful.

Section 17. Physical or Mental Examination. To the extent allowed by applicable law, the Superintendent agrees that, at the request of the Board, he will have a comprehensive physical and/or mental examination performed by one or more licensed physicians or psychologists of the Board's choosing during the term of this Contract. The physician's report to the Board shall address whether the Superintendent is able to perform the "essential functions" of his position with or without reasonable accommodation. Additionally, the report will address whether reasonable accommodations are necessary and, if so, provide information requested by the Board relating to such reasonable accommodations and the nature/duration of any disability.

Section 18. Disciplinary Action. The parties agree that the Board president may place the Superintendent on paid leave by delivering written notice of the same when the Board president determines it is in the best interests of the school district to do so. The paid leave shall continue unless and until a majority of the Board determines otherwise at a duly convened meeting. The Board may suspend the Superintendent without pay for a period not to exceed thirty (30) working days. Prior to suspending the Superintendent without pay, the Board president or secretary shall deliver a written notice to the Superintendent advising him of the alleged reasons for the proposed action and provided the opportunity to present his version of the facts. Within seven calendar days after receipt of such notice, the Superintendent may make a written request to the secretary of the school board for a formal due process hearing under NEB. REV. STAT. § 79-832. If

such a request is not delivered within such time, the action of the Board shall become final.

Section 19. Governing Laws. The parties shall be governed by all applicable state and federal laws, rules, and regulations in performance of their respective duties and obligations under this contract.

Section 20. Amendments to be in Writing. This contract may be modified or amended only by a writing duly authorized and executed by the Superintendent and the Board.

Section 21. Severability. If any portion of this contract is declared invalid or unenforceable by a court of competent jurisdiction, such declaration shall not affect the validity or enforcement of the remaining provisions of this contract.

IN WITNESS WHEREOF, the parties have executed this contract on the dates indicated below.
