Superintendent's Report April 28, 2025

As April comes to a close, the final four weeks of the school year are shaping up to be incredibly busy. The weeks ahead are filled with events and activities happening all across our district, so be sure to mark your calendar! In addition to these events, there are plenty of baseball, softball, track, and volleyball games to attend. These moments are perfect opportunities to wear your purple, show your Kahok pride, and celebrate the hard work and achievements of our students in and out of the classroom.

The CHS Drama Club, under the direction of Sierra Horst, brought Disney's *Frozen Jr.* to life on stage. I want to commend the cast, crew, and staff for the incredible time and effort they invested in preparing for the performance. The students were outstanding, their talent and growth continue to impress year after year! We are truly fortunate to have such a dedicated staff, parents and community supporting our fine arts programs.

The district has been closely following the progress of HB 1237 and we ask that our community members contact our elected officials and express their concerns over the legislation that currently doesn't allow Unit 10 to partner with a federally recognized tribe. We are seeking an amendment to the bill that will allow all impacted districts to partner with a federally recognized tribe and allow the decision regarding a high school's mascot to be determined locally.

We view the Kahok mascot as a symbol of pride, a tool for education, and a way to keep Native American history and heritage alive in public awareness. We are committed to teaching our students about the rich and meaningful history of Native American culture.

Our district is home to the Cahokia Mounds State Historic Site, a 2,200-acre area preserving the legacy of the most advanced prehistoric native civilization north of Mexico. The site, known today as Cahokia, is the archaeological remains of a once-thriving city. In AD 1250, Cahokia was among the largest cities in the world. The Mississippian people who lived there were master builders, constructing everything from everyday homes to monumental public structures that continue to inspire awe centuries later.

Today, the Cahokia Mounds Museum Society works to promote education, scientific research, and preservation of this vital site. In alignment with these values, our schools regularly organize field trips to the State Historic Site, offering students invaluable educational experiences focused on ancient

civilizations and Native American culture. We are fortunate to be located so close to such an extraordinary historical treasure.

Beyond cultural considerations, there are also significant financial implications associated with HB1237. For any district, the costs of replacing uniforms, signage, gym floors, athletic equipment, and other branded materials would be substantial. In many cases, expenses could reach into the millions, an amount that most districts cannot afford without additional state funding. As currently written, HB1237 lacks any financial support for districts required to implement these changes, which is a serious concern for us.

Again, we are asking our community members to voice their concerns to our elected officials in a passionate but also professional manner regarding HB 1237.

5.4. Technology Report - Mr. Derek Turner

CUSD Technology Department

Report to the CUSD Board of Education

Prepared By: Derek Turner, Director of Technology

April 2025

General Information

Cybersecurity Pilot Program

In October of 2024, I applied to take part in the Federal Communications Commission's new Cybersecurity Pilot Program. The program will provide 200 million dollars to schools and libraries to assist with the costs of implementing eligible Cybersecurity-related solutions and programs over the next three years. In January of this year, I received word from USAC that Collinsville Unit 10 was chosen to participate in the pilot program and was awarded \$235,000 to assist with Cybersecurity initiatives. This year, the plan is to use those funds to purchase a new next-generation firewall with AI-security and machine learning, which will provide industry-leading threat detection capabilities for the entire district network.

CHS eSports

The CHS eSports team recently competed in the Project Mamba eSports tournament hosted by the US Army. The event was held on April 5th at the Impact Gaming Center in Fairview Heights. The US Army as well as nearly every college in the St. Louis area are all actively recruiting students for their respective eSports teams. The tournament offered CUSD students a chance to be seen and show off their skills as well as served as the first official competition that our CHS eSports team has attended.

Technical Update

VxRail Server Replacement

The district network team along with the ReDesign team have finished installing and configuring the new VxRail datacenter server. The physical movement of all district virtual machines onto the new server is also complete with the exception of the Skyward server which began moving to IScorp on April 17th with the financial databases. Due to the overwhelming size of the Skyward student database, there was not enough time during Spring break to complete the move, so that migration has been rescheduled for June 23, 2025.

Cloud Initiatives

The technology department is continuing to take advantage of the ever increasing cloud offerings for district programs. In August of last year, the Destiny Library Manager was successfully migrated to the Follet cloud. Currently, we are working on migrating Edulog, the bus routing and transit system for the district, to the Edulog cloud, and also taking advantage of their newest routing platform, Edulog Athena. Cloud-based systems have become more and more reliable, ensuring always up-to-date platforms that require very little maintenance. As the cloud evolves, so do the everyday applications that students and staff rely on, adding more features and more hosting options for school districts.

DarkTrace

Included with my report are two executive summaries of what DarkTrace, the Enterprise Immune System and AI email security tool, is doing in the background to make sure district systems are safeguarded. The reports contain quite a bit of information, but I wanted to draw your attention to the funnel of events that DarkTrace is detecting and responding to every single day. In just the last two months, DarkTrace has detected over 88 million events on the network, of which 581 of those triggered an actual alert and a subsequent investigation resulting in 3 possible incidents. Only one of those incidents was flagged as critical and required investigation by the district network team. Without DarkTrace and AI, it would be impossible to keep up with all those events or investigate almost 300 alerts per month.

Future Projects and Technology Vision

COPS SVPP

At the request of Dr. Skertich, and in partnership with Collinsville Police Department, we will be shifting the focus of the COPS SVPP grant for this year and applying for radio equipment for CHS and CMS. Keith Jackson of the Collinsville PD applied for the grant last year; however, no police departments were selected for an award, so the plan is to apply through the school district this time, and hopefully secure the award as the district. The radio equipment will improve radio connections inside the two largest schools and ensure reliable communications between officers and the police department.

AI

In June, district administration will attend an AI training session with Joe Fatheree who is a leader in the AI for education space. Joe has spoken to thousands upon thousands of educators regarding AI use in the classroom. The training will consist of three, one-hour sessions where we will cover AI on the global scene, practical uses for teachers and students, as well as how to develop our own AI policies and protocols. The goal being to develop plans, policies, and procedures for implementing and utilizing AI in CUSD schools. A special thanks to LaToya for setting this up! This will be an invaluable opportunity for all of us to begin developing a top down approach to AI and a purposeful, measured rollout district-wide.

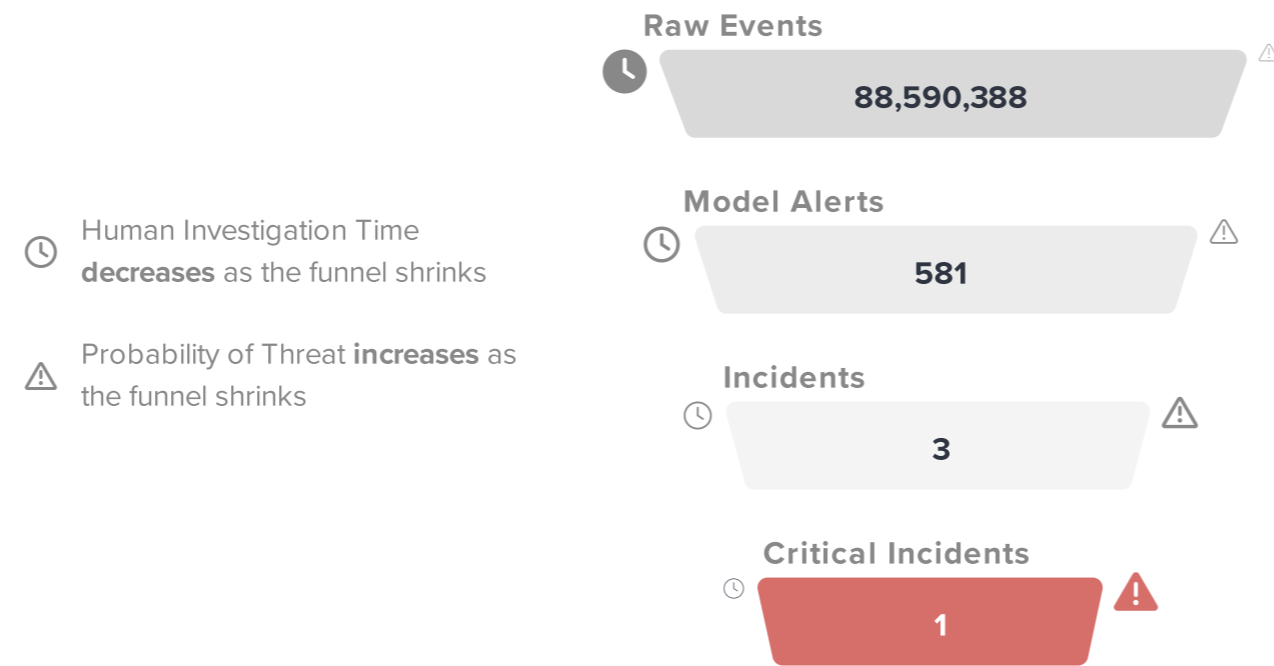

Operational Report

- Detections by Mitre Tactic
- Cyber AI Analyst
- Model Alerts
- Autonomous Response Actions

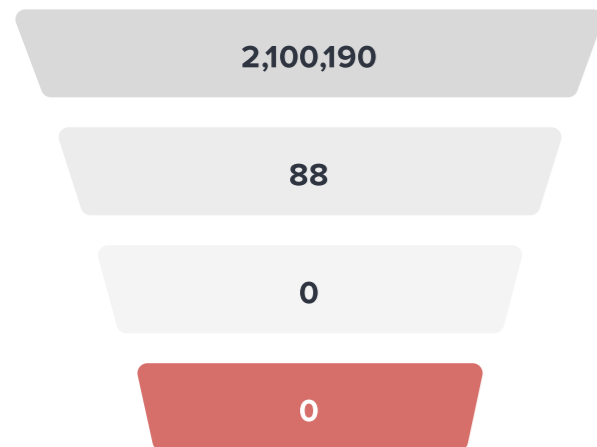

1. Overview

Darktrace investigated 88,590,388 events and highlighted 1 Critical Cyber AI Analyst Incident for your security team to focus their time on. As the funnel gets smaller, the human investigation time decreases while the probability of threat increases (and vice versa) so your workforce spends time where it matters. Cyber AI Analyst works to augment human teams by conducting expert investigations at machine speed, enabled by a range of AI techniques. Incidents identified by Cyber AI Analyst are succinct and actionable, resulting in minimal time to meaning and time to response for your security team.

CYBER AI ANALYST: INCIDENTS & INCIDENT EVENTS

Incidents filtered to **include only Informational, Suspicious, Critical** (see appendix for filter details)

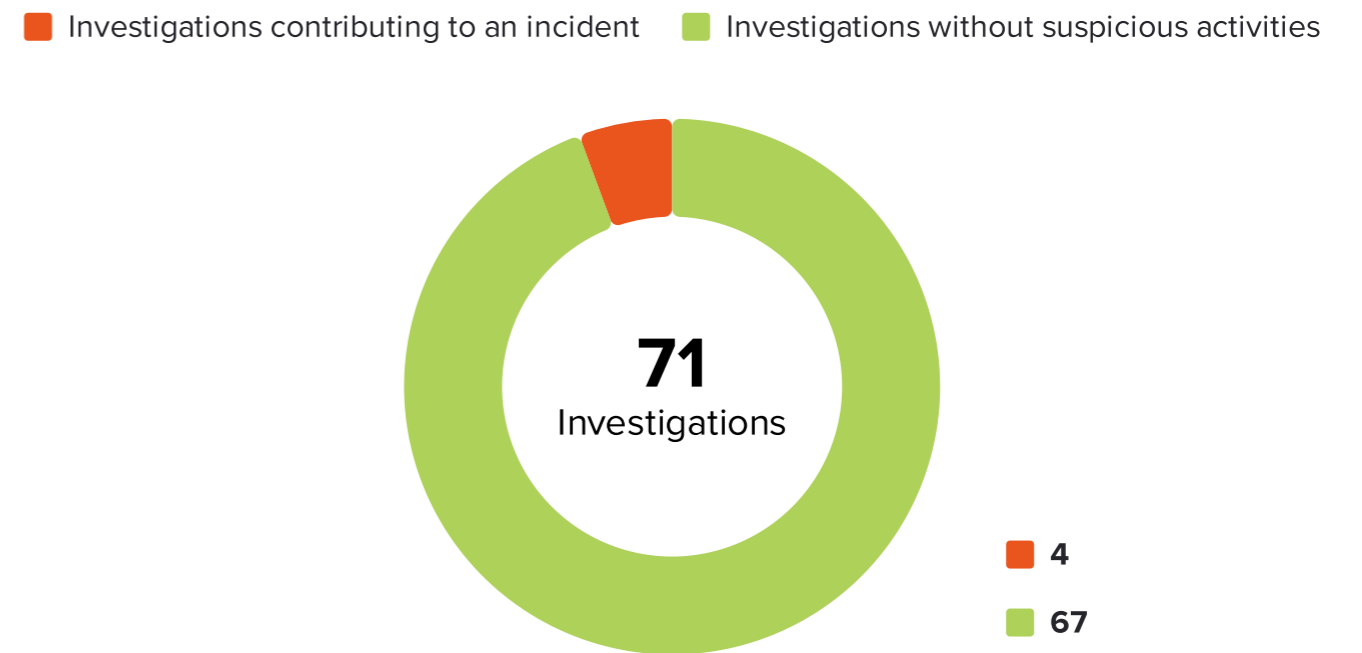

3. Incidents by Category

Cyber AI Analyst incidents are split into three categories: Critical incidents represent events with the highest threat and are where an analyst should focus their attention in the first instance. Suspicious incidents are those which suggest moderate levels of threat but do not warrant prioritization over critical. Compliance incidents are raised for behaviors that may be counter to organizational policies and best operating practices.

4. Investigations by Incidents

Security analysts can spend a large portion of their time investigating alerts triggered by non-malicious activity. Cyber AI Analyst is constantly running investigations at machine speed on behalf of your security team, saving them time by surfacing only those incident events that are most likely to indicate a genuine threat.

5. Incident Events Overview

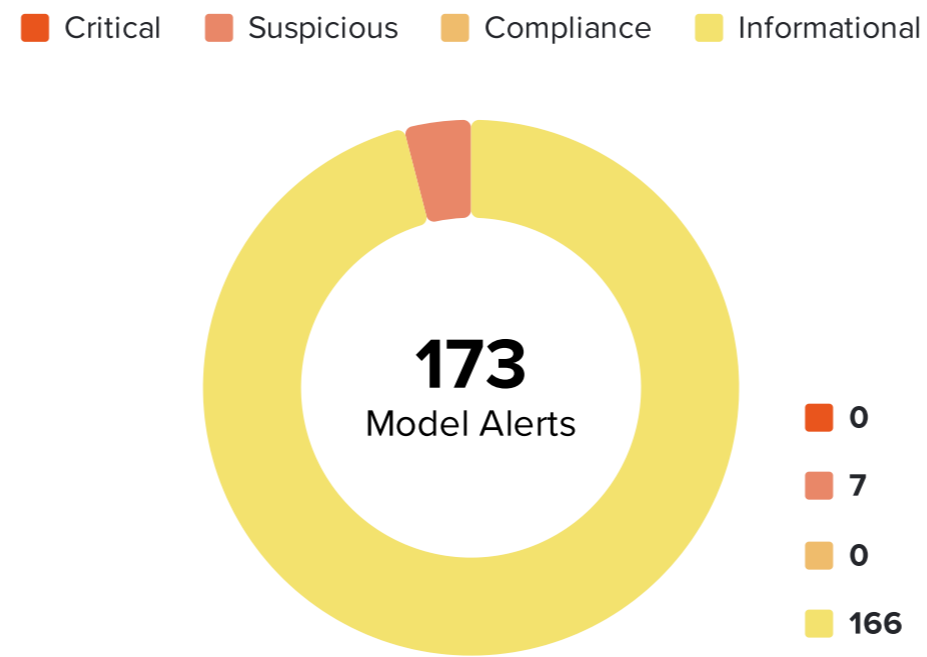

Cyber AI Analyst incidents are composed of one or more events; events are a group of anomalies or activity investigated by Cyber AI Analyst that it considers high priority enough to raise to a human operator for attention. Below is a breakdown of the types of activity Cyber AI Analyst has observed in your environment over the reporting period.

Type	Events	Number of Unique Entities
SSL Command and Control	Total: 1 Acknowledged: 0	1
External Beaconing	Total: 1 Acknowledged: 0	1
Transport Layer Scanning	Total: 2 Acknowledged: 0	1

MODEL ALERTS

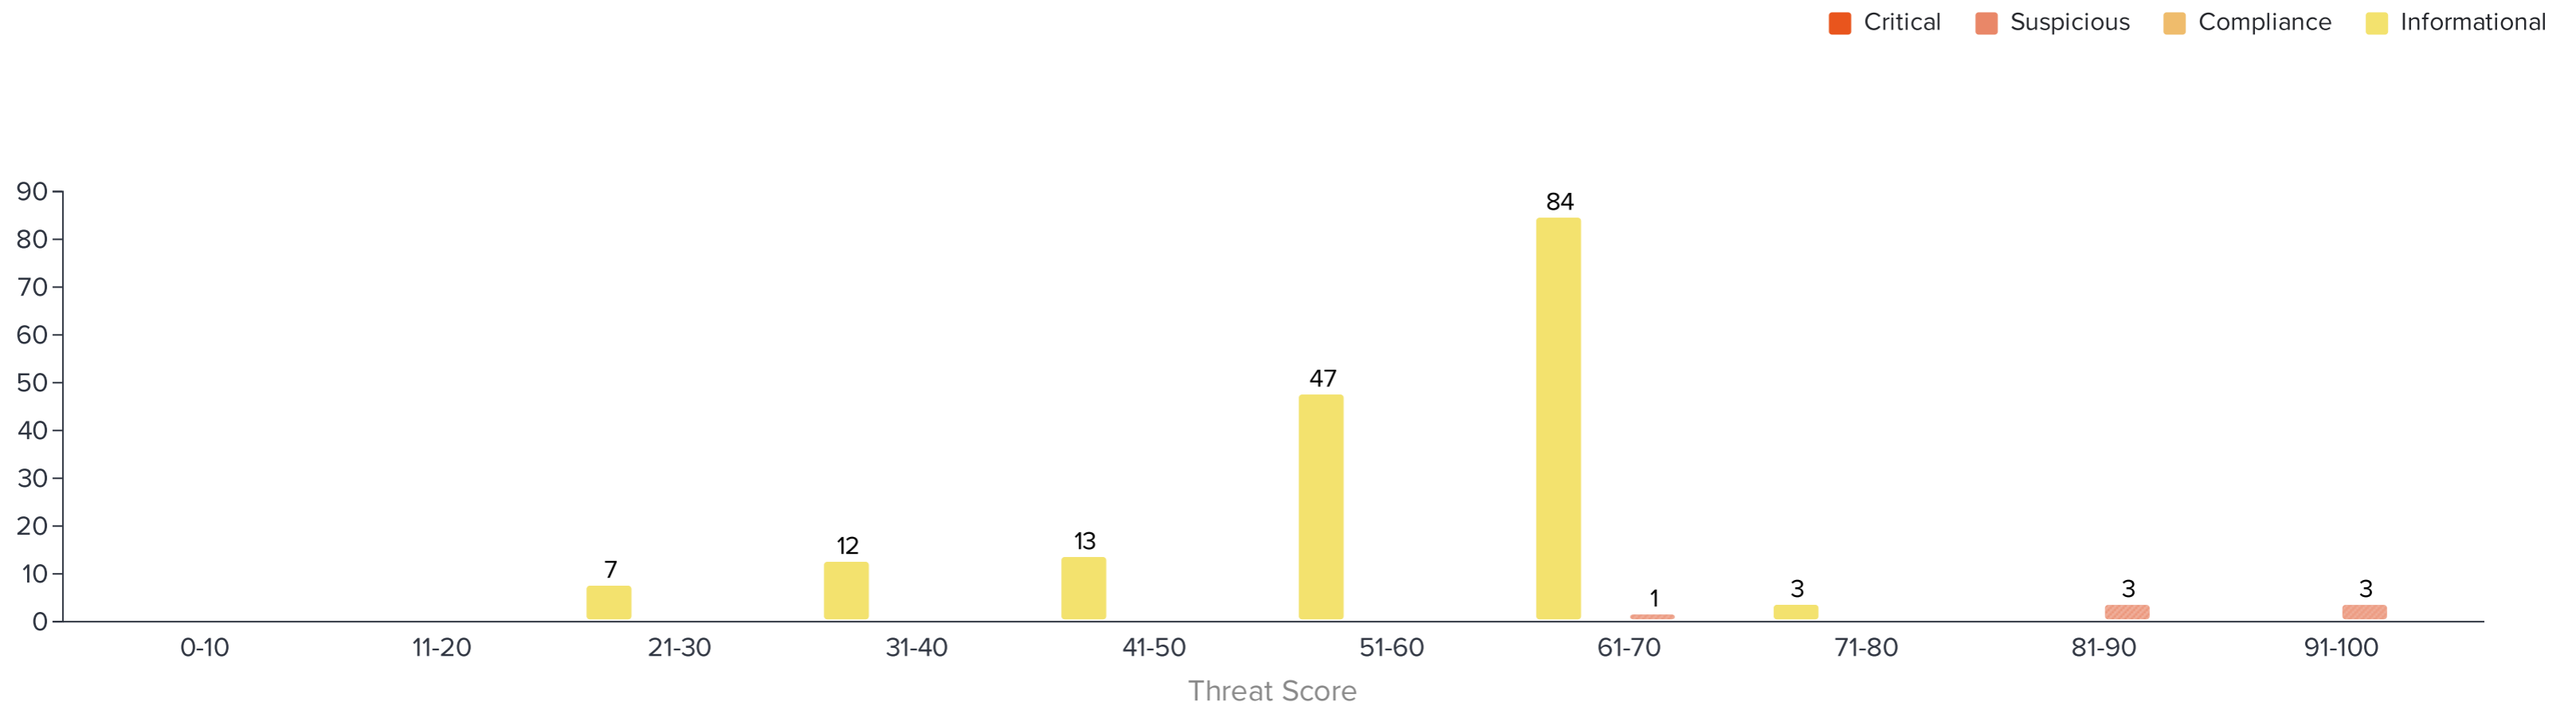

6. Model Alerts by Category

Model alerts identify anomalous and potentially malicious behavior. These alerts are broken into categories which act as high-level filters, giving an indication of severity. Critical alerts are the most likely to indicate malicious activity, while informational and compliance alerts are the least likely to do so.

7. Model Alerts by Score

When the criteria for a Darktrace model are met, a model alert is created with a score from 0-100%. The score is calculated from the type of activity, the priority of the filters involved and the rarity of the model alert for the filter. Score can be a useful metric to use when prioritizing within a category - for example, starting with category "critical" and addressing alerts in order of score.

MODEL ALERTS

9. Model Alerts by Model (Top Alerting Models)

 Darktrace models are a series of logical statements and conditions which, if met, trigger an alert or action; models are primarily used to identify and alert on anomalous and potentially malicious behavior. Models with a high number of alerts may require some optimization within your environment to focus on only the most anomalous activity.

Name	Number of Alerts	Number of Unique Entities
SaaS / Access / Unusual External Source for SaaS Credential Use	77	70
SaaS / Email Nexus / Possible Outbound Email Spam	48	14
Anomalous Server Activity / Outgoing from Server	7	4

Anomalous Server Activity / New Internet Facing System	2	2

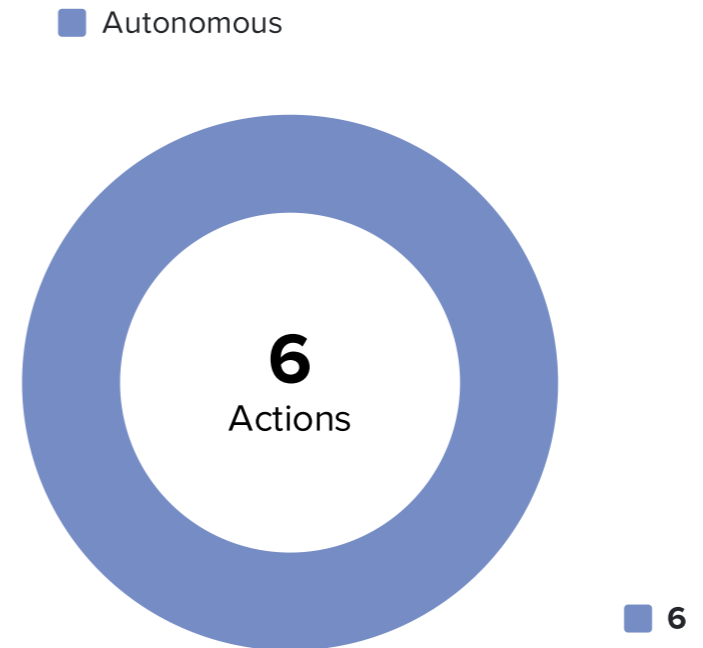

10. Response Actions by Type

Darktrace Autonomous Response can take a range of proactive, measured, automated actions in the face of confirmed cyber-threats detected in real time. Darktrace understands the 'pattern of life' of users, devices, and networks and so Darktrace Autonomous Response can take action in a highly targeted manner, mitigating threats while avoiding over-reactions. Depending on the situation, Darktrace Autonomous Response can choose from a range of action types to contain an incident, from placing blocks on specific connections, enforcing pattern of life on the affected device or escalating to a full quarantine. Below is a breakdown of the Response Actions taken in your environment.

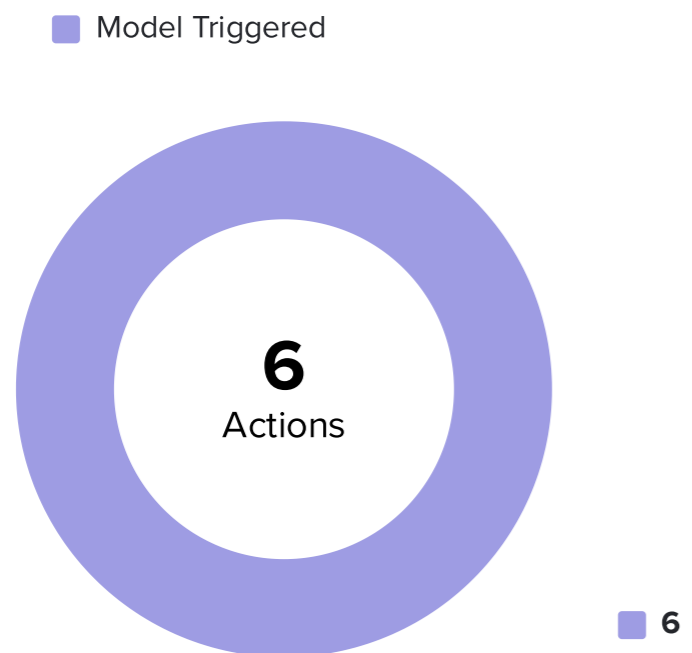

11. Response Actions - Human Confirmation vs Autonomous Action

Darktrace Autonomous Response can be configured either to await human confirmation before acting or to take immediate action autonomously, without human intervention. Darktrace recommends using Autonomous Response wherever possible to ensure that the technology can take immediate action in the case of a suspected cyberattack. Below is a breakdown of the number of actions which required human confirmation within your environment; if this number seems higher than expected, you may wish to review your Autonomous Response set up, which is summarised on the Summary Panel of the Darktrace ActiveAI Security Platform.

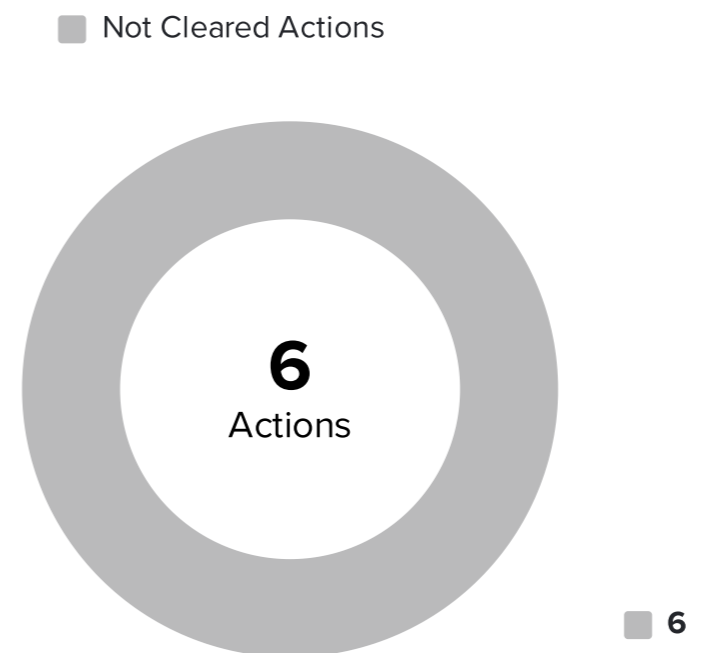

12. Response Actions - Manually vs Model Triggered Actions

Darktrace Response Actions are normally applied by models, however, it is also possible for operators to manually launch a specific action on a chosen device. Below is a breakdown of the number of actions applied manually compared to the number applied by Darktrace models. If the number of manual actions seems too high, you may wish to review your device eligibility settings and models to ensure that the system is optimized for your environment.

13. Response Actions - Cleared Actions

Once a Darktrace Response Action has been applied, an operator may “clear” the action to stop it from taking effect. This may be done if an investigation by your security team has concluded that the behavior was benign. A high number of cleared actions may indicate that certain models need optimizing for your environment to only alert on the most anomalous activity. You may also wish to review security team practices and policies to ensure that Response Actions are not being cleared in the case of genuinely suspicious behavior.

DARKTRACE RESPONSE ACTIONS

14. Triggering Model Folder

③ Darktrace models are a series of logical statements and conditions which, if met, can trigger a Response Action. Below is a list of which groups of models triggered the largest number of actions within your environment; the folder names give an indication of the type of activity that Darktrace responded to.

Model Folder	Number of Actions	Number of Unique Entities
SaaS/Access	77	70
SaaS/Email Nexus	51	16

COLLINSVILLE COMMUNITY UNIT SCHOOL DISTRICT NO. 10
COLLINSVILLE, ILLINOIS
Regular Meeting, Monday, March 17, 2025
6:30 p.m.

- Call to Order** 1. The Regular Meeting of the Board of Education of Collinsville Community Unit School District No. 10 was held on the evening of Monday, March 17, 2025, at 6:30 p.m., at the Unit #10 Administrative Annex, 123 West Clay Street, Collinsville, Illinois.
- Roll Call** 2. Those members present were: Dennis Craft, Treasurer; Jennifer Hasamear; Vicki Reulecke, Vice President; Michele Stutts; Jane Soehlke, Secretary; Gary Peccola, President; and Jeree Bronnbauer.
- Pledge of Allegiance** 3. Mr. Peccola led those in attendance in reciting the Pledge of Allegiance.
- Correspondence** 4. Mrs. Soehlke said the following written correspondence had been received by the Board since the last regular meeting.
- (a) 3/5/25 Correspondence from Jeffrey Luffman
(b) 3/6/25 Correspondence from Kim Jaoko
- Audience Input** 5. Mr. Peccola provided an opportunity for public input, and no one sought to be recognized. Also, no one had joined the meeting via the call-in phone line.
- Student Recognition** 6. Mr. Clay Smith presented a certificate of recognition to CHS senior Taylor Dawson for winning the 2025 state championship in the IHSA Girls Wrestling – 140 lb. Division. Mr. Smith congratulated Taylor and Coach Jordan May on an amazing season. As a freshman, Taylor finished 2nd in state, as a sophomore she finished 3rd, as a junior she finished 2nd, and she capped her high school career winning 1st place as a senior. Mr. Smith said Taylor has paved the way for young, strong female athletes and put CHS on the map in girls wrestling.
- Reports**
- Superintendent's Report** 7. Dr. Skertich said each year the district provides an update on facility improvements. As a result of the ballot initiative approved last year, improvements are scheduled in the coming months to include safety upgrades, including security film district-wide; replacement of identified interior and exterior doors at DIS and Webster; and HVAC upgrades at Renfro and Webster. The district is clear in wanting to assure the public that the funds generated by the ballot initiative are being utilized as intended.

Another major project set for groundbreaking after nearly three years, will be the expansion of the Collinsville Area Vocational Center. He acknowledged the efforts of Mr. Joe McGinnis, Representative Katie Stuart, and many local partners, investors and stakeholders who contributed to securing a \$25 million grant through the Department of Commerce and Economic Opportunity. Standardized testing is about to begin for district students, and Dr. Skertich commended the principals, teachers and support staff for all they have done to prepare students for this year's assessments. He encouraged families to support their students by ensuring they get a good night's rest, eat breakfast, and make every effort to have perfect attendance during the testing period.

**Financial
Report**

8. Mrs. Hadjan reviewed the financial summary through February 28, 2025, which is 67% of the fiscal year. She shared beginning fund balances, revenue, expenditures and ending fund balance information for the four main operating funds. Mrs. Hadjan also reviewed the snapshot reports for the district and the CAVC that provide more detail on revenue and expenditure items for the fiscal year to date.

Mrs. Hadjan introduced Ms. Cindy Galati, Sodexo general manager for the district, who came on board in December. She shared background information about herself and her prior career experience before coming to Unit 10. Ms. Galati reviewed statistics on financial performance from a year ago. The number of meals served has increased by 10.81%, up 639 meals per day from last February, thanks in part to the District's Community Eligibility Provision status. Ms. Galati discussed efforts to improve breakfast numbers at CHS including grab and go offerings, and a second chance breakfast. She thanked Dr. Toberman and Mr. Wright for their support which has resulted in double or sometimes triple the number of students eating breakfast. She is excited to share that there will be a new Bright Bites menu and signage rolled out this fall in the elementary schools. She will provide additional details as the program is finalized. Ms. Galati brought St. Patrick's Day treats to share with everyone at the meeting. Mr. Peccola thanked her for the treats and her presentation.

**Building and
Grounds Report**

9. Mr. Josh DeWitte reviewed his report beginning with summer projects to be completed in-house including annual cleaning, adding lighting, landscaping at Renfro, new batting cage poles at CMS, removal of partition walls in the math pod classrooms at CHS, interior and exterior lighting improvements at Summit, and

exterior lighting replacement at Twin Echo. Contracted summer projects include (CHS) 2nd floor classroom abatement and epoxy flooring; CNA classroom renovation, track resurfacing and building permanent walls between math pod classrooms; building permanent walls between two classrooms at CMS; interior door and hardware replacement at Webster and DIS; HVAC upgrades at Webster and Renfro; replacing 4 rooftop units at Maryville; replacing front concrete stairwells and rails at Twin Echo; and painting work at Webster, DIS, CMS gym, Kreitner and CHS.

Freedom of Information Requests

10. Mr. Peccola said the following Freedom of Information Requests had been received:
- (a) 2/17/25 Request from Jimmy Hennessey for copier contract. Complied 2/21/25.
 - (b) 2/21/25 Request from Jeffrey Luffman for board minutes. Complied in part on 2/26/25.

- Approval of CHS IHSA Membership (Motion Passed)** 21. A motion was made by Soehlke and seconded by Reulecke to approve the 2025-2026 IHSA Membership dues for Collinsville High School, as presented in Exhibit E-10.7. Motion passed unanimously on voice vote.
- Approval of Return to Southwestern Conference (Motion Passed)** 22. A motion was made by Soehlke and seconded by Craft to approve that Collinsville High School return to the Southwestern Conference for football competition and scheduling as of August 2026. Mr. Clay Smith discussed the district's exit from the Southwestern Conference (SWC) for football after the 2018 season and the rationale behind returning at this time. The CHS program has been successful in independent play under Coach Rhodes' leadership with a record of 33/19, and they have made the playoffs the last four years. The SWC has invited the district to rejoin the conference for the 2026 football season under a 10-team, 2-division format. Doing so will allow the Kahok program to continue to grow, let students play close to home, and offer more award opportunities for students and coaches. Dr. Skertich said this has been a four year process and he commended Mr. Smith and other area athletic directors for the work they have put into these changes. Motion passed unanimously on voice vote.
- Approval of New Club at CMS (Origami Club)** 23. A motion was made by Soehlke and seconded by Bronnbauer to approve the request to establish an Origami Club at Collinsville Middle School, with no stipend for the sponsor. Motion passed unanimously on voice vote.

(Motion Passed)**Closed Session
(Motion Passed)**

24. A motion was made by Soehlke and seconded by Reulecke that the Board adjourn to Closed Session to discuss appointment, employment, compensation, discipline, performance or dismissal of a specific employee or legal counsel for the public body, pursuant to 5 ILCS 120/2(c)(1); collective negotiating matters or deliberations concerning salary schedules for one or more classes of employees, pursuant to 5 ILCS 120/2(c)(2); student disciplinary cases, pursuant to 5 ILCS 120/2(c)(9); and pending or probable litigation against, affecting or on behalf of the public body, pursuant to 5 ILCS 120/2(c)(11). Motion passed on roll call vote as follows: Craft, yes; Hasamear, yes; Reulecke, yes; Stutts, yes; Soehlke, yes; Peccola, yes; Bronnbauer, yes. (7:24 p.m.)

**Return to
Open Session**

25. The Regular Meeting returned to Open Session at 9:14 p.m. Those members present on roll call were: Craft, Hasamear, Reulecke, Stutts, Soehlke, Peccola and Bronnbauer.

**Report on
Closed Session
Discussion**

26. Mrs. Soehlke reported that during Closed Session the Board discussed the following:

1. Appointment, employment, compensation, discipline, performance or dismissal of a specific employee or legal counsel for the public body, pursuant to 5 ILCS 120/2(c)(1);
2. Collective negotiating matters or deliberations concerning salary schedules for one or more classes of employees, pursuant to 5 ILCS 120/2(c)(2);
3. Student disciplinary cases, pursuant to 5 ICS 120/2(c)(9); and
4. Pending or probable litigation against, affecting or on behalf of the public body, pursuant to 5 ILCS 120/2(c)(11).

**Approval of
Expulsion of
Student
(Motion Passed)**

27. A motion was made by Soehlke and seconded by Reulecke that the Board expel the student named in Exhibit E-12.1 (24-25/9) for the remainder of the 2024-2025 school year and the entire 2025-2026 school year, based on the Board's determination that the student engaged in egregious conduct and that the student's continued presence at school poses a threat to school safety of other students and staff and substantially disrupts the operation of the school. The Board further finds that given the severity of the student's misconduct, there are no other appropriate disciplinary interventions available and that the presence of the student at school will foster a culture that the student's behavior at school is acceptable or tolerated. Further that the student be considered for placement at an alternative school (pending space availability),

whereby goals would have to be met in order to return to the Collinsville School District for the 2026-2027 school year, under probation as prescribed by the administration. Motion passed on roll call vote as follows: Craft, yes; Hasamear, yes; Reulecke, yes; Stutts, yes; Soehlke, yes; Peccola, yes; Bronnbauer, yes.

(Motion Passed)**

14. A motion was made by Soehlke and seconded by Bronnbauer that the Board expel the student named in Exhibit E-7.1 (24-25/11) for the remainder of the 2024-2025 school year and the entire 2025-2026 school year, based on the Board's determination that the student engaged in egregious conduct and that the student's continued presence at school poses a threat to school safety of other students and staff and substantially disrupts the operation of the school. The Board further finds that given the severity of the student's misconduct, there are no other appropriate disciplinary interventions available and that the presence of the student at school will foster a culture that the student's behavior at school is acceptable or tolerated. Further that the student be considered for placement at an alternative school (pending space availability), whereby goals would have to be met in order to return to the Collinsville School District for the 2026-2027 school year, under probation as prescribed by the administration. Motion passed on roll call vote as follows: Craft, yes; Hasamear, yes; Reulecke, yes; Stutts, yes; Soehlke, yes; Peccola, yes; Bronnbauer, yes.

Adjournment

15. There being no further business, Mr. Peccola declared the meeting adjourned at 5:28 p.m.

COLLINSVILLE COMMUNITY UNIT SCHOOL DISTRICT NO. 10
COLLINSVILLE, ILLINOIS
Special Meeting, Monday, April 7, 2025
5:00 p.m.

- Call to Order** 1. A Special Meeting was held by the Board of Education of Collinsville Community Unit School District No. 10 on Monday, April 7, 2025 at 5:00 p.m., at Collinsville Middle School, 9649 Collinsville Road, Collinsville, Illinois.
- Roll Call** 2. Those members present were: Jennifer Hasamear; Vicki Reulecke, Vice President; Jane Soehlke, Secretary; Gary Peccola, President; Jeree Bronnbauer; and Dennis Craft, Treasurer. Absent was Michele Stutts.
- Audience Input** 3. Mr. Peccola provided an opportunity for public input, and no one sought to be recognized.
- Closed Session (Motion Passed)** 4. A motion was made by Soehlke and seconded by Reulecke that the Board adjourn to Closed Session to discuss student disciplinary cases, pursuant to 5 ILCS 120/2(c)(9). Motion passed on roll call vote as follows: Hasamear, yes; Reulecke, yes; Stutts, absent; Soehlke, yes; Peccola, yes; Bronnbauer, yes; and Craft, yes. (5:03 p.m.)
- Return to Open Session** 5. The Special Meeting returned to Open Session at 5:12 p.m. Those members present on roll call were: Hasamear, Reulecke, Soehlke, Peccola, Bronnbauer, and Craft. Absent was Stutts.
- Report on Closed Session Discussion** 6. Mrs. Soehlke reported that during Closed Session the Board discussed the following:
1. Student disciplinary cases, pursuant to 5 ILCS 120/2(c)(9).
- Approval of Expulsion of Student (Motion Passed)** 7. A motion was made by Soehlke and seconded by Reulecke that the Board expel the student named in Exhibit E-6.1 (24-25/12) for two years (April 7, 2025 through April 6, 2027), based on the Board's determination that the student engaged in egregious conduct and that the student's continued presence at school poses a threat to school safety of other students and staff and substantially disrupts the operation of the school. The Board further finds that given the severity of the student's misconduct, there are no other appropriate disciplinary interventions available and that the presence of the student at school will foster a culture that the student's behavior at school is acceptable or tolerated. Further that the student be considered for placement at an alternative school (pending space availability), whereby goals would have to be met in order to return to the Collinsville School District on April 7, 2027, under probation as prescribed by the

administration. Motion passed on roll call vote as follows: Hasamear, yes; Reulecke, yes; Stutts, absent; Soehlke, yes; Peccola, yes; Bronnbauer, yes; and Craft, yes.

- Adjournment** 8. There being no further business, Mr. Peccola declared the meeting adjourned at 5:14 p.m.

8. Monthly Financial Statements for March 2025

BOARD AGENDA
April 28, 2025

TO: Dr. Brad Skertich, Superintendent of Schools

FROM: Jamie Hadjan, Director of Finance 

DATE: April 28, 2025

RE: Approval of Monthly Financial Statements

A separate agenda item is needed for Board approval of the monthly financial statements.

I recommend approval of the following suggested motion:

“I move that the monthly financial statements of Collinsville Community Unit School District No.10 and the Collinsville Area Vocational Center for March 2025, be approved and attached to these minutes as Exhibit E-8.”

RE: RECOMMENDATION FOR New Desktop Computer and Chromebook Purchase

BACKGROUND

The Dell GX3020 desktops purchased in December of 2015 will be end of life in June and will no longer receive critical security updates. The Dell 5400 Enterprise chromebooks purchased for teachers in 2020 at the start of the pandemic were purchased with ESSER funds which are no longer available. Parts are also no longer readily available for this model.

CONSIDERATIONS

In order to maintain network security and comply with insurance company requirements as well as standard best practice, the GX3020 desktops must be replaced and recycled. Those machines can no longer be used on the network. In addition, since parts are no longer available for the Dell 5400 chromebooks and funds are no longer available to do a full refresh of those devices, I would like to start replacing those in sections. The 5400 chromebooks that are replaced with new Lenovo 14e's will be stored to replace other 5400's as needed to ensure teachers always have a viable device for e-learning and remote teaching.

RECOMMENDATION

Therefore, I am recommending that the included quote from Dell for new GX7020 desktops as well as the quote from Trafera for new Lenovo 14e chromebooks, be approved. Thank you for your consideration!

Supplier reserves the right to cancel this Quote and Customer purchase orders arising from pricing errors. Taxes and/or freight charges listed on this Quote are only estimates. The final amounts shall be stated on the relevant invoice. Additional freight charges will be applied if Customer requests expedited shipping. Please indicate any tax exemption status on your purchase order and send your tax exemption certificate to Tax_Department@dell.com or ARSalesTax@emc.com, as applicable.

Governing Terms: This Quote is subject to: (a) a separate written agreement between Customer or Customer's affiliate and Supplier or a Supplier's affiliate to the extent that it expressly applies to the products and/or services in this Quote or, to the extent there is no such agreement, to the applicable set of Dell's Terms of Sale (available at www.dell.com/terms or www.dell.com/oemterms), or for cloud/as-a-Service offerings, the applicable cloud terms of service (identified on the Offer Specific Terms referenced below); and (b) the terms referenced herein (collectively, the "Governing Terms"). Different Governing Terms may apply to different products and services on this Quote. The Governing Terms apply to the exclusion of all terms and conditions incorporated in or referred to in any documentation submitted by Customer to Supplier.

Supplier Software Licenses and Services Descriptions: Customer's use of any Supplier software is subject to the license terms accompanying the software, or in the absence of accompanying terms, the applicable terms posted on www.Dell.com/eula. Descriptions and terms for Supplier-branded standard services are stated at www.dell.com/servicecontracts/global or for certain infrastructure products at www.dellemc.com/en-us/customer-services/product-warranty-and-service-descriptions.htm.

Offer-Specific, Third Party and Program Specific Terms: Customer's use of third-party software is subject to the license terms that accompany the software. Certain Supplier-branded and third-party products and services listed on this Quote are subject to additional, specific terms stated on www.dell.com/offeringspecificterms ("Offer Specific Terms").

In case of Resale only: Should Customer procure any products or services for resale, whether on standalone basis or as part of a solution, Customer shall include the applicable software license terms, services terms, and/or offer-specific terms in a written agreement with the end-user and provide written evidence of doing so upon receipt of request from Supplier.

In case of Financing only: If Customer intends to enter into a financing arrangement ("Financing Agreement") for the products and/or services on this Quote with Dell Financial Services LLC or other funding source pre-approved by Supplier ("FS"), Customer may issue its purchase order to Supplier or to FS. If issued to FS, Supplier will fulfill and invoice FS upon confirmation that: (a) FS intends to enter into a Financing Agreement with Customer for this order; and (b) FS agrees to procure these items from Supplier. Notwithstanding the Financing Agreement, Customer's use (and Customer's resale of and the end-user's use) of these items in the order is subject to the applicable governing agreement between Customer and Supplier, except that title shall transfer from Supplier to FS instead of to Customer. If FS notifies Supplier after shipment that Customer is no longer pursuing a Financing Agreement for these items, or if Customer fails to enter into such Financing Agreement within 120 days after shipment by Supplier, Customer shall promptly pay the Supplier invoice amounts directly to Supplier.

Customer represents that this transaction does not involve: (a) use of U.S. Government funds; (b) use by or resale to the U.S. Government; or (c) maintenance and support of the product(s) listed in this document within classified spaces. Customer further represents that this transaction does not require Supplier's compliance with any statute, regulation or information technology standard applicable to a U.S. Government procurement.

For certain products shipped to end users in California, a State Environmental Fee will be applied to Customer's invoice. Supplier encourages customers to dispose of electronic equipment properly.

Electronically linked terms and descriptions are available in hard copy upon request.

RE: RECOMMENDATION FOR New Desktop Computer and Chromebook Purchase

BACKGROUND

The Dell GX3020 desktops purchased in December of 2015 will be end of life in June and will no longer receive critical security updates. The Dell 5400 Enterprise chromebooks purchased for teachers in 2020 at the start of the pandemic were purchased with ESSER funds which are no longer available. Parts are also no longer readily available for this model.

CONSIDERATIONS

In order to maintain network security and comply with insurance company requirements as well as standard best practice, the GX3020 desktops must be replaced and recycled. Those machines can no longer be used on the network. In addition, since parts are no longer available for the Dell 5400 chromebooks and funds are no longer available to do a full refresh of those devices, I would like to start replacing those in sections. The 5400 chromebooks that are replaced with new Lenovo 14e's will be stored to replace other 5400's as needed to ensure teachers always have a viable device for e-learning and remote teaching.

RECOMMENDATION

Therefore, I am recommending that the included quote from Dell for new GX7020 desktops as well as the quote from Trafera for new Lenovo 14e chromebooks, be approved. Thank you for your consideration!

10.4. Approval to Establish Student Council at
Dorris Intermediate School

COLLINSVILLE COMMUNITY UNIT DISTRICT #10

WWW.KAHOKS.ORG • PHONE: 618.346.6350 • FAX: 618.346.6357

TO: Dr. Brad Skertich, Superintendent

FROM: Kevin Stirnaman, Principal – Dorris Intermediate School

DATE: 4-4-25

RE: RECOMMENDATION FOR DIS STUDENT COUNCIL

I am requesting approval that a student council be established at Dorris Intermediate School, starting the 2025-26 school year. The following students requested the formation of the club: Ramone Connor, Clara Perez, Grant Bitzer and Everett Carlyle. Ms. Leslie Angerer and Ms. Julia Giacoletto will be the faculty advisors for the club. The club's establishment would provide another extra curricular opportunity for the students at DIS and the mission would be to build responsible leaders within our school, promote the values that represent the Kahok Way and foster a sense of ownership and involvement in our school community.

If you have any questions, don't hesitate to contact me.

Kevin Stirnaman
Principal – Dorris Intermediate School

DIS STUDENT COUNCIL INFO '25-'26

For more info, contact Leslie Angerer at langerer@cusd.kahoks.org or Julie Giacoletto at jgiacoletto@cusd.kahoks.org

1 WHAT IS STUDENT COUNCIL?

The mission of the DIS Student Council is to build responsible leaders within our school, promote the values that represent The Kahok Way, and foster a sense of ownership and involvement among students, promoting a positive school culture and a stronger sense of community.

2 WHO WILL BE ON STUDENT COUNCIL?

One student from each classroom will serve on student council.

Students must be nominated by a staff member, coach, scout leader, neighbor, or family member. All students will complete an application and the staff student council sponsors will vote for students to represent their classroom.

3 INCLUSIVITY

Our student council should represent our diverse student body.

SPED and ELL students will be represented alongside their GenEd peers.

All students from all backgrounds and abilities are eligible to serve on Student Council.

4 WHAT DOES STUDENT COUNCIL DO?

Student council is intended to instill leadership, embody the values of following The Kahok Way, and teaching students how to serve their school and community.

Our plan for next school year is to complete service projects (a used towel/sheet drive for the animal shelter, holiday cards for two local nursing homes before Winter Break, and two small fundraisers to raise funds for equipment for our school).

We also will be making motivational posters for IARs testing week, a special project for teacher appreciation, and coordinating a schedule to empty recycling bins weekly.

5 MEETING TIMES & DATES

Our meetings will be BEFORE school once a week. We will choose a day once our group is official.

6 HOW TO HELP IN OUR FIRST YEAR OF STUDENT COUNCIL

We currently have three staff members from 5th grade who will be sponsoring student council.

WE NEED AT LEAST TWO STAFF MEMBERS FROM 6TH GRADE AS SPONSORS.

A Google Form will be sent out to all staff members before Spring Break to collect info from all who would like to help us get Student Council off the ground.

We also will be sending out a calendar for staff members who would like to help but aren't able to sponsor at this time.

Modular F-Bay Power Supply Option

Cooper Lighting's F-Bay Modular Power Supply option is available for use with all F-Bay products. The modular power supply allows external fixture access for safe and easy servicing. There is no need to remove lamps or reflectors to disconnect fixture power with F-Bay Modular Power Supply. Access to the individual fixture's power supply allows servicing without turning off all the fixtures, disrupting occupants. F-Bay Modular Power Supply is a time saver in installation – **simply plug & power.**

1. Modular Power Supply Receptacle supplied mounted into fixture Access Plate
2. Modular Power Cord & Plugs in 120, 277, 347, & 480V configurations for easy plug & power into existing supply

No internal fixture access required for installation or disconnecting power

Code Compliance

- UL/cUL Certified for Make/Break under load (UL2549)
- Meets NEC requirements for ballast disconnect (NEC 410.73G)
- Allows for addition of Occupancy Sensor without hard connections
- Receptacles complete with insulating/dust cap

Control Solutions

- WaveLinX LITE wireless
- WaveLinX PRO wireless
- WaveLinX CAT wired
- WaveLinX Wired

The VHB LED with WaveLinX offers no-hassle lighting control with multiple luminaire level control solutions.

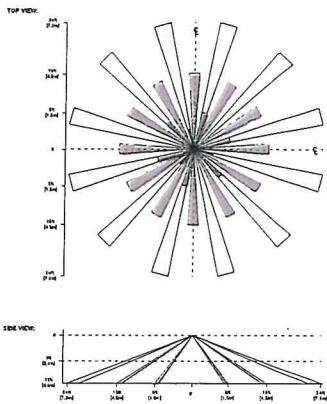

WaveLinX PRO is a wireless lighting control solution, for connected spaces, that significantly reduces a building's energy consumption. From a single floor to an entire campus, WaveLinX PRO connects more than lighting assets; it shares aggregated sensor data with the WaveLinX CORE platform and other building systems, so building owners can improve operations, spaces environment, and tenants' experience. WaveLinX PRO offers a rich portfolio of wireless devices, WaveLinX PRO-enabled luminaires, and an intuitive WaveLinX mobile app for office, education, warehouse, and parking garage applications.

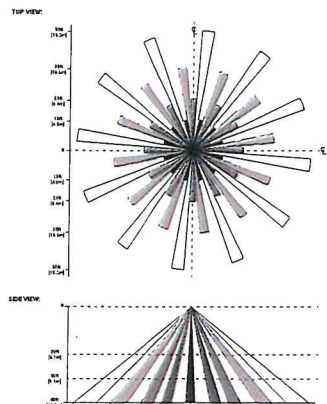

WaveLinX LITE is a cost effective, wireless digital lighting control solution, with out-of-the-box functionality, that saves energy and meets code. It's designed for applications that require occupancy-based, daylighting, or manual light control. Customize installations for office, education, warehouse and parking garages using the secure, simple mobile app.
