Principal Hoffman and Roth reported on the P2T Board meeting they attended; and Superintendent Dolliver and Maise reported on the P2T Special Board meeting they attended also. Both meetings the discussion was about the length of classes and aligning with NECC; and realigning the pathways.

President Peters reported that he recently attended the NASB Open Meetings Law Workshop in Norfolk.

President Peters implemented the Procedures for Public Comment, and no one took advantage of the opportunity to address members of the Board.

Dr. Dolliver reported that he received a quote from Rasmussen's for the repair needed on the RTU on the old gym. In March he had reported to the Board that the rooftop unit on the old gym needed new burners and a new heat exchanger. Superintendent Dolliver recommended approving the quote from Rasmussen at a total cost of \$7,930.00.

A motion was made by Maise and seconded by Roth to approve the proposal from Rasmussen's to repair the old gym rooftop unit for a cost to District of \$7,930.00. President Peters restated the motion and the result of roll call vote being all ayes (6-0), motion carried.

Dr. Dolliver provided the Board with an update to the summer project list; no action was needed.

Proposals for purchasing three replacement interactive whiteboards for the 2025-26 school were reviewed with Board members. Superintendent Dolliver recommended approving the proposal that included installation due to Tony's summer being very full. The total cost to the District would be \$13,533.21.

A motion was made by Maise and seconded by Johnson to approve the purchase of 3 interactive whiteboards as reviewed for a total cost to district of \$13,533.21. President Peters restated the motion and the result of roll call vote being all ayes (6-0), motion carried.

Superintendent Dolliver reported that he had recently met with members of the Facilities / Transportation Committee to discuss and review the following items related to the Pendragon Sports Complex.

An internet connection will be needed at the Pendragon Sports Complex, with its main purpose being for the Hudl camera, but also for those in the press box, for fans, and for the scoreboard. If the connection is good enough, it would be possible to also use it at the baseball and softball fields. Dr. Dolliver reviewed the options for getting internet: install fiber optic cable owned by the District; install fiber optic cable rented by the District or Starlink. The cost to own the fiber optic line from the school to the PSC is \$91,000.00; with e-Rate funding the cost to the school would be just shy of \$28,000.00. The cost to rent a fiber line running from the school to the PSC would be \$4,500.00 per year. Finally, the cost for Starlink is \$1,400.00 per year.

Dr. Dolliver and Board members talked about the options. It was decided that the District owning the fiber line from school to the PSC is the best option for the District.

A motion was made by Maise and seconded by Heineman to approve the installation of a fiber optic line from PPS to the PSC; \$27,389.00 would be the District's share, with e-Rate covering 70% of the total cost. President Peters restated the motion and the result of roll call vote being all ayes (6-0), motion carried.

Superintendent Dolliver reported that three proposals were received to complete the electrical work we need done at the restroom/concession building being built. The most cost-effective proposal was submitted by Maise Electric, Dr. Dolliver recommended approving it as reviewed.

A motion was made by Johnson and seconded by Heineman to approve the proposal from Maise Electric for the electrical work in the Restroom/Concession building at a cost to District of \$22,025.00. President Peters restated the motion and the result of roll call vote being all ayes (5-0-1, Maise abstain, ), motion carried.

Superintendent Dolliver talked with members of the board about the concrete that will be needed to finish areas at the Pendragons Sports Complex once the Timberlyn building is completed. Although there was no formal proposal, Dr. Dolliver recommended approving the item based on the measurements that Tony had taken for the areas that would need concrete and the estimate of what will be charged by Jerico.

A motion was made by Johnson and seconded by Maise to approve up to \$105,000.00 for concrete west of the press box, for sidewalk around the concessions building and up to the bleachers. President Peters restated the motion and the result of roll call vote being all ayes (6-0), motion carried.

Dr. Dolliver informed the Board that Jason Sjuts recently requested to be placed on the District's sub list. He recommended approval the addition of Sjuts to the certified sub list.

A motion was made by Heineman and seconded by Roth to approve the addition of Jason Sjuts to the certified substitute list. President Peters restated the motion and the result of roll call vote being all ayes (6-0), motion carried.

Superintendent Dolliver reported that due to the departure of a para, an ad was placed for a paraprofessional. Morgan Fillipi applied and was interviewed. She interviewed well and had an RBT certification; we offered the position, and she accepted with a start date of March 17. Dr. Dolliver recommended approving her work agreement as reviewed.

A motion was made by Roth and seconded by Heineman to approve the work agreement with Morgan Fillipi as reviewed for the position of Paraprofessional. President Peters restated the motion and the result of roll call vote being all ayes (6-0), motion carried.

Superintendent Dolliver told the Board that he had met with members of the Negotiations Committee before the meeting to review a recommendation for work agreements and compensation for classified staff members for the 2025-2026 school year. The total package represents an increase of 4.66%. Board members reviewed the information presented and discussed the proposal. Dr. Dolliver recommended approving the 2025-2026 classified staff compensation package as reviewed.

A motion was made by Heineman and seconded by Maise to approve the 2025-2026 classified staff work agreements and compensation including a total package increase of \$65,029.19 or 4.66%. President Peters restated the motion and the result of roll call vote being all ayes (6-0), motion carried.

Board member Karlen left the meeting at 9:24 pm.

A motion was made by Maise and seconded by Heineman to move into Executive Session to discuss personnel and clearly necessary for the protection of the public interest or for the prevention of needless injury to the reputation of an individual in compliance with the law. President Peters stated the motion and the results of roll call vote being all ayes (5-0, Karlen absent); motion carried.

President Peters restated the reason for going into executive session was for a strategy session with personnel. The Board entered executive session at 9:30 pm

A motion was made by Heineman and seconded by Johnson to resume the meeting in open session. President Peters stated the motion and the result of roll call vote being all ayes, motion carried.

The Board of Education reconvened in open session at 10:00 p.m. No action was taken as a result of executive session.

President Peters reminded those in attendance of the next regular Board Meeting on May 19, 2025, at 7:00 p.m. Superintendent Dolliver also invited and encouraged all board members to participate in the graduation ceremony on Sunday, May 11 at 2:00 p.m.

  - The rates below will be used from July 1, 2025 to June 30, 2026

<b>Funded Status</b>	<b>Employee</b>	<b>Employer</b>	<b>State</b>

# Football Headsets

- The consideration of purchasing headsets for our football program was an agenda item in April
- Not enough information was available during our April Board Meeting, so the item was tabled
- More information was gathered, and a better plan was put in place
- Headsets were purchased for \$2,340
  - Refurbished, but the ones our coaches wanted
  - We did receive a credit for \$300 for our current headsets, which we traded in
- Since the cost is less than \$5,000, Board approval is not necessary

# Summer Projects Update

# Heartland Counseling

- Since the 2020-2021 school year, PPS has worked with Heartland Counseling to provide school based counseling services
- These services were paid with a combination of revenue sources:
  - Pender Thurston Education and Community Foundation
  - Private insurance
  - Heartland Counseling
  - No District dollars have been utilized
- Moving into the 25-26 school year, Heartland is doing things differently
  - To continue to offer school based counseling services, we are being asked to pay \$1,500 per month for 10 months
  - \$15,000 for the year
- During the June Board Meeting, I plan to ask the Board to approve an agreement with Heartland Counseling

# Softball Field Sound System

- Summer Rec would like to partner with PPS to purchase and install a sound system at the softball field
  - PPS pays for 50%
  - Summer rec pays for 50%
- When PPS uses the field, a portable sound system is needed
  - Meets basic needs
  - Less than desirable
- 2 proposals were received
- The best proposal was for \$5,115.50 (\$2,557.75 each)
- I intend to proceed with this project

# Utility Vehicle

- We are in need of a utility vehicle
- I would like to find something that is affordable but does what we need it to do
- What do we need it to do?
  - Maintenance of all grounds
  - Setup of football fields
  - Track equipment moving
  - Use with pull behind sprayer
  - Many, many other uses
- Depending on the cost, this may be something I ask the Board to approve

# ESSER Reporting

- The U.S. Department of Education has discontinued annual performance reporting (APR) for ESSER
  - This takes something off of our plate, which is good
  - In the past, this was a report that took a few hours to complete
- Pender does have to report federal interest annually per 2 CFR 200.316 and 2 CFR 200.330
  - This is not a huge issue, but something we will do based on guidance from NDE
  - I have reached out to NDE for guidance, but have not heard back to date

# NECC Reimbursement

- \$996.89
- These funds help offset the cost of stipends paid to teachers who teach dual credit courses
- ENGL 2100 - 15 students - \$725.10
- MATH 1200 - 3 students - \$271.88
- This is the last reimbursement check PPS will receive; NECC discontinued it

# Hall of Fame

- Wall of Fame
  - PPS currently has a “Wall of Fame” to recognize extraordinary achievements in NSAA activities
  - Current criteria for recognition:
    - 1st Team All State
    - State Champion in an individual activity
- Hall of Fame
  - A suggestion to add a “Hall of Fame” was made
  - Criteria for selection:
    - Nothing specified, but
      - More gray than the Wall of Fame
      - More encompassing and inclusive than the Wall of Fame
  - I am not opposed to going down this path, but I am not sure if it is something the District wants to do or not

# Route Driver!

- An individual applied, he was interviewed, a job was offered, and it was accepted
- Assuming everything goes well on the back end, the Board will be asked to approve a work agreement at the June Board of Education Meeting

# Civil Right Compliance Review

- Pender was randomly selected for a Civil Rights Compliance Review
  - April 30 - Zoom Interviews
  - May 14 - On Site
- Zoom interviews were conducted by Kevin Dahlman, Lilly Blaise, Sean Young of NDE
- Lilly Blaise was responsible for the on site review
- All went well
- I will share their report as soon as it is received

Those that were interviewed included:

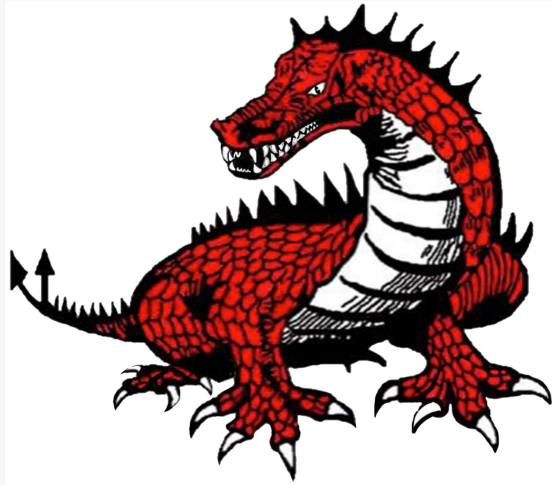

- SPED Director (Kelly Ballinger)
- ELL Coordinator (Kelly Ballinger)
- Students (Alex Roth, Hadley Walsh, Kylie Roeber, Max Kinning, Laney Timm)
- Secondary Principal (Luke Hoffman)
- School Counselor (Thad Nixon)
- Business, Marketing, Information Technology (Amp Ferg and Rhonda Heise)
- Computer Information Systems (Keaton Harpham)
- Agriculture, Food, Natural Resources (Allison Claussen)
- Skilled and Technical Sciences (Allison Claussen)
- Superintendent (Jason Dolliver)

# 3 Year Old Preschool

- Agenda Item #7 (Public Comment) is between this report and the Agenda Item when the Board of Education will make a decision about 3 year old preschool
  - Public Comment is an item on all Board of Education Agendas
  - Public Comment is a time when visitors are allowed to share thoughts, ideas, opinions, etc. with Board Members
- The plan I intend to recommend during Agenda Item #8
  - Pause the offering of 3 year old preschool for the 25-26 school year
    - The best time to hire a teacher is prior to March 15 (we were notified in mid-April that NENCAP would likely not be able to continue to partner with PPS)
    - Continuing to offer a program similar to what is being offered would be a significant expansion of services; it would be more services than the District has ever offered for early childhood education
  - During the 25-26 school year, determine a plan for 26-27 and beyond that makes the most sense for the District
- During Agenda Item #8, the Board of Education will be asked to take action on 3 year old preschool for 25-26, and the plan outlined above may or may not be what the Board decides to move forward with

# July Board Meeting

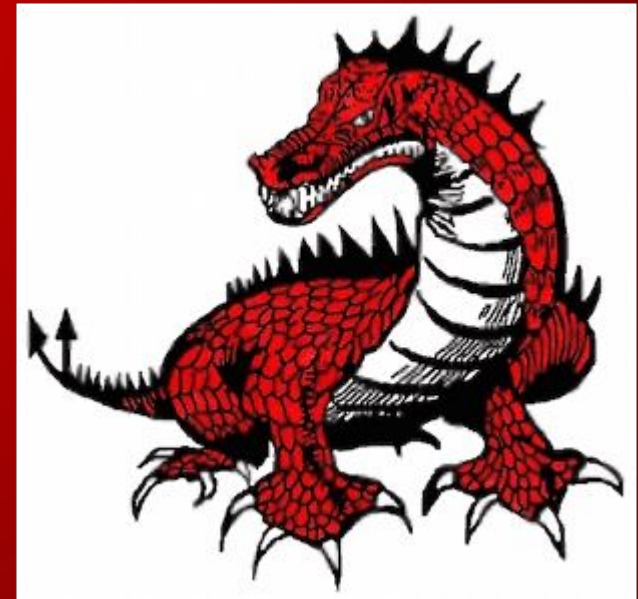

- I am not available from July 9-14 and July 18-21
- On what date would we be able to schedule our July Board Meeting?
- I could participate via zoom on July 14 or 21

# June Board of Education Meeting

- Summer projects update
- Short turn around between May 19 and June 9 Board meetings!

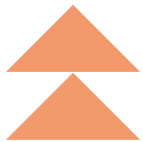

**It's a GREAT Day to be a

# Professional Impact Areas

01

## Climate & Culture

Work to consistently create a positive environment for our students and staff. Continue to build a culture of excellence. Be frequently in classrooms to support that climate/culture.

02

## Purposeful Engagement

We are better together! Create opportunities for our entire PK-12 staff to work and play together.

03

## Moving Forward

What do we stand for? What is the vision as we move into the future? Build ownership in the process and trust in each other. Create leaders!

04

## Focus on Best Practices

Double down on best practices. Focus on refining and recommitting to the things that got us where we are.

Our biggest test may not come from the path we travel to success.  
Our greatest test is what we do with success once we find it.

# UA HIGHLIGHT ATHLETIC AGREEMENT

ATHLETIC AGREEMENT (“AGREEMENT”) AMONG:

## UNDER ARMOUR, CUSTOMER, AND TEAM DEALER

### CUSTOMER Obligations to UNDER ARMOUR and its Authorized Servicing Team Dealer (“Team Dealer”)

- The term of this Agreement commences on July 1, 2025 and ends on June 30, 2030 (“Term”).
- During the Term, CUSTOMER shall purchase Under Armour uniforms, apparel, footwear, and accessories (“Products,” and Products bearing Under Armour marks, “Under Armour Products”) for CUSTOMER’s athletic teams (“Teams”) from the Team Dealer set forth below.
- All Teams shall exclusively wear and use Under Armour Products head-to-toe, including without limitation uniforms, apparel, footwear, and accessories (socks, headwear, bags, etc.) with the understanding that CUSTOMER may phase in the use of Under Armour Products so long as all Teams are fully exclusive at the start of the third year of the Term.
- CUSTOMER shall place orders with Team Dealer for Under Armour Products by:
  - (i) January 15 for Fall Sports uniforms
  - (ii) May 31 for Winter Sports uniforms
  - (iii) November 15 for Spring Sports uniforms
  - Stock apparel (excluding uniforms), footwear, and accessories can be ordered at any time.
- Under Armour and/or Team Dealer shall receive placement of two (2) banners for display on-field and on-court for each Team. Banners may be purchased at school’s discretion. Aside from Under Armour and Team Dealer, no other manufacturer, distributor, marketer or seller of Products shall have the right to place signage at CUSTOMER’s facilities.
- All CUSTOMER activities will be given access to Under Armour when applicable, via the Webstore (as defined below).
- CUSTOMER hereby grants to Under Armour the right to reproduce, display and otherwise use game photographs and/or audiovisual footage of Team games subject to applicable NCAA, NFHS, or applicable high school or governing body rules (collectively, “Rules”).

### UNDER ARMOUR and TEAM DEALER Obligations to CUSTOMER

- Under Armour shall provide CUSTOMER with a product rebate based on the amount of Under Armour Purchases – inclusive of uniforms, in-line, and other licensed Products (collectively, “Rebate Products”) purchased by CUSTOMER from Team Dealer as follows:

Total Rebate Products Purchased	Product Rebate
\$1 - \$40,000	7%
\$40,001 - \$80,000	10%
\$80,001 - \$125,000	12%
\$125,001+	15%

For purposes of clarity, CUSTOMER’s Product Rebate will be: (1) determined by the amount of Rebate Products CUSTOMER purchases in the immediately preceding year; (2) provided on a quarterly basis in the applicable year; and (3) provided by Under Armour as Under Armour Products valued at retail pricing. By way of example, if CUSTOMER purchases \$90,000 worth of Rebate Products from Team Dealer in the first year, the Product Rebate for the next year will be twelve percent (12%). As such, CUSTOMER will receive a Product Rebate of 12% based on the total amount of Rebate Products CUSTOMER purchases in a quarter in the next year, so with respect to the aforementioned example, if in the first quarter of the next Contract Year, CUSTOMER purchases \$7,000 worth of Rebate Products, CUSTOMER will receive a Product Rebate of \$840 for such quarter. Unused quarterly Product Rebate amounts will expire within sixty (60) days. In the first year of the Term, CUSTOMER’s Product Rebate will be based on CUSTOMER’s estimated annual purchase of Rebate Products and will be determined by CUSTOMER, Team Dealer, and Under Armour. Notwithstanding anything contained herein to the contrary, Under Armour reserves the right to modify, update, or amend the Product Rebate program in its sole discretion by providing CUSTOMER and Team Dealer with at least sixty (60) days prior written notice.

- Team Dealer shall establish, operate, and manage a webstore for any and all affiliated CUSTOMER activities accounts (including but not limited to activities, organizations and clubs’ parents, students, alumni, faculty, staff, etc.) (“Webstore”). Team Dealer will use good faith efforts to exclusively sell Under Armour Products on the Webstore, and will prominently feature Under Armour Products over any third party Products sold on the Webstore.
- Team Dealer shall maintain appropriate levels of Under Armour Products to satisfy CUSTOMER’s requirement on a timely basis.
- Team Dealer shall provide sales data to Under Armour quarterly on a QBR worksheet (or as requested).

# UA HIGHLIGHT ATHLETIC AGREEMENT

- This Agreement shall be reviewed yearly by Under Armour and Team Dealer to ensure no major conditions of the Agreement have changed.

**Termination.** A party may terminate this agreement in the event of a material breach of any term or condition of this agreement by any other party and failure by the breaching party to cure the breach within ten (10) days following receipt of notice from the non-breaching party. In addition, Under Armour may change a Team Dealer upon thirty (30) days written notice to Team Dealer(s) and CUSTOMER. Further, Under Armour shall have the right to terminate this agreement if: (a) a Team is required to wear and/or use Products that are not supplied by Under Armour; or (b) CUSTOMER coaches, staff, or Team members commit any act or are involved in any occurrence which in the sole but reasonable discretion of Under Armour reflects unfavorably upon Under Armour or its Products.

**Miscellaneous.** Maryland law shall govern this Agreement, without regard to principles of conflicts of laws thereunder. The parties agree that the terms of this Agreement are confidential and except as required by applicable law, the parties shall not disclose in any way or to any third party any terms of this Agreement. CUSTOMER shall not assign its rights or obligations under this Agreement without prior written consent of Under Armour. The relationship among Under Armour, Team Dealer, and CUSTOMER shall be that of independent contractors. This Agreement may be executed in two (2) counterparts, each of which shall be deemed an original but both of which together shall constitute one and the same agreement. The signatures of the parties may be delivered by facsimile or imaged document, in PDF, TIFF, or JPEG format, and if delivered by facsimile or imaged document, said executed documents may be considered originals for all purposes.

IN WITNESS WHEREOF, each party acknowledges that a duly authorized representative of such party has executed this Agreement as of the date set forth below, and acknowledges that such party has read, understands and agrees to the terms and conditions of this Agreement.
