BYLAWS
OF
EDUCATIONAL SERVICES UNIT COORDINATING COUNCIL

Article I. Authority and Purpose.

Section 1. Introduction. Pursuant to NEB. REV. STAT. § 79-1245, the Educational Services Unit Coordinating Council (hereinafter referred to as "the Council") is a political subdivision of the State of Nebraska.

Section 2. Purpose of Bylaws. The purpose of these Bylaws is to provide operational guidance to the Council and to clarify the Council's relationship with other education entities.

Section 3. Authority. The powers and duties of the Council are set forth in NEB. REV. STAT. §§ 79-1245 to 79-1249 as it may be amended from time to time. These Bylaws shall in no way limit or alter the authority and duties of the Council as provided by law.

Section 4. Mission. The mission of the Council is to provide the most cost-effective educational support for students, teachers, and school districts in each Nebraska educational service unit by facilitating statewide coordination of educational services and strategic planning.

Article II. Membership and Meetings.

Section 1. Number of Members. The Council shall initially have seventeen (17) members, one (1) administrator from each of the seventeen (17) Nebraska educational service units. The Council may involve liaisons from other educational entities and State agencies in its meetings and activities. If, at any time, the number of educational service units changes, the number of members on the Council shall also change so the number of members on the Council remains the same number as the number of existing Nebraska educational service units.

Section 2. Member Responsibilities. Each member is responsible for attending meetings and faithfully and diligently executing any responsibilities or tasks delegated by the Council to carry out its statutory powers and duties.

Section 3. Regular Meetings. In May of each year, the Council shall approve meeting dates, times and locations for the next 12 months. The Council shall meet at least once annually and schedule the number of regular meetings

that it deems appropriate for each 12-month period. The Council shall endeavor to set meetings on dates and at locations that accommodate the schedule of its members and of the State's education community. Regular meetings shall be noticed and held pursuant to the Nebraska Open Meetings Act.

Section 4. Special Meetings. Special meetings of the Council may be called by the President of the Council or by a majority of Council members for any lawful reason. Special meetings shall be noticed and held pursuant to the Nebraska Open Meetings Act.

Section 5. Quorum. No action may be taken on a matter at a Council meeting unless a majority of Council members are present at the meeting either in person or via teleconference pursuant to NEB. REV. STAT. § 84-1411 as may be amended from time to time.

Section 6. Voting. If a quorum is present, the affirmative vote of the majority of Council members present at the meeting and entitled to vote on the subject matter shall be considered an act of the Council unless of a greater vote is required by law. All votes shall be by roll call vote and recorded in the minutes of the Council meeting.

Section 7. Recessed Meeting. A majority of Council members present at any meeting may vote to recess the meeting to a different date, time and/or location. Any business which might have been transacted at the original meeting may be transacted at the rescheduled meeting if a quorum is present at such recessed meeting.

Section 8. Commissioner of Education. The Commissioner of Education shall be invited to attend or to send representatives from the Nebraska Department of Education in his or her stead, to each regular meeting of the Council.

Article III. Officers.

Section 1. Number and Qualification. The initial officers of the Council shall consist of a President, a President-Elect, a Past-President, a Secretary, a Treasurer and such other officers as may be deemed necessary by the Council. Together these officers shall comprise the Executive Committee of the Council.

Section 2. Election and Tenure. The officers of the Council shall be elected at the first regular meeting of the Council. Election may be by either voice vote or written ballot and shall require a majority vote of all members present at the meeting at which the election occurs. Thereafter the officers shall be elected bi-annually at the September meeting or as soon thereafter as convenient. Each officer shall hold office for two years or until his or her successor is duly elected and qualified, unless his or her service is terminated sooner because of death, resignation, removal, disqualification or otherwise.

Section 3. Removal. Any officer of the Council, either elected or appointed, may be removed by a vote of the majority of the Council. Election or appointment of an officer or agent shall not of itself create a contractual relationship between the officer and the Council or give the officer any contract rights.

Section 4. Vacancies. A vacancy in an office due to death, resignation, removal, disqualification or otherwise shall be filled by a vote of the Council in the same manner as provided in Section 2 above, at the Council's next regular meeting after the vacancy becomes known to the Council.

Section 5. Duties and Authority of Officers.

(a) President. The President shall be the principal executive officer of Council. The President shall cause all meetings of the Council to be lawfully noticed and prepare an agenda for each meeting of the Council in accordance with state law. When present, the President shall preside at all meetings of the Council. The President may sign, with the Secretary or any other officer of the agency authorized by the Council, checks, contracts or other instruments which the Council has authorized to be executed, except in cases where the signing and execution thereof is expressly delegated by the Council or these Bylaws to some other officer or agent of the Council or required by law to be otherwise signed or executed. The President shall perform all duties incident to the office of President and such other duties as may be prescribed by the Council from time to time.

(b) President-Elect. In the absence of the President or in the event of his or her death, inability, or refusal to act, the President-Elect shall perform the duties of the President. When so acting the President-Elect, shall have all the powers of, and be subject to all the

The Council shall require each fiscal agent appointed by the Council to provide to the Council quarterly statements of all activity for each project.

Section 3. Agency Agreements and Fiscal Agents. The Council may enter into agency agreements with individual educational service units or other public or private entities. Nebraska Open Meetings Act

§84-1407 Act, how cited Sections 84-1407 to 84-1414 shall be known and may be cited as the Open Meetings Act.

§84-1408 Declaration of intent; meetings open to public It is hereby declared to be the policy of this state that the formation of public policy is public business and may not be conducted in secret. Every meeting of a public body shall be open to the public in order that citizens may exercise their democratic privilege of attending and speaking at meetings of public bodies, except as otherwise provided by the Constitution of Nebraska, federal statutes, and the Open Meetings Act.

§84-1409. Terms, defined For purposes of the Open Meetings Act, unless the context otherwise requires: (1)(a) Public body means (i) governing bodies of all political subdivisions of the State of Nebraska, (ii) governing bodies of all agencies, created by the Constitution of Nebraska, statute, or otherwise pursuant to law, of the executive department of the State of Nebraska, (iii) all independent boards, commissions, bureaus, committees, councils, subunits, or any other bodies created by the Constitution of Nebraska, statute, or otherwise pursuant to law, (iv) all study or advisory committees of the executive department of the State of Nebraska whether having continuing existence or appointed as special committees with limited existence, (v) advisory committees of the bodies referred to in subdivisions (i), (ii), and (iii) of this subdivision, and (vi) instrumentalities exercising essentially public functions. (b) Public body does not include (i) subcommittees of such bodies unless a quorum of the public body attends a subcommittee meeting or unless such subcommittees are holding hearings, making policy, or taking formal action on behalf of their parent body, except that all meetings of any subcommittee established under section 81-15,175 are subject to the Open Meetings Act, and (ii) entities conducting judicial proceedings unless a court or other judicial body is exercising rulemaking authority, deliberating, or deciding upon the issuance of administrative orders;

(2) Meeting means all regular, special, or called meetings, formal or informal, of any public body for the purposes of briefing, discussion of public business, formation of tentative policy, or the taking of any action of the public body; and

(3) Videoconferencing means conducting a meeting involving participants at two or more locations through the use of audio-video equipment which allows participants at each location to hear and see each meeting participant at each other location, including public input. Interaction between meeting participants shall be possible at all meeting locations.

§84-1410. Closed session; when; purpose; reasons listed; procedure; right to challenge; prohibited acts; chance meetings, conventions, or workshops (1) Any public body may hold a closed session by the affirmative vote of a majority of its voting members if a closed session is clearly necessary for the protection of the public interest or for the prevention of needless injury to the reputation of an individual and if such individual has not requested a public meeting. The subject matter and the reason necessitating the closed session shall be identified in the motion to close. Closed sessions may be held for, but shall not be limited to, such reasons as: (a) Strategy sessions with respect to collective bargaining, real estate purchases, pending litigation, or litigation which is imminent as evidenced by communication of a claim or threat of litigation to or by the public body; (b) Discussion regarding deployment of security personnel or devices; (c) Investigative proceedings regarding allegations of criminal misconduct; (d) Evaluation of the job performance of a person when necessary to prevent needless injury to the reputation of a person and if such person has not requested a public meeting; (e) For the Community Trust created under section 81-1801.02, discussion regarding the amounts to be paid to individuals who have suffered from a tragedy of violence or natural disaster, or (f) For public hospitals, governing board peer review activities, professional review activities, review and discussion of medical staff investigations or disciplinary actions, and any strategy session concerning transactional negotiations with any referral source that is required by federal law to be conducted at arms length. Nothing in this section shall permit a closed meeting for discussion of the appointment or election of a new member to any public body.

(2) The vote to hold a closed session shall be taken in open session. The entire motion, the vote of each member on the question of holding a closed session, and the time when the closed session commenced and concluded shall be recorded in the minutes. If the motion to close passes, then the presiding officer immediately prior to the closed session shall restate on the record the limitation of the subject matter of the closed session. The public body holding such a closed session shall restrict its consideration of matters during the closed portions to only those purposes set forth in the motion to close as the reason for the closed session. The meeting shall be reconvened in open session before any formal action may be taken. For purposes of this section, formal action shall mean a collective decision or a collective commitment or promise to make a decision on any question, motion, proposal, resolution, order, or ordinance or formation of a position or policy but shall not include negotiating guidance given by members of the public body to legal counsel or other negotiators in closed sessions authorized under subdivision (1) (a) of this section.

(3) Any member of any public body shall have the right to challenge the continuation of a closed session if the member determines that the session has exceeded the reason stated in the original motion to hold a closed session or if the member contends that the closed session is neither clearly necessary for (a) the protection of the public interest or (b) the prevention of needless injury to the reputation of an individual. Such challenge shall be overruled only by a majority vote of the members of the public body. Such challenge and its disposition shall be recorded in the minutes.

(4) Nothing in this section shall be construed to require that any meeting be closed to the public. No person or public body shall fail to invite a portion of its members to a meeting, and no public body shall designate itself a subcommittee of the whole body for the purpose of circumventing the Open Meetings Act. No closed session, informal meeting, chance meeting, social gathering, email, fax, or other electronic communication shall be used for the purpose of circumventing the requirements of the act.

(5) The act does not apply to chance meetings or to attendance at or travel to conventions or workshops of members of a public body at which there is no meeting of the body then intentionally convened, if there is no vote or other action taken regarding any matter over which the public body has supervision, control, jurisdiction, or advisory power.

§84-1411. Meetings of public body; notice; contents; when available; right to modify; duties concerning notice; videoconferencing or telephone conferencing authorized; emergency meeting without notice; appearance before public body (1) Each public body shall give reasonable advance publicized notice of the time and place of each meeting by a method designated by each public body and recorded in its minutes. Such notice shall be transmitted to all members of the public body and to the public. Such notice shall contain an agenda of subjects known at the time of the publicized notice or a statement that the agenda, which shall be kept continually current, shall be readily available for public inspection at the principal office of the public body during normal business hours. Agenda items shall be sufficiently descriptive to give the public reasonable notice of the matters to be considered at the meeting. Except for items of an emergency nature, the agenda shall not be altered later than (a) 24 hours before the scheduled commencement of the meeting or (b) 48 hours before the scheduled commencement of a meeting of a city council or village board scheduled outside the corporate limits of the municipality. The public body shall have the right to modify the agenda to include items of an emergency nature only at such public meeting.

(2) A meeting of a state agency, state board, state commission, state council, or state committee, of an advisory committee of any such state entity, of an organization created under the Interlocal Cooperation Act, the Joint Public Agency Act, or the Municipal Cooperative Financing Act, of the governing body of a public power district having a chartered territory of more than one county in this state, of the governing body of a public power and irrigation district having a chartered territory of more than one county in this state, of a board of an educational service unit, of the educational service unit coordinating council, of the governing body of a risk management pool or its advisory committees organized in accordance with the Intergovernmental Risk Management Act, or of a community college board of governors may be held by means of videoconferencing or, in the case of the Judicial Resources Commission in those cases specified in section 24-1204, by telephone conference, if: (a) Reasonable advance publicized notice is given; (b) Reasonable arrangements are made to accommodate the public's right to attend, hear, and speak at the meeting, including seating, recordation by audio or visual recording devices, and a reasonable opportunity for input such as public comment or questions to at least the same extent as would be provided if videoconferencing or telephone conferencing was not used; (c) At least one copy of all documents being considered is available to the public at each site of the videoconference or telephone conference; (d) At least one member of the state entity, advisory committee, board, council, or governing body is present at each site of the videoconference or telephone conference; and (e) No more than one-half of the state entity's, advisory committee's, board's, council's, or governing body's meetings in a calendar year are held by videoconference or telephone conference. Videoconferencing, telephone conferencing, or conferencing by other electronic communication shall not be used to circumvent any of the public government purposes established in the Open Meetings Act.

(3) A meeting of a board of an educational service unit, of the educational service unit coordinating council, of the governing body of an entity formed under the Interlocal Cooperation Act, the Joint Public Agency Act, or the Municipal Cooperative Financing Act, of the governing body of a risk management pool or its advisory committees organized in accordance with the Intergovernmental Risk Management Act, of a community college board of governors, of the governing body of a public power district, or of the governing body of a public power and irrigation district may be held by telephone conference call if: (a) The territory represented by the educational service unit, member educational service units, community college board of governors, public power district, public power and irrigation district, or member public agencies of the entity or pool covers more than one county; (b) Reasonable advance publicized notice is given which identifies each telephone conference location at which an educational service unit board member, a council member, a member of a community college board of governors, a member of the governing body of a public power district, a member of the governing body of a public power and irrigation district, or a member of the entity's or pool's governing body will be present; (c) All telephone conference meeting sites identified in the notice are located within public buildings used by members of the educational service unit board, council, community college board of governors, governing body of the public power district, governing body of the public power and irrigation district, or entity or pool or at a place which will accommodate the anticipated audience; (d) Reasonable arrangements are made to accommodate the public's right to attend, hear, and speak at the meeting, including seating, recordation by audio recording devices, and a reasonable opportunity for input such as public comment or questions to at least the same extent as would be provided if a telephone conference call was not used; (e) At least one copy of all documents being considered is available to the public at each site of the telephone conference call; (f) At least one member of the educational service unit board, council, community college board of governors, governing body of the public power district, governing body of the public power and irrigation district, or governing body of the entity or pool is present at each site of the telephone conference call identified in the public notice; (g) The telephone conference call lasts no more than two hours; and (h) No more than one-half of the board's, council's, governing body's, entity's, or pool's meetings in a calendar year are held by telephone conference call, except that a governing body of a risk management pool that meets at least quarterly and the advisory committees of the governing body may each hold more than one-half of its meetings by telephone conference call if the governing body's quarterly meetings are not held by telephone conference call or videoconferencing. Nothing in this subsection shall prevent the participation of consultants, members of the press, and other nonmembers of the governing body at sites not identified in the public notice. Telephone conference calls, emails, faxes, or other electronic communication shall not be used to circumvent any of the public government purposes established in the Open Meetings Act.

(4) The secretary or other designee of each public body shall maintain a list of the news media requesting notification of meetings and shall make reasonable efforts to provide advance notification to them of the time and place of each meeting and the subjects to be discussed at that meeting.

(5) When it is necessary to hold an emergency meeting without reasonable advance public notice, the nature of the emergency shall be stated in the minutes and any formal action taken in such meeting shall pertain only to the emergency. Such emergency meetings may be held by means of electronic or telecommunication equipment. The provisions of subsection (4) of this section shall be complied with in conducting emergency meetings. Complete minutes of such emergency meetings specifying the nature of the emergency and any formal action taken at the meeting shall be made available to the public by no later than the end of the next regular business day.

(6) A public body may allow a member of the public or any other witness other than a member of the public body to appear before the public body by means of video or telecommunications equipment.

§84-1412. Meetings of public body; rights of public; public body; powers and duties (1) Subject to the Open Meetings Act, the public has the right to attend and the right to speak at meetings of public bodies, and all or any part of a meeting of a public body, except for closed sessions called pursuant to section 84-1410, may be videotaped, televised, photographed, broadcast, or recorded by any person in attendance by means of a tape recorder, camera, video equipment, or any other means of pictorial or sonic reproduction or in writing.

(2) It shall not be a violation of subsection (1) of this section for any public body to make and enforce reasonable rules and regulations regarding the conduct of persons attending, speaking at, videotaping, televising, photographing, broadcasting, or recording its meetings. A body may not be required to allow citizens to speak at each meeting, but it may not forbid public participation at all meetings.

(3) No public body shall require members of the public to identify themselves as a condition for admission to the meeting nor shall such body require that the name of any member of the public be placed on the agenda prior to such meeting in order to speak about items on the agenda. The body may require any member of the public desiring to address the body to identify himself or herself.

(4) No public body shall, for the purpose of circumventing the Open Meetings Act, hold a meeting in a place known by the body to be too small to accommodate the anticipated audience.

(5) No public body shall be deemed in violation of this section if it holds its meeting in its traditional meeting place which is located in this state.

(6) No public body shall be deemed in violation of this section if it holds a meeting outside of this state if, but only if: (a) A member entity of the public body is located outside of this state and the meeting is in that member's jurisdiction; (b) All out-of-state locations identified in the notice are located within public buildings used by members of the entity or at a place which will accommodate the anticipated audience; (c) Reasonable arrangements are made to accommodate the public's right to attend, hear, and speak at the meeting, including making a telephone conference call available at an instate location to members, the public, or the press, if requested 24 hours in advance; (d) No more than 25% of the public body's meetings in a calendar year are held out-of-state; (e) Out-of-state meetings are not used to circumvent any of the public government purposes established in the Open Meetings Act; (f) Reasonable arrangements are made to provide viewing at other instate locations for a videoconference meeting if requested fourteen days in advance and if economically and reasonably available in the area; and (g) The public body publishes notice of the out-of-state meeting at least 21 days before the date of the meeting in a legal newspaper of statewide circulation.

(7) The public body shall, upon request, make a reasonable effort to accommodate the public's right to hear the discussion and testimony presented at the meeting.

(8) Public bodies shall make available at the meeting or the instate location for a telephone conference call or videoconference, for examination and copying by members of the public, at least one copy of all reproducible written material to be discussed at an open meeting. Public bodies shall make available at least one current copy of the Open Meetings Act posted in the meeting room at a location accessible to members of the public. At the beginning of the meeting, the public shall be informed about the location of the posted information.

§84-1413. Meetings; minutes; roll call vote; secret ballot; when (1) Each public body shall keep minutes of all meetings showing the time, place, members present and absent, and the substance of all matters discussed.

(2) Any action taken on any question or motion duly moved and seconded shall be by roll call vote of the public body in open session, and the record shall state how each member voted or if the member was absent or not voting. The requirements of a roll call or viva voce vote shall be satisfied by a municipality, a county, a learning community, a joint entity created pursuant to the Interlocal Cooperation Act, a joint public agency created pursuant to the Joint Public Agency Act, or an agency formed under the Municipal Cooperative Financing Act which utilizes an electronic voting device which allows the yeas and nays of each member of such city council, village board, county board, or governing body to be readily seen by the public.

(3) The vote to elect leadership within a public body may be taken by secret ballot, but the total number of votes for each candidate shall be recorded in the minutes.

(4) The minutes of all meetings and evidence and documentation received or disclosed in open session shall be public records and open to public inspection during normal business hours.

(5) Minutes shall be written and available for inspection within ten working days or prior to the next convened meeting, whichever occurs earlier, except that cities of the second class and villages may have an additional ten working days if the employee responsible for writing the minutes is absent due to a serious illness or emergency.

§84-1414. Unlawful action by public body; declared void or voidable by district court; when; duty to enforce open meeting laws; citizen's suit; procedure; violations; penalties (1) Any motion, resolution, rule, regulation, ordinance, or formal action of a public body made or taken in violation of the Open Meetings Act shall be declared void by the district court if the suit is commenced within 120 days of the meeting of the public body at which the alleged violation occurred. Any motion, resolution, rule, regulation, ordinance, or formal action of a public body made or taken in substantial violation of the Open Meetings Act shall be voidable by the district court if the suit is commenced more than 120 days after but within one year of the meeting of the public body in which the alleged violation occurred. A suit to void any final action shall be commenced within one year of the action.

(2) The Attorney General and the county attorney of the county in which the public body ordinarily meets shall enforce the Open Meetings Act.

(3) Any citizen of this state may commence a suit in the district court of the county in which the public body ordinarily meets or in which the plaintiff resides for the purpose of requiring compliance with or preventing violations of the Open Meetings Act, for the purpose of declaring an action of a public body void, or for the purpose of determining the applicability of the act to discussions or decisions of the public body. It shall not be a defense that the citizen attended the meeting and failed to object at such time. The court may order payment of reasonable attorney's fees and court costs to a successful plaintiff in a suit brought under this section.

(4) Any member of a public body who knowingly violates or conspires to violate or who attends or remains at a meeting knowing that the public body is in violation of any provision of the Open Meetings Act shall be guilty of a Class IV misdemeanor for a first offense and a Class III misdemeanor for a second or subsequent offense.

Nebraska Open Meetings Act

84-1407. Act, how cited. Sections 84-1407 to 84-1414 shall be known and may be cited as the Open Meetings Act.

84-1408. Declaration of intent; meetings open to public. It is hereby declared to be the policy of this state that the formation of public policy is public business and may not be conducted in secret. Every meeting of a public body shall be open to the public in order that citizens may exercise their democratic privilege of attending and speaking at meetings of public bodies, except as otherwise provided by the Constitution of Nebraska, federal statutes, and the Open Meetings Act.

84-1409. Terms, defined. For purposes of the Open Meetings Act, unless the context otherwise requires:

(1)(a) Public body means (i) governing bodies of all political subdivisions of the State of Nebraska, (ii) governing bodies of all agencies, created by the Constitution of Nebraska, statute, or otherwise pursuant to law, of the executive department of the State of Nebraska, (iii) all independent boards, commissions, bureaus, committees, councils, subunits, or any other bodies created by the Constitution of Nebraska, statute, or otherwise pursuant to law, (iv) all study or advisory committees of the executive department of the State of Nebraska whether having continuing existence or appointed as special committees with limited existence, (v) advisory committees of the bodies referred to in subdivisions (i), (ii), and (iii) of this subdivision, and (vi) instrumentalities exercising essentially public functions; and

(b) Public body does not include (i) subcommittees of such bodies unless a quorum of the public body attends a subcommittee meeting or unless such subcommittees are holding hearings, making policy, or taking formal action on behalf of their parent body, except that all meetings of any subcommittee established under section 81-15,175 are subject to the Open Meetings Act, and (ii) entities conducting judicial proceedings unless a court or other judicial body is exercising rulemaking authority, deliberating, or deciding upon the issuance of administrative orders;

(2) Meeting means all regular, special, or called meetings, formal or informal, of any public body for the purposes of briefing, discussion of public business, formation of tentative policy, or the taking of any action of the public body; and

(3) Videoconferencing means conducting a meeting involving participants at two or more locations through the use of audio-video equipment which allows participants at each location to hear and see each meeting participant at each other location, including public input. Interaction between meeting participants shall be possible at all meeting locations.

84-1410. Closed session; when; purpose; reasons listed; procedure; right to challenge; prohibited acts; chance meetings, conventions, or workshops.

(1) Any public body may hold a closed session by the affirmative vote of a majority of its voting members if a closed session is clearly necessary for the protection of the public interest or for the prevention of needless injury to the reputation of an individual and if such individual has not requested a public meeting. The subject matter and the reason necessitating the closed session shall be identified in the motion to close. Closed sessions may be held for, but shall not be limited to, such reasons as: (a) Strategy sessions with respect to collective bargaining, real estate purchases, pending litigation, or litigation which is imminent as evidenced by communication of a claim or threat of litigation to or by the public body; (b) Discussion regarding deployment of security personnel or devices; (c) Investigative proceedings regarding allegations of criminal misconduct; (d) Evaluation of the job performance of a person when necessary to prevent needless injury to the reputation of a person and if such person has not requested a public meeting; (e) For the Community Trust created under section 81-1801.02, discussion regarding the amounts to be paid to individuals who have suffered from a tragedy of violence or natural disaster; or (f) For public hospitals, governing board peer review activities, professional review activities, review and discussion of medical staff investigations or disciplinary actions, and any strategy session concerning transactional negotiations with any referral source that is required by federal law to be conducted at arms length. Nothing in this section shall permit a closed meeting for discussion of the appointment or election of a new member to any public body.

(2) The vote to hold a closed session shall be taken in open session. The entire motion, the vote of each member on the question of holding a closed session, and the time when the closed session commenced and concluded shall be recorded in the minutes. If the motion to close passes, then the presiding officer immediately prior to the closed session shall restate on the record the limitation of the subject matter of the closed session. The public body holding such a closed session shall restrict its consideration of matters during the closed portions to only those purposes set forth in the motion to close as the reason for the closed session. The meeting shall be reconvened in open session before any formal action may be taken. For purposes of this section, formal action shall mean a collective decision or a collective commitment or promise to make a decision on any question, motion, proposal, resolution, order, or ordinance or formation of a position or policy but shall not include negotiating guidance given by members of the public body to legal counsel or other negotiators in closed sessions authorized under subdivision (1)(a) of this section.

(3) Any member of any public body shall have the right to challenge the continuation of a closed session if the member determines that the session has exceeded the reason stated in the original motion to hold a closed session or if the member contends that the closed session is neither clearly necessary for (a) the protection of the public interest or (b) the prevention of needless injury to the reputation of an individual. Such challenge shall be overruled only by a majority vote of the members of the public body. Such challenge and its disposition shall be recorded in the minutes. (4) Nothing in this section shall be construed to require that any meeting be closed to the public. No person or public body shall fail to invite a portion of its members to a meeting, and no public body shall designate itself a subcommittee of the whole body for the purpose of circumventing the Open Meetings Act. No closed session, informal meeting, chance meeting, social gathering, email, fax, or other electronic communication shall be used for the purpose of circumventing the requirements of the act.

(5) The act does not apply to chance meetings or to attendance at or travel to conventions or workshops of members of a public body at which there is no meeting of the body then intentionally convened, if there is no vote or other action taken regarding any matter over which the public body has supervision, control, jurisdiction, or advisory power.

84-1411. Meetings of public body; notice; contents; when available; right to modify; duties concerning notice; videoconferencing or telephone conferencing authorized; emergency meeting without notice; appearance before public body.

(1) Each public body shall give reasonable advance publicized notice of the time and place of each meeting by a method designated by each public body and recorded in its minutes. Such notice shall be transmitted to all members of the public body and to the public. Such notice shall contain an agenda of subjects known at the time of the publicized notice or a statement that the agenda, which shall be kept continually current, shall be readily available for public inspection at the principal office of the public body during normal business hours. Agenda items shall be sufficiently descriptive to give the public reasonable notice of the matters to be considered at the meeting. Except for items of an emergency nature, the agenda shall not be altered later than (a) twenty-four hours before the scheduled commencement of the meeting or (b) forty-eight hours before the scheduled commencement of a meeting of a city council or village board scheduled outside the corporate limits of the municipality. The public body shall have the right to modify the agenda to include items of an emergency nature only at such public meeting.

(2) A meeting of a state agency, state board, state commission, state council, or state committee, of an advisory committee of any such state entity, of an organization created under the Interlocal Cooperation Act, the Joint Public Agency Act, or the Municipal Cooperative Financing Act, of the governing body of a public power district having a chartered territory of more than one county in this state, of the governing body of a public power and irrigation district having a chartered territory of more than one county in this state, of a board of an educational service unit, of the Educational Service Unit Coordinating Council, of the governing body of a risk management pool or its advisory committees organized in accordance with the Intergovernmental Risk Management Act, or of a community college board of governors may be held by means of videoconferencing or, in the case of the Judicial Resources Commission in those cases specified in section 24-1204, by telephone conference, if: (a) Reasonable advance publicized notice is given; (b) Reasonable arrangements are made to accommodate the public's right to attend, hear, and speak at the meeting, including seating, recordation by audio or visual recording devices, and a reasonable opportunity for input such as public comment or questions to at least the same extent as would be provided if videoconferencing or telephone conferencing was not used; (c) At least one copy of all documents being considered is available to the public at each site of the videoconference or telephone conference; (d) At least one member of the state entity, advisory committee, board, council, or governing body is present at each site of the videoconference or telephone conference, except that a member of an organization created under the Interlocal Cooperation Act that sells electricity or natural gas at wholesale on a multistate basis, an organization created under the Municipal Cooperative Financing Act, or a governing body of a risk management pool or an advisory committee of such organization or pool may designate a nonvoting designee, who shall not be included as part of the quorum, to be present at any site; and (e)(i) Except as provided in subdivision (2)(e)(ii) of this section, no more than one-half of the state entity's, advisory committee's, board's, council's, or governing body's meetings in a calendar year are held by videoconference or telephone conference; or (ii) In the case of an organization created under the Interlocal Cooperation Act that sells electricity or natural gas at wholesale on a multistate basis or an organization created under the Municipal Cooperative Financing Act, such organization holds at least one meeting each calendar year that is not by videoconferencing or telephone conferencing. Videoconferencing, telephone conferencing, or conferencing by other electronic communication shall not be used to circumvent any of the public government purposes established in the Open Meetings Act.

(3) A meeting of a board of an educational service unit, of the Educational Service Unit Coordinating Council, of the governing body of an entity formed under the Interlocal Cooperation Act, the Joint Public Agency Act, or the Municipal Cooperative Financing Act, of the governing body of a risk management pool or its advisory committees organized in accordance with the Intergovernmental Risk Management Act, of a community college board of governors, of the governing body of a public power district, of the governing body of a public power and irrigation district, or of the Nebraska Brand Committee may be held by telephone conference call if: (a) The territory represented by the educational service unit, member educational service units, community college board of governors, public power district, public power and irrigation district, Nebraska Brand Committee, or member public agencies of the entity or pool covers more than one county; (b) Reasonable advance publicized notice is given which identifies each telephone conference location at which there will be present: (i) A member of the educational service unit board, council, community college board of governors, governing body of a public power district, governing body of a public power and irrigation district, Nebraska Brand Committee, or entity's or pool's governing body; or (ii) A nonvoting designee designated under subdivision (3)(f) of this section; (c) All telephone conference meeting sites identified in the notice are located within public buildings used by members of the educational service unit board, council, community college board of governors, governing body of the public power district, governing body of the public power and irrigation district, or entity or pool or at a place which will accommodate the anticipated audience; (d) Reasonable arrangements are made to accommodate the public's right to attend, hear, and speak at the meeting, including seating, recordation by audio recording devices, and a reasonable opportunity for input such as public comment or questions to at least the same extent as would be provided if a telephone conference call was not used; (e) At least one copy of all documents being considered is available to the public at each site of the telephone conference call; (f) At least one member of the educational service unit board, council, community college board of governors, governing body of the public power district, governing body of the public power and irrigation district, Nebraska Brand Committee, or governing body of the entity or pool is present at each site of the telephone conference call identified in the public notice, except that a member of an organization created under the Interlocal Cooperation Act that sells electricity or natural gas at wholesale on a multistate basis, an organization created under the Municipal Cooperative Financing Act, or a governing body of a risk management pool or an advisory committee of such organization or pool may designate a nonvoting designee, who shall not be included as part of the quorum, to be present at any site; (g) The telephone conference call lasts no more than five hours; and (h) No more than one-half of the board's, council's, governing body's, entity's, or pool's meetings in a calendar year are held by telephone conference call, except that: (i) The governing body of a risk management pool that meets at least quarterly and the advisory committees of the governing body may each hold more than one-half of its meetings by telephone conference call if the governing body's quarterly meetings are not held by telephone conference call or videoconferencing; and (ii) An organization created under the Interlocal Cooperation Act that sells electricity or natural gas at wholesale on a multistate basis or an organization created under the Municipal Cooperative Financing Act may hold more than one-half of its meetings by telephone conference call if the organization holds at least one meeting each calendar year that is not by videoconferencing or telephone conference call. Nothing in this subsection shall prevent the participation of consultants, members of the press, and other nonmembers of the governing body at sites not identified Daily Documentation 1st Quarter in the public notice. Telephone conference calls, emails, faxes, or other electronic communication shall not be used to circumvent any of the public government purposes established in the Open Meetings Act.

(4) The secretary or other designee of each public body shall maintain a list of the news media requesting notification of meetings and shall make reasonable efforts to provide advance notification to them of the time and place of each meeting and the subjects to be discussed at that meeting.

(5) When it is necessary to hold an emergency meeting without reasonable advance public notice, the nature of the emergency shall be stated in the minutes and any formal action taken in such meeting shall pertain only to the emergency. Such emergency meetings may be held by means of electronic or telecommunication equipment. The provisions of subsection (4) of this section shall be complied with in conducting emergency meetings. Complete minutes of such emergency meetings specifying the nature of the emergency and any formal action taken at the meeting shall be made available to the public by no later than the end of the next regular business day.

(6) A public body may allow a member of the public or any other witness other than a member of the public body to appear before the public body by means of video or telecommunications equipment.

84-1412. Meetings of public body; rights of public; public body; powers and duties.

(1) Subject to the Open Meetings Act, the public has the right to attend and the right to speak at meetings of public bodies, and all or any part of a meeting of a public body, except for closed sessions called pursuant to section 84-1410, may be videotaped, televised, photographed, broadcast, or recorded by any person in attendance by means of a tape recorder, camera, video equipment, or any other means of pictorial or sonic reproduction or in writing.

(2) It shall not be a violation of subsection (1) of this section for any public body to make and enforce reasonable rules and regulations regarding the conduct of persons attending, speaking at, videotaping, televising, photographing, broadcasting, or recording its meetings. A body may not be required to allow citizens to speak at each meeting, but it may not forbid public participation at all meetings.

(3) No public body shall require members of the public to identify themselves as a condition for admission to the meeting nor shall such body require that the name of any member of the public be placed on the agenda prior to such meeting in order to speak about items on the agenda. The body may require any member of the public desiring to address the body to identify himself or herself.

(4) No public body shall, for the purpose of circumventing the Open Meetings Act, hold a meeting in a place known by the body to be too small to accommodate the anticipated audience.

(5) No public body shall be deemed in violation of this section if it holds its meeting in its traditional meeting place which is located in this state.

(6) No public body shall be deemed in violation of this section if it holds a meeting outside of this state if, but only if: (a) A member entity of the public body is located outside of this state and the meeting is in that member's jurisdiction; (b) All out-of-state locations identified in the notice are located within public buildings used by members of the entity or at a place which will accommodate the anticipated audience; (c) Reasonable arrangements are made to accommodate the public's right to attend, hear, and speak at the meeting, including making a telephone conference call available at an instate location to members, the public, or the press, if requested twenty-four hours in advance; (d) No more than twenty-five percent of the public body's meetings in a calendar year are held out-of-state; (e) Out-of-state meetings are not used to circumvent any of the public government purposes established in the Open Meetings Act; (f) Reasonable arrangements are made to provide viewing at other instate locations for a videoconference meeting if requested fourteen days in advance and if economically and reasonably available in the area; and (g) The public body publishes notice of the out-of-state meeting at least twenty-one days before the date of the meeting in a legal newspaper of statewide circulation.

(7) The public body shall, upon request, make a reasonable effort to accommodate the public's right to hear the discussion and testimony presented at the meeting.

(8) Public bodies shall make available at the meeting or the instate location for a telephone conference call or videoconference, for examination and copying by members of the public, at least one copy of all reproducible written material to be discussed at an open meeting. Public bodies shall make available at least one current copy of the Open Meetings Act posted in the meeting room at a location accessible to members of the public. At the beginning of the meeting, the public shall be informed about the location of the posted information.

84-1413. Meetings; minutes; roll call vote; secret ballot; when.

(1) Each public body shall keep minutes of all meetings showing the time, place, members present and absent, and the substance of all matters discussed.

(2) Any action taken on any question or motion duly moved and seconded shall be by roll call vote of the public body in open session, and the record shall state how each member voted or if the member was absent or not voting. The requirements of a roll call or viva voce vote shall be satisfied by a public body which utilizes an electronic voting device which allows the yeas and nays of each member of such public body to be readily seen by the public.

(3) The vote to elect leadership within a public body may be taken by secret ballot, but the total number of votes for each candidate shall be recorded in the minutes.

(4) The minutes of all meetings and evidence and documentation received or disclosed in open session shall be public records and open to public inspection during normal business hours.

(5) Minutes shall be written, except as provided in subsection (6) of this section, and available for inspection within ten working days or prior to the next convened meeting, whichever occurs earlier, except that cities of the second class and villages may have an additional ten working days if the employee responsible for writing the minutes is absent due to a serious illness or emergency.

(6) Minutes of the meetings of the board of a school district or educational service unit may be kept as an electronic record.

84-1414. Unlawful action by public body; declared void or voidable by district court; when; duty to enforce open meeting laws; citizen's suit; procedure; violations; penalties.

(1) Any motion, resolution, rule, regulation, ordinance, or formal action of a public body made or taken in violation of the Open Meetings Act shall be declared void by the district court if the suit is commenced within one hundred twenty days of the meeting of the public body at which the alleged violation occurred. Any motion, resolution, rule, regulation, ordinance, or formal action of a public body made or taken in substantial violation of the Open Meetings Act shall be voidable by the district court if the suit is commenced more than one hundred twenty days after but within one year of the meeting of the public body in which the alleged violation occurred. A suit to void any final action shall be commenced within one year of the action.

(2) The Attorney General and the county attorney of the county in which the public body ordinarily meets shall enforce the Open Meetings Act.

(3) Any citizen of this state may commence a suit in the district court of the county in which the public body ordinarily meets or in which the plaintiff resides for the purpose of requiring compliance with or preventing violations of the Open Meetings Act, for the purpose of declaring an action of a public body void, or for the purpose of determining the applicability of the act to discussions or decisions of the public body. It shall not be a defense that the citizen attended the meeting and failed to object at such time. The court may order payment of reasonable attorney's fees and court costs to a successful plaintiff in a suit brought under this section.

(4) Any member of a public body who knowingly violates or conspires to violate or who attends or remains at a meeting knowing that the public body is in violation of any provision of the Open Meetings Act shall be guilty of a Class IV misdemeanor for a first offense and a Class III misdemeanor for a second or subsequent offense.

Commissioner Blomstedt – Petition
NE Rule 62
153 Rule 62 Petition
Board President gave an update on the written petition to the Nebraska State School Board in conjunction with Nebraska Rule 62. The petition shall seek to address the numerous issues confronting Nebraska schools and ESUs related to the extraordinary circumstances created by the Covid-19 Pandemic. Such issues include, but are not limited to accreditation, operations, transportation, transitions, etc. Commissioner requested the petition to be submitted. Commissioner was present to discuss the petition. State Board can invite someone to submit a petition. Secondly, this will help the Board to be more responsive. Could possibly be asked to do this again this Fall to continue to address needs. Discussed the timeline for this process. Commissioner hopes to present this to the NDE Board at their meeting next week, the petition will need to be in to NDE by Wednesday. If that isn't possible submit by the beginning of June. The petition will address items yet to come. This is a judicial action for the Board. As a regulatory body the NDE Board follow their own rules, this petition will guide their work to help make decisions prior to the deadlines. Affidavits happen after the fact in order to NDE Board to waive actions. By asking the ESUCC to submit this petition, the ESUCC involves all stakeholders as we bring everything forward for the entire state.

It is recommended that the ESUCC Board approve a comprehensive written petition to the Nebraska State School Board in conjunction with Nebraska Rule 62. The petition shall seek to address the numerous issues confronting Nebraska schools and ESUs related to the extraordinary circumstances created by the Covid-19 Pandemic. Such issues include, but are not limited to accreditation, operations, transportation, transitions, etc. Passed with a motion by Dr. Dan Schnoes (ESU 03) and a second by Dr. John Skretta (ESU 06).

Agenda Items

1. Public - No comment
2. Commissioner was present to say thanks for everyone's help and support. Proud of the ESU structure and work taking place. What do schools need from an education standpoint? What questions do schools have in this next phase? Moving into phases that are looking for patterns and themes he needs to address. What are the common themes? Asking ESU Administrators to be the leaders at the local levels. The reality is that this could continue to impact us through the summer and the fall. Think through ways to organize key themes. Have themes for the Commissioner to address at his next sessions. Have a couple ESU administrators there to help answer/address the issues. Have the top three questions for each week.
    a. ESU 4 do we send directly or send through the form. Circulate through our ESU administrators and come up with common solutions. How unique are the questions? Does it impact more than just one. Kraig to

communicate the items to the Commissioner and let him know who the administrators will be on the call to help address.

b. On behalf of all the ESU Administrators thank you to help get us communicated out as who we are and the role we play. Governor has been using the ESUs as well. There is a mix of boundaries from ESUs to public/businesses.
c. When was the switch over made? When will the health department extend the dates? Things will be handled from health region/county by county as things progress. Heard April 17, 2020.
d. When there will be a definite "schools closed for remainder of year" Commissioner looks for this to not happen before the end of school to start opening things back up. Commissioner requested of Governor a statewide DHM approach. Just beginning to see the growth of the virus. He is also working with local health officials. He will work to get a more precise answer for the dates.
e. Travel authorization forms - information requiring essential personnel to have the form. The Commissioner thought that the Gov. said this is not for NE. This comes into place when there is a shelter in place order.
f. Reading Improvement Act - what will this look like if we are still under restrictions this summer? Commissioner might be asking the Gov. to release some requirements.
g. Are Superintendents going to get the format for the Continuity of Learning Plans - Email from Cory. There are two forms- one for publics and one for non-publics. Public https://www.education.ne.gov/publichealth/colp/ - Non public: https://www.education.ne.gov/publichealth/colpnp/

3. Boystown Report - from Dr Schnoes. Data shows how it is affecting students. NDE is starting to put together stuff on social/emotional help. Send ideas/resources to Zainab.
    a. Concerns on visibly impaired (OCR) and assistive technology.
    b. Some ESUs sending and picking up equipment.
    c. Contact ESU 4 NIRC center: http://www.ncecbvi.org/nirc/index.html plus the online catalog: https://ncecbvi.klas.com/
4. School Closing thoughts - ESU 4 - May 1 date for now — trying to figure out what to do with graduation . ESU 6 - Districts want to slow play this a little anyway because if they have to communicate the school year is "over" except for remote learning they are concerned kids may shut down on them. Just one thing I've heard repeatedly from Sups .
   ESU 13 Supt. met that they will be closing for the remainder of the year.

ESU 15 Supt. met yesterday and discussed the Gov./Commissioner had the same message but was not ready to commit. Already thinking that will happen.
ESU 5 - will make the final decision by April 22. Once they decide to close for the remainder of the year bring up a whole other group of questions like how are they going to handle graduation, etc.
ESU 3 - Supts are just waiting for something more emphatic / clearer to communicate because they know parents have been utterly inundated with information from their schools.
Also from ESU 6 - John was talking with one of our Sups just before this and feeling that now fortunately since NU and some others have said no commencement exercises, it gives cover to High Schools to be able to make that announcement in the coming ...week, two weeks, whatever. That no one can say they didn't see it coming. I'm guessing some of our Sups will want the ESU just to help them coordinate pushing that message out as far as timing of it b/c if neighboring districts have different timing it will create some tension/drama.
ESU 11 - does not yet have a case in their area
ESU 9 - had its first case in Hastings yesterday so takes the date out to mid-May, past school being out of session.
ESU 2 - districts are closed indefinitely. Announced March 25, 2020
From Zainab Rida, NDE - NE Children foundation is working on providing flexible funds via Community Response systems in NE to help families purchase laptops, hotspots, cell phones, and the internet. Do you know the school districts that do not have laptops for families? We have heard Omaha and Lincoln have School systems that are providing laptops at home but the other school districts do not have this option? Is this correct? Please let me know what you know. Thank you so much!

5. What are ESUs thinking in terms of closing entirely? Keeping staff safe and reducing the possibility of any contact? What will be the tipping point?
    a. Any brainstorming how to do mail, accounting, etc?
    b. ESU 6 - “Stay at home order” could be coming sooner than later.
    c. Once ESU 13 had confirmed cases - closed offices. Restricted access to certain hours. Custodial staff will know when and where people are at in the building. The bulk of the work will be done remotely. Set hours to be able to come in and make copies.
    d. ESU 3 - has very limited access in the building. Working to prepare to be completely out of the building. Construction workers are continuing to work. MAil going out only on Wednesday and Friday.

e. ESU 19 - We have Jabber loaded on PC laptops for teachers/staff so that they can call families and use their district phone numbers. We have VPN's for staff that need to remote into/onto the network.
f. ESU 17 - has limited staff coming into the office.
g. ESU 10 - has limited stay coming into the office.
h. ESU 9 - has limited staff coming into the office.

6. May PDO - moved to Zoom and one day only (May 6).
    a. PD Planning Committee met this morning to discuss the modified agenda for May. Commissioner had agreed to do the opening for this day.
    b. No Rule 84 meeting with NDE on April 9
    c. PD Chair will be meeting next week
    d. April 8 Committee/April 9 Board Meeting Schedule
7. Updates on SPED Billings and what if any questions have arisen on this topic with your schools
    a. Some schools will be upset about paying their invoices.
    b. ESUs are still giving services through telehealth so invoicing is normal.
    c. Paying staff is the same as schools paying staff - requiring to work to continue to provide services. Expect schools to continue to pay fees.
    d. Most have had no push back - most are saying thank you for the help.
8. Are your member schools that closed for April 30th/May 1st wanting to issue a new message for the remainder of the year based on yesterday's Commissioner's call?
9. With a State BOE coming up, will this be where the Rule 10 requirements for hours be formally waived? Supts are asking about that as well as graduation requirements.
    a. The Commissioner is going to have the NDE Board create a resolution. Continuity of Learning plan - need to submit a report. Tell them what they are going to do and at the end of the year tell them what other areas they didn't meet under Rule 10. This will include specific graduation requirements. There are a lot of right ways of doing things right now.
    b. Would the commissioner please share the rough draft of the resolution? It will be on the website on Thursday, maybe tomorrow. He needs to meet with his President and VP to go over it.
    c. What are ESUs going to do to help NDE to prevent having to do resolutions to adjust for viruses, floods, etc in Rule 10. Expect even snow days in the future/eLearning days.
        i. Build a system to be proactive
        ii. Look at how we are currently doing PD opportunities and how that can affect how we do PD in the future.

10. COOP orders? Any news that any items will be shipped late?
    a. Annual Buy deadline to order is April 9th. After that deadline, orders will be sent to the vendors. Once vendors get our orders, we may hear from them regarding delays in shipping and/or items that may not be shipped.
    b. Promote the importance of getting orders in and approved.
11. Legislation: Heard the petition drive has been halted.
    a. Group letter to be sent out to get to Senators. Only a couple Senators saying this is a good thing.
    b. Deadline to have signatures submitted is early July.
12. What's going to happen if/when tax receipts don't come in; unemployment rates - is this impacting your hiring for next year?
    a. Unemployment rates during this time then the highest single month
    b. Lagging reimbursement - 12-18 months out. Hope for some stimulus money.
    c. How is this going to affect teachers doing student teaching?

b. Honor the work that you are doing. If they have little ones at home, they may need a break but they need to put in the time later on in the day.
c. ESU 18 - Responsiveness. You should be reachable and responsive. It doesn't have to be immediate, but certainly timely. During school hours, you should be working per your contract (except for breaks here or there). If you need to be gone or unavailable to your remote learners for more than 2 hours, you should access leave. If flexibility or exceptions need to be made regarding this, please contact your principal. If an employee runs out of leave, we will be approving borrowed and donated leave requests. Public Optics: Setting an Example Please keep in mind that you are on contract for your normal work hours during this closure. For example, any social media posts with you out and about in Lincoln, or comments alluding to "days off" during this time will not be viewed in a positive light by the community. We do not want anyone to make a momentary mistake that would reflect anything less than the amazing professionals you are. Be mindful that people know you work for LPS and our staff should be the example of social distancing and professionalism. Unlike winter break, this is not a break. It is a "work from home" situation. We hope you can use this time to keep family healthy, support students, and catch up on that professional reading you never have time to do!
d. Need to keep in mind mental health, be careful to not totally overload.
e. The public is watching, try not to be out in public where they can say you are wasting taxpayers money.
f. NSEA has a response to schools that still have staff reporting.
g. Everyone who is able to work from home, should be working from home to flatten the curve.
h. Our response is that the teachers are working harder than ever before. Learning curve for teachers.
i. Emergency Leave/FMLA Leave - work on contingency planning.
j. Bryce Willson tweeted out to track funding throughout this time.

Bryce Wilson @NDE_Finance · 5h

I would track any expense related to COVID19 regardless of program or funding source since we have very little guidance or direction at this point. I have heard it may be distributed through the Title I (FY19) formula but that is far from final.

k. If you are having Paras use the emergency leave, this would be general ed expenses - use proper coding.

1. Professional Development Days - doing remotely, online if asked
    a. Some schools are trying to determine how to fulfill teacher contract time and have reached out to ESUs for possible staff development.
        i. This is in the idea stage.
            1. Other duties as assigned?
2. Payment of staff

NPERS gave an update yesterday, certified staff is covered.

ESU 7 Classified staff - pay wages, medical leave. Staff is asked to clock in and clock out. Volunteer with the community, share with the supervisor, they can clock in and out.

Work+volunteer with remaining medical leave. ESU 7 did not cap on medical leave. Will review every 4 weeks.

Karen Haase shared she is concerned about school vs ESUs. Clarify in your resolution that ESU. Resolution to be in the county your main office is located.

SPED paras can't do "other duties as assigned" work - this will not be reimbursable by NDE. But if it is medical leave - it can be reimbursed. Have them do webinars that are SPED related.

Discussion on those that do not have internet at home. Some providers are offering hotspots.

Professional Development via zoom. Each ESU is different on how they are handling professional development. Affiliates want clarity on what they are to do. Prepare a common message. They want to be utilized and use technology. Each ESU and schools are uniquely different. Create a common landing page for resources to send out to teachers. Reserve some staff days to work later after this is over. Depends on how staff contracts are written if you can reserve those days.

Discussion on teachers missing their students. Provide some mental health resources for these teachers. Making connections to social/emotional wellbeing.

Need to document what we have done and will do. Create a Google Doc that we can capture. SIMPL can capture work and add in documents. Move from being a trauma and to champion the opportunity provided to us.

HERE is the LPS plan for closure for different staff groups.

Absent: Corey Dahl,
Guest: Dr. Blomstedt, Zainab Rida

Call to order at 2:30 PM

Agenda Items

1. Public - No comment
2. Commissioner was present to say thanks for everyone's help and support. Proud of the ESU structure and work taking place. What do schools need from an education standpoint? What questions do schools have in this next phase? Moving into phases that are looking for patterns and themes he needs to address. What are the common themes? Asking ESU Administrators to be the leaders at the local levels. The reality is that this could continue to impact us through the summer and the fall. Think through ways to organize key themes. Have themes for the Commissioner to address at his next sessions. Have a couple ESU administrators there to help answer/address the issues. Have the top three questions for each week.
    a. ESU 4 do we send directly or send through the form. Circulate through our ESU administrators and come up with common solutions. How unique are the questions? Does it impact more than just one. Kraig to communicate the items to the Commissioner and let him know who the administrators will be on the call to help address.
    b. On behalf of all the ESU Administrators thank you to help get us communicated out as who we are and the role we play. Governor has been using the ESUs as well. There is a mix of boundaries from ESUs to public/businesses.
    c. When was the switch over made? When will the health department extend the dates? Things will be handled from health region/county by county as things progress. Heard April 17, 2020.
    d. When there will be a definite “schools closed for remainder of year” Commissioner looks for this to not happen before the end of school to start opening things back up. Commissioner requested of Governor a statewide DHM approach. Just beginning to see the growth of the virus. He is also working with local health officials. He will work to get a more precise answer for the dates.
    e. Travel authorization forms - information requiring essential personnel to have the form. The Commissioner thought that the Gov. said this is not for NE. This comes into place when there is a shelter in place order.
    f. Reading Improvement Act - what will this look like if we are still under restrictions this summer? Commissioner might be asking the Gov. to release some requirements.

    g. Are Superintendents going to get the format for the Continuity of Learning Plans - Email from Cory. There are two forms- one for publics and one for non-publics. Public https://www.education.ne.gov/publichealth/colp/ - Non public: https://www.education.ne.gov/publichealth/colpnp/

    b. Some ESUs sending and picking up equipment.
    c. Contact ESU 4 NIRC center: http://www.ncecbvi.org/nirc/index.html plus the online catalog: https://ncecbvi.klas.com/
4. School Closing thoughts - ESU 4 - May 1 date for now — trying to figure out what to do with graduation . ESU 6 - Districts want to slow play this a little anyway because if they have to communicate the school year is "over" except for remote learning they are concerned kids may shut down on them. Just one thing I've heard repeatedly from Sups .
   ESU 13 Supt. met that they will be closing for the remainder of the year.
   ESU 15 Supt. met yesterday and discussed the Gov./Commissioner had the same message but was not ready to commit. Already thinking that will happen.
   ESU 5 - will make the final decision by April 22. Once they decide to close for the remainder of the year bring up a whole other group of questions like how are they going to handle graduation, etc.
   ESU 3 - Supts are just waiting for something more emphatic / clearer to communicate because they know parents have been utterly inundated with information from their schools.
   Also from ESU 6 - John was talking with one of our Sups just before this and feeling that now fortunately since NU and some others have said no commencement exercises, it gives cover to High Schools to be able to make that announcement in the coming ...week, two weeks, whatever. That no one can say they didn't see it coming. I'm guessing some of our Sups will want the ESU just to help them coordinate pushing that message out as far as timing of it b/c if neighboring districts have different timing it will create some tension/drama.
   ESU 11 - does not yet have a case in their area
   ESU 9 - had its first case in Hastings yesterday so takes the date out to mid-May, past school being out of session.
   ESU 2 - districts are closed indefinitely. Announced March 25, 2020
   From Zainab Rida, NDE - NE Children foundation is working on providing flexible funds via Community Response systems in NE to help families purchase laptops, hotspots, cell phones, and the internet. Do you know the school districts that do

not have laptops for families? We have heard Omaha and Lincoln have School systems that are providing laptops at home but the other school districts do not have this option? Is this correct? Please let me know what you know. Thank you so much!

5. What are ESUs thinking in terms of closing entirely? Keeping staff safe and reducing the possibility of any contact? What will be the tipping point?
    a. Any brainstorming how to do mail, accounting, etc?
    b. ESU 6 - "Stay at home order" could be coming sooner than later.
    c. Once ESU 13 had confirmed cases - closed offices. Restricted access to certain hours. Custodial staff will know when and where people are at in the building. The bulk of the work will be done remotely. Set hours to be able to come in and make copies.
    d. ESU 3 - has very limited access in the building. Working to prepare to be completely out of the building. Construction workers are continuing to work. MAil going out only on Wednesday and Friday.
    e. ESU 19 - We have Jabber loaded on PC laptops for teachers/staff so that they can call families and use their district phone numbers. We have VPN's for staff that need to remote into/onto the network.
    f. ESU 17 - has limited staff coming into the office.
    g. ESU 10 - has limited stay coming into the office.
    h. ESU 9 - has limited staff coming into the office.
6. May PDO - moved to Zoom and one day only (May 6).
    a. PD Planning Committee met this morning to discuss the modified agenda for May. Commissioner had agreed to do the opening for this day.
    b. No Rule 84 meeting with NDE on April 9
    c. PD Chair will be meeting next week
    d. April 8 Committee/April 9 Board Meeting Schedule
7. Updates on SPED Billings and what if any questions have arisen on this topic with your schools
    a. Some schools will be upset about paying their invoices.
    b. ESUs are still giving services through telehealth so invoicing is normal.
    c. Paying staff is the same as schools paying staff - requiring to work to continue to provide services. Expect schools to continue to pay fees.
    d. Most have had no push back - most are saying thank you for the help.
8. Are your member schools that closed for April 30th/May 1st wanting to issue a new message for the remainder of the year based on yesterday's Commissioner's call?

9. With a State BOE coming up, will this be where the Rule 10 requirements for hours be formally waived? Supts are asking about that as well as graduation requirements.
    a. The Commissioner is going to have the NDE Board create a resolution. Continuity of Learning plan - need to submit a report. Tell them what they are going to do and at the end of the year tell them what other areas they didn't meet under Rule 10. This will include specific graduation requirements. There are a lot of right ways of doing things right now.
    b. Would the commissioner please share the rough draft of the resolution? It will be on the website on Thursday, maybe tomorrow. He needs to meet with his President and VP to go over it.
    c. What are ESUs going to do to help NDE to prevent having to do resolutions to adjust for viruses, floods, etc in Rule 10. Expect even snow days in the future/eLearning days.
        i. Build a system to be proactive

    c. Negotiation to go into closed sessions, you can use a breakout room.

4. Rule 84 Meeting (possible adjustments)
    a. The Executive Director will meet with Lane Carr and Shirley Vargus to discuss next steps.
5. Facebook posts showing students in Zoom classes - is this a privacy issue?
    a. Teachers taking pictures of their class while in session, is this an issue and how do we address?
    b. The schools should have policies and have the internet form on which kids can and can not be posted.
    c. Use the general classroom rules on zoom that you would in a classroom.
6. FEMA Request for Public Assistance Form
    a. Who is filling out this form? Get an updated form that is not outdated. Suggested schools are to fill this out.

    b. Honor the work that you are doing. If they have little ones at home, they may need a break but they need to put in the time later on in the day.
    c. ESU 18 - Responsiveness. You should be reachable and responsive. It doesn't have to be immediate, but certainly timely. During school hours, you should be working per your contract (except for breaks here or there). If you need to be gone or unavailable to your remote learners for more than 2 hours, you should access leave. If flexibility or exceptions need to be made regarding this, please contact your principal. If an employee runs out of leave, we will be approving borrowed and donated leave requests. Public Optics: Setting an Example Please keep in mind that you are on contract for your normal work hours during this closure. For example, any social media posts with you out and about in Lincoln, or comments alluding to "days off" during this time will not be viewed in a positive light by the community. We do not want anyone to make a momentary mistake that would reflect anything less than the amazing professionals you are. Be mindful that people know you work for LPS and our staff should be the example of social distancing and professionalism. Unlike winter break, this is not a break. It is a "work from home" situation. We hope you can use this time to keep family healthy, support students, and catch up on that professional reading you never have time to do!
    d. Need to keep in mind mental health, be careful to not totally overload.

e. The public is watching, try not to be out in public where they can say you are wasting taxpayers money.
f. NSEA has a response to schools that still have staff reporting.
g. Everyone who is able to work from home, should be working from home to flatten the curve.
h. Our response is that the teachers are working harder than ever before. Learning curve for teachers.
i. Emergency Leave/FMLA Leave - work on contingency planning.
j. Bryce Willson tweeted out to track funding throughout this time.

Bryce Wilson @NDE_Finance · 5h

I would track any expense related to COVID19 regardless of program or funding source since we have very little guidance or direction at this point. I have heard it may be distributed through the Title I (FY19) formula but that is far from final.

k. If you are having Paras use the emergency leave, this would be general ed expenses - use proper coding.

FOR IMMEDIATE RELEASE
July 27, 2020

NEW, FREE CONCUSSION MANAGEMENT TOOL FOR NEBRASKA EDUCATORS
Brain injury Alliance of Nebraska Addressing the Gap in Concussion Management in the Classroom

Lincoln, NE, July 23, 2020 - Half of Nebraska teachers responded in a 2018 survey that they did not know how to manage concussions in the classroom and the same amount noticed an academic decline from students after sustaining a concussion or head injury. But finding a way to offer differentiated instruction to a student can be a challenge, especially with full classrooms and limited free time in a teacher's schedule. Most concussions (80%) resolve within a four-week timeframe if it is immediately managed properly both in and out of the classroom.

TACT is a customized concussion management email based on each teacher's unique responses to an online questionnaire (taking less than five minutes) about their teaching style and is immediately delivered to the teacher's inbox outlining recommendations for environmental and academic content adjustments for the classroom. No personal student information is shared. The questionnaire only seeks information about the teacher's personal teaching style for that class.

Recommendations are clinical, research-based best practice approaches to concussion Return to Learn (RTL) management. One email arrives each week for four weeks. Get Schooled on Concussions Tip Sheets are included with each email as attachments. These Tip Sheets are geared to support student recovery and are used by schools nationwide for concussion management.

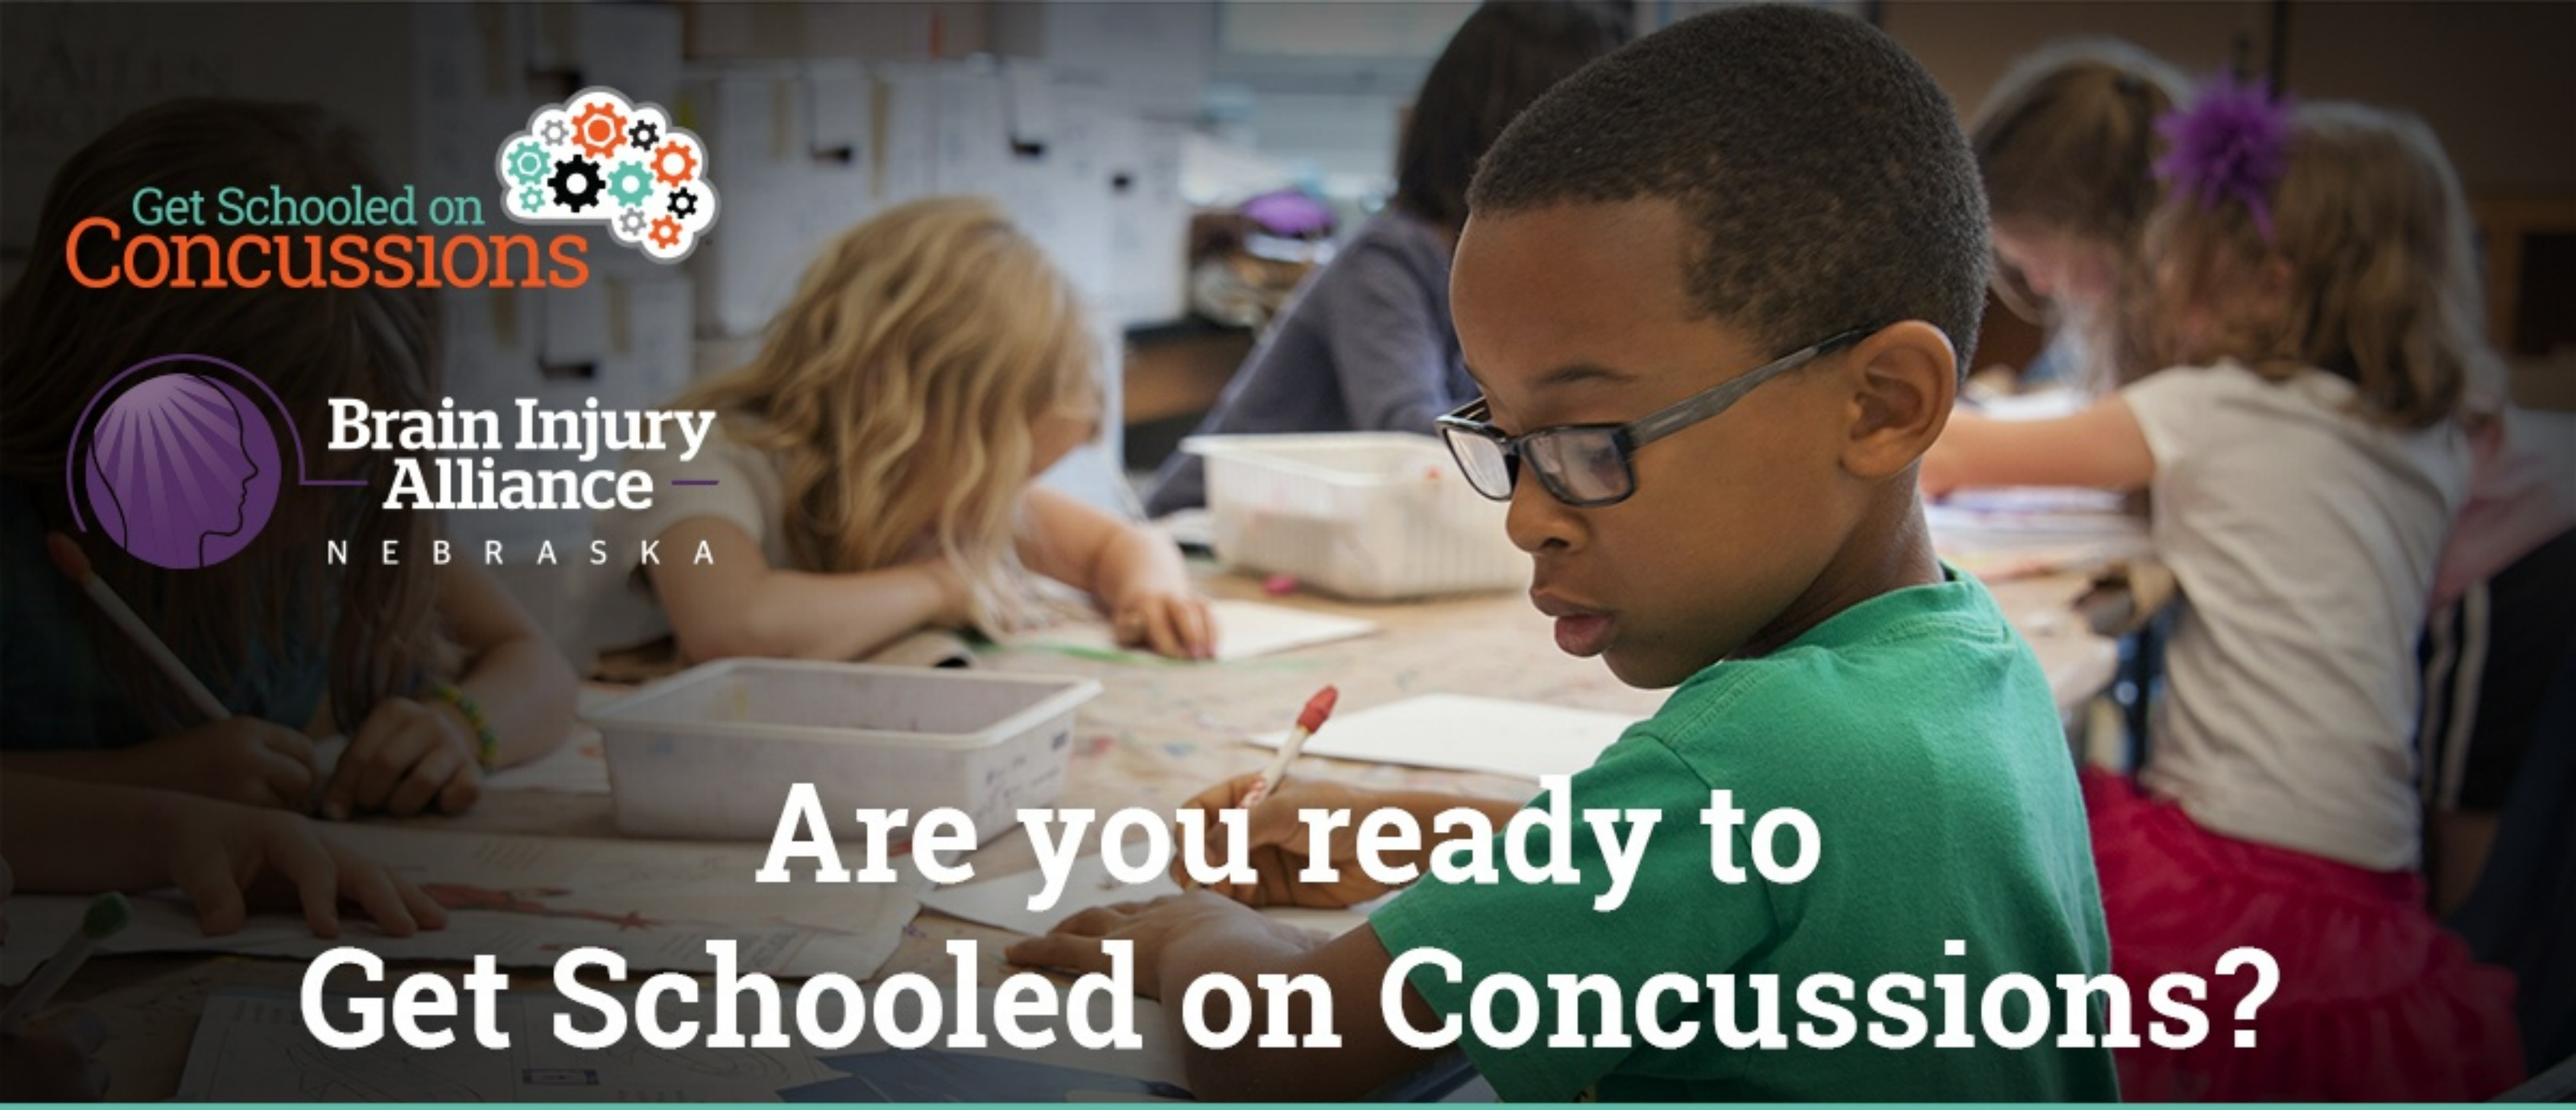

The Brain Injury Alliance of Nebraska (BIA–NE) leading the Nebraska Concussion Coalition, a multi-agency body which implements action oriented steps to improve concussion awareness and outcomes, is providing a free statewide subscription for Nebraska educators to 'Get Schooled on Concussions' and 'TACT' (Teacher Acute Concussion Tool).

Statewide promotional partners include the Nebraska Department of Education, Nebraska State Education Association, Nebraska Council of School Administrators, Nebraska School Activities Association, Nebraska ESU Coordinating Council, and the Nebraska Association of School Boards.

Why Get Schooled on Concussions?

- Because students will still get concussions, even in this time of COVID-19
- Because educators will still need to help students recover from their concussion, even when educators are stretched to the max with COVID-19 plans
- Because providing immediate, flexible and relevant academic support for a student struggling at school (from any medical or psychological condition, including concussion) is what we already do (so well!) for so many students, in all of our schools
- Because Return to Learn must be School-Based and School-Directed and can easily fall under the protections of the existing educational framework known as Multi-Tier System of Support (MTSS) or Response to Intervention (RTI)
- Because concussions don't just happen to student-athletes, concussions happen to everyday students
- Because all students must return to learn, even if they do not return to sports
- Because all students must return to school and learn even if parents choose not to have the concussion treated by a healthcare provider
- Because schools have always been and must always be places of support and success, no matter what!

That is why we wrote Get Schooled On Concussions for you, the Educator!

In order for students with concussion to get immediate and flexible support at school, classroom teachers need to be our First Responders for RTL. Much like a public health model where early and widespread identification, education and support occurs at the Universal/Primary Level, yielding an 80 to 90% intervention and prevention rate, RTL in the classroom setting will help our students feel better symptomatically so they can grow academically.

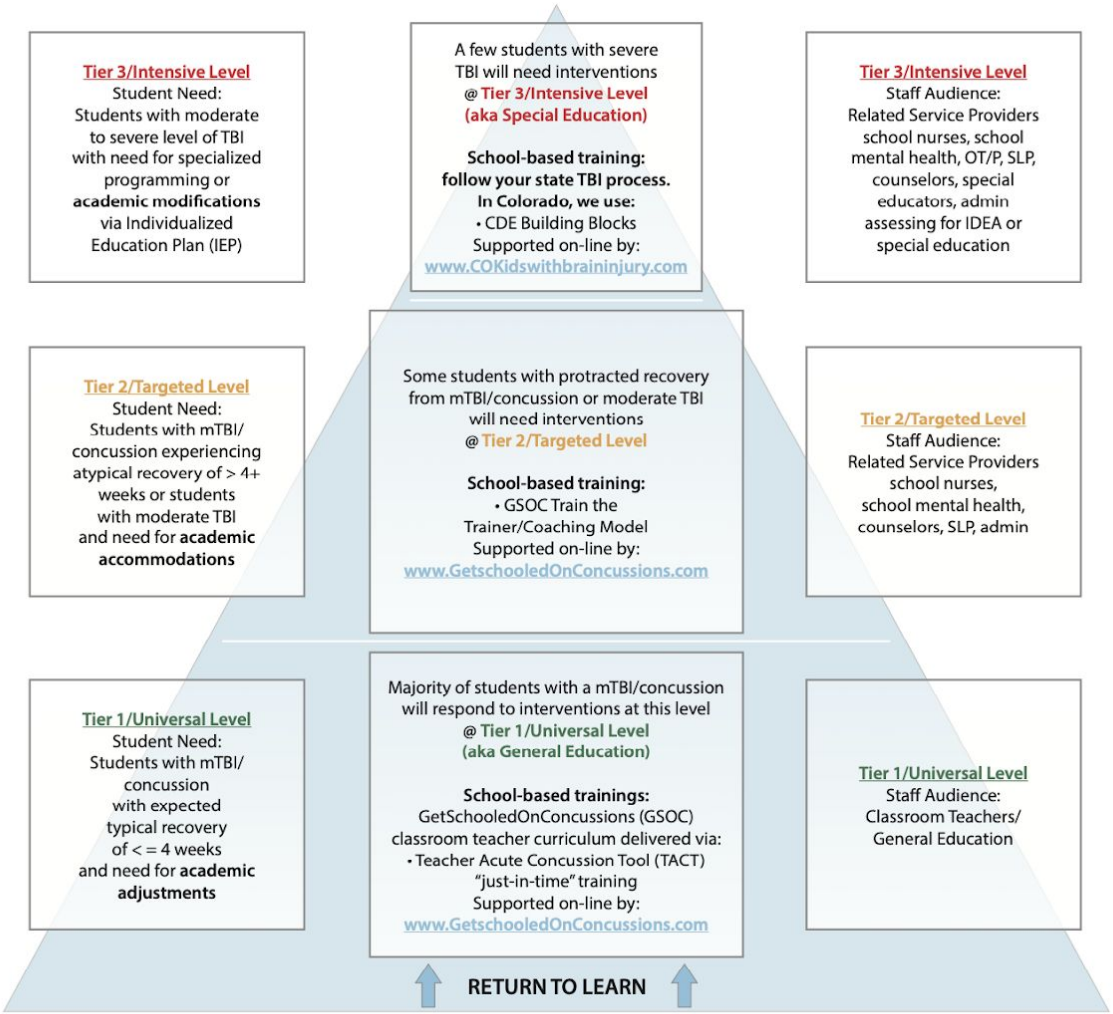

The existing educational framework of **Multi-Tier System of Support (MTSS)** or **Response to Intervention (RTI)** is the natural way for schools to support students with concussion. Applying concussion to MTSS and/or RTI allows educational settings to become empowered and independent in managing RTL for concussion – leading to:

- decreased reliance upon healthcare providers (that may or may not be involved per the family's choice)
- support for all students with concussion, not just athletes
- quick and flexible adjustments in the classroom (Tier 1)
- a built-in safety net for longer or more involved academic support (via Tier 2 supports)
- capacity building and long-term sustainability of RTL policy and procedures in schools

Student Device Plan

August 31, 2020

Background

Governor Ricketts has allocated $12.5 million from the Governor's Emergency Education Relief (GEER) Fund toward the purchase of student computing devices for our state's K-12 public and non-public schools and districts. Schools and districts were encouraged to participate in the Nebraska Department of Education's COVID-19 technology profile, which closed in July. Based on the data from this profile, 29,524 devices are needed to fulfill one-to-one device availability for students.

Vision

The purpose of this device plan is to promote equitable opportunities for achievement and advancement of all students statewide by providing highly useful computing devices in concert with all elements of the Hierarchy of Digital Learning Needs.

Process

To be eligible for device subsidy under this plan, your school or district must have completed the NDE's COVID-19 technology profile and indicated a need for devices in your response. A subsidy of up to $400 per device is available from GEER funds. ESUCC Cooperative Purchasing is working with suppliers to compile a catalog of devices based on the devices requested in the technology profile responses. This catalog will be shared in August for your review, device selection, and order. Orders placed through this system will have the device subsidy pre-applied and your school or district will be billed for the difference if the devices you select cost more than $400. The first wave of orders for devices need to be finalized **by September 13, 2020**.

If your school or district has already purchased the needed devices shown in the COVID-19 technology profile response, or does purchase them outside of the Cooperative Purchasing order process, you may submit an invoice and evidence of payment to receive the $400 subsidy (up to the cost of the device). All orders and reimbursement requests must be submitted **by December 15, 2020.**

ESUPDO:

- Attended ESUPDO meeting in May and spoke on behalf of the TLT group's remote learning plan initiative.

Hello. You are receiving this update because your school or district recently completed the NDE COVID-19 emergency learning technology profile. Since the close of the profile, teams have been working to analyze the data around needs for student devices and home broadband service to support flexible and remote learning, and with providers of these technologies to understand costs and timelines to meet the identified needs. Now, based on this information, we are writing to update you on the process and timing of purchases and reimbursement for student devices and broadband services.

First, in some cases a number of devices was recorded in the tech profile as needed, but it is unclear which type of device is needed. An email is being sent individually to each school or district where this is the case to clarify the need. If you receive(d) one of these emails, please respond as quickly as possible so that our data may be corrected.

The market for student devices has been and continues to be very tight. Availability of devices is measured in months in many cases. During this week of August 31st, you will receive an email from the Educational Service Unit Coordinating Council detailing the devices you reported as needed and our team's best match to available devices and the pricing details. Devices purchased through this system will be subsidized up to actual the cost of the device or $400 each, whichever is lower. Upon receiving this email, you may choose to purchase the devices as shown, visit a mini-catalog of quoted devices, or to purchase devices through your own channels. To obtain devices efficiently, your decision for purchases will need to be recorded in the ESUCC COOP purchasing form (link included in that email) by the end of the day Thursday, September 13th. A second wave of purchases may be organized if schools and districts want to purchase a sufficient number of devices later in the fall.

If you have already purchased or choose to purchase devices to meet your need outside of this purchasing program, you may submit an invoice and evidence of payment to receive reimbursement for those purchases up to $400 per device. The form for reimbursement will also be included in the individual email sent this week.

Pricing and offers are being collected for home broadband options and that information will be shared as soon as it is available.

For more information on the GEER Broadband and Device process, please visit (link to new Launch NE page). Descriptions and vision for this process, as well as links and details are listed there. As more information becomes available, this page will be updated and continue to be a resource throughout the process.

If you have any questions regarding this information or process, please contact us at help@esucc.org.

- Only 63% of rural Nebraskans have access to high speed internet
  - Nebraska Rural Broadband task force
- Top Need: Enhancing technology infrastructure (e.g. broadband) for students and families
  - May, 2020 survey by Nebraska Department of Education

COVID-19 Impact

Impacts of COVID-19

- Education moved away from schools and into the home
- Heavy reliance on broadband Internet
- Many students had to halt their education, or travel many miles to destinations with unreliable or public insecure wifi

Public Comments

“Internet access is key.” — Michele

“I am devastated I can't be a teacher right now. Also when directing us to do online teaching, realize outside the big cities, students do not have access to quality internet. We have students who stay after school and do online homework before going home. We have others who go to local gas stations that offer free wifi to do their homework. That isn't going to work.” — Traci

“I do not have internet service nor can I afford it. I am a first grade teacher. What do you suggest?” — Teacher

ESUCC Information Services Update

Scott Isaacson
September, 2020

Software Innovation Network

This network of leaders meets every two weeks. Over the summer we evaluated needs and prioritized four projects for tracking and action:

1. Assessment and diagnostic tools - a project team is being formed
2. Single sign-on and rostering data service
    a. More integrations - Clever, Microsoft Azure/Office 365
    b. Provide roster data to applications automatically
    c. eduroam participation - universal WiFi access across
    d. Enhance app launch portal - LTI integration
3. LMS (Canvas) implementation
4. Data privacy and security

Project management process

- Discovery / Needs Analysis
- Planning
- Development / Integration
- Production Implementation
- Training
- Operations and Support
- End-of-life

Communication and feedback loop

A contract developer, Mila Arkhiptcova, will begin work next week to assist in these and other software development projects.

Governor's Emergency Education Relief (GEER)

ESUCC is working with NDE to facilitate purchase and reimbursement of up to $12.5 million in student devices and $3 million for broadband service and projects. Public and non-public schools and districts completed an NDE COVID technology profile in July indicating about 29,000 devices needed. 80 public school districts and a number of non-public schools did not participate and won't be eligible for the first round of funding. Craig Peterson and I have collected device quotes from vendors and have developed a process for schools and districts to confirm orders. NDE and we will be announcing this process this week, and draft announcements and information are included as attachments to this agenda item.

An RFQ is being finalized for gathering information and service offers from telecommunications providers for home broadband service. This information will be collected and shared via the Launchne.com site as well as ESUCC and COOP purchasing web pages. Pilot infrastructure projects will also be considered for the broadband portion of these funds, including radio system installation involving school and community facilities and private wireless access networks.

SRS

SRS did not have a major update this summer, and has continued to fix and update the system based on user reports and changes. Our work toward ADVISER certification is in progress. We continue to learn and tighten processes for updating and releasing updates to the system, separating straightforward bug fixes from changes which affect user's workflow and need more testing and review.

NVIS

The emphasis on remote learning has led the distance learning coordinators to review the NVIS system and discuss updating it to better meet current needs of listing, finding and connecting students with needed remote classes. The DL coordinators have and will continue to meet and finalize the needs here, and we will update the software according to those needs.

2020-2023
SPECIAL BUY AGREEMENT

THIS AGREEMENT is entered into by and between the ESUCC and Netsweeper Inc.. ("Contractor"). Educational Service Unit Coordinating Council (ESUCC) was created in statute to coordinate the activities of Nebraska's 17 Educational Service Units. The Educational Service Unit Coordinating Council was created by LB 603 in 2007 and officially came into existence on July 1, 2008. Cooperative Purchasing is a Project of ESUCC that has been in existence since 1968 with the purpose of providing the Educational Service Unit (ESU) member school districts ("Members") of Nebraska an opportunity to secure the maximum procurement value through cooperative synergies. The Educational Service Unit Coordinating Council (ESUCC) Advisory group serves as the steering committee for new and future cooperative buys statewide under its direction. A chief executive officer coordinates the statewide purchasing agreement between educational service units and their school districts and other serviceable entities. The Director of Cooperative Purchasing manages the program with the guidance of the ESUCC, Advisory Board, and the Fiscal Agent. ESUCC serves 17 ESUs that provide a statewide network of educational opportunities to approximately 245 school districts and more than 300,000 students.

In consideration of mutual covenants, the parties agree as follows:

SOLUTION BRIEF

Netsweeper for Education

Student Protection for K-12 Schools

Student Protection

Today's internet is always changing, and students are more vulnerable online than ever before.

As technologies change quickly, it also means that protecting students online requires a unique skill set and determination to constantly innovate.

Netsweeper has been protecting students online for over 20 years. Our filtering platform is designed to meet the requirements of any educational setting, and is the most complete, flexible, and supported in the industry.

Complete Policy Management

Netsweeper's easy-to-use WebAdmin interface centralizes policy management and administration. Policy changes are easily configured and seamlessly applied to all policy servers in the cluster whether you are a single school, a large school district, authority, council, or using a service providers filtering service.

Define and manage filtering policies for users, workstations, and groups. User-based rights allow you to personalize access based on IP address, user, group, time of day, and day of week. Time and day-based rights enable you to grant web access on specific days or hours, increasing productivity and reducing bandwidth to ensure user activity won't be negatively impacted by time-consuming distractions.

Customize your filtering by creating your own lists of URLs you want to block or allow. Define these for the entire filtering cluster or be specific to a group of users. Block specific keywords both in URLs and search engines. Control specific file types, applications, and specific actions on social media platforms.

Use delegated administration to push filtering policy management outside your core operations centre. This reduces overhead and allows you to tailor filtering to your specific needs.

Student Safeguarding and the Prevent Duty

Keeping Children Safe in Education is a U.K. statutory guidance. It contains legal duties that schools must follow. Radicalization prevention and student safeguarding sets a high standard for online protection.

In the U.K., Keeping Children Safe in Education is a statutory guidance that promotes the welfare of those under the age of 18 attending schools and colleges. Schools are obligated to follow guidelines to protect students.

Other guidance regarding the prevention of radicalization (the Prevent Duty) and student safeguarding, has set a high standard for the protection of students online.

Netsweeper's filtering platform meets the requirements defined in the U.K. and any educational institution across the globe can use our proven student protection solutions.

- Per-user filtering, logging, and reporting
- Create alerts to highlight dangerous incidents
- Industry-leading categorization with accuracy
- Real-time analysis of actual page content
- Protection across all devices, on or off network
- Proven performance for large networks

SSL Decryption

Encrypting website traffic using HTTPS is essential for protecting privacy online. In the past, encryption protected banking websites and online mail. Social media sites, news sites, and other common websites are now often encrypted.

Encryption presents challenges for network traffic visibility. We recognize the importance of maintaining control of your network traffic. That's why we developed selective SSL decryption. With selective SSL decryption, you can identify specific websites for decryption. You can avoid decrypting users' emails while decrypting social media sites. This balances the need for visibility with maintaining user privacy.

Decrypted website traffic enables detailed logging, reporting, and policy enforcement. It also provides URL keyword filtering, search keyword filtering, and safe search enforcement. Manage specific website actions on supported social media sites and web applications. For example, you can block a user's ability to post on Twitter or access specific pages. This is all done with performance in mind. Decrypting SSL traffic doesn't have to mean a massive investment in more equipment.

Off-Network Device Filtering

School-issued laptops and tablets have raised concerns around security and acceptable internet use. Schools provide students with devices to take home for self-guided learning and homework. Those devices must still protect against online threats. Most mobile devices can have Netsweeper's filtering "clients" installed.

You can manage, log, and report off-network internet use the same as on-network use. Netsweeper's industry-leading web filtering protects school devices taken off-network. This is all done from the same management console. Traffic on mobile devices is not proxied to a central server to perform filtering. This ensures that private data is safe.

Supported operating systems include Windows, Mac OSX, Android, iOS, and Chrome.

WINDOWS, MAC OSX, GOOGLE CHROME & CHROMEBOOKS, IOS, ANDROID

Per-User Authentication and Filtering

Implementing filtering requires the ability to identify users on your network. Our solution provides granular policy management and detailed information on network use. Save time, money, and reduce complexity by using your existing infrastructure. Integrate with popular directory service systems to provide per-user filtering. You'll also receive administrative authentication and management.

Microsoft Active Directory Novell

MICROSOFT ACTIVE DIRECTORY/AZURE, NOVELL EDIRECTORY, APPLE OPEN DIRECTORY, GOOGLE DIRECTORY

Logging and Reporting

Managing a filtering platform means making decisions about filtering policies and incidents. This requires meaningful information about user habits on your network. Netsweeper delivers this information via a powerful reporting framework that enables granular analytics. Netsweeper's logging and reporting framework can scale to the largest networks. The reporting engine can transform that raw information into insights. Out-of-the box reports are available from initial deployment. You can configure almost any type of report to perform the network analytics you need. You can create reports on-demand or schedule them. View the reports in the WebAdmin interface or have them delivered to users.

CIPA

CIPA (Children's Internet Protection Act) was enacted by the United States Congress in 2000 over concerns about inappropriate content children have access to online.

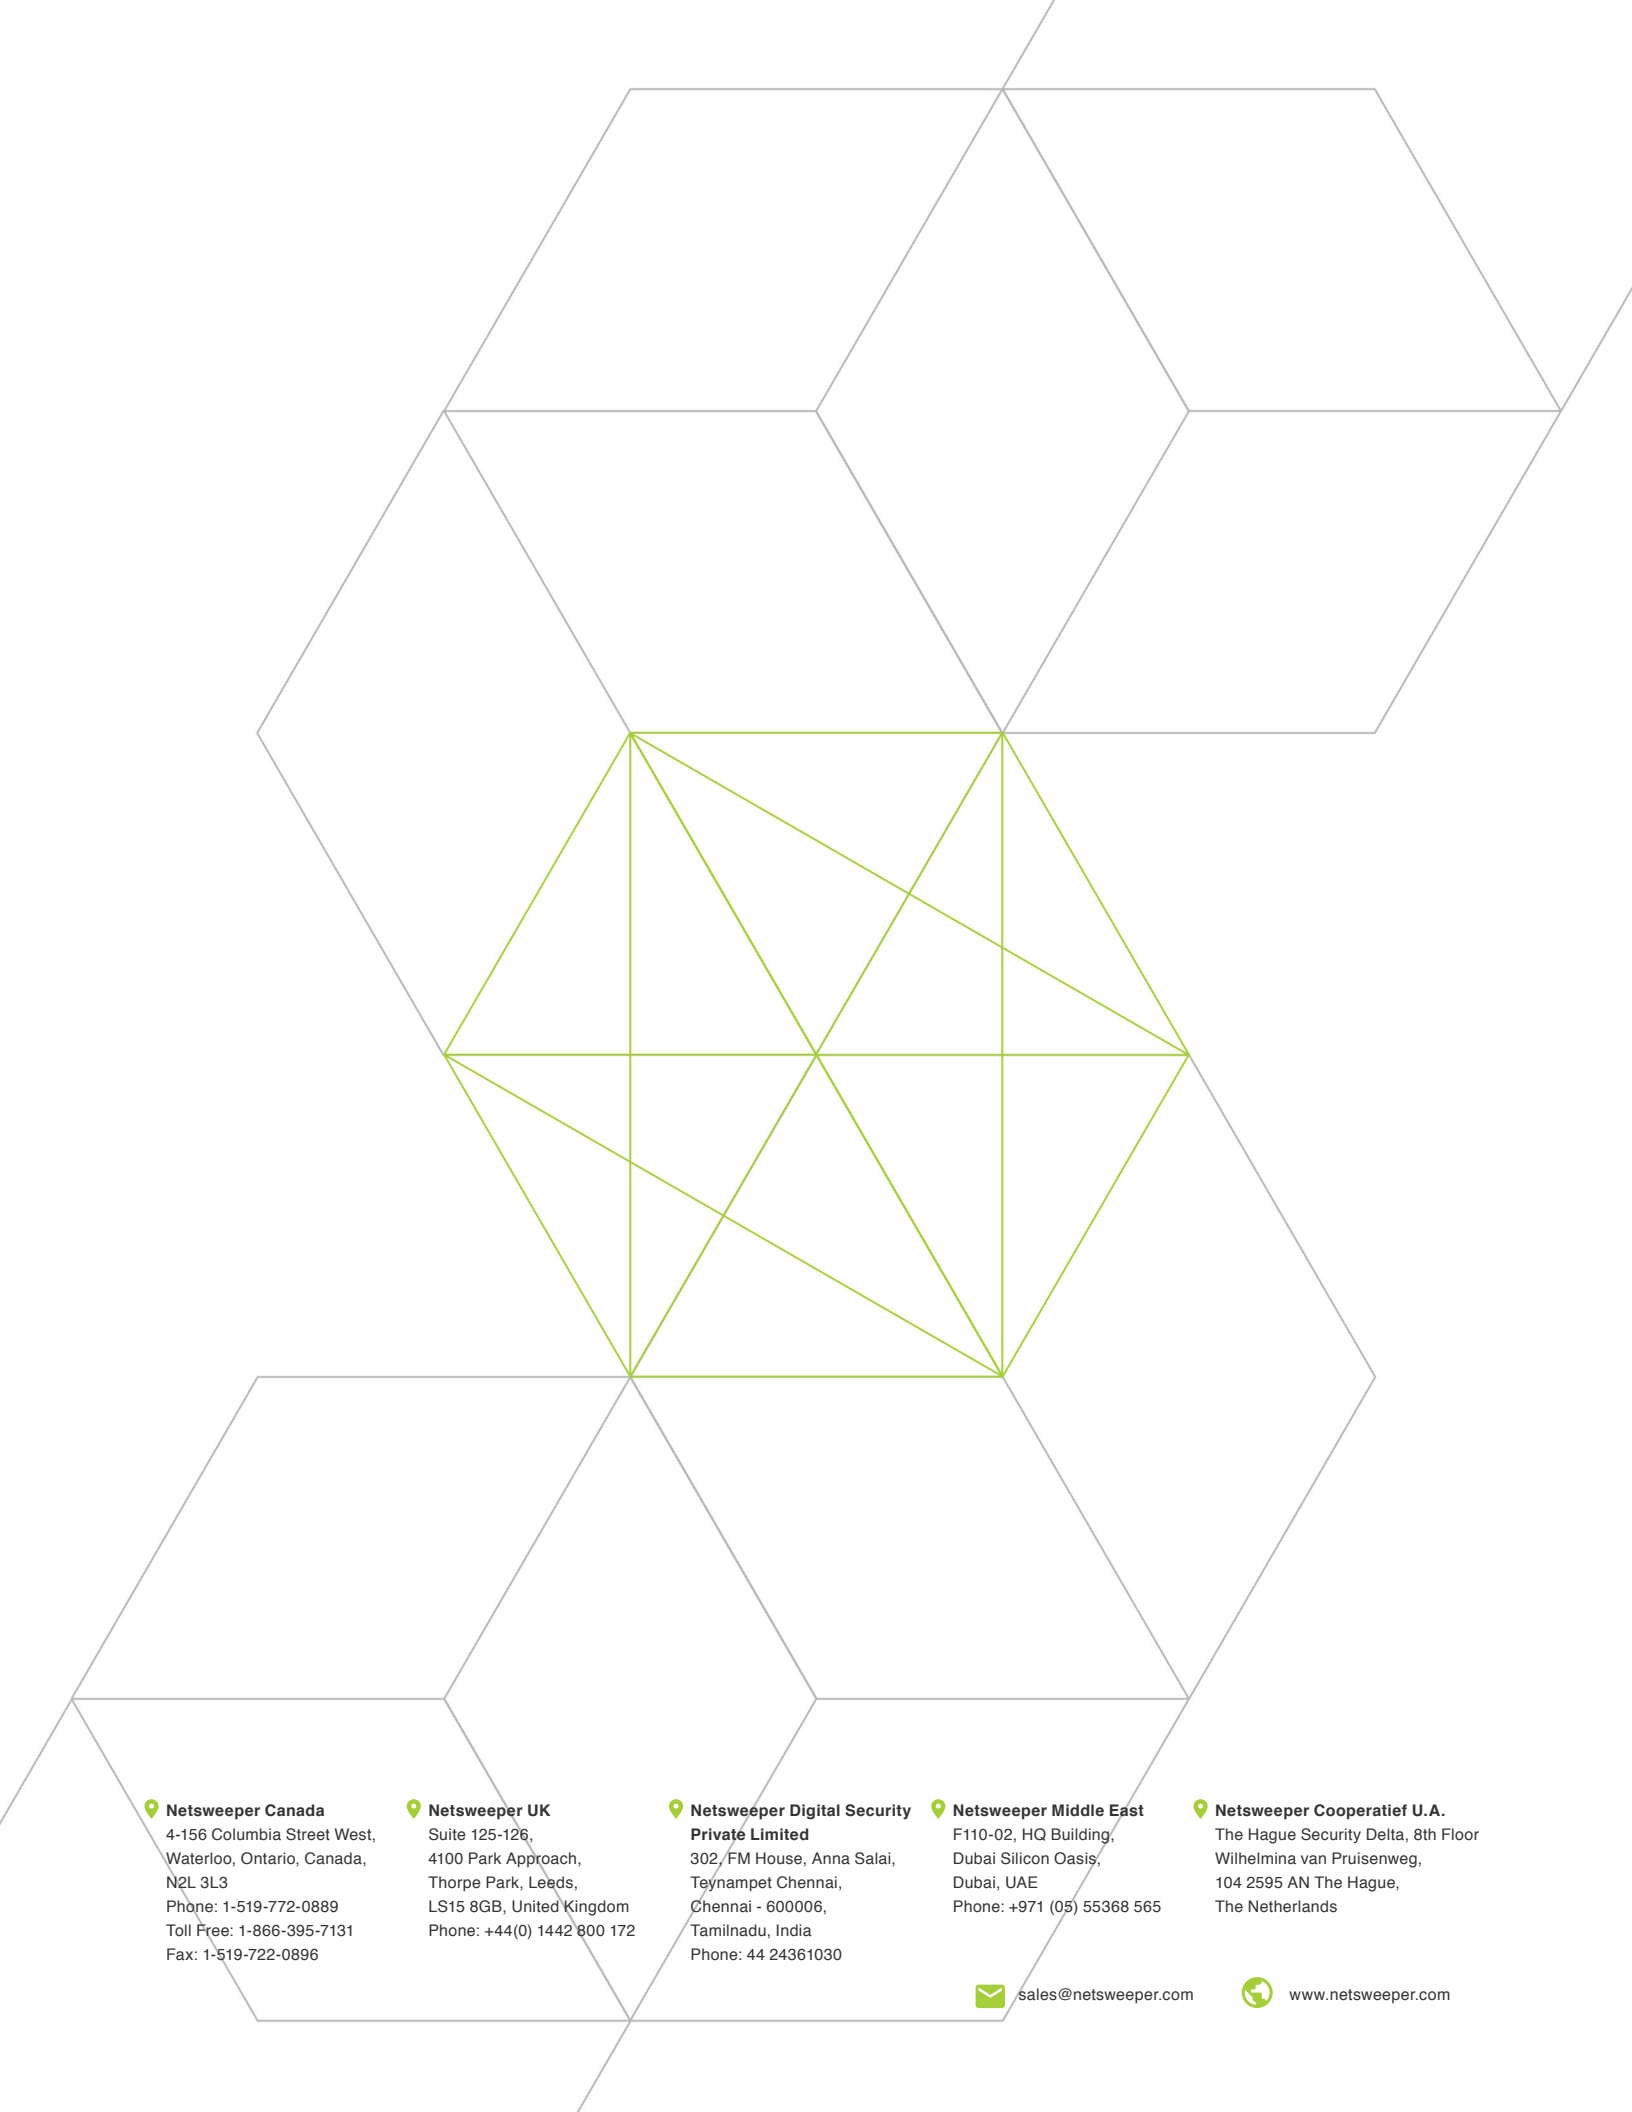

Complying with CIPA qualifies schools for the E-rate program. This program helps make communications products and services more affordable.

Netsweeper's Education Solutions meet the requirements of CIPA with the following features:

- Block adult content such as hacking, criminal skills, and illegal activities
- Enforce SafeSearch across popular search engines
- Monitor internet activity
- Create user-based reports
- Create deny and allow lists of URLs
- File type blocking such as zip files and exe files
- Create eSafety awareness campaigns using content-specific block pages
- Protect against web threats like malware and viruses
- Control instant messaging, webmail, and social network applications
- Block applications

Netsweeper Cloud Solution

Take advantage of Netsweeper's leading web filtering technology without the need for on-premise hardware by using our cloud-based solutions. Our cloud-based web filtering platform is easy to setup and provides unparalleled visibility and control allowing you to create and manage policies, create and review reports, all with per-user granularity. Once the cloud service is active, you can control many locations from one portal, meaning you don't need to worry about installing any onsite software or hardware.

In the event of a breach by Netsweeper of the terms and conditions of this Agreement, and if such breach remains uncured for ten (10) business days, the Client may (upon sixty (60) days prior written notice of the termination, which notice shall provide reasonable explanation as to the reasons for the termination) terminate this Agreement upon payment of any Fees still owing to Netsweeper. Upon termination of this Agreement for any reason, the Client shall immediately surrender to Netsweeper all documentation pertaining to the System and agrees to remove all copies of the Software from their computers, servers and systems.

In the event of any material breach of this Agreement by either Party hereto, if such breach is not corrected within thirty (30) days after written notice describing such breach, this Agreement may be terminated forthwith by further written notice to that effect from the Party noticing the breach.

4. Software. Netsweeper provides software; this machine-readable object code is the software portion of the System and includes the related documentation necessary. This Software and documentation, if any, are included together as a single product. The Software shall operate in a good and workmanlike manner free from defects as of the date of installation or acceptance (whether actual or deemed) and is current to the date of it being deployed by the Client or deemed deployed by Netsweeper. Given the volatile and changing nature of the internet and the various factors associated and affecting same and the like, any

changes required to the Software as a result of changes to the internet, internet content, internet traffic, internet functionality, and the like will require re-evaluation by the Parties and may require amendments and/or upgrades to the Software not otherwise covered by the terms of this Agreement or any other agreement. For greater clarity, the Software may require product customization based on many factors and the Client can be advised by Netsweeper of same and at an additional cost to be agreed upon by the Parties.

5. Proprietary Content. Netsweeper will, through the provision of its System, provide to the Client the use of its proprietary URL database, and/or processes. The Client expressly acknowledges that all proprietary interests in the System or Software or any modifications, enhancements, or improvements thereto shall be the sole and exclusive property of Netsweeper, and that no term of this Agreement shall be construed to convey title in the System or Software to the Client. The Client shall not take any action which purports to create a claim, lien, or encumbrance on the Software, System, or any other confidential information of Netsweeper.

6. Copyright and Intellectual Property. The Client acknowledges that the Software, Solution and System and any copies in any form thereof are owned by Netsweeper and are protected by copyright laws and international treaty provisions. Client must treat the Software, Solution and System like any other copyrighted material. Client agrees not to rent, lease, lend, give away, for profit or non-profit, or sell the Software or related documentation to third parties.

The Client shall never register, directly or indirectly, any trademarks, trade names, design or other symbols of Netsweeper (or any name, sign, design or mark which are confusingly similar to those of Netsweeper) anywhere in the world. If the Client acts contrary this obligation, the Client shall assign any such registration to Netsweeper and the Client shall co-operate in any manner necessary to transfer and register any such registration to and in the name of Netsweeper.

If the Client makes improvements the System or develops new applications thereof (contrary to what the Client is allowed to do), the Client shall assign to Netsweeper all right and title to such improvement or new development. Pursuant thereto, the Client herewith assigns (in advance) all right, title and interest to any improvement to the System or new application thereof to Netsweeper and Netsweeper herewith accepts such transfer. The Client shall notify Netsweeper of any improvement or new development by or on behalf of the Client. The Client shall do all that is necessary to affect the transfer as set forth in this paragraph.

7. Hardware. Netsweeper may, if applicable and upon request, provide configured server(s) and related hardware equipment (hereinafter the "**Hardware**") to be located on the Client's premises as agreed upon in writing. All Hardware and all Software installed on the server remains the property of Netsweeper unless purchased by the Client.

8. Services. During the Term, and in accordance with the terms and conditions of this Agreement and related Agreements, Exhibits and Documents, Netsweeper may provide to the Client the following services:

(a) *Professional Services.* Netsweeper will provide the Client with the initial set-up and configuration of the System as well as ongoing system architecture design and consultancy servers at the Fees set out in the attached Schedules or Exhibits but not any customization to same unless otherwise agreed upon in writing, statement of work and change order in accordance to the fee schedule. The set-up services include configuration of the System on a server or servers to be used by the Client and making reasonable efforts to implement the Software for the Client. The Client shall provide a representative of the Client who understands the Client's network and is technically capable of configuring routers, switches, and other equipment already in place on the Client's network to assist in the set up and configuration of the System at the Client's site.

The Client will also be responsible for all reasonable out-of-pocket expenses of Netsweeper associated with such travel, including without limitation, transportation, lodging and meals.

(e) *Fee Adjustment*. All Fees set forth in this Agreement will be reviewed at the end of the Initial Term and any Subsequent Terms and fair and reasonable adjustments in accordance with the fee schedule in such Fees may be made by Netsweeper including without limitation upon any of the following changes:

i. increases in the size of internet feed/throughput, thus creating more demands on the Netsweeper System requiring additional servers needed to meet the added service load;
ii. increases in the number of workstations or locations having Internet access;
iii. additional services provided by Netsweeper to the Client, as requested by Client; or
iv. charges incurred by the Client for any additional or other use of the Software or System not otherwise *addressed in this* Agreement.

9. **Publicity and Co-Marketing.** Upon deployment of the Solution for the Client (commonly referred to as "go-live"), Netsweeper shall be authorized to publically claim the Client as a customer, by name and through use of the Client's Logo, trademark(s) and/or tradename(s) as appropriate in presentations and on Netsweeper's web site(s). Within ninety (90) days of the execution of this Agreement, or as otherwise agreed

upon in writing by the parties, the Client and Netsweeper shall collaborate to produce a Netsweeper Case Study which describes the Solution as deployed, the contents of which Netsweeper and/or the Client may re-use in a Press Release. The contents of the Case Study and Press Release(s) shall be subject to prior review and written approval of both Parties, such approval not to be unreasonably withheld or delayed. Nothing in this Agreement shall be construed to prohibit the Client or Netsweeper from accurately attributing Netsweeper with design and manufacture of the platform of the System. Except for such routine attribution by Netsweeper or the Client, all other promotional activity of either Party in which the name or mark of the other Party is included shall be subject to prior review and written approval of such other Party, such approval not to be unreasonably withheld or delayed. Except as set forth in this Section 9, neither Party shall issue any press release regarding this Agreement without the prior written consent of the other Party.

10. **Reports.** The Client shall keep clear and accurate records sufficient to prepare, as appropriate, any needed Fee reports required by this Agreement, described in attached Schedules and Exhibits. The Client and Netsweeper shall collaborate to create and document procedures to ensure that the Client can determine the appropriate Fee payable hereunder. If Fees are variable on a monthly basis, within five (5) days after the end of each month, the Client shall provide a Fee report showing (i) the data regarding the sublicense and/or sale of the Software during such month, (ii) any adjustments due as a result of errors in previous monthly reports, and (iii) the amount of the Fees due for each sublicense and/or sale of the Software during such month.

11. **Audit.** Netsweeper shall have the right, from time to time at its own expense, to conduct during normal business hours an audit of the appropriate records and systems of the Client to substantiate the accuracy of the Client reporting and the use of the System provided by Netsweeper in this regard. Prompt adjustment shall be made by the Client or Netsweeper to compensate for any errors or omissions that are in favour of the other Party as disclosed by such audit. Netsweeper shall be granted temporary access to the Client's computer systems, including Netsweeper Policy Server(s) (NSP) and records for the purposes of performing such audits. Audits will be limited to one per month provided that each audit performed shows no more than five percent (5%) variance between actual and reported results. In the event that the audit reveals unauthorized use of the System and/or Solution, then Netsweeper shall, at its sole discretion, be entitled to render an account for such usage and/or terminate this Agreement without further cause, liability on behalf of Netsweeper or notice to the Client.

12. **NETSWEEPER'S LIMITED WARRANTY**. NETSWEEPER WARRANTS TO THE CLIENT THAT DURING THE TERM, THE NETSWEEPER SYSTEM WILL CONFORM TO ITS DOCUMENTATION AND SPECIFICATIONS WHEN USED IN CONFORMANCE WITH SUCH DOCUMENTATION. IF THE CLIENT SHOULD DISCOVER A WARRANTY CLAIM HEREUNDER, THE CLIENT'S SOLE RECOURSE AND THE MAXIMUM EXTENT OF NETSWEEPER'S LIABILITY WILL BE FOR NETSWEEPER TO CORRECT THE PROBLEM OR REFUND IF APPLICABLE, THE APPLICABLE LICENCE AND/OR SUPPORT FEES WITHIN ONE HUNDRED AND TWENTY (120) DAYS OF RECEIVING WRITTEN NOTICE OF THE WARRANTY CLAIM FROM CLIENT. EXCEPT AS DESCRIBED ABOVE, THE NETSWEEPER SYSTEM IS PROVIDED "AS IS" WITHOUT WARRANTY OR REPRESENTATIONS, EXPRESS OR IMPLIED, AS TO PERFORMANCE, MERCHANTABILITY, OR FITNESS FOR ANY PARTICULAR PURPOSE. THE CLIENT ASSUMES ALL RISK AS TO THE RESULTS AND PERFORMANCE OF THE SYSTEM.

13. **LIMITED LIABILITY**. TO THE MAXIMUM EXTENT PERMITTED BY LAW, IN NO EVENT WILL NETSWEEPER OR ITS OFFICERS, DIRECTORS, EMPLOYEES, CONTRACTORS, AGENTS, OR ANYONE ELSE INVOLVED IN THE CREATION, PRODUCTION, DELIVERY OR LICENSING OF THE SYSTEM BE LIABLE TO CLIENT OR ANY THIRD PARTY FOR ANY INCIDENTAL, INDIRECT, SPECIAL, OR CONSEQUENTIAL DAMAGES OR, FOR EXEMPLARY, PUNITIVE, OR AGGRAVATED DAMAGES WHATSOEVER (INCLUDING, LOSS OF PROFITS OR REVENUE, BUSINESS INTERRUPTION, LOSS OF BUSINESS INFORMATION, OR OTHER PECUNIARY LOSS) ARISING OUT OF THE USE OF OR INABILITY TO USE THE SYSTEM, HOWEVER CAUSED, AND WHETHER OR NOT THE POSSIBILITY OR CAUSE OF SUCH DAMAGES WAS KNOWN TO NETSWEEPER BEFORE HAND.

14. **Client Indemnification.** The Client shall protect, defend, indemnify and hold harmless Netsweeper officers, directors, employees, affiliates, agents and their respective employees from any and all losses, claims, actions, proceedings, expenses, damages or liabilities, including, without limitation, reasonable legal fees and court costs, arising in connection with or incurred by Netsweeper and/or the Client with respect to the possession, licence and the use or return of the System, Hardware and any other equipment.

15. **Payment.** As consideration for Netsweeper's execution and delivery of this Agreement for the use of System, the Client will pay Fees in accordance with applicable Exhibits and Schedules attached hereto and as otherwise billed by Netsweeper. The Fees are payable by the payment methods and schedule(s) as specified in the Exhibits and Schedules. All Fees may be subject to applicable taxes which shall be paid by the Client (which shall include, without limitation, sales, use, service, excise, and personal property taxes, whether collected by withholding or otherwise assessed, and any penalty and interest payments related thereto). In the event Netsweeper is charged such taxes directly, Netsweeper may add the required tax amount (to comply with tax laws) to the Fees owed by the Client hereunder. Any additional Services (such as on-site help services or additional monthly user License Fees) rendered by Netsweeper and purchased by Client will be payable in accordance with the appropriate Exhibits or Schedules. Non-payment of invoice due constitutes adequate breach for the serial key to be disabled and/or deactivated by Netsweeper. Once payment has been received, the serial key will be reactivated after a system check has been conducted. Serial reactivation fee is a minimum of $2,500 USD per day of non-operating serial and the system check fee is $2,500 USD per day plus additional Netsweeper expenses. These additional fees and charges are without prejudice to Netsweeper's right to claim full compensation of damages if such damages are higher than the fees that are required to be paid by the Client and Netsweeper may simultaneously with payment of the aforementioned fees, demand compliance/performance with the terms and conditions of this Agreement and this Section.

16. **Confidentiality and Privacy.** Each Party agrees that it will not disclose to any third party any information concerning the customers, trade secrets, methods, processes or procedures, terms of this agreement or any other confidential, financial or business information of the other party, which it learns during the course of its performance of this Agreement, without the prior written consent of the other party. This obligation will survive the cancellation or other termination of this Agreement. Netsweeper keeps all log files and information regarding the Client in trust. All information gathered in the course of service is the property of the Client and will only be used for client related purposes or for Netsweeper to improve its services. Each Party shall treat all Confidential Information received from the other in confidence and shall not use such Confidential Information, or disclose it to any third party, except as required by law (including

ii. each party agrees that it shall not disclose to third parties in any manner or form, or otherwise publish such Confidential Information so long as it remains confidential without the explicit authorization of the other party; and
iii. each party agrees that it shall use such Confidential Information solely in connection with the performance of its obligations under this Agreement unless otherwise explicitly authorized by or on behalf of the other party.

Each party is responsible for ensuring that its employees and all other persons having access to the Confidential Information sign obligations of confidentiality equivalent to those contained in this clause. In the event that a party becomes aware of any breach of confidence by an employee or other person, it shall immediately notify the other party and give that party reasonable assistance in connection with any proceedings, which that party may institute against such person.

The obligations of Confidentiality herein will survive the cancellation or other termination of this Agreement.

17. **Assignment.** The rights in this Agreement are personal to Client and shall not be transferred or assigned to a third party, including to any competitor of Netsweeper whether directly or indirectly or otherwise, without the prior written consent of Netsweeper, which shall not be unreasonably withheld or delayed.

Notwithstanding this clause, Client may assign the rights of this Agreement to an associate or affiliate entity as part of a corporate restructuring.

Any transfer or assignment in violation of this paragraph shall be void and will have no force or effect.

2020-2023
SPECIAL BUY AGREEMENT

THIS AGREEMENT is entered into by and between the Nebraska ESUCC Cooperative Purchasing ("Cooperative"), and PAPER101 ("Contractor"). The Cooperative is an organization founded in 1968 with the purpose of providing the Educational Service Unit (ESU) member school districts ("Members") of Nebraska an opportunity to secure the maximum procurement value through cooperative synergies. The Educational Service Unit Coordinating Council (ESUCC) Advisory group serves as the steering committee for new and future cooperative buys statewide under its direction. A chief executive officer coordinates the statewide purchasing agreement between service units and their school districts and other serviceable entities. The Director manages the program with the guidance of the ESUCC, Advisory Board, and the Fiscal Agent. Nebraska ESUCC Cooperative Purchasing serves 17 ESUs that provide a statewide network of educational opportunities to approximately 249 school districts and more than 300,000 students.

In consideration of mutual covenants, the parties agree as follows:

1. **Scope of the Contract.** The Contractor shall provide Members the opportunity to purchase the goods and/or services as defined in **Exhibit A,** which is attached hereto and incorporated herein by this reference, at the prices set forth in this Agreement and its Exhibits.

2. **Payment Terms/Payment Schedule.** Members shall pay for services rendered and/or for accepted goods on the terms and payment schedule as set forth in **Exhibit B** which is attached hereto and incorporated herein by this reference. Prices listed in Exhibit B shall remain in effect during the term of this Agreement unless agreed otherwise by the parties in writing.

3. **Administrative Fee.** Contractor shall submit to the Cooperative as an administrative fee a sum equal to two percent (2%) of the total gross dollar volume, less freight of all goods and services and excluding annual support and maintenance purchased by the Cooperative, ESUs, and Members. This fee will be submitted to the Cooperative on a quarterly basis beginning three months from the Effective Date of this Agreement for all transactions completed and paid during said quarter.

4. **Term.** This Agreement is effective on May 18, 2020 ("Effective Date") and shall continue until 12:00 midnight (CST) on April 30, 2023, unless terminated earlier as provided by this Agreement or by law.

5. **Governing Law; Designation of Forum.** This Agreement is governed by and construed in accordance with the laws of the State of Nebraska. Any action to enforce this Agreement must be brought in the state or federal courts of the State of Nebraska. Mandatory and exclusive venue for any disputes shall be in Sarpy County, Nebraska.

6. Termination.

A. The Cooperative may terminate this Agreement in whole or part if funding from federal, state, or other sources for the Cooperative or its Members is not obtained and continued at levels sufficient to allow for purchase of the good and/or services in the indicated quantities or term. The Cooperative shall notify the Contractor as soon as practicable if funds to meet the Cooperative's or Members' obligations become unavailable. The determination of the Cooperative as to the insufficiency of funds is conclusive.

B. Each party may terminate this Agreement if the other party breaches or is in default of any material obligation hereunder which default is incapable of cure, or which, being capable of cure, has not been cured within 30 days after receipt of written notice of such default or such additional cure period as the nondefaulting party may authorize in writing.

C. Each party may terminate this Agreement by written notice if federal or state laws or rules are modified or interpreted in a way that the services are no longer allowable or appropriate for purchase under this contract or are no longer eligible for the funding proposed for payments authorized by this contract.

D. The Cooperative may terminate this Agreement, in whole or in part, by written notice to the Contractor and may regard the Contractor in default of this Agreement if the Contractor becomes:

(1) Insolvent;
(2) Makes a general assignment for the benefit of creditors;
(3) Files a voluntary petition of bankruptcy;
(4) Suffers or permits the appointment of a receiver for its business or assets;
(5) Becomes subject to any proceeding under any bankruptcy or insolvency law, whether domestic or foreign; or
(6) Has wound up or liquidated, voluntarily or otherwise.

E. The Cooperative may terminate this Agreement, in whole or in part, immediately, without notice, if the Contractor is debarred or suspended from performing services on any public contracts.

F. The parties may terminate this Agreement without cause by mutual written consent or by either party with a minimum of 90 days written notice.

G. Upon the termination for any reason or expiration of this Agreement, the Contractor promptly must return to the Cooperative all papers, materials and other property of the Cooperative then in its possession, including but not limited to all work in progress as is appropriate in its then existing form to the Cooperative.

7. Indemnification.

A. The Contractor hereby waives and agrees to indemnify and save harmless the Cooperative and the ESUs and their officials, agents, employees, and volunteers (hereinafter collectively referred to as "Indemnities"), against any and all claims of

injuries, death, damage to property, liabilities, judgments, costs and expenses which may otherwise accrue against Indemnities in consequence of the granting of this Agreement or which may otherwise result therefrom.

B. The Contractor shall, at his or her own expense, appear, defend and pay all charges of attorneys and all costs and other expenses arising therefrom or incurred in connection therewith.

C. If any judgment shall be rendered against the Cooperative or the ESUs in any such action, the Contractor shall, at his or her own expense, satisfy and discharge the same.

D. Any performance bond or insurance protection required by this contract, or otherwise provided by the Contractor, shall in no way limit the responsibility to indemnify and save harmless and defend the Indemnities as herein provided.

E. The Contractor's obligation to indemnify and save harmless any Indemnities will survive the expiration or termination of this Agreement by either party for any reason.

8. Insurance. Contractor shall secure and keep in force during the term of this Agreement the following insurance coverages from insurance companies or government self-insurance pools authorized to do business in Nebraska:

A. Commercial general liability, including premises or operations, contractual, and products or completed operations coverages (if applicable), with minimum liability limits of $1,000,000 per person and $5,000,000 per occurrence; and
B. If applicable, workers compensation coverage meeting all statutory requirements.

The Contractor shall furnish a certificate of insurance to the undersigned Cooperative representative prior to commencement of this Agreement. Failure to provide insurance as required in this agreement is a material breach of contract entitling the Cooperative to terminate this Agreement immediately.

9. Public Records. The Contractor acknowledges that the Cooperative must comply with NEB. REV. STAT. § 84-712 through § 84-713 and release public records as defined law upon request, which may include this Agreement and all records created and maintained in relation to this Agreement.

10. Publicity. The Cooperative does not endorse the goods or services of the Contractor. Except for listing the Cooperative as a client during the term of this Agreement, news releases or other publicity concerning this Agreement must not be made by the Contractor without the prior written approval of the Cooperative.

11. Drug/Alcohol/Tobacco/Weapons Free Workplace. The Contractor and all subcontractors, if any, shall not manufacture, sell, distribute, dispense, possess or use controlled substances or marijuana, as defined by Nebraska law, during the performance of this Agreement while on Cooperative, ESU, or Member premises or at Cooperative, ESU, or Member related functions. The Contractor and all subcontractors, if any, shall not possess any weapon, as defined by Nebraska law and the federal "Drug-Free Schools Act," on Cooperative, ESU, or Member property or at Cooperative, ESU, or Member

related functions. The Contractor and all subcontractors, if any, also shall adhere to all Cooperative, ESU, and Member policies and regulations that prohibit the possession, distribution, sale, dispensation, or use of any alcohol or tobacco products while on Cooperative, ESU, or Member premises or at Cooperative, ESU, or Member related functions. Failure to comply with this provision may be considered a material breach. The Cooperative may suspend or terminate the Contractor, subcontractor, or both if it violates these laws, regulations, or policies or this provision.

12. **Nondiscrimination.** The Contractor and all subcontractors, if any, shall not discriminate against any employee or applicant who is to be employed for performance of this Agreement with respect to his or her hire, tenure, terms, conditions, or privileges of employment, because of his race, color, religion, sex, disability, or national origin.

13. **Independent Contractor.** Contractor is an independent contractor under this contract and is not a Cooperative, ESU, or Member employee for any purpose. The Contractor retains sole and absolute discretion in the manner and means of carrying out Contractor's activities and responsibilities under this Agreement, except to the extent specified in this Agreement.

14. **Employment Eligibility Verification.** The Contractor shall use a federal immigration verification system to determine the work eligibility status of employees hired on or after October 1, 2009 and who are physically performing services within the State of Nebraska. If the Contractor employs or contracts with any subcontractor in connection with this Agreement, the Contractor shall include a provision in the contract requiring the subcontractor to use a federal immigration verification system to determine the work eligibility status of new employees physically performing services within the State of Nebraska.

15. **Taxpayer Identification.** Contractor's federal employer identification number is: 42-0942393.

16. **Sales Tax.** The Cooperative, ESUs, and Members are exempt from sales tax and shall not pay any sales tax under this Agreement. The Cooperative, ESUs and/or Members will provide the Contractor with applicable sales tax exemption certificates upon written request.

19. Entire Agreement. The Agreement is the complete and exclusive expression of the parties' agreement on the matters contained in this Agreement. All prior and contemporaneous negotiations and agreements between the parties on the matters contained in this Agreement are expressly merged into and superseded by this Agreement.

20. Amendments and Modifications. The parties may amend or modify this Agreement only by a signed, written agreement by both parties that identifies itself as an amendment or modification to this Agreement. No other alternations in the terms of this agreement shall be valid or binding.

21. Waivers. The parties may waive any provision in this Agreement only by a writing executed by the party or parties against whom the waiver is sought to be enforced. No failure or delay: (1) In exercising any right or remedy, **or** (2) In requiring the satisfaction of any condition under this Agreement, **and** (3) No act, omission, or course of dealing between the parties operates as a waiver or estoppel of any right, remedy or condition. A waiver made in writing on one occasion is effective only in that instance and only for the purpose stated. A waiver once given is not to be construed as a waiver on any future occasion or against any other Person.

22. Severability. If any provision of this Agreement is determined to be unenforceable, the remaining provisions of this Agreement remain in full force, if the essential terms and conditions of this Agreement for each party remain enforceable.

23. Counterparts. The parties may execute this Agreement in multiple counterparts, each of which constitutes an original, and all of which, collectively, constitute only one agreement. The signatures of all of the parties need not appear on the same counterpart, and delivery of an executed counterpart signature page by facsimile or other electronic means is as effective as executing and delivering this Agreement in the presence of the other parties to this Agreement. This Agreement is effective upon delivery of one executed counterpart from each party to the other parties. In proving this Agreement, a party must produce or account only for the executed counterpart of the party to be charged.

24. Force Majeure. Neither party shall be liable for any loss or damage suffered by the other party, directly or indirectly, as a result of the non performing party's failure to perform, or delay in performing, any of its obligations contained in this contract (except any obligations

to make payments for services rendered or accepted goods received before the failure to perform or the delay in performance), where, in the opinion of the Cooperative, such failure or delay is cause by circumstances beyond the non performing party's control or which make performance commercially impracticable, including but not limited to fire, flood, storm or other natural disaster, explosion, accident, war, riot, civil disorder, government regulations or restrictions of any kind or any acts of any government, alien enemy, judicial action, power failure, acts of God, or other natural circumstances. This Force Majeure provision excludes economic hardship, changes in market conditions, and insufficiency of funds on the part of Contractor.

25. Assignment. This Agreement binds the parties and their respective successors and assignees. The Contractor shall not assign or otherwise dispose of this Agreement or any duty, right, or responsibility contemplated in this Agreement to any other person without the previous written consent of the Cooperative.

26. Subcontractors. The Contractor shall not subcontract services or any part of this Agreement without the prior written consent of the Cooperative.

27. Captions. The descriptive headings of the Articles, Sections and subsections of this Agreement are for convenience only, do not constitute a part of this Agreement, and do not affect this Agreement's construction or interpretation.

28. Rights and Remedies Cumulative. Any enumeration of the Cooperative's rights and remedies set forth in this Agreement is not exhaustive. The Cooperative's exercise of any right or remedy under this Agreement does not preclude the exercise of any other right or remedy. All of the Cooperative's rights and remedies are cumulative and are in addition to any other right or remedy set forth in this Agreement, any other agreement between the parties, or which may now or subsequently exist at law or in equity, by statute or otherwise.

29. Relationship Among Parties. This Agreement creates no relationship of joint venture, partnership, limited partnership, agency, or employer- employee between the parties, and the parties acknowledge that no other facts or relations exist that would create any such relationship between them. Neither party has any right or authority to assume or to create any obligation or responsibility on behalf of the other party except as my from time to time be provided by written instrument signed by both parties.

30. Rules of Construction. The parties hereto have each been represented by counsel, or had the opportunity to be represented, during the negotiation and execution of this Agreement, and therefore waive application of any law or rule of construction providing that ambiguities in the contract will be construed against the party drafting such contract.

31. Piggyback Clause. For the term of the Agreement and any mutually agreed extensions, other public agencies may purchase, lease-purchase, or rent the identical item(s) at the same price and upon the same terms and conditions as provided in this Agreement. The term "public agencies" means any county, city, village, school district, or agency of any state government or of the United States; any drainage district, sanitary and improvement district, or other municipal corporation or political subdivision of Nebraska; and any political subdivision of another state.

32. Attachments. Attachments to this Agreement include the following:

2020-2023
SPECIAL BUY AGREEMENT

THIS AGREEMENT is entered into by and between the Nebraska ESUCC Cooperative Purchasing ("Cooperative"), and The Brenmar Company, Inc. ("Contractor"). The Cooperative is an organization founded in 1968 with the purpose of providing the Educational Service Unit (ESU) member school districts ("Members") of Nebraska an opportunity to secure the maximum procurement value through cooperative synergies. The Educational Service Unit Coordinating Council (ESUCC) Advisory group serves as the steering committee for new and future cooperative buys statewide under its direction. A chief executive officer coordinates the statewide purchasing agreement between service units and their school districts and other serviceable entities. The Director manages the program with the guidance of the ESUCC, Advisory Board, and the Fiscal Agent. Nebraska ESUCC Cooperative Purchasing serves 17 ESUs that provide a statewide network of educational opportunities to approximately 249 school districts and more than 300,000 students.

In consideration of mutual covenants, the parties agree as follows:

1. **Scope of the Contract.** The Contractor shall provide Members the opportunity to purchase the goods and/or services as defined in **Exhibit A,** which is attached hereto and incorporated herein by this reference, at the prices set forth in this Agreement and its Exhibits.

2. **Payment Terms/Payment Schedule.** Members shall pay for services rendered and/or for accepted goods on the terms and payment schedule as set forth in **Exhibit B** which is attached hereto and incorporated herein by this reference. Prices listed in Exhibit B shall remain in effect during the term of this Agreement unless agreed otherwise by the parties in writing.

3. **Administrative Fee.** Contractor shall submit to the Cooperative as an administrative fee a sum equal to two percent (2%) of the total gross dollar volume, less freight of all goods and services and excluding annual support and maintenance purchased by the Cooperative, ESUs, and Members. This fee will be submitted to the Cooperative on a quarterly basis beginning three months from the Effective Date of this Agreement for all transactions completed and paid during said quarter.

4. **Term.** This Agreement is effective on June 25, 2020 ("Effective Date") and shall continue until 12:00 midnight (CST) on June 30, 2023, unless terminated earlier as provided by this Agreement or by law.

5. **Governing Law; Designation of Forum.** This Agreement is governed by and construed in accordance with the laws of the State of Nebraska. Any action to enforce this Agreement must be brought in the state or federal courts of the State of Nebraska. Mandatory and exclusive venue for any disputes shall be in Sarpy County, Nebraska.

6. Termination.

A. The Cooperative may terminate this Agreement in whole or part if funding from federal, state, or other sources for the Cooperative or its Members is not obtained and continued at levels sufficient to allow for purchase of the good and/or services in the indicated quantities or term. The Cooperative shall notify the Contractor as soon as practicable if funds to meet the Cooperative's or Members' obligations become unavailable. The determination of the Cooperative as to the insufficiency of funds is conclusive.

B. Each party may terminate this Agreement if the other party breaches or is in default of any material obligation hereunder which default is incapable of cure, or which, being capable of cure, has not been cured within 30 days after receipt of written notice of such default or such additional cure period as the nondefaulting party may authorize in writing.

C. Each party may terminate this Agreement by written notice if federal or state laws or rules are modified or interpreted in a way that the services are no longer allowable or appropriate for purchase under this contract or are no longer eligible for the funding proposed for payments authorized by this contract.

D. The Cooperative may terminate this Agreement, in whole or in part, by written notice to the Contractor and may regard the Contractor in default of this Agreement if the Contractor becomes:

(1) Insolvent;
(2) Makes a general assignment for the benefit of creditors;
(3) Files a voluntary petition of bankruptcy;
(4) Suffers or permits the appointment of a receiver for its business or assets;
(5) Becomes subject to any proceeding under any bankruptcy or insolvency law, whether domestic or foreign; or
(6) Has wound up or liquidated, voluntarily or otherwise.

E. The Cooperative may terminate this Agreement, in whole or in part, immediately, without notice, if the Contractor is debarred or suspended from performing services on any public contracts.

F. The parties may terminate this Agreement without cause by mutual written consent or by either party with a minimum of 90 days written notice.

G. Upon the termination for any reason or expiration of this Agreement, the Contractor promptly must return to the Cooperative all papers, materials and other property of the Cooperative then in its possession, including but not limited to all work in progress as is appropriate in its then existing form to the Cooperative.

7. Indemnification.

A. The Contractor hereby waives and agrees to indemnify and save harmless the Cooperative and the ESUs and their officials, agents, employees, and volunteers (hereinafter collectively referred to as "Indemnities"), against any and all claims of

injuries, death, damage to property, liabilities, judgments, costs and expenses which may otherwise accrue against Indemnities in consequence of the granting of this Agreement or which may otherwise result therefrom.

B. The Contractor shall, at his or her own expense, appear, defend and pay all charges of attorneys and all costs and other expenses arising therefrom or incurred in connection therewith.

C. If any judgment shall be rendered against the Cooperative or the ESUs in any such action, the Contractor shall, at his or her own expense, satisfy and discharge the same.

D. Any performance bond or insurance protection required by this contract, or otherwise provided by the Contractor, shall in no way limit the responsibility to indemnify and save harmless and defend the Indemnities as herein provided.

E. The Contractor's obligation to indemnify and save harmless any Indemnities will survive the expiration or termination of this Agreement by either party for any reason.

8. Insurance. Contractor shall secure and keep in force during the term of this Agreement the following insurance coverages from insurance companies or government self-insurance pools authorized to do business in Nebraska:

A. Commercial general liability, including premises or operations, contractual, and products or completed operations coverages (if applicable), with minimum liability limits of $1,000,000 per person and $5,000,000 per occurrence; and
B. If applicable, workers compensation coverage meeting all statutory requirements.

The Contractor shall furnish a certificate of insurance to the undersigned Cooperative representative prior to commencement of this Agreement. Failure to provide insurance as required in this agreement is a material breach of contract entitling the Cooperative to terminate this Agreement immediately.

9. Public Records. The Contractor acknowledges that the Cooperative must comply with NEB. REV. STAT. § 84-712 through § 84-713 and release public records as defined law upon request, which may include this Agreement and all records created and maintained in relation to this Agreement.

10. Publicity. The Cooperative does not endorse the goods or services of the Contractor. Except for listing the Cooperative as a client during the term of this Agreement, news releases or other publicity concerning this Agreement must not be made by the Contractor without the prior written approval of the Cooperative.

11. Drug/Alcohol/Tobacco/Weapons Free Workplace. The Contractor and all subcontractors, if any, shall not manufacture, sell, distribute, dispense, possess or use controlled substances or marijuana, as defined by Nebraska law, during the performance of this Agreement while on Cooperative, ESU, or Member premises or at Cooperative, ESU, or Member related functions. The Contractor and all subcontractors, if any, shall not possess any weapon, as defined by Nebraska law and the federal "Drug-Free Schools Act," on Cooperative, ESU, or Member property or at Cooperative, ESU, or Member

related functions. The Contractor and all subcontractors, if any, also shall adhere to all Cooperative, ESU, and Member policies and regulations that prohibit the possession, distribution, sale, dispensation, or use of any alcohol or tobacco products while on Cooperative, ESU, or Member premises or at Cooperative, ESU, or Member related functions. Failure to comply with this provision may be considered a material breach. The Cooperative may suspend or terminate the Contractor, subcontractor, or both if it violates these laws, regulations, or policies or this provision.

12. **Nondiscrimination.** The Contractor and all subcontractors, if any, shall not discriminate against any employee or applicant who is to be employed for performance of this Agreement with respect to his or her hire, tenure, terms, conditions, or privileges of employment, because of his race, color, religion, sex, disability, or national origin.

13. **Independent Contractor.** Contractor is an independent contractor under this contract and is not a Cooperative, ESU, or Member employee for any purpose. The Contractor retains sole and absolute discretion in the manner and means of carrying out Contractor's activities and responsibilities under this Agreement, except to the extent specified in this Agreement.

14. **Employment Eligibility Verification.** The Contractor shall use a federal immigration verification system to determine the work eligibility status of employees hired on or after October 1, 2009 and who are physically performing services within the State of Nebraska. If the Contractor employs or contracts with any subcontractor in connection with this Agreement, the Contractor shall include a provision in the contract requiring the subcontractor to use a federal immigration verification system to determine the work eligibility status of new employees physically performing services within the State of Nebraska.

15. **Taxpayer Identification.** Contractor's federal employer identification number is: _____47-0720324____.

16. **Sales Tax.** The Cooperative, ESUs, and Members are exempt from sales tax and shall not pay any sales tax under this Agreement. The Cooperative, ESUs and/or Members will provide the Contractor with applicable sales tax exemption certificates upon written request.

17. **Notice.** Each party giving any Notice ("Notice") under this Agreement must give written Notice by personal delivery, registered or certified Mail (in each case, return receipt requested and postage prepaid), or nationally recognized overnight courier (with all fees prepaid.) Notice shall be sent to the following addressees at the following addresses:

18. Warranties and Specifications. Contractor shall be responsible for providing to Members all manufacturer warranties on all goods and services. Contractor shall provide Members with all attachments normally supplied by the manufacturer and/or supplier. Complete product specification sheets or brochures must be provided to Members, ESUs, or the Cooperative upon request.

19. Entire Agreement. The Agreement is the complete and exclusive expression of the parties' agreement on the matters contained in this Agreement. All prior and contemporaneous negotiations and agreements between the parties on the matters contained in this Agreement are expressly merged into and superseded by this Agreement.

20. Amendments and Modifications. The parties may amend or modify this Agreement only by a signed, written agreement by both parties that identifies itself as an amendment or modification to this Agreement. No other alternations in the terms of this agreement shall be valid or binding.

21. Waivers. The parties may waive any provision in this Agreement only by a writing executed by the party or parties against whom the waiver is sought to be enforced. No failure or delay: (1) In exercising any right or remedy, **or** (2) In requiring the satisfaction of any condition under this Agreement, **and** (3) No act, omission, or course of dealing between the parties operates as a waiver or estoppel of any right, remedy or condition. A waiver made in writing on one occasion is effective only in that instance and only for the purpose stated. A waiver once given is not to be construed as a waiver on any future occasion or against any other Person.

22. Severability. If any provision of this Agreement is determined to be unenforceable, the remaining provisions of this Agreement remain in full force, if the essential terms and conditions of this Agreement for each party remain enforceable.

23. Counterparts. The parties may execute this Agreement in multiple counterparts, each of which constitutes an original, and all of which, collectively, constitute only one agreement. The signatures of all of the parties need not appear on the same counterpart, and delivery of an executed counterpart signature page by facsimile or other electronic means is as effective as executing and delivering this Agreement in the presence of the other parties to this Agreement. This Agreement is effective upon delivery of one executed counterpart from each party to the other parties. In proving this Agreement, a party must produce or account only for the executed counterpart of the party to be charged.

24. Force Majeure. Neither party shall be liable for any loss or damage suffered by the other party, directly or indirectly, as a result of the non performing party's failure to perform, or delay in performing, any of its obligations contained in this contract (except any obligations

to make payments for services rendered or accepted goods received before the failure to perform or the delay in performance), where, in the opinion of the Cooperative, such failure or delay is cause by circumstances beyond the non performing party's control or which make performance commercially impracticable, including but not limited to fire, flood, storm or other natural disaster, explosion, accident, war, riot, civil disorder, government regulations or restrictions of any kind or any acts of any government, alien enemy, judicial action, power failure, acts of God, or other natural circumstances. This Force Majeure provision excludes economic hardship, changes in market conditions, and insufficiency of funds on the part of Contractor.

25. Assignment. This Agreement binds the parties and their respective successors and assignees. The Contractor shall not assign or otherwise dispose of this Agreement or any duty, right, or responsibility contemplated in this Agreement to any other person without the previous written consent of the Cooperative.

26. Subcontractors. The Contractor shall not subcontract services or any part of this Agreement without the prior written consent of the Cooperative.

27. Captions. The descriptive headings of the Articles, Sections and subsections of this Agreement are for convenience only, do not constitute a part of this Agreement, and do not affect this Agreement's construction or interpretation.

28. Rights and Remedies Cumulative. Any enumeration of the Cooperative's rights and remedies set forth in this Agreement is not exhaustive. The Cooperative's exercise of any right or remedy under this Agreement does not preclude the exercise of any other right or remedy. All of the Cooperative's rights and remedies are cumulative and are in addition to any other right or remedy set forth in this Agreement, any other agreement between the parties, or which may now or subsequently exist at law or in equity, by statute or otherwise.

29. Relationship Among Parties. This Agreement creates no relationship of joint venture, partnership, limited partnership, agency, or employer- employee between the parties, and the parties acknowledge that no other facts or relations exist that would create any such relationship between them. Neither party has any right or authority to assume or to create any obligation or responsibility on behalf of the other party except as my from time to time be provided by written instrument signed by both parties.

30. Rules of Construction. 2020-2023
SPECIAL BUY AGREEMENT

THIS AGREEMENT is entered into by and between the Nebraska ESUCC Cooperative Purchasing ("Cooperative"), and Hanesbrands Inc ("Contractor"). The Cooperative is an organization founded in 1968 with the purpose of providing the Educational Service Unit (ESU) member school districts ("Members") of Nebraska an opportunity to secure the maximum procurement value through cooperative synergies. The Educational Service Unit Coordinating Council (ESUCC) Advisory group serves as the steering committee for new and future cooperative buys statewide under its direction. A chief executive officer coordinates the statewide purchasing agreement between service units and their school districts and other serviceable entities. The Director manages the program with the guidance of the ESUCC, Advisory Board, and the Fiscal Agent. Nebraska ESUCC Cooperative Purchasing serves 17 ESUs that provide a statewide network of educational opportunities to approximately 249 school districts and more than 300,000 students.

In consideration of mutual covenants, the parties agree as follows:

1. **Scope of the Contract.** The Contractor shall provide Members the opportunity to purchase the goods and/or services as defined in **Exhibit A,** which is attached hereto and incorporated herein by this reference, at the prices set forth in this Agreement and its Exhibits.

2. **Payment Terms/Payment Schedule.** Members shall pay for services rendered and/or for accepted goods on the terms and payment schedule as set forth in **Exhibit B** which is attached hereto and incorporated herein by this reference. Prices listed in Exhibit B shall remain in effect during the term of this Agreement unless agreed otherwise by the parties in writing.

3. **Administrative Fee.** Contractor shall submit to the Cooperative as an administrative fee a sum equal to two percent (2%) of the total gross dollar volume, less freight of all goods and services and excluding annual support and maintenance purchased by the Cooperative, ESUs, and Members. This fee will be submitted to the Cooperative on a quarterly basis beginning three months from the Effective Date of this Agreement for all transactions completed and paid during said quarter.

4. **Term.** This Agreement is effective on July 23, 2020 ("Effective Date") and shall continue until 12:00 midnight (CST) on June 30, 2023, unless terminated earlier as provided by this Agreement or by law.

5. **Governing Law; Designation of Forum.** This Agreement is governed by and construed in accordance with the laws of the State of Nebraska. Any action to enforce this Agreement must be brought in the state or federal courts of the State of Nebraska. Mandatory and exclusive venue for any disputes shall be in Sarpy County, Nebraska.

6. Termination.

A. The Cooperative may terminate this Agreement in whole or part if funding from federal, state, or other sources for the Cooperative or its Members is not obtained and continued at levels sufficient to allow for purchase of the good and/or services in the indicated quantities or term. The Cooperative shall notify the Contractor as soon as practicable if funds to meet the Cooperative's or Members' obligations become unavailable. The determination of the Cooperative as to the insufficiency of funds is conclusive.

B. Each party may terminate this Agreement if the other party breaches or is in default of any material obligation hereunder which default is incapable of cure, or which, being capable of cure, has not been cured within 30 days after receipt of written notice of such default or such additional cure period as the nondefaulting party may authorize in writing.

C. Each party may terminate this Agreement by written notice if federal or state laws or rules are modified or interpreted in a way that the services are no longer allowable or appropriate for purchase under this contract or are no longer eligible for the funding proposed for payments authorized by this contract.

D. The Cooperative may terminate this Agreement, in whole or in part, by written notice to the Contractor and may regard the Contractor in default of this Agreement if the Contractor becomes:

(1) Insolvent;
(2) Makes a general assignment for the benefit of creditors;
(3) Files a voluntary petition of bankruptcy;
(4) Suffers or permits the appointment of a receiver for its business or assets;
(5) Becomes subject to any proceeding under any bankruptcy or insolvency law, whether domestic or foreign; or
(6) Has wound up or liquidated, voluntarily or otherwise.

E. The Cooperative may terminate this Agreement, in whole or in part, immediately, without notice, if the Contractor is debarred or suspended from performing services on any public contracts.

F. The parties may terminate this Agreement without cause by mutual written consent or by either party with a minimum of 90 days written notice.

G. Upon the termination for any reason or expiration of this Agreement, the Contractor promptly must return to the Cooperative all papers, materials and other property of the Cooperative then in its possession, including but not limited to all work in progress as is appropriate in its then existing form to the Cooperative.

7. Indemnification.

A. The Contractor hereby waives and agrees to indemnify and save harmless the Cooperative and the ESUs and their officials, agents, employees, and volunteers (hereinafter collectively referred to as "Indemnities"), against any and all claims of

DocuSign Envelope ID: D630607F-D6FB-42FC-B634-D7CC0C7A308C

injuries, death, damage to property, liabilities, judgments, costs and expenses which may otherwise accrue against Indemnities in consequence of the granting of this Agreement or which may otherwise result therefrom.

B. The Contractor shall, at his or her own expense, appear, defend and pay all charges of attorneys and all costs and other expenses arising therefrom or incurred in connection therewith.

C. If any judgment shall be rendered against the Cooperative or the ESUs in any such action, the Contractor shall, at his or her own expense, satisfy and discharge the same.

D. Any performance bond or insurance protection required by this contract, or otherwise provided by the Contractor, shall in no way limit the responsibility to indemnify and save harmless and defend the Indemnities as herein provided.

E. The Contractor's obligation to indemnify and save harmless any Indemnities will survive the expiration or termination of this Agreement by either party for any reason.

8. Insurance. Contractor shall secure and keep in force during the term of this Agreement the following insurance coverages from insurance companies or government self-insurance pools authorized to do business in Nebraska:

A. Commercial general liability, including premises or operations, contractual, and products or completed operations coverages (if applicable), with minimum liability limits of $1,000,000 per person and $5,000,000 per occurrence; and

B. If applicable, workers compensation coverage meeting all statutory requirements.

The Contractor shall furnish a certificate of insurance to the undersigned Cooperative representative prior to commencement of this Agreement. Failure to provide insurance as required in this agreement is a material breach of contract entitling the Cooperative to terminate this Agreement immediately.

9. Public Records. The Contractor acknowledges that the Cooperative must comply with NEB. REV. STAT. § 84-712 through § 84-713 and release public records as defined law upon request, which may include this Agreement and all records created and maintained in relation to this Agreement.

10. Publicity. The Cooperative does not endorse the goods or services of the Contractor. Except for listing the Cooperative as a client during the term of this Agreement, news releases or other publicity concerning this Agreement must not be made by the Contractor without the prior written approval of the Cooperative.

The Contractor and all subcontractors, if any, shall not manufacture, sell, distribute, dispense, possess or use controlled substances or marijuana, as defined by Nebraska law, during the performance of this Agreement while on Cooperative, ESU, or Member premises or at Cooperative, ESU, or Member related functions. The Contractor and all subcontractors, if any, shall not possess any weapon, as defined by Nebraska law and the federal "Drug-Free Schools Act," on Cooperative, ESU, or Member property or at Cooperative, ESU, or Member

Failure to comply with this provision may be considered a material breach. The Cooperative may suspend or terminate the Contractor, subcontractor, or both if it violates these laws, regulations, or policies or this provision.

12. Nondiscrimination. The Contractor and all subcontractors, if any, shall not discriminate against any employee or applicant who is to be employed for performance of this Agreement with respect to his or her hire, tenure, terms, conditions, or privileges of employment, because of his race, color, religion, sex, disability, or national origin.

13. Independent Contractor. Contractor is an independent contractor under this contract and is not a Cooperative, ESU, or Member employee for any purpose. The Contractor retains sole and absolute discretion in the manner and means of carrying out Contractor's activities and responsibilities under this Agreement, except to the extent specified in this Agreement.

14. Employment Eligibility Verification. The Contractor shall use a federal immigration verification system to determine the work eligibility status of employees hired on or after October 1, 2009 and who are physically performing services within the State of Nebraska. Each bidder will be responsible for the accuracy of each "Total Bid Package". If the package bid for the current year does not have previous year sales volumes to compare then the package will be awarded based on the low bid of the entire package.

9.2.2 In the event that not all items within a Package/Lot can be sourced by the respondent, Nebraska ESUCC - Cooperative Purchasing reserves the right to omit items from the calculation in the event that the removal from the package/ lot is in the best interest of the previous year's order quantities and the pricing calculation.

9.3 Quantities

9.3.1 Nebraska ESUCC - Cooperative Purchasing is hereby not stipulating estimated quantities of merchandise for bidding. There is no guarantee that quantities will be greater or smaller than those purchased in prior years. Bidders submitting bids with stipulations and/or conditions on quantities or awarded dollar amounts by line item, category, or total order will be disqualified from consideration for award. The undersigned bidder hereby agrees to honor bid prices and shipments regardless of quantities or dollar volume actually determined following bid awards, and said bidder hereby agrees that guaranteed purchase order quantities or dollar amounts are not a condition of this bid.

9.4 Bid Award Determination

9.4.1 The Nebraska ESUCC - Cooperative Purchasing Awards Committee shall award contracts to the lowest responsible bidders, as determined by the Awards Committee in its sole discretion. In the event of a tie the award shall be determined by a public coin flip, to establish the winner unless one of the involved bidders has been designated a Nebraska resident bidder in which event said bidder shall be automatically declared the winner. The Committee, however, reserves the right to award an additional selection whenever a substantial brand-name preference has been indicated by the participating schools and when it is determined that said brand-name bid is competitive in price. The undersigned bidder hereby agrees to these bidding conditions by submitting this signed document on or before the Bid Closing date as specified below.

9.4.2 Nebraska ESUCC - Cooperative Purchasing reserves the right to reject any or all bids in whole or in part; to waive any formalities or irregularities in any bids, and to accept the bids, which in its discretion, may be for the best interest of Nebraska ESUCC - Cooperative Purchasing.

9.4.3 Preliminary awards will be available during the "Vendor Review Period of Awards" defined in "Key RFP Dates". Vendors will have until the end of the "Vendor Review Period" to review awards. Please note that during portions of this review period the offices of Nebraska ESUCC - Cooperative Purchasing will be closed. Vendors may formally dispute awards, in writing, to Nebraska ESUCC - Cooperative Purchasing during the "Vendor Dispute Period" defined in "Key RFP Dates". Disputes will be reviewed and vendors will be notified of decisions. Final Bid Awards will be available as defined in "Key RFP Dates".

9.5 Warranties and Specifications

9.5.1 The Company receiving the award shall be responsible for providing the manufacturer's standard warranty or other in-state warranty service facility to the schools, educational service units, and other members.

9.5.2 Every item bid will include all attachments normally supplied with the machine by the manufacturer or vendor and none shall be omitted when shipped.

9.5.3 Complete product specification sheets and/or brochures must be submitted when requested and can be submitted electronically through the ESUCC sourcing application per Response Attachments. Failure to provide said specification sheets could disqualify the bid. All product specifications must be submitted on or before the Bid Closing date and must be clearly identified with the vendor's name and the Nebraska ESUCC - Cooperative Purchasing Item Number.

9.6 Product Safety Information

9.6.1 Bidders are responsible ~~to insure that~~to ensure that all equipment meets applicable safety codes and that all electrical equipment bids will be Underwriters Laboratory Approved. The awarded vendor must, upon request, provide data that substantiates that the items bid are not hazardous or toxic in the manufactured condition as to asbestos content. etc. The vendor further agrees to provide proper Safety Data Sheets (SDS), as required by law, with products upon delivery.

9.7 Service Manuals and Product Nomenclature

9.7.1 Operator's manuals should be supplied for all items when shipped. The vendor agrees to make service manuals available, at a reasonable cost, to Schools, Educational Service Units and members upon request.

9.7.2 The ASA code or other lamp nomenclature shall be specified by the vendor for each type of projection equipment to facilitate projection lamp stocking at all schools and Educational Service Unit's repair facilities.

9.8 "Equivalent to" Item Specifications

9.8.1 When an item specification lists "Equivalent to", bidders may submit a single "equivalent to" item. However, each bidder is restricted to one item submitted per item number unless the Nebraska ESUCC - Cooperative Purchasing staff provide the ability of offering an alternate through the sourcing application. Multiple submissions on a single line item will not be considered and will automatically disqualify that bidder from all award consideration for that item number.

9.8.2 Nebraska ESUCC - Cooperative Purchasing recommends that vendors submit requests for "alternative brand name approval" in the "annual bid specification review period" scheduled in August and September of each year. Details of this protocol can be found on the website: www.neesucoop.org.

9.8.3 Whenever the word "ONLY" follows the specific brand and/or model name and/or number, equivalents will not be accepted and should not be submitted.

9.9 Samples

9.9.1 Samples, when required, must be submitted within the time specified at the bidder's expense. Whenever the notation "SAMPLE REQUIRED" is made, a sample must be submitted for the bid to be considered. Each sample and specification sheet must be provided on or before the bid closing date. Each sample and specification sheet must be labeled with the name of the vendor/manufacturer submitting the sample for consideration and the Nebraska ESUCC - Cooperative Purchasing item number. If not consumed by testing, samples will be returned upon written request only at the expense of the bidder. All samples will become the property of Nebraska ESUCC - Cooperative Purchasing if a written "Return Request" is not submitted with the sample. Samples and specification sheets not properly labeled may not be considered in the bid award.

9.9.2 Previous year awards will not be used to determine current year awards. A sample must be submitted for all specifications that indicate "Sample Required" and current "specification sheet" must be submitted when indicated. Failure of a bidder to do so may result in disqualification for that item.

9.10 Payment Terms

9.10.1 Payments will be made to vendors directly from Schools, Educational Service Units, and members. All payment terms are Net 45 based on product received date by members. The first possible day of delivery ~~as~~ is defined in "Key RFP Dates", and, the earliest payment due date is also defined in "Key RFP Dates". All Purchase Orders must be delivered and verified 100% complete and accurate before they will be considered payable. Any product not received by "Delivery Deadline for Items" as defined in "Key RFP Dates" will be subject to late shipment penalties and should be adjusted on the member invoices accordingly.

9.10.2 A "late delivery" penalty fee of 2% shall be deducted from a ~~members~~member's final invoice for deliveries made after "Delivery Deadline for Items" and "Delivery Deadline for Paper". An additional 2% per month "late delivery" penalty fee will be assessed for deliveries made for any part of each month on the total dollar amount of all undelivered merchandise. Members must communicate in writing non-receipt of product(s) to vendors at a minimum of one week prior to the delivery deadline or if the deadline has ~~past~~ passed the vendor shall have 14 days to deliver product without penalty after receiving communication of non-delivery of items from member.

9.10.3 A bidder is in default for any merchandise not delivered by end of day for "Delivery Deadline for Items" and "Delivery Deadline for Paper" as defined in "Key RFP Dates" and any Nebraska ESUCC - Cooperative Purchasing member may, at their option, purchase the merchandise elsewhere on such terms and at such prices as available or cancel the item. Upon default by a bidder, the bidder and the surety named in the bid bond shall then become liable to Nebraska ESUCC - Cooperative Purchasing for the difference of the total amount between the total cost of the replacement merchandise and the total bid of the undelivered merchandise, and any additional administrative costs and expenses of Nebraska ESUCC - Cooperative Purchasing or members.

9.11 Lost and Damaged Merchandise

9.11.1 The awarded vendor shall accept full responsibility and pay for return shipping charges on any item received by a school, Educational Service Unit, or member that is found to be deficient in quality, defective in

packaging, fails to meet specifications or is an unauthorized substitution so as to render the item unsuitable for its intended purpose.

9.12 Discontinued Items/Model Changes/Cancellations

9.12.1 Bidders are responsible for bidding items and model numbers that are current. Winning bidders are responsible for notifying, in writing Nebraska ESUCC - Cooperative Purchasing, of any model changes prior to shipment of product, addressed to coop@esucc.org. These written notifications are subject to approval from Nebraska ESUCC - Cooperative Purchasing. Items delivered prior to any notification of changes are subject to rejection at receiving without prior notice.

9.12.2 By bidding an item, the bidder is accepting responsibility for delivering that item if awarded. Bidders will be responsible for finding an acceptable replacement of equal or greater quality for all discontinued or cancelled items. Failure to provide a suitable replacement shall result in Nebraska ESUCC - Cooperative Purchasing deducting the cost of having to secure acceptable replacements from winning bidders bid bond.

9.13 Late Shipments

9.13.1 Vendor is responsible to notify, in writing, Nebraska ESUCC - Cooperative Purchasing coop@esucc.org of any late or delayed shipments as soon as the vendor is aware of this information. On date noted in "Key RFP Dates", vendors must submit to Nebraska ESUCC - Cooperative Purchasing a complete list of all items that have yet to be shipped and an estimate, by line item and delivery location, of expected delivery dates.

9.13.2 Nebraska ESUCC - Cooperative Purchasing and its affiliates reserve the right to cancel the whole or any part of this agreement due to failure by the vendor to carry out any obligation, term or condition of the agreement.

9.13.3 Nebraska ESUCC - Cooperative Purchasing will issue written notice to the vendor for acting or failing to act in any of the following:

- 9.13.3.1 The vendor provides material that does not meet the specifications of the agreement;
- 9.13.3.2 The vendor fails to adequately perform the services set forth in the specifications of the agreement.
- 9.13.3.3 The vendor fails to observe any of the terms and conditions of the agreement.
- 9.13.3.4 The vendor fails to follow the established procedure for purchase orders, invoices, and receipt of funds as stipulated by Nebraska ESUCC - Cooperative Purchasing.

9.13.4 Nebraska ESUCC - Cooperative Purchasing reserves the right to cancel, or suspend the use thereof, any agreement resulting from this IFB if the vendor files bankruptcy protection, or is acquired by an independent third party. Upon receipt of the written notice, the vendor shall have ten (10) business days to provide a satisfactory response to Nebraska ESUCC - Cooperative Purchasing. Failure on the part of the vendor to address adequately all issues of concern may result in cancellation of the agreement.

9.14 Inspections and Acceptance

9.14.1 Inspection and acceptance will be at the member delivery destination unless specified otherwise, and will be made at the ship to address by a duly authorized representative. Until delivery and acceptance, and after any rejection, risk of loss will be the vendors unless loss results from negligence by the receiver.

9.15 Electronic Procurement System

9.15.1 Nebraska ESUCC - Cooperative Purchasing and its members will issue orders for supplies, equipment and services utilizing an electronic procurement system.

9.16 General Information

9.16.1 Sales Summary Reports will be provided reflecting a vendor's total catalog sales upon request only.

9.17 Multiple Awards

9.17.1 In order to assure that any bid award will allow Nebraska ESUCC - Cooperative Purchasing to fulfill current and future requirements, Nebraska ESUCC - Cooperative Purchasing reserves the right to award bids to multiple vendors. The actual use of any bid award will be at the sole discretion of Nebraska ESUCC - Cooperative Purchasing affiliated schools, ESU's or members. Each vendor should take into account the

fact that Nebraska ESUCC - Cooperative Purchasing may consider multiple awards. It is at the discretion of Nebraska ESUCC - Cooperative Purchasing to make multiple bid awards, to award only one bid, or to make no awards.

9.18 Bid Preparation and Submission

9.18.1 All bids must be submitted through the Nebraska ESUCC - Cooperative Purchasing's hosted sourcing application service at http://www.neesucoop.org via the Internet. All vendors will be able to access the bid from the system as long as you have pre-registered with ESUCC Cooperative Purchasing. Submitting a bid using the hard copy will render the bid non-responsive and therefore disqualified. All bids are to be prepared on a prepaid, FOB Destination Tailgate basis. No payments for transportation charges, of any kind, will be allowed, unless otherwise specified.

9.19 Governing Law

9.19.1 This IFB, any resulting contracts, and the vendor's performance will be governed by and construed in accordance with the laws of the State of Nebraska.

9.20 Publicity

9.20.1 ESUCC does not endorse the goods or services of the vendors. Except for listing ESUCC as a client during the term of any award or related contract, news releases or other publicity concerning the award or contract must not be made by the vendor without the prior written approval of ESUCC.

9.21 Nondiscrimination

9.21.1 By submitting a bid, the vendor agrees that it and its subcontractors, if any, shall not discriminate against any employee or applicant who is to be employed for performance of any bid award with respect to his or her hire, tenure, terms, conditions, or privileges of employment, because of his race, color, religion, sex, disability, or national origin.

9.22 Employment Eligibility Verification

9.22.1 The vendor agrees that it shall use a federal immigration verification system to determine the work eligibility status of employees hired on or after October 1, 2009 and who are physically performing services within the State of Nebraska as the result of any bid award. If the vendor employs or contracts with any subcontractor in connection with any bid award, the vendor shall include a provision in the contract requiring the subcontractor to use a federal immigration verification system to determine the work eligibility status of new employees physically performing services within the State of Nebraska as a result of the bid award.

9.23 Disqualification of Bidders

9.23.1 Vendors may be disqualified and their proposals disregarded for reasons which include but are not limited to the following:

9.23.1.1 ESUCC Cooperative Purchasing has reason to believe that vendors have engaged in collusion.

9.23.1.2 The vendor ~~being~~ is interested in any litigation against the ESUCC, the Cooperative, or any of its ESUs or their member school districts.

9.23.1.3 The vendor is in arrears on any existing contract or has defaulted on a previous contract.

9.23.1.4 The vendor has uncompleted work which, in the judgment of the ESUCC, will prevent or hinder its ability to complete this project, if it were awarded to the Vendor.

9.24 Non-Responsive Bids

9.24.1 A vendor that fails to respond to any request for information may be deemed non-responsive and its bid may not be considered for the award.

9.25 Debarment

9.25.1 Submission of a bid is certification that the vendor and any subcontractor is not currently debarred, suspended, proposed for debarment, declared ineligible, or otherwise excluded from submitting proposals to any State or Federal department or agency or any political subdivision of the State of Nebraska.

9.26 Public Records

9.26.1 Vendor acknowledges that ESUCC must comply with NEB. REV. STAT. § 84-712 through § 84-713 and release public records as defined law upon request, which may include vendor's bid documents and all records created and maintained in relation to it.

9.27 Electronic Bid Protocol

9.27.1 All bids and modifications thereof, shall not be viewable until the day and time indicated in the bid. A "Bid Submittal Deadline" time will be displayed for all types of bids. No bid can be received or modified after the "Bid Submittal Deadline" designated for whatever reason.

9.27.2 Because of the availability of electronic bidding, Nebraska ESUCC - Cooperative Purchasing reserves the right to postpone the electronic Bid Closing due to electrical or communication problems on our end or with a hosted server, due to accidents or acts of God. Bidders must mail or electronically submit the requested bid information as requested by the Nebraska ESUCC - Cooperative Purchasing sourcing application. Official signatures are required to validate the bid. Neglecting to provide the information requested on the "Response Submission" will result in disqualification of the bid.

9.28 Piggyback Clause.

9.28.1 For the term of the Agreement and any mutually agreed extensions, other public agencies may purchase, lease-purchase, or rent the identical item(s) at the same price and upon the same terms and conditions as provided in this Agreement. The term "public agencies" means any county, city, village, school district, or agency of any state government or of the United States; any drainage district, sanitary and improvement district, or other municipal corporation or political subdivision of Nebraska; and any political subdivision of another state that has executed an interlocal agreement with ESUCC.

10. Indemnification

10.1 Bidder agrees to indemnify, defend, and hold harmless the ESUCC and/or its member agencies against any and all claims, suits, and/or judgments, including costs, expenses, damages, and reasonable legal fees based upon and arising from Bidder's violation of the rights of others and/or by reason of a breach of any of the foregoing warranties.

10.2 Bidder represents and warrants that the contents of this response to Request for Proposal and all figures, illustrations, photographs, charts, and other supplementary material herein are original and do not libel anyone or infringe upon any patent, copyright, proprietary right, or any other right whatsoever of any other party. Bidder represents and warrants that Bidder has full power and authority to execute this Copyright Release and to grant the ESUCC and/or its member agencies the right granted herein.

11. Tariffs

11.1 In the event of significant delay or price increase of materials or goods occurring during the performance of the contract due to a tariff that goes into effect after the execution of this contract, the contract price/sum, time of performance, or contract requirements shall be equitably adjusted by written amendment of the contract. A change in price of an item of material or good shall be considered significant when the price of an item increases 5 percent between the date of execution of the contract and the date of catalog opening February 1, 2020. The price amendment shall be effective only as long as the tariff is in effect. The intent of the adjustment is to hold the vendor harmless from the impact of the tariff, but the price adjustment is in no way intended to provide or guarantee the same percentage of profit. The vendor shall provide documentation that is satisfactory to ESUCC to support any claim under this section. In addition, ESUCC shall have the right to request a cost analysis vs. price analysis for each change in tariff adjustment request. In the event that the parties are unable to reach an agreement regarding a contract amendment under this section, either party has the option to terminate the contract, bid award or re-award the item to the next low bid.

2020-2023
SPECIAL BUY AGREEMENT

THIS AGREEMENT is entered into by and between the ESUCC and Netsweeper Inc.. ("Contractor"). Educational Service Unit Coordinating Council (ESUCC) was created in statute to coordinate the activities of Nebraska's 17 Educational Service Units. The Educational Service Unit Coordinating Council was created by LB 603 in 2007 and officially came into existence on July 1, 2008. Cooperative Purchasing is a Project of ESUCC that has been in existence since 1968 with the purpose of providing the Educational Service Unit (ESU) member school districts ("Members") of Nebraska an opportunity to secure the maximum procurement value through cooperative synergies. The Educational Service Unit Coordinating Council (ESUCC) Advisory group serves as the steering committee for new and future cooperative buys statewide under its direction. A chief executive officer coordinates the statewide purchasing agreement between educational service units and their school districts and other serviceable entities. The Director of Cooperative Purchasing manages the program with the guidance of the ESUCC, Advisory Board, and the Fiscal Agent. ESUCC serves 17 ESUs that provide a statewide network of educational opportunities to approximately 245 school districts and more than 300,000 students.

In consideration of mutual covenants, the parties agree as follows:

1. **Scope of the Contract.** The Contractor shall provide Members the opportunity to purchase the goods and/or services as defined in **Exhibit A,** which is attached hereto and incorporated herein by this reference, at the prices set forth in this Agreement and its Exhibits.

2. **Payment Terms/Payment Schedule.** Members shall pay for services rendered and/or for accepted goods on the terms and payment schedule as set forth in **Exhibit B** which is attached hereto and incorporated herein by this reference. Prices listed in Exhibit B shall remain in effect during the term of this Agreement unless agreed otherwise by the parties in writing.

3. **Administrative Fee.** Contractor shall submit to ESUCC as an administrative fee a sum equal to two percent (2%) of the total gross dollar volume, less freight of all goods and services and excluding annual support and maintenance purchased by the ESUCC, ESUs, and Members. This fee will be submitted to ESUCC on a quarterly basis beginning three months from the Effective Date of this Agreement for all transactions completed and paid during said quarter.

4. Term. This Agreement is effective on June 30, 2020 ("Effective Date") and shall continue until 12:00 midnight (CST) on June 30, 2023, unless terminated earlier as provided by this Agreement or by law.

5. Governing Law; Designation of Forum. This Agreement is governed by and construed in accordance with the laws of the State of Nebraska. 7. Termination.

A. ESUCC may terminate this Agreement in whole or part if funding from federal, state, or other sources for ESUCC or its Members is not obtained and continued at levels sufficient to allow for purchase of the good and/or services in the indicated quantities or term. ESUCC shall notify the Contractor as soon as practicable if funds to meet ESUCC's or Members' obligations become unavailable. The determination of ESUCC as to the insufficiency of funds is conclusive.

B. Each party may terminate this Agreement if the other party breaches or is in default of any material obligation hereunder which default is incapable of cure, or which, being capable of cure, has not been cured within 30 days after receipt of written notice of such default or such additional cure period as the non-defaulting party may authorize in writing.

C. Each party may terminate this Agreement by written notice if federal or state laws or rules are modified or interpreted in a way that the services are no longer allowable or appropriate for purchase under this contract or are no longer eligible for the funding proposed for payments authorized by this contract.

D. ESUCC may terminate this Agreement, in whole or in part, by written notice to the Contractor and may regard the Contractor in default of this Agreement if the Contractor becomes:

The Contractor and all subcontractors, if any, shall not manufacture, sell, distribute, dispense, possess or use controlled substances or marijuana, as defined by Nebraska law, during the performance of this Agreement while on ESUCC, ESU, or Member premises or at ESUCC, ESU, or Member related functions. The Contractor and all subcontractors, if any, shall not possess any weapon, as defined by Nebraska law and the federal "Drug-Free Schools Act," on ESUCC, ESU, or Member property or at ESUCC, ESU, or Member related functions. The Contractor and all subcontractors, if any, also shall adhere to all ESUCC, ESU, and Member policies and regulations that prohibit the possession, distribution, sale, dispensation, or use of any alcohol or tobacco products while on ESUCC, ESU, or Member premises or at ESUCC, ESU, or Member related functions. Failure to comply with this provision may be considered a material breach. ESUCC may suspend or terminate the Contractor, subcontractor, or both if it violates these laws, regulations, or policies or this provision.

13. Nondiscrimination. The Contractor and all subcontractors, if any, shall not discriminate against any employee or applicant who is to be employed for performance of this Agreement with respect to his or her hire, tenure, terms, conditions, or privileges of employment, because of his race, color, religion, sex, disability, or national origin.

SOLUTION BRIEF

Netsweeper for Education

Student Protection for K-12 Schools

Student Protection

Today's internet is always changing, and students are more vulnerable online than ever before.

As technologies change quickly, it also means that protecting students online requires a unique skill set and determination to constantly innovate.

Netsweeper has been protecting students online for over 20 years. Our filtering platform is designed to meet the requirements of any educational setting, and is the most complete, flexible, and supported in the industry.

Complete Policy Management

Netsweeper's easy-to-use WebAdmin interface centralizes policy management and administration. Policy changes are easily configured and seamlessly applied to all policy servers in the cluster whether you are a single school, a large school district, authority, council, or using a service providers filtering service.

Define and manage filtering policies for users, workstations, and groups. User-based rights allow you to personalize access based on IP address, user, group, time of day, and day of week. Time and day-based rights enable you to grant web access on specific days or hours, increasing productivity and reducing bandwidth to ensure user activity won't be negatively impacted by time-consuming distractions.

Customize your filtering by creating your own lists of URLs you want to block or allow. Define these for the entire filtering cluster or be specific to a group of users. Block specific keywords both in URLs and search engines. Control specific file types, applications, and specific actions on social media platforms.

Use delegated administration to push filtering policy management outside your core operations centre. This reduces overhead and allows you to tailor filtering to your specific needs.

Student Safeguarding and the Prevent Duty

Keeping Children Safe in Education is a U.K. statutory guidance. It contains legal duties that schools must follow. Radicalization prevention and student safeguarding sets a high standard for online protection.

In the U.K., Keeping Children Safe in Education is a statutory guidance that promotes the welfare of those under the age of 18 attending schools and colleges. Schools are obligated to follow guidelines to protect students.

Other guidance regarding the prevention of radicalization (the Prevent Duty) and student safeguarding, has set a high standard for the protection of students online.

Netsweeper's filtering platform meets the requirements defined in the U.K. and any educational institution across the globe can use our proven student protection solutions.

- Per-user filtering, logging, and reporting
- Create alerts to highlight dangerous incidents
- Industry-leading categorization with accuracy
- Real-time analysis of actual page content
- Protection across all devices, on or off network
- Proven performance for large networks

SSL Decryption

Encrypting website traffic using HTTPS is essential for protecting privacy online. In the past, encryption protected banking websites and online mail. Social media sites, news sites, and other common websites are now often encrypted.

Encryption presents challenges for network traffic visibility. We recognize the importance of maintaining control of your network traffic. That's why we developed selective SSL decryption. With selective SSL decryption, you can identify specific websites for decryption. You can avoid decrypting users' emails while decrypting social media sites. This balances the need for visibility with maintaining user privacy.

Decrypted website traffic enables detailed logging, reporting, and policy enforcement. It also provides URL keyword filtering, search keyword filtering, and safe search enforcement. Manage specific website actions on supported social media sites and web applications. For example, you can block a user's ability to post on Twitter or access specific pages. This is all done with performance in mind. Decrypting SSL traffic doesn't have to mean a massive investment in more equipment.

Off-Network Device Filtering

School-issued laptops and tablets have raised concerns around security and acceptable internet use. Schools provide students with devices to take home for self-guided learning and homework. Those devices must still protect against online threats. Most mobile devices can have Netsweeper's filtering "clients" installed.

You can manage, log, and report off-network internet use the same as on-network use. Netsweeper's industry-leading web filtering protects school devices taken off-network. This is all done from the same management console. Traffic on mobile devices is not proxied to a central server to perform filtering. This ensures that private data is safe.

Supported operating systems include Windows, Mac OSX, Android, iOS, and Chrome.

WINDOWS, MAC OSX, GOOGLE CHROME & CHROMEBOOKS, IOS, ANDROID

Per-User Authentication and Filtering

Implementing filtering requires the ability to identify users on your network. Our solution provides granular policy management and detailed information on network use. Save time, money, and reduce complexity by using your existing infrastructure. Integrate with popular directory service systems to provide per-user filtering. You'll also receive administrative authentication and management.

Microsoft Active Directory Novell

MICROSOFT ACTIVE DIRECTORY/AZURE, NOVELL EDIRECTORY, APPLE OPEN DIRECTORY, GOOGLE DIRECTORY

Logging and Reporting

Managing a filtering platform means making decisions about filtering policies and incidents. This requires meaningful information about user habits on your network. Netsweeper delivers this information via a powerful reporting framework that enables granular analytics. Netsweeper's logging and reporting framework can scale to the largest networks. The reporting engine can transform that raw information into insights. Out-of-the box reports are available from initial deployment. You can configure almost any type of report to perform the network analytics you need. You can create reports on-demand or schedule them. View the reports in the WebAdmin interface or have them delivered to users.

CIPA

CIPA (Children's Internet Protection Act) was enacted by the United States Congress in 2000 over concerns about inappropriate content children have access to online.

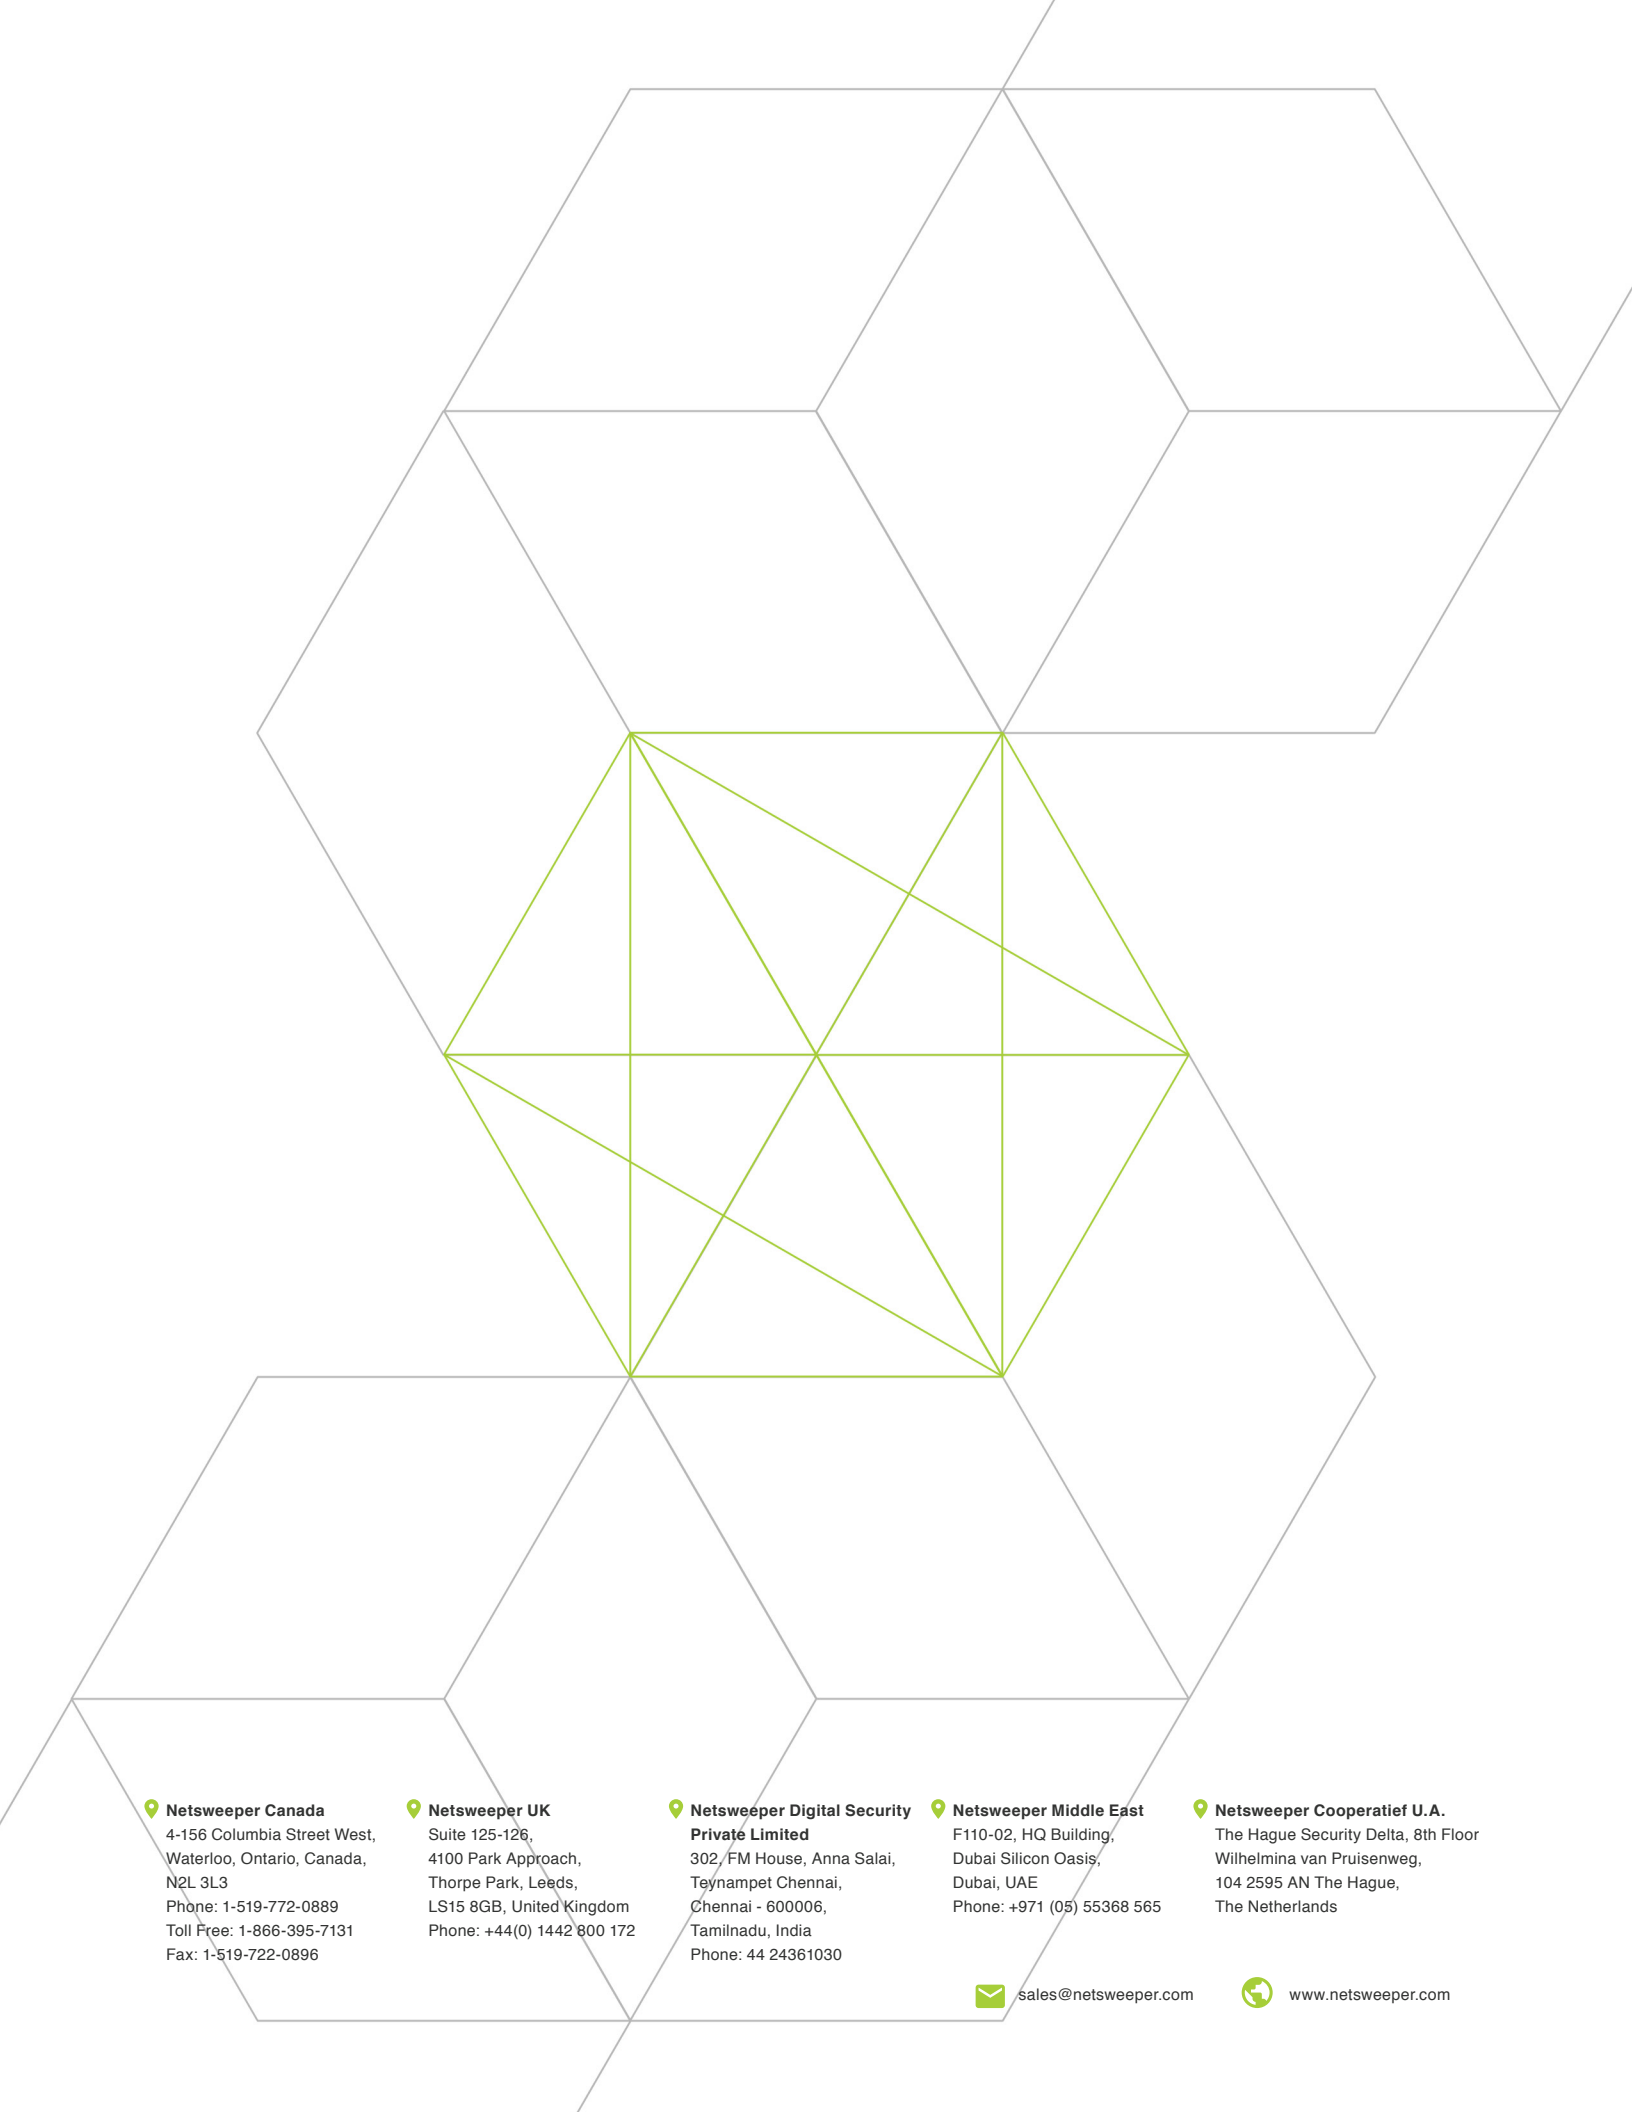

Complying with CIPA qualifies schools for the E-rate program. This program helps make communications products and services more affordable.

Netsweeper's Education Solutions meet the requirements of CIPA with the following features:

- Block adult content such as hacking, criminal skills, and illegal activities
- Enforce SafeSearch across popular search engines
- Monitor internet activity
- Create user-based reports
- Create deny and allow lists of URLs
- File type blocking such as zip files and exe files
- Create eSafety awareness campaigns using content-specific block pages
- Protect against web threats like malware and viruses
- Control instant messaging, webmail, and social network applications
- Block applications

Netsweeper Cloud Solution

Take advantage of Netsweeper's leading web filtering technology without the need for on-premise hardware by using our cloud-based solutions. Our cloud-based web filtering platform is easy to setup and provides unparalleled visibility and control allowing you to create and manage policies, create and review reports, all with per-user granularity. Once the cloud service is active, you can control many locations from one portal, meaning you don't need to worry about installing any onsite software or hardware.

iii. additional services provided by Netsweeper to the Client, as requested by Client; or
iv. charges incurred by the Client for any additional or other use of the Software or System not otherwise *addressed in this* Agreement.

9. **Publicity and Co-Marketing.** Upon deployment of the Solution for the Client (commonly referred to as "go-live"), Netsweeper shall be authorized to publically claim the Client as a customer, by name and through use of the Client's Logo, trademark(s) and/or tradename(s) as appropriate in presentations and on Netsweeper's web site(s). Within ninety (90) days of the execution of this Agreement, or as otherwise agreed

upon in writing by the parties, the Client and Netsweeper shall collaborate to produce a Netsweeper Case Study which describes the Solution as deployed, the contents of which Netsweeper and/or the Client may re-use in a Press Release. The contents of the Case Study and Press Release(s) shall be subject to prior review and written approval of both Parties, such approval not to be unreasonably withheld or delayed. Nothing in this Agreement shall be construed to prohibit the Client or Netsweeper from accurately attributing Netsweeper with design and manufacture of the platform of the System. Except for such routine attribution by Netsweeper or the Client, all other promotional activity of either Party in which the name or mark of the other Party is included shall be subject to prior review and written approval of such other Party, such approval not to be unreasonably withheld or delayed. Except as set forth in this Section 9, neither Party shall issue any press release regarding this Agreement without the prior written consent of the other Party.

10. **Reports.** The Client shall keep clear and accurate records sufficient to prepare, as appropriate, any needed Fee reports required by this Agreement, described in attached Schedules and Exhibits. The Client and Netsweeper shall collaborate to create and document procedures to ensure that the Client can determine the appropriate Fee payable hereunder. If Fees are variable on a monthly basis, within five (5) days after the end of each month, the Client shall provide a Fee report showing (i) the data regarding the sublicense and/or sale of the Software during such month, (ii) any adjustments due as a result of errors in previous monthly reports, and (iii) the amount of the Fees due for each sublicense and/or sale of the Software during such month.

11. **Audit.** Netsweeper shall have the right, from time to time at its own expense, to conduct during normal business hours an audit of the appropriate records and systems of the Client to substantiate the accuracy of the Client reporting and the use of the System provided by Netsweeper in this regard. Prompt adjustment shall be made by the Client or Netsweeper to compensate for any errors or omissions that are in favour of the other Party as disclosed by such audit. Netsweeper shall be granted temporary access to the Client's computer systems, including Netsweeper Policy Server(s) (NSP) and records for the purposes of performing such audits. Audits will be limited to one per month provided that each audit performed shows no more than five percent (5%) variance between actual and reported results. In the event that the audit reveals unauthorized use of the System and/or Solution, then Netsweeper shall, at its sole discretion, be entitled to render an account for such usage and/or terminate this Agreement without further cause, liability on behalf of Netsweeper or notice to the Client.

12. **NETSWEEPER'S LIMITED WARRANTY**. NETSWEEPER WARRANTS TO THE CLIENT THAT DURING THE TERM, THE NETSWEEPER SYSTEM WILL CONFORM TO ITS DOCUMENTATION AND SPECIFICATIONS WHEN USED IN CONFORMANCE WITH SUCH DOCUMENTATION. IF THE CLIENT SHOULD DISCOVER A WARRANTY CLAIM HEREUNDER, THE CLIENT'S SOLE RECOURSE AND THE MAXIMUM EXTENT OF NETSWEEPER'S LIABILITY WILL BE FOR NETSWEEPER TO CORRECT THE PROBLEM OR REFUND IF APPLICABLE, THE APPLICABLE LICENCE AND/OR SUPPORT FEES WITHIN ONE HUNDRED AND TWENTY (120) DAYS OF RECEIVING WRITTEN NOTICE OF THE WARRANTY CLAIM FROM CLIENT. EXCEPT AS DESCRIBED ABOVE, THE NETSWEEPER SYSTEM IS PROVIDED "AS IS" WITHOUT WARRANTY OR REPRESENTATIONS, EXPRESS OR IMPLIED, AS TO PERFORMANCE, MERCHANTABILITY, OR FITNESS FOR ANY PARTICULAR PURPOSE. THE CLIENT ASSUMES ALL RISK AS TO THE RESULTS AND PERFORMANCE OF THE SYSTEM.

13. **LIMITED LIABILITY**. TO THE MAXIMUM EXTENT PERMITTED BY LAW, IN NO EVENT WILL NETSWEEPER OR ITS OFFICERS, DIRECTORS, EMPLOYEES, CONTRACTORS, AGENTS, OR ANYONE ELSE INVOLVED IN THE CREATION, PRODUCTION, DELIVERY OR LICENSING OF THE SYSTEM BE LIABLE TO CLIENT OR ANY THIRD PARTY FOR ANY INCIDENTAL, INDIRECT, SPECIAL, OR CONSEQUENTIAL DAMAGES OR, FOR EXEMPLARY, PUNITIVE, OR AGGRAVATED DAMAGES WHATSOEVER (INCLUDING, LOSS OF PROFITS OR REVENUE, BUSINESS INTERRUPTION, LOSS OF BUSINESS INFORMATION, OR OTHER PECUNIARY LOSS) ARISING OUT OF THE USE OF OR INABILITY TO USE THE SYSTEM, HOWEVER CAUSED, AND WHETHER OR NOT THE POSSIBILITY OR CAUSE OF SUCH DAMAGES WAS KNOWN TO NETSWEEPER BEFORE HAND.

14. **Client Indemnification.** The Client shall protect, defend, indemnify and hold harmless Netsweeper officers, directors, employees, affiliates, agents and their respective employees from any and all losses, claims, actions, proceedings, expenses, damages or liabilities, including, without limitation, reasonable legal fees and court costs, arising in connection with or incurred by Netsweeper and/or the Client with respect to the possession, licence and the use or return of the System, Hardware and any other equipment.

15. **Payment.** As consideration for Netsweeper's execution and delivery of this Agreement for the use of System, the Client will pay Fees in accordance with applicable Exhibits and Schedules attached hereto and as otherwise billed by Netsweeper. The Fees are payable by the payment methods and schedule(s) as specified in the Exhibits and Schedules. All Fees may be subject to applicable taxes which shall be paid by the Client (which shall include, without limitation, sales, use, service, excise, and personal property taxes, whether collected by withholding or otherwise assessed, and any penalty and interest payments related thereto). In the event Netsweeper is charged such taxes directly, Netsweeper may add the required tax amount (to comply with tax laws) to the Fees owed by the Client hereunder. Any additional Services (such as on-site help services or additional monthly user License Fees) rendered by Netsweeper and purchased by Client will be payable in accordance with the appropriate Exhibits or Schedules. Non-payment of invoice due constitutes adequate breach for the serial key to be disabled and/or deactivated by Netsweeper. Once payment has been received, the serial key will be reactivated after a system check has been conducted. Serial reactivation fee is a minimum of $2,500 USD per day of non-operating serial and the system check fee is $2,500 USD per day plus additional Netsweeper expenses. These additional fees and charges are without prejudice to Netsweeper's right to claim full compensation of damages if such damages are higher than the fees that are required to be paid by the Client and Netsweeper may simultaneously with payment of the aforementioned fees, demand compliance/performance with the terms and conditions of this Agreement and this Section.

16. **Confidentiality and Privacy.** Each Party agrees that it will not disclose to any third party any information concerning the customers, trade secrets, methods, processes or procedures, terms of this agreement or any other confidential, financial or business information of the other party, which it learns during the course of its performance of this Agreement, without the prior written consent of the other party. This obligation will survive the cancellation or other termination of this Agreement. Netsweeper keeps all log files and information regarding the Client in trust. All information gathered in the course of service is the property of the Client and will only be used for client related purposes or for Netsweeper to improve its services. Each Party shall treat all Confidential Information received from the other in confidence and shall not use such Confidential Information, or disclose it to any third party, except as required by law (including

applicable stock exchange rules and regulations) or insofar as strictly necessary for the performance of its obligations hereunder. This undertaking shall not apply to information lawfully received from a source other than the other Party.

Any Confidential Information supplied by one party to the other shall be governed by the following terms and conditions:

i. each party agrees to protect such Confidential Information with the same degree of care which it uses to protect its own like data and information;
ii. each party agrees that it shall not disclose to third parties in any manner or form, or otherwise publish such Confidential Information so long as it remains confidential without the explicit authorization of the other party; and
iii. each party agrees that it shall use such Confidential Information solely in connection with the performance of its obligations under this Agreement unless otherwise explicitly authorized by or on behalf of the other party.

Each party is responsible for ensuring that its employees and all other persons having access to the Confidential Information sign obligations of confidentiality equivalent to those contained in this clause. In the event that a party becomes aware of any breach of confidence by an employee or other person, it shall immediately notify the other party and give that party reasonable assistance in connection with any proceedings, which that party may institute against such person.

The obligations of Confidentiality herein will survive the cancellation or other termination of this Agreement.

17. **Assignment.** The rights in this Agreement are personal to Client and shall not be transferred or assigned to a third party, including to any competitor of Netsweeper whether directly or indirectly or otherwise, without the prior written consent of Netsweeper, which shall not be unreasonably withheld or delayed.

Notwithstanding this clause, Client may assign the rights of this Agreement to an associate or affiliate entity as part of a corporate restructuring.

Any transfer or assignment in violation of this paragraph shall be void and will have no force or effect.

2020-2023
SPECIAL BUY AGREEMENT

THIS AGREEMENT is entered into by and between the Nebraska ESUCC Cooperative Purchasing ("Cooperative"), and PAPER101 ("Contractor"). The Cooperative is an organization founded in 1968 with the purpose of providing the Educational Service Unit (ESU) member school districts ("Members") of Nebraska an opportunity to secure the maximum procurement value through cooperative synergies. The Educational Service Unit Coordinating Council (ESUCC) Advisory group serves as the steering committee for new and future cooperative buys statewide under its direction. A chief executive officer coordinates the statewide purchasing agreement between service units and their school districts and other serviceable entities. The Director manages the program with the guidance of the ESUCC, Advisory Board, and the Fiscal Agent. Nebraska ESUCC Cooperative Purchasing serves 17 ESUs that provide a statewide network of educational opportunities to approximately 249 school districts and more than 300,000 students.

In consideration of mutual covenants, the parties agree as follows:

1. **Scope of the Contract.** The Contractor shall provide Members the opportunity to purchase the goods and/or services as defined in **Exhibit A,** which is attached hereto and incorporated herein by this reference, at the prices set forth in this Agreement and its Exhibits.

2. **Payment Terms/Payment Schedule.** Members shall pay for services rendered and/or for accepted goods on the terms and payment schedule as set forth in **Exhibit B** which is attached hereto and incorporated herein by this reference. Prices listed in Exhibit B shall remain in effect during the term of this Agreement unless agreed otherwise by the parties in writing.

3. **Administrative Fee.** Contractor shall submit to the Cooperative as an administrative fee a sum equal to two percent (2%) of the total gross dollar volume, less freight of all goods and services and excluding annual support and maintenance purchased by the Cooperative, ESUs, and Members. This fee will be submitted to the Cooperative on a quarterly basis beginning three months from the Effective Date of this Agreement for all transactions completed and paid during said quarter.

4. **Term.** This Agreement is effective on May 18, 2020 ("Effective Date") and shall continue until 12:00 midnight (CST) on April 30, 2023, unless terminated earlier as provided by this Agreement or by law.

5. **Governing Law; Designation of Forum.** This Agreement is governed by and construed in accordance with the laws of the State of Nebraska. Any action to enforce this Agreement must be brought in the state or federal courts of the State of Nebraska. Mandatory and exclusive venue for any disputes shall be in Sarpy County, Nebraska.

6. Termination.

A. The Cooperative may terminate this Agreement in whole or part if funding from federal, state, or other sources for the Cooperative or its Members is not obtained and continued at levels sufficient to allow for purchase of the good and/or services in the indicated quantities or term. The Cooperative shall notify the Contractor as soon as practicable if funds to meet the Cooperative's or Members' obligations become unavailable. The determination of the Cooperative as to the insufficiency of funds is conclusive.

B. Each party may terminate this Agreement if the other party breaches or is in default of any material obligation hereunder which default is incapable of cure, or which, being capable of cure, has not been cured within 30 days after receipt of written notice of such default or such additional cure period as the nondefaulting party may authorize in writing.

C. Each party may terminate this Agreement by written notice if federal or state laws or rules are modified or interpreted in a way that the services are no longer allowable or appropriate for purchase under this contract or are no longer eligible for the funding proposed for payments authorized by this contract.

D. The Cooperative may terminate this Agreement, in whole or in part, by written notice to the Contractor and may regard the Contractor in default of this Agreement if the Contractor becomes:

(1) Insolvent;
(2) Makes a general assignment for the benefit of creditors;
(3) Files a voluntary petition of bankruptcy;
(4) Suffers or permits the appointment of a receiver for its business or assets;
(5) Becomes subject to any proceeding under any bankruptcy or insolvency law, whether domestic or foreign; or
(6) Has wound up or liquidated, voluntarily or otherwise.

E. The Cooperative may terminate this Agreement, in whole or in part, immediately, without notice, if the Contractor is debarred or suspended from performing services on any public contracts.

F. The parties may terminate this Agreement without cause by mutual written consent or by either party with a minimum of 90 days written notice.

G. Upon the termination for any reason or expiration of this Agreement, the Contractor promptly must return to the Cooperative all papers, materials and other property of the Cooperative then in its possession, including but not limited to all work in progress as is appropriate in its then existing form to the Cooperative.

7. Indemnification.

A. The Contractor hereby waives and agrees to indemnify and save harmless the Cooperative and the ESUs and their officials, agents, employees, and volunteers (hereinafter collectively referred to as "Indemnities"), against any and all claims of

injuries, death, damage to property, liabilities, judgments, costs and expenses which may otherwise accrue against Indemnities in consequence of the granting of this Agreement or which may otherwise result therefrom.

B. The Contractor shall, at his or her own expense, appear, defend and pay all charges of attorneys and all costs and other expenses arising therefrom or incurred in connection therewith.

C. If any judgment shall be rendered against the Cooperative or the ESUs in any such action, the Contractor shall, at his or her own expense, satisfy and discharge the same.

D. Any performance bond or insurance protection required by this contract, or otherwise provided by the Contractor, shall in no way limit the responsibility to indemnify and save harmless and defend the Indemnities as herein provided.

E. The Contractor's obligation to indemnify and save harmless any Indemnities will survive the expiration or termination of this Agreement by either party for any reason.

8. Insurance. Contractor shall secure and keep in force during the term of this Agreement the following insurance coverages from insurance companies or government self-insurance pools authorized to do business in Nebraska:

A. Commercial general liability, including premises or operations, contractual, and products or completed operations coverages (if applicable), with minimum liability limits of $1,000,000 per person and $5,000,000 per occurrence; and
B. If applicable, workers compensation coverage meeting all statutory requirements.

The Contractor shall furnish a certificate of insurance to the undersigned Cooperative representative prior to commencement of this Agreement. Failure to provide insurance as required in this agreement is a material breach of contract entitling the Cooperative to terminate this Agreement immediately.

9. Public Records. The Contractor acknowledges that the Cooperative must comply with NEB. REV. STAT. § 84-712 through § 84-713 and release public records as defined law upon request, which may include this Agreement and all records created and maintained in relation to this Agreement.

10. Publicity. The Cooperative does not endorse the goods or services of the Contractor. Except for listing the Cooperative as a client during the term of this Agreement, news releases or other publicity concerning this Agreement must not be made by the Contractor without the prior written approval of the Cooperative.

11. Drug/Alcohol/Tobacco/Weapons Free Workplace. The Contractor and all subcontractors, if any, shall not manufacture, sell, distribute, dispense, possess or use controlled substances or marijuana, as defined by Nebraska law, during the performance of this Agreement while on Cooperative, ESU, or Member premises or at Cooperative, ESU, or Member related functions. The Contractor and all subcontractors, if any, shall not possess any weapon, as defined by Nebraska law and the federal "Drug-Free Schools Act," on Cooperative, ESU, or Member property or at Cooperative, ESU, or Member

related functions. The Contractor and all subcontractors, if any, also shall adhere to all Cooperative, ESU, and Member policies and regulations that prohibit the possession, distribution, sale, dispensation, or use of any alcohol or tobacco products while on Cooperative, ESU, or Member premises or at Cooperative, ESU, or Member related functions. Failure to comply with this provision may be considered a material breach. The Cooperative may suspend or terminate the Contractor, subcontractor, or both if it violates these laws, regulations, or policies or this provision.

12. **Nondiscrimination.** The Contractor and all subcontractors, if any, shall not discriminate against any employee or applicant who is to be employed for performance of this Agreement with respect to his or her hire, tenure, terms, conditions, or privileges of employment, because of his race, color, religion, sex, disability, or national origin.

13. **Independent Contractor.** Contractor is an independent contractor under this contract and is not a Cooperative, ESU, or Member employee for any purpose. The Contractor retains sole and absolute discretion in the manner and means of carrying out Contractor's activities and responsibilities under this Agreement, except to the extent specified in this Agreement.

14. **Employment Eligibility Verification.** The Contractor shall use a federal immigration verification system to determine the work eligibility status of employees hired on or after October 1, 2009 and who are physically performing services within the State of Nebraska. If the Contractor employs or contracts with any subcontractor in connection with this Agreement, the Contractor shall include a provision in the contract requiring the subcontractor to use a federal immigration verification system to determine the work eligibility status of new employees physically performing services within the State of Nebraska.

15. **Taxpayer Identification.** Contractor's federal employer identification number is: 42-0942393.

16. **Sales Tax.** The Cooperative, ESUs, and Members are exempt from sales tax and shall not pay any sales tax under this Agreement. The Cooperative, ESUs and/or Members will provide the Contractor with applicable sales tax exemption certificates upon written request.

17. **Notice.** Each party giving any Notice ("Notice") under this Agreement must give written Notice by personal delivery, registered or certified Mail (in each case, return receipt requested and postage prepaid), or nationally recognized overnight courier (with all fees prepaid.) Notice shall be sent to the following addressees at the following addresses:

All prior and contemporaneous negotiations and agreements between the parties on the matters contained in this Agreement are expressly merged into and superseded by this Agreement.

20. Amendments and Modifications. The parties may amend or modify this Agreement only by a signed, written agreement by both parties that identifies itself as an amendment or modification to this Agreement. No other alternations in the terms of this agreement shall be valid or binding.

21. Waivers. The parties may waive any provision in this Agreement only by a writing executed by the party or parties against whom the waiver is sought to be enforced. No failure or delay: (1) In exercising any right or remedy, **or** (2) In requiring the satisfaction of any condition under this Agreement, **and** (3) No act, omission, or course of dealing between the parties operates as a waiver or estoppel of any right, remedy or condition. A waiver made in writing on one occasion is effective only in that instance and only for the purpose stated. A waiver once given is not to be construed as a waiver on any future occasion or against any other Person.

22. Severability. If any provision of this Agreement is determined to be unenforceable, the remaining provisions of this Agreement remain in full force, if the essential terms and conditions of this Agreement for each party remain enforceable.

23. Counterparts. The parties may execute this Agreement in multiple counterparts, each of which constitutes an original, and all of which, collectively, constitute only one agreement. The signatures of all of the parties need not appear on the same counterpart, and delivery of an executed counterpart signature page by facsimile or other electronic means is as effective as executing and delivering this Agreement in the presence of the other parties to this Agreement. This Agreement is effective upon delivery of one executed counterpart from each party to the other parties. In proving this Agreement, a party must produce or account only for the executed counterpart of the party to be charged.

24. Force Majeure. Neither party shall be liable for any loss or damage suffered by the other party, directly or indirectly, as a result of the non performing party's failure to perform, or delay in performing, any of its obligations contained in this contract (except any obligations

to make payments for services rendered or accepted goods received before the failure to perform or the delay in performance), where, in the opinion of the Cooperative, such failure or delay is cause by circumstances beyond the non performing party's control or which make performance commercially impracticable, including but not limited to fire, flood, storm or other natural disaster, explosion, accident, war, riot, civil disorder, government regulations or restrictions of any kind or any acts of any government, alien enemy, judicial action, power failure, acts of God, or other natural circumstances. This Force Majeure provision excludes economic hardship, changes in market conditions, and insufficiency of funds on the part of Contractor.

The Contractor shall not assign or otherwise dispose of this Agreement or any duty, right, or responsibility contemplated in this Agreement to any other person without the previous written consent of the Cooperative.

2020-2023
SPECIAL BUY AGREEMENT

THIS AGREEMENT is entered into by and between the Nebraska ESUCC Cooperative Purchasing ("Cooperative"), and The Brenmar Company, Inc. ("Contractor"). The Cooperative is an organization founded in 1968 with the purpose of providing the Educational Service Unit (ESU) member school districts ("Members") of Nebraska an opportunity to secure the maximum procurement value through cooperative synergies. The Educational Service Unit Coordinating Council (ESUCC) Advisory group serves as the steering committee for new and future cooperative buys statewide under its direction. A chief executive officer coordinates the statewide purchasing agreement between service units and their school districts and other serviceable entities. The Director manages the program with the guidance of the ESUCC, Advisory Board, and the Fiscal Agent. Nebraska ESUCC Cooperative Purchasing serves 17 ESUs that provide a statewide network of educational opportunities to approximately 249 school districts and more than 300,000 students.

In consideration of mutual covenants, the parties agree as follows:

1. **Scope of the Contract.** The Contractor shall provide Members the opportunity to purchase the goods and/or services as defined in **Exhibit A,** which is attached hereto and incorporated herein by this reference, at the prices set forth in this Agreement and its Exhibits.

2. **Payment Terms/Payment Schedule.** Members shall pay for services rendered and/or for accepted goods on the terms and payment schedule as set forth in **Exhibit B** which is attached hereto and incorporated herein by this reference. Prices listed in Exhibit B shall remain in effect during the term of this Agreement unless agreed otherwise by the parties in writing.

3. **Administrative Fee.** Contractor shall submit to the Cooperative as an administrative fee a sum equal to two percent (2%) of the total gross dollar volume, less freight of all goods and services and excluding annual support and maintenance purchased by the Cooperative, ESUs, and Members. This fee will be submitted to the Cooperative on a quarterly basis beginning three months from the Effective Date of this Agreement for all transactions completed and paid during said quarter.

4. **Term.** This Agreement is effective on June 25, 2020 ("Effective Date") and shall continue until 12:00 midnight (CST) on June 30, 2023, unless terminated earlier as provided by this Agreement or by law.

5. **Governing Law; Designation of Forum.** This Agreement is governed by and construed in accordance with the laws of the State of Nebraska. Any action to enforce this Agreement must be brought in the state or federal courts of the State of Nebraska. Mandatory and exclusive venue for any disputes shall be in Sarpy County, Nebraska.

6. Termination.

A. The Cooperative may terminate this Agreement in whole or part if funding from federal, state, or other sources for the Cooperative or its Members is not obtained and continued at levels sufficient to allow for purchase of the good and/or services in the indicated quantities or term. The Cooperative shall notify the Contractor as soon as practicable if funds to meet the Cooperative's or Members' obligations become unavailable. The determination of the Cooperative as to the insufficiency of funds is conclusive.

B. Each party may terminate this Agreement if the other party breaches or is in default of any material obligation hereunder which default is incapable of cure, or which, being capable of cure, has not been cured within 30 days after receipt of written notice of such default or such additional cure period as the nondefaulting party may authorize in writing.

C. Each party may terminate this Agreement by written notice if federal or state laws or rules are modified or interpreted in a way that the services are no longer allowable or appropriate for purchase under this contract or are no longer eligible for the funding proposed for payments authorized by this contract.

D. The Cooperative may terminate this Agreement, in whole or in part, by written notice to the Contractor and may regard the Contractor in default of this Agreement if the Contractor becomes:

(1) Insolvent;
(2) Makes a general assignment for the benefit of creditors;
(3) Files a voluntary petition of bankruptcy;
(4) Suffers or permits the appointment of a receiver for its business or assets;
(5) Becomes subject to any proceeding under any bankruptcy or insolvency law, whether domestic or foreign; or
(6) Has wound up or liquidated, voluntarily or otherwise.

E. The Cooperative may terminate this Agreement, in whole or in part, immediately, without notice, if the Contractor is debarred or suspended from performing services on any public contracts.

F. The parties may terminate this Agreement without cause by mutual written consent or by either party with a minimum of 90 days written notice.

G. Upon the termination for any reason or expiration of this Agreement, the Contractor promptly must return to the Cooperative all papers, materials and other property of the Cooperative then in its possession, including but not limited to all work in progress as is appropriate in its then existing form to the Cooperative.

7. Indemnification.

A. The Contractor hereby waives and agrees to indemnify and save harmless the Cooperative and the ESUs and their officials, agents, employees, and volunteers (hereinafter collectively referred to as "Indemnities"), against any and all claims of

injuries, death, damage to property, liabilities, judgments, costs and expenses which may otherwise accrue against Indemnities in consequence of the granting of this Agreement or which may otherwise result therefrom.

B. The Contractor shall, at his or her own expense, appear, defend and pay all charges of attorneys and all costs and other expenses arising therefrom or incurred in connection therewith.

C. If any judgment shall be rendered against the Cooperative or the ESUs in any such action, the Contractor shall, at his or her own expense, satisfy and discharge the same.

D. Any performance bond or insurance protection required by this contract, or otherwise provided by the Contractor, shall in no way limit the responsibility to indemnify and save harmless and defend the Indemnities as herein provided.

E. The Contractor's obligation to indemnify and save harmless any Indemnities will survive the expiration or termination of this Agreement by either party for any reason.

8. Insurance. Contractor shall secure and keep in force during the term of this Agreement the following insurance coverages from insurance companies or government self-insurance pools authorized to do business in Nebraska:

A. Commercial general liability, including premises or operations, contractual, and products or completed operations coverages (if applicable), with minimum liability limits of $1,000,000 per person and $5,000,000 per occurrence; and
B. If applicable, workers compensation coverage meeting all statutory requirements.

The Contractor shall furnish a certificate of insurance to the undersigned Cooperative representative prior to commencement of this Agreement. Failure to provide insurance as required in this agreement is a material breach of contract entitling the Cooperative to terminate this Agreement immediately.

9. Public Records. The Contractor acknowledges that the Cooperative must comply with NEB. REV. STAT. § 84-712 through § 84-713 and release public records as defined law upon request, which may include this Agreement and all records created and maintained in relation to this Agreement.

10. Publicity. The Cooperative does not endorse the goods or services of the Contractor. Except for listing the Cooperative as a client during the term of this Agreement, news releases or other publicity concerning this Agreement must not be made by the Contractor without the prior written approval of the Cooperative.

11. Drug/Alcohol/Tobacco/Weapons Free Workplace. The Contractor and all subcontractors, if any, shall not manufacture, sell, distribute, dispense, possess or use controlled substances or marijuana, as defined by Nebraska law, during the performance of this Agreement while on Cooperative, ESU, or Member premises or at Cooperative, ESU, or Member related functions. The Contractor and all subcontractors, if any, shall not possess any weapon, as defined by Nebraska law and the federal "Drug-Free Schools Act," on Cooperative, ESU, or Member property or at Cooperative, ESU, or Member

related functions. The Contractor and all subcontractors, if any, also shall adhere to all Cooperative, ESU, and Member policies and regulations that prohibit the possession, distribution, sale, dispensation, or use of any alcohol or tobacco products while on Cooperative, ESU, or Member premises or at Cooperative, ESU, or Member related functions. Failure to comply with this provision may be considered a material breach. The Cooperative may suspend or terminate the Contractor, subcontractor, or both if it violates these laws, regulations, or policies or this provision.

12. **Nondiscrimination.** The Contractor and all subcontractors, if any, shall not discriminate against any employee or applicant who is to be employed for performance of this Agreement with respect to his or her hire, tenure, terms, conditions, or privileges of employment, because of his race, color, religion, sex, disability, or national origin.

13. **Independent Contractor.** Contractor is an independent contractor under this contract and is not a Cooperative, ESU, or Member employee for any purpose. The Contractor retains sole and absolute discretion in the manner and means of carrying out Contractor's activities and responsibilities under this Agreement, except to the extent specified in this Agreement.

14. **Employment Eligibility Verification.** The Contractor shall use a federal immigration verification system to determine the work eligibility status of employees hired on or after October 1, 2009 and who are physically performing services within the State of Nebraska. If the Contractor employs or contracts with any subcontractor in connection with this Agreement, the Contractor shall include a provision in the contract requiring the subcontractor to use a federal immigration verification system to determine the work eligibility status of new employees physically performing services within the State of Nebraska.

15. **Taxpayer Identification.** Contractor's federal employer identification number is: _____47-0720324____.

16. **Sales Tax.** The Cooperative, ESUs, and Members are exempt from sales tax and shall not pay any sales tax under this Agreement. The Cooperative, ESUs and/or Members will provide the Contractor with applicable sales tax exemption certificates upon written request.

17. **Notice.** Each party giving any Notice ("Notice") under this Agreement must give written Notice by personal delivery, registered or certified Mail (in each case, return receipt requested and postage prepaid), or nationally recognized overnight courier (with all fees prepaid.) Notice shall be sent to the following addressees at the following addresses:

18. Warranties and Specifications. Contractor shall be responsible for providing to Members all manufacturer warranties on all goods and services. Contractor shall provide Members with all attachments normally supplied by the manufacturer and/or supplier. Complete product specification sheets or brochures must be provided to Members, ESUs, or the Cooperative upon request.

19. Entire Agreement. The Agreement is the complete and exclusive expression of the parties' agreement on the matters contained in this Agreement. All prior and contemporaneous negotiations and agreements between the parties on the matters contained in this Agreement are expressly merged into and superseded by this Agreement.

20. Amendments and Modifications. The parties may amend or modify this Agreement only by a signed, written agreement by both parties that identifies itself as an amendment or modification to this Agreement. No other alternations in the terms of this agreement shall be valid or binding.

21. Waivers. The parties may waive any provision in this Agreement only by a writing executed by the party or parties against whom the waiver is sought to be enforced. No failure or delay: (1) In exercising any right or remedy, **or** (2) In requiring the satisfaction of any condition under this Agreement, **and** (3) No act, omission, or course of dealing between the parties operates as a waiver or estoppel of any right, remedy or condition. A waiver made in writing on one occasion is effective only in that instance and only for the purpose stated. A waiver once given is not to be construed as a waiver on any future occasion or against any other Person.

22. Severability. If any provision of this Agreement is determined to be unenforceable, the remaining provisions of this Agreement remain in full force, if the essential terms and conditions of this Agreement for each party remain enforceable.

23. Counterparts. The parties may execute this Agreement in multiple counterparts, each of which constitutes an original, and all of which, collectively, constitute only one agreement. The signatures of all of the parties need not appear on the same counterpart, and delivery of an executed counterpart signature page by facsimile or other electronic means is as effective as executing and delivering this Agreement in the presence of the other parties to this Agreement. This Agreement is effective upon delivery of one executed counterpart from each party to the other parties. In proving this Agreement, a party must produce or account only for the executed counterpart of the party to be charged.

24. Force Majeure. Neither party shall be liable for any loss or damage suffered by the other party, directly or indirectly, as a result of the non performing party's failure to perform, or delay in performing, any of its obligations contained in this contract (except any obligations

to make payments for services rendered or accepted goods received before the failure to perform or the delay in performance), where, in the opinion of the Cooperative, such failure or delay is cause by circumstances beyond the non performing party's control or which make performance commercially impracticable, including but not limited to fire, flood, storm or other natural disaster, explosion, accident, war, riot, civil disorder, government regulations or restrictions of any kind or any acts of any government, alien enemy, judicial action, power failure, acts of God, or other natural circumstances. This Force Majeure provision excludes economic hardship, changes in market conditions, and insufficiency of funds on the part of Contractor.

25. Assignment. This Agreement binds the parties and their respective successors and assignees. The Contractor shall not assign or otherwise dispose of this Agreement or any duty, right, or responsibility contemplated in this Agreement to any other person without the previous written consent of the Cooperative.

26. Subcontractors. The Contractor shall not subcontract services or any part of this Agreement without the prior written consent of the Cooperative.

27. Captions. The descriptive headings of the Articles, Sections and subsections of this Agreement are for convenience only, do not constitute a part of this Agreement, and do not affect this Agreement's construction or interpretation.

28. Rights and Remedies Cumulative. Any enumeration of the Cooperative's rights and remedies set forth in this Agreement is not exhaustive. The Cooperative's exercise of any right or remedy under this Agreement does not preclude the exercise of any other right or remedy. 29. Relationship Among Parties. This Agreement creates no relationship of joint venture, partnership, limited partnership, agency, or employer- employee between the parties, and the parties acknowledge that no other facts or relations exist that would create any such relationship between them. Neither party has any right or authority to assume or to create any obligation or responsibility on behalf of the other party except as my from time to time be provided by written instrument signed by both parties.

30. Rules of Construction. The parties hereto have each been represented by counsel, or had the opportunity to be represented, during the negotiation and execution of this Agreement, and therefore waive application of any law or rule of construction providing that ambiguities in the contract will be construed against the party drafting such contract.

2. **Payment Terms/Payment Schedule.** Members shall pay for services rendered and/or for accepted goods on the terms and payment schedule as set forth in **Exhibit B** which is attached hereto and incorporated herein by this reference. 3. **Administrative Fee.** Contractor shall submit to the Cooperative as an administrative fee a sum equal to two percent (2%) of the total gross dollar volume, less freight of all goods and services and excluding annual support and maintenance purchased by the Cooperative, ESUs, and Members. This fee will be submitted to the Cooperative on a quarterly basis beginning three months from the Effective Date of this Agreement for all transactions completed and paid during said quarter.

4. **Term.** This Agreement is effective on July 23, 2020 ("Effective Date") and shall continue until 12:00 midnight (CST) on June 30, 2023, unless terminated earlier as provided by this Agreement or by law.

6. Termination.

A. The Cooperative may terminate this Agreement in whole or part if funding from federal, state, or other sources for the Cooperative or its Members is not obtained and continued at levels sufficient to allow for purchase of the good and/or services in the indicated quantities or term. The Cooperative shall notify the Contractor as soon as practicable if funds to meet the Cooperative's or Members' obligations become unavailable. The determination of the Cooperative as to the insufficiency of funds is conclusive.

B. Each party may terminate this Agreement if the other party breaches or is in default of any material obligation hereunder which default is incapable of cure, or which, being capable of cure, has not been cured within 30 days after receipt of written notice of such default or such additional cure period as the nondefaulting party may authorize in writing.

C. Each party may terminate this Agreement by written notice if federal or state laws or rules are modified or interpreted in a way that the services are no longer allowable or appropriate for purchase under this contract or are no longer eligible for the funding proposed for payments authorized by this contract.

D. The Cooperative may terminate this Agreement, in whole or in part, by written notice to the Contractor and may regard the Contractor in default of this Agreement if the Contractor becomes:

(1) Insolvent;
(2) Makes a general assignment for the benefit of creditors;
(3) Files a voluntary petition of bankruptcy;
(4) Suffers or permits the appointment of a receiver for its business or assets;
(5) Becomes subject to any proceeding under any bankruptcy or insolvency law, whether domestic or foreign; or
(6) Has wound up or liquidated, voluntarily or otherwise.

E. The Cooperative may terminate this Agreement, in whole or in part, immediately, without notice, if the Contractor is debarred or suspended from performing services on any public contracts.

F. The parties may terminate this Agreement without cause by mutual written consent or by either party with a minimum of 90 days written notice.

G. Upon the termination for any reason or expiration of this Agreement, the Contractor promptly must return to the Cooperative all papers, materials and other property of the Cooperative then in its possession, including but not limited to all work in progress as is appropriate in its then existing form to the Cooperative.

7. Indemnification.

A. The Contractor hereby waives and agrees to indemnify and save harmless the Cooperative and the ESUs and their officials, agents, employees, and volunteers (hereinafter collectively referred to as "Indemnities"), against any and all claims of

DocuSign Envelope ID: D630607F-D6FB-42FC-B634-D7CC0C7A308C

injuries, death, damage to property, liabilities, judgments, costs and expenses which may otherwise accrue against Indemnities in consequence of the granting of this Agreement or which may otherwise result therefrom.

B. The Contractor shall, at his or her own expense, appear, defend and pay all charges of attorneys and all costs and other expenses arising therefrom or incurred in connection therewith.

C. If any judgment shall be rendered against the Cooperative or the ESUs in any such action, the Contractor shall, at his or her own expense, satisfy and discharge the same.

D. Any performance bond or insurance protection required by this contract, or otherwise provided by the Contractor, shall in no way limit the responsibility to indemnify and save harmless and defend the Indemnities as herein provided.

E. The Contractor's obligation to indemnify and save harmless any Indemnities will survive the expiration or termination of this Agreement by either party for any reason.

8. Insurance. Contractor shall secure and keep in force during the term of this Agreement the following insurance coverages from insurance companies or government self-insurance pools authorized to do business in Nebraska:

A. Commercial general liability, including premises or operations, contractual, and products or completed operations coverages (if applicable), with minimum liability limits of $1,000,000 per person and $5,000,000 per occurrence; and

B. If applicable, workers compensation coverage meeting all statutory requirements.

The Contractor shall furnish a certificate of insurance to the undersigned Cooperative representative prior to commencement of this Agreement. 9. Public Records. The Contractor acknowledges that the Cooperative must comply with NEB. REV. STAT. § 84-712 through § 84-713 and release public records as defined law upon request, which may include this Agreement and all records created and maintained in relation to this Agreement.

10. Publicity. The Cooperative does not endorse the goods or services of the Contractor. Except for listing the Cooperative as a client during the term of this Agreement, news releases or other publicity concerning this Agreement must not be made by the Contractor without the prior written approval of the Cooperative.

Failure to comply with this provision may be considered a material breach. The Cooperative may suspend or terminate the Contractor, subcontractor, or both if it violates these laws, regulations, or policies or this provision.

12. Nondiscrimination. The Contractor and all subcontractors, if any, shall not discriminate against any employee or applicant who is to be employed for performance of this Agreement with respect to his or her hire, tenure, terms, conditions, or privileges of employment, because of his race, color, religion, sex, disability, or national origin.

13. Independent Contractor. Contractor is an independent contractor under this contract and is not a Cooperative, ESU, or Member employee for any purpose. The Contractor retains sole and absolute discretion in the manner and means of carrying out Contractor's activities and responsibilities under this Agreement, except to the extent specified in this Agreement.

14. Employment Eligibility Verification. The Contractor shall use a federal immigration verification system to determine the work eligibility status of employees hired on or after October 1, 2009 and who are physically performing services within the State of Nebraska. A waiver made in writing on one occasion is effective only in that instance and only for the purpose stated. A waiver once given is not to be construed as a waiver on any future occasion or against any other Person.

22. Severability. If any provision of this Agreement is determined to be unenforceable, the remaining provisions of this Agreement remain in full force, if the essential terms and conditions of this Agreement for each party remain enforceable.

The signatures of all of the parties need not appear on the same counterpart, and delivery of an executed counterpart signature page by facsimile or other electronic means is as effective as executing and delivering this Agreement in the presence of the other parties to this Agreement. This Agreement is effective upon delivery of one executed counterpart from each party to the other parties. In proving this Agreement, a party must produce or account only for the executed counterpart of the party to be charged.

This Force Majeure provision excludes economic hardship, changes in market conditions, and insufficiency of funds on the part of Contractor.

25. Assignment. This Agreement binds the parties and their respective successors and assignees. The Contractor shall not assign or otherwise dispose of this Agreement or any duty, right, or responsibility contemplated in this Agreement to any other person without the previous written consent of the Cooperative.

26. Subcontractors. The Contractor shall not subcontract services or any part of this Agreement without the prior written consent of the Cooperative.

9.2.2 In the event that not all items within a Package/Lot can be sourced by the respondent, Nebraska ESUCC - Cooperative Purchasing reserves the right to omit items from the calculation in the event that the removal from the package/ lot is in the best interest of the previous year's order quantities and the pricing calculation.

11. Tariffs

11.1 In the event of significant delay or price increase of materials or goods occurring during the performance of the contract due to a tariff that goes into effect after the execution of this contract, the contract price/sum, time of performance, or contract requirements shall be equitably adjusted by written amendment of the contract. A change in price of an item of material or good shall be considered significant when the price of an item increases 5 percent between the date of execution of the contract and the date of catalog opening February 1, 2020. The price amendment shall be effective only as long as the tariff is in effect. The intent of the adjustment is to hold the vendor harmless from the impact of the tariff, but the price adjustment is in no way intended to provide or guarantee the same percentage of profit. The vendor shall provide documentation that is satisfactory to ESUCC to support any claim under this section. In addition, ESUCC shall have the right to request a cost analysis vs. price analysis for each change in tariff adjustment request. In the event that the parties are unable to reach an agreement regarding a contract amendment under this section, either party has the option to terminate the contract, bid award or re-award the item to the next low bid.
