Cross County/High Plains/Osceola/Aquinas Catholic Softball Coop

NSAA requires that a possible coop answer 19 questions that are presented in their coop application.

1. If you already have a program, are students from another school going to replace students from your community?

The starting 9 on the varsity and junior varsity softball teams will likely be a mix of High Plains, Cross County, Aquinas Catholic, and Osceola students based on the collective coaches' decision of who is a varsity player. Girls from all four schools will compete for playing time.

2. Who will pay the cost of equipment and travel?

If new equipment is needed, Cross County will cover the cost. New Uniforms were purchased ahead of the 2021-2022 season and Cross County, High Plains, Aquinas Catholic and Osceola will share the cost of the uniforms. Travel to away events will be organized and determined on a yearly basis. The goal is for the cost of travel to be somewhat shared by the districts.

3. How will gate receipts be dispersed?

All softball games will be played at Cross County field so gate receipts would be dispersed to Cross County.

4. Who is responsible for the cost of travel to and from practice?

Practices will be held at Cross County. Aquinas Catholic, High Plains, and Osceola would provide travel to and from Cross County for practice.

5. Where will practice be held?

Practices will be held at Cross County. Friday practices will take place in Osceola to reduce travel for all schools to travel to football games. Morning practices should be avoided, unless all parties believe it is the best option. (Heat)

6. Where will contests be played?

The games will be held at the softball facility in Cross County.

7. Which school identity will be used? Mascots, colors, etc.

The new co-op will not use any previous identities of any of the 4 schools. The new coop will be called; **Polk County-Aquinas Slammers**. Color is Red, White and Black.

8. Are local eligibility rules, lettering guidelines, etc. the same at both schools?

Eligibility guidelines, downlist, code of conduct, etc. should apply to the athlete based on the school they attend. Lettering guidelines will be consistent based on the head coach lettering guide.

9. Selection of cheerleaders. Who is eligible?

Cheerleaders do not and will not cheer at softball events.

10. Will activity tickets and/or season tickets be honored?

Yes

11. How will coaches be employed and paid?

Cross County currently employs a head coach and a paid assistant coach and will continue to do so. High Plains, Aquinas Catholic, and Osceola would each employ an assistant coach, if possible, to shuttle kids over and to coach during practice and games. Aquinas at the moment is not providing a paid coach but will provide someone to shuttle the players over. In the process of hiring coaches, all schools will have some input/consultation.

12. Insurance.

Each school provides insurance for their own student (if requested). The issue of liability would belong to the school where the practice or the game is being held.

13. If students are combined for girls basketball, for example, the boy teams may be assigned to different districts - possibly even different classes.

This question does not apply to a co-op in softball.

14. Expenses for facilities, lights, heating, showers, towels, laundry, etc. including maintenance of practice and playing facilities.

Cross County would continue to pay for all maintenance of the facility.

15. Expenses for scouting, coaches; meetings, etc. Who is responsible?

Scouting simply doesn't occur with the short softball season. If there is a meeting where the head coach attends, Cross County will provide expenses. If all coaches attend, the schools will work out some arrangement of sharing costs.

16. Contracts with other schools, officials, etc.

Cross County A.D. will set up all contracts with other schools and officials, etc.

17. Responsibilities for hosting and supervising events.

Cross County is hosting the games and would carry the responsibilities of getting the field and event ready. During home games, each school would have a supervisor for each event (if possible) and administration would then work out a schedule where one supervisor from either school would attend any away events (if possible).

18. Resolution of disputes.

The A.D.s from the four schools will collaboratively be a part of resolving disputes. Likewise, the appeal of the A.D.s decisions should be brought to all principals collaboratively, and an appeal of that should be brought to all superintendents collaboratively.

19. Which school will handle eligibility?

Eligibility (as stated in question 8) is handled differently at each school. Students from Cross County will abide by Cross County's eligibility rules, High Plains students must abide by High Plains eligibility rules, Aquinas Catholic student must abide by Aquinas Catholic rules, and Osceola students will abide by Osceola's eligibility rules.
