St. Paul, NE 68873

Dear Mrs. Hagen,

Please accept this letter as my formal resignation from my teaching position at St. Paul Public Schools effective at the end of my current contract.

Every year, more and more expectations are put on a teacher's plate. My personality does not allow me to take these added responsibilities lightly, which means I have worked many tireless, uncompensated hours in this profession. It is time for me to devote my energy to a different path in my life as I don't see this trend changing.

I appreciate the opportunity to be an educator at St. Paul Public Schools and value the many students, colleagues, and staff I have worked with over the years. I will do my best to make a seamless transition for the next educator to step into my position and continue the level of excellence that I strived to provide every student who was in my classroom.

Sincerely,

Shelly Lukasiwicz

Re: Letter of Resignation

Dear St. Paul Board of Education:

Please accept this letter of resignation from the position of Dean of Students/Activities Director at St. Paul Public Schools. Effective date June 1st, 2023.

After giving it much consideration, I have made the decision to resign in order to enjoy my family and friends. While this decision was not easy for me I truly believe it is the proper time. Working here at St. Paul for the past 35 years has been a wonderful experience, and I never dreamed I would still be here after that length of time. It has provided me with so many great memories in the classroom, administration, and activities. All I can say is thank you for everything you have done not only for me but my family as well.

I wish St. Paul Public Schools continued growth and success in the future. It has been a great place to work and even through good times and bad times we always prevailed.

Sincerely,

A handwritten signature in black ink that reads "Rick Peters". The signature is written in a cursive style with a large, looping initial "R".

February 20, 2023

Dear Mrs. Schulte and Mr. Adam Patrick,

Please accept this letter as formal notification that I am resigning from my current position as School Psychologist for St. Paul Public Schools. This resignation will be effective after the end of my current contract period (for the 2022-2023 school year).

Thank you so much for the opportunity to work in this position for the past four years. I have greatly enjoyed and appreciated the opportunities I've had working and growing with students and staff members alike. I truly believe the staff of St. Paul have poured their hearts and souls into providing a comprehensive and enriching education for all students. Countless times I have witnessed teachers, administrators, and para educators going above and beyond to meet the needs of their students even if that meant coming in early or staying late. As the demands of school personnel increase, I believe those within the community and school will rise to the occasion to continue supporting students.

Thank you again for your support during my time at St. Paul Public Schools. In my remaining time, please let me know what I can do to aid in this transition process.

Sincerely,

*Calvin Frey*
