Dear St. Paul Administration:

The purpose of this letter is to inform you I am resigning from my position as 7-12 special education teacher and various coaching positions effective after the conclusion of the 2022/2023 school year. It has been a privilege teaching and coaching for Saint Paul Public schools for the past nine years. I will always be grateful for the students and staff that I have worked with in my time at St. Paul.

I will be pursuing a new job in teaching closer to my family, allowing my children to spend more time with their family which is very important to my wife and I. I want to thank you for the opportunities that my job has provided during my time in St. Paul. I will do everything in my power to help in the transition of my positions at St. Paul Public Schools.

Sincerely,

Christopher Smith

Dear Jen Hagen,

It is with a heavy heart that I submit this letter of resignation. This year will be my last at St. Paul Public Schools.

I recently received an offer from Central Valley Public Schools that will not only allow me to continue with music, but offers me advancement and the ability to share administrative duties. As a servant leader with hopes of beginning my journey towards administration, this is an opportunity that I cannot miss.

I'm incredibly grateful for my time here at St. Paul. The Wildcats have been my family for the past seven years. This family has reminded me of the value of teamwork and reinvigorated my passion for education. I am floored daily by their innovative ways to help reach students and the staff truly deserves a recognition that extends beyond these words.

I am extremely grateful for the time I have served our school and community and I am blessed to have had the opportunity to help as many students as I have. The connections that I created with the families at St. Paul is incredible and I have valued their support and gratitude as we built an amazing music department. Thank you for the opportunity to generate these strong relationships.

I was reminded recently that the goal of teacher leaders is to care and stretch those they serve with opportunities so that individual growth is inevitable. I was allowed to do that at St. Paul. I was able to grow into a confident servant leader whose impact extends beyond her classroom and subject. Please know that the growth afforded to me at St. Paul allowed me the ability to advance my family and myself. I will forever be grateful and think of St. Paul with a fondness.

Please let me know if I can be of assistance during this transition. Thank you for your guidance. I wish everyone the best, and I look forward to keeping in touch.

Sincerely,
Krista Sipes

Mrs. Jen Hagen
1305 Howard Ave.
St. Paul, NE 68873

Dear Mrs. Hagen,

Please accept this letter as my formal resignation from my teaching position at St. Paul Public Schools effective at the end of the 2022-2023 contract year.

The five years that I served this district have been full of learning opportunities and growth for me. I have felt joy over my years of teaching, but I have also felt very drained by this profession. Educators have carried a hefty load for the past few years as expectations skyrocket and classrooms change. As a profession, teaching asks a lot of the professionals within it.

I appreciate the many opportunities this district has provided me with over my teaching years. I truly love my students and feel lucky to have made connections with many of them during my years in the classroom. I am grateful I had the opportunity to work with so many dedicated teachers and school personnel during my time at St. Paul. Please let me know what assistance I can offer as I transition out of my current role in the school system.

Sincerely,

A handwritten signature in cursive script that reads "Regan Scheer".
