Monthly Notes:

- Short-term interest rates have increased from 0.818% in June to 1.180% in July. Total interest for the year is \$122,038 due to economic factors. Our investment advisor believes that the overall trend should be improving in the months ahead as interest rates are increasing.
- The Tort Fund has a deficit balance of (\$1,321,539) due to payment of the District insurance premiums for worker's compensation and general liability insurance coverage. Property tax collections throughout the year will offset this deficit by the end of the fiscal year. The deficit is being covered by a loan from the working cash fund.
- Financials are presented on an unaudited cash basis and do not represent the District final financial statements. Final financials will be available in December 2022.

SUBJECT: Autism Support Program

Background

STAR Autism Support (SAS) provides curriculum materials, workshops, and training to school staff who work with students with autism. STAR helps the team implement research-based applied behavior analysis (ABA) techniques. STAR helps school districts develop the capacity to serve students with autism (PreK-Secondary) by providing sustainable local resources such as district coaches, training sites and curriculum to assist with implementing evidence-based practices. The coaching plan includes five four-day visits from a STAR trainer. Each visit will focus on program setup and environment, exposure to a training model, fidelity checklist review, coaching certification, administrator checklist review, training site implementation and ½ day in each classroom.

Administrative Recommendation

The Administration recommends approval of the purchased services.

Fiscal Impact

The cost of the five four-day sessions from a STAR trainer is \$43,750, which will be paid from IDEA funds.

STAR Autism Support

“Following the STAR curriculum has made a positive difference in every one of my students’ lives. Students who started the year needing full assistance to transition between activities are now able to independently check their schedule and move to the next activity. These are students who fell to the floor, cried, ran away or hid under tables in their previous classrooms. For the first time in my career as a special education teacher all of my students have either met IEP goals or are making adequate progress to meet them.”

– Special Educator

The Curriculum

The STAR Program: Second Edition

The STAR Program (Strategies for Teaching based on Autism Research, Arick, Loos, Falco, Krug, 2004) teaches children with autism the critical skills identified by the 2001 National Research Council and uses many of the evidence-based practices identified in the 2009 National Standards Report and 2014 National Professional Development Report.

The ABA (Applied Behavior Analysis) instructional methods of discrete trial training, pivotal response training and teaching functional routines form the instructional base of this comprehensive program for children with autism.

The STAR Program provides school districts with a consistent curriculum sequence to use in teaching students with autism from pre-school through elementary school.

Instruction

- Uses evidence-based instructional strategies
- Is research validated
- Is ABA-based

What is the STAR Online Learning System?

STAR Online Learning System (SOLS) is designed to allow your school district to provide access to all students through remote learning opportunities. Through evidence-based lesson plans and a scope and sequence that provides scaffolded learning opportunities, your teachers can provide their students individualized learning opportunities from anywhere in the world.

SOLS has three strands that have been leveled to meet the continuum of needs of all students. The strand content can then be individualized to meet each student's IEP goals.

The focus of the instruction uses the evidence-based practices appropriate for students with autism to teach skills in critical areas. Students at **Strand A** will need caregiver assistance to participate. Students at **Strand B** can participate with limited caregiver assistance. Students at **Strand C** can participate on their own with very limited caregiver assistance.

Lesson plans provide teachers with needed information and presentation materials to conduct lessons.

Lessons examples:	Materials include:
• Greeting and fun activity • Responding to language • Communicating with others • Academics • Social skills and play • Functional routines • Activities to do at home	• PowerPoint presentations • Visual supports • Videos • Themed content • Independent work activities • Homework

SOLS provides school districts with a system for their teachers to based practices and research-based curriculum—even when classroom learning is not a possibility. STAR Autism Support consultants can provide training to the school district instructional staff to help them implement the lesson plans and teach their students remotely. SOLS also gives parents the opportunity to learn new skills in order to teach their children at home.

SOLS can be used in many environments:

- Extended school year
- Parent training
- School absence
- School closure

Research

Evidence-Basis and Research Validation for STAR and Links

The STAR Program and the Links Curriculum are grounded in evidence-based practices and have been shown to be effective in public school settings. The instructional content of the STAR Program addresses the developmental and educational content appropriate for preschool/elementary students while the Links Curriculum has appropriate developmental and educational content for secondary and post-secondary students.

- Both curricula have an assessment and progress monitoring system linked to instructional lesson plans. The lesson plans are connected to the Common Core State Standards and IEP goals and objectives.
- Both curricula integrate strategies (e.g., how to teach) with appropriate curricular content (e.g., what to teach). This provides a road map to individualize instructional strategies and curriculum content to meet the needs of all learners.
- These programs address skills students need in social, communication, behavior, joint attention, play, school readiness, academic, motor, adaptive and vocational skills.
- Skills are essential to student success in gaining access to the general education curriculum and making progress toward meeting academic benchmarks and standards.
- The STAR Program and Links Curriculum transfers research into practice by providing teachers with the tools to implement a comprehensive programs that include the teaching strategies shown to be most effective for students with significant learning challenges.

STAR and Links Workshop Descriptions

STAR Program Workshop

This comprehensive two-day workshop provides participants with detailed examples and practice activities on how to implement the evidence-based practices identified in the National Standards Report (2009). The STAR Program (Arick, Loos, Falco and Krug, 2015) is used to provide examples. Appropriate content connected to the common core curriculum is presented and detailed information on the three evidenced-based instructional methods of discrete trial training, pivotal response training and teaching through functional routines are shared. Participants will learn how to implement these strategies through structured lesson plans and a curriculum scope and sequence. The workshop will include extensive data collection systems and participants will learn to collect and use data for instructional decision making. Workshop topics will include the use of a PowerPoint lecture, video examples, presenter demonstration, and participant “hands-on” practice.

STAR Consistency of Implementation Workshop

This one-day workshop provides participants a review of how to implement the evidence-based instructional strategies identified by the National Standards Project (2009) using the curriculum content and lesson plans from the research-based STAR Program. The focus of the workshop is on fidelity of implementation of the evidence-based practices and use of data collection for instructional decision making. The workshop will engage participants in hands-on practice activities to become fluent in the instructional strategies of discrete trial training, pivotal response training and teaching functional routines as described in the STAR Program. Participants will also be provided with detailed handouts to assist them to obtain fidelity of implementation in their school programs. Participants at this workshop should have attended the two or three day STAR comprehensive workshop or be very familiar with the implementation of the strategies included in the STAR Program.

Links Workshop

This two-day workshop provides participants with information on how to implement evidence-based practices for secondary students using the Links Curriculum (Arick, Hoffman and Magee-Arick, 2012). Participants will learn to use a process for assessing and teaching functional routines that has been documented in the research. Extensive information will be given on selecting and individualizing routines and teaching specific skills to support success during routines. Participants will learn how to use the evidence-based strategies of discrete trial training, use of visual supports and the use of modeling strategies to teach critical skills necessary to support success during daily functional and academic routines. Presenters will identify specific skills to teach using a research-based assessment system and will then demonstrate how to teach these skills using the most appropriate instructional strategy. The Links Curriculum includes extensive data collection systems and participants will learn to collect and use data for instructional decision making, tracking student progress and writing IEP Goals. Video examples and video practice activities will be incorporated into the workshop. An online computerized system will be demonstrated with hands-on practice by the participants.

Links Consistency Workshop

This one-day workshop provides participants with a review of how to implement evidence-based practices for secondary students using the Links Curriculum (Arick, Hoffman and Magee-Arick, 2012). Participants will learn to use a process for assessing and teaching functional routines that has been documented in the research. Extensive information will be given on selecting and individualizing routines and teaching specific skills to support success during routines. The Links Curriculum includes extensive data collection systems and participants will learn to collect and use data for instructional decision making, tracking student progress and writing IEP goals. Video examples and video practice activities will be incorporated into the workshop. An online computerized system will be demonstrated with hands-on practice by the participants.

SUBJECT: Prom Venue Agreement for Dundee-Crown High School

Background

Dundee-Crown High School's current contract for a prom venue has expired and the building administration is requesting that the Board approve a two-year contract with the Hyatt Regency O'Hare Chicago. They have reserved April 29, 2023 and April 27, 2024.

Due to the student enrollment size of Dundee-Crown High School, approximately 2,500 students with 1,100 juniors and seniors, along with a substantial increase in hourly wages and inflation driving up food costs, the contract minimum requires a \$27,500 guarantee at \$57 per plate. Dundee-Crown's student activity prom account would cover the cost with ticket sales recovering the deposit amount, and additional plate settings.

Administrative Recommendation

The administration recommends that the Board approve the contract to secure the Hyatt Regency O'Hare venue for the 2023 and 2024 Dundee-Crown High School Proms.

Fiscal Impact

Dundee-Crown's student activity prom account will cover the cost of the venue contract. All prom ticket sales will absorb the cost and reimburse the account.

In the event Hotel cancels this Agreement without cause, Hotel shall pay Group any direct damages suffered as a result of the cancellation, which damages shall not exceed the amount calculated according to the above scale.

The parties' obligations under this Section shall survive termination of this Agreement.

- (i) if a party's performance under this Agreement is subject to acts of God, war, government regulation, terrorism, disaster, strikes, civil disorder, a pandemic, a travel restriction issued by a governmental agency, curtailment of transportation facilities, or any other emergency of a comparable nature beyond the party's control that in each case make it illegal or impossible to perform its obligations under this Agreement. In such event, the terminating party shall give written notice of termination to the other party within five (5) days of such occurrence; or
- (ii) if either party makes a voluntary or involuntary assignment for the benefit of creditors or enters into bankruptcy proceedings prior to the date of the Event. In such event, Hotel shall notify Group in writing of such change, and Group shall have the right to terminate this Agreement without liability upon written notice to Hotel within thirty (30) days of the date of Hotel's notice of change of brand.

If either party's performance under this Agreement becomes illegal or impossible for any of the reasons set out in section (i) above, Group and Hotel shall confer in good faith to discuss modifications to the Event and the Agreement in order to avoid terminating the Agreement, as long Hotel's performance is not itself illegal or impossible. Such discussion should occur within

If the parties agree that a modified version of the Event will take place, the parties will work to negotiate an amendment to this Agreement or a new agreement (as appropriate) setting forth any agreed-upon adjustments to accommodate the modified program, which may include decreasing Group's room or food and beverage revenue commitments, increasing permissible attrition and addressing any concessions or amenities contingent on revenue commitments. If the parties are not able to agree to such adjustments after a commercially reasonable period of time, Group or Hotel may terminate this Agreement as set forth herein.

In the event of termination by either party under this Section, Hotel shall refund all deposits and/or prepayments made by Group within thirty (30) days of receipt of the notice of termination.

FOOD AND BEVERAGE REVENUE COMMITMENT

By entering into this Agreement, Group agrees to provide a minimum of **\$27,500.00** in meeting and event food and beverage revenue (the "Food and Beverage Revenue Commitment"). The Food and Beverage Revenue Commitment excludes services charges, taxes, audio visual, parking or other associated expenses applicable at the time of the Event.

In order for the Hotel to prepare appropriately for food and beverage events, Group agrees to provide menu choices and the estimated guaranteed number of attendees at least fourteen (14) days prior to the first day of the Event. The final attendance must be received no later than 11:00am (3) working days prior to the first day of the Event. SUBJECT: Compensation Compliance Reporting

Background

Sections 10-20.47 and 34-18.38 of the School Code [105 ILCS 5/10-20.47 and 5/34-18.38] require school districts to report administrator and teacher salary and benefits to the Illinois State Board of Education (ISBE): "Each school board shall report to the State Board of Education, on or before October 1 of each year, the base salary and benefits of the district superintendent [or the general superintendent of schools or chief executive officer] and all administrators and teachers employed by the school district. For the purposes of this Section, "benefits" includes without limitation vacation days, sick days, bonuses, annuities, and retirement enhancements.

Prior to this annual reporting to the State Board of Education, the information must be presented at a regular school board meeting, subject to applicable notice requirements, and then posted on the Internet website of the school district, if any."

Public Act 97-0256 subsequently amended the School Code to 1) incorporate October 1 as the new reporting deadline and 2) add requirements for the information to be presented at a regular school board meeting and then posted on the district's website.

Administrative Recommendation

The Administration recommends approval of the reports as presented.

Fiscal Impact

There will be no financial impact to any District 300 employee.

SUBJECT: Visitor Management System Renewal

Background

In 2016, the District implemented a Visitor Management System. The automated system practices were labor-intensive and did not provide an adequate level of security. The current system requires visitors to produce a government-issued ID or driver's license, and the document is scanned into the system. Scanning the driver's license or state-issued ID will automatically record the visitor's name, date, and time of arrival into the building. It will also check that person's name on the state and national sex offenders' registry to determine if that visitor is a sex offender.

The system also can check its database to determine if the visitor has any safety concerns affixed to that person. If there is a custody or protection order on file against the person or if that person has been prohibited from trespassing on any district property. The system will assign a safety alert to that name, and when scanned, the system will alert the staff operator. It will also send a text alert message to any person we establish to notify (Principal, School Resource Officer, Director of Safety), warning those persons that an unwanted person is attempting to visit the school. From the scanned data, if the visitor is approved for entry, the system will produce a Visitor Badge containing the visitor's picture, name, date and time of building arrival, and the school's name.

Raptor Technologies holds the federal contract to provide visitor management systems for government purchasers.

Administrative Recommendation

Contract Renewal: Two-year renewal for visitor management

Dear Ms. Claudia Hosang,

On October 25, 2016, the District 300 Board of Education awarded the contract for the RFP – Visitor Management System – District-Wide. This District has retained Raptor Technologies for these services since then.

District 300 would like to renew our contract for the next two years with Raptor Technologies. This contract would cover 28 locations district-wide. Our current contract, recognized by invoice INV20263 for 27 locations plus the co-termed addition of Big Timber Elementary School under invoice INV40096, is attached.

On July 20, 2022, Raptor Technologies provided District 300 with a quote of \$595.00 per location from December 1, 2022 through November 30, 2023 and a quote of \$625.00 per location from December 1, 2023 through November 30, 2024. This two-year renewal would cost the District \$16,660.00 for the first year and \$17,500.00 for the second year, for a grand total of \$34,160.00 over the life of the contract. The contract is to be invoiced annually.

If your firm agrees to the pricing as shown, the administration will recommend approval of this contract extension to the Board of Education for review by the finance committee on Tuesday, September 13, 2022 and award by the board on Tuesday, September 27, 2022.

District 300 kindly requests your return of acceptance by Monday, August 22, 2022. If you have any questions, please call 847-551-8460.

The bidder agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided setting forth the provisions of this nondiscrimination clause.

12. EVALUATIONS

The District reserves the right to reject any and all bids, to waive any technicalities in the bidding and to award each item to a different bidder or all items to a single bidder unless otherwise noted on bid request, and to determine whether in the opinion of the District: (1) an early delivery date is entitled to more consideration than price, (2) an earlier delivery date is to be disregarded because of the reputation of the bidder for not meeting delivery dates, (3) a bidder is not a responsible bidder and should be disregarded. The District will authorize the release of purchase orders upon acceptance of bids. In the event of pricing errors, the unit count(s) listed will prevail and be considered accurate.

13. EXAMINATION OF DOCUMENTS AND SITE

14. PERFORMANCE: LABOR AND MATERIAL PAYMENT BONDS (IS NOT REQUIRED OF THIS PROJECT)

The bonds shall be signed and sealed by an authorized representative of the bonding company and authorized officer or representative of the contractor, and a certificate of the authority of those signing the bonds, if not officers, shall be attached thereto.

The Performance Bond and the Labor and Material Payment Bond shall guarantee the performance of the duties placed on the contractor by the Prevailing Wage Act, as well as all other duties undertaken pursuant to the contract with the District, and shall indemnify the District from any liability or loss resulting to the District from any failure of the contractor fully to perform each or all of said duties.

The Performance Bond and the Labor and Material Payment Bond herein provided shall be placed with a Surety company or companies having a policy holder's rating not lower than "A" and a financial rating not lower than "AAA" in Best's Insurance Guide (current edition).

15. BID SECURITY (IS NOT REQUIRED OF THIS PROJECT)

A Bid Bond or certified check made payable to the District in the amount of ten percent (10%) of the bid shall accompany each bid as a guarantee that the bidder, if awarded the contract, will furnish the required Performance Bond and Labor and Material Payment bonds, execute the contract and proceed with the work. Upon failure to do so, the bidder shall forfeit the check or the district shall be entitled to the principal amount of bid bonds as liquidated damages. No mistakes or errors on the part of the bidder shall excuse the bidder or entitle bidder to a return of the check or bid bond. No bidder may withdraw a bid for a period of 60 days after the date of opening thereof.

The bid bonds or checks will, with the exception of those of the three lowest bidders, be returned within seven days after the opening of bids and the remaining checks or bid bonds will be returned when the contract is executed and all required bonds have been provided.

Enter your TIN in the appropriate box. The TIN provided must match the name given on Line 1 to avoid backup withholding. For individuals, this is your social security number (SSN). However, for a resident alien, sole proprietor, or disregarded entity, see the Part I instructions on page 3. For other entities, it is your employer identification number (EIN). If you do not have a number, see *How to get a TIN* on page 3.

Part II Certification

Under penalties of perjury, I certify that:

1. The number shown on this form is my correct taxpayer identification number (or I am waiting for a number to be issued to me), and
2. I am not subject to backup withholding because: (a) I am exempt from backup withholding, or (b) I have not been notified by the Internal Revenue Service (IRS) that I am subject to backup withholding as a result of a failure to report all interest or dividends, or (c) the IRS has notified me that I am no longer subject to backup withholding, and
3. I am a U.S. citizen or other U.S. person (defined below).

Certification instructions. You must cross out item 2 above if you have been notified by the IRS that you are currently subject to backup withholding because you have failed to report all interest and dividends on your tax return. For real estate transactions, item 2 does not apply. For mortgage interest paid, acquisition or abandonment of secured property, cancellation of debt, contributions to an individual retirement arrangement (IRA), and generally, payments other than interest and dividends, you are not required to sign the Certification, but you must provide your correct TIN. General Instructions

Section references are to the Internal Revenue Code unless otherwise noted.

Purpose of Form

A person who is required to file an information return with the IRS must obtain your correct taxpayer identification number (TIN) to report, for example, income paid to you, real estate transactions, mortgage interest you paid, acquisition or abandonment of secured property, cancellation of debt, or contributions you made to an IRA.

Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN to the person requesting it (the requester) and, when applicable, to:

1. Certify that the TIN you are giving is correct (or you are waiting for a number to be issued),
2. Certify that you are not subject to backup withholding, or
3. Claim exemption from backup withholding if you are a U.S. exempt payee. If applicable, you are also certifying that as a U.S. person, your allocable share of any partnership income from a U.S. trade or business is not subject to the withholding tax on foreign partners' share of effectively connected income.

Note. If a requester gives you a form other than Form W-9 to request your TIN, you must use the requester's form if it is substantially similar to this Form W-9.

Definition of a U.S. person. For federal tax purposes, you are considered a U.S. person if you are:

- An individual who is a U.S. citizen or U.S. resident alien,
- A partnership, corporation, company, or association created or organized in the United States or under the laws of the United States,
- An estate (other than a foreign estate), or
- A domestic trust (as defined in Regulations section 301.7701-7).

Special rules for partnerships. Partnerships that conduct a trade or business in the United States are generally required to pay a withholding tax on any foreign partners' share of income from such business. Further, in certain cases where a Form W-9 has not been received, a partnership is required to presume that a partner is a foreign person, and pay the withholding tax. Therefore, if you are a U.S. person that is a partner in a partnership conducting a trade or business in the United States, provide Form W-9 to the partnership to establish your U.S. status and avoid withholding on your share of partnership income.

The person who gives Form W-9 to the partnership for purposes of establishing its U.S. status and avoiding withholding on its allocable share of net income from the partnership conducting a trade or business in the United States is in the following cases:

- The U.S. owner of a disregarded entity and not the entity,

- The U.S. grantor or other owner of a grantor trust and not the trust, and
- The U.S. trust (other than a grantor trust) and not the beneficiaries of the trust.

Foreign person. If you are a foreign person, do not use Form W-9. Instead, use the appropriate Form W-8 (see Publication 515, Withholding of Tax on Nonresident Aliens and Foreign Entities).

Nonresident alien who becomes a resident alien. Generally, only a nonresident alien individual may use the terms of a tax treaty to reduce or eliminate U.S. tax on certain types of income. However, most tax treaties contain a provision known as a "saving clause." Exceptions specified in the saving clause may permit an exemption from tax to continue for certain types of income even after the payee has otherwise become a U.S. resident alien for tax purposes.

If you are a U.S. resident alien who is relying on an exception contained in the saving clause of a tax treaty to claim an exemption from U.S. tax on certain types of income, you must attach a statement to Form W-9 that specifies the following five items:

1. The treaty country. Generally, this must be the same treaty under which you claimed exemption from tax as a nonresident alien.
2. The treaty article addressing the income.
3. The article number (or location) in the tax treaty that contains the saving clause and its exceptions.
4. The type and amount of income that qualifies for the exemption from tax.
5. Sufficient facts to justify the exemption from tax under the terms of the treaty article.

Example. Article 20 of the U.S.-China income tax treaty allows an exemption from tax for scholarship income received by a Chinese student temporarily present in the United States. Under U.S. law, this student will become a resident alien for tax purposes if his or her stay in the United States exceeds 5 calendar years. However, paragraph 2 of the first Protocol to the U.S.-China treaty (dated April 30, 1984) allows the provisions of Article 20 to continue to apply even after the Chinese student becomes a resident alien of the United States. A Chinese student who qualifies for this exception (under paragraph 2 of the first protocol) and is relying on this exception to claim an exemption from tax on his or her scholarship or fellowship income would attach to Form W-9 a statement that includes the information described above to support that exemption.

If you are a nonresident alien or a foreign entity not subject to backup withholding, give the requester the appropriate completed Form W-8.

What is backup withholding? Persons making certain payments to you must under certain conditions withhold and pay to the IRS 28% of such payments. This is called "backup withholding." Payments that may be subject to backup withholding include interest, tax-exempt interest, dividends, broker and barter exchange transactions, rents, royalties, nonemployee pay, and certain payments from fishing boat operators. Real estate transactions are not subject to backup withholding.

You will not be subject to backup withholding on payments you receive if you give the requester your correct TIN, make the proper certifications, and report all your taxable interest and dividends on your tax return.

Payments you receive will be subject to backup withholding if:

1. You do not furnish your TIN to the requester,
2. You do not certify your TIN when required (see the Part II instructions on page 3 for details),
3. The IRS tells the requester that you furnished an incorrect TIN,

4. The IRS tells you that you are subject to backup withholding because you did not report all your interest and dividends on your tax return (for reportable interest and dividends only), or

5. You do not certify to the requester that you are not subject to backup withholding under 4 above (for reportable interest and dividend accounts opened after 1983 only).

Certain payees and payments are exempt from backup withholding. See the instructions below and the separate Instructions for the Requester of Form W-9.

Also see *Special rules for partnerships* on page 1.

Penalties

Failure to furnish TIN. If you fail to furnish your correct TIN to a requester, you are subject to a penalty of \$50 for each such failure unless your failure is due to reasonable cause and not to willful neglect.

Civil penalty for false information with respect to withholding. If you make a false statement with no reasonable basis that results in no backup withholding, you are subject to a \$500 penalty.

Criminal penalty for falsifying information. Willfully falsifying certifications or affirmations may subject you to criminal penalties including fines and/or imprisonment.

Misuse of TINs. If the requester discloses or uses TINs in violation of federal law, the requester may be subject to civil and criminal penalties.

Specific Instructions

Name

If you are an individual, you must generally enter the name shown on your income tax return. However, if you have changed your last name, for instance, due to marriage without informing the Social Security Administration of the name change, enter your first name, the last name shown on your social security card, and your new last name.

If the account is in joint names, list first, and then circle, the name of the person or entity whose number you entered in Part I of the form.

Sole proprietor. Enter your individual name as shown on your income tax return on the "Name" line. You may enter your business, trade, or "doing business as (DBA)" name on the "Business name" line.

Limited liability company (LLC). Check the "Limited liability company" box only and enter the appropriate code for the tax classification ("D" for disregarded entity, "C" for corporation, "P" for partnership) in the space provided.

For a single-member LLC (including a foreign LLC with a domestic owner) that is disregarded as an entity separate from its owner under Regulations section 301.7701-3, enter the owner's name on the "Name" line. Enter the LLC's name on the "Business name" line.

For an LLC classified as a partnership or a corporation, enter the LLC's name on the "Name" line and any business, trade, or DBA name on the "Business name" line.

Other entities. Enter your business name as shown on required federal tax documents on the "Name" line. This name should match the name shown on the charter or other legal document creating the entity. You may enter any business, trade, or DBA name on the "Business name" line.

Note. You are requested to check the appropriate box for your status (individual/sole proprietor, corporation, etc.).

Exempt Payee

If you are exempt from backup withholding, enter your name as described above and check the appropriate box for your status, then check the "Exempt payee" box in the line following the business name, sign and date the form.

Generally, individuals (including sole proprietors) are not exempt from backup withholding. Corporations are exempt from backup withholding for certain payments, such as interest and dividends.

Note. If you are exempt from backup withholding, you should still complete this form to avoid possible erroneous backup withholding.

The following payees are exempt from backup withholding:

1. An organization exempt from tax under section 501(a), any IRA, or a custodial account under section 403(b)(7) if the account satisfies the requirements of section 401(f)(2),
 2. The United States or any of its agencies or instrumentalities,
 3. A state, the District of Columbia, a possession of the United States, or any of their political subdivisions or instrumentalities,
 4. A foreign government or any of its political subdivisions, agencies, or instrumentalities, or
 5. An international organization or any of its agencies or instrumentalities.
- Other payees that may be exempt from backup withholding include:
6. A corporation,
 7. A foreign central bank of issue,
 8. A dealer in securities or commodities required to register in the United States, the District of Columbia, or a possession of the United States,
 9. A futures commission merchant registered with the Commodity Futures Trading Commission,
 10. A real estate investment trust,
 11. An entity registered at all times during the tax year under the Investment Company Act of 1940,
 12. A common trust fund operated by a bank under section 584(a),
 13. A financial institution,
 14. A middleman known in the investment community as a nominee or custodian, or
 15. A trust exempt from tax under section 664 or described in section 4947.

The chart below shows types of payments that may be exempt from backup withholding. The chart applies to the exempt payees listed above, 1 through 15.

IF the payment is for . . .	THEN the payment is exempt for . . .
Interest and dividend payments	All exempt payees except for 9
Broker transactions	Exempt payees 1 through 13. Also, a person registered under the Investment Advisers Act of 1940 who regularly acts as a broker
Barter exchange transactions and patronage dividends	Exempt payees 1 through 5
Payments over \$600 required to be reported and direct sales over \$5,000 ¹	Generally, exempt payees 1 through 7

¹ See Form 1099-MISC, Miscellaneous Income, and its instructions.

² However, the following payments made to a corporation (including gross proceeds paid to an attorney under section 6045(f), even if the attorney is a corporation) and reportable on Form 1099-MISC are not exempt from backup withholding: medical and health care payments, attorneys' fees, and payments for services paid by a federal executive agency.

Part I. Taxpayer Identification Number (TIN)

Enter your TIN in the appropriate box. If you are a resident alien and you do not have and are not eligible to get an SSN, your TIN is your IRS individual taxpayer identification number (ITIN). Enter it in the social security number box. If you do not have an ITIN, see *How to get a TIN* below.

If you are a sole proprietor and you have an EIN, you may enter either your SSN or EIN. However, the IRS prefers that you use your SSN.

If you are a single-member LLC that is disregarded as an entity separate from its owner (see *Limited liability company (LLC)* on page 2), enter the owner's SSN (or EIN, if the owner has one). Do not enter the disregarded entity's EIN. If the LLC is classified as a corporation or partnership, enter the entity's EIN.

Note. See the chart on page 4 for further clarification of name and TIN combinations.

How to get a TIN. If you do not have a TIN, apply for one immediately. To apply for an SSN, get Form SS-5, Application for a Social Security Card, from your local Social Security Administration office or get this form online at www.ssa.gov. You may also get this form by calling 1-800-772-1213. Use Form W-7, Application for IRS Individual Taxpayer Identification Number, to apply for an ITIN, or Form SS-4, Application for Employer Identification Number, to apply for an EIN. You can apply for an EIN online by accessing the IRS website at www.irs.gov/businesses and clicking on Employer Identification Number (EIN) under Starting a Business. You can get Forms W-7 and SS-4 from the IRS by visiting www.irs.gov or by calling 1-800-TAX-FORM (1-800-829-3676).

If you are asked to complete Form W-9 but do not have a TIN, write "Applied For" in the space for the TIN, sign and date the form, and give it to the requester. For interest and dividend payments, and certain payments made with respect to readily tradable instruments, generally you will have 60 days to get a TIN and give it to the requester before you are subject to backup withholding on payments. The 60-day rule does not apply to other types of payments. You will be subject to backup withholding on all such payments until you provide your TIN to the requester.

Note. Entering "Applied For" means that you have already applied for a TIN or that you intend to apply for one soon.

Caution: A disregarded domestic entity that has a foreign owner must use the appropriate Form W-8.

Part II. Certification

To establish to the withholding agent that you are a U.S. person, or resident alien, sign Form W-9. You may be requested to sign by the withholding agent even if items 1, 4, and 5 below indicate otherwise.

For a joint account, only the person whose TIN is shown in Part I should sign (when required). Exempt payees, see *Exempt Payee* on page 2.

Signature requirements. Complete the certification as indicated in 1 through 5 below.

1. Interest, dividend, and barter exchange accounts opened before 1984 and broker accounts considered active during 1983. You must give your correct TIN, but you do not have to sign the certification.

2. Interest, dividend, broker, and barter exchange accounts opened after 1983 and broker accounts considered inactive during 1983. You must sign the certification or backup withholding will apply. If you are subject to backup withholding and you are merely providing your correct TIN to the requester, you must cross out item 2 in the certification before signing the form.

3. Real estate transactions. You must sign the certification. You may cross out item 2 of the certification.

4. Other payments. You must give your correct TIN, but you do not have to sign the certification unless you have been notified that you have previously given an incorrect TIN. "Other payments" include payments made in the course of the requester's trade or business for rents, royalties, goods (other than bills for merchandise), medical and health care services (including payments to corporations), payments to a nonemployee for services, payments to certain fishing boat crew members and fishermen, and gross proceeds paid to attorneys (including payments to corporations).

5. Mortgage interest paid by you, acquisition or abandonment of secured property, cancellation of debt, qualified tuition program payments (under section 529), IRA, Coverdell ESA, Archer MSA or HSA contributions or distributions, and pension distributions. You must give your correct TIN, but you do not have to sign the certification.

Secure Your Tax Records from Identity Theft

Identity theft occurs when someone uses your personal information such as your name, social security number (SSN), or other identifying information, without your permission, to commit fraud or other crimes. An identity thief may use your SSN to get a job or may file a tax return using your SSN to receive a refund.

To reduce your risk:

- Protect your SSN,
- Ensure your employer is protecting your SSN, and
- Be careful when choosing a tax preparer.

Call the IRS at 1-800-829-1040 if you think your identity has been used inappropriately for tax purposes.

Victims of identity theft who are experiencing economic harm or a system problem, or are seeking help in resolving tax problems that have not been resolved through normal channels, may be eligible for Taxpayer Advocate Service (TAS) assistance. You can reach TAS by calling the TAS toll-free case intake line at 1-877-777-4778 or TTY/TDD 1-800-829-4059.

Protect yourself from suspicious emails or phishing schemes.

Phishing is the creation and use of email and websites designed to mimic legitimate business emails and websites. The most common act is sending an email to a user falsely claiming to be an established legitimate enterprise in an attempt to scam the user into surrendering private information that will be used for identity theft.

The IRS does not initiate contacts with taxpayers via emails. Also, the IRS does not request personal detailed information through email or ask taxpayers for the PIN numbers, passwords, or similar secret access information for their credit card, bank, or other financial accounts.

If you receive an unsolicited email claiming to be from the IRS, forward this message to phishing@irs.gov. You may also report misuse of the IRS name, logo, or other IRS personal property to the Treasury Inspector General for Tax Administration at 1-800-366-4484. You can forward suspicious emails to the Federal Trade Commission at: spam@uce.gov or contact them at www.consumer.gov/idtheft or 1-877-IDTHEFT(438-4338).

Visit the IRS website at www.irs.gov to learn more about identity theft and how to reduce your risk.

COMMUNITY UNIT SCHOOL DISTRICT NO. 300

Section 1

Firm Experience and Capabilities

In 2002, Raptor was founded to provide the K-12 market with comprehensive visitor tracking and screening services. Raptor pioneered the technology that screens visitors against the sex offender databases in all 50 states. Today, Raptor serves over 16,000 K-12 schools across the United States and is trusted to protect more K-12 districts than all other visitor management providers combined.

In Illinois, Raptor is successfully implemented at over 1,000 K-12 schools, including U-46 Elgin, Crystal Lake 47, Rockford 205, Indian Prairie 204, Naperville 203, and East Aurora 131. Raptor has been doing business in the state for over 10 years.

Raptor is uniquely qualified to serve Community Unit School District #300 (CUSD 300) based on a combination of elements that are critical to the successful deployment of visitor management at the District. First, the Raptor System was designed from inception to be an enterprise system implemented at the district level. This is an important distinction with respect to many other visitor management systems that only allow for administration and reporting on a school-by-school basis. With a district the size of CUSD 300, a non-enterprise solution would require time-consuming data manipulation and employee administration of the visitor management system. Raptor's enterprise-level design is an important factor that contributes to the fact that Raptor serves more districts of similar size to CUSD 300 (i.e., between 20-30 campuses) than all other visitor managements systems in the United States combined.

Another important consideration is that the Raptor System is successfully deployed in over 1,000 schools in Illinois and in over 16,000 schools nationwide. Raptor exhibits a 98% annual customer retention rate (including schools lost to closure). This means that the Raptor System successfully meets the visitor management needs of almost every type and configuration of school campus that exists in Illinois and in America.

Finally, the ability of the vendor to successfully implement the visitor management system and train district personnel is crucial. Raptor has a proven, best practice method for the design, integration, installation, and training of the Raptor Visitor Management System. Post implementation, Customer Support then becomes critical. Raptor is unmatched in our industry for technical support, with live Raptor U.S. representatives answering telephone support calls as well as ongoing live training for customers. Raptor maintains a Net Promoter Score (which is a customer satisfaction rating) of over 92% for our customer support teams, a rating which is unrivaled in our industry.

Raptor is proud to present this proposal to CUSD 300 and is available to provide a demo of the system upon request.

Section 2

Project Approach

Raptor has a proven, best practice method for the design, integration, installation, training, and support of the Raptor System. Upon receipt of a purchase order, Raptor would first conduct a discovery call with the appropriate district and school personnel to discuss the technical details of implementation and would create a mutually agreed upon, school-by-school implementation and training schedule. Raptor would then ship systems to each individual school, or, to a district location for distribution, as desired by the district. Finally, Raptor would send technicians on site to provide both installation and training to each individual school as well as one or more train-the-trainer sessions for district personnel. Raptor has found that this on-site combination of individual and trainer sessions allows for the most effective implementations. Raptor's technicians perform system testing, configuration and acceptance during their onsite implementation.

Raptor provides complete ongoing training and support through Raptor University. Raptor University was designed to keep our clients up to date with training materials as well as to provide instructional webinars for both new and existing users. Raptor University is available at no extra charge to clients.

Raptor also provides policy examples, sample parent letters, press release examples, training materials, visitor door signs and other necessary items to successfully implement Visitor Management.

Once in production, Raptor Client Services and Technical Support assist the District in day-to-day needs. Raptor is structured to provide the technical support, software updates, and on-going training needed to successfully handle the daily support requirements of visitor management. Raptor has full-time support personnel that will provide telephone, email, and remote assistance technical support each Monday through Friday, 7AM to 5PM Central Time, every school day of the year, including summers. Recorded videos and webinars are available 24/7 for continuing training purposes and live training webinars are offered on a weekly basis.

Under penalties of perjury, I certify that:

- The number shown on this form is my correct taxpayer identification number (or I am waiting for a number to be issued to me); and
- I am not subject to backup withholding because: (a) I am exempt from backup withholding, or (b) I have not been notified by the Internal Revenue Service (IRS) that I am subject to backup withholding as a result of a failure to report all interest or dividends, or (c) the IRS has notified me that I am no longer subject to backup withholding; and

- The FATCA code(s) entered on this form (if any) indicating that I am exempt from FATCA reporting is correct.

You must cross out item 2 above if you have been notified by the IRS that you are currently subject to backup withholding because you have failed to report all interest and dividends on your tax return. For real estate transactions, item 2 does not apply. For mortgage interest paid, acquisition or abandonment of secured property, cancellation of debt, contributions to an individual retirement arrangement (IRA), and generally, payments other than interest and dividends, you are not required to sign the certification, but you must provide your correct TIN. Future developments. Information about developments affecting Form W-9 (such as legislation enacted after we release it) is at www.irs.gov/fw9.

Purpose of Form

An individual or entity (Form W-9 requester) who is required to file an information return with the IRS must obtain your correct taxpayer identification number (TIN) which may be your social security number (SSN), individual taxpayer identification number (ITIN), adoption taxpayer identification number (ATIN), or employer identification number (EIN), to report on an information return the amount paid to you, or other amount reportable on an information return. Examples of information returns include, but are not limited to, the following:

- Form 1099-INT (interest earned or paid)
- Form 1099-DIV (dividends, including those from stocks or mutual funds)
- Form 1099-MISC (various types of income, prizes, awards, or gross proceeds)
- Form 1099-B (stock or mutual fund sales and certain other transactions by brokers)
- Form 1099-S (proceeds from real estate transactions)
- Form 1099-K (merchant card and third party network transactions)

- Form 1098 (home mortgage interest), 1098-E (student loan interest), 1098-T (tuition)

- Form 1099-C (canceled debt)

- Form 1099-A (acquisition or abandonment of secured property)

Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN.

If you do not return Form W-9 to the requester with a TIN, you might be subject to backup withholding. See *What is backup withholding?* on page 2.

By signing the filled-out form, you:

- Certify that the TIN you are giving is correct (or you are waiting for a number to be issued),
- Certify that you are not subject to backup withholding, or
- Claim exemption from backup withholding if you are a U.S. exempt payee. If applicable, you are also certifying that as a U.S. person, your allocable share of any partnership income from a U.S. trade or business is not subject to the withholding tax on foreign partners' share of effectively connected income, and
- Certify that FATCA code(s) entered on this form (if any) indicating that you are exempt from the FATCA reporting, is correct. See *What is FATCA reporting?* on page 2 for further information.

- The U.S. grantor or other owner of a grantor trust and not the trust, and
- The U.S. trust (other than a grantor trust) and not the beneficiaries of the trust.

Foreign person. If you are a foreign person, do not use Form W-9. Instead, use the appropriate Form W-8 (see Publication 515, Withholding of Tax on Nonresident Aliens and Foreign Entities).

Nonresident alien who becomes a resident alien. Generally, only a nonresident alien individual may use the terms of a tax treaty to reduce or eliminate U.S. tax on certain types of income. However, most tax treaties contain a provision known as a "saving clause." Exceptions specified in the saving clause may permit an exemption from tax to continue for certain types of income even after the payee has otherwise become a U.S. resident alien for tax purposes.

If you are a U.S. resident alien who is relying on an exception contained in the saving clause of a tax treaty to claim an exemption from U.S. tax on certain types of income, you must attach a statement to Form W-9 that specifies the following five items:

1. The treaty country. Generally, this must be the same treaty under which you claimed exemption from tax as a nonresident alien.
2. The treaty article addressing the income.
3. The article number (or location) in the tax treaty that contains the saving clause and its exceptions.
4. The type and amount of income that qualifies for the exemption from tax.
5. Sufficient facts to justify the exemption from tax under the terms of the treaty article.

Example. Article 20 of the U.S.-China income tax treaty allows an exemption from tax for scholarship income received by a Chinese student temporarily present in the United States. Under U.S. law, this student will become a resident alien for tax purposes if his or her stay in the United States exceeds 5 calendar years. However, paragraph 2 of the first Protocol to the U.S.-China treaty (dated April 30, 1984) allows the provisions of Article 20 to continue to apply even after the Chinese student becomes a resident alien of the United States. A Chinese student who qualifies for this exception (under paragraph 2 of the first protocol) and is relying on this exception to claim an exemption from tax on his or her scholarship or fellowship income would attach to Form W-9 a statement that includes the information described above to support that exemption.

If you are a nonresident alien or a foreign entity not subject to backup withholding, give the requester the appropriate completed Form W-8.

What is backup withholding? Persons making certain payments to you must under certain conditions withhold and pay to the IRS 28% of such payments. This is called "backup withholding." Payments that may be subject to backup withholding include interest, tax-exempt interest, dividends, broker and barter exchange transactions, rents, royalties, nonemployee pay, and certain payments from fishing boat operators. Real estate transactions are not subject to backup withholding.

You will not be subject to backup withholding on payments you receive if you give the requester your correct TIN, make the proper certifications, and report all your taxable interest and dividends on your tax return.

Payments you receive will be subject to backup withholding if:

1. You do not furnish your TIN to the requester,
2. You do not certify your TIN when required (see the Part II instructions on page 3 for details),
3. The IRS tells the requester that you furnished an incorrect TIN,

4. The IRS tells you that you are subject to backup withholding because you did not report all your interest and dividends on your tax return (for reportable interest and dividends only), or

5. You do not certify to the requester that you are not subject to backup withholding under 4 above (for reportable interest and dividend accounts opened after 1983 only).

Certain payees and payments are exempt from backup withholding. See the instructions below and the separate Instructions for the Requester of Form W-9.

Also see *Special rules for partnerships* on page 1.

Penalties

Failure to furnish TIN. If you fail to furnish your correct TIN to a requester, you are subject to a penalty of \$50 for each such failure unless your failure is due to reasonable cause and not to willful neglect.

Civil penalty for false information with respect to withholding. If you make a false statement with no reasonable basis that results in no backup withholding, you are subject to a \$500 penalty.

Criminal penalty for falsifying information. Willfully falsifying certifications or affirmations may subject you to criminal penalties including fines and/or imprisonment.

Misuse of TINs. If the requester discloses or uses TINs in violation of federal law, the requester may be subject to civil and criminal penalties.

Specific Instructions

Name

If you are an individual, you must generally enter the name shown on your income tax return. However, if you have changed your last name, for instance, due to marriage without informing the Social Security Administration of the name change, enter your first name, the last name shown on your social security card, and your new last name.

If the account is in joint names, list first, and then circle, the name of the person or entity whose number you entered in Part I of the form.

Sole proprietor. Enter your individual name as shown on your income tax return on the "Name" line. You may enter your business, trade, or "doing business as (DBA)" name on the "Business name" line.

Limited liability company (LLC). Check the "Limited liability company" box only and enter the appropriate code for the tax classification ("D" for disregarded entity, "C" for corporation, "P" for partnership) in the space provided.

For a single-member LLC (including a foreign LLC with a domestic owner) that is disregarded as an entity separate from its owner under Regulations section 301.7701-3, enter the owner's name on the "Name" line. Enter the LLC's name on the "Business name" line.

For an LLC classified as a partnership or a corporation, enter the LLC's name on the "Name" line and any business, trade, or DBA name on the "Business name" line.

Other entities. Enter your business name as shown on required federal tax documents on the "Name" line. This name should match the name shown on the charter or other legal document creating the entity. You may enter any business, trade, or DBA name on the "Business name" line.

Note. You are requested to check the appropriate box for your status (individual/sole proprietor, corporation, etc.).

Exempt Payee

If you are exempt from backup withholding, enter your name as described above and check the appropriate box for your status, then check the "Exempt payee" box in the line following the business name, sign and date the form.

Generally, individuals (including sole proprietors) are not exempt from backup withholding. Corporations are exempt from backup withholding for certain payments, such as interest and dividends.

Note. If you are exempt from backup withholding, you should still complete this form to avoid possible erroneous backup withholding.

The following payees are exempt from backup withholding:

1. An organization exempt from tax under section 501(a), any IRA, or a custodial account under section 403(b)(7) if the account satisfies the requirements of section 401(f)(2),
2. The United States or any of its agencies or instrumentalities,
3. A state, the District of Columbia, a possession of the United States, or any of their political subdivisions or instrumentalities,
4. A foreign government or any of its political subdivisions, agencies, or instrumentalities, or
5. An international organization or any of its agencies or instrumentalities.

Other payees that may be exempt from backup withholding include:

6. A corporation,
7. A foreign central bank of issue,
8. A dealer in securities or commodities required to register in the United States, the District of Columbia, or a possession of the United States,
9. A futures commission merchant registered with the Commodity Futures Trading Commission,
10. A real estate investment trust,
11. An entity registered at all times during the tax year under the Investment Company Act of 1940,
12. A common trust fund operated by a bank under section 584(a),
13. A financial institution,
14. A middleman known in the investment community as a nominee or custodian, or
15. A trust exempt from tax under section 664 or described in section 4947.

The chart below shows types of payments that may be exempt from backup withholding. The chart applies to the exempt payees listed above, 1 through 15.

IF the payment is for . . .	THEN the payment is exempt for . . .
Interest and dividend payments	All exempt payees except for 9
Broker transactions	Exempt payees 1 through 13. Also, a person registered under the Investment Advisers Act of 1940 who regularly acts as a broker
Barter exchange transactions and patronage dividends	Exempt payees 1 through 5
Payments over \$600 required to be reported and direct sales over \$5,000 ¹	Generally, exempt payees 1 through 7

¹See Form 1099-MISC, Miscellaneous Income, and its instructions.

²However, the following payments made to a corporation (including gross proceeds paid to an attorney under section 6045(f), even if the attorney is a corporation) and reportable on Form 1099-MISC are not exempt from backup withholding: medical and health care payments, attorneys' fees, and payments for services paid by a federal executive agency.

Part I. Taxpayer Identification Number (TIN)

Enter your TIN in the appropriate box. If you are a resident alien and you do not have and are not eligible to get an SSN, your TIN is your IRS individual taxpayer identification number (ITIN). Enter it in the social security number box. If you do not have an ITIN, see *How to get a TIN* below.

If you are a sole proprietor and you have an EIN, you may enter either your SSN or EIN. However, the IRS prefers that you use your SSN.

If you are a single-member LLC that is disregarded as an entity separate from its owner (see *Limited liability company (LLC)* on page 2), enter the owner's SSN (or EIN, if the owner has one). Do not enter the disregarded entity's EIN. If the LLC is classified as a corporation or partnership, enter the entity's EIN.

Note. See the chart on page 4 for further clarification of name and TIN combinations.

How to get a TIN. If you do not have a TIN, apply for one immediately. To apply for an SSN, get Form SS-5, Application for a Social Security Card, from your local Social Security Administration office or get this form online at www.ssa.gov. You may also get this form by calling 1-800-772-1213. Use Form W-7, Application for IRS Individual Taxpayer Identification Number, to apply for an ITIN, or Form SS-4, Application for Employer Identification Number, to apply for an EIN. You can apply for an EIN online by accessing the IRS website at www.irs.gov/businesses and clicking on Employer Identification Number (EIN) under Starting a Business. You can get Forms W-7 and SS-4 from the IRS by visiting www.irs.gov or by calling 1-800-TAX-FORM (1-800-829-3676).

If you are asked to complete Form W-9 but do not have a TIN, write "Applied For" in the space for the TIN, sign and date the form, and give it to the requester. For interest and dividend payments, and certain payments made with respect to readily tradable instruments, generally you will have 60 days to get a TIN and give it to the requester before you are subject to backup withholding on payments. The 60-day rule does not apply to other types of payments. You will be subject to backup withholding on all such payments until you provide your TIN to the requester.

Note. Entering "Applied For" means that you have already applied for a TIN or that you intend to apply for one soon.

Caution: A disregarded domestic entity that has a foreign owner must use the appropriate Form W-8.

Part II. Certification

Secure Your Tax Records from Identity Theft

Identity theft occurs when someone uses your personal information such as your name, social security number (SSN), or other identifying information, without your permission, to commit fraud or other crimes. An identity thief may use your SSN to get a job or may file a tax return using your SSN to receive a refund.

To reduce your risk:

- Protect your SSN,
- Ensure your employer is protecting your SSN, and
- Be careful when choosing a tax preparer.

Call the IRS at 1-800-829-1040 if you think your identity has been used inappropriately for tax purposes.

Victims of identity theft who are experiencing economic harm or a system problem, or are seeking help in resolving tax problems that have not been resolved through normal channels, may be eligible for Taxpayer Advocate Service (TAS) assistance. You can reach TAS by calling the TAS toll-free case intake line at 1-877-777-4778 or TTY/TDD 1-800-829-4059.

Protect yourself from suspicious emails or phishing schemes.

Phishing is the creation and use of email and websites designed to mimic legitimate business emails and websites. The most common act is sending an email to a user falsely claiming to be an established legitimate enterprise in an attempt to scam the user into surrendering private information that will be used for identity theft.

The IRS does not initiate contacts with taxpayers via emails. Also, the IRS does not request personal detailed information through email or ask taxpayers for the PIN numbers, passwords, or similar secret access information for their credit card, bank, or other financial accounts.

If you receive an unsolicited email claiming to be from the IRS, forward this message to phishing@irs.gov. You may also report misuse of the IRS name, logo, or other IRS personal property to the Treasury Inspector General for Tax Administration at 1-800-366-4484. You can forward suspicious emails to the Federal Trade Commission at: spam@uce.gov or contact them at www.consumer.gov/idtheft or 1-877-IDTHEFT(438-4338).

Visit the IRS website at www.irs.gov to learn more about identity theft and how to reduce your risk.

Privacy Act Notice

Section 6109 of the Internal Revenue Code requires you to provide your correct TIN to persons who must file information returns with the IRS to report interest, dividends, and certain other income paid to you, mortgage interest you paid, the acquisition or abandonment of secured property, cancellation of debt, or contributions you made to an IRA, or Archer MSA or HSA. The IRS uses the numbers for identification purposes and to help verify the accuracy of your tax return. The IRS may also provide this information to the Department of Justice for civil and criminal litigation, and to cities, states, the District of Columbia, and U.S. possessions to carry out their tax laws. We may also disclose this information to other countries under a tax treaty, to federal and state agencies to enforce federal nontax criminal laws, or to federal law enforcement and intelligence agencies to combat terrorism.

You must provide your TIN whether or not you are required to file a tax return. Payers must generally withhold 28% of taxable interest, dividend, and certain other payments to a payee who does not give a TIN to a payer. Certain penalties may also apply.

In the RFP, Page 1, it states:

"Sealed proposals will be received via email until -10:00AM CT, Monday, September 19, 2016 at which time they will be publicly opened and read."

Please delete "Sealed". Proposals will be received via email, therefore a sealed copy is not needed.

In the Instructions to Bidder, Section 16. SERVICE POINTS:

Please delete the following Service Points from the list:

- Buildings & Grounds
- Transportation-Algonquin
- Transportation-Carpentersville
- Transportation-Hampshire

Please add a Second Service Point to the following site:

- Westfield Community School

In the Scope of Work, Section 4. References, it states:

Please change "four (4) references" to three (3) references.

In the Scope of Work, Section 3. Project Approach, please add:

- ✓ Provide a test system or sandbox so that the District can evaluate your product.

In the event the evaluation process takes longer than expected, the regular meeting in which the project is to be approved will be moved to the October meeting. The result of this will be to push back the project completion date further out.

Questions and Answers:

1. Is this going to be one location, one door per site?
Yes, with the exception of Westfield Community School which has two (2) entrances.
2. Will there be any hardware involved?
The entrances to the schools will have a District computer, but a list of approved scanners need to be provided.
3. How will these driver's licenses be scanned; scanner or keyed in?
We should have the capability of doing both.
4. Do all Driver's Licenses have the capability to be scanned to enter your information?
Illinois licenses do.
5. Would you prefer a client based or web-based system?
Our preference is a web-based system.
6. Are you asking to view the system before turning in pricing?
No, but an appointment will be made to view the system after proposals have been turned in with vendor providing scanning equipment for testing at no charge to District 300.
7. Are you asking for a webinar session to see how the system works?
Yes, webinar or on-site with scanning equipment.
8. You mentioned software only, are you expecting us to provide scanner?
We would like a list of tested, approved and supported scanners to the software you are recommending.
9. Do we have to provide the scanners or just what is approved?
No, you do not have to provide the scanners but you can add the cost to the proposal if you so choose to. You do however have to provide a list of approved scanners.
10. Are you not listing any particular software? It only needs to meet your criteria?
We do not have a list of particular or preferred software. We are considering all proposals as long as they meet our criteria.
11. What software are we currently using?
We do not have a Visitor Management System in place.
12. Have you heard of different makes and models?
We have done some research but nothing specific we are entertaining.
13. Do you provide a list of the makes and models you are entertaining?
We are entertaining anyone who is willing to turn in a proposal.
14. Is the district looking to buy direct or an integrator?
We are not looking for any specific one. As long as it meets the criteria we will consider it.
15. Are we providing hardware, i.e. laptop and scanners?
We are providing the laptops for the software to run and we are asking for the approved list of scanners to the software you are recommending.
16. Do you have the same IT individual for the entire District?
We have an IT Department that will support all of the Service Locations.
17. Equipment manufacturers only have about one year warranty, what happens with year two (2) and three (3)?
Please provide a breakdown on what it would cost the District for the remaining years if your manufacturer does not provide 3 years of warranty.

10/26/21 Reviewed 2021 tentative levy
12/15/21 Adopted 2021 levy
07/19/22 Reviewed FY22 preliminary financial data and budget requests
08/09/22 Reviewed and approved the FY22-23 tentative budget and the public hearing notice
09/13/22 Reviewed updated FY22-23 budget with Board Finance Committee
09/27/22 Holds budget hearing and vote on FY23 Proposed Budget
09/29/22 Administration files 2022-2023 budget with Illinois State Board of Education, Cook, DeKalb, Kane & McHenry County Clerks, and Regional Office of Education and posts FY2022-2023 budget on D300 website.

I have included the following items in your board package:

- FY 23 Budget Fund - This document represents the budget by fund by object.
- FY 23 Budget Presentation - This document represents the budget presentation that was made during the budget hearing.
- FY 23 State Budget Form - This document is the State required budget form and resolution used in Illinois for adopting our annual budget.

Recommendation

As part of the final steps in the budget process, we will be asking the board for the following to:

- Adopt the FY22-23 Budget Resolution
- Authorize administration to:
 - Spend as outlined in the District budget;
 - Make purchases in accordance with State Statute and Board Policy; and
 - Make inter-fund loans as necessary.

Adoption of Proposed FY22-23 Budget Resolution

The Board of Education, having completed its budget hearing scheduled at the opening of this meeting, should consider adopting the proposed FY 2022-2023 Budget as presented tonight. The displayed budget contains all the required information and has been available to the public as required by law. If there are no further changes to be recommended in the budget, then it is appropriate that the Board of Education adopt the budget as displayed.

RECOMMENDATION: Adopt Resolution on FY 2022-2023 Proposed Budget

Spending Authorization

The Board of Education each year authorizes spending as outlined in the various district budgets.

RECOMMENDATION: That the Board of Education authorizes spending as outlined in the FY 2022-2023 District budget.

Bidding Authorization

It is the practice of D300 that in the formal adoption of the budget, the Board also directs the administrative staff to make purchases provided for within the budget in accordance with District policy and good business practice.

RECOMMENDATION: That the Board of Education authorizes the expenditures for all accounts in the FY 2022-2023 budget, as presented, in accordance with State Statute and Board Policy. Approval of bids and quotations for this budget shall be the responsibility of the Chief Financial Officer in alignment with Board Policy.

Inter-fund Loans Authorization

The Illinois School Code authorizes Boards of Education to make inter-fund loans between operating funds in the school district. It has been the practice of our school district to make such loans to facilitate the investment of money and avoid having to borrow money from outside financial institutions when one of the funds may be short due to the timing of local tax receipts. This inter-fund loan process is utilized only as authorized by State Statutes.

RECOMMENDATION: That the Board of Education reaffirms the past practice of transferring money on a loan basis between funds for the fiscal year, July 1, 2022, to June 30, 2023. Authorization is given to the Chief Financial Officer responsible for budget development to continue carrying out the process of inter-fund transfers for the Education Fund, O & M Fund, Transportation Fund, IMRF/SS Fund, Working Cash Fund, and Tort Immunity Fund as allowed under State Statute.

SUBJECT: Resolution for Teachers Retirement System Supplemental Savings Plan

Background

For the first time, Illinois state law requires TRS to offer a deferred compensation plan to its membership as another retirement savings vehicle to complement the established pension from the defined benefit program. This process has resulted in the launch of the Supplemental Savings Plan (SSP). The SSP is an optional retirement savings plan that allows TRS members to contribute a portion of every paycheck to their future retirement goals. The SSP adds to their existing TRS pension - it does not replace it. Upon retirement, TRS members will receive their monthly TRS pension from the defined benefit program and will also be able to draw on the money they have saved in their SSP account.

Active TRS members who are full-time and part-time contractual employees are eligible for the SSP. However, eligible TRS members can sign up for the SSP only after their employer formally agrees to participate in the SSP.

Administrative Recommendation:

The administration recommends the approval of the resolution as presented, as this will allow TRS members to participate in the SSP.

Fiscal Impact

There is no financial impact on D300, and TRS members can select the contribution level that best fits their financial needs.

RESOLUTION APPROVING TRS SSP EMPLOYER PARTICIPATION AGREEMENT

Be It Resolved by the Board of Education (the "Board") of Community Unit School District 300 (the "District"), Kane, McHenry, Cook, and DeKalb Counties, Illinois as follows:

1. The Supplemental Savings Plan Employer Participation Agreement (EAP), substantially in the form prescribed by the Illinois Teachers' Retirement System (TRS) and attached as Exhibit 1, is hereby approved and the Superintendent is hereby authorized to sign and submit the EAP to TRS.
2. In approving and submitting the EAP, and participating in TRS's Supplemental Savings Plan (SSP), the Board fully reserves its rights to prospectively change the terms of its participation in the SSP as provided for in the EPA, including, but not limited to changes warranted by legislative action, and to terminate its participation in the SSP to the extent permitted by law.
3. The Board further disclaims, and does not assume:
 - a. any fiduciary, custodial, oversight or administrator duties or responsibilities to employee participants in the SSP or for the SSP design, administrator or operator;
 - b. involvement in, or responsibility for, any investment choices, advice, decisions, amounts, losses, taxes or penalties made or experienced by employee participants in the SSP;
 - c. any other duties or responsibilities of any type whatsoever to employee participants or anyone else except to the extent of the District's duties to withhold the amounts properly directed by the employee participant and confirmed by TRS or its designated SSP administrator and to pay such amounts into the SSP as directed by TRS.
4. The Superintendent is authorized and directed to inform, and provide for agreement with, employees participating in the SSP of the disclaimer set forth above and to take such other appropriate measures to minimize the risk of liability of the District resulting from participation in the SSP, including requiring employees to provide information regarding participation in any 457(b) plans offered by other employers, substantially in the form of the attached Exhibit 2.
5. This Resolution shall be in full force and effect upon its adoption.

ADOPTED this 13th day of September, 2022, by a roll call vote as follows:

Plan Highlights

Teachers' Retirement System Supplemental Savings Plan (SSP)

Saving for the future is important, and the SSP can help you **Bring More** to your retirement savings strategy. This flyer is designed to help you understand the Plan provisions.

Eligibility

Active TRS members who are full-time and part-time contractual employees are eligible for the SSP. However, eligible TRS members can sign up for the SSP only after their employer formally agrees to participate in the SSP. All retired and inactive TRS members are not eligible for the SSP.

Contributions

You can elect the amount you want to contribute per paycheck to your SSP account (in whole dollar increments). You must contribute a minimum of \$30 per pay period on a pre-tax or Roth after-tax basis.

Your pre-tax and/or Roth after-tax contribution elections will apply to all eligible compensation across all participating employers. This means that participants working for multiple employers will have their contribution election deducted by each eligible employer. For example, a participant working for 2 employers that have adopted the SSP, who elects to contribute \$30 per pay period will see that amount deducted by both employers for a total of \$60 per pay period. If you work for multiple employers, please consider carefully the amount you want to contribute in total across all employers.

Catch-up contributions

- Age 50+ Catch-up – available starting the calendar year you turn 50 years of age.
- Special Catch-up – available in the three years prior to the year you reach Normal Retirement Age.

Both catch-up provisions cannot be used during the same calendar year. You must use the catch-up provision that yields the higher contribution limit. For current IRS limits on catch-up contributions, go to www.voya.com/IRSlimits.

Rollovers

The Plan does accept pre-tax and Roth after-tax rollover balances from eligible retirement savings plans. You may want to seek the help of a financial or tax advisor prior to requesting a rollover.

Beneficiary designation

Designate and change your beneficiary information online anytime at trsilssp.voya.com.

Vesting

Vesting means ownership of the money in your account. You're always 100% vested in your own contributions, employer matching and non-elective contributions, any rollover contributions, and any investment earnings on those contributions.

Plan fees

To cover plan-related expenses such as record keeping, member education, and administrative professional services, an annual, flat-dollar fee of \$100, referred to as the Plan Administrative Fee, will be assessed to each SSP account, in addition to investment option fees and expenses. The Plan Administrative Fee will be assessed on a quarterly basis (\$25/quarter) and will be visible to you through the SSP participant website as part of your transaction history as well as on your account statements.

Withdrawal options

The following types of withdrawals are available through the SSP:

- Rollover Source
- Age 59½
- Unforseeable Emergency
- Required Minimum Distribution
- Termination/Installment
- Partial Termination
- Military leave

Withdrawals are subject to ordinary income tax.

There is no guarantee that any investment option will achieve its stated objective. Principal value fluctuates and there is no guarantee of value at any time, including the target date. The “target date” is the approximate date when you plan to start withdrawing your money. When your target date is reached, you may have more or less than the original amount invested. For each target date Portfolio, until the day prior to its Target Date, the Portfolio will seek to provide total returns consistent with an asset allocation targeted for an investor who is retiring in approximately each Portfolio's designation Target Year. Prior to choosing a Target Date Portfolio, investors are strongly encouraged to review and understand the Portfolio's objectives and its composition of stocks and bonds, and how the asset allocation will change over time as the target date nears. No two investors are alike and one should not assume that just because they intend to retire in the year corresponding to the Target Date that that specific Portfolio is appropriate and suitable to their risk tolerance. It is recommended that an investor consider carefully the possibility of capital loss in each of the target date Portfolios, the likelihood and magnitude of which will be dependent upon the Portfolio's asset allocation. On the Target Date, the portfolio will seek to provide a combination of total return and stability of principal.

Stocks are more volatile than bonds, and portfolios with a higher concentration of stocks are more likely to experience greater fluctuations in value than portfolios with a higher concentration in bonds. Foreign stocks and small and midcap stocks may be more volatile than large cap stocks. Investing in bonds also entails credit risk and interest rate risk.

The Voya Index Solution PortfoliosSM are actively managed and the asset allocation adjusted over time. The portfolios may merge with or change to other portfolios over time. Refer to the prospectus for more information about the specific risks of investing in the various asset classes included in the Voya Index Solution Portfolios.
