SUBJECT: Consolidated District Plan FY25

Background

The Consolidated District Plan is required under law for an LEA that receives Federal grants, including Title I, Title II, Title III (LIEP), Title IV, all ESSER, IDEA Flow-Through, and Preschool Dollars. The Consolidated District Plan is to be reviewed annually and approved by the Local School Board if and when significant changes are made. The Consolidated District Plan included below was reviewed and revised by district administrators, outlines how federal programs funds will be used at the district level, and reviews the requirements needed to receive Federal Program dollars.

For 2024 - 2025, the District Bilingual Plan was added to the Consolidated Plan.

Recommendation

The administration recommends that the Board approve the Consolidated District Plan for Federal Grants for the 2024-2025 School year.

D300 FY25 Consolidated District Plan

Overview:

The District Plan shall be developed with timely and meaningful consultation with teachers, principals, other school leaders, paraprofessionals, specialized instructional support personnel, charter school leaders, administrators, other appropriate school personnel, and parents of children in schools served under the:

Contact Information:

Describe the steps that will be taken to overcome barriers to equitable program participation of students, teachers, and other beneficiaries with special needs. CUSD 300 will ensure to the extent possible equitable access to, participation in, and appropriate educational opportunities for students served. Federally funded activities, programs and services will be accessible to all teachers, students, and other program beneficiaries with special needs, allowing them to participate fully in projects. CUSD 300 does not discriminate on the basis of age, color, religion, creed, disability, marital or veteran status, national origin, race or gender. The intent of the use of these funds is to eliminate access barriers to learning due to each student's individual learning needs.

Needs Assessment and Programs:

1. Describe how the LEA will align federal resources, including but not limited to the programs in the CDP, with state and local resources to carry out

D300 FY25 Consolidated District Plan

activities supported in whole or in part with funding from the programs selected.

In collaboration with all departments (Federal Programs/Grants, Special Education, Assessment and Professional Development) through the Chief Academic and Chief Operations Officers, the departments meet on a bi-weekly basis and collaborate at least monthly to build in activities that align funding with our District Strategic Plan. The Strategic Plan is developed in collaboration with all administrative stakeholders, the school board, and community members. The Strategic Plan is aligned with current data, continuous improvement strategies, and best practices for students and staff.

2. Provide a Summary of the LEA's Needs Assessment.

The LEA has taken a comprehensive approach to assessing the needs of our students, staff and community. At the district level, the 5 year strategic plan has been developed by administrators with parent and community stakeholder input. It was put into action in the fall of 2022. Several parent and community groups provided input, including the African American Parent Committee, the Bilingual Parent Advisory Committee, and the District Parent Advisory Committee. Surveys are available on the district website so that all stakeholders can contribute to the decision making process. At the school level, each school completes the school improvement planning process and Title I schools complete the schoolwide planning process. For the IDEA grant, surveys are taken regarding required professional development. All of these resources are combined to determine the needs of our schools and the district overall.

Plan Specifics:

Needs Assessment Results:

For each program for which funding is anticipated, provide a summary of the Needs Assessment Results. Include the program goal(s) identified through the needs assessment process, as applicable.

1. Title I-A Improving Basic Programs

Based on student achievement data and report card data, schoolwide programs are required to provide services, to increase achievement and close achievement gaps for low income, especially minority students and English learners. Achievement gaps persist for low income students. Programs will be designed to address the needs of these groups of students, for instance, afterschool programs, summer school, and professional development.

D300 FY25 Consolidated District Plan

Supplemental materials and supplies will also benefit our students. Additionally, instructional coaches, interventionists, and family school liaisons will be part of all school wide Title I programs. Afterschool programs, summer school, and professional development will also be incorporated into Title I school plans.

2. Title I-A School Improvement **Carpentersville Middle School*

Based on student achievement, programs to increase student academic success at Carpentersville Middle School will be implemented in the 2024-2025 school year. Carpentersville Middle School has a comprehensive professional development plan targeted for students with disabilities for both areas reading and math. We will identify the appropriate resources for students who receive additional academic support in smaller settings, as well as within the general education setting. Additionally, before and after school activities will focus on reading and math for students who need additional support.

3. Title II-A

Professional development is linked to student performance data, staff surveys, professional development surveys, the district strategic plan activities and indicators, professional learning communities, the professional development plan. The district provides comprehensive professional development options to all teachers and instructional administrators. Teachers have access to full-district and teacher institute professional development activities that are systematically developed around key district targets. Teachers and administrators also have opportunities to learn through professional learning communities, workshops, teacher teams, and other differentiated and personalized learning opportunities. Professional development is delivered in a variety of formats including face to face, blended, and online. D300 supports membership in professional organizations; attendance at workshops and conferences; internal professional development activities and opportunities for teacher and administrator leadership. The areas of focus for 2024-25 are Professional Learning Communities, equity, assessment development, best practice learning strategies for all (centered on English learners and special education students); and coaching for all. All professional development will be centered

D300 FY25 Consolidated District Plan

and linked to these five concepts so that there is coherence for teachers, instructional coaches and administrators.

4. Title III LIEP

Based on student achievement data the district has continued to expand its dual language offerings across the district to serve more students. As part of the expansion, the district has established three dual language academies. We have explored and implemented a five day a week targeted language support for all non dual language students needing language support. AVID Excel has expanded at Carpentersville Middle School across sixth through eighth grade to help students academically and to increase their language acquisition. Supplemental materials are used across all grade levels to give ELs equitable access to the curriculum in their native language. Since the pandemic, the district has dedicated time to investigating and trying various technology features to increase our support for our families and students when there is a need for a remote learning environment. This exploration of resources has allowed us to open the line of communication with our families and be able to support them with native language support. Feedback on professional development forms as well as classroom observations provide the data needed to provide professional development to move our students forward academically. Feedback on Instructional coach support has helped with identifying areas of need for teachers as well. Our district is continuing to take a collaborative approach to ensure language is supported throughout all content areas.

5. Title III ISEP

The needs under the Immigrant Education Program include assisting students with language acquisition, especially at the secondary level. Additionally, immigrant parents want to learn English to help them communicate in the community. Parents want to be able to help their child with homework. School personnel want to be able to assist newcomers and need EL strategies to help students academically. The district has strategically placed staff that speak Spanish to support students and their family communication in Spanish at different schools. Parents and students need help navigating the school system and want someone who they can communicate with at the school. Unaccompanied youth from other countries need a point person at the school who they can build a relationship with and to go to with questions especially at the secondary level. Parents have

D300 FY25 Consolidated District Plan

requested language acquisition help as well as how to support their child in school. In addition, they want to know about community resources to assist their family with physical and mental health, clothing, food, transportation, nutrition and education for themselves.

6. Title IV Student Support & Academic Enrichment

The need for mental health support is evident in the Kane County Health Surveys as well as school district data based on social work minutes, parent requests for support for their child in the area of social emotional, level of care referrals for students. Schools will be provided funding for assemblies, parent events, speakers to support increasing awareness of mental health and strategies for coping. To support schools' abilities to expose students to different college/trade school/universities money will be allocated for visits to these schools during the school day to allow students exploration of possibilities they may not be aware of as well as to provide opportunities to students who may not have parents capable of exploring these opportunities. To support teachers with professional development and refining of their curriculum, money will be used to support this curricular area. Extended day/year programs for students who need more support in our non-Title buildings are needed. These buildings have students who struggle academically but do not have the funds for programming beyond the school day. Programs supporting math and/or literacy will be offered to students who are below grade level expectations in one or both of these areas. Summer School offerings will be offered to all students. Due to the racial inequities, the need for SEL supports and summer school remain consistent.

7. IDEA Part B - Flow Through

The needs assessment was used in the LEA needs process. CUSD 300 continues to focus on early intervening successes academically and behaviorally with the need to all students K-12. Based on the results of the March 2024 needs assessment, an ongoing need for: supporting students with anxiety, depression, DMDD and ADHD, de-escalation and behavior management strategies, Love and Logic in the classroom, trauma informed practices, Legal Updates, Functional Analysis and Behavior Intervention plans, CPI, FA/BIP training and Love and Logic for special education students. Buildings continue to request support including coaching, staff development and materials to support special education students in the general education setting. Professional development for IEP teams for staff to demonstrate

D300 FY25 Consolidated District Plan

appropriate conversation and decisions being made at the IEP team meeting and development. This year, same as last year, I will continue to work with IEP compliance and compliance will continue to be incorporated through online training-based-development with Schoology as well as face-to-face after school opportunities. Staff will receive additional support of reading to align with the ELA common core curriculum, new elementary science curriculum and curriculum adoption with low incidence and personal development for executive functioning skills; especially in math, and staff training as an identified need. Staff will participate in math, ELA and Science instruction with continued focus on appropriate use of manipulative and ELA with the focus on closing the reading gap. Staff feedback continues to indicate that teachers are still eager for professional development and materials on best practices, differentiation, assistive technology and ways of engaging students in classroom activities. In addition, will align with strategic plan goals and initiatives that focus on instruction, diversity/equity and social emotional health.

8. IDEA Part B - Preschool

Approximately 8% of preschool staff replied to the needs assessment. They indicated the same needs as the K-12 staff. Data indicates needs supporting students with DMDD, anxiety and depression, emotional regulation, Love and Logic for the classroom with trauma pasts, trauma informed practices, and supporting students. In addition, legal updates for IEP and 504's especially with the state requirements of restraint and time out regulations. Restorative practices also scored high in the needs assessment.

Stakeholders:

1. Teachers, Principals, School Leaders, Specialized Instructional Support, Parents, Parent Liaisons, Title I Director, Title II Director, Bilingual Director, Title IV Director, Special Education Director, Community Members.
2. Articulate how the LEA consulted with the stakeholders identified above in the development of this plan. Describe how stakeholders' input impacted the final plan submission, as well as references to particular meetings. Note that documentation of stakeholder engagement may be requested during monitoring; keep documentation on file.

Needs assessments from the community were used to develop the plan (Head Start, Kane County Health Department) as well as district needs assessments completed

D300 FY25 Consolidated District Plan

by teachers, administrators, para professionals, Family School Liaisons and parents. Non-public schools are met throughout the year as well as via email as needed. Community Engagement meetings are held monthly (third Wednesday) addressing the needs in the community. Agencies such as Girl Scouts, Rosecrance (mental health, substance abuse), Aunt Martha's Health and Wellness, Fox River Valley Libraries, Carpentersville Police Department address the needs of the community and are working on a process to decrease a person in need having to run agency to agency to get assistance. The needs of the schools are gathered during data meetings held two times each year. Principals present their student data including academic, attendance and behavioral. During the school leaders identify their greatest needs preventing students from being successful in school. This becomes a collaborative effort with district leaders. Parents and students participate through needs assessments as well as participation on Superintendent's Executive Cabinet - Monthly throughout the year - discussion and input used in the writing the plan Superintendent's Cabinet - Monthly throughout the year Needs Assessment on Family Engagement - Fall 2023 - results used in writing the plan Bilingual Parent Advisory Committee - regularly throughout the school year

3. Describe the approaches the district will use to include parents and family members in the development of LEA plans, so that the plans and related activities represent the needs of varied populations

Special Education engages parent feedback in the way during the IEP process, we partner with the Special Education Parent Network to host training and survey parents. In addition, the Parent Liaison has a D300 social media site to be able to gather parents input as well. Title I Parents completed a needs assessment focused on Parent Engagement May 2023. Each school has a School Improvement Plan written with a team with parent participation. The School Improvement Plans are used in writing the various grants to meet the needs of each school. **The Bilingual Parent Advisory committee also plans educational and social activities for inclusion of Bilingual parents in the culture and climate of the schools, as well as planning for the education of students. Title I buildings have engaged parents in parent involvement surveys and have completed parent engagement assessments. Title I parents are invited to participate annually in the Title I parent planning meetings.

4. Describe the activities/strategies the LEA will implement for effective parent and family engagement. This includes a description of any activities/strategies that will be implemented for effective English learner and immigrant parent family engagement, as applicable.

D300 FY25 Consolidated District Plan

Special education partners with the Special Education Parent Network. Through this network, parents have access to a parent liaison that will work with them to understand the IEP process and procedures. The Parent Network Liaison and CUSD 300 partner together to host multiple D300 Special Education Network meetings throughout the year. Topics include: Understanding the IEP Process, Transition Planning, Guardianship and wills, substance abuse prevention, mental health topics, Suicide Prevention, Anxiety and Depression, Bully Prevention, Social media safety, disaster training, overview of curriculum and student discipline. At all trainings, parents complete a survey with the Parent liaison. **BPAC plans for social and academic enrichment activities, including celebrations, field trips and events to participate in registration and documents.

Preschool Coordination:

Describe how the district will support, coordinate, and integrate services provided under this part with early childhood education programs at the district or individual school level, including plans for the transition of participants in such programs to local elementary school programs.

Early childhood programs are funded through IDEA Pre-K grant, as well as through Federal and State preschool grants. Through the grant, IEP meetings and transition meetings are provided for students going to kindergarten. Staff meets with parents/guardians of students with IEPs to plan for student transitions into kindergarten. Using IDEA funds allow for students to have IEP needs met in the areas of academic, social emotional and developmental areas.

Staff hold conferences with parents/guardians of kinder-bound students in our PFA/PFAE programs at the end of each school year to share child strengths and give ideas for both academic and social emotional needs to parents of summer activities to support children in the transition to kindergarten

Early childhood programs are funded through Preschool For All Grant and the Expansion grant. Through those grants transition meetings are provided for students going to kindergarten. Though we hold a large preschool program, less than 50% of our kindergartners in our Title I buildings attend preschool.

Additionally, Title I funds may be used as needed to support preschool programs. Throughout the school year, family events are held to increase the knowledge and skills of families to support their child's academic and social emotional learning needs. Topics that have been covered include early literacy skills, math, supporting behavioral needs, and hands-on science activities.

D300 FY25 Consolidated District Plan

Student Achievement:

1. Describe the well-rounded instructional program to meet the academic and language needs of all students and how the district will develop and implement the program(s).

The District 300 mission statement indicates: *District 300 will provide engaging and inclusive educational experiences that empower and equip all students to discover, innovate, and succeed now and in the future.* The vision statement indicates: *District 300 will empower and equip each student to reach their highest potential in their chosen pathway.* The strategic plan has a strong focus on student growth and achievement in the areas of both reading and math.

D300 also supports evidence-based instructional strategies which promote active learning and high levels of engagement for all learners. Quality instruction is supported by highly effective teachers and staff and is supported through a comprehensive professional development system. Instruction is designed using data and student learning is measured through a variety of assessments ranging from informal checks-for-understanding to standardized state and national testing. D300 curriculum frameworks support:

D300 curriculum frameworks are aligned to Illinois State Learning Standards and national standards. Engaging with the D300 curriculum prepares students for their postsecondary plans. The curriculum is evidence-based and vertically aligned PreK-12 and is reviewed through a continuous improvement process. D300 partners with families and parents to support the academic growth and well-being of their students. The curriculum focuses on the development of 21st century skills, preparing students for their postsecondary plans, and innovation. The curriculum is rigorous and relevant for all grade levels and diverse students of all abilities.

- Intentional alignment to standards
- Clear learning outcomes with aligned assessments
- Engaging learning experiences
- High-impact instructional strategies
- Sequenced units of study that serve as a detailed road map
- Focus on the development of the whole child

D300 FY25 Consolidated District Plan

D300 is a Professional Learning Community (PLC). Through the professional learning community process the focus is on four guiding questions:

1. What do we want students to know?
2. How will we know when they know it?
3. What will we do when they don't know it?
4. What will we do when they do know it?

The PLC process also focuses on collaborative teams focusing on student learning by using protocols, norms, and data. Collaborative teams work to unpack standards, to identify learning targets, and to share instructional practices. Through a process of using common assessments teachers can diagnose what support is needed for individual students and Tier 2 and Tier 3 supports can be put in place.

2. List and describe the measures the district takes to use and create the identification criteria for students at risk of failure.* Include criteria for low-income, EL, special education, neglected, and delinquent as applicable to the district.

In Kindergarten, interventionists should push into classrooms for small group instruction to help support early literacy and mathematics development.

In grades 1-5, interventionists pull students together of like level, based upon identified needs and skill deficits. Interventionists may also need to run more than one group per grade level. Students receiving Tier 3 intervention need to receive the full core instruction from the general education teacher in the classroom and a Tier 2 intervention, in addition to the Tier 3 intervention. Students in grades 6-12 will receive full core instruction in their English and mathematics courses. Those who require Tier 3 support will receive scaffolded support in both Tiers 2 and 3. This intervention will be provided as a course embedded as a class period into their daily schedule. In order to determine which students need interventions, staff review iReady diagnostics, summative assessments, class records and formative assessments to make that decision. Depending on the intervention resource selected, interventionists will utilize the diagnostic and placement assessment provided within the materials in order to determine where to begin instruction.

1. Administer the iReady Diagnostic
2. Determine the student's scale score and skill deficit
3. If the scale score and skill deficits are identified as being two or more grade levels below, refer to the MTSS Handbook entrance criteria to determine if

D300 FY25 Consolidated District Plan

the student will benefit from daily intervention provided by a reading or math interventionist 5 days per week, 30 minutes per session in small groups.

4. If the scale score is within one grade level of proficiency, the classroom teacher will provide scaffolded Tier 2 support for the identified skill deficit.
5. Progress monitor over time and make adjustments to intervention as necessary following the guidelines in the MTSS Handbook.

3. Describe the additional education assistance to be provided to individual students needing additional help meeting the challenging State academic and language standards. This includes a description of any additional educational assistance designed to assist English learners and immigrant students to access academic content and develop language proficiency, as applicable.

A Multi-Tiered System of Supports (MTSS) is a systemic, continuous-improvement model in which data based decision-making is practiced across all levels of the educational system for supporting students. MTSS utilizes high quality evidence-based instruction, intervention, and assessment practices to ensure that every student receives the appropriate level of support to master grade level expectations. A Multi-Tiered System of Supports aligns academic and social emotional instruction implemented with fidelity and sustained over time, in order to enable every child to be college or career ready. This three-tiered model of support covers both the academic and social emotional learning associated with student success.

Tier 1 Instruction:

- Focuses on all students receiving rigorous standards based curriculum.
- Ensures core curriculum is aligned with 21st century learning skills.
- Connects to district curriculum that is evidence-based, aligned to New Illinois Standards
- Incorporates differentiation and flexible grouping. Effective instruction includes:
 - Evidence-based core instructional programs aligned to standards
 - Flexible grouping and differentiation
 - Formative and summative assessments
 - 21st century learning skills
 - Enrichment and extension
 - Strategies to motivate and engage learners

D300 FY25 Consolidated District Plan

Tier 2 Instruction:

Tier 2 instruction is conducted within the classroom setting during the core instructional time or during Tier 2 time such as What I Need (WIN) time. Tier 2 is targeted instruction that is matched to a specific need of the students. Tier 2 targeted instruction can be delivered in 10-15 minutes in small groups. Tier 2 is not a program, but rather targeted instruction based on formative data. Understanding i-Ready Scaled Scores Scale scores allow us to put everything on a single continuum so that we can compare across grade levels. Scale scores are a metric indicating that a student has mastered skills up to a certain point, and still needs to work on skills that come after that point. The scale score is a common language across grades and schools. When looking at these scores, it's important to note that the first number in a scale score does not equate to a grade level. For example, a scale score in the 500s does not mean that a student's grade level placement is fifth grade. Understanding i-Ready Placement Levels The placement level is the practical day-to-day language that helps teachers determine what level of skills to focus on with a particular student. Placement levels can be simply Level 4, or can be ranked as early, mid, or late Level 4. Placement levels indicate where students should be receiving instruction, either online or in the classroom (e.g., students that fall within a particular scale score range need to work on early fourth grade skills).

Tier 3 Instruction:

Literacy and Math Tier 3 instruction occurs outside the literacy and math block. Students receiving Tier 3 instruction, also need to receive Tier 2 instruction in the classroom with the classroom teacher. Tier 3 instruction may be delivered by an interventionist, a reading specialist, or special education teacher.

Title III funds are used to support our students identified as needing language services in our non-title schools through paraeducator support. Bilingual paraeducators work with individual and small groups of students based on their academic needs. Para-educators help within the general education classroom for push-in support as well as provide additional language support outside of the classroom setting during the school designated differentiation time. Paraeducators work directly with the ESL teacher from their respective building to ensure all student's academic needs are met. Student needs are determined using Access testing and the Istation formative assessment. Coaches will also continue to work with teachers to strengthen their instructional practices to ensure language

D300 FY25 Consolidated District Plan

development is being addressed at all grade levels. Funds are also used to provide parent programming for EL parents and for BPAC functions.

4. Describe the instructional and additional strategies intended to strengthen academic and language programs and improve school conditions for student learning and how these are implemented. This includes a description of any additional supplemental instructional activities and strategies designed to strengthen academic and language programs for English learners and immigrant students, as applicable.

The scale score is a common language across grades and schools. When looking at these scores, it's important to note that the first number in a scale score does not equate to a grade level. For example, a scale score in the 500s does not mean that a student's grade level placement is fifth grade. Understanding i-Ready Placement Levels The placement level is the practical day-to-day language that helps teachers determine what level of skills to focus on with a particular student.

Tier 3 Instruction:

Literacy and Math Tier 3 instruction occurs outside of the literacy and math block. Students receiving tier 3 instruction, also need to receive tier 2 instruction in the classroom with the classroom teacher. Tier 3 instruction is delivered by an interventionist, a reading specialist, a classroom teacher or special education teacher.

Title III funds are used to support our students identified as needing language services in our non-title schools through paraeducator support. Paraeducators work with individual and small groups of students based on their academic needs. Para-educators help within the general education classroom for push-in support as well as provide additional language support outside of the classroom setting during the school designated differentiation time. Paraeducators work directly with the EL teacher from their respective building to ensure all student's academic needs are met. Coaches will also continue to work with teachers to strengthen their instructional practices to ensure language development is being addressed at all grade levels. Lastly, funds are also used for our non-public school to provide support to their EL student. Non-public schools work collaboratively with the district to provide research based resources to their students.

D300 FY25 Consolidated District Plan

5. Explain the process through which the district will identify and address any disparities that result in low-income and/or minority students being taught at higher rates than other students by ineffective, inexperienced, or out-of-field teachers.

Community School District 300 does not hire out-of-field teachers. Due to the limited number of bilingually certified teachers, we hire teachers from Spain and Puerto Rico as well as inexperienced teachers who are properly certified. To help these teachers instructional coaches are hired to model and work with the teachers in their classrooms. Teachers meet in Professional Learning Communities to look at student work and discuss instructional strategies for teaching concepts. This helps inexperienced teachers increase their knowledge of strategies to use with students. In addition, they look at assessment data to identify students who are struggling. Teachers who are more experienced or whose students did well on an assessment share their teaching strategies. Students may also be grouped for re-teaching with the teacher whose students did well on the assessment. The district ensures that second language students in our Title I buildings are taught by teachers who are certified bilingual/ ESL teachers as appropriate. Teachers not certified to teach these students are often moved out of the buildings or their current grade level and are replaced with a bilingual/ESL certified teacher. Instructional coaching of teachers and paras to increase the strategies they use with students including, but not limited to differentiation, scaffolding, WIDA standards for language acquisition, ESL strategies, comprehension strategies, the use of manipulatives and proven programs. Teachers are given coaching based on requests, inexperience, as well as recommendation from building and district administration based on walk-through data and formal observations. Length of coaching depends on the needs of the teacher and/or students. Coaching model is: I teach, we teach, you teach (gradual release).

6. Describe the measures the district takes in assisting schools in developing effective school library programs that provide students an opportunity to develop digital literacy skills and improve academic achievement.

Board Policy 6:230 Library Media Program

The Superintendent or designee shall manage the District's library media program to comply with, (1) State law and Illinois State Board of Education rule, and (2) the following standards:

D300 FY25 Consolidated District Plan

The program includes an organized collection of resources available to students and staff to supplement classroom instruction, foster reading for pleasure, enhance information literacy, and support research, as appropriate to students of all abilities in the grade levels served.

Financial resources for the program's resources and supplies are allocated to meet students' needs.

Students in all grades served have equitable access to library media resources. The advice of an individual who is qualified according to ISBE rule is sought regarding the overall direction of the program, including the selection and organization of materials, provision of instruction in information and technology literacy, and structuring the work of library paraprofessionals. Staff members are invited to recommend additions to the collection. Students may freely select resource center materials as well as receive guided selection of materials appropriate to specific, planned learning experiences.

6. Describe how the district will identify and serve gifted and talented students by using objective criteria.

The District 300 Board of Education believes that all students should be challenged and supported based upon their individual needs in order to develop their full potential. This belief is supported by the District's commitment to provide both enrichment and acceleration options for students.

Definitions:

"Accelerated placement" is the placement of a student at the instructional level that best matches that student's needs by allowing access to a curriculum that is usually reserved for children who are older or in higher grades than the student.

Accelerated placement options must include, but need not be limited to, early entrance to kindergarten and first grade, individual subject acceleration, and whole grade acceleration. Accelerated placement is not limited to those students who have been identified as gifted and talented, but rather is open to all students who demonstrate high ability and who may benefit from accelerated placement.

Eligibility for accelerated placement shall also be open to all students regardless of race, ethnicity, gender, religion, sexual orientation, disability, English language proficiency, or socioeconomic status.

"Early entrance to kindergarten" is the admission of a student to kindergarten who will not yet be five years old by September 1 of that school year.

"Early entrance to first grade" is the admission of a student to first grade who will not yet be six years old by September 1 of that school year, and who has not

D300 FY25 Consolidated District Plan

completed kindergarten. Students who are younger than six upon starting first grade but who were admitted early to kindergarten do not need to be reevaluated prior to admission to first grade.

"Individual subject acceleration" is the practice of assigning a student to specific content at a higher instructional level than is typical given the student's grade for the purpose of providing access to appropriately challenging learning opportunities in one or more subject areas.

"Whole grade acceleration" is the practice of assigning a student to a higher grade level than is typical given the student's age on a full-time basis for the purpose of providing access to appropriately challenging learning opportunities.

The referrer shall complete the referral form and submit it to the Principal.

The Principal shall then forward the referral form to the appropriate individuals so that the remaining sections may be completed. The submission of the referral intake form by the initial referrer starts the clock on the thirty (30) calendar day evaluation process.

Parental Consent is obtained via the referral form when the individual referring the student for evaluation is a student's parent or legal guardian. In the event the referral is made by school personnel, the school principal shall obtain written consent. The district shall evaluate all students who are referred for evaluation and whose parent(s) or legal guardian(s) have granted permission to evaluate the student for possible accelerated placement.

For students returning to the district, evaluation requests should be made in the fourth quarter of the previous school year, and the student shall be evaluated in advance of the start of the school year in order to start in the accelerated placement on the first day of school. In all other cases, including but not limited to students transferring into the district, evaluations of a referred student shall be completed within 30 calendar days of the referral. Placement in the accelerated setting shall be made for the current school year, if the referral is made within the first quarter. For all referrals submitted after the first quarter and approved for acceleration, student acceleration would not begin until the start of the next school year.

Evaluation Process: The team must utilize a fair and equitable decision-making process that involves multiple persons and includes a student's parents or guardians. This multi-person evaluation team is responsible for gathering relevant,

D300 FY25 Consolidated District Plan

reliable and comprehensive data in order to determine whether and what type of accelerated placement is appropriate for that student.

Multiple Evaluators/Decision Makers

A diverse evaluation team shall consist of multiple participants. Recommended team members include:

- Principal/assistant principal from the student's current school
- Most current teacher of that student
- School psychologist and/or school social worker
- District level administrator
- The student's parent/legal guardian shall be invited to participate in the evaluation process

Multiple Evaluation Criteria: The evaluation process shall include multiple valid, reliable indicators. For students referred for possible acceleration in an individual subject area, multiple assessments will be utilized, including, but not limited to: iReady diagnostic, iStation diagnostic, Devereux Student Strengths Assessment (DESSA), and available district and state assessments. For students referred for possible whole grade acceleration, in addition to the assessments listed for individual subject area acceleration (above) the team will also use of the The Cognitive Abilities Test (CogAT), a multiple-choice K-12 assessment that measures reasoning skills with different types of verbal, quantitative, and nonverbal questions. If any assessments are utilized as part of the evaluation process: A) the instruments shall be appropriate given the needs of the student (e.g., linguistically appropriate instruments should be used with English Learner students); B) any assessment accommodations to which the student may be entitled generally (e.g., by the terms of an IEP) shall be available during the evaluation for accelerated placement; and C) parents or guardians shall be notified about any assessments that will be conducted as part of the evaluation at the time that they are asked to consent in writing.

College and Career:

1. Describe how the district will facilitate effective transitions for students from middle grades to high school and from high school to postsecondary education including, if applicable: Coordination with institutions of higher education, employers, and other local partners **and** increased student access to early college, high school or dual or concurrent enrollment opportunities, or career counseling to identify student interests and skills.

D300 FY25 Consolidated District Plan

D300 provides transition experiences and support for all students during middle to high school transition and high school to postsecondary education through curriculum and supplemental enhancement programmatic options. D300 has a PaCE framework aligned scope and sequence for the use of SchoolLinks for college and career exploration starting with grade 6 through graduation. SchoolLinks is used in many courses such as AVID and College and Career Exploration in middle school and AVID, CTE, personal development, and College 101 courses in high school. D300 high schools welcome an average of 80+ plus college representatives (including military) at each campus each year. Local businesses are frequently in D300 schools participating in career talks, class presentations, and mentorships with D300 students. Many D300 middle schools host annual career days inviting local businesses, Chambers of Commerce, and organizations to the schools for career exposure. D300 students through specific classes and independent opportunities, have options for college campus visits including public and private, junior/community, and in-state and out of state institutions. D300 implemented a district-wide college and career counselor to support students and staff with college and career exposure. Some activities include: free college application night, site visits to technical college training schools, and FAFSA activities. D300 partners with Elgin Community College (ECC) to offer full time and part time dual credit college courses both in D300 schools and on ECC's campus. These courses are offered in general academics leading to an associate's degree as well as programs leading to industry certification (HVAC, CNA, welding). D300 partners with ABC School of Cosmetology to offer students industry training in one of four licensed areas: cosmetology, barbering, esthetics, and nail technology. Both ECC and ABC School of Cosmetology programs are offered to juniors and seniors.

2. Describe the district's support for programs that coordinate and integrate the following: Academic and career and technical education content through coordinated instructional strategies, that may incorporate experiential learning opportunities and promote skills attainment important to in-demand occupations or industries in the State; and work-based learning opportunities that provide students in-depth integration with industry professionals and, if appropriate, academic credit.

D300 offers Career and Technical Education (CTE) courses at all three high schools in the areas of business, family and consumer science, and industrial technology education. Furthermore, D300 offers students internship opportunities, cooperative education work programs, and cooperative work experience programs

D300 FY25 Consolidated District Plan

to meet student needs. D300 collaborates with local businesses, Chambers of Commerce, and organizations to facilitate these learning opportunities. Student participation in these programs is complimented by classroom experiences and, upon successful completion, students earn credit toward graduation. As an early exposure to careers, D300 students can participate in Exploratory Middle School courses that align with the National Career Clusters. All programs are available to any D300 student and are supported by appropriate D300 staff.

Safe Learning Environment:

1. Describe the process through which the district will: reduce incidences of bullying and harassment, reduce the overuse of discipline practices that remove students from the classroom, reduce the use of aversive behavioral interventions that compromise student health and safety; disaggregated by each subgroup of students as defined below.

D300 FY25 Consolidated District Plan

- each major racial and ethnic group
- economically disadvantaged students as compared to students who are not economically disadvantaged
- children with disabilities as compared to children without disabilities
- English proficiency status
- gender; and
- migrant status

District 300 prioritizes student health, welfare, and safety. The district educates students at all grade levels about bullying and harassment. Lessons are delivered to students through Social and Emotional lessons in the classroom along with educational speakers that focus specifically on these unacceptable behaviors. Threat assessment requirements met of training and assessment in collaboration with District Safety Offices. Students are informed how to report any instances they may experience and may do so anonymously if they prefer. The district administration reviews student discipline data regularly and monitors the various discipline practices administrators use. Focused training occurs quarterly with all administrators to educate and engage administrators in ways to continue reducing practices that remove students from the classroom. All administrators have been trained in Restorative Practices and use these practices to help students and staff resolve behavioral issues to keep students in the classroom more regularly. Restorative Practices, Love and Logic, and Crisis Prevention are all skills and strategies that the District supports and trains certificated and uncertificated employees that helps promote a more inclusive, safe and healthy environment for members of the school community. This coming year a push will be towards training staff in trauma informed practices with cultural awareness around DEI work.

2. Describe the services the district will provide homeless children and youth, including services provided with funds reserved to support the enrollment, attendance, and success of homeless children and youth, in coordination with the services the district is providing under the McKinney-Vento Homeless Assistance Act.

Title I Specific Pages:

1. Describe, in general, the targeted assistance and/or schoolwide programs the district will operate, as well as the goal of those programs. Where appropriate, please explain educational services outside such schools for children living in local institutions or community day programs for neglected or delinquent children.

Lakewood School, Golfview Elementary School, Meadowdale Elementary School, Parkview Elementary School, Perry Elementary School, Lake in the Hills Elementary, Oak Ridge School, Dundee Crown High School and Carpentersville Middle School operate as schoolwide programs. Their goal is to close the achievement gap for all of their sub groups as well as the entire school. Closing the achievement gap is done through data analysis. These schools consistently review their data at the school level as well as with the assistant superintendent for Title I schools. In addition they are given additional teachers who focus on closing the achievement gap through instructional coaching and small group instruction using proven intervention programs such as LLI (Leveled Literacy Intervention), Barton, and other proven programs as well as enrichment and reteach scheduled into the

D300 FY25 Consolidated District Plan

school day. In addition, before and/or after school programs are offered to students who have been identified as being below grade level and/or in need of additional social/emotional intervention. These students are enrolled in the additional programs based on their data. Summer school is also offered to students to reduce summer learning loss. Summer school may be but not limited to STEM Camp, Art Camp, Theater Camp and Music Camp. Research shows keeping students as active learners reduces summer learning loss. Field trips during the school year as well as in the summer are provided to increase students' background knowledge and increase their chances of making connections during their academic work in the areas of science, social studies and language arts. Field trips are aligned to the Common Core State Standards of each grade level and may address art and/or music. A family field trip may be offered in order to enrich the entire family and help parents support their child's learning. Schools conduct book studies to help the entire staff learn and move in the same direction. These books may address teaching strategies in academic areas, working with students of poverty, family engagement, professional learning communities, assessment and other areas addressed in the school's school improvement plan. Teachers work collaboratively on updating curriculum annually. The most effective model for instruction of English learners is dual language education. In a dual language program, students develop high levels of language proficiency in two languages (English and Spanish) , they achieve above grade level on academic performance measures and they demonstrate positive cross-cultural attitudes and behaviors.

Family school liaisons (FSLs) are placed at each Title I school. Their role is to focus on family engagement. They interpret and translate to make sure parents are communicated with in their first language. FSLs work with parents with issues such as attendance, school communication, school documents and paperwork, and provide information and explanations of school policy and procedures. Provides information for families and school district staff and faculty with situations involving attendance, late arrivals, truancy, grade, progress reports, teacher conferences, illness situations, and interaction with administration, special events, and any other situation warranting Liaison needs. Schedule, organize and promote school activities to increase participation in various activities such as Parent Nights, monthly family night, and other school events Assist families in crisis by securing basic need items for them; distribute donated clothing, food, seasonal gifts, and other items; conduct home visits to families. Assist families and students with the registration process and adapting to their new school. Recruit parents and

D300 FY25 Consolidated District Plan

community member volunteers and coordinate schedules to efficiently use volunteer time and services. Act as an advocate for families, educate parents and students of their rights, available services, and assist families in finding community resources. Provide information and assistance to families to increase their understanding of and participation in the educational process.

COMMUNITY UNIT SCHOOL DISTRICT NO. 300 BOARD of EDUCATION MEMO

TO: Dr. Susan Harkin, Superintendent
Board of Education

Director of Facilities

Presented at the following Board Meetings

BOE 1 st Reading	5/14/2024
BOE 2 nd Reading	5/28/2024

SUBJECT: Facility Rental Agreement 2024-2025

Background

Every year, the District reviews its Facility Rental Agreement to update verbiage, assess spaces that are available and to set the fees for the next school year. Through this process we demonstrate a commitment to fairness and affordability for the community we serve by making sure the spaces that are available and rates are regionally competitive. We have looked at eight surrounding school districts costs and spaces made available for rental. We found that the spaces made available are comparable with what we offer our community. Most of the districts have not increased their rates since the 2019/2020 school year. Any changes recommended are reviewed and approved by our District's Insurance Companies representatives.

Recommendation

The administration recommends approving the 24-25 Facility Rental Agreement with the following

- Remove duplicate language dealing with food trucks (pg 4)
 - The use of third parties by lessees, such as food trucks, needs to be vetted by the local municipality and could require a permit. Any costs associated with a third party are at the lessee's expense and liability. Proof of insurance is required and must list Community Unit School District 300 as the additional insured.
- Maintain all current rates from the 2023-2024 school year Facility Rental Agreement

Fiscal Impact

There are no changes to the facility rental fees.

I would like to see your criteria for determining your short list, and your justification for only selecting the two companies CDWG & Vivacity for that list. Lastly, I would like to see your justification for choosing a model that cost the school district nearly 25% more than vendors like Trafera quoted, thus costing tax payers over \$2M more.	Pending

SUBJECT: Dundee Crown High School Track Resurfacing

Background

Working with the High School Associate Principals of Operations, Building Managers, and Athletic Directors, the Facilities department monitors all three high school tracks to maintain proper and safe athletic competition surfaces.

The Dundee Crown, High School track, is scheduled on the Master Facility Plan to be replaced due to wear and tear. After consulting with several track vendors, we determined that the track surface down to the base must be completely removed and replaced. During the discussion with school administrators, we were informed of two issues with the current layout.

1. The track does not have a standard finish line. Without a common finish line, Dundee Crown has not been able to host any sectional or regional meets. For reference, Hampshire and Jacobs High School tracks both have standard finish lines.
2. The area around the high jump pit needs to be expanded. Due to the size of the area, athletes must start on the grass.

A bid package for the resurfacing and additional asphalt for both work areas was released in early March and opened on April 11th. Midwest Track Builders was the lone bidder; their cost is \$173,140.00

Recommendation

The administration recommends approving Midwest Track Builders' bid of \$173,140.00. This will be paid out of Operations and Maintenance Fund 20.

Fiscal Impact

\$173,140.00 - Operations and Maintenance Fund 20.

SUBJECT: Alternative Transportation Companies Contracts

Background

The District began its partnership with an alternate transportation company in 2007. We have partnered with alternative transportation companies to assist us with our significant demand for student transportation needs. Having additional transportation partners committed to meeting all students' needs is necessary. We have numerous McKinney/Vento students and students attending multiple schools outside district boundaries. With the partnership of these companies, we can meet all of our student's needs.

Each driver, with all companies, holds a valid school bus permit and is subject to fingerprinting, background checks, and a yearly refresher course as required by the state of IL. These are the exact requirements of a school bus driver, except an alternate transportation driver does not need to have a CDL endorsement.

The quotes from each company, American Taxi, Axess Transportation, and Everdriven, for their services are included in the packet. Everdriven's rates have only increased from last year, and we do not use it unless necessary. American Taxi and Axess Transportation have held their prices for a second year.

This use of these services has significantly decreased due to Durham School Services' staffing improvements. They have added routes and transitioned most of our special needs students and many McK/Vento students to school bus transportation.

Administrative Recommendation

The Administration recommends approval of the contracts as provided.

Fiscal Impact

The total cost of our alternative transportation services in the 2022-2023 school year was \$1,084,681.00, and the total cost for the 2023-2024 school year is estimated to be \$690,950.00. These services are paid for through the Transportation Fund (Fund 40) and are claimable for reimbursement from the state.

SUBJECT: Approval of Alternate Transportation Companies Contracts

Background

The District has partnered with Alternate Transportation companies since 2007 to assist us with our transportation needs. With the current employee shortage that we are navigating, having additional transportation partners committed to safe student transportation is a necessity. We have a large number of McKinney/Vento students and students attending multiple out-of-district schools to meet their needs. Without the partnership of these companies, it would be impossible for us to meet all of the unique needs of our student population.

Each driver, with all companies, holds a valid School Bus Permit and is subject to fingerprinting and background check and the yearly refresher course as required by the state of IL. These are the exact requirements of a School Bus Driver, except an Alternate Transportation Driver is not required to have a CDL endorsement.

The quotes from each company, ALC, American Taxi, Axess Transportation, and School Bells, are included in the packet for their services.

However, for a resident alien, sole proprietor, or disregarded entity, see the instructions for Part I, later. For other entities, it is your employer identification number (EIN). If you do not have a number, see *How to get a TIN*, later.

Part II Certification

Under penalties of perjury, I certify that:

1. The number shown on this form is my correct taxpayer identification number (or I am waiting for a number to be issued to me); and
2. I am not subject to backup withholding because: (a) I am exempt from backup withholding, or (b) I have not been notified by the Internal Revenue Service (IRS) that I am subject to backup withholding as a result of a failure to report all interest or dividends, or (c) the IRS has notified me that I am no longer subject to backup withholding; and

For real estate transactions, item 2 does not apply. For mortgage interest paid, acquisition or abandonment of secured property, cancellation of debt, contributions to an individual retirement arrangement (IRA), and generally, payments other than interest and dividends, you are not required to sign the certification, but you must provide your correct TIN. General Instructions

Section references are to the Internal Revenue Code unless otherwise noted.

Future developments. For the latest information about developments related to Form W-9 and its instructions, such as legislation enacted after they were published, go to www.irs.gov/FormW9.

Purpose of Form

An individual or entity (Form W-9 requester) who is required to file an information return with the IRS must obtain your correct taxpayer identification number (TIN) which may be your social security number (SSN), individual taxpayer identification number (ITIN), adoption taxpayer identification number (ATIN), or employer identification number (EIN), to report on an information return the amount paid to you, or other amount reportable on an information return. Examples of information returns include, but are not limited to, the following.

- Form 1099-INT (interest earned or paid)

- Form 1099-DIV (dividends, including those from stocks or mutual funds)
- Form 1099-MISC (various types of income, prizes, awards, or gross proceeds)
- Form 1099-B (stock or mutual fund sales and certain other transactions by brokers)
- Form 1099-S (proceeds from real estate transactions)
- Form 1099-K (merchant card and third party network transactions)
- Form 1098 (home mortgage interest), 1098-E (student loan interest), 1098-T (tuition)
- Form 1099-C (canceled debt)
- Form 1099-A (acquisition or abandonment of secured property)

Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN.

If you do not return Form W-9 to the requester with a TIN, you might be subject to backup withholding. See What is backup withholding, later.

By signing the filled-out form, you:

1. Certify that the TIN you are giving is correct (or you are waiting for a number to be issued),
2. Certify that you are not subject to backup withholding, or
3. Claim exemption from backup withholding if you are a U.S. exempt payee. If applicable, you are also certifying that as a U.S. person, your allocable share of any partnership income from a U.S. trade or business is not subject to the withholding tax on foreign partners' share of effectively connected income, and
4. Certify that FATCA code(s) entered on this form (if any) indicating that you are exempt from the FATCA reporting, is correct. See *What is FATCA reporting*, later, for further information.

Note: If you are a U.S. person and a requester gives you a form other than Form W-9 to request your TIN, you must use the requester's form if it is substantially similar to this Form W-9.

Definition of a U.S. person. For federal tax purposes, you are considered a U.S. person if you are:

- An individual who is a U.S. citizen or U.S. resident alien;
- A partnership, corporation, company, or association created or organized in the United States or under the laws of the United States;
- An estate (other than a foreign estate); or
- A domestic trust (as defined in Regulations section 301.7701-7).

Special rules for partnerships. Partnerships that conduct a trade or business in the United States are generally required to pay a withholding tax under section 1446 on any foreign partners' share of effectively connected taxable income from such business. Further, in certain cases where a Form W-9 has not been received, the rules under section 1446 require a partnership to presume that a partner is a foreign person, and pay the section 1446 withholding tax. Therefore, if you are a U.S. person that is a partner in a partnership conducting a trade or business in the United States, provide Form W-9 to the partnership to establish your U.S. status and avoid section 1446 withholding on your share of partnership income.

In the cases below, the following person must give Form W-9 to the partnership for purposes of establishing its U.S. status and avoiding withholding on its allocable share of net income from the partnership conducting a trade or business in the United States.

- In the case of a disregarded entity with a U.S. owner, the U.S. owner of the disregarded entity and not the entity;
- In the case of a grantor trust with a U.S. grantor or other U.S. owner, generally, the U.S. grantor or other U.S. owner of the grantor trust and not the trust; and
- In the case of a U.S. trust (other than a grantor trust), the U.S. trust (other than a grantor trust) and not the beneficiaries of the trust.

Foreign person. If you are a foreign person or the U.S. branch of a foreign bank that has elected to be treated as a U.S. person, do not use Form W-9. Instead, use the appropriate Form W-8 or Form 8233 (see Pub. 515, *Withholding of Tax on Nonresident Aliens and Foreign Entities*).

Nonresident alien who becomes a resident alien. Generally, only a nonresident alien individual may use the terms of a tax treaty to reduce or eliminate U.S. tax on certain types of income. However, most tax treaties contain a provision known as a "saving clause." Exceptions specified in the saving clause may permit an exemption from tax to continue for certain types of income even after the payee has otherwise become a U.S. resident alien for tax purposes.

If you are a U.S. resident alien who is relying on an exception contained in the saving clause of a tax treaty to claim an exemption from U.S. tax on certain types of income, you must attach a statement to Form W-9 that specifies the following five items.

1. The treaty country. Generally, this must be the same treaty under which you claimed exemption from tax as a nonresident alien.
2. The treaty article addressing the income.
3. The article number (or location) in the tax treaty that contains the saving clause and its exceptions.
4. The type and amount of income that qualifies for the exemption from tax.
5. Sufficient facts to justify the exemption from tax under the terms of the treaty article.

Example. Article 20 of the U.S.-China income tax treaty allows an exemption from tax for scholarship income received by a Chinese student temporarily present in the United States. Under U.S. law, this student will become a resident alien for tax purposes if his or her stay in the United States exceeds 5 calendar years. However, paragraph 2 of the first Protocol to the U.S.-China treaty (dated April 30, 1984) allows the provisions of Article 20 to continue to apply even after the Chinese student becomes a resident alien of the United States. A Chinese student who qualifies for this exception (under paragraph 2 of the first protocol) and is relying on this exception to claim an exemption from tax on his or her scholarship or fellowship income would attach to Form W-9 a statement that includes the information described above to support that exemption.

If you are a nonresident alien or a foreign entity, give the requester the appropriate completed Form W-8 or Form 8233.

Backup Withholding

What is backup withholding? Persons making certain payments to you must under certain conditions withhold and pay to the IRS 24% of such payments. This is called "backup withholding." Payments that may be subject to backup withholding include interest, tax-exempt interest, dividends, broker and barter exchange transactions, rents, royalties, nonemployee pay, payments made in settlement of payment card and third party network transactions, and certain payments from fishing boat operators. Real estate transactions are not subject to backup withholding.

You will not be subject to backup withholding on payments you receive if you give the requester your correct TIN, make the proper certifications, and report all your taxable interest and dividends on your tax return.

Payments you receive will be subject to backup withholding if:

1. You do not furnish your TIN to the requester,
2. You do not certify your TIN when required (see the instructions for Part II for details),
3. The IRS tells the requester that you furnished an incorrect TIN,
4. The IRS tells you that you are subject to backup withholding because you did not report all your interest and dividends on your tax return (for reportable interest and dividends only), or
5. You do not certify to the requester that you are not subject to backup withholding under 4 above (for reportable interest and dividend accounts opened after 1983 only).

Certain payees and payments are exempt from backup withholding. See *Exempt payee code*, later, and the separate Instructions for the Requester of Form W-9 for more information.

Also see *Special rules for partnerships*, earlier.

What is FATCA Reporting?

The Foreign Account Tax Compliance Act (FATCA) requires a participating foreign financial institution to report all United States account holders that are specified United States persons. Certain payees are exempt from FATCA reporting. See *Exemption from FATCA reporting code*, later, and the Instructions for the Requester of Form W-9 for more information.

Updating Your Information

You must provide updated information to any person to whom you claimed to be an exempt payee if you are no longer an exempt payee and anticipate receiving reportable payments in the future from this person. For example, you may need to provide updated information if you are a C corporation that elects to be an S corporation, or if you no longer are tax exempt. In addition, you must furnish a new Form W-9 if the name or TIN changes for the account; for example, if the grantor of a grantor trust dies.

Penalties

Failure to furnish TIN. If you fail to furnish your correct TIN to a requester, you are subject to a penalty of \$50 for each such failure unless your failure is due to reasonable cause and not to willful neglect.

Civil penalty for false information with respect to withholding. If you make a false statement with no reasonable basis that results in no backup withholding, you are subject to a \$500 penalty.

Criminal penalty for falsifying information. Willfully falsifying certifications or affirmations may subject you to criminal penalties including fines and/or imprisonment.

Misuse of TINs. If the requester discloses or uses TINs in violation of federal law, the requester may be subject to civil and criminal penalties.

Specific Instructions

Line 1

You must enter one of the following on this line; **do not** leave this line blank. The name should match the name on your tax return.

If this Form W-9 is for a joint account (other than an account maintained by a foreign financial institution (FFI)), list first, and then circle, the name of the person or entity whose number you entered in Part I of Form W-9. If you are providing Form W-9 to an FFI to document a joint account, each holder of the account that is a U.S. person must provide a Form W-9.

a. **Individual.** Generally, enter the name shown on your tax return. If you have changed your last name without informing the Social Security Administration (SSA) of the name change, enter your first name, the last name as shown on your social security card, and your new last name.

Note: ITIN applicant: Enter your individual name as it was entered on your Form W-7 application, line 1a. This should also be the same as the name you entered on the Form 1040/1040A/1040EZ you filed with your application.

b. **Sole proprietor or single-member LLC.** Enter your individual name as shown on your 1040/1040A/1040EZ on line 1. You may enter your business, trade, or "doing business as" (DBA) name on line 2.

c. **Partnership, LLC that is not a single-member LLC, C corporation, or S corporation.** Enter the entity's name as shown on the entity's tax return on line 1 and any business, trade, or DBA name on line 2.

d. **Other entities.** Enter your name as shown on required U.S. federal tax documents on line 1. This name should match the name shown on the charter or other legal document creating the entity. You may enter any business, trade, or DBA name on line 2.

e. **Disregarded entity.** For U.S. federal tax purposes, an entity that is disregarded as an entity separate from its owner is treated as a "disregarded entity." See Regulations section 301.7701-2(c)(2)(iii). Enter the owner's name on line 1. The name of the entity entered on line 1 should never be a disregarded entity. The name on line 1 should be the name shown on the income tax return on which the income should be reported. For example, if a foreign LLC that is treated as a disregarded entity for U.S. federal tax purposes has a single owner that is a U.S. person, the U.S. owner's name is required to be provided on line 1. If the direct owner of the entity is also a disregarded entity, enter the first owner that is not disregarded for federal tax purposes. Enter the disregarded entity's name on line 2, "Business name/disregarded entity name." If the owner of the disregarded entity is a foreign person, the owner must complete an appropriate Form W-8 instead of a Form W-9. This is the case even if the foreign person has a U.S. TIN.

Line 2

If you have a business name, trade name, DBA name, or disregarded entity name, you may enter it on line 2.

Line 3

Check the appropriate box on line 3 for the U.S. federal tax classification of the person whose name is entered on line 1. Check only one box on line 3.

IF the entity/person on line 1 is a(n) . . .	THEN check the box for . . .

• Individual • Sole proprietorship, or • Single-member limited liability company (LLC) owned by an individual and disregarded for U.S. federal tax purposes.	Individual/sole proprietor or single-member LLC
• LLC treated as a partnership for U.S. federal tax purposes, • LLC that has filed Form 8832 or 2553 to be taxed as a corporation, or • LLC that is disregarded as an entity separate from its owner but the owner is another LLC that is not disregarded for U.S. federal tax purposes. Exemption from FATCA reporting code. The following codes identify payees that are exempt from reporting under FATCA. These codes apply to persons submitting this form for accounts maintained outside of the United States by certain foreign financial institutions. Therefore, if you are only submitting this form for an account you hold in the United States, you may leave this field blank. Consult with the person requesting this form if you are uncertain if the financial institution is subject to these requirements. A requester may indicate that a code is not required by providing you with a Form W-9 with "Not Applicable" (or any similar indication) written or printed on the line for a FATCA exemption code.

Note: You may wish to consult with the financial institution requesting this form to determine whether the FATCA code and/or exempt payee code should be completed.

Line 5

Enter your address (number, street, and apartment or suite number). This is where the requester of this Form W-9 will mail your information returns. If this address differs from the one the requester already has on file, write NEW at the top. If a new address is provided, there is still a chance the old address will be used until the payor changes your address in their records.

Line 6

Enter your city, state, and ZIP code.

Part I. Taxpayer Identification Number (TIN)

Enter your TIN in the appropriate box. If you are a resident alien and you do not have and are not eligible to get an SSN, your TIN is your IRS individual taxpayer identification number (ITIN). Enter it in the social security number box. If you do not have an ITIN, see *How to get a TIN* below.

If you are a sole proprietor and you have an EIN, you may enter either your SSN or EIN.

If you are a single-member LLC that is disregarded as an entity separate from its owner, enter the owner's SSN (or EIN, if the owner has one). Do not enter the disregarded entity's EIN. If the LLC is classified as a corporation or partnership, enter the entity's EIN.

Note: See *What Name and Number To Give the Requester*, later, for further clarification of name and TIN combinations.

How to get a TIN. If you do not have a TIN, apply for one immediately. To apply for an SSN, get Form SS-5, Application for a Social Security Card, from your local SSA office or get this form online at www.SSA.gov. You may also get this form by calling 1-800-772-1213. Use Form W-7, Application for IRS Individual Taxpayer Identification Number, to apply for an ITIN, or Form SS-4, Application for Employer Identification Number, to apply for an EIN. You can apply for an EIN online by accessing the IRS website at www.irs.gov/Businesses and clicking on Employer Identification Number (EIN) under Starting a Business. Go to www.irs.gov/Forms to view, download, or print Form W-7 and/or Form SS-4. Or, you can go to www.irs.gov/OrderForms to place an order and have Form W-7 and/or SS-4 mailed to you within 10 business days.

If you are asked to complete Form W-9 but do not have a TIN, apply for a TIN and write "Applied For" in the space for the TIN, sign and date the form, and give it to the requester. For interest and dividend payments, and certain payments made with respect to readily tradable instruments, generally you will have 60 days to get a TIN and give it to the requester before you are subject to backup withholding on payments. The 60-day rule does not apply to other types of payments. You will be subject to backup withholding on all such payments until you provide your TIN to the requester.

Note: Entering "Applied For" means that you have already applied for a TIN or that you intend to apply for one soon.

Caution: A disregarded U.S. entity that has a foreign owner must use the appropriate Form W-8.

Part II. Certification

To establish to the withholding agent that you are a U.S. person, or resident alien, sign Form W-9. You may be requested to sign by the withholding agent even if item 1, 4, or 5 below indicates otherwise.

For a joint account, only the person whose TIN is shown in Part I should sign (when required). In the case of a disregarded entity, the person identified on line 1 must sign. Exempt payees, see *Exempt payee code*, earlier.

Signature requirements. Complete the certification as indicated in items 1 through 5 below.

1. Interest, dividend, and barter exchange accounts opened before 1984 and broker accounts considered active during 1983. You must give your correct TIN, but you do not have to sign the certification.

2. Interest, dividend, broker, and barter exchange accounts opened after 1983 and broker accounts considered inactive during 1983. You must sign the certification or backup withholding will apply. If you are subject to backup withholding and you are merely providing your correct TIN to the requester, you must cross out item 2 in the certification before signing the form.

3. Real estate transactions. You must sign the certification. You may cross out item 2 of the certification.

4. Other payments. You must give your correct TIN, but you do not have to sign the certification unless you have been notified that you have previously given an incorrect TIN. "Other payments" include payments made in the course of the requester's trade or business for rents, royalties, goods (other than bills for merchandise), medical and health care services (including payments to corporations), payments to a nonemployee for services, payments made in settlement of payment card and third party network transactions, payments to certain fishing boat crew members and fishermen, and gross proceeds paid to attorneys (including payments to corporations).

5. Mortgage interest paid by you, acquisition or abandonment of secured property, cancellation of debt, qualified tuition program payments (under section 529), ABLE accounts (under section 529A), IRA, Coverdell ESA, Archer MSA or HSA contributions or distributions, and pension distributions. You must give your correct TIN, but you do not have to sign the certification.

Secure Your Tax Records From Identity Theft

Identity theft occurs when someone uses your personal information such as your name, SSN, or other identifying information, without your permission, to commit fraud or other crimes. An identity thief may use your SSN to get a job or may file a tax return using your SSN to receive a refund.

To reduce your risk:

- Protect your SSN,
- Ensure your employer is protecting your SSN, and
- Be careful when choosing a tax preparer.

If your tax records are affected by identity theft and you receive a notice from the IRS, respond right away to the name and phone number printed on the IRS notice or letter.

If prior to the date of termination stated in said notice, the District notifies the Contractor that the defect has been cured, the Contract will not terminate on the date stated in the notice but will be deemed to have remained in effect as of the date such notice was given. In the event the District does not so notify the Contractor that the defect has been cured, this Contract shall be terminated without further action by the District on the date of termination stated in notice.

3. The date of termination stated in the notice of intent to declare the Contractor in default, as provided in "2" above, may not be sooner than thirty (30) calendar days following the date of such notice unless there is a failure by the Contractor to provide the services required by this Contract which affect twenty-five per cent (25%) or more of the routes assigned to the Contractor, in which event the date of termination may be five (5) calendar days following the date of such notice.

American Taxi Dispatch, Inc. School Transportation

American Taxi Dispatch has been providing school transportation services for over 25 years. We service school districts for students from elementary school through high school. American Taxi Dispatch currently has over 50 SBP drivers dedicated to school transportation.

- ***Experienced School Transportation Staff, Connecting Students and Drivers-***

We have an established school transportation department, with methods and protocols to efficiently manage the needs of our school districts.

Our school department hours are 6am-8pm, Monday-Friday. We do have American Taxi dispatchers available 24/7, for any additional requests after hours.

- ***Certified and Experienced School Drivers-***

We have over 50 School Bus Certified Drivers, every year. The drivers have completed a background check, physical and drug test. All background checks are also monitored and any change in status is reported promptly to American Taxi at that time. As the demand for alternative school transportation continues to grow, our certified driver number increases each year. Many of our veteran drivers have been dedicated to school transportation for over 25 years.

American Taxi has in-house training for school drivers, school bus permit certification courses with state approved training officials, and refresher courses with state approved training officials for any driver who needs to renew school bus permit certification.

We arrange training courses with different school districts and annual meetings at American Taxi's office.

- ***Safety Lane Inspection and Vehicle Maintenance-***

All vehicles are required to obtain a safety lane check by the State of Illinois. American Taxi has regular quality control checks, maintaining the condition and cleanliness of all vehicles. American Taxi shall ensure that all vehicles are maintained in a safe and clean condition, and in compliance with government regulations.

- ***Communication and GPS-***

All cars are equipped with cell phones as well as an advanced MDT communication system (Mobile Data Terminal), which provides two-way communication, GPS tracking and navigation for the driver. This allows for quick and efficient communication between our school department and the driver. We have recently produced a ***School Tracking App (ATSchool App)***, available at Google or Apple app store. Our school App is available for school administrators, parents and students to easily track their school car.

- ***Procedures for Handling Emergencies-***

- The driver will contact American Taxi school dispatch in case of any accident or emergency.
- Dispatch will contact the school district and parents.
- The driver is required to bring a police report and written statement explaining the accident.
- All information is shared with the school district immediately.

- ***Damage (Malicious)***

American Taxi will be able to accommodate and work with the district if any damages were to incur from student vandalism, while maintaining non-liability for the district.

- ***Insurance Coverage***

American Taxi has Each School District Additionally Insured

Insurance policies, providing school district indemnity for any loss that may occur. Policy coverage is 1 million dollars. Additionally, American Taxi has procured an umbrella liability policy making the aggregate \$5,000,000.

- ***Billing, Mileage Report and Additional Documents-***

We produce a monthly or Bi-weekly invoice for all school rides. If there are special instructions, with billing we can accommodate. We also provide a yearly mileage report, by request. SUBJECT: Approval of Alternate Transportation Companies Contracts

Background

The District has partnered with Alternate Transportation companies since 2007 to assist us with our transportation needs. With the current employee shortage that we are navigating, having additional transportation partners committed to safe student transportation is a necessity. We have a large number of McKinney/Vento students and students attending multiple out-of-district schools to meet their needs. Without the partnership of these companies, it would be impossible for us to meet all of the unique needs of our student population.

Each driver, with all companies, holds a valid School Bus Permit and is subject to fingerprinting and background check and the yearly refresher course as required by the state of IL. These are the exact requirements of a School Bus Driver, except an Alternate Transportation Driver is not required to have a CDL endorsement.

The quotes from each company, ALC, American Taxi, Axess Transportation, and School Bells, are included in the packet for their services.

Administrative Recommendation

The administration recommends approval of the contract.

General Instructions

Section references are to the Internal Revenue Code unless otherwise noted.

Future developments. For the latest information about developments related to Form W-9 and its instructions, such as legislation enacted after they were published, go to www.irs.gov/FormW9.

Purpose of Form

An individual or entity (Form W-9 requester) who is required to file an information return with the IRS must obtain your correct taxpayer identification number (TIN) which may be your social security number (SSN), individual taxpayer identification number (ITIN), adoption taxpayer identification number (ATIN), or employer identification number (EIN), to report on an information return the amount paid to you, or other amount reportable on an information return. Examples of information returns include, but are not limited to, the following.

- Form 1099-INT (interest earned or paid)

- Form 1099-DIV (dividends, including those from stocks or mutual funds)
- Form 1099-MISC (various types of income, prizes, awards, or gross proceeds)
- Form 1099-B (stock or mutual fund sales and certain other transactions by brokers)
- Form 1099-S (proceeds from real estate transactions)
- Form 1099-K (merchant card and third party network transactions)
- Form 1098 (home mortgage interest), 1098-E (student loan interest), 1098-T (tuition)
- Form 1099-C (canceled debt)
- Form 1099-A (acquisition or abandonment of secured property)

Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN.

If you do not return Form W-9 to the requester with a TIN, you might be subject to backup withholding. See What is backup withholding, later.

By signing the filled-out form, you:

1. Certify that the TIN you are giving is correct (or you are waiting for a number to be issued),
2. Certify that you are not subject to backup withholding, or
3. Claim exemption from backup withholding if you are a U.S. exempt payee. If applicable, you are also certifying that as a U.S. person, your allocable share of any partnership income from a U.S. trade or business is not subject to the withholding tax on foreign partners' share of effectively connected income, and
4. Certify that FATCA code(s) entered on this form (if any) indicating that you are exempt from the FATCA reporting, is correct. See *What is FATCA reporting*, later, for further information.

Note: If you are a U.S. person and a requester gives you a form other than Form W-9 to request your TIN, you must use the requester's form if it is substantially similar to this Form W-9.

Definition of a U.S. person. For federal tax purposes, you are considered a U.S. person if you are:

- An individual who is a U.S. citizen or U.S. resident alien;
- A partnership, corporation, company, or association created or organized in the United States or under the laws of the United States;
- An estate (other than a foreign estate); or
- A domestic trust (as defined in Regulations section 301.7701-7).

Special rules for partnerships. Partnerships that conduct a trade or business in the United States are generally required to pay a withholding tax under section 1446 on any foreign partners' share of effectively connected taxable income from such business. Further, in certain cases where a Form W-9 has not been received, the rules under section 1446 require a partnership to presume that a partner is a foreign person, and pay the section 1446 withholding tax. Therefore, if you are a U.S. person that is a partner in a partnership conducting a trade or business in the United States, provide Form W-9 to the partnership to establish your U.S. status and avoid section 1446 withholding on your share of partnership income.

In the cases below, the following person must give Form W-9 to the partnership for purposes of establishing its U.S. status and avoiding withholding on its allocable share of net income from the partnership conducting a trade or business in the United States.

- In the case of a disregarded entity with a U.S. owner, the U.S. owner of the disregarded entity and not the entity;
- In the case of a grantor trust with a U.S. grantor or other U.S. owner, generally, the U.S. grantor or other U.S. owner of the grantor trust and not the trust; and
- In the case of a U.S. trust (other than a grantor trust), the U.S. trust (other than a grantor trust) and not the beneficiaries of the trust.

Foreign person. If you are a foreign person or the U.S. branch of a foreign bank that has elected to be treated as a U.S. person, do not use Form W-9. Instead, use the appropriate Form W-8 or Form 8233 (see Pub. 515, *Withholding of Tax on Nonresident Aliens and Foreign Entities*).

Nonresident alien who becomes a resident alien. Generally, only a nonresident alien individual may use the terms of a tax treaty to reduce or eliminate U.S. tax on certain types of income. However, most tax treaties contain a provision known as a "saving clause." Exceptions specified in the saving clause may permit an exemption from tax to continue for certain types of income even after the payee has otherwise become a U.S. resident alien for tax purposes.

If you are a U.S. resident alien who is relying on an exception contained in the saving clause of a tax treaty to claim an exemption from U.S. tax on certain types of income, you must attach a statement to Form W-9 that specifies the following five items.

1. The treaty country. Generally, this must be the same treaty under which you claimed exemption from tax as a nonresident alien.
2. The treaty article addressing the income.
3. The article number (or location) in the tax treaty that contains the saving clause and its exceptions.
4. The type and amount of income that qualifies for the exemption from tax.
5. Sufficient facts to justify the exemption from tax under the terms of the treaty article.

Example. Article 20 of the U.S.-China income tax treaty allows an exemption from tax for scholarship income received by a Chinese student temporarily present in the United States. Under U.S. law, this student will become a resident alien for tax purposes if his or her stay in the United States exceeds 5 calendar years. However, paragraph 2 of the first Protocol to the U.S.-China treaty (dated April 30, 1984) allows the provisions of Article 20 to continue to apply even after the Chinese student becomes a resident alien of the United States. A Chinese student who qualifies for this exception (under paragraph 2 of the first protocol) and is relying on this exception to claim an exemption from tax on his or her scholarship or fellowship income would attach to Form W-9 a statement that includes the information described above to support that exemption.

If you are a nonresident alien or a foreign entity, give the requester the appropriate completed Form W-8 or Form 8233.

Backup Withholding

What is backup withholding? Persons making certain payments to you must under certain conditions withhold and pay to the IRS 24% of such payments. This is called "backup withholding." Payments that may be subject to backup withholding include interest, tax-exempt interest, dividends, broker and barter exchange transactions, rents, royalties, nonemployee pay, payments made in settlement of payment card and third party network transactions, and certain payments from fishing boat operators. Real estate transactions are not subject to backup withholding.

You will not be subject to backup withholding on payments you receive if you give the requester your correct TIN, make the proper certifications, and report all your taxable interest and dividends on your tax return.

Payments you receive will be subject to backup withholding if:

1. You do not furnish your TIN to the requester,
2. You do not certify your TIN when required (see the instructions for Part II for details),
3. The IRS tells the requester that you furnished an incorrect TIN,
4. The IRS tells you that you are subject to backup withholding because you did not report all your interest and dividends on your tax return (for reportable interest and dividends only), or
5. You do not certify to the requester that you are not subject to backup withholding under 4 above (for reportable interest and dividend accounts opened after 1983 only).

Certain payees and payments are exempt from backup withholding. See *Exempt payee code*, later, and the separate Instructions for the Requester of Form W-9 for more information.

Also see *Special rules for partnerships*, earlier.

What is FATCA Reporting?

The Foreign Account Tax Compliance Act (FATCA) requires a participating foreign financial institution to report all United States account holders that are specified United States persons. Certain payees are exempt from FATCA reporting. See *Exemption from FATCA reporting code*, later, and the Instructions for the Requester of Form W-9 for more information.

Updating Your Information

You must provide updated information to any person to whom you claimed to be an exempt payee if you are no longer an exempt payee and anticipate receiving reportable payments in the future from this person. For example, you may need to provide updated information if you are a C corporation that elects to be an S corporation, or if you no longer are tax exempt. In addition, you must furnish a new Form W-9 if the name or TIN changes for the account; for example, if the grantor of a grantor trust dies.

Penalties

Failure to furnish TIN. If you fail to furnish your correct TIN to a requester, you are subject to a penalty of \$50 for each such failure unless your failure is due to reasonable cause and not to willful neglect.

Civil penalty for false information with respect to withholding. If you make a false statement with no reasonable basis that results in no backup withholding, you are subject to a \$500 penalty.

Criminal penalty for falsifying information. Willfully falsifying certifications or affirmations may subject you to criminal penalties including fines and/or imprisonment.

Misuse of TINs. If the requester discloses or uses TINs in violation of federal law, the requester may be subject to civil and criminal penalties.

Specific Instructions

Line 1

You must enter one of the following on this line; **do not** leave this line blank. The name should match the name on your tax return.

If this Form W-9 is for a joint account (other than an account maintained by a foreign financial institution (FFI)), list first, and then circle, the name of the person or entity whose number you entered in Part I of Form W-9. If you are providing Form W-9 to an FFI to document a joint account, each holder of the account that is a U.S. person must provide a Form W-9.

a. **Individual.** Generally, enter the name shown on your tax return. If you have changed your last name without informing the Social Security Administration (SSA) of the name change, enter your first name, the last name as shown on your social security card, and your new last name.

Note: ITIN applicant: Enter your individual name as it was entered on your Form W-7 application, line 1a. This should also be the same as the name you entered on the Form 1040/1040A/1040EZ you filed with your application.

b. **Sole proprietor or single-member LLC.** Enter your individual name as shown on your 1040/1040A/1040EZ on line 1. You may enter your business, trade, or "doing business as" (DBA) name on line 2.

c. **Partnership, LLC that is not a single-member LLC, C corporation, or S corporation.** Enter the entity's name as shown on the entity's tax return on line 1 and any business, trade, or DBA name on line 2.

d. **Other entities.** Enter your name as shown on required U.S. federal tax documents on line 1. This name should match the name shown on the charter or other legal document creating the entity. You may enter any business, trade, or DBA name on line 2.

e. **Disregarded entity.** For U.S. federal tax purposes, an entity that is disregarded as an entity separate from its owner is treated as a "disregarded entity." See Regulations section 301.7701-2(c)(2)(iii). Enter the owner's name on line 1. The name of the entity entered on line 1 should never be a disregarded entity. The name on line 1 should be the name shown on the income tax return on which the income should be reported. For example, if a foreign LLC that is treated as a disregarded entity for U.S. federal tax purposes has a single owner that is a U.S. person, the U.S. owner's name is required to be provided on line 1. If the direct owner of the entity is also a disregarded entity, enter the first owner that is not disregarded for federal tax purposes. Enter the disregarded entity's name on line 2, "Business name/disregarded entity name." If the owner of the disregarded entity is a foreign person, the owner must complete an appropriate Form W-8 instead of a Form W-9. This is the case even if the foreign person has a U.S. TIN.

Line 2

If you have a business name, trade name, DBA name, or disregarded entity name, you may enter it on line 2.

Line 3

Check the appropriate box on line 3 for the U.S. federal tax classification of the person whose name is entered on line 1. Check only one box on line 3.

Line 5

Enter your address (number, street, and apartment or suite number). This is where the requester of this Form W-9 will mail your information returns. If this address differs from the one the requester already has on file, write NEW at the top. If a new address is provided, there is still a chance the old address will be used until the payor changes your address in their records.

Line 6

Enter your city, state, and ZIP code.

Part I. Taxpayer Identification Number (TIN)

Enter your TIN in the appropriate box. If you are a resident alien and you do not have and are not eligible to get an SSN, your TIN is your IRS individual taxpayer identification number (ITIN). Enter it in the social security number box. If you do not have an ITIN, see *How to get a TIN* below.

If you are a sole proprietor and you have an EIN, you may enter either your SSN or EIN.

If you are a single-member LLC that is disregarded as an entity separate from its owner, enter the owner's SSN (or EIN, if the owner has one). Do not enter the disregarded entity's EIN. If the LLC is classified as a corporation or partnership, enter the entity's EIN.

Note: See *What Name and Number To Give the Requester*, later, for further clarification of name and TIN combinations.

How to get a TIN. If you do not have a TIN, apply for one immediately. To apply for an SSN, get Form SS-5, Application for a Social Security Card, from your local SSA office or get this form online at www.SSA.gov. You may also get this form by calling 1-800-772-1213. Use Form W-7, Application for IRS Individual Taxpayer Identification Number, to apply for an ITIN, or Form SS-4, Application for Employer Identification Number, to apply for an EIN. You can apply for an EIN online by accessing the IRS website at www.irs.gov/Businesses and clicking on Employer Identification Number (EIN) under Starting a Business. Go to www.irs.gov/Forms to view, download, or print Form W-7 and/or Form SS-4. Or, you can go to www.irs.gov/OrderForms to place an order and have Form W-7 and/or SS-4 mailed to you within 10 business days.

If you are asked to complete Form W-9 but do not have a TIN, apply for a TIN and write "Applied For" in the space for the TIN, sign and date the form, and give it to the requester. For interest and dividend payments, and certain payments made with respect to readily tradable instruments, generally you will have 60 days to get a TIN and give it to the requester before you are subject to backup withholding on payments. The 60-day rule does not apply to other types of payments. You will be subject to backup withholding on all such payments until you provide your TIN to the requester.

Note: Entering "Applied For" means that you have already applied for a TIN or that you intend to apply for one soon.

Caution: A disregarded U.S. entity that has a foreign owner must use the appropriate Form W-8.

Part II. Certification

To establish to the withholding agent that you are a U.S. person, or resident alien, sign Form W-9. You may be requested to sign by the withholding agent even if item 1, 4, or 5 below indicates otherwise.

For a joint account, only the person whose TIN is shown in Part I should sign (when required). In the case of a disregarded entity, the person identified on line 1 must sign. Exempt payees, see *Exempt payee code*, earlier.

Signature requirements. Complete the certification as indicated in items 1 through 5 below.

1. Interest, dividend, and barter exchange accounts opened before 1984 and broker accounts considered active during 1983. You must give your correct TIN, but you do not have to sign the certification.

2. Interest, dividend, broker, and barter exchange accounts opened after 1983 and broker accounts considered inactive during 1983. You must sign the certification or backup withholding will apply. If you are subject to backup withholding and you are merely providing your correct TIN to the requester, you must cross out item 2 in the certification before signing the form.

3. Real estate transactions. You must sign the certification. You may cross out item 2 of the certification.

4. Other payments. You must give your correct TIN, but you do not have to sign the certification unless you have been notified that you have previously given an incorrect TIN. "Other payments" include payments made in the course of the requester's trade or business for rents, royalties, goods (other than bills for merchandise), medical and health care services (including payments to corporations), payments to a nonemployee for services, payments made in settlement of payment card and third party network transactions, payments to certain fishing boat crew members and fishermen, and gross proceeds paid to attorneys (including payments to corporations).

5. Mortgage interest paid by you, acquisition or abandonment of secured property, cancellation of debt, qualified tuition program payments (under section 529), ABLE accounts (under section 529A), IRA, Coverdell ESA, Archer MSA or HSA contributions or distributions, and pension distributions. You must give your correct TIN, but you do not have to sign the certification.

Secure Your Tax Records From Identity Theft

Identity theft occurs when someone uses your personal information such as your name, SSN, or other identifying information, without your permission, to commit fraud or other crimes. An identity thief may use your SSN to get a job or may file a tax return using your SSN to receive a refund.

To reduce your risk:

- Protect your SSN,
- Ensure your employer is protecting your SSN, and
- Be careful when choosing a tax preparer.

If your tax records are affected by identity theft and you receive a notice from the IRS, respond right away to the name and phone number printed on the IRS notice or letter.

If your tax records are not currently affected by identity theft but you think you are at risk due to a lost or stolen purse or wallet, questionable credit card activity or credit report, contact the IRS Identity Theft Hotline at 1-800-908-4490 or submit Form 14039.

For more information, see Pub. 5027, Identity Theft Information for Taxpayers.

Victims of identity theft who are experiencing economic harm or a systemic problem, or are seeking help in resolving tax problems that have not been resolved through normal channels, may be eligible for Taxpayer Advocate Service (TAS) assistance. You can reach TAS by calling the TAS toll-free case intake line at 1-877-777-4778 or TTY/TDD 1-800-829-4059.

Protect yourself from suspicious emails or phishing schemes.

Phishing is the creation and use of email and websites designed to mimic legitimate business emails and websites. The most common act is sending an email to a user falsely claiming to be an established legitimate enterprise in an attempt to scam the user into surrendering private information that will be used for identity theft.

The IRS does not initiate contacts with taxpayers via emails. Also, the IRS does not request personal detailed information through email or ask taxpayers for the PIN numbers, passwords, or similar secret access information for their credit card, bank, or other financial accounts.

If you receive an unsolicited email claiming to be from the IRS, forward this message to phishing@irs.gov. You may also report misuse of the IRS name, logo, or other IRS property to the Treasury Inspector General for Tax Administration (TIGTA) at 1-800-366-4484. You can forward suspicious emails to the Federal Trade Commission at spam@uce.gov or report them at www.ftc.gov/complaint. You can contact the FTC at www.ftc.gov/idtheft or 877-IDTHEFT (877-438-4338). If you have been the victim of identity theft, see www.IdentityTheft.gov and Pub. 5027.

Visit www.irs.gov/IdentityTheft to learn more about identity theft and how to reduce your risk.

In such notice, the District shall state in what respect the Contractor has failed to comply with the terms of the Contract, and shall further state a date upon which the Contract will terminate, unless the Contractor, prior to such date, cures the defect to the satisfaction of the District. The Contractor shall provide the District a written correction plan to provide a cure for the non-compliance concerns within 48 hours of the receipt of the District's notification. If prior to the date of termination stated in said notice, the District notifies the Contractor that the defect has been cured, the Contract will not terminate on the date stated in the notice but will be deemed to have remained in effect as of the date such notice was given. In the event the District does not so notify the Contractor that the defect has been cured, this Contract shall be terminated without further action by the District on the date of termination stated in notice.

3. The date of termination stated in the notice of intent to declare the Contractor in default, as provided in "2" above, may not be sooner than thirty (30) calendar days following the date of such notice unless there is a failure by the Contractor to provide the services required by this Contract which affect twenty-five per cent (25%) or more of the routes assigned to the Contractor, in which event the date of termination may be five (5) calendar days following the date of such notice.

SUBJECT: Approval of Alternate Transportation Companies Contracts

Background

The District has partnered with Alternate Transportation companies since 2007 to assist us with our transportation needs. With the current employee shortage that we are navigating, having additional transportation partners committed to safe student transportation is a necessity. We have a large number of McKinney/Vento students and students attending multiple out-of-district schools to meet their needs. Without the partnership of these companies, it would be impossible for us to meet all of the unique needs of our student population.

Each driver, with all companies, holds a valid School Bus Permit and is subject to fingerprinting and background check and the yearly refresher course as required by the state of IL. These are the exact requirements of a School Bus Driver, except an Alternate Transportation Driver is not required to have a CDL endorsement.

The quotes from each company, ALC, American Taxi, Axess Transportation, and School Bells, are included in the packet for their services.

Administrative Recommendation

The administration recommends approval of the contract.

Background

We have been utilizing alternate transportation services beginning in July 2007. The impacts of COVID have left us, and surrounding districts, with a shortage of drivers, an increase in McKinney/Vento students, and having to broaden the search for out-of-district facility placement for our students with special needs. The totality of this impact requires us to secure additional transportation solutions, which results in the use of multiple alternate transportation resources. Being a district that is located in the far northwest suburbs, there are limited resources and drivers to provide specialized transportation. District 300, and the surrounding districts, are utilizing the same alternate transportation companies which is reducing their driver availability to our district.

Beginning in the month of April, we used ALC on a limited trial basis to evaluate the quality of services provided. We feel confident in recommending the use of their services for our students. ALC is an alternate transportation solutions company that has branched into our area and provides alternate student transportation services. They offer a very transparent process with GPS tracking on all of their vehicles, a designated email and phone number specifically for our district, and provide bus monitors as well as required transportation equipment when required.

Pricing has been vetted by comparison of the current contract of vendors for alternate transportation. ALC does have an agreement with OMNIA Partners, a national purchasing cooperative, Contract R190401. We are purchasing our services from ALC through this agreement.

Administrative Recommendation

The Administration recommends the approval of a 1 year extension with ALC.

AGREEMENT FOR THE PROVISION OF ALTERNATIVE TRANSPORTATION SOLUTIONS

THIS AGREEMENT ("Agreement") is entered into as of April 21, 2021 between ALC Schools, LLC. ("Contractor") and Community Unit School District 300 (the "District"), with the following facts:

- A. Certain student(s) of the District require transportation to and from school and/or other transportation services as requested by the District.
- B. Contractor will coordinate such transportation services. The District will reimburse Contractor for the provision of these services in accordance with the terms and provisions of this Agreement.

NOW THEREFORE, for a valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the parties agree as follows:

1. Contractor Services

District may request, from time to time, that Contractor coordinate transportation services, which Contractor may agree to coordinate. To the extent accepted by Contractor, Contractor agrees to coordinate such transportation services and District agrees to pay Contractor in accordance with the provisions of this Agreement. Contractor's coordination of such transportation services pursuant to this Agreement are sometimes referred to herein as the "Services."

In operating under this Agreement, the District will purchase services from the Contractor through the Contractor's agreement with **OMNIA Partners (formerly National IPA), Contract No. R190401**, the provisions of which, while not attached hereto, are nonetheless incorporated herein by this reference, and in accordance with the pricing set forth in Attachment 1 of this Agreement, which is attached hereto and incorporated herein by this reference.

2. Term

The initial term of this Agreement shall commence on April 21, 2021 and end on June 30, 2021. Either party can terminate with or without cause at any time with thirty (30) days prior written notice. At the end of the initial term, this Agreement may be renewed for successive twelve (12) month periods (each a "Renewal Term") on the same terms and conditions.

3. Fees for Service

Contractor shall be paid the agreed sum based on fees outlined on Attachment 1, which is attached hereto and incorporated herein by this reference. Contractor shall invoice the District for the provision of the Services on a monthly basis and shall be paid within thirty (30) days after the District's receipt of Contractor's invoice for the provision of the Services for the relevant month. Any payment not received by Contractor within said thirty (30) day period shall accrue interest at the lesser of (a) the rate of one and one-half percent per month or (b) the

maximum rate allowed by law, commencing with the date of the invoice until payment is actually received by Contractor.

4. Adjustment of Rates

The rates established in this Agreement shall be subject to adjustment once each year, not to exceed the rates established in the Consumer Price Index (CPI) for the month of December. Rate change notification shall be provided in writing to the District, 30 days in advance, using the US Bureau of Statistics

5. Vehicles

As part of its Services and for the compensation set forth in this Agreement, Contractor agrees to coordinate the supply of such vehicles (the “Vehicles”) as may be necessary to lawfully address the transportation requirements of the District. The District requires that all such Vehicles shall fully comply with all applicable laws and regulations. Contractor shall be solely responsible for the management and logistical support necessary to coordinate all Vehicles used in transporting students.

6. Contractor Personnel and Subcontracted Service Providers

As part of its Services and for the compensation set forth in this Agreement, Contractor shall provide qualified and properly licensed personnel as required by laws and regulations and as deemed appropriate by Contractor to coordinate the Services. While Contractor may subcontract with service providers who will supply drivers (“subcontracted drivers”) to provide student transportation services for the District, Contractor shall at all times remain responsible for the coordination of the Services under this Agreement. Contractor expressly represents and warrants to the District that it will only utilize subcontracted drivers that have obtained the necessary training and are properly licensed to perform the Services.

Subcontracted drivers shall utilize identification badges during trip service.

7. Contractor Insurance

Contractor shall obtain and maintain in full force and effect during the term of this Agreement, and at no cost to District, general liability and automobile (common carrier) insurance issued by insurance companies authorized to do business in the state with minimum limits of Five Million Dollars (\$5,000,000), Combined Single Limit. The District shall be named as an additional insured of the policy or policies and shall be furnished with a certificate of insurance (COI). The District shall be notified at least thirty (30) days prior to cancellation of any such policy or policies (except 10 days for non-payment of premium).

8. Background Checks

Because Contractor will be providing transportation services for school children, it is a requirement of Contractor’s insurance that Contractor require and Contractor shall require each Contractor personnel or subcontracted driver in a position requiring contact with students to undergo a background check verifying no prior convictions for or pleas of nolo contendere to

a felony or misdemeanor offense involving moral turpitude, including any sexual offense involving a child.

9. Health and Safety (Tuberculosis Testing)

To the extent required under applicable law, rule or regulation applicable to the provision of Services and to the transportation services being provided by subcontracted drivers, Contractor shall require each Contractor personnel or subcontracted driver who may come in contact with student(s) to provide verification of having been tested for tuberculosis (TB) and cleared to work with students, as evidenced by a state licensed medical doctor's signature. As a service to District, Contractor will maintain a copy of said verifications.

Contractor will follow Centers for Disease Control and Prevention (CDC) guidelines regarding COVID-19 safety protocols.

10. Drug and Alcohol Testing

Contractor only contracts with transportation service providers who enroll their drivers in a drug and alcohol testing consortium that provide for pre-employment testing, as well as random, reasonable suspicion and post-accident drug and alcohol testing. Each consortium reports to Contractor when a driver tests positive for a prohibited substance as well as when a driver is enrolled and removed from the consortium pool.

11. Assignment of Contractor's Rights

Except as it relates to the entering into subcontracts as referred to in Section 5 of this Agreement, Contractor shall have no right to assign its rights or obligations under this Agreement; provided, however, Contractor shall have the right to assign this Agreement as part of a transaction wherein it transfers substantially all of its assets.

12. Indemnity of the District

Contractor hereby agrees to indemnify and hold the District, its Board Members, employees, agents, officers and assigns, free and harmless from and against all claims, causes of action, liabilities, damages, expenses and costs (including, but not limited to, attorney fees and court costs) arising out of (a) any injury to any person or property sustained by the District and/or Contractor and/or any student(s), in connection with the negligent provision of the Services that are to be provided by its subcontracted service provider or the subcontracted drivers pursuant to this Agreement, and (b) any injury to any person or property sustained by any person or entity which is caused or alleged to be caused by any act, neglect, fault or omission on the part of Contractor or its agents, affiliates and subcontracted service providers or subcontracted drivers in connection with the provision of the Services, whether or not said injury or damage occurs on or off District property.

13. Independent Contractor

In providing the management and logistical support necessary to coordinate the Services, Contractor shall be and act as an independent contractor in all respects and shall not, for any purpose hereunder, be or act as an employee or agent of the District. Nothing contained in this Agreement shall be deemed to create a partnership or joint venture between either of the

parties to this Agreement with each other. Contractor understands and agrees that as an independent contractor, it will not be eligible to participate in any benefits or privileges given or extended by the District to its employees. Contractor shall be solely responsible for the payment when due to appropriate taxing authorities of all federal and state income taxes and related obligations of any nature whatsoever on any consideration paid pursuant to this Agreement, as well as any interest, penalties or other sums due thereon and shall indemnify, and hold the District, its Board Members, Officers, employees and agents free and harmless therefrom.

14. Notices

All notices or other communication required or permitted hereunder shall be in writing, and shall be personally delivered (including by means of professional messenger service) or sent by registered or certified mail, postage prepaid, return receipt requested, or by facsimile or email transmission followed by delivery of a “hard” copy, and shall be deemed received upon the date of receipt thereof.

ATTACHMENT 1 - Fees for Service

The Contractor will charge the District a **\$65 per trip fee**, which includes the first twelve (12) miles and up to five (5) students. Vehicle capacity is determined by student requirements and vehicle availability. An additional **\$2.50 per mile** will be charged for any trip longer than 12 miles.

The pricing matrix below outlines all associated fees:

Trip Items	Fees
Trip Fee (includes first 12 miles)	\$65.00
Per Mile Fee (after the first 12 miles)	\$2.50
Additional Fees (as needed/requested):	
Wheelchair Fee (per student)	\$25.00
Car Seat/Safety Vest Fee (per student)	\$5.00
Wait Time Fee (per hour, billed in 15 min. increments)	\$60.00
Monitor Fee (per hour, 2-hour minimum)	\$25.00
No Show or Late Cancel	Full Price of Trip

Definitions:

Trip: A trip is defined as a one-way transportation event with a student or monitor continually on board. Examples include:

- Home to School:
 - Student 1: Pick-up, Student 2: Pick-Up
 - Both Student 1 & 2 dropped off at School A
 - Student 1: Pick-up, Student 2: Pick-up
 - Student 1 dropped off at School A
 - Student 2 dropped off at School B
- School to Home:
 - Student 1: Pick-up, Student 2: Pick-Up
 - Both Student 1 & 2 dropped off at Home A
 - Student 1: Pick-up, Student 2: Pick-up
 - Student 1 dropped off at Home A
 - Student 2 dropped off at Home B

The total number of trips a District is charged for is arrived at by adding together each one-way trip. The District will only be charged for miles incurred while a student or Monitor is onboard the vehicle. When no student or Monitor is onboard the vehicle, no mileage charges will be incurred.

Additional Fees: Additional fees are only incurred per the request of the District to provide additional services. They can include, but are not limited to:

- **Wheelchair Fee:** A per student/per trip fee for students requiring a wheelchair vehicle
- **Car Seat/Safety Vest Fee:** A per student/per trip fee for students requiring a car seat/safety vest
- **Wait Time Fee:** Only incurred when authorized by the District to wait for a student. Billed on an hourly basis in 15 minute increments.
- **Monitor Fee:** Only incurred when the District requests that the Contractor provide a student Monitor for the trip. School Districts usually provide the student's Monitor. When the District provides the Monitor, they are not charged a "Monitor Fee." The mileage incurred while a Monitor (whether provided by the Contractor or the District) is onboard the vehicle without a student (transporting the Monitor to and from their pick-up location) is considered part of the overall route mileage and will be billed accordingly.

1. **Mileage Charges**

Mileage charges are based on driving distance calculations from a third party provider (e.g. Google, MapQuest, Bing, ESRI). The calculations are based on fastest route, and the total is rounded up to the next whole mile. Contractor shall be responsible for plotting the routes collectively, and individually using Contractor's proprietary School Dispatch Software.

Under no circumstances will the District be required to pay for mileage to a pick up or destination other than those authorized by the District.

2. **Fuel Surcharges**

When the average gasoline price exceeds \$5.00 per gallon, the mileage rate will be increased by calculating 30% of the price of gasoline that exceeds \$5.00 and adding it to the base mileage rate. Thus, if the price of gasoline, according to the gasoline price index, is \$5.20, the increase would be 30% of 20 cents, or 6 cents. The gasoline price index to be used shall be found under the category of "[Your Specific State or Region] U.S. Regular Gasoline Prices* (dollars per gallon)" on the following website:

http://www.eia.doe.gov/oil_gas/petroleum/data_publications/wrgp/mogas_home_page.html

3. **Invoicing**

The invoice shall contain this level of detail and additionally will separate the charges by route showing number of days and total cost. A No Show Report will also be provided with the invoice showing the students who were not transported each day of the billing period. In the event of a No Show, the trip will be billed at the normal rate. The Contractor requires 24 hour notice to remove a student from the route.

4. When Routes Change or Students are Added or Removed

When it becomes necessary to change a route for any reason, including adding or removing students, Contractor shall plot the revised or new route using Contractor's School Dispatch Software as described above in the most efficient manner based on the information known to Contractor at that time.

Routes will be optimized from time to time as deemed necessary by Contractor or requested by the District. Routes will not be optimized more than once in a month.

If the District adds a Student to be transported, that Student may be individually transported until routes are optimized.

ATTACHMENT 2 – The District agrees that the following policies shall be followed related to Student No-Shows and Late Canceled trips for trips serviced by the Contractor

No-Shows & Late Cancels

A No-Show occurs when no previous notice is provided to the Contractor by the District/guardian that a student will not be transported and a driver attempts to pick-up a student but the student is not there or is not ready. A Late Cancel occurs when less than 2-hour notice is provided to the Contractor by the District/guardian that a student will not need transportation.

Trips where a No-Show or Late Cancel occurs are billed at full trip charge.

Possible District Protocols for No-Shows:

If the driver attempts to pick-up a student on a scheduled trip in the AM but the student is not there or not ready, then the following scenarios could apply (as determined by the District):

1. Single Rider Trips

- a. If an AM single rider No-Show occurs, the District will be billed for the AM trip and the afternoon trip will remain scheduled unless the Contractor is notified by the parent or the District to cancel the trip.
 - i. The District may set up a protocol to automatically cancel afternoon trips in the event of an AM Single Rider No-Show
- b. If the afternoon trip is cancelled within 2 hours of the scheduled pick up time, the District will not be billed for the afternoon trip.

2. Multiple Rider Trips

- a. The afternoon trip always remains scheduled.

No-Show Reports

Each morning an email is sent from the Contractor's School Dispatch team to the District. This email is sent by 11 AM and alerts the District of the following circumstances:

- Which students were no-shows that morning
- How many consecutive days/trips they have been a no-show

The daily No-Show Report provides the District time to inform the Contractor's School Dispatch if one of the students on the No-Show Report is attending school that day and will still need a ride home in the PM.

The District is responsible for alerting the Contractor of any change requests based on the data provided in the No-Show Report, such as removing a student from a route due to multiple no-shows.

Student Removal / Student Cancellation:

Permanent Removal of Student from Route:

Permanent removal of a student from a route requires District notification/approval

- The District sends an email stating that a student needs to be removed from a route until further notice.

Impact:

Once the student is removed from the route, the student's spot is now gone and may be replaced with a different student, if available, to consolidate routes. If the student was the only one on that route, the route will be removed entirely and the driver then becomes available to service other routes.

Billing:

Will only be affected if:

- Trip is above the minimum and there is a reduction in the mileage as a result of removing the student.
- The student was the only one on the route, therefore the route is cancelled.

Cancellations/Temporary Removal:

Cancellation of a student from a route requires District notification/approval.

- A student is sick one day or will be going on vacation for a few days.

Impact:

Because this is a temporary change, the student is not replaced on the route and their space on the route is reserved for their return.

Billing:

If the student is a single rider and the student is cancelled or temporarily removed, no charges will be assessed. When cancelling or temporarily removing the pick-up/drop-off for a student who is part of a multiple rider trip, the District will be charged the normal trip rate.

ATTACHMENT 3 – Multi-District Billing: An Explanation

Should The District choose to share trips with a neighboring school district that is also under contract with ALC, the shared trip will be prorated and billed according to the following explanation

Proration of Trip Fees – ALC’s Three Step Process

1. Stand Alone District Trips:

Each Districts’ students are routed as stand-alone trips, District specific pricing is applied.

a. Example:

- i. District A has two students who routed together cost the District \$65 (Trip 1)
- ii. District B has a single student whose trip would cost the District \$80 (Trip 2)

2. Multi-District Trips

All of the students from the participating Districts, as identified above, are combined into the most cost effective trips, yielding new “Multi-District trips” and subsequent trip costs.

a. Example (cont.):

- i. When all three students are routed together, the total trip cost is \$95

3. Proration of Costs for Multi-District Trips

The total cost of the multi-District trips is then allocated to each District based upon the percentage of the Districts stand-alone trip costs (found in step 1) as compared to the multi-District trip costs (found in step 2).

Example (cont.):

○ Blended Cost of Multi-District Trip = \$95

- Stand Alone Cost of Trip for District A = \$65
- Stand Alone Cost of Trip for District B = \$80

i. District A’s Percent Responsibility = $\text{Trip A} / (\text{Trip A} + \text{Trip B})$

1. $\$65 / (\$65 + \$80)$
 - a. $\$65 / \$145 = 44.83\%$
2. $44.83\% \times \$95 = \42.59

3. District A’s Prorated Cost = \$42.59

- a. District A’s Savings = \$22.41

ii. District B’s Percent Responsibility = $\text{Trip B} / (\text{Trip A} + \text{Trip B})$

1. $\$80 / (\$65 + \$80)$
 - a. $\$80 / \$145 = 55.17\%$
2. $55.17\% \times \$95 = \52.41

3. District B’s Cost = \$52.41

- a. District B Savings = \$27.59

4. No Shows and Cancellations:

For the purpose of all Multi-District Trips, No Shows and Cancellations are applied to each District invoice as if the student had boarded the vehicle on schedule even if District notifies ALC with advanced notice of cancellation.

5. Invoicing

The invoice shall separate the charges by route showing number of days and total cost. A No Show Report will also be provided with the invoice showing the students who were not transported each day of the billing period. In the event of a No Show, the trip will be billed at the normal rate. 24-hour notice is required to permanently remove a student from a route.

6. When Routes Change or Students are Added or Removed

When it becomes necessary to change a route for any reason, including adding or removing students, Contractor shall plot the revised or new route using Contractor's School Dispatch Software as described above in the most efficient manner based on the information known to Contractor at that time.

Routes will be optimized from time to time as deemed necessary by Contractor or requested by the District. Routes will not be optimized more than once in a month. If the District adds a Student to be transported, that Student may be individually transported until routes are optimized.

ATTACHMENT 4 – The District requires the following from all Subcontracted Driver(s) working with the Contractor.

As required by the District, prior to beginning services transporting students for the District:

Subcontracted drivers shall have a criminal history record check that is free of convicted offense(s) of a felony.

Subcontracted drivers shall utilize identification badges during trip service.

ATTACHMENT 5 – The District requires the following DRIVER TRAINING modules for all Subcontracted Driver(s) working with the Contractor.

As required by the District, prior to beginning services transporting students for the District:

- Customer Service, Communication and Stress Management
- Americans with Disabilities Act
- Service Animals

- Bloodborne Pathogens (Hepatitis A, B, C; HIV, Dialysis)
- Wheelchairs
- Emergency and Evacuation Procedures
- Driver/Passenger Sexual Improprieties

And any other mandated training required by the State of Illinois

ATTACHMENT 6 – The District requires the following from all Vehicle(s) providing service through the Contractor.

As required by the District, prior to beginning services transporting students for the District:

Vehicles operated by subcontracted drivers will be maintained according to manufactured specifications with records, and/or inspection report(s) made available upon request.

Vehicles operated by subcontracted drivers will be clean at all times during service.

Vehicles operated by subcontracted drivers shall be marked with a window placard.

SUBJECT: Copier Maintenance Contract Extension

Background

Community Unit School District 300 has 124 multifunction copiers (MFP). A third party has traditionally handled the service of these devices. These devices are highly utilized throughout the District for various curriculum and business needs, and it is essential to keep them functioning at a high level at all times.

The District would like to extend our service contract with Ricoh for one year to continue supporting our MFP fleet. Ricoh has agreed to hold their current pricing, \$0.0032/page for black & white (b&w) and \$0.04/page for color. The contract covers 5,625,000 b/w pages and 375,000 color pages, billed quarterly at \$33,000.

Attached is a letter from Ricoh indicating that they are holding their pricing from 7/1/2024 to 6/30/2025.

Recommendation

The administration recommends a 1-year contract extension to Ricoh, Inc. for MFP maintenance.

Fiscal Impact

The rate for black-and-white clicks is \$0.0032/page, and for color clicks, it is \$0.04/page. The cost is approximately \$132,000 annually. Any overage charges will be billed at the same per-click rate. These expenses are included in the Technology Budget.

Dear Ms. White,

Ricoh will keep the current maintenance/service CPC rates on the Ricoh MFP fleet at Community Unit School District 300 from July 1, 2024, to June 30, 2025. If any replacements or additional devices are needed during this time, you will need to execute a new agreement with Ricoh in order to utilize the Omnia pricing contract. Your Agreement with US Communities has expired and will continue on a Month-to-Month basis. This services price term from July 1, 2024, to June 30, 2025 shall be governed by the terms of the US Communities Agreement.

Ricoh MFP's (contract 4900480)
5,625,000 b/w pages and 375,000 color pages billed quarterly at \$33,000.

Training and access to Incident IQ shall be provided to the dedicated Ricoh Technician that will track all calls and provide updates to all parties. The Ricoh dedicated technician will create calls in the Ricoh system as well.

- Ricoh will conduct site visits over the summer for the purpose of rotating copiers to maximize asset productivity and useful life.
- All Ricoh desktop color (SPC400 & SPC410) and black and white (SP4100n) printers that no longer have OEM toner or parts available will sunset when remaining D300 on-site supplies run out. Maintenance agreements and toner will no longer be available, but service may still be performed if needed on a time and material basis. D300 and Ricoh can discuss available options for upgrading or removing any obsolete printers that are needed during scheduled quarterly meetings.

- All end user damage to Ricoh copiers will be documented and reported to appropriate D300 staff via email.
- Ricoh will provide recommended equipment upgrades in phases with estimated current costs to D300 staff for consideration beginning on July 1st, 2024. Optimal device performance will be impacted if devices are not upgraded.

Recommendations are subject to change based on student enrollment changes, D300 staff changes, boundary changes, volume, and the equipment needs-requests of staff and students at each school. The prices below are budgetary numbers based on OMNIA contract and the best and final pricing will be presented including any available rebates at time of quote.

TERMS OF USE:

The following Terms of Use and Service (these "Terms") are important. Please read carefully.

Istation provides customers with a variety of resources, including, but not limited to, (i) one or more of Istation's interactive educational-based applications (collectively the "**Licensed Applications**"), (ii) Istation's Internet Web site (the "**Web Site**"), currently located at www.istation.com, (iii) account information regarding the Licensed Applications and the Web Site, (iv) materials and documentation (including, but not limited to, preprinted forms, form letters, resource materials, lesson plans, books, images of Istation characters, and so-called "Black Line Masters" coloring-book style pictures) available from the Web Site (collectively the "**Downloadable Materials**"), (v) reports, calculated results, scoring, graphs and any other materials derived from Istation's algorithmic software features (collectively the "Scoring and Reporting Resources"), (vi) Processed Data, as defined hereinafter, and (vii) news and information about Istation, the Licensed Applications, and the Web Site. Any and all of the foregoing resources (including, but not limited to, the Licensed Applications, the Web Site, and the Downloadable Materials), together with any other resources made available by Istation, are collectively the "**Resources**".

For purposes of these Terms, references to "**You**" or "**Your**" mean (i) you in your individual capacity, (ii) your company ("**Your Company**"), which may be a school or school district, and (iii) authorized users of Your Company, who are students, employees, representatives, and agents of Your Company that are registered with Istation and that have a valid security identification and password to access and use the Resources (collectively the "**Authorized Users**").

Each of the Resources is provided to You conditioned on Your acceptance, without modification, of these Terms, which constitute a legally binding agreement between Istation and You. YOUR ACCESS OR USE OF ANY RESOURCE CONSTITUTES YOUR AGREEMENT TO BE BOUND BY THESE TERMS FOR ALL RESOURCES. IF YOU DO NOT AGREE TO THESE TERMS, YOU MAY NOT ACCESS OR USE ANY RESOURCE. WITHOUT LIMITING THE GENERALITY OF THE FOREGOING, THESE TERMS SHALL BE BINDING ON YOU UPON THE EARLIER TO OCCUR OF (i) YOUR EXECUTION OF THESE TERMS, (ii) THE DATE THAT YOU DOWNLOAD ANY LICENSED APPLICATION OR DOWNLOADABLE MATERIAL FROM Istation, (iii) THE DATE OF DELIVERY OF ANY LICENSED APPLICATION OR DOWNLOADABLE MATERIAL BY Istation TO YOU, AND (iv) THE DATE ON WHICH YOU ACCESS OR USE ANY OF THE RESOURCES THROUGH THE WEB SITE.

1. **Changes to Terms.** Istation may, from time to time and at Istation's sole discretion, modify these Terms without individual notice to You. So long as the Web Site remains operational, the current version of these Terms will be posted on the Web Site, which You can review by clicking on the "Terms of Use" link located on the Web Site. The modified Terms will be effective immediately upon posting on the Web Site. You agree to the new posted Terms by continuing Your use of the Resources. You agree to review the Terms periodically on the Web Site. If You do not agree with the modified Terms posted on the Web Site, Your only remedy is to discontinue using the Resources.
2. **Privacy Statement.** Istation's Privacy Statement (the "**Privacy Statement**") is incorporated into, and made a part of, these Terms. The Privacy Statement relates to Istation's collection and use of Your personal information. You consent to the terms and conditions of the Privacy Statement.
3. **Subscription.**
 1. Most (if not all) of the Resources require You to purchase a subscription from Istation before You may use or access them (a "**Subscription**"). You may purchase a Subscription to one or more Resources (the "**Purchased Resources**") by paying the then-current subscription fee to Istation (the "**Subscription Fee**") for such Purchased Resources, as such Subscription Fee is determined by Istation. Each Subscription Fee shall cover a specified period of time for the Purchased Resources (the "**Subscription Period**"). Upon expiration of the Subscription Period for a Purchased Resource, Your access and use of the Purchased Resources shall expire, and You shall no longer be entitled to access or use such Purchased Resources, unless You renew Your Subscription to such Purchased Resources by paying the then-current Subscription Fee for such Purchased Resources. Any Professional Development purchases including Onsite Training, Webinars, and Implementation services must also be used within the current Subscription Period and may not be rolled over into later Subscription Periods. Istation may, from time to time and at Istation's sole discretion, modify the Subscription Fees for any and all Resources without individual notice to You.
 2. In the event You purchase a Subscription to a Purchased Resource, You will be required to register (the "**Registration**") and obtain a user account (a "**User Account**") for each Authorized User's access to, and use of, such Purchased Resource provided, however, that each Purchased Resource may, as determined by Istation, (i) be limited to a maximum number of Authorized Users (such as students) and (ii) have other restrictions applicable to such Purchased Resource. During Registration for each and every Purchased Resource, You agree to submit accurate, current, and complete information about You (including, but not limited to, Your Company and the Authorized Users) and promptly update such information. Should Istation suspect that any such Registration information is untrue, inaccurate, not current, or incomplete, Istation has the right to suspend or terminate use of any and all Resources and User Accounts. Upon Registration, each Authorized User will be assigned a personal, nontransferable password tied to a specific User Account. You are solely responsible for (i) any and all activities that occur under the User Accounts and (ii) ensuring that Authorized Users exit or log off from User Accounts at the end of each session of use. Users Accounts cannot be shared and may be used only by the Authorized User to whom the User Account is registered. User Accounts cannot be assigned to any third party vendors or other entities seeking to use the Purchased Resources for use in their products and/or for commercial use or monetary gain. You shall notify Istation immediately of any unauthorized use of the Authorized Users' passwords or the User Accounts or any other breach of security that is known or suspected by You. Where the number of Authorized Users for a Purchased Resource falls below the maximum number permitted under Your Subscription for such Purchased Resource, You may designate other students as replacement Authorized Users with respect to such Purchased Resource. You are responsible for Registration of all Authorized Users and all acts and omissions (whether authorized or unauthorized) of the Authorized Users.
4. **Intellectual Property.**
 1. Istation Intellectual Property. All Resources (including, but not limited to, the Licensed Applications, the Web Site, the Downloadable Materials, and the Scoring and Reporting Resources), and all materials displayed on, or contained within, the Resources (including, but not limited to, the Licensed Applications, the Web Site, and the Downloadable Materials, Scoring and Reporting Resources), such as the

design, “look and feel”, text, editorial materials, informational text, photographs, illustrations, artwork and other graphic materials, audio, video, names, logos, trademarks, and service marks of or on the Resources (collectively the “**Resource Materials**”), whether publicly posted or privately transmitted, as well as all derivative works of the Resources and the Resource Materials, are the exclusive property of, and exclusively owned by, Istation and Istation’s licensors and are protected by copyright, trademark, trade secret, and other intellectual property laws. The Istation name, designs, and related marks contained within the Resources and the Resource Materials are trademarks of Istation and Istation’s licensors. You do not acquire any ownership rights in or to the Resources or any Resource Materials through Your access to, or use of, the Resources, and You possess only those limited rights expressly granted to You in these Terms. Istation reserves all right, title, and interest in and to the Resources and the Resource Materials.

2. Your Data. As between You and Istation, You are and will remain the owner of all right, title, and interest in and to all of Your Data. For purposes of these Terms, “**Your Data**” means information, data, and other content that is collected, downloaded, or otherwise received, directly or indirectly from You or an Authorized User by or through the Purchased Resources. Notwithstanding the foregoing, Your Data shall not include any information, data and other content that incorporates or is otherwise derived from the processing of such information, data, and content by or through the Purchased Resources (the “**Processed Data**”).

5. **License.** Subject to compliance with the Subscription and Registration terms and conditions contained in Section 3 (Subscription), including, but not limited to, possessing a valid User Account and related password and restricting access and use to Authorized Users, Istation grants to You a personal, limited, nonexclusive, nontransferable, and revocable license to access and use the Purchased Resources and related Resource Materials, but only during the Subscription Period applicable to each such Purchased Resource, solely for Your educational purposes and subject to these Terms.

6. **Restrictions.**

1. Any copies that You make of the Resources or the Resource Materials must retain all proprietary, copyright, trademark, or service mark legends and other notices.
2. Access and use of the Resources and the Resource Materials is permitted only as expressly provided in these Terms.
3. You may not (i) upload, post, publish, transmit, distribute, disseminate, display, perform, disclose, rent, lease, modify, loan, broadcast, or circulate any Resource or any Resource Material, (ii) operate or make available any Resources or any Resource Material in a service bureau, time-sharing, or other managed services environment, (iii) participate in the transfer, sublicense, assignment, or sale of any Resource or any Resource Material, (iv) access or use any Resource or Resource Material for purposes of competitive analysis of the Resource, Resource Materials, or Purchased Resources, or use or provide third-party access to Your Data or Processed Data, either directly or indirectly, for the development, provision, advertising, marketing, or use of a competing software service or product or any other purpose that is to the Istation’s detriment or commercial disadvantage, or (v) modify or create any derivative work of any Resource or any Resource Material or in any way exploit any Resource or any Resource Material provided, however, that You may download and use the Downloadable Materials in furtherance of Your education of the Authorized Users who are students, subject to any instructions or limitations provided with, or as part of, such Downloadable Materials.
4. You may not use any of the trademarks of Istation, or Istation’s licensors, suppliers, or service providers, contained in any Resource or any Resource Material. No portion of the Resources or the Resource Materials may be stored in a computer except for educational and noncommercial use.
5. You may not copy the Resource or the Resource Materials provided, however, that You may copy the Downloadable Materials in furtherance of Your education of the Authorized Users who are students, subject to any instructions or limitations provided with, or as part of, such Downloadable Materials.
6. You may not disassemble, decompile, or reverse engineer any Resource or any Resource Material or otherwise attempt to determine the makeup or source code of any Resource.
7. You may not upload any data, including any and all of Your Data, to, or otherwise access or use, any Resource or Resource Material in any manner that would materially impact the operation of such Resource or Resource Material.
8. You may not allow access to, disclose or otherwise provide Processed Data to any third-party except for use in connection with and for the benefit of Your internal business purposes i.e. research. In no manner shall you allow or assign access to any of the Purchased Resources or Resource Materials, including but not limited to, the Reporting and Scoring Resources or Processed Data, for any third party vendors entities or other persons seeking to use for their own products or services, for commercial use or monetary gain, or otherwise.
9. Any deviations from any of these Terms require prior written consent from Istation.

7. **Conduct.**

1. You agree not to (or permit anyone else to) (i) upload, transmit, post, e-mail, or otherwise make available through the Resources any content or other material in any format that (a) is illegal, false, inaccurate, unlawful, harmful, hateful, threatening, abusive, harassing, tortious, defamatory, vulgar, obscene, profane, offensive, pornographic, invasive of another’s privacy, libelous, or otherwise objectionable or inappropriate or (b) contains any viruses, worms, Trojan horses, corrupted files, or any other similar software or programs designed to interrupt, destroy, or limit the functionality of any computer software or hardware or telecommunications equipment; (ii) alter, remove, or falsify any attributions or other proprietary designations of origin or source of any other content appearing in or on the Resources or the Resource Materials; (iii) take any action that imposes an unreasonable or disproportionately large load on Istation’s infrastructure; (iv) use any automated means to download data from any of the Resources’ databases or engage in any data gathering, mining, harvesting, or extraction methods from any Resource for any purpose; (v) impersonate another person or entity or use any fake name or identity; (vi) allow any other person or entity to use Your identification or User Account for any purpose; or (vii) violate any applicable law, rule, regulation, or right, including, but not limited to, intellectual property and privacy rights. The use of any device, software, or routine that interferes or attempts to interfere with the proper working of any Resource is expressly prohibited.
2. 5. **Miscellaneous.**
 1. You agree to comply with all applicable laws, rules, regulations, orders, and ordinances of the United States of America and in any other state, county, or city with jurisdiction over You or Your activities under these Terms. If any provision of these Terms is held to be illegal, invalid, or unenforceable, then that provision shall be fully severable from these Terms and shall not affect the legality, validity, or enforceability of the remaining provisions of these Terms. Failure of Istation to enforce any of the terms or conditions of these Terms, unless waived in writing, shall not constitute a waiver of Istation's right to enforce each and every term and condition of these Terms. To the extent You have entered into any separate license agreement with Istation for access to, or use of, a Resource (the "**Additional Terms**"), such Additional Terms are incorporated into these Terms by reference. To the extent there is any conflict between these Terms and any Additional Terms, the Additional Terms shall control.

A printed version of these Terms and of any notice given in electronic form shall be admissible in judicial or administrative proceedings based upon, or relating to, these Terms to the same extent and subject to the same conditions as other business documents and records originally generated and maintained in printed form. It is the express wish of Istation and You that these Terms of Use and all related documents be drawn up in English as spoken in the United States.
 3. You may not assign these Terms (or delegate Your rights, duties, or obligations under these Terms) without Istation's prior, express, and written consent.

PRIVACY STATEMENT:

This Privacy Statement is incorporated in, and subject to, the Terms of Use and Service for Imagination Station, Inc. ("**Istation**"). Please refer to those terms for definitions of words with initial capitals letters that are not otherwise defined in this Privacy Statement. Istation encourages you to read this Privacy Statement carefully. For purposes of this Privacy Statement, references to "**You**" or "**Your**" mean (i) you in your individual capacity, (ii) your company, which may be a school or school district, and (iii) students, employees, representatives and agents of Your school or school district that are registered with Istation and that have a valid security identification and password to access and use the Resources (collectively the "**Authorized Users**").

As noted in the Terms of Use, Istation provides its customers with a range of educational resources, including, but not limited to, (i) Istation's interactive educational-based applications (collectively the "**Licensed Applications**"), (ii) Istation's Internet Web site (the "**Web Site**"), currently located at www.istation.com, (iii) account information regarding the Licensed Applications and the Web Site, (iv) materials and documentation (including, but not limited to, preprinted forms, form letters, resource materials, lesson plans, books, images of Istation characters, and so-called "Black Line Masters" coloring-book style pictures) available from the Web Site (collectively the "**Downloadable Materials**"), and (v) news and information about Istation, the Licensed Applications, and the Web Site. Any and all of the foregoing resources (including, but not limited to, the Licensed Applications, the Web Site, and the Downloadable Materials), together with any other resources made available by Istation, are collectively referred to as the "**Resources**".

What Personally Identifiable Information Is Collected by Istation?

"**Personally Identifiable Information**" generally refers to any data that could potentially identify a specific individual. While You have access to the Resources, Istation may collect the following Personally Identifiable Information about You:

- Your first and last name
- **Teachers and administrators only** – Your contact information, such as email addresses, mailing addresses, and phone numbers
- Your school and school district
- Any identification numbers issued by Your school and/or Your school district to You, including teacher numbers, administrator numbers, and student numbers;
- Security information, such as usernames, passwords, and password hints;
- Browser information, such as browser version, IP address, and the presence of various plug-ins and tools;
- **Students only** – "Demographic Data," such as gender, race, special-education status, socio-economic status, and English language learner status, but only to the extent provided by Your school or Your school district;
- Resource-related responses submitted by You, including, but not limited to responses to interactive activities and assessments;
- Resource use behavior, such as pages visited, downloads, or searches requested; and
- Resource use results, but only to the extent that such results identify one or more (i) students, (ii) teachers, (iii) classrooms within an identified school, (iii) grades within an identified school or school district or (iv) schools (collectively "**Identifiable Use Results**"). Identifiable Use Results do not include Resource use results for school districts or for geographic regions that do not identify a specific school (such as Resource use results reported (i) on a county-wide basis, (ii) within a defined territory [whether officially or unofficially defined], such as North Texas, or (iii) within a metropolitan area, such as Dallas-Fort Worth).

Personally Identifiable Information does not include "De-identified Information," which is any data or information that cannot be traced back to an individual (except for Identifiable Use Results, as defined above). For example, a table listing the number of students in each grade at a specific school using a particular Resource would not be Personally Identifiable Information.

How Is Personally Identifiable Information Used and/or Disclosed?

Istation does not sell Personally Identifiable Information to any affiliated entity of Istation or any third-party, nor does it use such information for any sort of behavioral advertising. However, Istation may use and disclose Personally Identifiable Information for a range of educational, compliance and quality assurance purposes.

Istation may use Personally Identifiable Information for the following purposes:

- To provide status reporting notices to teachers and administrators about the Resources (e.g. – an email prompting a teacher to log in to see his or her students' latest assessment results);
- To internally analyze data regarding the use of the Resources;
- To track students' usage of the Resources over time, including performance metrics collected over multiple school years;

- To send You (**teachers and administrators only**) updates, promotional/advertising materials, and newsletters related to the Resources and Istation's products and services or to otherwise market specific Istation services or offers to You. If You want to stop receiving promotional/advertising/marketing materials from Istation, You will have the option to unsubscribe;
- To respond to Your questions or comments; and
- To customize content within the Resources, to improve the Resources' content and functionality and to develop new products and updates.

Istation may disclose Personally Identifiable Information to the following individuals or entities under the following circumstances:

- To Istation's employees who need to access the Personally Identifiable Information to perform their jobs;
- To third parties, including contractors, vendors, and service providers, that assist with the production, implementation or servicing of the Resources, but only after receiving satisfactory assurances from each third-party that its data privacy and security protections are at least as stringent as those of Istation;
- To Authorized Users as determined by each school or school district at issue. Generally, but subject to determination by the school at issue or the school district at issue,
 1. a teacher may only see the Personally Identifiable Information of the students in the teacher's classroom,
 2. a principal may only see the Personally Identifiable Information of those students and teachers in the principal's school, and
 3. a school district-level administrator may only see the Personally Identifiable Information of those students and teachers in the administrator's school district;
- To third parties, and solely for educational purposes, when Istation has the consent of the school or school district at issue, including Identifiable Use Results that identify specific individual students if Istation has received a written acknowledgement from the school or school district that it has obtained the student's consent to such disclosure;
- When Istation believes that sharing Personally Identifiable Information is reasonably necessary in order to (i) protect or defend the legal rights, interests, property, safety, or security of Istation, its employees or contractors, or the public, (ii) protect or defend against, or otherwise address, fraud, security, or technical issues, (iii) comply with, or respond to a law, regulation, legal request, legal process, legal requirement, judicial proceeding, or court order, or (iv) investigate a possible crime, such as fraud or identity theft;
- In connection with an actual or potential sale, purchase, acquisition, merger, reorganization, bankruptcy, liquidation, dissolution, or similar transaction or proceeding of or involving Istation, but only to the extent that the purchasing, acquiring or successor entity agrees to implement data privacy and security protections with respect to Personally Identifiable Information that are at least as stringent as those of Istation.

Istation is permitted to use and/or disclose Personally Identifiable Information about You when Istation has Your consent. Istation does not need Your consent to use De-identified Information.

Can I Access or Change My Personally Identifiable Information?

Each school and/or school district is permitted via functionality made available by the Resources to determine what Personally Identifiable Information (if any) is accessible by Authorized Users and to which Authorized Users in particular. In certain circumstances, a school and/or school district may be entitled to permit one or more Authorized Users to change Personally Identifiable Information. Any requests by Students or parents to access and/or change Personally Identifiable Information must be made to the school and/or school district in the first instance, and these entities will maintain a record of all such access and amendment requests and of any actual changes made. To the extent that a student and/or parent makes a direct request to Istation to access and/or amend Personally Identifiable Information, Istation will forward that request to the school and/or school district for response.

Data Retention

Unless required by law to maintain certain information for a longer period of time, Istation retains Personally Identifiable Information only for as long as a student's school and/or school district maintains a subscription with Istation to one or more of the Resources. Once a subscription to a particular Resource is cancelled or otherwise terminated, Istation will typically retain any Personally Identifiable Information related to that Resource for sixty days after cancellation/termination to allow for temporary lapses in subscription services, at which point that information is destroyed. Personally Identifiable Information may also be destroyed at any time at the request of the school and/or school district.

Website and Resource Security

Istation recognizes its responsibility to protect the Personally Identifiable Information that You entrust to it. Istation uses a variety of secure techniques to protect Your information, including secure servers, firewalls, access limitations on Istation's servers and password protections that guard against unauthorized access. Additionally, the information that You send Istation via the Website, including student usage information and passwords, may be encrypted, a process used to scramble information and make it extremely difficult to read if wrongly intercepted. Istation utilizes industry standard Secure Sockets Layer (SSL) technology to allow for the encryption of Personally Identifiable Information. All Personally Identifiable Information sent to Istation is encrypted during transmission, such as during login. Once the data reaches Istation's server, Personally Identifiable Information is stored on a secure database, and access to this information is password protected.

You should check the privacy policies of these individual Third Party Sites to see how Your personally identifiable information will be utilized by them before providing any personally identifiable information. Can Istation change this Privacy Statement?

Istation may change this Privacy Statement at any time without advance notice. However, if the Privacy Statement changes, Istation will post an updated version on the Website, and the revision date will be posted at the bottom of the page. SUBJECT: Education Services Contracts (Renewals) - Pearson Q-Global/Q-Interactive/DAL;
Rosecrance; Learn Well; Universal Screener

Background

The following are contract renewal requests for Education Services Contracts for the 2024-2025 school year.

Q-global / Q-interactive / DAL

Q-global is the web-based system from Pearson that we use for administration of assessments as well as scoring and reporting for a variety of psychological and speech assessments. Q-global is also an online system that is used to score tests administered in a paper format.

Q-interactive is used for one-on-one administration of tests where the examiner controls the testing session. Tests are administered using two iPads and the examiner administers the testing by reading instructions, recording examinee responses, and scoring items.

The Digital Assessment Library (DAL) for Schools provides unlimited use of over 40 assessments on Q-interactive and Q-global.

Cost is \$60,606.20 - an increase of \$2,574.95 from last year's cost of \$58,031.25. Funded by IDEA Grant Funds.

Rosecrance (Behavioral Services Contract)

A contract renewal for Rosecrance is presented for approval. Rosecrance provides professional services for substance usage education, pre-assessment screenings, interventions, and re-entry counseling. Rosecrance also provides prevention education for faculty, parents, and students, and counseling and support for parents. The contract price for 2024-2025 is \$502,154.53; this is an increase of \$18,005.53 due to a general increase in the marketplace and converting a part-time to a full-time position due to increased substance usage cases across the district.

Services include:

- Three full-time Rosecrance Student Assistant Professional (SAP) Counselors to deliver services during the 2024-2025 academic school year.
 - The full-time SAP Counselors will work full-time in the district's schools or in the community with district students twelve months per year.
- Two part-time Rosecrance SAP Counselors to deliver services during the 2024-2025 academic school year.
 - The part-time SAP Counselors will each provide 28 hours of services per week onsite while schools are in session.

The contract price for 2024-2025 is \$502,154.53. This is an increase of \$18,005.53 from 2023-2024, and is funded from the Education Services budget.

Learn Well Hospital Tutoring Services

A contract renewal for Learn Well (hospital tutoring services) is presented for approval. Students who are hospitalized are provided tutoring for assignments that they are missing while they are in a hospital program. The tutoring is performed by certified teachers while the student is in the hospital setting. This service is arranged by the hospital facility by cooperating with Learn Well, a company which provides the teachers and tutoring services.

Cost is \$62.25 per hour for up to 10 hours of instruction per student per week. Each hour of instruction delivered in any setting requires administrative and preparation time, and Learn Well bills an additional 33% for those services.

The cost for Learn Well depends on the unknown number of students who will require this service for FY25, but is estimated to be \$250,000 based on FY24. This service is funded from the Education Services budget.

Universal Screener

The district entered into an agreement with Aperture Education, LLC on October 1, 2023 for a strength-based suite of strategies, interventions, professional learning resources, and assessments, and wishes to renew this agreement.

The Devereux Student Strengths Assessment (DESSA) suite of resources empowers educators to build a measurable and actionable social and emotional learning (SEL) structure that involves educators, guardians, and students K-12 within a Multi-Tiered System of Support (MTSS) framework. This supports District Strategic Plan Goal 1.

DESSA suite of assessments are intended to inform the delivery of SEL at Tier 1 and Tier 2 as well as measuring the results of that delivery. Instruction is delivered through eight key social and emotional competencies aligned to Collaborative for Academic, Social, and Emotional Learning (CASEL) standards, which are derived from Illinois State Board of Education (ISBE) SEL standards. Growth is monitored over time, and District outcomes are measured and evaluated in alignment to Strategic Plan Goals.

The administration recommends approval of the contract extension from October 1, 2024 to September 30, 2025.

The cost for renewal for 2024-2025 is \$54,000. This is funded from the Special Education-IDEA Flow Thru budget.

Administrative Recommendation

The Administration recommends approval of the Education Services contract renewals for the 24-25 School year as presented.

Fiscal Impact

The cost for each contract and the budget for each is listed in each section above.

**Student Assistance Program Agreement between Rosecrance, Inc., and
Board of Education of Community Unit School District 300**

This Agreement is made and entered into by and between Rosecrance, Inc., an Illinois not for profit corporation, (“Rosecrance”) and the Board of Education of Community Unit School District 300 (herein referred to as “District”) (individually may be referred to herein as a “party” and collectively referred to herein as the “Parties”).

WHEREAS, District requires integrated substance use and mental health screenings and assessments and early intervention services for its students;

WHEREAS, Rosecrance represents that it is qualified and skilled in providing such services; and

WHEREAS, District and Rosecrance deem it mutually desirable to enter into an agreement for the provision of integrated substance use and mental health screenings and assessments and early intervention services by Rosecrance to District’s students on an independent contractor basis.

NOW, THEREFORE, in consideration of the foregoing, the mutual agreements hereinafter set forth and for other valuable consideration, the receipt and sufficiency of which is hereby acknowledged, District and Rosecrance hereby agree to the following:

Section 1 Duties and Responsibilities of Rosecrance

- a. Rosecrance will provide the substance use screenings and assessments and early intervention Services as listed on Exhibit A (“Services”). Rosecrance will assign three (3) full-time (FT) Rosecrance Student Assistant Professional (SAP) Counselors to deliver the services during the 2024-2025 academic school year. The SAP Counselors will work full-time in the District’s schools or in the community with District students twelve months per year. Rosecrance will also assign two (2) part-time (PT) SAP Counselors who will each provide twenty-eight (28) hours of Services per week, for ten (10) months, onsite while schools are in session. Rosecrance staff are available to provide virtual services when school is not in session, including during school holidays and summer break. The SAP Counselors will be assigned to the District’s four high schools and the District’s middle schools according to a rotation and schedule mutually agreeable to both parties.
- b. Licensure. Rosecrance represents that it shall maintain all necessary licensure, certification, and registration during the term of this Agreement and represents that the Services shall be provided by qualified staff with appropriate licensure as required for their function.
- c. Mandated Reporter. Rosecrance personnel agree to abide by the provisions of the Illinois *Abused and Neglected Child Reporting Act*, (325 ILCS 5/1 et seq.), with respect to reporting abused and neglected children during their time providing Services to District students.

- d. Compliance with Board Policies. Rosecrance agrees to abide by all applicable Board policies and procedures, including, but not limited to, policies applicable to conduct on District property and any and all applicable policies regarding gaining access to District students to provide Services.
- e. Health and Safety Guidelines. Rosecrance shall adhere to and abide by all federal and state guidelines pertaining to conducting its Services.
- f. Criminal Background Checks. All employees of Rosecrance who provide Services under this Agreement shall submit to a fingerprint based criminal background check, a Statewide Sex Offender Database check, a Statewide Murderer and Violent Offender Against Youth Database check and any other check per Section 10-21.9 of the Illinois *School Code* conducted by the School District. The District will pay for the cost of the first five (5) fingerprint based criminal background checks and Rosecrance will pay the cost of any additional fingerprint based criminal background checks during the balance of the Initial Term. Rosecrance will confirm that employees who provide Services under this Agreement underwent a health examination in accordance with Section 24-5 of the Illinois *School Code*.

Rosecrance acknowledges that, pursuant to the Illinois *Criminal Code* (720 ILCS 5/11- 9.3), it is unlawful for a child sex offender to knowingly be present on school property when persons under the age of 18 are present without the specific notification to and permission of the Superintendent or the Board. Child sex offenders found to be present on school property without permission will be considered trespassers and will be prosecuted in accordance with Illinois law. Rosecrance shall ensure that its employees providing Services under this Agreement are notified of this law and that no child sex offender shall be utilized in any of the Services performed on District premises or requiring contact with students. Further, Rosecrance shall ensure that none of its employees violate this law.

- g. Compliance with Laws. Rosecrance shall, at all times during the Term of this Agreement, comply (and shall cause its employees and agents, to comply) with all laws, codes, statutes, ordinances and regulations applicable to Rosecrance's performance of Services under this Agreement, including, but not limited to, the maintenance of any licenses required to perform such Services. Rosecrance agrees to comply fully with the requirements of the *Illinois Human Rights Act* (775 ILCS 5/1- 101 et seq.) including, but not limited to, the provision of sexual harassment policies and procedures pursuant to Section 2-105 of the Act. Rosecrance further agrees to comply with all federal Equal Employment Opportunity Laws, including, but not limited to, the *Americans With Disabilities Act* (42 U.S.C. § 12101 et seq.), and their rules and regulations. Rosecrance represents that it is not barred from entering into this Agreement as a result of a violation of Section 33E-3 or 33E-4 of the *Illinois Criminal Code* of 1961, or any other law, rule or regulation.

Section 2 Duties and Responsibilities of District

The District shall:

- a. Assign appropriate staff to work with the SAP Case Manager/Counselor.
- b. Provide an office, group room, computer, phone, locked file cabinet and access to a fax machine.
- c. Perform in-service trainings and orientation to the SAP Case Manager/Counselor at the beginning of the contract year.
- d. Facilitate referrals to Rosecrance Services and facilitate obtaining consents for the release of information to be shared among the Parties.

Section 3 Confidentiality

The Parties acknowledge that the records produced by each entity in the normal course of business and the information contained therein is governed by various state and federal laws related to record maintenance, access, and release, and confidentiality of the information contained therein, including, but not limited to: the *Health Insurance Portability and Accountability Act* (HIPAA), 42 USC §1320d-1320d-8; 45 CFR part 164 (privacy and security provisions); the *Alcoholism and Drug Abuse and Dependency Act*, 20 ILCS 300/1-1 et seq.; the *Illinois Mental Health and Developmental Disabilities Confidentiality Act*, 740 ILCS 110/1 et seq.; and the Federal Confidentiality of Alcohol and Drug Abuse Patient Records (42 U.S.C. 290dd-2 and its implementing regulation, 42 CFR Part 2); the *Family Educational Rights and Privacy Act*, 20 USC 1232g (FERPA), the *School Student Records Act*, 105 ILCS 10/1 et seq., and the *Local Records Act*, 50 ILCS 5/1 et seq. Both Parties agree to secure any necessary Authorizations for the release of information and necessary consents from Clients or those seeking Services under this Agreement. The Parties further agree that this Agreement is not confidential.

Rosecrance agrees that any information it receives (or its employees, agents, or subcontractors receive) from the District shall remain the property of the District and shall be treated and maintained by Rosecrance (and its employees, agents, and subcontractors) as confidential information and used only for the identified purposes in conjunction with the Services under the Agreement. Rosecrance shall have access only to the student record information necessary for the performance of Services. Such records shall not be disclosed to third parties for any reason other than to law enforcement or medical personnel in the event of an emergency, and should not be used for Rosecrance's own business purposes outside the performance of Services under the Agreement. Upon termination of the Agreement for any reason, any student record information in possession of Rosecrance or its employees, agents, or subcontractors shall be returned to the District and all copies of such information in all formats destroyed in accordance with all applicable laws within sixty (60) days of termination unless the Agreement provides for Rosecrance to maintain the records for a longer period of time. All information that qualifies as a student record under FERPA or ISSRA shall be handled by Rosecrance in accordance with those laws and District or Education policy. If there is a breach of such information (i.e. disclosure to a third party by Rosecrance or an employee, agent, or subcontractor thereof), Rosecrance shall, within two (2) calendar days of knowledge of the

incident, inform the District of the breach and the data affected.

As an independent contractor of the District, records in the possession of Rosecrance related to this Agreement may be subject to the Illinois Freedom of Information Act ("FOIA"), 5 ILCS 140/5-1 et seq.; 5 ILCS 140/7(2). Rosecrance, at Rosecrance's cost, shall immediately provide the District with any such records requested by the District in order to timely respond to any FOIA request received by the District. The District will review all such records to determine whether FOIA exemptions apply before disclosing the records, such that information properly exempt as proprietary or prohibited from release by other laws or exempt for other reasons will not be released. If Rosecrance refuses to provide a record that is the subject of a FOIA request to the District and the Attorney General or a court of competent jurisdiction subsequently requires the release of the record or penalizes the District in any way, Rosecrance shall reimburse the District for all costs, including attorneys' fees, incurred by the District related to the FOIA request and records at issue.

Section 4 Compensation

The District agrees to pay to Rosecrance the amount of \$502,154.53 (FT \$357,371.18; PT \$144,783.35) for the Services set forth in Exhibit A. Rosecrance will issue two invoices, each representing one-half of the total compensation payable under the contract. The first invoice will be issued in August 2024 and the second invoice will be issued in December 2024. Each invoice is payable by District within the time frame set forth in the Illinois Local Government Prompt Payment Act. Late payments shall be subject to the addition of interest at the maximum amount permitted under the Illinois Local Government Prompt Payment Act.

The District is a tax-exempt organization. Federal excise tax does not apply to the District and State of Illinois Sales Tax does not apply. The amounts to be paid to Rosecrance are inclusive of all other taxes that may be levied, including without limitation sales, use, nonresident, value-added, excise, and similar taxes levied or imposed upon the work. Rosecrance shall be responsible for any taxes levied or imposed upon Rosecrance's income or business privileges.

Section 5 Term

SUBJECT: Website & Mass Notification System Contract

Background

On September 15, 2022 Blackboard K12 solutions (Blackboard), owned by Anthology, was purchased by FinalSite. Blackboard was District 300's vendor for both our website and our mass notification system, often referred to as "the RCS system." The attached contract is for District 300 to officially extend services of the existing products acquired by FinalSite and to initiate new FinalSite products.

First, let's address messaging products. Product number one is "Mass Notifications," formerly known as "BBComms." This is the same product we currently use to send RCS messages. The Rapid Communication System sends emails, phone calls, and text messages in large quantities or targeted groups with messaging ranging from attendance status, school closures, emergency issues, and more. The only change with "Mass Notifications" is the name of the product (which, as previously stated, is now "Mass Notifications." Product number two is currently called "Messages XR," but will experience a name change next year to "FS Comms." "Messages XR / FS Comms" will function similarly to "Mass Notifications" and the district will have the option of using either product to send messages throughout the duration of the contract. Product number three is an "add-on" known as "Workflows," which allows for automating the messaging process within "Messages XR / FS Comms." The contract will provide a "2 for 1" price for both the "Mass Notifications" and "Messages XR / FS Comms" products. Workflows is complimentary within our proposed package.

Next, let's address website products. FinalSite will provide a comprehensive website solution package known as "Best-in-Class." This will consist of the following products: (1) a content management system formally called "Core Communications Platform," but is more commonly referred to as "Composer." The content management system is used to create, modify, and catalog content for a website, (2) "Best-in-Class Design," which is a product that includes the designing of the new website and creation of style-sheets that are necessary for posting to the web, (3) "Creative Template Regulatory Maintenance" (an annual review to ensure our site's design is meeting ADA compliance standards), and series of add-ons including, but not limited to, (4) "advanced search" (a tool that will provide a more robust website search feature), (5) training, and (6) premium support. All of these products are part of the "Best-in-Class" pricing.

Finally, let's address two additional services included in this contract; (1) Digital Marketing Services (DMS) and (2) Translation. The DMS service is referred to as "Virtual Webmaster." This service will aid in content conversion and migration (migration is the process by which we will transition content from our current website to the new website including but not limited to text, photos, and documents) during our development phases. The translation services (which will translate text content on our website) will be provided through a product called "Weglot." This program will seamlessly integrate up to 7 languages within our website. And, unlike our current translation product, Google translate, we can adjust automated translations to align with colloquial language preferences within our diverse community.

Administrative Recommendation

The administration recommends the approval of the **Finalsite** contract for a five (5) year term, 07/1/2024 - 06/30/2029, including an initial setup cost of \$56,250 with an annual contract amounts of \$61,052, \$63,256.60, \$65,458.60, \$67,660.40 and \$69,864.20. Total award for the year 5) year term is **\$383,541.80**.

1. Why wouldn't the district solicit bids for new communication services?

The district chose not to solicit bids for new communication services to maintain continuity with a reliable vendor, ensuring no additional RCS training is needed for familiar systems already in use, and requiring limited website training for a transition to new web services that function similarly to our current site.

2. What has it been costing the District for the current Blackboard messaging product?

Below, we have included the previous, board approved, renewal contract with Blackboard Anthology for the mass notifications and website product. The contract renewal was signed for three years.

Year 1	Year 2	Year 3	Total
\$57,335.05	\$56,553.30	\$56,553.30	\$170,441.65

3. Is the current website supported internally and are there any savings by outsourcing website support, such as fewer personnel needs?

Yes, our website is currently supported internally by the Communications Department and at least one webmaster per school. Outsourcing website support would be complex and impractical for several reasons. It would reduce our ability to oversee the creation of school-specific content, manage ADA requirements, and meet timely deadlines due to the large volume of information that must be posted.

4. While the cost information is provided in the FinalSite proposed contract for \$56k in set up costs and \$61k in fees for the first year, how do the costs break out for extending the messaging products and initiation of the new eight website products?

The eight website products mentioned in the question are part of the Best-in-Class package and are listed as "add-ons" within the contract. FinalSite has confirmed that these "add-ons" do not incur additional costs per item.

Product/Service	Year 1	Year 2	Year 3	Year 4	Year 5
"Best In Class Design" Set Up Fee	\$56,250.00	\$0.00	\$0.00	\$0.00	\$0.00
Composer CMS-Website + Weglot Languages 7	\$33,482.00	\$34,582.00	\$35,682.00	\$36,782.00	\$37,882.00
Mass Notifications /MXR	\$27,570.00	\$28,672.80	\$29,775.60	\$30,878.40	\$31,981.20

Total	\$117,302.00	\$63,256.60	\$65,458.60	\$67,660.40	\$69,864.20
-------	--------------	-------------	-------------	-------------	-------------

5. How much does FinalSite’s Translation product cost compared to Google translate cost?

The Weglot translation product costs \$3,500 per year for translations in seven languages, while Google Translate is free.

6. Can Google’s product be bolted onto FinalSite website product or is there a compatibility issue?

Yes, Google Translate can be used on FinalSite websites. However, Google Translate is a machine translation tool that often has inaccuracies. We are opting to use Weglot as it allows for edits to automated translations.

7. How much does FinalSite’s Digital Marketing Services product cost for content conversion and migration and could internal staff save the District from contracting this product?

The total cost is \$9,000. If we were to handle this process internally, it would place an excessive burden on the Communications Department.

8. What kind of timeline is the District’s Communications Department looking at from the contract signing to training, design, migration, testing to get to “go live” date?

As of May 21, 2024, the timeline is as follows:

Transition of D300 Website from v2 to v3 Timeline	
July 8 - 26, 2024	Project Kickoff
July 24' - May 25'	Final Design & Deployment Timeline

SUBJECT: 1:1 Student Devices Financing RFP

Background

On April 23, 2024, the Board approved the purchase of 22,500 Chromebooks for the 2024-2025 school year. The devices will replace the current Chromebooks for all students. As we have done in the past, the district issued an RFP for financing, which allows us to manage costs for budgetary purposes. The total purchase amount is \$9,182,925, based on the contract awarded from the 1:1 Device RFP.

Administrative Recommendation

The administration recommends awarding the Chromebook financing RFP to American Capital. The District will make a down payment of \$1,700,000, and the remaining \$7,482,925 will be financed over three fiscal years at a 2.649% interest rate.

American Capital is offering students the option to purchase their G8 chromebook and charger for \$35.00. Students will utilize American Capital's website to purchase their device.

Additionally, American Capital will be handling the packaging and pick up of the balance of the 21,000 Chromebooks being returned. The District will receive the proceeds from the net income of the sale of the Chromebooks.

In consideration of entering into a new Operating Lease with American Capital in 2024, American Capital will provide the District with a \$50,000 "damage credit" associated with the return of the devices this year, from Lease Schedule C. (up to \$10 can be applied per device)

Fiscal Impact

The total estimated award amount is \$9,513,345.16 inclusive of interest and will be spread over four fiscal years. This amount is incorporated into long-term financial planning and the technology replacement plan.

Dear Diane:

Thank you for the opportunity to propose lease figures for your upcoming technology acquisition. As you know, American Capital is a leader in providing equipment lease and finance options for Schools and Municipalities.

As members of IASBO, our organization has noted experts in this field who routinely present at IASBO sponsored seminars.

Our expertise in the local Education/Municipal Leasing Marketplace is noted by dozens of administrators ranging from Superintendents to Business Managers to Directors of Technology.

The lease options provided in the attached pages, are based upon final credit approval and spread over like term market indexes, 3 year SWAP Rates, before funding.

There are no documentation or filing fees associated with the new lease. No interim rent (or pre-commencement fees) would be charged either.

In consideration of entering into a new Operating Lease with American Capital in 2024, we will provide the District with a \$50,000 “damage credit” associated with the return of the devices this year, from Lease Schedule C. (up to \$10 can be applied per device) Contact us to learn more.

- Students will be able to purchase their off-lease device from our on-line store at an amount, based upon Fair Market Value, in 2028.
- Equipment will be audited and then graded based upon its current condition. A/B/C/D/F grade will be assigned to each asset. Assets will then be liquidated. Any equipment deemed not viable for resale, because of condition, will be properly destroyed and recycled per industry standards.
