SUBJECT: Boys & Girls Club Dundee Township Facility Rental Agreement (Renewal)

Background

District 300 and the BGCDT have a history of working together to provide additional support for students. The agreement being presented, between the district and the BGCDT, has been reviewed and approved by the district's legal counsel. The agreement outlines the respective rights and responsibilities of the two parties and covers details such as facility use, data-sharing requirements, and the 21st Century Learning Community program specifics.

Administrative Recommendation

The administration recommends approving the agreement between the district and BGCDT as presented.

**AGREEMENT BETWEEN THE BOYS & GIRLS CLUB OF DUNDEE TOWNSHIP AND COMMUNITY
UNIT SCHOOL DISTRICT 300 REGARDING THE 21st CENTURY COMMUNITY LEARNING
CENTER**

This Agreement is between the Board of Education of Community Unit School District 300, Kane, McHenry, Cook, and DeKalb, Illinois (the "School District"), and the governing board of the Boys & Girls Clubs of Dundee Township, an Illinois not-for-profit corporation, Carpentersville, Illinois (the "BGCDT").

I. Background

A. The BGCDT is an Illinois not-for-profit corporation that provides character development, academic/homework support, career readiness, recreation and other enrichment services to school-age children.

B. The BGCDT and the School District are applicants of a federal grant (the "Grant") to establish and operate the 21st Century Community Learning Center (CLC) at various School District schools and which programs and activities shall be referred to hereafter as the "CLC Program."

C. Although the primary purpose of school facilities is for the education of the children of the School District, there are times when certain school facilities are not otherwise needed for school and educational purposes.

D. The School District has determined that should the Grant be awarded, allowing the BGCDT to utilize certain School District facilities to provide the CLC Program to students enrolled in the School District will supplement and enhance the educational experience of its students.

E. The Parties have a history of working cooperatively for their mutual benefit and the Parties desire to further define between themselves their respective rights and responsibilities and to cooperate to the maximum extent permitted by law with respect to the agreements described herein.

II. Facility Use

A. Description of Property The School District is the owner of certain real estate, buildings, and facilities (the "Property"), which is more fully described in Exhibit A, attached hereto, and which may be amended in writing from time to time by mutual agreement of the School District's Superintendent and the BGCDT's Chief Executive Officer without further approval of their respective boards. The BGCDT expressly acknowledges and agrees that the School District may, on occasion, and in its reasonable discretion, unilaterally restrict or reduce the areas of the Property to be used by the BGCDT.

B. Ownership. The School District is the sole owner of the Property, and the BGCDT shall have no right or interest in the Property, except for the right to use the Property as provided in this Agreement.

C. Use of the Property. Subject to the terms and conditions of this Agreement, and in consideration of the agreements herein, the School District agrees to allow the BGCDT certain use of the Property for authorized CLC Program activities.

D. Rental Fees; Charges. In consideration for the enhanced academic benefit provided by BGCDT to the School District by the BGCDT's use of the Property as set forth herein, the BGCDT shall

not be required to pay rental fees, and any additional charges as may be applicable, to the School District in accordance with the School District's Community Use of School Facilities Policy and Administrative Guidelines, as may be amended from time to time.

E. No Financial Compensation. The BGCDT shall not receive any financial compensation from the School District. The BGCDT shall conduct member registration of the CLC Program, and any associated fees and costs for the CLC Program shall be paid directly to the BGCDT by students and their parents or legal guardians.

F. Scheduling of Property Use.

1. The BGCDT's use of the Property shall be limited to those non-school hours when the Property is not required for the School District's use. For example, the Parties anticipate that the BGCDT generally will use the Property (1) during the school year on weekdays in the mornings before school has begun for the day on a basis that will be adjusted seasonally in order to accommodate the School District and BGCDT's programming needs; (2) during the school year on weekdays in the late afternoons after school has released for the day on a basis that will be adjusted seasonally in order to accommodate the School District and BGCDT's programming needs; and (3) during the summer on weekdays from 7:00 am to 5:30 pm. Specific times should be agreed upon and approved by the building principal. It is understood and agreed that the needs of the School District will require its usage of the Property during non-school hours on certain days throughout the school year and summer.
2. A detailed Schedule of Property Use shall be developed by representatives of the School District and the BGCDT and attached to this Agreement as Exhibit B. Changes in the schedule may be approved in writing by mutual agreement of the School District's Superintendent and the BGCDT's Chief Executive Officer without further approval of their respective boards.
3. The BGCDT shall designate a CLC Program Site Director for each school location identified in Exhibit A and shall notify the School District with the contact information for each Site Director. In addition to the obligations hereunder as between the BGCDT and the School District, each BGCDT CLC Program Site Director shall cooperate with the Principal of the corresponding school in connection with the BGCDT's activities, and the Principal of the corresponding school shall cooperate with the BGCDT CLC Program Site Director.

G. Common Areas. Whenever the BGCDT has the right to use the Property under this Agreement, and subject to any scheduling restrictions imposed by the School District, the BGCDT shall be authorized to use on a joint use basis, other common areas of the Property, including the hallways, restrooms, parking areas of the identified schools and any other areas that are incidental to the use of the Property, consistent with this Agreement and approved by the School District (the "Common Areas").

H. Ingress/Egress. The School District hereby grants to the BGCDT rights of ingress and egress solely for the limited purpose of gaining access for the use of the Property and Common Areas, on and over the pathways, sidewalks, driveways, student loading areas, or other means of access to the Property as designated by the School District whenever the BGCDT has the right to use such Property or Common Areas under this Agreement. The BGCDT shall have no right to use any portion of the Property, other schools of the School District, or other School District property, except as specified in Exhibit A, this Agreement, or as permitted by the School District.

I. Custodial Services. The School District shall provide its usual and customary custodial services to the Property in accordance with the School District's regularly scheduled working hours or at the discretion of the School District. Fees for overtime custodial services may be assessed to the BGCDT in accordance with School District policies and procedures.

J. Repair and Replacement. At the close of each instance of use, the BGCDT shall leave the Property in substantially the same condition as at the outset of each instance of use, ordinary wear and tear excepted. The BGCDT shall be responsible for the cost of repair and/or replacement of any damage to the Property, or any other School District property, including without limitation fixtures and furnishings, which occurs because of or in connection with the use of the Property by the BGCDT or its employees, volunteers, participants, or agents. The BGCDT shall reimburse the School District for any costs it incurs related to damage caused by the BGCDT within 14 days after the School District sends a written invoice to the BGCDT.

K. No Improvements. The BGCDT shall not modify, alter, or place permanent fixtures or improvements upon School District property in any way without the prior express written approval by the School District.

L. Supervision. The School District shall have no responsibility whatsoever for supervising any CLC Program activities and/or Property use hereunder by the BGCDT, its employees, volunteers, participants and/or agents. The BGCDT shall be solely responsible, at its own expense, for providing adequate adult supervision in connection with its use of the School District's Property. The BGCDT acknowledges and assumes complete responsibility for the staff or volunteers used to supervise its activities hereunder.

M. Use Policies. The use policies of the School District, including without limitation the School District's Facility Rental Guide, shall apply to all users of the Property, including use by the BGCDT.

N. Facility Use Only. The BGCDT expressly acknowledges and agrees that this Agreement with the School District is solely for use of the Property. All employees or volunteers supervising or implementing activities under this Agreement shall be BGCDT employees or volunteers, and the School District shall not be responsible in any way for employment of personnel to implement or supervise the CLC Program on the School District property nor for any employment-related benefits. The BGCDT shall represent the CLC Program as BGCDT programs and at no time shall represent any sponsorship or other involvement by the School District other than provision of facilities.

O. Required Waiver. Prior to providing any CLC Program or activity on the Property, the BGCDT shall obtain a Waiver, Release, Indemnity, and Hold Harmless Form, in substantially the form of Exhibit C, attached hereto, signed by the participating student and his/her parent or legal guardian, and shall forward a signed copy to the School District's Chief Operations Officer or designee.

P. Background Investigations. The BGCDT shall not send to any school building or school property any employee or agent who would be prohibited from being employed by the School District due to a conviction of a crime listed in 105 ILCS 5/10-21.9 or who is listed in the Illinois Sex Offender Registry or the Illinois Murderer and Violent Offender Against Youth Registry. The BGCDT shall check if an employee or agent is listed on the Illinois Sex Offender Registry or the Illinois Murderer and Violent Offender Against Youth Registry at least quarterly and will provide a report to the School District as proof that these checks have occurred. The BGCDT will conduct background checks of their staff pursuant with Boys and Girls Club of America requirements prior to the

employee working on school property. In addition, BGCDT shall make every employee who will be sent to any school building or school property available to the School District for the purpose of submitting to a fingerprint-based criminal history records check pursuant to 105 ILCS 5/10-21.9.

In accordance with Illinois School Code 5/22-94, the BGCDT agrees to: (1) prohibit any of its employees from having direct contact with children or students through the BGCDT program if the BGCDT has not performed a sexual misconduct related employment history review (EHR) of the employee or if the District objects to the employee's assignment based on the employee's involvement in an instance of sexual misconduct as provided in 5/22-94(j)(3), which the BGCDT is required to disclose.

Q. Promotional Materials; News Releases. The School District shall permit the BGCDT to use the School District's name in describing the location of the CLC Program, provided that the BGCDT shall not represent the School District in any way except as expressly provided herein.

R. Employment Laws: The BGCDT will comply with all state and federal employment laws.

III. CLC Program

A. CLC Program Specifics. The specifics of the CLC Program and the Parties' obligations related to the CLC Program are described in detail in Exhibit D to this Agreement. The provisions of Exhibit D may be amended from time to time by the School District's Superintendent and the BGCDT's Chief Executive Officer without further approval of their respective boards.

B. Data Sharing Requirements. The School District intends on sharing student data with BGCDT subject to the provisions contained in Exhibit E to this Agreement.

IV. General
Terms

A. Incorporation of Recitals and Exhibits. The recitals and Exhibits to this Agreement are hereby incorporated as if set forth fully herein.

B. Term of Agreement. This Agreement shall commence _____ 2024 and shall conclude on June 30, 2025. The Parties may agree in writing to extend this Agreement for an additional term. If, however, the Grant is not awarded, either Party may immediately terminate the Agreement.

C. Termination. Either Party may terminate this Agreement for any reason upon six (6) month's advance written notice to the other Party. Additionally, if, during this Agreement, the School District's situation changes to necessitate the use of all or portions of the Property for School District purposes, the School District reserves the right to cancel the BGCDT's use of the Property and terminate this Agreement with written notice to the BGCDT three (3) months in advance of termination of the BGCDT's use of the Property. The Parties agree this provision is not intended to allow the School District to terminate the BGCDT's use of the Property where the School District has no demonstrable bona fide educational need.

D. Default

1. If one Party believes the other to be in default under this Agreement, that Party acting through its chief administrator, shall notify the other Party in writing and allow the other Party thirty (30) days from the date of receipt of the notice to cure the default. If the default is not then cured, the Party having sent the notice of default may terminate the Agreement by serving written notice on the other Party effective thirty (30) days after receipt of the notice by the other Party.
2. In the event of emergency, safety issue, or failure to maintain insurance, or any other condition that constitutes a substantial threat to the health or safety of students, employees, or others at the School District, as determined by the School District in its sole reasonable discretion, the School District may immediately suspend the BGCDT's activities hereunder until such condition has been remedied to the School District's satisfaction in accordance with this Agreement.

E. Indemnification. To the fullest extent permitted by law, the BGCDT shall indemnify, defend and hold harmless the School District, the Board of Education and its members, employees, volunteers, and agents, and their successors and assigns, in their individual and official capacities (collectively the "School Indemnitees"), from and against any and all liabilities, loss, claim, demand,

lien, damage, penalty, fine, interest, cost, and expense, including without limitation, reasonable attorneys' fees and litigation costs, incurred by any of the School Indemniteses for (i) injuries to persons or for damage, destruction or theft of property arising out of any activity of the BGCDT, or any act or omission of the BGCDT or of any employee, agent, volunteer, or invitee of the BGCDT, in or about the Property, the Common Areas or other School District property; (ii) the BGCDT's violation of the terms of the Grant; (iii) the BGCDT's violation of law; or (iv) the BGCDT's breach of the Agreement.

F. Insurance. The BGCDT, at its sole cost and expense, and for the benefit of the School District, shall carry and maintain the following insurance:

1. Comprehensive general liability and property damage insurance, insuring against all liability of BGCDT related to this Agreement, with a minimum combined single limit of One Million Dollars (\$1,000,000.00) per occurrence and Two Million Dollars (\$2,000,000) general aggregate;
2. Professional Liability Insurance with limits in the per claim amount of not less than Two Million Dollars (\$2,000,000) and the annual aggregate of not less than Three Million Dollars (\$3,000,000);
3. Automobile liability Insurance with a combined single limit of One Million dollars (\$1,000,000);
4. Workers' Compensation Insurance covering all costs, statutory benefits, and liabilities under State Workers' Compensation and similar laws for BGCDT's respective employees; and
5. Sexual abuse and molestation insurance with a combined single limit of One Million dollars (\$1,000,000).
6. Umbrella liability insurance with a minimum combined single limit of One Million dollars (\$1,000,000) per occurrence and One Million Dollars (\$1,000,000) general aggregate.

All insurers shall be licensed by the State of Illinois and rated A+-VII or better by A.M. Best or comparable rating service. The comprehensive general liability, sexual abuse and molestation, and property damage insurance policy shall name the School District, its Board, Board members, employees, agents, and successors as an additional insured on a primary noncontributory basis with a waiver of subrogation in favor of the School District. The BGCDT shall provide the School District with certificates of insurance and/or copies of policies reasonably acceptable to the School District evidencing the existence of the coverage described above, including form and deductibles, during the duration of this Agreement. The failure to provide acceptable insurance shall be deemed a breach of this Agreement entitling the School District to terminate this Agreement immediately. All policies of insurance shall provide by endorsement that no coverage may be canceled, terminated, or reduced by the insuring company without the insuring company having first given at least 30 days prior written notice to the School District by certified mail, return receipt requested.

G. No Waiver of Tort Immunity Defenses. Nothing contained in this Agreement, or in any other provision of this Agreement, is intended to constitute nor shall constitute a waiver of the defenses available to the School District under the Illinois Local Governmental and Governmental Employees Tort Immunity Act, with respect to claims by third parties.

H. Relationship of the Parties; No Third-Party Beneficiaries. Nothing in this Agreement shall be construed to consider any Party or its respective employees, volunteers, or agents as the agents or employees of any other Party. Nothing contained in or done pursuant to this Agreement shall be construed as creating a partnership, agency, joint employer, or joint venture relationship between the School District and the BGCDT. No Party shall become bound, with respect to third parties, by any representation, act, or omission of the other Party. No claim as a third-party beneficiary under this Agreement by any person, firm, or corporation shall be made or be valid against the School District.

The data will be used to identify which students are not attending school on a regular basis. iReady and IStation

One of the 21" CCLC grant objectives is increasing academic performance by 10%. Because semester and annual grades may not fluctuate much and do not offer a detailed picture of student strengths and deficiencies, a method for capturing measurable academic growth is needed. iReady and IStation identify specific areas in math and ELA that the community learning center can design programs to support member growth and increase performance. BGCDT will require overall student scores and all domains to identify specific areas to focus.

Staff will use the data to identify what level members are and which members need the most help with math and reading. BGCDT staff can spend extra time with these members to work on their skills. BGCDT can also match members who need support with teachers who are trained in math and ELA to further help these members during after school hours. Furthermore, BGCDT can motivate and incentivize members to put in more effort and time to perform better on iReady using prizes, rewards, moral support, etc.

An IEP outlines specific items needed to support a student to achieve positive outcomes. BGCDT wants the same positive outcomes for the student while at Club. Some students may require support identified in an IEP. Some supports such as strategies for communication, or scheduling student breaks are strategies that can help a student be successful at Club.

IEP data will only be requested on a case-by-case, as-needed basis. IEP data will be used to support a member to have the most positive experience at Club as possible. BGCDT understands the confidentiality of an IEP and the information within will only be shared with staff who directly work with the member.

The Club member/student's legal guardian will be required to fill out the D300 Release of Information Form (exhibit E-4) and indicate BGCDT is allowed to receive a copy of the student's IEP.

Once the form is received, the BGCDT Site director will turn in the release form to the School Principal. The Principal will turn in the form to the Educational Specialist to process.

SUBJECT: Compensation Compliance Reporting

Background

Sections 10-20.47 and 34-18.38 of the School Code [105 ILCS 5/10-20.47 and 5/34-18.38] require school districts to report administrator and teacher salary and benefits to the Illinois State Board of Education (ISBE): “Each school board shall report to the State Board of Education, on or before October 1 of each year, the base salary and benefits of the district superintendent [or the general superintendent of schools or chief executive officer] and all administrators and teachers employed by the school district. For the purposes of this Section, “benefits” includes without limitation vacation days, sick days, bonuses, annuities, and retirement enhancements.

Prior to this annual reporting to the State Board of Education, the information must be presented at a regular school board meeting, subject to applicable notice requirements, and then posted on the Internet website of the school district, if any.”

Public Act 97-0256 subsequently amended the School Code to 1) incorporate October 1 as the new reporting deadline and 2) add requirements for the information to be presented at a regular school board meeting and then posted on the district’s website.

Administrative Recommendation

The Administration recommends approval of the reports as presented.

Fiscal Impact

There will be no financial impact to any District 300 employee.
