G. Approval for Submission of Grant Application

The Administration recommends approval for submission of a Math SmARTS II grant application by the District 742 Math/Fine Arts Coordinators to the Mardag Foundation in the amount of \$20,000.00. The grant seeks to provide equitable access to learning by providing strategies that address multiple learning styles. Multiple and differing perspectives will be incorporated in the learning strategies to give students new, nontraditional, exciting and intriguing entry into academic arenas they may have rejected. The grant also allows the community to partner with the schools, working together to address challenges and opportunities. Teachers and artists working side-by-side provide models of life-long learning and together we will all share in the success of the project.
