

BOARD OF EDUCATION WORK SESSION
October 11, 2017
6:30 PM
District 742 Administration Office
1000 44th Avenue North, St Cloud, Minnesota

Our Mission is to create a safe and caring climate and culture in which we prepare, engage, educate, empower, and inspire all learners in partnership with their surrounding community to be successful in today's and tomorrow's society.

AGENDA

I. NEW TECH HIGH SCHOOL UPDATE

Key Next Steps

Key Messages

The Architects and Construction Managers will present reports on design and construction progress, including a presentation on the landscape design.

II. QUARRYVIEW EDUCATION CENTER UPDATE

Key Next Steps

Key Messages

Superintendent Willie Jett will present an update. Quarryview progress is currently four weeks behind schedule. The delay in structural steel shop drawing submittal is the main cause and effect. The recent wet weather will provide some additional delay. The steel erectors have been advised to provide more manpower and longer work days. They appear to be in agreement with the request. The additional steel erector manpower will not be an added cost and will allow some schedule advancements. Exterior wall framing is moving forward and keeping in pace with steel erectors. Concrete floors are being installed on first and second floors.

III. CAREER AND TECHNICAL EDUCATION PRESENTATION

Key Next Steps

Key Messages

Leah Sams, Coordinator, will present an overview of CTE programming in our District. Information is attached.

IV. CLOSED SESSION

The Board of Education will meet in closed session for the purpose of the annual routine evaluation of the Superintendent, pursuant to Minnesota Statute, Section 13D.05, Subd. 3(a).
