ADDENDUM

Item 3.

School Code Citation: 105 ILCS 5/27-815

Item 4(a).

Narrative Identifying and Justifying the Specific Request:

Community Unit School District No. 5, McLean and Woodford Counties, Illinois is seeking renewal of its waiver or modification of Section 27-815 of the Illinois School Code allowing it to increase the fee for its driver education course to an amount "not to exceed $450". The purpose of this request is to meet the intent of the Driver Education Act in a more effective and efficient manner, thereby allowing the District to provide driver education instruction to students sooner and greater support to not only the driver education program but also to high quality innovative courses in other areas of the District's curriculum.

The intent of the Act is to provide students with the knowledge, attitudes, habits, and skills necessary for the safe operation of motor vehicles, including without limitation instruction on distracted driving, special hazards, driving precautions that must be observed at emergency situations, highway construction, and railroad crossings, and law enforcement procedures for traffic stops including a demonstration of the proper actions to be taken during a traffic stop and appropriate interactions with law enforcement. Community Unit School District No. 5's driver education course includes a combination of classroom and behind the wheel instruction, both of which must be provided by certified high school teachers.

The current statutory and regulatory restrictions do not provide sufficient resources for a high quality program. Section 27-815 provides that a school district may charge a "reasonable fee", not to exceed $50, which may be increased to an amount not to exceed $250 following a public hearing. However, state regulations (23 Ill. Adm. Code 252.30) restrict a school district from including the salary and benefit costs of driver education personnel in calculating the "reasonable fee". By limiting the amount of the fee to $250 and not allowing salary and benefit costs to be included, combined with receipt of only 75.7% of its adequacy target under the evidence-based funding model, the District is limited in the number of certified driver education teachers it can hire and retain to provide instruction to students. This limits the number of students the District can provide driver education instruction to per semester and unnecessarily prolongs the time students must wait to receive driver education instruction.

Prior to the current waiver, District parents paid a $250 fee, but this amount, combined with state reimbursement, was insufficient to provide a program at high levels of student achievement. The District suffered more than an estimated $291,195 deficit in its driver education program costs after subtracting state reimbursement and student fees. If the District's waiver is not renewed, it will surely have to look at means to reduce its driver education program costs which could negatively impact students.

Item 4(b).

Community Unit School District No. 5 believes its driver education course is a high quality learning experience for students. Evidence of this belief is the high success rates of students qualifying to take the Drivers Test and their subsequent success.

The current economic hardship throughout Illinois has placed a special burden on high quality innovative programs. With only 75.7% of its evidence-based funding adequacy target there are financial pressures both on the District's driver education course and the District's ability to support high quality innovative courses in other areas of the District's curriculum.

Therefore, the District's waiver renewal request is to raise the statutory fee from an amount not to exceed $250 to "an amount not to exceed $450". This fee will be waived for students who are unable to pay.

Plan to Stimulate Innovation or Improve Student Performance

The current student performance levels in driver education are measured by the percent of students receiving a "B or Better" in the course, who are then, through permission of the Secretary of State's office, permitted to take the drivers test. Recent records of student achievement are:

	B or Better in the course
2025-2026	82%

While student success is very good, the District's goal would be to improve the percentage of students who earn a "B or Better" in the course. At the end of the 5 year waiver period, we hope to have at least 85% of our students earning a B or better in the driver education course. A larger goal would be to help decrease the number of teenage accidents and deaths as a result of improved instruction.

If the District is successful in receiving a renewal of the fee increase, while allowing for fee waivers to low income students, it will be able to maintain a reduced cost of the driver education program. This will allow the District to use those funds to promote innovations in programs for students elsewhere in the curriculum. Recently, the District added a STEM designation that students can achieve by taking courses in Math, Science, Engineering, and Technology over their high school career.

ADDENDUM

Item 3.

School Code Citation: 23 Ill. Adm. Code 252.30

Item 4(a).

Narrative Identifying and Justifying the Specific Request:

Community Unit School District No. 5, McLean and Woodford Counties, Illinois is seeking a waiver or modification of 23 Ill. Adm. Code 252.30 allowing the District to consider the salary and benefit costs of driver education personnel in calculating the reasonable fee for students participating in its driver education course. The purpose of this request, along with the District's renewal application for waiver of 105 ILCS 5/27-815 to increase the fee to an amount "not to exceed $450", is to meet the intent of the Driver Education Act in a more effective and efficient manner, thereby allowing the District to provide driver education instruction to students sooner and greater support to not only the driver education program but also to high quality innovative courses in other areas of the District's curriculum.

The intent of the Act is to provide students with the knowledge, attitudes, habits, and skills necessary for the safe operation of motor vehicles, including without limitation instruction on distracted driving, special hazards, driving precautions that must be observed at emergency situations, highway construction, and railroad crossings, and law enforcement procedures for traffic stops including a demonstration of the proper actions to be taken during a traffic stop and appropriate interactions with law enforcement. Community Unit School District No. 5's driver education course includes a combination of classroom and behind the wheel instruction, both of which must be provided by certified high school teachers.

The current statutory and regulatory restrictions do not provide sufficient resources for a high quality program. Section 27-815 provides that a school district may charge a "reasonable fee", not to exceed $50, which may be increased to an amount not to exceed $250 following a public hearing. However, state regulations (23 Ill. Adm. Code 252.30) restrict a school district from including the salary and benefit costs of driver education personnel in calculating the "reasonable fee". By limiting the amount of the fee to $250 and not allowing salary and benefit costs to be included, combined with receipt of only 75.7% of its adequacy target under the evidence-based funding model, the District is limited in the number of certified driver education teachers it can hire and retain to provide instruction to students. This limits the number of students the District can provide driver education instruction to per semester and unnecessarily prolongs the time students must wait to receive driver education instruction.

Prior to the District's current waiver of 105 ILCS 5/27-815, District parents paid a $250 fee, but this amount, combined with state reimbursement, was insufficient to provide a program at high levels of student achievement. The District suffered more than an estimated $291,195 deficit in its driver education program costs after subtracting state reimbursement and student fees. If the District's waiver of 105 ILCS 5/27-815 is not renewed and the District is not allowed to consider the salary and benefit costs of driver education personnel in calculating the reasonable fee for

students participating in its driver education course, it will surely have to look at means to reduce its driver education program costs which could negatively impact students.

Item 4(b).

Community Unit School District No. 5 believes its driver education course is a high quality learning experience for students. Evidence of this belief is the high success rates of students qualifying to take the Drivers Test and their subsequent success.

The current economic hardship throughout Illinois has placed a special burden on high quality innovative programs. With only 75.7% of its evidence-based funding adequacy target there are financial pressures both on the District's driver education course and the District's ability to support high quality innovative courses in other areas of the District's curriculum.

Therefore, the District has not only applied for a waiver renewal request is to raise the statutory fee from an amount not to exceed $250 to "an amount not to exceed $450", but is also applying for this separate waiver to allow the District to consider the salary and benefit costs of driver education personnel in calculating the reasonable fee for students participating in its driver education course. This driver education fee will be waived for students who are unable to pay.

Plan to Stimulate Innovation or Improve Student Performance

The current student performance levels in driver education are measured by the percent of students receiving a "B or Better" in the course, who are then, through permission of the Secretary of State's office, permitted to take the drivers test. Recent records of student achievement are:

	B or Better in the course
2025-2026	82%

While student success is very good, the District's goal would be to improve the percentage of students who earn a "B or Better" in the course. At the end of the 5 year waiver period, we hope to have at least 85% of our students earning a B or better in the driver education course. A larger goal would be to help decrease the number of teenage accidents and deaths as a result of improved instruction.

If the District is successful in receiving a renewal waiver of the fee increase, while allowing for fee waivers to low income students, and allowed to consider the salary and benefit costs of driver education personnel in calculating the reasonable fee for students participating in its driver education course, it will be able to maintain a reduced cost of the driver education program. This will allow the District to use those funds to promote innovations in programs for students elsewhere in the curriculum. Recently, the District added a STEM designation that students can achieve by taking courses in Math, Science, Engineering, and Technology over their high school career.

Questions

McLean County
Unit District No.5
Educating each student to achieve personal excellence.

TO: McLean County Unit 5 Board of Education
CC: Dr. Kristen Weikle, Superintendent
FROM: Shane Hill, Director of Safety & Security
DATE: June 2026
SUBJECT: Annual Review of Identified Safety Hazards for Student Transportation (2026–2027)

In accordance with Section 29-3 of the Illinois School Code (105 ILCS 5/29-3) and the Illinois State Board of Education (ISBE), Unit 5 conducts an annual review of serious safety hazards along student walking routes.

Illinois law permits school districts to provide transportation to students residing within 1.5 miles of their school if an Illinois Department of Transportation (IDOT) certified safety hazard exists.

School districts must annually review documented hazards and seek Board approval for their continuation to maintain state transportation reimbursement.

Following a review by the Director of Safety & Security, Finance Department, First Student Transportation, and the Executive Director of Operations, no changes are recommended to the District's existing hazard designations for the 2026–2027 school year.

Current IDOT-Certified Safety Hazard Areas
The following schools continue to have certified safety hazards that justify transportation services for eligible students residing within 1.5 miles of the school:

School	Roadway Hazards	Railroad Crossing	Limited Sidewalk Infrastructure
Carlock Elementary	X	X	X
Cedar Ridge Elementary	X		
Fairview Elementary	X		
Fox Creek Elementary	X		
Glenn Elementary	X	X	
Northpoint Elementary	X		
Parkside Elementary	X		
Pepper Ridge Elementary	X		
Towanda Elementary	X	X	X
Kingsley Junior High	X	X	X

Chiddix Junior High	X	X	X
Evans Junior High	X		X

Recommendation
Based upon the annual review conducted by District staff and transportation partners, it is recommended that the Board of Education approve the continuation of all currently identified and IDOT-certified safety hazards for the 2026–2027 school year. No changes to existing hazard designations are recommended at this time.

Exhibit - Guidance for Board Member Communications, Including Email Use

The Board is authorized to discuss District business only at a properly noticed Board meeting (Open Meetings Act, 5 ILCS 120/). Other than during a Board meeting, a majority or more of a Board-quorum may not engage in contemporaneous interactive communication, whether in person or electronically, to discuss District business. This *Guidance* assumes a Board has seven members and covers issues arising from Board Policy 2.140, *Communications To and From the Board*.

Note: *Public records* stored by Board members on personal devices (i.e., texts) or personal email accounts pose significant logistical and administrative challenges for public record preservation and certain Freedom of Information Act (FOIA) requests. It is therefore a best practice for Board members to utilize District-issued devices or District-issued email addresses for electronic communications that qualify as public records under FOIA or the Local Records Act (LRA). For that reason, the examples in this guidance focus primarily on Board member email use and District-issued devices.

Communications Between or Among Board Members and/or the Superintendent Outside of a Properly Noticed Board Meeting

1. The Superintendent or designee is permitted to email information to Board members. For example, the Superintendent may email Board meeting agendas and supporting information to Board members. When responding to a single Board member's request, the Superintendent should copy all other Board members and include a *"do not reply all/forward"* alert to the group, such as: "**BOARD MEMBER ALERT: This email is in response to a request. Do not reply or forward to the group; reply only to the sender.**" Alternatively, the Superintendent may blind carbon copy (bcc) all other board members (preventing them from replying to all) and include a similar alert to the group, such as: "**BOARD MEMBER ALERT: This email is in response to a request. To prevent replies or forwards to the group, all Board members are blind carbon copied on this email. Only reply to the sender.**"

2. Board members are permitted to discuss any topic other than~~matter except~~ District business with each other, whether in person or by telephone, ~~or~~ email, texts, or other electronic means, regardless of the number of members participating in the discussion. For example, they may discuss ~~league~~ sports, work, or current events.

3. Board members are permitted to provide information to each other, whether in person or by telephone, ~~or~~ email, texts, or other electronic means, that relates to District business but is non-deliberative and non-substantive. Examples of this type of communication include scheduling meetings and confirming receipt of information.

4. A Board member is not permitted to discuss District business with more than one other Board member at a time, whether in person or by telephone, ~~or~~ email, texts, or other electronic means. Stated another way, a Board member may discuss District business in person or by telephone, ~~or~~ email, texts, or other electronic communications with only one other Board member at a time.

~~4.~~5. ~~However, a~~ A Board member should not facilitate interactive communication by discussing District business in a series of visits with, or telephone calls, ~~or~~ email~~s to~~, texts, or other electronic communications to Board members individually.

~~5.~~6. A Board member should include a *"do not reply all/forward"* alert when emailing a message concerning District business to more than one other Board member. The following is an example of such an alert: "**BOARD MEMBER ALERT: This email is not for interactive discussion purposes. The recipient should not reply to it or forward it to any other individual.**" Alternatively, the Board member may bcc the other Board members and include a similar alert to the other board members, such as "**BOARD MEMBER ALERT: This email is not for interactive discussion purposes. To prevent replies or forwards to the group, all Board members are blind carbon copied on this email. The recipient should not reply to it or forward it another individual.**"

~~6.~~7. Board members should not forward email received from another Board member.

When Must the Electronic Communications Sent or Received by Individual Board Members Be Disclosed Pursuant to a Freedom of Information Act (FOIA) Request?

An electronic communication must be disclosed if it is a *public record* as defined by FOIA, unless a specific exemption applies. A *public record* is any recorded information "pertaining to the transaction of public business, regardless of physical form or characteristics, having been prepared by or for, or having been or being used by, received by, in the possession of, or under the control of any public body". 5 ILCS 140/2, amended by P.A. 104-438. Public records do not include *junk mail*. Junk mail includes unsolicited commercial electronic communications sent to the District that it does not respond to. Id. Email or other electronic communications sent or received by an individual Board member may be, depending on the content and circumstances, subject to disclosure as a *public record* (unless a FOIA exemption is applicable).

If a Board member uses a District-provided device or email address to discuss public business, the electronic communication~~mail~~ is subject to disclosure under FOIA, barring an applicable exemption. If a Board member uses a private device and email address, the communication is subject to FOIA if it satisfies this test:

First, the communication pertains to the transaction of public business, and

Second, the communication was:

(1) prepared by a public body,

(2) prepared for a public body,

(3) used by a public body,

(4) received by a public body,

(5) possessed by a public body, and/or

(6) controlled by a public body.

This test is from the appellate court decision in City of Champaign v. Madigan, 992 N.E.2d 629 (Ill. App. Ct. 2013).

The following examples describe FOIA's treatment of electronic communications:

1. If an electronic communication does not pertain to public business, it is not a public record and is not subject to a FOIA request.

2. An electronic communication pertaining to public business that is:

   a. Sent and/or received by an individual Board member using a personal electronic device and personal email address while he or she is at home or work **would not be a public record**. Individual Board members, alone, cannot conduct school District business. As stated earlier, emails among a majority or more of a Board-quorum violate the Open Meetings Act (OMA) and, thus, are subject to disclosure during proceedings to enforce ~~the~~ OMA~~pen Meetings Act~~.

   b. Sent and/or received by an individual Board member on a District-issued device or District-issued email address **will be a public record** and subject to FOIA. The electronic communication is under the control of the District.

   c. Received by an individual Board member on a personal electronic device and then forwarded by the Board member to a District-owned device or server **will be a public record** and subject to FOIA. The electronic communication is under the control of the District.

   d. Received by an individual Board member using a personal electronic device and personal email address, and then forwarded by the Board member to enough Board members to constitute a majority or more of a Board-quorum **will be a public record** and subject to FOIA. The electronic communication is in the District's possession.

   e. Either sent to or from a Board member's personal electronic device during a Board meeting **will be a public record** and subject to FOIA. The electronic communication is in the District's possession because Board members were functioning collectively as a public body.

The District's Freedom of Information Officer and/or Attorney for the District will help determine whether~~n~~ a specific communication must be disclosed pursuant to a FOIA request.

When Must Electronic Communications Be Retained?

E~~lectronic communications~~~~mail~~ that qualify~~ies~~ under FOIA as ~~a~~ *public record*s will need to be stored pursuant to the Local Records Act (LRA), only if it is evidence of the District's organization, function, policies, procedures, or activities or contains informational data appropriate for preservation ~~(Local Records Act, .~~ 50 ILCS 205/~~)~~. An example is any email from a Board officer concerning a decision made in his or her capacity as an officer. If a Board member uses his or her personal email, he or she must copy this type of email, to the appropriate District office where it will be stored. If made available, Board members should use their email accounts provided by the District and the District will automatically store the official record messages. The District will delete these official record messages as provided in an applicable, approved **retention schedule**. Of course, email pertaining to public business that is sent or received by a Board m~~M~~ember using a District-issued device or email address will be subject to FOIA, even if the email does not need to be retained under the LRA~~ocal Records Act~~.

Important: Do not destroy any e~~lectronic communication~~~~mail~~ concerning a topic that is being litigated without obtaining the Attorney for the District's direction. In federal lawsuits, there is an automatic discovery of virtually all types of electronically created or stored data that might be relevant. Attorneys will generally advise~~notify~~ their clients at the beginning of a legal proceeding that they must not ~~to~~ destroy any electronic records that might be relevant. For more discussion of a litigation hold, see Administrative Procedure 2.250-AP2, *Protocols for Record Preservation and*

General Personnel – Hiring Process and Criteria

The District hires the most qualified personnel consistent with budget and staffing requirements and in compliance with Board policy on equal employment opportunity and minority recruitment. The Superintendent is responsible for recruiting personnel and making hiring recommendations to the Board. If the Superintendent's recommendation is rejected, the Superintendent must submit another. No individual will be employed who has been convicted of a criminal offense listed in 105 ILCS 5/21B-80(c).

All applicants must complete a District application form in order to be considered for employment.

Job Descriptions

The Board maintains the Superintendent's job description and directs, through policy, the Superintendent, in their charge of the District's administration.

The Superintendent shall develop and maintain a current comprehensive job description for each position or job category; however, a provision in a collective bargaining agreement or individual contract will control in the event of a conflict.

Investigations

The Superintendent or designee shall ensure that a fingerprint-based criminal history records check and a check of the Statewide Sex Offender Database and Violent Offender Against Youth Database is performed on each applicant as required by State law. When the applicant is a successful superintendent candidate who has been offered employment by the Board, the Board President shall ensure that these checks are completed. The Superintendent or designee, or if the applicant is a successful superintendent candidate, then the Board President shall notify an applicant if the applicant is identified in either database. State Police and/or Statewide Sex Offender Database for purposes of clarifying the information, and/or the Teachers' Retirement System of the State of Illinois when required by law. If an indicated finding of abuse or neglect of a child has been issued by the Ill. Department of Children and Family Services or by a child welfare agency of another jurisdiction for any applicant for student teaching, applicant for employment, or any District employee, then the Board must consider that person's status as a condition of employment.

The Superintendent or designee shall ensure that the District does not engage in any investigation or inquiry prohibited by law and complies with each of the following:

1. The District uses an applicant's credit history or report from a consumer reporting agency only when a satisfactory credit history is an established bona fide occupational requirement of a particular position.

2. The District does not screen applicants based on their current or prior wages or salary histories, including benefits or other compensation, by requiring that the wage or salary history satisfy minimum or maximum criteria.

3. The District does not request or require a wage or salary history as a condition of being considered for employment, being interviewed, continuing to be considered for an offer of employment, an offer of employment, or an offer of compensation.

4. The District does not request or require an applicant to disclose wage or salary history as a condition of employment.

5. The District does not ask an applicant or applicant's current or previous employers about wage or salary history, including benefits or other compensation.

7. The District does not request of an applicant or employee access in any manner to their personal online account, such as social networking websites, including a request for passwords to such accounts.

8. The District provides equal employment opportunities to all persons. See Board Ppolicy 5.10, *Equal Employment Opportunity*.

General Personnel – Drug- and Alcohol-Free Workplace; E-Cigarette, Vaping, Tobacco, and Cannabis Prohibition

It is the policy of the District that the public has the reasonable right to expect all District employees to be free from the effects of drugs and alcohol while on duty or on District property and to observe the laws concerning the use of drugs and alcohol regardless of whether they are on duty, on District property, or at District events. The purposes of this policy shall be achieved in such a manner as not to violate any constitutional rights of employees.

All District property and events are drug- and alcohol-free places.

All employees are prohibited from:

1. Possessing, consuming, using, manufacturing, dispensing, distributing, or being impaired by or under the influence of alcohol or cannabis while on duty or on District property. Possession or distribution of medical cannabis by a school nurse or school administrator pursuant to Ashley's Law, 105 ILCS 5/22-33, is not prohibited.

2. Consuming, using, or being impaired by or under the influence of alcohol or cannabis while on call.

3. Being impaired by or under the influence of prescription medication or over the counter medication while on duty, on call, or on District property.

4. Possessing, selling, purchasing, delivering, manufacturing, dispensing, distributing, using, or being impaired by or under the influence of any illegal drug or controlled substance.

For purposes of this policy, an *illegal drug or controlled substance* means a substance that is:

1. Not legally obtainable;

2. Being used in a manner different than prescribed;

3. Legally obtainable, but has not been legally obtained; or

4. Referenced in federal or State controlled substance acts.

An employee is ~~"~~*on call*~~"~~ when the District schedules the employee with at least 24 hours' notice to be on standby or otherwise responsible for performing employment-related tasks either on District property or another previously-designated location.

The District considers an employee to be ~~"~~*impaired by or under the influence of*~~"~~ one of the substances listed above if the employee manifests specific, articulable symptoms while working that decrease or lessen the employee's performance of the duties or tasks of the employee's job position, including, but not limited to, symptoms of the employee's speech, physical dexterity, agility, coordination, demeanor, irrational or unusual behavior, or negligence or carelessness in operating equipment or machinery; disregard for the safety of the employee, students, or others, or involvement in any accident that results in serious damage to equipment or property; or carelessness that results in any injury to the employee, students, or others.

Upon the Superintendent or designee's reasonable suspicion of an employee's violation of any of the prohibited activities stated above, the Superintendent or designee may direct the employee to undergo a drug and/or alcohol test to corroborate or refute the alleged violation. State law protects the District from liability when it takes actions pursuant to a reasonable workplace drug policy, including but not limited to subjecting an employee or applicant to reasonable drug and alcohol testing, reasonable and nondiscriminatory random drug testing, discipline, termination of employment, or withdrawal of a job offer due to a failure of a drug test.

For purposes of this policy, *District property* means workplace as defined in the Cannabis Regulation and Tax Act ("CRTA") in addition to District and school buildings, grounds, and parking areas; vehicles used for school purposes; and any location used for a School Board meeting, school athletic event, or other school-sponsored or school-sanctioned events or activities. ~~"~~*School grounds*~~"~~ means the real property comprising any school, any conveyance used to transport students to school or a school-related activity, and any public way within 1,000 feet of any school ground, designated school bus stops where students are waiting for the school bus, and school-sponsored or school-sanctioned events or activities. ~~"~~*Vehicles used for school purposes*~~"~~ means school buses or other school vehicles.

As a condition of employment, each employee shall:

1. Abide by the terms of this Board policy respecting a drug- and alcohol-free workplace; and

2. Notify theirhis or her supervisor of his or hertheir conviction under any criminal drug statute for a violation occurring on the District premises or while performing work for the District, no later than five calendar days after such a conviction.

To make employees aware of dangers of drug and alcohol abuse, the Superintendent or designee shall perform each of the following:

1. Provide each employee with a copy of this policy, or with access to this policy online;

2. Post notice of this policy where other information for employees is posted;

3. Make available materials from local, State, and national anti-drug and alcohol-abuse organizations;

4. Enlist the aid of community and State agencies with drug and alcohol informational and rehabilitation programs to provide information to District employees;

5. Establish a drug-free awareness program to inform employees about:

    a. The dangers of drug abuse in the workplace;

    b. Available drug and alcohol counseling, rehabilitation, re-entry, and any employee assistance programs; and

    c. The penalties that the District may impose upon employees for violations of this policy.

6. Remind employees that Board Ppolicy 6.60, *Curriculum Content*, requires the District to educate students, depending upon their grade, about drug and substance abuse prevention and relationships between drugs, alcohol, and violence.

E-Cigarette, Vaping, Tobacco, and Cannabis Prohibition

All employees are covered by the conduct prohibitions contained in Board Ppolicy 8.30, *Visitors to and Conduct on School Property*. The prohibition on the use of e-cigarettes, vaping, tobacco, and cannabis products applies both (1) when an employee is on school property, and (2) while an employee is performing work for the District at a school event regardless of the event's location.

"Tobacco" has the meaning provided in ~~Section~~ 105 ILCS 10-20.5b ~~of the School Code~~.

"Cannabis" has the meaning provided in the CRTA, 410 ILCS 705/1-10.

"E-Cigarette" is short for electronic cigarette and includes, but is not limited to, any electronic nicotine delivery system ("ENDS"), electronic cigar, electronic cigarillo, electronic pipe, electronic hookah, vape pen, or similar product or device and any components or parts that can be used to build the product or device.

District Action Upon Violation of Policy

An employee who violates this policy may be subject to disciplinary action, including termination. In addition, the Board may require an employee to successfully complete an appropriate drug- or alcohol-abuse program and/or employee-assistance program.

If the District elects to discipline an employee on the basis that the employee is under the influence or impaired, the District will afford the employee a reasonable opportunity to contest the basis of the determination.

The Board shall take disciplinary action with respect to an employee convicted of a drug offense in the workplace within 30 days after receiving notice of the conviction.

Should District employees be engaged in the performance of work under a federal contract or grant, or under a State contract or grant of $5,000 or more, the Superintendent or designee shall notify the appropriate State or federal agency from which the District receives contract or grant monies of the employee's conviction within 10 days after receiving notice of the conviction.

1. A certified copy of the student's birth certificate. If a birth certificate is not presented, the Superintendent or designee shall notify in writing the person enrolling the student that within 30 days he or she must provide a certified copy of the student's birth certificate. When a certified copy of the birth certificate is presented, the school shall promptly make a copy for its records, place the copy in the student's permanent record, and return the certified copy to the person enrolling the child. If a person enrolling a student fails to provide a certified copy of the student's birth certificate, the Superintendent or designee shall immediately notify the local law enforcement agency, and shall also notify the person enrolling the student in writing that, unless he or she complies within 10 days, the case will be referred to the local law enforcement authority for investigation. If compliance is not obtained within that 10-day period, the Superintendent or designee shall so refer the case. The Superintendent or designee shall immediately report to the local law enforcement authority any material received pursuant to this paragraph that appears inaccurate or suspicious in form or content.

2. Proof of residence, as required by Board P~~p~~olicy 7.60, *Residence*.

3. Proof of disease immunization or detection and the required physical examination, as required by State law and Board P~~p~~olicy 7.100, *Health, Eye, and Dental Examinations; Immunizations; and Exclusion of Students*.

The individual enrolling a student shall be given the opportunity to voluntarily state whether the student has a parent or guardian who is a member of a branch of the U. S. Armed Forces and who is either deployed to active duty or expects to be deployed to active duty during the school year. Students who are children of active duty military personnel transferring will be allowed to enter: ~~-~~(a) the same grade level in which they studied at the school from which they transferred, if the transfer occurs during the District's school year, or (b) the grade level following the last grade completed.

Homeless Children

Any homeless child shall be immediately admitted, even if the child or child's parent/guardian is unable to produce records normally required for enrollment. Board P~~p~~olicy 6.140*, Education of*

Homeless Children, and its implementing Administrative Procedure 6.140-AP1, govern the enrollment of homeless children.

Foster Care Students

The Superintendent or designee will appoint at least one employee to act as a liaison to facilitate the enrollment and transfer of records of students in the legal custody of the Ill. Dept. of Children and Family Services (DCFS) when enrolling in or changing schools. The District liaison ensures that DCFS' Office of Education and Transition Services receives all written notices and records pertaining to students in legal custody as required by State law.

Student Transfers To and From Non-District Schools

A student may transfer into or out of the District according to State law and procedures developed by the Superintendent or designee. A student seeking to transfer into the District must serve the entire term of any suspension or expulsion, imposed for any reason by any public or private school, in this or any other state, before being admitted into the District.

Foreign Exchange Students

The District accepts foreign exchange students with a J-1 visa and who reside within the District as participants in an exchange program sponsored by organizations screened by administration. Exchange students on a J-1 visa are not required to pay tuition.

Privately sponsored exchange students on an F-1 visa may be enrolled if an adult resident of the District has temporary guardianship, and the student lives in the home of that guardian. Exchange students on an F-1 visa are required to pay tuition at the established District rate. F-1 visa student admission is limited to high schools, and attendance may not exceed 12 months.

The Board may limit the number of exchange students admitted in any given year. Exchange students must comply with District immunization requirements. Once admitted, exchange students become subject to all District policies and regulations governing students.

Re-Enrollment

Re-enrollment shall be denied to any individual 19 years of age or above who has dropped out of school and who could not earn sufficient credits during the normal school year(s) to graduate before his or her 21st birthday. However, at the Superintendent's or designee's discretion and depending on program availability, the individual may be enrolled in a graduation incentives program established under 105 ILCS 5/26-16 or an alternative learning opportunities program established under 105 ILCS 5/13B-1 (see Board Ppolicy 6.110, *Programs for Students At Risk of Academic Failure and/or Dropping Out of School and Graduation Incentives Program*). Before being denied re-enrollment, the District will offer the individual due process as required in cases of expulsion under Board Ppolicy 7.210, *Expulsion Procedures*. A person denied re-enrollment will be offered counseling and be directed to alternative educational programs, including adult education programs that lead to graduation or receipt of a GED diploma. This section does not apply to students eligible for special education under the Individuals with Disabilities in Education Act or accommodation plans under the Rehabilitation Act, Section 504.

Health, Eye, and Dental Examinations; Immunizations; and Exclusion of Students

Required Health Examinations and Immunizations

A student's parents/guardians shall present proof that the student received a health examination, with proof of the immunizations against, and screenings for, preventable communicable diseases, as required by the Illinois Department of Public Health, within one year prior to:

1. Entering kindergarten or the first grade;

2. Entering the sixth and ninth grades; and

3. Enrolling in an Illinois school, regardless of the student's grade (including early learning, special education, Head Start programs operated by elementary or secondary schools, and students transferring into Illinois from out-of-state or out-of-country).

Proof of immunization against meningococcal disease is required from students entering grades 6 and 12.

As required by State law:

1. Health examinations must be performed by a physician licensed to practice medicine in all of its branches, an advanced practice nurse who has a written collaborative agreement with a collaborating physician authorizing the advanced practice nurse to perform health examinations, or a physician assistant who has been delegated the performance of health examinations by a supervising physician.

2. A diabetes screening must be included as a required part of each health examination; diabetes testing is not required.

3. An age appropriate developmental screening and an age-appropriate social and emotional screening are required parts of each health examination. A student will not be excluded from school due to his or her parent/guardian's failure to obtain a developmental screening or a social and emotional screening.

4. Before admission and in conjunction with required physical examinations, parent(s)/guardian(s) of children between the ages of one and seven years must provide a statement from a physician that their child was ~~"~~*risk-assessed*~~"~~ or screened for lead poisoning.

5. The IDPH will provide all students entering sixth grade and their parent(s)/guardian(s) information about the link between human papilloma-virus (HPV) and HPV-related cancers and the availability of the HPV vaccine.

6. The District will provide informational materials regarding influenza and influenza vaccinations developed, provided, or approved by the IDPH when it provides information on immunizations, infectious diseases, medications, or other school health issues to students' parents(s)/guardian(s).

Unless an exemption or extension applies, the failure to comply with the above requirements by the first day of the current school year will result in the student's exclusion from school until the required health forms are presented to the District. ~~Transfer students shall have 30 days following registration to comply with the health examination and immunization regulations.~~ If a medical reason prevents a student from receiving a required immunization by the first day of school, the student must present, by the first day of school, an immunization schedule and a statement of the medical reasons causing the delay. The schedule and statement of medical reasons must be signed by the physician, advanced practice registered nurse, physician assistant, or local health department responsible for administering the immunizations.

Transfer students shall have 30 days following registration to comply with the health examination and immunization regulations. If the required proof of vaccination is not submitted within 30 days after the student is permitted to attend classes, the student may no longer attend classes until proof of the vaccinations is properly submitted.

Eye Examination

Parent(s)/guardian(s) are encouraged to have their children undergo an eye examination whenever health examinations are required.

Parent(s)/guardian(s) of students entering kindergarten or an Illinois school for the first time shall present proof before the first day of the current school year that the student received an eye examination within one year prior to entry of kindergarten or the school. A physician licensed to practice medicine in all of its branches who provides eye examinations or a licensed optometrist must perform the required eye examination.

If a student fails to present proof by the first day of school, the school may hold the student's report card until the student presents proof:

1) of a completed eye examination, or

2) that an eye examination will take place within 60 days after the first day of school.

The Superintendent or designee shall ensure that parent(s)/guardian(s) are notified of this eye examination requirement in compliance with the rules of the IDPH. Schools shall not exclude a student from attending school due to failure to obtain an eye examination.

Dental Examination

All children in kindergarten and the second, sixth, and ninth grades must present proof of having been examined by a licensed dentist before May 15 of the current school year in accordance with rules adopted by the IDPH.

If a child in the second, sixth, or ninth grade fails to present proof by May 15, the school may hold the child's report card until the child presents proof:

1) of a completed dental examination, or

2) that a dental examination will take place within 60 days after May 15.

The Superintendent or designee shall ensure that parent(s)/guardian(s) are notified of this dental examination requirement at least 60 days before May 15 of each school year.

Exemptions

In accordance with rules adopted by the IDPH, a student will be exempted from this policy's requirements for:

1. Religious grounds if the student's parent(s)/guardian(s) present the IDPH's Certificate of Religious Exemption form to the Superintendent or designee. General philosophical or moral reluctance to allow physical examinations, eye examinations, immunizations, vision and hearing screenings, or dental examinations does not provide a sufficient basis for an exception to statutory requirements. When a Certificate of Religious Exemption form is presented, the Superintendent or designee shall immediately inform the parent(s)/guardian(s) of exclusion procedures pursuant to Board Ppolicy 7.280*, Communicable and Chronic Infectious Disease* and State rules if there is an outbreak of one or more diseases from which the student is not protected.

2. Health examination or immunization requirements on medical grounds, if the examining physician, advanced registered practice registered nurse, or physician assistant provides written verification.

3. Eye examination requirement, if the student's parent(s)/guardian(s) show an undue burden or lack of access to a physician licensed to practice medicine in all its branches who provides eye examinations or a licensed optometrist.

4. Dental examination requirement, if the student's parent(s)/guardian(s) show an undue burden or a lack of access to a dentist.

Exclusion of Students Exempt from Immunization Requirements

Students who are exempt from immunization requirements shall be considered susceptible close contacts of a student or staff member determined to have a communicable or infectious disease and excluded from school as provided and for the duration specified in the Control of Communicable Notifiable Diseases and Conditions Code. The school will take reasonable measures, considering available resources, to allow for the continuation of educational services during the period of exclusion and students will be allowed to make up missed work.

Homeless Child

Bus Conduct

While the law requires the District to furnish transportation, it does not relieve parents/guardians of students from the responsibility of supervision until such time as the student boards the bus in the morning and after the student leaves the bus at the end of the school day.

In view of the fact that a bus is an extension of the classroom, the Board shall require students to conduct themselves on the bus in a manner consistent with established standards for classroom behavior.

All students must follow the District's *School Bus Safety Rules.*

School Bus Suspensions

The Superintendent, or any designee as permitted in the School Code, is authorized to suspend a student from riding the school bus for up to 10 consecutive school days for engaging in gross disobedience or misconduct, including but not limited to, the following:

The District's regular suspension procedures shall be used to suspend a student's privilege to ride a school bus.

Exemption fFrom Physical Education

In order to be excused from participation in physical education, a student must present an appropriate excuse from his or her parent/guardian or from a person licensed under the Medical Practice Act. The excuse may be based on medical or religious prohibitions. An excuse because of medical reasons must include a signed statement from a person licensed under the Medical Practice Act that corroborates the medical reason for the request. An excuse based on religious reasons must include a signed statement from a member of the clergy that corroborates the religious reason for the request. Special activities in physical education will be provided for a student whose physical or emotional condition, as determined by a person licensed under the Medical Practice Act, prevents his or her participation in the physical education course.

While parent organizations and booster clubs have no administrative authority and cannot determine ~~District~~ Board policy, the Board welcomes their suggestions and assistance. ~~Membership will be open and unrestricted.~~

Parent organizations and booster clubs may be recognized by the Board and permitted to use the District's name, a District school's name, ~~or~~ a District school's team name, or any logo attributable to the District provided they first receive the Superintendent or designee's express written consent. Consent to use one of the above-mentioned names or logos will generally be granted if the organization or club has by-laws containing the following:

1. The organization's or club's name and purpose, such as, to enhance students' educational experiences, to help meet educational needs of students, to provide extra athletic benefits to students, to assist specific sports teams or academic clubs through financial support, or to enrich extracurricular activities.

Booster clubs may make recommendations, but cash or other valuable consideration must be given to the District to use at its discretion. The Board's legal obligation to comply with Title IX by providing equal athletic opportunity for members of both genders will supersede an organization's or club's recommendation.

Permission to use one of the above-mentioned names or logos may be rescinded at any time and does not constitute permission to act as the District's representative. At no time does the District accept responsibility for the actions of any parent organization or booster club regardless of whether it was recognized and/or permitted to use any of the above-mentioned names or logos. McLean County
Unit District No.5
Educating each student to achieve personal excellence.

TO: McLean County Unit District No. 5 Board of Education

FROM: Martin Hickman, Chief Financial Officer

DATE: June 17, 2026

SUBJECT: Recommendation to Approve Givebacks as the District-Authorized Fundraising Platform

Executive Summary

Over time, our staff and supporting organizations have expanded their fundraising efforts to support classroom needs, special projects, and extracurricular activities. Currently, fundraising is scattered across highly fragmented collection methods—ranging from cash/check envelopes, personal payment apps like Venmo and independent crowdfunding sites

To protect the district's financial integrity and shield our staff from liability, we recommend that the Board approve Givebacks, as the officially authorized fundraising platform for McLean County Unit District No. 5. Centralizing fundraising through Givebacks will significantly reduce our exposure to audit risks and fraud.

The Risks of Decentralized Fundraising

When educators and staff manage fundraising across disconnected methods, the district loses visibility. This fragmentation introduces several immediate operational risks:

Lack of Pre-Approval Oversight: Staff may unintentionally launch campaigns that violate district guidelines (e.g., unapproved vendors, inappropriate incentives) because there is no mandatory routing for principal or district approval.

Commingling of Funds: When staff use personal apps or mix school-sponsored funds with those of external School Support Organizations (SSOs), it blurs the lines of financial responsibility and creates liability for both the employee and the district.

Cash Handling and Security Risks: Relying on cash and checks passed through multiple hands before reaching the central office naturally increases the risk of loss, theft, or accounting errors.

How Givebacks Mitigates District Risk

Givebacks is specifically designed to eliminate these vulnerabilities by bringing fundraising into a single, unified platform. Transitioning to Givebacks as our authorized platform reduces our risk profile in four key ways:

1. Mandatory, Automated Approval Workflows

Before a link is shared or a dollar is collected, Givebacks requires staff to submit the fundraiser for administrative approval. This ensures every initiative aligns with Section 4 (Operational Services) of our Board Policy Manual before it launches, preventing unapproved campaigns from ever reaching the community via Peachjar or social media.

2. Digital Audit Trails and Real-Time Visibility

Givebacks provides a real-time, district-wide reporting dashboard. Every transaction is time-stamped and automatically logged, creating a clean, unalterable digital audit trail. The finance team can instantly see how much revenue came in, which campaigns are active, and exactly where funds are being routed, making the district audit-ready from day one.

3. Elimination of Personal Payment Apps

By providing a secure, parent-friendly mobile app and digital storefront, the district can confidently prohibit the use of personal payment apps (like Venmo or Cash App) and unauthorized crowdfunding platforms. All funds flow directly into secure, district-approved accounts, eliminating the liability of staff acting as financial intermediaries.

4. Strict Separation of Funds

Givebacks clearly delineates between school-sponsored funds (e.g., a teacher raising money for a field trip) and funds belonging to independent organizations (e.g., PTOs, booster clubs, or the Unit 5 Educational Foundation). This structural separation prevents the accidental commingling of money, protecting both the district and our community partners.

Next Steps

Transitioning to Givebacks is not about restricting our educators; it is about providing them with a safe, simple, and efficient tool so they can focus on students rather than managing cash. Centralized reporting protects the district, shields staff from liability, and builds trust with taxpayers. Furthermore, establishing a single, authorized platform provides our community with confidence of knowing exactly where their donated money is going.

We recommend that the Board of Education authorize district administration to review and enter into an agreement with Givebacks as the district approved fundraising platform. (See the attached quote. Please note, the vendor said they would honor the price even though the quote has a May expiration date).

Balanced budget; no Deficit Reduction Plan is required.

112

A deficit reduction plan is required if the local board of education adopts (or amends) the 2025-2026 school district budget in which the "operating funds" listed above result in direct revenues (line 9, BudgetSum 2-4) being less than direct expenditures (line 19, BudgetSum 2-4) by an amount equal to or greater than one-third (1/3) of the ending fund balance (line 81, BudgetSum 2-4).

Note: *The balance is determined using only the four funds listed above. That is, if the estimated ending fund balance is less than three times the deficit spending, the district must adopt and file with ISBE a deficit reduction plan to balance the shortfall within three years.*

Per School Code (105 ILCS 5/17-1) - If the Deficit AFR Summary Information tab from the 2024-2025 Annual Financial Report (AFR) reflects a deficit as defined above, then the school district shall adopt and submit a deficit reduction plan (found here on page 23-27) to ISBE within 30 days after acceptance of the AFR.

The deficit reduction plan, if required, is developed using ISBE guidelines and format.

Part I: Achieving Student Growth and Making Progress Toward State Education Goals

The questions below allow you to indicate the strategic priorities and strategies that will drive your efforts to achieve student growth and make progress toward state education goals. These may involve investing in any combination of an Organizational Unit's core resources: time, money, people, and programs.

Collaboration Opportunity - Organizational Units may find that Part I is most easily and effectively completed if led by program leaders in consultation with finance leaders.

1) What are the Organizational Unit's strategic goals for student success for the 2025-26 school year? What measures will be used to evaluate progress? (*No more than 2000 characters, including spaces.*)

Objective 1: By the end of Third Grade, students will be able to read within range for their grade level.
Indicator: 90% or more of our third graders will be reading at grade level

Objective 2: By the end of 8th grade, students will be prepared for high school and will be on track for college and career success.
Indicator: The percentage of 8th grade students that have passed Algebra and/or are Algebra ready by the end of 8th grade will increase.

Objective 3: After four years of high school enrollment, students will earn a high school diploma
Indicator: 90% of our students will graduate with their respective class.

	Top Strategy 1	Top Strategy 2	Top Strategy 3
2) Select the top three strategies that the Organizational Unit will employ to achieve student growth and make progress toward state education goals. (Select three different responses from the dropdown list.)	Focus increased time and attention on special student groups	Maintain or decrease class sizes	Increase the number of high-quality educators dedicated to special student groups

If "Other" was selected in question 2, please describe. (*No more than 1000 characters, including spaces.*)

Part II: Planned Use of Evidence-Based Funding

The questions below provide an opportunity to document the stakeholders with whom you consulted and the data you analyzed as you determined your strategic allocations of FY 2026 EBF dollars. Key statistics related to EBF distributions are provided for your reference. Form 50-36/50-39 is typically released before current-year appropriations are known. Therefore, the figures provided are for the prior fiscal year.

Collaboration Opportunity *- Organizational Units may find that questions in this section are most easily and effectively completed if led by finance leaders in consultation with program leaders.*

5) **Cost Factor Table**

The table below presents the regionally adjusted amount embedded in the Organizational Unit's FY 2025 Adequacy Target for each of the 34 cost factors in the Evidence-Based Funding model (Column F). Column G is required for all Organizational Units that receive at least $5,000 in Tier Funding, while column H is optional. Organizational Units may choose to provide additional narrative context in Columns I-M to elaborate on the figures included in the table. ISBE has produced guidance for populating the cost factor table. The guidance includes a definition for each cost factor, along with suggestions for using Employee Information System position codes and common expenditure accounts to support a determination of expenditures. This guidance is available at https://www.isbe.net/ebfspendingplan.

Column G: If the Organizational Unit will receive at least $5,000 in FY 2026 Tier Funding (as entered in Q2.1/cell G31), column G is required. Please indicate the Organizational Unit's planned expenditures in FY 2026 from Tier Funds only. Organizational Units are not expected to place a value in each cell. Rather, the table allows for the communication of priority investments with new state resources for the current fiscal year. During years in which there is no new Tier Funding, column G will not be required. During years in which Tier Funding is available, the amount of new Tier Funding entered in Q2.1/cell G31 above must equal the sum in cell G90 below. If some or all Tier Funding is invested outside of the cost factors, enter a dollar amount in cell G89 and provide additional context in the space for a narrative beginning in row 93.

Column H: Optionally, Organizational Units may populate column H with total planned expenditures in FY 2026 for each cost factor from all revenue sources (e.g., not just from EBF). By comparing the figures in column F to the figures entered in column H, the Organizational Unit may engage local stakeholders in productive dialogue about resource allocation decisions.

*The subtotal for Per Student Investments is a calculated figure that adjusts salary portions of Central Office and Maintenance & Operations to account for regional salary differences. As a result, the sum of each individual cost factor will not equal the subtotal.
**The total is the Final Adequacy Target (adjusted for Regionalization Factor) calculated in the Full FY 2025 EBF Calculation file. Due to differences in rounding, this figure may vary slightly from the sum of the subtotals in this table.

Part III: Support for Special Student Groups

EBF statute sets aside specific allocations to be spent for special education, English learners, and low-income students. Per statue these designated funds must be spent on programs and services benefiting these specific student groups. Funds for English learners and low-income students must be spent in addition to, and not in lieu of, funding that supports general programs of instruction for all students. Funds attributable to special education must be used for the provision of special education facilities and services as outlined in ILCS 14-1.08. Current-year EBF amounts attributable to each of the special student groups must be reported in Question 1 below (cells G100-G102). If the Organizational Unit received at least $5,000 for any of the student groups, a response to Questions 2 through 4 below is required. For amounts less than $5,000, a response is optional for those questions. All other EBF funds may be spent in any manner deemed appropriate by the school district.

Collaboration Opportunity *- Organizational Units may find that questions in this section are most easily and effectively completed through collaboration between program leaders affiliated with each student group and finance leaders.*

ADDENDUM

Item 3.

School Code Citation: 105 ILCS 5/27-815

Item 4(a).

Narrative Identifying and Justifying the Specific Request:

Community Unit School District No. 5, McLean and Woodford Counties, Illinois is seeking renewal of its waiver or modification of Section 27-815 of the Illinois School Code allowing it to increase the fee for its driver education course to an amount "not to exceed $450". The purpose of this request is to meet the intent of the Driver Education Act in a more effective and efficient manner, thereby allowing the District to provide driver education instruction to students sooner and greater support to not only the driver education program but also to high quality innovative courses in other areas of the District's curriculum.

The intent of the Act is to provide students with the knowledge, attitudes, habits, and skills necessary for the safe operation of motor vehicles, including without limitation instruction on distracted driving, special hazards, driving precautions that must be observed at emergency situations, highway construction, and railroad crossings, and law enforcement procedures for traffic stops including a demonstration of the proper actions to be taken during a traffic stop and appropriate interactions with law enforcement. Community Unit School District No. 5's driver education course includes a combination of classroom and behind the wheel instruction, both of which must be provided by certified high school teachers.

The current statutory and regulatory restrictions do not provide sufficient resources for a high quality program. Section 27-815 provides that a school district may charge a "reasonable fee", not to exceed $50, which may be increased to an amount not to exceed $250 following a public hearing. However, state regulations (23 Ill. Adm. Code 252.30) restrict a school district from including the salary and benefit costs of driver education personnel in calculating the "reasonable fee". By limiting the amount of the fee to $250 and not allowing salary and benefit costs to be included, combined with receipt of only 75.7% of its adequacy target under the evidence-based funding model, the District is limited in the number of certified driver education teachers it can hire and retain to provide instruction to students. This limits the number of students the District can provide driver education instruction to per semester and unnecessarily prolongs the time students must wait to receive driver education instruction.

Prior to the current waiver, District parents paid a $250 fee, but this amount, combined with state reimbursement, was insufficient to provide a program at high levels of student achievement. The District suffered more than an estimated $291,195 deficit in its driver education program costs after subtracting state reimbursement and student fees. If the District's waiver is not renewed, it will surely have to look at means to reduce its driver education program costs which could negatively impact students.

Item 4(b).

Community Unit School District No. 5 believes its driver education course is a high quality learning experience for students. Evidence of this belief is the high success rates of students qualifying to take the Drivers Test and their subsequent success.

The current economic hardship throughout Illinois has placed a special burden on high quality innovative programs. With only 75.7% of its evidence-based funding adequacy target there are financial pressures both on the District's driver education course and the District's ability to support high quality innovative courses in other areas of the District's curriculum.

Therefore, the District's waiver renewal request is to raise the statutory fee from an amount not to exceed $250 to "an amount not to exceed $450". This fee will be waived for students who are unable to pay.

Plan to Stimulate Innovation or Improve Student Performance

The current student performance levels in driver education are measured by the percent of students receiving a "B or Better" in the course, who are then, through permission of the Secretary of State's office, permitted to take the drivers test. Recent records of student achievement are:

	B or Better in the course
2025-2026	82%

While student success is very good, the District's goal would be to improve the percentage of students who earn a "B or Better" in the course. At the end of the 5 year waiver period, we hope to have at least 85% of our students earning a B or better in the driver education course. A larger goal would be to help decrease the number of teenage accidents and deaths as a result of improved instruction.

If the District is successful in receiving a renewal of the fee increase, while allowing for fee waivers to low income students, it will be able to maintain a reduced cost of the driver education program. This will allow the District to use those funds to promote innovations in programs for students elsewhere in the curriculum. Recently, the District added a STEM designation that students can achieve by taking courses in Math, Science, Engineering, and Technology over their high school career.

Item 5.

ADDENDUM

Item 3.

School Code Citation: 23 Ill. Adm. Code 252.30

Item 4(a).

Narrative Identifying and Justifying the Specific Request:

Community Unit School District No. 5, McLean and Woodford Counties, Illinois is seeking a waiver or modification of 23 Ill. Adm. Code 252.30 allowing the District to consider the salary and benefit costs of driver education personnel in calculating the reasonable fee for students participating in its driver education course. The purpose of this request, along with the District's renewal application for waiver of 105 ILCS 5/27-815 to increase the fee to an amount "not to exceed $450", is to meet the intent of the Driver Education Act in a more effective and efficient manner, thereby allowing the District to provide driver education instruction to students sooner and greater support to not only the driver education program but also to high quality innovative courses in other areas of the District's curriculum.

The intent of the Act is to provide students with the knowledge, attitudes, habits, and skills necessary for the safe operation of motor vehicles, including without limitation instruction on distracted driving, special hazards, driving precautions that must be observed at emergency situations, highway construction, and railroad crossings, and law enforcement procedures for traffic stops including a demonstration of the proper actions to be taken during a traffic stop and appropriate interactions with law enforcement. Community Unit School District No. 5's driver education course includes a combination of classroom and behind the wheel instruction, both of which must be provided by certified high school teachers.

The current statutory and regulatory restrictions do not provide sufficient resources for a high quality program. Section 27-815 provides that a school district may charge a "reasonable fee", not to exceed $50, which may be increased to an amount not to exceed $250 following a public hearing. However, state regulations (23 Ill. Adm. Code 252.30) restrict a school district from including the salary and benefit costs of driver education personnel in calculating the "reasonable fee". By limiting the amount of the fee to $250 and not allowing salary and benefit costs to be included, combined with receipt of only 75.7% of its adequacy target under the evidence-based funding model, the District is limited in the number of certified driver education teachers it can hire and retain to provide instruction to students. This limits the number of students the District can provide driver education instruction to per semester and unnecessarily prolongs the time students must wait to receive driver education instruction.

Prior to the District's current waiver of 105 ILCS 5/27-815, District parents paid a $250 fee, but this amount, combined with state reimbursement, was insufficient to provide a program at high levels of student achievement. The District suffered more than an estimated $291,195 deficit in its driver education program costs after subtracting state reimbursement and student fees. If the District's waiver of 105 ILCS 5/27-815 is not renewed and the District is not allowed to consider the salary and benefit costs of driver education personnel in calculating the reasonable fee for

students participating in its driver education course, it will surely have to look at means to reduce its driver education program costs which could negatively impact students.

Item 4(b).

Community Unit School District No. 5 believes its driver education course is a high quality learning experience for students. Evidence of this belief is the high success rates of students qualifying to take the Drivers Test and their subsequent success.

The current economic hardship throughout Illinois has placed a special burden on high quality innovative programs. With only 75.7% of its evidence-based funding adequacy target there are financial pressures both on the District's driver education course and the District's ability to support high quality innovative courses in other areas of the District's curriculum.

Therefore, the District has not only applied for a waiver renewal request is to raise the statutory fee from an amount not to exceed $250 to "an amount not to exceed $450", but is also applying for this separate waiver to allow the District to consider the salary and benefit costs of driver education personnel in calculating the reasonable fee for students participating in its driver education course. This driver education fee will be waived for students who are unable to pay.

Plan to Stimulate Innovation or Improve Student Performance

The current student performance levels in driver education are measured by the percent of students receiving a "B or Better" in the course, who are then, through permission of the Secretary of State's office, permitted to take the drivers test. Recent records of student achievement are:

	B or Better in the course
2025-2026	82%

While student success is very good, the District's goal would be to improve the percentage of students who earn a "B or Better" in the course. At the end of the 5 year waiver period, we hope to have at least 85% of our students earning a B or better in the driver education course. A larger goal would be to help decrease the number of teenage accidents and deaths as a result of improved instruction.

If the District is successful in receiving a renewal waiver of the fee increase, while allowing for fee waivers to low income students, and allowed to consider the salary and benefit costs of driver education personnel in calculating the reasonable fee for students participating in its driver education course, it will be able to maintain a reduced cost of the driver education program. This will allow the District to use those funds to promote innovations in programs for students elsewhere in the curriculum. Recently, the District added a STEM designation that students can achieve by taking courses in Math, Science, Engineering, and Technology over their high school career.

Types of Board Meetings

General

For all meetings of the School Board and its committees, the Superintendent or designee shall satisfy all notice and posting requirements contained herein as well as in the Open Meetings Act (OMA). This shall include mailing meeting notifications to news media that have officially requested them and to others as approved by the Board. Unless otherwise specified, all meetings are held at Normal Community West High School. Board Policy 2.220, *School Board Meeting Procedure*, governs meeting quorum requirements.

The Superintendent is designated on behalf of the Board and each Board committee to receive the training on compliance with the OMA that is required by Section 1.05(a) of that Act. The Superintendent may identify other employees to receive the training. In addition, each Board member must complete a course of training on OMA as required by Section 1.05(b) or (c) of that Act.

Regular Meetings

The Board announces the time and place for its regular meetings at the beginning of each fiscal year. The Superintendent or designee shall prepare and make available the calendar of regular Board meetings. The regular meeting calendar may be changed with 10 days' notice in accordance with State law.

A meeting agenda shall be posted at the District's main office and Normal Community West High School, or other location where the meeting is to be held, at least 48 hours before the meeting.

Closed Meetings

The Board and Board committees may meet in a closed meeting to consider the following subjects:

1. The appointment, employment, compensation, discipline, performance, or dismissal of specific employees, specific individuals who serve as independent contractors in a park, recreational, or educational setting or specific volunteers of the public body or legal counsel for the public body, including hearing testimony on a complaint lodged against an employee, a specific individual who serves as an independent contractor in a park, recreational, or educational setting, or a volunteer of the public body or against legal counsel for the public body to determine its validity. However, a meeting to consider an increase in compensation to a specific employee of a public body that is subject to the Local Government Wage Increase Transparency Act may not be closed and shall be open to the public and posted and held in accordance with OMA. 5 ILCS 120/2(c)(1).

2. Collective negotiating matters between the public body and its employees or their representatives, or deliberations concerning salary schedules for one or more classes of employees. 5 ILCS 120/2(c)(2).

3. The Board may hold a closed meeting, or close a portion of a meeting, by a majority vote of a quorum, taken at an open meeting. The vote of each Board member present, and the reason for the closed meeting, will be publicly disclosed at the time of the meeting and clearly stated in the motion and the meeting minutes.

No final Board action will be taken at a closed meeting.

Reconvened or Rescheduled Meetings

A meeting may be rescheduled or reconvened. Public notice of a rescheduled or reconvened meeting shall be given in the same manner as that for a special meeting, except that no public notice is required when the original meeting is open to the public and: (1) is to be reconvened within 24 hours; or (2) an announcement of the time and place of the reconvened meeting was made at the original meeting and there is no change in the agenda.

Special Meetings

Special meetings may be called by the Board President or by any three members of the Board by giving notice thereof, in writing, stating the time, place, and purpose of the meeting to remaining Board members by mail at least 48 hours before the meeting, or by personal service at least 24 hours before the meeting.

Public notice of a special meeting is given by posting a notice at the District's main office at least 48 hours before the meeting and by notifying the news media that have filed a written request for notice. A meeting agenda shall accompany the notice.

School Board Meeting Procedure

Agenda

The Board President is responsible for focusing the Board meeting agendas on appropriate content. Appropriate agenda content includes, without limitation: establishing Board processes, clarifying the district's purpose, delegating authority, defining operating limits, monitoring district progress, and taking legally required or permissible Board action.

The Superintendent shall prepare agendas in consultation with the Board President. The President shall designate a portion of the agenda as a consent agenda for those items that usually do not require discussion or explanation before Board action. Upon the request of any Board member, an item will be withdrawn from the consent agenda and placed on the regular agenda for independent consideration. Any withdrawn item will be the first item considered after action on the consent agenda.

Each Board meeting agenda shall contain the general subject matter of any item that will be the subject of final action at the meeting. Any Board member may submit suggested agenda items to the Board President for his or her consideration. Items submitted by a majority of Board members to the Superintendent or the Board President shall be placed on the agenda for an upcoming meeting. District residents may suggest inclusions for the agenda. The Board will take final action only on items contained in the posted agenda. Items not on the agenda may still be discussed.

The Superintendent or designee should provide a copy of the agenda, with adequate data and background information, to each Board member at least 48 hours before each meeting, except a meeting held in the event of an emergency. The meeting agenda shall be posted in accordance with the Board policy 2.200, *Types of School Board Meetings*.

The order of business for regular, reconvened, rescheduled, special and emergency meetings shall be as follows:

- Call to Order and Roll Call *****
- Pledge of Allegiance
- Focus on Students and Good News Reports
- Superintendent Comments
- Public Comments *****
- Reports and Discussion
- Action Items
- Consent Agenda
    - Approval of Minutes
    - Personnel Matters
    - Payment of Bills and Payrolls
    - Financial Reports
    - Other Items
- Reports and Discussion
- Announcements and Comments *****
- Adjournment *****

Items marked with an asterisk shall be included in the agenda for all Board meetings. Upon request of the Board President or consent of a majority of members present, the order of business at any meeting may be changed.

Voting Method

All votes shall be by roll call. The sequence for casting votes by all Board members shall be alphabetical by last name, with the Board President voting last.

Unless otherwise provided by law, when a vote is taken upon any measure before the Board, with a quorum being present, a majority of the votes cast shall determine its outcome. A vote of “abstain” or “present,” or a vote other than “yea” or “nay,” or a failure to vote, is counted for the purposes of determining whether a quorum is present. A vote of "abstain" or "present," or a vote other than “yea” or “nay,” or a failure to vote, however, is not counted in determining whether a measure has been passed by the Board unless otherwise stated in law. On a tie vote the motion is defeated.

Statutory exceptions include the following:

1. Dismissing a teacher for any reason other than reduction of staff or elimination of that position requires approval by the majority of all members. (105 ILCS 5/24-12)

2. Directing the sale of district real property or buildings thereon must be approved by at least two-thirds of the Board members. (105 ILCS 5/5-22)

3. Making or renewing a lease of school property to another school district or municipality or body politic and corporate for a term longer than ten years, or to alter the terms of such a lease whose unexpired term exceeds ten years, requires approval by at least two-thirds of the Board's full membership. (105 ILCS 5/10-22.11)

4. Leasing any building, rooms, grounds and appurtenances to be used by the District for school or administration purposes for a term longer than ten years, or to alter the terms of such a lease whose unexpired term exceeds ten years, requires approval by at least two-thirds of the Board's full membership. (105 ILCS 5/10-22.12)

5. Obtaining personal property by lease or installment contract requires approval by an affirmative vote of at least two-thirds of the Board's full membership. "Personal property" includes computer hardware and software and all equipment, fixtures, and improvements to existing district facilities to accommodate computers. (105 ILCS 5/10-22.25a)

6. Adopting a supplemental budget after a successful referendum requires approval by a majority of the full Board. (105 ILCS 5/17-3.2)

7. Petitioning the circuit court for an emergency election requires approval by a majority of the members. (10 ILCS 5/2A-1.4)

8. Expending funds in emergency situation in the absence of required bidding requires approval by at least three-quarters of the Board. (105 ILCS 5/10-20.21(a)(xiv))

9. Exchanging school building sites requires approval by at least a two-thirds majority of the Board. (105 ILCS 5/5-23)

10. Waiving the administrative cost cap requires approval by an affirmative vote of at least two-thirds of the Board. (105 ILCS 5/17-1.5)

11. Authorizing an advisory question of public policy to be placed on the ballot at the next regularly scheduled election requires approval by a majority of the Board. (105 ILCS 5/9-1.5).

Minutes

The Board Secretary shall keep written minutes of all Board meetings, whether open or closed, which shall be signed by the Board President and the Board Secretary.

The minutes include:

1. The meeting's date, time and place;

2. Board members recorded as either present or absent and whether the members were physically present or present by means of video or audio conference;

3. A summary of discussion on all matters proposed, deliberated, or decided, and a record of any votes taken;

4. On all matters requiring a vote, each member shall be recorded as voting "yea", "nay", "present", or "abstain";

5. If the meeting is adjourned to another date, the time and place of the reconvened meeting;

6. The vote of each member present when a vote is taken to hold a closed meeting or portion of a meeting, and the reason for the closed meeting with a citation to the specific exception contained in the Open Meetings Act (OMA) authorizing the closed meeting;

7. A record of all motions, including individuals making and seconding motions; and

8. The type of meeting, including any notices and, if a reconvened meeting, the original meeting's date.

The minutes shall be submitted to the Board for approval or modification at the next regularly scheduled open Board meeting. Minutes for open meetings must be approved within 30 days after the meeting or at the second subsequent regular meeting, whichever is later.

Every six months, or as soon after as is practicable, in an open meeting, the Board: (1) reviews minutes from closed meetings that are currently unavailable for public release, and (2) determines which, if any, no longer require confidential treatment and are available for public inspection. This is also referred to as a *semi-annual review*. The Board may meet in a prior closed session to review the minutes from closed meetings that are currently unavailable for public release, but it reports its determination in open session.

The Board's meeting minutes must be submitted to the Board Treasurer at such times as the Treasurer may require.

The official minutes are in the custody of the Board Secretary. Open meeting minutes are available for inspection during regular office hours within ten days after the Board's approval; they may be

inspected in the District Office, in the presence of the Board Secretary, the Superintendent or designated administrator, or any elected Board member.

Minutes from closed meetings are likewise available, but only if the Board has released them for public inspection, except that Board members may access closed session minutes not yet released for public inspection (1) in the District Office, and (2) in the presence of the Board Secretary, the Superintendent or designated administrator, or any elected Board member.

The minutes, whether reviewed by members of the public or the Board, shall not be removed from the District Office except by vote of the Board or by court order.

The Board's open meeting minutes shall be posted on the District website within ten days after the Board approves them; the minutes will remain posted for at least 60 days.

Verbatim Record of Closed Meetings

The Superintendent, or the Board Secretary when the Superintendent is absent, shall audio record all closed meetings. If neither is present, the Board President or presiding officer shall assume this responsibility. After the closed meeting, the person making the audio recording shall label the recording with the date and store it in a secure location. The Superintendent shall ensure that: (1) an audio recording device and all necessary accompanying items are available to the Board for every closed meeting, and (2) a secure location for storing closed meeting audio recordings is maintained within the District Office.

After 18 months have passed since being made, the audio recording of a closed meeting is destroyed provided the Board approved: (1) its destruction, and (2) minutes of the particular closed meeting.

Individual Board members may access verbatim recordings in the presence of the Board Secretary, the Superintendent or designated administrator, or any elected Board member. Access to the verbatim recordings is available at the District Office. Requests shall be made to the Superintendent or Board President. While a Board member is listening to a verbatim recording, it shall not be re-recorded or removed from the District Office, except by vote of the Board or by court order.

Before making such requests, Board members should consider whether such requests are germane to their responsibilities, service to District, and/or Oath of Office in Board Policy 2.80, *Board Member Oath and Conduc*t and Exhibit 2.70-E1, *Checklist for Filing Board Vacancy by Appointment*. In the interest of encouraging free and open expression by Board members during closed meetings, the recordings of closed meetings should not be used by Board members to confirm or dispute the accuracy of recollections.

Quorum and Participation by Audio or Video Means

Except as provided below during a disaster declaration, a quorum of the Board must be physically present at all Board meetings. A majority of the full membership of the Board constitutes a quorum.

Provided a quorum is physically present, a Board member may attend a meeting by video or audio conference if he or she is prevented from physically attending because of: (1) personal illness or disability, (2) employment or District business, (3) a family or other emergency, (4) unexpected childcare obligations, or (5) performance of *active military duty as a service member*. If a member wishes to attend a meeting by video or audio means, he or she must notify the Board Secretary or

Superintendent at least 24 hours before the meeting unless advance notice is impractical. The Board Secretary or Superintendent will inform the Board President and make appropriate arrangements. A Board member who attends a meeting by audio or video means, as provided in this policy, may participate in all aspects of the Board meeting including voting on any item.

No Physical Presence of Quorum and Participation by Audio or Video; Disaster Declaration

The ability of the Board to meet in person with a quorum physically present at its meeting location may be affected by the Governor or the Director of the Ill. Dept. of Public Health issuing a disaster declaration related to a public health emergency. The Board President or, if the office is vacant or the Board President is absent or unable to perform the office's duties, the Board Vice President determines that an in-person meeting or a meeting conducted under the **Quorum and Participation by Audio or Video Means** subhead above, is not practical or prudent because of the disaster declaration; if neither the Board President nor Board Vice President are present or able to perform this determination, the Superintendent shall serve as the duly authorized designee for purposes of making this determination.

The individual who makes this determination for the Board shall put it in writing, include it on the Board's published notice and agenda for the audio or video meeting and in the meeting minutes, and ensure that the Board meets every OMA requirement for the Board to meet by video or audio conference without the physical presence of a quorum.

Rules of Order

Unless State law or Board-adopted rules apply, the Board President, as the presiding officer, will use the most recent edition of *Robert's Rules of Order, Newly Revised,* as a guide when a question arises concerning procedure.

Broadcasting and Recording Board Meetings

Any person may record or broadcast an open Board meeting. Special requests to facilitate recording or broadcasting an open Board meeting, such as seating, writing surfaces, lighting, and access to electrical power, should be directed to the Superintendent or designee at least 24 hours before the meeting.

Recording meetings shall not distract or disturb Board members, other meeting participants, or members of the public. The President may designate a location for recording equipment, may restrict the movements of individuals who are using recording equipment, or may take such other steps as are deemed necessary to preserve decorum and facilitate the meeting.

Access to District Public Records

Full access to the District's *public records* is available to any person as provided In the Illinois Freedom of Information Act (FOIA), this policy, and implementing procedures. The Superintendent or designee shall: (1) provide the Board with sufficient information and data to permit the Board to monitor the District's compliance with FOIA and this policy, and (2) report any FOIA requests during the Board's regular meetings along with the status of the District's response.

Freedom of Information Officer

The Superintendent shall serve as the District's Freedom of Information Officer and assume all the duties and powers of that office as provided in FOIA and this policy. The Superintendent may delegate these duties and powers to one or more designees, but the delegation shall not relieve the Superintendent of responsibility for the delegated action.

Definition

The District's *public records* are defined as records, reports, forms, writings, letters, memoranda, books, papers, maps, photographs, microfilms, cards, tapes, recordings, electronic data processing records, electronic communications, recorded information and all other documentary material pertaining to the transaction of public business, regardless of physical form or characteristics, having been prepared by or for, or having been or being used by, received by, in the possession of, or under the control of the District. The District's public records do not include *junk mail*.

Requesting Records

A request for inspection and/or copies of public records must be made in writing and may be submitted by personal delivery, mail, telefax, or email directed to the District's Freedom of Information Officer. Individuals making a request are not required to state a reason for the request other than to identify when the request is for a commercial purpose or when requesting a fee waiver. As a cybersecurity measure, email requests must include the entirety of the request within the body of the email and not as an attachment or hyperlink. The Superintendent or designee shall instruct District employees to immediately forward any request for inspection and copying of a public record to the District's Freedom of Information Officer or designee.

Responding to Requests

The Freedom of Information Officer shall approve all requests for public records unless:

1. The requested material does not exist;

2. The requested material is exempt from inspection and copying by the Freedom of Information Act;

3. Complying with the request would be unduly burdensome;

4. The request would require the District to open electronically attached files or hyperlinks to view or access details of a request. In that case, the requester shall be notified within five business days that the entirety of the electronic request must appear within the body of the electronic submission; or

5. The District has a reasonable belief that the request was not submitted by a person, and the requester fails to verify orally or in writing that they are a person within 30 days of the District's request for such verification.

Within five business days after receipt of a request for access to a public record, the Freedom of Information Officer shall comply with or deny the request, unless the time for response is extended as specified in Section 3 of FOIA. The Freedom of Information Officer may extend the time for a response for up to five business days from the original due date. If an extension is needed, the Freedom of Information Officer shall: (1) notify the person making the request of the reason for the extension, and (2) either inform the person of the date on which a response will be made, or agree with the person in writing on a compliance period.

The time periods are extended for responding to requests for a *commercial purpose,* requests by a *recurrent requester*, *or voluminous requests,* as those terms are defined in Section 2 of FOIA. The time periods for responding to those requests are governed by Sections 3.1, 3.2, and 3.6 of FOIA.

When responding to a request for a record containing both exempt and non-exempt material, the Freedom of Information Officer shall redact exempt material from the record before complying with the request.

Fees

Persons making a request for copies of public records must pay any and all applicable fees. The Freedom of Information Officer shall establish a fee schedule that complies with FOIA and this policy and is subject to the Board's review. The fee schedule shall include copying fees and all other fees to the maximum extent they are permitted by FOIA, including without limitation, search and review fees for responding to a request for a *commercial purpose* and fees, costs, and personnel hours in connection with responding to a *voluminous request.*

Copying fees, except when fixed by statute, shall be reasonably calculated to reimburse the District's actual cost for reproducing and certifying public records and for the use, by any person, of its equipment to copy records. In no case shall the copying fees exceed the maximum fees permitted by FOIA. If the District's actual copying costs are equal to or greater than the maximum fees permitted by FOIA, the Freedom of Information Officer is authorized to use FOIA's maximum fees as the District's fees. No copying fees shall be charged for: (1) the first 50 pages of black and white, letter or legal sized copies, or (2) electronic copies other than the actual cost of the recording medium, except if the response is to a *voluminous request,* as defined in FOIA.

A fee reduction is available if the request qualifies under Section 6 of FOIA. The Freedom of Information Officer shall set the amount of the reduction taking into consideration the amount of material request and the cost of copying it.

Provision of Copies and Access to Records

A public record that is the subject of an approved access request will be available for inspection or copying at the District's administrative office during regular business hours, unless other arrangements are made by the Freedom of Information Officer.

Many public records are immediately available from the District's website including, but not limited to, the process for requesting a public record. The Freedom of Information Officer shall direct a requester to the District's website if a requested record is available there. If the requester is unable

to reasonably access the record online, the requester may resubmit the request for the record, stating his or her inability to reasonably access the record online, and the District shall make the requested record available for inspection and copying as otherwise provided in this policy.

Preserving Public Records

Public records, including email messages, shall be preserved and cataloged if:

(1) they are evidence of the District's organization, function, policies, procedures, or activities;

(2) they contain informational data appropriate for preservation;

(3) their retention is required by State or federal law; or

(4) they are subject to a retention request by the Attorney for the District (e.g. a litigation hold), District auditor, or other individual authorized by the Board or State or federal law to make such a request.

Unless its retention is required as described in items numbered 3 or 4 above, a *public record*, as defined by the Illinois Local Records Act, may be destroyed when authorized by the Local Records Commission.

The Complaint Manager will first attempt to resolve complaints without resorting to this grievance procedure. If a formal complaint is filed under this policy, the Complaint Manager will address the complaint promptly and equitably. A student and/or parent/guardian filing a complaint under this policy may forego any informal suggestions and/or attempts to resolve it and may proceed directly to this grievance procedure. The Complaint Manager will not require a student or parent/guardian complaining of any form of harassment to attempt to resolve allegations directly with the accused (or the accused's parent/guardian); this includes mediation.

Right to Pursue Other Remedies Not Impaired

The right of a person to prompt and equitable resolution of a complaint filed under this policy shall not be impaired by the person's pursuit of other remedies, e.g., criminal complaints, civil actions, etc. Use of this grievance procedure is not a prerequisite to the pursuit of other remedies and use of this grievance procedure does not extend any filing deadline related to the pursuit of other

remedies. If a person is pursuing another remedy subject to a complaint under this policy, the District will continue with a simultaneous investigation under this policy.

Deadlines

All deadlines, under this policy may be extended by the Complaint Manager as the Complaint Manager deems appropriate. As used in this policy, *school business days* means days on which the District's main office is open.

Filing a Complaint

A person (hereinafter Complainant) who wishes to utilize this grievance procedure may do so by filing a complaint with any District Complaint Manager. The Complainant shall not be required to file a complaint with a particular Complaint Manager and may request a Complaint Manager of the same gender. The Complaint Manager may request the Complainant to provide a written statement regarding the nature of the complaint or require a meeting with the student's parent(s)/guardian(. The Complaint Manager shall assist the Complainant as needed.

For any complaint alleging sex discrimination that, if true, would implicate Title IX of the Education Amendments of 1972 (20 U.S.C. §1681 et seq.), the Title IX Coordinator or designee shall process and review the complaint under Board Policy 2.265, *Title IX Grievance Procedure*.

For any complaint alleging harassment on the basis of race, color, or national origin, the Nondiscrimination Coordinator or a Complaint Manager or designee shall process and review the complaint under Board Policy 2.270, *Discrimination and Harassment on the Basis of Race, Color, and National Origin Prohibited*, in addition to any response required by this policy.

For any complaint alleging sexual harassment or other violation of Board Policy 5.20, *Workplace Harassment Prohibited*, the Nondiscrimination Coordinator or a Complaint Manager or designee shall process and review the complaint according to that policy in addition to any response required by this policy, and shall consider whether an investigation under Board policy 5.120, *Employee Ethics; Code of Professional Conduct; and Conflict of Interest*, should be initiated.

Investigation Process

The Complaint Manager will investigate the complaint or appoint a qualified person to undertake the investigation on the Complaint Manager's behalf. The Complaint Manager shall ensure both parties have an equal opportunity to present evidence during an investigation. The complaint and identity of the Complainant will not be disclosed except:

1) as required by law, this policy, or any collective bargaining agreement;
2) as necessary to fully investigate the complaint; or
3) as authorized by the Complainant.

The identity of any student witnesses will not be disclosed except:

1) as required by law, this policy, or any collective bargaining agreement;
2) as necessary to fully investigate the complaint; or
3) as authorized by the parent/guardian of the student witness, or by the student if the student is 18 years of age or older.

The Complaint Manager will inform, at regular intervals, the person(s) filing a complaint under this policy about the status of the investigation. Within 30 school business days after the date the complaint was filed, the Complaint Manager shall file a written report of the Complaint Manager's findings with the Superintendent. The Complaint Manager may request an extension of time from the Superintendent.

The Superintendent will keep the Board informed of all complaints.

If a complaint contains allegations involving the Superintendent or Board member(s), the written report shall be filed directly with the Board, which will make a decision in accordance with paragraph four of the following section of this policy.

Decision and Appeal

Within five school business days after receiving the Complaint Manager's report, the Superintendent shall provide the Superintendent's written decision to the Complainant and the accused as well as to the Complaint Manager. All decisions shall be based upon the *preponderance of evidence* standard.

Within 10 school business days after receiving the Superintendent's decision, the Complainant or the accused may appeal the decision to the Board by making a written request to the Complaint Manager. The Complaint Manager shall promptly forward all materials relative to the complaint and appeal to the Board.

Within 30 school business days after an appeal of the Superintendent's decision, the Board shall affirm, reverse, or amend the Superintendent's decision or direct the Superintendent to gather additional information. Within five school business days of the Board's decision, the Superintendent shall inform the Complainant and the accused of the Board's action.

For complaints containing allegations involving the Superintendent or Board member(s), within 30 school business days after receiving the Complaint Manager's or outside investigator's report, the Board shall provide its written decision to the Complainant and the accused as well as to the Complaint Manager.

This policy shall not be construed to create an independent right to a hearing before the Superintendent or Board. The failure to strictly follow the timelines in this grievance procedure shall not prejudice any party.

Appointing Nondiscrimination Coordinator, Title IX Coordinator, and Complaint Managers

The Superintendent shall appoint a Nondiscrimination Coordinator to manage the District's efforts to provide equal opportunity employment and educational opportunities and prohibit the harassment of employees, students, and others. The Superintendent shall appoint a Title IX Coordinator to coordinate the District's efforts to comply with Title IX.

The Superintendent shall appoint at least one Complaint Manager to administer this policy. If possible, the Superintendent will appoint two Complaint Managers, each of a different gender. The District's Nondiscrimination Coordinator may be appointed as one of the Complaint Managers.

Title IX Sexual Harassment Grievance Procedure

Sexual harassment affects a student's ability to learn and an employee's ability to work. Providing an educational and workplace environment free from sexual harassment is an important District goal. The District does not discriminate on the basis of sex in any of its education programs or activities, and it complies with Title IX of the Education Amendments of 1972 (Title IX) and its implementing regulations (34 C.F.R. Part 106) concerning everyone in the District's education programs and activities, including applicants for employment, students, parents/guardians, employees, and third parties.

Title IX Sexual Harassment Prohibited

Sexual harassment as defined in Title IX (Title IX Sexual Harassment) is prohibited. Any person, including a District employee or agent, or student, engages in Title IX Sexual Harassment whenever that person engages in conduct on the basis of an individual's sex that satisfies one or more of the following:

1. A District employee conditions the provision of an aid, benefit, or service on a person's participation in unwelcome sexual conduct; or

2. Unwelcome conduct determined by a reasonable person to be so severe, pervasive, and objectively offensive that it effectively denies a person equal access to the District's education program or activity; or

3. *Sexual assault* as defined in 20 U.S.C. §1092(f)(6)(A)(v), *dating violence* as defined in 34 U.S.C. §12291(a)(11), *domestic violence* as defined in 34 U.S.C. §12291(a)(12), or *stalking* as defined in 34 U.S.C. §12291(a)(36).

Examples of sexual harassment include, but are not limited to, touching, rape, sexual battery, sexual abuse, and sexual coercion, crude jokes or pictures, discussions of sexual experiences, teasing related to sexual characteristics, and spreading rumors related to a person's alleged sexual activities.

Definitions from 34 C.F.R. §106.30

Complainant means an individual who is alleged to be the victim of conduct that could constitute sexual harassment.

Education program or activity includes locations, events, or circumstances where the District has substantial control over both the *Respondent* and the context in which alleged sexual harassment occurs.

Formal Title IX Sexual Harassment Complaint means a document filed by a *Complainant* or signed by the Title IX Coordinator alleging sexual harassment against a *Respondent* and requesting that the District investigate the allegation.

Respondent means an individual who has been reported to be the perpetrator of the conduct that could constitute sexual harassment.

Supportive measures mean non-disciplinary, non-punitive individualized services offered as appropriate, as reasonably available, and without fee or charge to the *Complainant* or the *Respondent* before or after the filing of a *Formal Title IX Sexual Harassment Complaint* or where no *Formal Title IX Sexual Harassment Complaint* has been filed.

Title IX Sexual Harassment Prevention and Response

The Superintendent or designee will ensure that the District prevents and responds to allegations of Title IX Sexual Harassment as follows:

1. Ensures that the District's comprehensive health education program in Board Policy 6.60, *Curriculum Content,* incorporates (a) age-appropriate sexual abuse and assault awareness and prevention programs in grades pre-K through 12, and (b) age-appropriate education about the warning signs, recognition, dangers, and prevention of teen dating violence in grades 7-12. This includes incorporating student social and emotional development into the District's educational program as required by State law and in alignment with Board Policy 6.65, *Student Social and Emotional Development*.

2. Incorporates education and training for school staff as recommended by the Superintendent, Title IX Coordinator, Nondiscrimination Coordinator, Building Principal, or a Complaint Manager.

3. Notifies applicants for employment, students, parents/guardians, employees, and collective bargaining units of this policy and contact information for the Title IX Coordinator by, at a minimum, prominently displaying them on the District's website, if any, and in each handbook made available to such persons.

Making a Report

A person who wishes to make a report under this Title IX Sexual Harassment grievance procedure may make a report to the Title IX Coordinator, Nondiscrimination Coordinator, Building Principal, Assistant Building Principal, a Complaint Manager, or any employee with whom the person is comfortable speaking. A person who wishes to make a report may choose to report to a person of the same gender.

School employees shall respond to incidents of sexual harassment by promptly making or forwarding the report to the Title IX Coordinator. An employee who fails to promptly make or forward a report or information may be disciplined, up to and including discharge.

The Superintendent shall insert into this policy and keep current the name, office address, email address, and telephone number of the Title IX Coordinator.

Processing and Reviewing a Report or Complaint

Upon receipt of a report, the Title IX Coordinator and/or designee will promptly contact the *Complainant* to: (1) discuss the availability of *supportive measures*, (2) consider the *Complainant's* wishes with respect to *supportive measures*, (3) inform the *Complainant* of the availability of *supportive measures* with or without the filing of a *Formal Title IX Sexual Harassment Complaint*, and (4) explain to the *Complainant* the process for filing a *Formal Title IX Sexual Harassment Complaint*.

Further, the Title IX Coordinator will analyze the report to identify and determine whether there is another or an additional appropriate method(s) for processing and reviewing it. For any report received, the Title IX Coordinator shall review Board Policies 2.260, *Uniform Grievance Procedure*; 5.20, *Workplace Harassment Prohibited*; 5.90, *Abused and Neglected Child Reporting*; 5.120, *Employee Ethics; Code of Professional Conduct; and Conflict of Interest*; 7.20, *Harassment of Students Prohibited*; 7.180*, Prevention of and Response to Bullying, Intimidation, and Harassment*; 7.185, *Teen Dating Violence Prohibited*; and 7.190, *Student Behavior*, to determine if the allegations in the report require further action.

Reports of alleged sexual harassment will be confidential to the greatest extent practicable, subject to the District's duty to investigate and maintain an educational program or activity that is productive, respectful, and free of sexual harassment.

Formal Title IX Sexual Harassment Complaint Grievance Process

When a *Formal Title IX Sexual Harassment Complaint* is filed, the Title IX Coordinator will investigate it or appoint a qualified person to undertake the investigation.

The Superintendent or designee shall implement procedures to ensure that all Formal Title IX Sexual Harassment Complaints are processed according to a Title IX grievance process that fully complies with 34 C.F.R. §106.45. The District's grievance process shall, at a minimum:

1. Treat *Complainants* and *Respondents* equitably by providing remedies to a *Complainant* where the *Respondent* is determined to be responsible for sexual harassment, and by following a grievance process that complies with 34 C.F.R. §106.45 before the imposition of any disciplinary sanctions or other actions against a *Respondent*.

2. Require an objective evaluation of all relevant evidence – including both inculpatory and exculpatory evidence – and provide that credibility determinations may not be based on a person's status as a *Complainant*, *Respondent*, or witness.
3. Require that any individual designated by the District as a Title IX Coordinator, investigator, decision-maker, or any person designated by the District to facilitate an informal resolution process:
    a. Not have a conflict of interest or bias for or against complainants or respondents generally or an individual *Complainant* or *Respondent*.
    b. Receive training on the definition of sexual harassment, the scope of the District's *education program or activity*, how to conduct an investigation and grievance process (including hearings, appeals, and informal resolution processes, as applicable), and how to serve impartially.
4. Require that any individual designated by the District as an investigator receive training on issues of relevance to create an investigative report that fairly summarizes relevant evidence.
5. Require that any individual designated by the District as a decision-maker receive training on issues of relevance of questions and evidence, including when questions and evidence about the *Complainant's* sexual predisposition or prior sexual behavior are not relevant.
6. Include a presumption that the *Respondent* is not responsible for the alleged conduct until a determination regarding responsibility is made at the conclusion of the grievance process.
7. Include reasonably prompt timeframes for conclusion of the grievance process.
8. Describe the range of possible disciplinary sanctions and remedies the District may implement following any determination of responsibility.
9. Base all decisions upon the *preponderance of evidence* standard.
10. Include the procedures and permissible bases for the *Complainant* and *Respondent* to appeal.
11. Describe the range of *supportive measures* available to *Complainants* and *Respondents*.
12. Not require, allow, rely upon, or otherwise use questions or evidence that constitute, or seek disclosure of, information protected under a legally recognized privilege, unless the person holding such privilege has waived the privilege.

Enforcement

Any District employee who is determined, at the conclusion of the Grievance Process, to have engaged in sexual harassment will be subject to disciplinary action up to and including discharge. Any third party who is determined, at the conclusion of the grievance process, to have engaged in sexual harassment will be addressed in accordance with the authority of the Board in the context of the relationship of the third party to the District, e.g., vendor, parent/guardian, invitee, etc. Any District student who is determined, at the conclusion of the grievance process, to have engaged in sexual harassment will be subject to disciplinary action, including, but not limited to, suspension and expulsion consistent with student behavior policies. Any person making a knowingly false accusation regarding sexual harassment will likewise be subject to disciplinary action.

This policy does not increase or diminish the ability of the District or the parties to exercise any other rights under existing law.

Retaliation Prohibited

The District prohibits any form of retaliation against anyone who, in good faith, has made a report or complaint, assisted, or participated or refused to participate in any manner in a proceeding under this policy. Any person should report claims of retaliation using this Board Policy 2.260, *Uniform Grievance Procedure*.

Any person who retaliates against others for reporting or complaining of violations of this policy or for participating in any manner under this policy will be subject to disciplinary action, up to and including discharge, with regard to employees, or suspension and expulsion, with regard to students.

Administrative Procedure – Threats or Targeted School Violence Against Staff

Threats and acts of targeted school violence against school staff harm the school environment and may diminish staff's ability to work. Staff should report any expressed threats or acts of targeted school violence to themselves or other staff to their Building Administration as soon as possible. The Building Administration will then triage the threat in accordance with Administrative Procedure 4.190-AP2, *School Threat Assessment Teams*.

The following steps will be taken when a staff member has been the target of a threat or school violence.

Actor	Action
Staff Member	Report threats or acts of targeted school violence to the Building Administration. Request any accommodations desired to Building Administration. Cooperate with Building Administration to complete Exhibit 4.170-AP1, E1, *Incident Report Form*, if there has been an injury.
Building Administration	Check in with the staff member immediately and schedule a follow-up conversation again in a few days. Complete Exhibit 4.170-AP1, E1, *Incident Report Form*, if the staff member is injured. Complete a work comp claim if the staff member received medical treatment for the injury. Provide the staff member with a copy of Administrative Procedure 4.190-AP2, *School Threat Assessment Teams*, and Exhibit 4.190-AP2, E4, *Responding to Types of Threats*. Explain the process for assessing and classifying threats, responding to and managing threats, and reporting threats to outside agencies. Discuss with the staff member the roles of the school threat assessment team, the building administration, and the District administration including making referrals, creating safety plans, and issuing disciplinary consequences when there is a school nexus. Provide the staff member with Exhibit 4.190-AP3, E1, *Resources for Staff Who Are Victims of Threats or Targeted School Violence*. Receive any accommodation requests from staff member and communicate them to Human Resources. Ask the staff member about the desire for a restorative conversation with the Individual of Concern or other individuals and determine who is willing to attend.
Human Resources	Check in with the staff member 1-2 weeks after the incident. Review any accommodation requests by staff member and determine whether they should be granted.

Unused sick leave days shall accumulate and may be used as needed up to the accumulated amount.

Sick leave is defined in State law as personal illness, mental or behavioral health complications, quarantine at home, or serious illness or death in the immediate family or household, or birth, adoption, placement for adoption, or the acceptance of a child in need of foster care. The immediate family shall include parents, legal guardians, children, spouse, partner in a civil union, brothers, sisters, grandparents, great grandparents, grandchildren, parents-in-law, daughters-in-law, sons-in-law, brothers-in-law, sisters-in-law, grandparents-in-law, great-grandparents-in-law, aunts, uncles, and all step relatives in the aforementioned relationships.

As a condition for paying sick leave after three days absence for personal illness or as the Board or Superintendent deem necessary in other cases, the Board or Superintendent may require that the employee provide a certificate from: (1) a physician licensed in Illinois to practice medicine and surgery in all its branches, (2) a mental health professional licensed in Illinois providing ongoing care or treatment to the staff member, (3) a chiropractic physician licensed under the Medical Practice Act, (4) a licensed advanced practice registered nurse, (5) a licensed physician assistant who has been delegated the authority to perform health examinations by their supervising physician, or (6) if the treatment is by prayer or spiritual means, a spiritual adviser or practitioner of the employee's faith. If the Board or Superintendent requires a certificate as a basis for pay during a leave of less than three days for personal illness, the District shall pay the expenses incurred by the employee in obtaining the certificate (e.g. if the employee has already seen a medical provider listed above, the Board will not be required to pay for the services provided to the employee solely by requesting a certificate).

Employees are entitled to use up to 30 days of paid sick leave because of the birth of a child that is not dependent on the need to recover from childbirth. Such days may be used at any time within the 12-month period following the birth of the child. Intervening periods of nonworking days or school not being in session, such as breaks and holidays, do not count towards the 30 working school days. As a condition of paying sick leave beyond the 30 working school days, the Board or Superintendent may require medical certification.

For purposes of adoption, placement for adoption, or acceptance of a child in need of foster care, paid sick leave may be used for reasons related to the formal adoption or the formal foster care process prior to taking custody of the child or accepting the child in need of foster care, and for taking custody of the child or accepting the child in need of foster care. Such leave is limited to 30 days, and need not be used consecutively once the formal adoption or foster care process is underway. The Board or Superintendent may require that the employee provide evidence that the formal adoption or foster care process is underway.

Medical Leave

Each full-time 9 ½-month or 10-month professional administrative employee is granted 12 days unpaid medical leave annually. Each full-time 11-month professional administrative employee is granted 13 days unpaid medical leave annually. Each full-time 12-month professional administrative employee is granted 14 days unpaid medical leave annually.

Unused days of medical leave shall accumulate up to a maximum of 132 days for 9 ½-month and 10-month professional administrative employees, 144 days for 11-month professional administrative employees, and 156 days for 12-month professional administrative employees.

Medical leave may only be used for personal illness and only after accumulated sick leave has been exhausted.

As proof of illness or fitness to resume duties after any absence, the Board may require a certificate from a physician licensed in Illinois to practice medicine and surgery in all its branches.

Use of allotted medical leave days in a 12-month professional administrative employee's contract year will not affect the vacation days to which the employee would otherwise be entitled.

During a leave for personal illness in any employee's contract year, the medical leave days the employee would otherwise be entitled to for that year will not be affected.

During that period of time an employee is utilizing medical leave benefits, the Board will maintain the health insurance coverage for the employee, if allowable by the insurer.

Leave for Personal Illness

The decision to grant a leave for personal illness for any length of time shall only be made by the Board.

Leave for personal illness may only be used at such time as accumulated sick leave and accumulated medical leave has been exhausted.

Requests for leave for personal illness should be made of the Board prior to such time as accumulated medical leave has been exhausted and accompanied by a doctor's certificate as proof of disability.

When granted a leave for personal illness, the Board will maintain the health insurance coverage for an employee through the month following the date of the beginning of such leave and/or according to provisions set forth in the Family and Medical Leave Act of 1993. Coverage beyond the Board's contribution will be an option of the employee by remitting the premium on a monthly basis; however, the last day of coverage will not be extended beyond the last day the employee is considered employed by the District unless the employee is eligible for coverage as a retiree.

Leave for personal illness is terminated on the last day of an employee's contract year.

Permission Absence

"Permission absence" is a term denoting an excused absence from job duties, with pay. It is not a right, but a privilege. A professional administrative employee may request an excused absence be granted by the Superintendent or designee on rare occasions for significant lifetime events or for other reasons. The circumstances may differ with each case and the length of time granted for a permission absence may vary.

Bereavement Leave

A bereavement leave will be granted to allow a professional administrative employee to be absent for up to three days to deal with funeral matters of the immediate family as defined in this policy. These days will not be charged against the employee's sick leave allotment. In addition, employees may use paid sick leave for death in the immediate family or household and, if eligible, unpaid Family Bereavement Leave or Child Extended Bereavement Leave listed below under heading “All Professional Personnel”.

Emergency Leave

Professional administrative personnel may request up to fifteen (15) days of paid emergency leave to accommodate extreme situations when other paid leaves do not apply and all other paid leaves have been exhausted. A member must give a reason for the request, and such leave will be approved or denied by the Superintendent or designee.

Professional Leave

Professional administrative personnel may request professional leave day(s) for professional development activities. The employee shall request professional leave in writing at least one (1)

week prior to the day of the requested absence. The Superintendent or designee will approve or deny such requests.

Family Hardship Leave

The Board may grant a professional administrative employee a family hardship leave of absence without pay for a specific period of time up to six months. In no instance shall this leave be granted unless the Board determines that a suitable replacement can be hired.

1. The employee shall not be eligible for sick leave pay during the period of a family hardship leave, nor will the employee be eligible for family hardship leave if the employee has applied for or used sick leave, medical leave and/or personal illness leave in reference to the reason the family hardship leave is being requested.
2. All benefits available to the employee shall be suspended during a family hardship leave. The employee may maintain membership in the group health insurance program during the leave, according to provisions of the Family and Medical Leave Act of 1993. The employee may maintain the group health insurance after the benefit from FMLA has expired by remitting in advance payments of all premiums due. These payments shall be made to the District Office.
3. Professional administrative employees will retain their tenure status during a family hardship leave of absence.
4. An employee on leave for a full school year shall not receive a salary increase while on leave.

At the expiration of the leave period, the employee will be placed in an administrative or non-administrative position for which the employee is qualified.

All Professional Personnel

Holidays

Except as provided in Board Policy 6.20, all professional personnel, whether represented by the Association or administrative personnel, will not be required to work on the legal school holidays listed in Board Policy 6.20 School Year Calendar and Day.

Leaves

In addition to the leaves provided above, all professional personnel, whether represented by the Association or administrative personnel, shall be entitled to the following leaves:

Family and Medical Leave

An eligible employee may use unpaid family and medical leave (FMLA leave), guaranteed by the federal Family and Medical Leave Act as provided in Board policy 5.185, *Family and Medical Leave*.

Family Neonatal Intensive Care Leave

An unpaid leave from work is available to any staff member whose child is a patient in a neonatal intensive care unit (NICU) in accordance with the requirements of the Family Neonatal Intensive Care Leave Act. An employee is entitled to a total of 20 days of unpaid leave while a child of the

employee is a patient in a NICU. The District may require reasonable verification of the employee's child's length of stay in a NICU.

Family Bereavement Leave

State law allows a maximum of 10 unpaid work days for eligible employees (Family and Medical Leave Act of 1993, 20 U.S.C. §2601 et seq.) to take family bereavement leave. The purpose, requirements, scheduling, and all other terms of the leave are governed by the Family Bereavement Leave Act. Family bereavement leave allows for: (1) attendance by the bereaved employee at the funeral or alternative to a funeral of a covered family member, which includes an employee's child, stepchild, spouse, domestic partner, sibling, parent, mother-in-law, father-in-law, grandchild, grandparent, or stepparent, (2) making arrangements necessitated by the death of the covered family member, or (3) grieving the death of the covered family member, or (4) absence from work due to a (i) miscarriage, (ii) an unsuccessful round of intrauterine insemination or of an assisted reproductive technology procedure, (iii) a failed adoption match or an adoption that is not finalized because it is contested by another party, (iv) a failed surrogacy agreement, (v) a diagnosis that negatively impacts pregnancy or fertility, or (vi) a still birth, without any adverse employment action.

The family bereavement leave must be completed within 60 days after the date on which the employee received notice of the death of the covered family member or the date on which an event under item (4) above occurs. However, in the event of the death of more than one covered family member in a 12-month period, an employee is entitled to up to a total of six weeks of bereavement leave during the 12-month period, subject to certain restrictions under State and federal law. Other existing forms of leave may be substituted for the leave provided in the Family Bereavement Leave Act. This policy does not create any right for an employee to take family bereavement leave that is inconsistent with the Family Bereavement Leave Act.

Child Extended Bereavement Leave

Unpaid leave from work is available to employees who experience the loss of a child by suicide or homicide. The Child Extended Bereavement Leave Act governs the duration, scheduling, continuity of benefits, and all other terms of the leave. Accordingly, since the District employs 250 or more employees on a full-time basis, an employee is entitled to a total of 12 weeks of unpaid leave within one year after the employee notifies the District of the loss. An employee may elect to substitute other forms of leave to which the employee is entitled for the leave provided under the Child Extended Bereavement Leave Act.

Military Leave

The District will comply with the Uniformed Services Employment and Reemployment Rights Act ("USERRA"), the Illinois Service Member Employment and Reemployment Rights Act ("ISERRA"), 330 ILCS 61/1-1 et seq., and Section 10-20.7b of the Illinois School Code (105 ILCS 5/10-20.7b), as amended from time to time.

A professional employee who is a "service member" as defined in ISERRA, is entitled to military leave while performing "active service".

During such leaves, the employee's seniority, tenure track, and other benefits shall continue to accrue. An employee who is absent on military leave shall, minimally, for the period of military leave, be credited with the average of the performance ratings or evaluations received for the three years immediately before the absence for military leave. Additionally, the rating shall not be less than the rating that he or she received for the rated period immediately prior to his or her absence

on military leave. The contractual continued service status of a teacher or other professional employee shall not be affected because of absence while in the military service of the United States.

During periods of military leave for annual training, the employee shall continue to receive full compensation (i.e. concurrent compensation) for up to 30 days per calendar year.

During periods of military leave for active service, the employee shall receive differential compensation subject to the following:

1. Differential compensation for voluntary active service is limited to 60 work days in a calendar year.
2. Differential compensation shall not be paid for active service without pay.

Employees who have exhausted concurrent compensation for annual training in a calendar year shall receive differential compensation when authorized in the same calendar year.

School Visitation Leave

An eligible professional employee is entitled to eight hours during any school year, no more than four hours of which may be taken on any given day, to attend school conferences, behavioral meetings, or academic meetings related to the employee's child, if the conference or meeting cannot be scheduled during non-work hours. Professional employees must first use all accrued vacation leave, personal leave, and any other leave that may be granted to the professional employee, except sick and disability leave.

The Superintendent shall develop administrative procedures implementing this policy consistent with the School Visitation Rights Act.

Leave to Serve as an Election Judge

Any professional employee who has been appointed to serve as an election judge under State law may, after giving at least 20-days' written notice to the District, be absent without pay for the purpose of serving as an election judge. The employee is not required to use any form of paid leave to serve as an election judge. No more than 10% of the District's employees may be absent to serve as election judges on the same Election Day.

General Assembly Leave

Leaves for service in the General Assembly, as well as re-employment rights, will be granted in accordance with State and federal law. A professional employee hired to replace one in the General Assembly does not acquire tenure.

Leaves for Victims of Domestic Violence, Sexual Violence, Gender Violence, or Other Crime of Violence

An unpaid leave from work is available to any employee who: (1) is a victim of domestic violence, sexual violence, gender violence, or any other crime of violence, or (2) has a family or household member who is a victim of such violence whose interests are not adverse to the employee as it relates to the domestic violence, sexual violence, gender violence, or any other crime of violence. The unpaid leave allows the employee to seek medical help, legal assistance, counseling, safety planning, and other assistance, and to grieve and attend to matters necessitated by the death of a family or household member who is killed in a crime of violence, without suffering adverse employment action.

The Victims' Economic Security and Safety Act (VESSA) governs the purpose, requirements, scheduling, and continuity of benefits, and all other terms of the leave. Accordingly, since the District employs at least 50 employees, and subject to any exceptions in VESSA, an employee is entitled to a total of 12 work weeks of unpaid leave during any 12-month period. Neither the law nor this policy creates a right for an employee to take unpaid leave that exceeds the unpaid leave time allowed under, or is in addition to the unpaid leave time permitted by, the federal Family and Medical Leave Act of 1993 (29 U.S.C. §2601 et seq.).

Leave Without Pay

The Board recognizes that a leave without pay is sometimes necessary due to circumstances beyond an individual's control. Therefore, requests for absences from work beyond an individual's control and that do not fall under any other leave policy may be granted by the building administrator or a District Office administrator without pay on a day for day basis. A leave without pay shall not be granted for vacation. Personnel assigned to a specific building or homebased at a specific building shall submit their request to the building administrator. Other personnel shall submit their request to the District Office administrator responsible for their performance.

Unless circumstances warrant, leave without pay shall not be granted immediately prior to or immediately following holidays or vacations.

Employees who are granted a leave without pay shall have their pay reduced at a per diem rate based on the number of days paid in the current contract year.

Leave to Serve as an Officer, Trustee or Representative of a Specific Organization

The Board provides for Association Leave in the Negotiated Contract with the Association. In addition, upon request, the Board will grant: (1) an unpaid leave of absence to an elected officer of a State or national teacher organization that represents teachers in collective bargaining negotiations, and (2) up to 20 days of paid leave of absence per year to a trustee of the Teachers' Retirement System in accordance with 105 ILCS 5/24-6.3, (3) up to 10 days of paid leave per school term for teachers elected to represent a statewide teacher association in federal advocacy work in accordance with 105 ILCS 5/24-3.5.

COVID-19 Paid Administrative Leave

When applicable, paid administrative leave related to COVID-19 will be granted to eligible employees in accordance with State law.

Injury During Performance of Duties

An employee injured during the performance of duties shall be entitled to a maximum of three consecutive days absence with pay provided a licensed physician certifies the employee is unable to perform the duties of the position. If after three days the employee is still unable to perform the duties of the position, accumulated sick leave may be used. A licensed physician must certify at the end of each pay period that the employee is unable to perform the duties of the position. The employee, in addition, shall be entitled to benefits pursuant to the Worker's Compensation Act but in no event shall the employee receive more than a regular day's pay. Sick leave pay shall be utilized, if needed, to supplement worker's compensation benefits so as to ensure a regular day's pay.

This policy applies to all educational support personnel (e.g. employees without a Professional Educator License ("PEL")) to the extent it does not conflict with an applicable collective bargaining agreement or individual employment contract or benefit plan; in the event of a conflict, such provision is severable and the applicable collective bargaining agreement or individual agreement will control.

Represented Educational Support Personnel

All educational support personnel represented by the Unit Five Support Professionals Association ("UFSPA") shall be entitled to the vacation, holidays, and leaves, if applicable, provided in the Negotiated Contract between UFSPA and the Board. All educational support personnel represented by the Laborer's International Union of North America, Local 362 ("LIUNA Local 362") shall be entitled to the vacation, holidays, and leaves, if applicable, provided in the Negotiated Contract between LIUNA Local 362 and the Board. In addition, all represented educational support personnel shall be entitled to the holidays and, if eligible, the leaves listed below under the heading "All Educational Support Personnel".

Unrepresented Non-Administrative Educational Support Personnel

Personal Leave

Full-time non-administrative educational support personnel shall be granted two (2) paid personal leave days per school year to be used at the convenience of the employee. For purposes of determining eligibility for personal leave under this Policy only, food service employees whose work day is six (6) hours or longer shall be considered full-time and a personal leave day shall be equal to their regular work day. Requests to use personal leave must be approved in advance by the administrative supervisor. A request for personal leave may be denied if approval would adversely impact operations or the provision of services due to absence of too many employees. Unused personal leave will be added to an employee's accumulated personal leave and/or sick leave at the end of each school year. Unrepresented non-administrative educational support employees may not accumulate a total of more than four (4) personal days.

Vacation

Full-time exempt educational office personnel who work at least 240 days per school year shall be granted 15 paid vacation days per school year. Full-time technology employees who work at least 240 days per school year shall be granted 10 paid vacation days per school year. Beginning with their fifth year of consecutive employment, full-time technology employees who work at least 240 days per school year shall be granted 15 paid vacation days per school year. Full-time special warehouse/transportation employees who work at least 260 days per school year shall be granted the following paid vacation days per school year:

After One (1) Full Year of Service	10 vacation days
After Eight (8) Full Years of Service	15 vacation days
After Twenty (20) Full Years of Service	20 vacation days

Requests to use vacation days must be approved in advance by the employee's administrative supervisor. Vacation days cannot be accumulated and must be used prior to July 31st following the

school year in which they are accrued. The employee and administrative supervisor must work together to ensure that vacation time is taken at a mutually agreeable time.

Maternity Leave

The Board may grant an unrepresented educational support employee a maternity leave without pay for a specified period of time with a 1-year maximum.

All benefits available to an employee shall be suspended during a maternity leave unless otherwise allowed according to provisions set forth in the Family and Medical Leave Act of 1993, and the employee shall not advance on a salary schedule or receive a salary increase for the year in which the leave is taken. The employee may maintain membership in the group health insurance program during the leave by remitting in advance payments of all premiums due. These payments shall be made to the District Office.

An employee who is granted a maternity leave of absence shall be required to notify the secretary of the Board in writing stating whether or not said employee requests to return to his or her position. For an employee on a leave during the second semester, the request to return must be received by the secretary of the Board on or before March 1. Failure of the employee to make proper notification by March 1 will terminate that person's further employment in the District.

At the expiration of the leave period, the employee will return to the same position as that which was held prior to the leave of absence.

Administrative Educational Support Personnel

Personal Leave

All administrative educational support personnel are granted two (2) days annually for personal leave. Personal leave may be taken in full or half-day increments. Unused personal days may accumulate up to a total of four (4) personal days. Any additional unused personal days will not roll over into sick or vacation days.

Permission Absence

"Permission absence" is a term denoting an excused absence from job duties with pay. It is not a right, but a privilege. Administrative educational support employee may request a permission absence be granted by the Superintendent or designee on rare occasions for significant lifetime events or for other reasons. The circumstances may differ with each case and the length of time granted for a permission absence may vary.

The employee shall request professional leave in writing at least one (1) week prior to the day of the requested absence. The Superintendent or designee will approve or deny such requests.

All Unrepresented Educational Support Personnel

In addition to the leaves provided above, all unrepresented educational support personnel shall be entitled to the following leaves:

An employee shall not be eligible for sick leave pay during the period of a family hardship leave, nor will an employee be eligible for hardship leave if the employee has applied for or used sick leave, medical leave and/or personal illness leave in reference to the reason that hardship leave is being requested.

2. All benefits available to an employee shall be suspended during a family hardship leave. The employee may maintain membership in the group health insurance program during the leave, according to provisions of the Family and Medical Leave Act of 1993. The employee may maintain the group health insurance after the benefit from FMLA has expired by remitting the advance payments to all premiums due. These payments shall be made to the District Office.

3. An employee granted a family hardship leave shall be required to notify the secretary of the Board in writing stating whether or not said employee requests to return to his/her position. For employees on a leave during the second semester, the request to return must be received by the secretary of the Board on or before March 1. Failure of the employee to make proper notification by March 1 will terminate that person's further employment in the District.

4. An employee on leave for a full school year shall not advance on a salary schedule or receive a salary increase for the year in which the leave is taken.

At the expiration of the leave period, the employee will return to the same position held prior to the leave of absence.

All Educational Support Personnel

Holidays

Except as provided in Board Policy 6.20, all educational support personnel, whether represented or unrepresented, will not be required to work on the legal school holidays listed in Board Policy 6.20 School Year Calendar and Day.

A legal school holiday on which an employee is not required to work will not cause a deduction from an employee's time or compensation nor entitle an employee to compensation where not otherwise contractual. The District may require educational support personnel to work on a non-waived holiday during an emergency or for the continued operation and maintenance of facilities or property.

Leaves

In addition to the leaves provided above, all educational support personnel, whether represented or unrepresented, shall be entitled to the following leaves:

Family and Medical Leave

An eligible employee may use unpaid family and medical leave (FMLA leave), guaranteed by the federal Family and Medical Leave Act as provided in Board policy 5.185, *Family and Medical Leave*.

Family Neonatal Intensive Care Leave

An unpaid leave from work is available to any staff member whose child is a patient in a neonatal intensive care unit (NICU) in accordance with the requirements of the Family Neonatal Intensive Care Leave Act. An employee is entitled to a total of 20 days of unpaid leave while a child of the employee is a patient in a NICU. The District may require reasonable verification of the employee's child's length of stay in a NICU.

Military Leave

The District will comply with the Uniformed Services Employment and Reemployment Rights Act ("USERRA"), the Illinois Service Member Employment and Reemployment Rights Act ("ISERRA"), 330 ILCS 61/1-1 et seq., and Section 10-20.7b of the Illinois School Code (105 ILCS 5/10-20.7b), as amended from time to time.

An educational support employee who is a "service member" as defined in ISERRA, is entitled to military leave while performing "active service".

During such leaves, the employee's seniority and other benefits shall continue to accrue. An employee who is absent on military leave shall, minimally, for the period of military leave, be credited with the average of the performance ratings or evaluations received for the three years immediately before the absence for military leave. Additionally, the rating shall not be less than the rating that the employee received for the rated period immediately prior to his or her absence on military leave.

During periods of military leave for annual training, the employee shall continue to receive full compensation (i.e. concurrent compensation) for up to 30 days per calendar year.

During periods of military leave for active service, the employee shall receive differential compensation subject to the following:

1. Differential compensation for voluntary active service is limited to 60 work days in a calendar year.

2. Differential compensation shall not be paid for active service without pay.

Employees who have exhausted concurrent compensation for annual training in a calendar year shall receive differential compensation when authorized in the same calendar year.

School Visitation Leave

An eligible educational support employee is entitled to eight hours during any school year, no more than four hours of which may be taken on any given day, to attend school conferences, behavioral meetings, or academic meetings related to the employee's child, if the conference or meeting cannot be scheduled during non-work hours. Educational support employees must first use all accrued vacation leave, personal leave, and any other leave that may be granted to the employee, except sick and disability leave.

The Superintendent shall develop administrative procedures implementing this policy consistent with the School Visitation Rights Act.

Leave to Serve as an Election Judge

Any educational support employee who has been appointed to serve as an election judge under State law may, after giving at least 20-days' written notice to the District, be absent without pay for the purpose of serving as an election judge. The employee is not required to use any form of paid leave to serve as an election judge. No more than 10% of the District's employees may be absent to serve as election judges on the same Election Day.

General Assembly Leave

Educational support personnel shall receive leave for service in the General Assembly on the same terms and conditions granted professional personnel in Board policy 5:250, *Leaves of Absence*.

Leaves for Victims of Domestic Violence, Sexual Violence, Gender Violence, or Other Crime of Violence

An unpaid leave from work is available to any employee who: (1) is a victim of domestic violence, sexual violence, gender violence, or other crime of violence, or (2) has a family or household member who is a victim of such violence whose interests are not adverse to the employee as it relates to the domestic violence, sexual violence, gender violence, or other crime of violence. The unpaid leave allows the employee to seek medical help, legal assistance, counseling, safety planning, and other assistance, and to grieve and attend to matters necessitated by the death of a family or household member who is killed in a crime of violence, without suffering adverse employment action.

The Victims' Economic Security and Safety Act (VESSA) governs the purpose, requirements, scheduling, and continuity of benefits, and all other terms of the leave. Accordingly, since the District employs at least 50 employees, and subject to any exceptions in VESSA, an employee is entitled to a total of 12 work weeks of unpaid leave during any 12-month period. Neither the law nor this policy creates a right for an employee to take unpaid leave that exceeds the unpaid leave

time allowed under, or is in addition to the unpaid leave time permitted by, the federal Family and Medical Leave Act of 1993 (29 U.S.C. §2601 et seq.).

Leave Without Pay

The Board recognizes that a leave without pay is sometimes necessary due to circumstances beyond an individual's control. Therefore, a building administrator or District Office administrator may grant an unpaid absence from work when the request does not fall under any other leave policy. A leave without pay shall not be granted for vacation. Personnel assigned to a specific building or homebased at a specific building shall submit their request to the building administrator. Other personnel shall submit their request to the District Office administrator responsible for their performance.

Unless circumstances warrant, leave without pay shall not be granted immediately prior to or immediately following holidays or vacations.

An employee granted a leave without pay shall have his or her pay reduced at a per diem rate based on the number of days paid in the current contract year.

COVID-19 Paid Administrative Leave

When applicable, paid administrative leave related to COVID-19 will be granted to eligible employees in accordance with State law.

Injury During Performance of Duties

Any employee injured during the performance of duties shall be entitled to a maximum of three consecutive days absence with pay provided a licensed physician certifies that the employee is unable to perform the duties of the position. If after three days the employee is still unable to perform the duties of the position, accumulated sick leave may then be used. A licensed physician must certify at the end of each pay period that the employee is unable to perform the duties of the position. The employee, in addition, shall be entitled to benefits pursuant to the Worker's Compensation Act but in no event shall the employee receive more than a regular day's pay. Sick leave pay shall be utilized, if needed, to supplement worker's compensation benefits so as to ensure a regular day's pay.

Use is a privilege, not a right. Students and staff members have no expectation of privacy in any material that is stored on, transmitted, or received via the District's electronic networks or instructional technology. General rules for behavior and communications apply when using electronic networks and instructional technology. Technology protection measures shall be used on each District computer or device with Internet access. They shall include a filtering device that protects against Internet access by both adults and minors to visual depictions that are: (1) obscene, (2) pornographic, or (3) harmful or inappropriate for students, as defined by federal law and as determined by the Superintendent or designee. The Superintendent or designee shall enforce the use of such filtering devices.

An administrator, supervisor, or other authorized person may disable the filtering device for bona fide research or other lawful purpose, provided the person received prior permission from the Superintendent or system administrator.

The Superintendent or designee shall include measures in this policy's implementation plan to address the following:

1. Ensure staff supervision of student access to online electronic networks,
2. Restrict student access to inappropriate matter as well as restricting access to harmful materials,
3. Ensure student and staff privacy, safety, and security when using electronic communications,
4. Restrict unauthorized access, including “hacking” and other unlawful activities, and
5. Restrict unauthorized disclosure, use, and dissemination of personally identifiable information, such as, names and addresses.

Use of Artificial Intelligence (AI)-Enabled Tools

The Board recognizes that AI-enabled tools are important to enhance student learning, educator effectiveness, and school operations. The use of AI-enabled tools in the District shall be implemented in a safe, ethical, and equitable manner and in accordance with Board Policies 1.30, *District Mission Statement, Vision Statement, and Commitments*, and 7.345, *Operator Use of Student Data; Privacy and Security*.

To implement the use of AI-enabled tools in the District, the Superintendent or designee shall:

1. Develop a District-wide AI Plan that addresses the District’s approach to the integration of AI;
2. Based on the District-wide AI Plan, establish AI Responsible Use Guidelines to address the responsible use of AI in the District by students and staff;
3. Ensure that AI-enabled tools comply with State and federal law;
4. Ensure that staff receive training and students receive instruction on the use of AI, as appropriate; and
5. Review the District’s AI Plan and AI Responsible Use Guidelines on an annual basis and update them as needed.

Authorization for Electronic Networks and Instructional Technology Access

Each student and staff member must agree to the *Authorization for Access to the District’s Electronic Networks and Instructional Technology* as a condition for using the District’s electronic networks and instructional technology.

Confidentiality

All users of the District's computers to access the Internet shall maintain the confidentiality of student records. Reasonable measures to protect against unreasonable access shall be taken before confidential information is loaded onto the network.

Violations

The failure of any user to follow the terms of the District's Administrative Procedure, *Acceptable Use of the District's Electronic Networks and Instructional Technology*, or this policy, will result in the loss of privileges, disciplinary action, and/or appropriate legal action.

Student Behavior

The goals and objectives of this policy are to provide effective discipline practices that:

1. ensure the safety and dignity of students and staff;
2. maintain a positive, weapons-free and drug-free learning environment;
3. keep school property and the property of others secure;
4. address the causes of a student's misbehavior and provide opportunities for all individuals involved in an incident to participate in its resolution; and
5. teach students positive behavioral skills to become independent, self-disciplined citizens in the school community and society.

When and *Where* Conduct Rules Apply

A student is subject to disciplinary action for engaging in prohibited student conduct, as described in the section with that name below, whenever the student's conduct is reasonably related to school or school activities, including, but not limited to:

1. On, or within sight of, school grounds before, during, or after school hours or at any time;
2. Off school grounds at a school-sponsored activity or event, or any activity or event that bears a reasonable relationship to school;
3. Traveling to or from school or a school activity, function, or event; or
4. Anywhere, if the conduct interferes with, disrupts, or adversely affects the school environment, school operations, or an educational function, including, but not limited to, conduct that may reasonably be considered to: (a) be a threat or an attempted intimidation of a staff member; or (b) endanger the health or safety of students, staff, or school property.

Prohibited Student Conduct

The school administration is authorized to discipline students for gross disobedience or misconduct, including, but not limited to:

1. Using, possessing, distributing, purchasing, bartering, or selling tobacco or nicotine materials, including without limitation, electronic cigarettes, vaping devices, or nicotine pouches.
2. Using, possessing, distributing, purchasing, bartering, selling, or offering for sale, alcoholic beverages. Students who are under the influence of an alcoholic beverage are not permitted to attend school or school functions and are treated as though they had alcohol in their possession.
3. Using, possessing, distributing, purchasing, bartering, selling, or offering for sale:
    a. Any illegal drug or controlled substance, or cannabis (including marijuana, hashish, and medical cannabis unless the student is authorized to be administered a medical cannabis infused product under *Ashley's Law*).

b. Any anabolic steroid unless it is being administered in accordance with a physician's or licensed practitioner's prescription.

c. Any performance-enhancing substance on the Illinois High School Association's most current banned substance list unless administered in accordance with a physician's or licensed practitioner's prescription.

d. Any prescription medication when not prescribed for the student by a physician licensed practitioner, when used in a manner inconsistent with the prescription or prescribing physician's or licensed practitioner's instructions or without following *Board policy 7.270* and its implementing procedures including without limitation failing to have a completed and signed "School Medication Authorization Form" on file, failing to keep medication in the original container, giving other students medication, or taking improper doses of medication. The use or possession of medical cannabis, even by a student for whom medical cannabis has been prescribed, is prohibited unless the student is authorized to be administered a medical cannabis infused product under *Ashley's Law*.

e. Any non-prescription medication without following *Board policy 7.270* and its implementing procedures.

f. Any inhalant, regardless of whether it contains an illegal drug or controlled substance (a) that a student believes is, or represents to be capable of, causing intoxication, hallucination, excitement, or dulling of the brain or nervous system; or (b) about which the student engaged in behavior that would lead a reasonable person to believe that the student intended the inhalant to cause intoxication, hallucination, excitement, or dulling of the brain or nervous system. The prohibition in this section does not apply to a student's use of asthma or other legally prescribed inhalant medications.

g. Any substance inhaled, injected, smoked, consumed, or otherwise ingested or absorbed with the intention of causing a physiological or psychological change in the body, including without limitation, pure caffeine in tablet or powdered form.

h. "*Look-alike*" or counterfeit drugs, including a substance that is not prohibited by this policy, but one: (a) that a student believes to be, or represents to be, an illegal drug, controlled substance, or other substance that is prohibited by this policy; or (b) about which a student engaged in behavior that would lead a reasonable person to believe that the student expressly or impliedly represented to be an illegal drug, controlled substance, or other substance that is prohibited by this policy.

i. Drug paraphernalia, including devices that are or can be used to: (a) ingest, inhale, or inject cannabis or controlled substances into the body; and (b) grow, process, store, or conceal cannabis or controlled substances.

Students who are under the influence of any prohibited substance are not permitted to attend school or school functions and are treated as though they had the prohibited substance, as applicable, in their possession.

4. Using, possessing, controlling, or transferring a knife, a "*weapon*" as that term is defined in the ***Weapons*** section of this policy, or a look-alike weapon, or violating the ***Weapons*** section of this policy.

5. Using or possessing an electronic mobile device including but not limited to a cellular phone or watch, video or audio recording device, personal digital assistant (PDA), digital or mp3 player, laptop, netbook, iPad, tablet, smart watch, smart or AI glasses (e.g. Meta or XReal One Pro), or other similar electronic devices in any manner that disrupts the educational environment or violates the rights of others, including, but not limited to, using the device

to: take photographs or video in locker rooms or bathrooms; create, possess, share, or distribute AI-generated content that is inappropriate, harmful, pornographic, or sexually explicit, whether real or fabricated; cheat; eavesdrop (e.g. surreptitiously record a conversation); or otherwise violate student conduct rules.

Students are allowed to possess and use electronic mobile devices in school, provided they do not cause a disruption, and are not used, seen or heard during instructional time unless:

a. the supervising teacher grants permission to use them for educational purposes;

b. use of the device is provided in a student's 504 plan or individualized education program (IEP); or

c. it is needed in an emergency that threatens the safety of students, staff, or other individuals.

6. *Sexting*, which, for purposes of this policy, is the act of creating, sending, sharing, viewing, receiving, or possessing sexually explicit messages, images, or videos electronically, regardless of whether they are authentic or computer-generated, through the use of a computer, electronic communication device, or cellular phone. Sexting also includes creating, sending, sharing, viewing, receiving, or possessing indecent visual depictions, non-consensual dissemination of private sexual images, and non-consensual dissemination of sexually explicit digitized depictions, as defined in State law.

7. Using or possessing a laser pointer unless under a staff member's direct supervision and in the context of instruction.

8. Disobeying rules of student conduct or directives from staff members or school officials. Examples of disobeying staff directives include refusing a District staff member's request to stop, present school identification, or submit to a search.

9. Engaging in academic dishonesty, including cheating, intentionally plagiarizing, using a writing service and/or emerging technologies such as generative artificial intelligence technology in place of original work unless specifically authorized by staff, wrongfully giving or receiving help during an academic examination, altering report cards, or wrongfully obtaining test copies or scores.

10. Engaging in hazing or any kind of bullying or aggressive behavior that does physical or psychological harm to a staff person or another student, or urging other students to engage in such conduct. Prohibited conduct specifically includes, without limitation, any use of violence, intimidation, force, noise, coercion, threats, stalking, harassment, sexual harassment, public humiliation, theft or destruction of property, retaliation, hazing, bullying, bullying using a school computer or a school computer network, or other comparable conduct.

11. Engaging in any sexual activity, including without limitation, offensive touching, sexual harassment, indecent exposure (including mooning), and sexual assault.

14. Entering school property or a school facility without proper authorization.

presence of an emergency; or indicating the presence of a bomb or explosive device on school grounds, school bus or at any school activity.

16. Being absent without a recognized excuse; State law and Board policy regarding truancy control will be used with chronic and habitual truants.
17. Being involved with any public school fraternity, sorority, or secret society, by: (a) being a member; (b) promising to join; (c) pledging to become a member; or (d) soliciting any other person to join, promise to join, or be pledged to become a member.
18. Being involved in gangs or gang-related activities, including displaying gang symbols or paraphernalia.
19. Violating any criminal law, including but not limited to, assault, battery, arson, theft, gambling, eavesdropping, vandalism, and hazing.
20. Making an explicit threat on an Internet website against a school employee, a student, or any school-related personnel if the Internet website through which the threat was made is a site that was accessible within the school at the time the threat was made or was available to third parties who worked or studied within the school grounds at the time the threat was made, and the threat could be reasonably interpreted as threatening to the safety and security of the threatened individual because of his or her duties or employment status or status as a student inside the school.
21. Operating an unmanned aircraft system (UAS) or drone for any purpose on school grounds or at any school event unless granted permission by the Superintendent or designee.
22. Engaging in any activity, on or off campus, that, interferes with, disrupts, or adversely affects the school environment, school operations, or an educational function, including but not limited to, conduct that may reasonably be considered to: (a) be a threat or an attempted intimidation of a staff member; or (b) endanger the health or safety of students, staff, or school property.

For purposes of this policy, the term "*possession*" includes having control, custody, or care, currently or in the past, of an object or substance, including situations in which the item is: (a) on the student's person; (b) contained in another item belonging to, or under the control of, the student, such as in the student's clothing, backpack, or automobile; (c) in a school's student locker, desk, or other school property; or d) at any location on school property or at a school-sponsored event.

Efforts, including the use of positive interventions and supports, shall be made to deter students, while at school or a school-related event, from engaging in aggressive behavior that may reasonably produce physical or psychological harm to someone else. The Superintendent or designee shall ensure that the parent/guardian of a student who engages in aggressive behavior is notified of the incident. The failure to provide such notification does not limit the Board's authority to impose discipline, including suspension or expulsion, for such behavior.

No disciplinary action shall be taken against any student that is based totally or in part on the refusal of the student's parent/guardian to administer or consent to the administration of psychotropic or psychostimulant medication to the student.

Disciplinary Measures

School officials shall limit the number and duration of expulsions and out-of-school suspensions to the greatest extent practicable, and, where practicable and reasonable, shall consider forms of non-exclusionary discipline before using out-of-school suspensions or expulsions. School

personnel shall not advise or encourage students to drop out voluntarily due to behavioral or academic difficulties. Potential disciplinary measures may include, without limitation, any of the following:

1. Notifying parents/guardians.
2. Disciplinary conference.
3. Withholding privileges.
4. Temporary removal from the classroom.
5. Return of property or restitution for lost, stolen, or damaged property.
6. In-school suspension. The Building Principal or designee shall ensure that the student is properly supervised.
7. Detention provided the student's parent/guardian has been notified. If transportation arrangements cannot be agreed upon, an alternative disciplinary measure must be used. The student must be supervised by the detaining teacher or the Building Principal or designee.
8. Community service with local public and nonprofit agencies that enhances community efforts to meet human, educational, environmental, or public safety needs. The District will not provide transportation. School administration may use this option as an alternative to another disciplinary measure giving the student and/or parent/guardian the choice.
9. Seizure of contraband; confiscation and temporary retention of personal property that was used to violate this policy or school disciplinary rules.
10. Suspension of bus riding privileges in accordance with Board Policy 7.220, *Bus Conduct*.
11. Out-of-school suspension from school and all school activities in accordance with Board Policy 7.200, *Suspension Procedures*. A student who has been suspended is prohibited from being on school grounds and at school activities during the period of the suspension.
12. Expulsion from school and all school activities for a definite time period not to exceed two calendar years in accordance with Board Policy 7.210, *Expulsion Procedures*. A student who has been expelled is prohibited from being on school grounds and at school activities during the period of expulsion.
13. Transfer to an alternative program if the student is expelled or otherwise qualifies for the transfer under State law. The transfer shall be in the manner provided in Article 13A or 13B of the School Code.

The above list of disciplinary measures is a range of options that will not always be applicable in every case. In some circumstances, it may not be possible to avoid suspending or expelling a student because behavioral interventions, other than a suspension and/or expulsion, will not be appropriate and available, and the only reasonable and practical way to resolve the threat and/or address the disruption is a suspension and/or expulsion. In addition to the above list of disciplinary measures, juvenile authorities or other law enforcement may be notified whenever the conduct involves criminal activity, including but not limited to, illegal drugs (controlled substances), "look-alikes," alcohol, or weapons or in other circumstances as authorized by the reciprocal reporting agreement between the District and local law enforcement agencies.

Corporal punishment is prohibited in all circumstances. *Corporal punishment* is defined as a discipline method in which a person deliberately inflicts pain upon a student in response to the

student's unacceptable behavior or inappropriate language, with an aim to halt an offense, prevent its recurrence, or set an example for others. It includes slapping, paddling, or prolonged maintenance of students in physically painful positions, or intentional infliction of bodily harm. Corporal punishment does not include reasonable force as needed to maintain safety for students, staff, or other persons, or for the purpose of self-defense or defense of property.

Isolated Time Out, Time Out, and Physical Restraint

Neither isolated time out, time out, nor physical restraint shall be used to discipline or punish a student. These methods are only authorized for use as permitted in 105 ILCS 5/10-20.33, State Board of Education rules (23 Ill. Admin. Code 1.280, 1.285), and the District's procedure(s).

Weapons

A student who uses, possesses, controls, or transfers one of the following weapons at school, on school grounds, on a school bus, at any school-sponsored activity or event, or at any activity or event that bears a reasonable relationship to school shall be expelled for at least one (1) calendar year but not more than two (2) calendar years:

1. A firearm, meaning any gun, rifle, shotgun, a weapon as defined by Section 921 of Title 18, of the United States Code (18 U.S.C. § 921),firearm as defined in Section 1.1 of the Firearm Owners Identification Card Act (430 ILCS 65/), or firearm as defined in Section 24-1 of the Criminal Code of 2012 (720 ILCS 5/24-1);
2. Ammunition;
3. A knife with a blade of at least 3 inches, switchblade knife, ballistic knife, billy club, brass knuckles, other knuckle weapon regardless of its composition, or any object listed in Section 24-1 of the Criminal Code of 1961 (720 ILCS 5/24-1);
4. A look-alike firearm; or
5. Any other object if used or attempted to be used to cause bodily harm.

The expulsion requirement under either paragraph 1 or 2 above may be modified by the Superintendent or designee, and the Superintendent or designee's determination may be modified by the Board on a case-by-case basis. The Superintendent or designee may grant an exception to this policy, upon the prior request of an adult supervisor, for students in theatre, cooking, ROTC, martial arts, and similar programs, whether or not school-sponsored, provided the item is not equipped, nor intended, to do bodily harm.

This policy's prohibitions concerning weapons apply regardless of whether: (1) a student is licensed to carry a concealed firearm, or (2) the Board permits visitors, who are licensed to carry a concealed firearm, to store a firearm in a locked vehicle in a school parking area.

Students should report suspected possession or use of such items to any counselor, teacher, or administrator.

Re-Engagement of Returning Students

The Superintendent or designee shall maintain a process to facilitate the re-engagement of students who are returning from an out-of-school suspension, expulsion, or an alternative school setting. The goal of re-engagement shall be to support the student's ability to be successful in

school following a period of exclusionary discipline and shall include the opportunity for students who have been suspended to complete or make up work for equivalent academic credit.

Required Notices

A school staff member shall immediately notify the office of the Building Principal in the event that the staff member:

1. observes any person in possession of a firearm on or around school grounds; however, such action may be delayed if immediate notice would endanger students under his or her supervision;
2. observes, or has reason to suspect that, any person on school grounds is or was involved in a drug-related incident; or
3. observes a battery committed against any staff member or is subject to a battery.

"*School grounds*" includes modes of transportation to school activities and any public way within 1,000 feet of the school, as well as school property itself.

Upon receiving a report of 1, above, the Building Principal or designee shall immediately notify local law enforcement. In addition, upon receiving a report on any of the above 1-3, the Building Principal or designee shall notify the Superintendent or designee and any involved student's parent/guardian.

Upon receiving a report on any of the above 1-3, the Superintendent or designee shall immediately notify local law enforcement. The Superintendent or designee shall also report these incidents to the Ill. State Board of Education through its web-based School Incident Reporting System as they occur during the year and no later than July 31 for the preceding school year.

Delegation of Authority

Each teacher, and any other school personnel when students are under his or her charge, is authorized to impose any disciplinary measure, other than suspension, expulsion, corporal punishment or in-school suspension, that is appropriate and in accordance with the policies and rules on student discipline. Teachers, other licensed educational employees, and any other persons (whether or not a licensed employee) providing a related service for or with respect to a student, may use reasonable force as needed to maintain safety for other students, school personnel, or other persons, or for the purpose of self-defense or defense of property. Teachers may temporarily remove students from a classroom for disruptive behavior.

The Superintendent, Building Principal, Associate Building Principal, or Assistant Building Principal is authorized to impose the same disciplinary measures as teachers and may suspend students guilty of gross disobedience or misconduct from school (including all school functions) and from riding the school bus, up to 10 consecutive school days, provided the appropriate procedures are followed. The Board may suspend a student from riding the bus in excess of 10 days for safety reasons.

Student Handbook

The Superintendent or designee, with input from the parent-teacher advisory committee, shall prepare disciplinary rules implementing the District's disciplinary policies. These disciplinary rules shall be presented annually to the Board for its review and approval.

Adopted: December 12, 1989
Reviewed: May 2026

A student handbook, including the District's student disciplinary policies and rules, shall be distributed to the students' parents/guardians within 15 days of the beginning of the school year or a student's enrollment.

DATE: June 2026
SUBJECT: Annual Review of Identified Safety Hazards for Student Transportation (2026–2027)

In accordance with Section 29-3 of the Illinois School Code (105 ILCS 5/29-3) and the Illinois State Board of Education (ISBE), Unit 5 conducts an annual review of serious safety hazards along student walking routes.

Illinois law permits school districts to provide transportation to students residing within 1.5 miles of their school if an Illinois Department of Transportation (IDOT) certified safety hazard exists.

School districts must annually review documented hazards and seek Board approval for their continuation to maintain state transportation reimbursement.

Following a review by the Director of Safety & Security, Finance Department, First Student Transportation, and the Executive Director of Operations, no changes are recommended to the District's existing hazard designations for the 2026–2027 school year.

Current IDOT-Certified Safety Hazard Areas
The following schools continue to have certified safety hazards that justify transportation services for eligible students residing within 1.5 miles of the school:

School	Roadway Hazards	Railroad Crossing	Limited Sidewalk Infrastructure
Carlock Elementary	X	X	X
Cedar Ridge Elementary	X		
Fairview Elementary	X		
Fox Creek Elementary	X		
Glenn Elementary	X	X	
Northpoint Elementary	X		
Parkside Elementary	X		
Pepper Ridge Elementary	X		
Towanda Elementary	X	X	X
Kingsley Junior High	X	X	X

Chiddix Junior High	X	X	X
Evans Junior High	X		X

Recommendation
Based upon the annual review conducted by District staff and transportation partners, it is recommended that the Board of Education approve the continuation of all currently identified and IDOT-certified safety hazards for the 2026–2027 school year. No changes to existing hazard designations are recommended at this time.

Recommendation

Administration recommends that the Board of Education approve a two-year lease extension with JMO Modular for the two existing portable classrooms at Normal Community High School. The extended leases will expire at the end of the 2027–2028 school year.

Background & Rationale

The current leases for the portable classrooms at Normal Community High School are set to expire at the end of this month. Extending them through the 2027–2028 school year aligns their expiration dates with the existing portable classroom leases at Cedar Ridge Elementary, Parkside Elementary, and Towanda Elementary.

This alignment will allow the administration to review and manage all district portable classroom leases on a synchronized timeline in the future.

Financial Impact

Each lease requires an annual payment of $18,500. The total financial commitment for both units over the two-year extension period is $74,000.

RE: Normal Community West High School Softball Field

It is the recommendation of the Operations Department to convert the existing Normal Community West Junior Varsity Baseball Field into a dedicated softball field. Currently, Normal Community West does not have an on-campus softball field, requiring the program to utilize off-site facilities for practices and competition. Constructing a new softball field adjacent to the varsity baseball field will provide a more equitable athletic experience for our student-athletes and enhance the overall athletic campus.

The proposed project includes the construction of a new softball field designed to meet current IHSA and NFHS standards. Due to necessary field reconfigurations and persistent drainage challenges, operations advises the installation of a synthetic turf softball field. This solution effectively mitigates water management issues while serving as a pilot program for the District to evaluate synthetic turf maintenance and performance. Furthermore, this development addresses critical space constraints at Normal Community West by providing additional fall practice capacity, bridging the current facility gap relative to NCHS. In addition, this project will provide the District with valuable experience evaluating synthetic turf performance, maintenance, and long-term lifecycle costs.

The project will be completed by Byrne & Jones Sports Construction through the TIPS Cooperative Purchasing Agreement. Utilizing the cooperative purchasing process eliminates the need for a traditional bid process and associated Health Life Safety architectural services, resulting in an estimated savings of $159,476.

The estimated project costs are as follows:

- Full synthetic turf field (infield and outfield): $1,024,000

Funding for this project will be provided through revenues generated by the County Facilities Sales Tax (CFST).

Pending Board approval, the project is scheduled for completion during the upcoming summer and fall seasons, with the facility projected for full operational availability by Spring 2027.

Administration recommends approval of this project to improve equity in athletic facilities, increase field availability, and provide a long-term asset for the District and its student-athletes.

Re: Appointment/Approval Recommendations

Each year, the Board is required to approve and appoint individuals to key operational and legal positions within the district. I recommend the following appointments for the 2026-27 school year:

Delegated Authority to Submit ISBE Reports/Submissions
I recommend the approval of Marty Hickman as the Delegated Authority for the School District Superintendent for ISBE Reports/Submissions from July 1, 2026 through June 30, 2027.

While I review and submit ISBE grants, health reports, and miscellaneous reports, Marty manages, reviews, and submits all vital state financial data to ISBE. This delegation also allows Marty to submit ISBE reports if I am unavailable.

Expulsion Hearing and Suspension Review Officer
I recommend the appointment of Curt Richardson to continue to serve as the Expulsion Hearing and Suspension Review Officer from July 1, 2026 through June 30, 2027. Curt's legal expertise is invaluable in ensuring the district meets all strict procedural mandates during disciplinary reviews. His background allows him to provide clear legal counsel when advising the Board on whether to uphold or overturn suspensions, or when evaluating expulsion recommendations.

Note: Dr. Caffey, as Director of Student Services, will continue to work directly with building administrators when considering student suspensions exceeding three days, evaluating expulsion criteria, and working with families as needed.

Treasurer
I recommend the appointment of Marty Hickman to continue to serve as the Treasurer from July 1, 2026 through June 30, 2027. Marty meets the statutory and financial qualifications outlined in Board Policy 2.110. His oversight ensures fiscal responsibility, accurate accounting of district funds and continuous alignment with our long-term financial reporting requirements.

Clerk of the Board
I recommend the appointment of Emily Sargent to continue to serve as Clerk of the Board from July 1, 2026 through June 30, 2027. Emily meets the criteria outlined in board policy 2.110 and will continue to assemble board meeting materials and maintain accurate official records.

School Nutrition Milk Bid Recommendation 2026-2027

Recommend awarding the dairy contract to Prairie Farms Dairy, Inc utilizing the Escalator Price with Equipment option.

Historical Costs:
During the 2025-2026 school year, the top three item quantities purchased by the district were:

- 779,085 chocolate milk half-pints
- 222,223 white milk half-pints
- 2,418 cases of yogurt

Total expenditures under the escalator contract were $394,184.17.

Had the district been under the fixed-price contract, costs would have been approximately $465,172.62, a difference of nearly $71,000.

2026-2027 Cost Projections:

Option	Estimated Annual Cost
Escalator Pricing	$438,112.48
Escalator Pricing with 4% Increase	$455,586.83
Fixed Pricing	$478,097.28

Even assuming a 4% increase in escalator pricing, projected costs remain approximately $22,500 lower than the fixed-price option.

Equipment Value:

Prairie Farms also provides and maintains 22 Beverage-Air 16-crate milk coolers located throughout the district. The estimated replacement value of these coolers is approximately $90,000-$100,000, eliminating the need for the district to immediately purchase and maintain this equipment.

Recommendation

Approve the Prairie Farms Dairy bid utilizing the Escalator Price with Equipment option for the 2026-2027 school year.

Financial Impact:

- Estimated annual dairy expenditures: $438,112
- Potential savings compared with fixed pricing: approximately $40,000
- Savings remain approximately $22,500 even if escalator prices increase by 4%
- Continued use and maintenance of milk coolers with an estimated equipment savings of $100,000

Renewal Option:
This contract would be effective for a one-year period commencing July 1, 2026 through June 30, 2027, with options to renew (without Rebid) on an annual basis for the 2027-2028 and 2028-2029 school years. Renegotiation of the price charged to the District in subsequent (rollover) years of the agreement must not exceed the Consumer Price Index for all Urban Consumers. Before price increases can be implemented, the vendor shall document through cost analysis the need for such increase.

The following salary adjustments are recommended.

OT/PT/OTA/PTA, Medical Personnel, Technology and Educational Support Staff

Recommend an average 5.0% increase for eligible staff members.

Budget impact approximately $198,000.

EOP Exempt / Board Clerk

The Board Clerk position is currently compensated with a $350 stipend and has not been increased since 2020. The stipend has only increased $50 since 2006. In addition, the total compensation when compared to other districts that responded to a survey is lower than most. Recommend increasing base salary to $60,000 which is approximately a 10.2% increase from the current salary. In lieu of the stipend, the district will pay the Board Clerk as required by Illinois and Federal Labor Law.

Budget impact approximately $5,566 plus Board Clerk Compensation.

Food Service

Prior to 25-26 the Food Service department compensation was a Two Tier salary schedule. A Single Tier schedule was created for 25-26. The new salary schedule will be refined further for 26-27 to create a more consistent percentage increase between steps. Manager increments and longevity were not adjusted for the 25-26 school year.

Recommend placing current staff on salary schedule steps that provide a minimum of a 5% increase. The average increase is approximately 5.34%.

Recommend approximately 5% increase to each manager increment.

Recommend $200 increase to longevity amounts.

Recommend adding district paid life insurance benefit to food service staff working 6 hours or more per day. This benefit is already provided to other full time employee groups.

Budget impact of approximately $129,000 .

Certified Administrators, Non-Certified Administrators

In recent years Unit 5 has taken important steps to make administrators' salaries and benefits more competitive. Several school districts, including a nearby district, provide additional compensation for all administrators in an amount equal to the cost of family health insurance. Unit 5's current benefit, established in FY2024, allows administrators to offset a portion of the family health insurance cost or contribute to a 403b.

To remain competitive, we recommend:

An average 4.09% increase in administrative salaries and an increased benefit of $50 per pay period towards insurance or a 403b.

Budget impact from the salary increase and increase to the additional benefit is approximately $525,000.
