2009 Public Participation at Board Meetings

The board of education shall conduct its meetings in accordance with the Nebraska Open Meetings Act.

The board shall make reasonable efforts to accommodate the public's right to hear the discussions and testimony presented at its meetings. The board shall make available at the meeting, for examination and copying by members of the public, at least one copy of all reproducible written material to be discussed in open session of the meeting.

The board is not required to allow citizens to speak at each meeting, but it will provide the opportunity for public participation at least four times per year. The board may make and enforce reasonable rules and regulations regarding the conduct of persons attending, speaking at, videotaping, photographing, or recording its meetings.

The board shall not require members of the public to identify themselves as a condition for admission to the meeting, nor shall such body require that the name of any member of the public be placed on the agenda prior to such meeting in order to speak about items on the agenda. However, the board may require members of the public desiring to address the board to identify themselves.

Ralston Board of Education Public Comment Procedures

The Ralston Board of Education appreciates the public's right to provide public comment. It is the practice of the Ralston Board to listen to the public comment, without discussion between the public and the Board. Should you have a question or ask for follow-up from the Board, the Board President or Chair of the meeting will direct the Superintendent to address the requests and provide additional information to you as appropriate. We ask that you refrain from personal comments about individuals and the use of vulgar or inappropriate language in addressing the Board.

The following will help guide the Public Comment agenda item at Board Meetings and Public Hearings:

1. Persons speaking during Public Comment will be called forward individually by the Board President or Chair to the location identified for such purpose.
2. The board will generally allow a total of 30 minutes for the presentation of all public comments. Individuals may only speak one time per topic and must limit comments to around three (3) minutes. In the event more than 10 individuals wish to address the board, the 30 minutes will be divided equally between the number of speakers. At the discretion of the Board President or Chair, speakers may be allotted additional time.
3. Each individual speaking to the Board will be required to identify himself or herself prior to giving public comment or when related business is on the agenda. A "Record of Appearance" card is provided for this purpose.
4. Persons wishing to appear will be heard in the order in which the Board President or Chair of the meeting determines appropriate.
5. In cases where more than one person wishes to speak on the same topic, their presentations to the Board may, at the discretion of the Board President or Chair, be grouped together by topic.
6. Persons speaking to the Board during public comment may make printed materials available to the Board but may not use any other form of media.

BUSINESS ITEMS / BOARD DEVELOPMENT / COMMUNICATION

Board Comments

Mary Roarty announced that she attended the district music contest and our students were amazing. She is also looking forward to attending the School Law for Board Members workshop on April 24. Mike Overkamp has been doing some traveling so he can catch some soccer and baseball games. Liz Kumru and Linda Richards attended a diversity dinner at Nebraska Medicine hosted by Sodexo and indicated the speaker was very good and had some new and interesting approaches to mentoring.

Superintendent's Report

Dr. Adler introduced Mr. Joe Kohout, RPS legislative lobbyist to discuss government relations.

Government Relations Update

Mr. Kohout stated that the legislature is into the last 30 days of this session and tension is building. He began by stating that LB619 regarding insurance reimbursement for mental health services in school settings did pass. He also stated that LB 670 which is the “Adopt the Opportunity Scholarships Act” has also advanced. He covered several other bills which could affect RPS and said they are monitoring things closely. Mr. Jason Buckingham was also going to Lincoln to testify on our behalf if necessary.

Lunch Account Scanning Expansion

Ms. Judy Kyle said that we have been testing a scanning system for school lunch accounts called identiMetrics at both Mockingbird and the high school. She stated that the new scanning system has proven itself successful. The two main advantages are both the speed of moving lines much faster and also security in that students are not able to use another student’s lunch code. The next step will be to expand this new program to all of our elementary schools.

Strategic Priority Update – Professional Learning Community (PLC) Process

Dr. Cecilia Wiken began by explaining the definition of a PLC. She also presented a timeline from 2018-2021 to develop and strengthen our district’s PLC culture and practices.

Build America Bonds

Mr. Jason Buckingham discussed the potential of advanced payment of our district’s Build America Bonds. His proposal would save on interest fees if paid off early. The board will vote on this call resolution item at the next board meeting. Board Policy 3006 – Bond Campaigns was also reviewed.

NASB Update

Dr. Irwin stated they are currently working on issues related to the legislature.

Enrollment Update

The second pre-kindergarten screening is coming soon. The deadline for option enrollment was March 15th, however, we continue to get requests on a daily basis.

Policy Review

Three current board policies were reviewed: Policy 5002 – Admission of Students; Policy 1001 – General Policy Statement; and Policy 2021 – Executive Meetings.

Adjournment

The board voted to adjourn at 8:25 pm. Motion by Dr. Irwin and seconded by Mr. Overkamp.

Dr. Irwin:	Yea
Ms. Roarty:	Yea
Mrs. Kumru:	Yea
Mr. Overkamp:	Yea

Participation in Competitions or Activities Beyond State Level

The Ralston School District will not fund student participation in school-sponsored organizations or activities beyond the state level (“Non-State Events”). Students/organizations electing to attend Non-State Events must provide their own funding.

When Non-State Events require the presence of an adult sponsor or staff member, the staff member or sponsor may submit a written request to the Superintendent for consideration of payment by the District for certain eligible expenses including travel, meals, and lodging.

A request by a staff member to attend a Non-State Event must be submitted in writing, at least one week before the event and must include all of the following information:

- A description of the Non-State Event, including how it relates to the school-sponsored activity or organization and how it benefits the District’s educational mission;
- A supervision plan for the student(s);
- An itemized listing of the anticipated costs for the sponsor;
- A description and timeline of the fundraising activities to be performed, if any;
- An explanation as to how the activity or organization will account for the loss of instructional time (e.g. students are required to bring homework on the trip and participate in mandatory study hall)
- Confirmation from the sponsor that participation in the activity is voluntary and will not adversely affect a student’s grade.

Information in addition to the above may be required before a decision is made.

Following receipt of a properly and timely submitted request for funding, the Superintendent will review the request and make a decision. The District retains complete discretion to make the funding decision as it sees fit. The District may decide to fund none, some, or all of the staff member or sponsor’s expenses.

Falsifications and/or misrepresentations in requests for funding may result in disciplinary and/or legal action to the extent allowed by district policy and/or applicable law.

ADVOCACY HANDBOOK

FOR THE 2019 LEGISLATIVE SESSION

NASB'S LEGISLATIVE & LEADERSHIP INITIATIVES FOR 2019
AND A GUIDE FOR EFFECTIVE ADVOCACY

AS ADOPTED BY THE NASB DELEGATE ASSEMBLY ON NOVEMBER 16, 2018

FOR THE 106TH LEGISLATURE, 1ST SESSION

Welcome | Know Your Data

106TH LEGISLATURE, 1ST SESSION

With your help, NASB is an advocate for public education and local school governance ...
and YOUR collective voice in the Legislature

Can YOU really make a difference? YES YOU CAN! Let NASB help share your story.

You are an elected official, and a community leader. As a school board member, you are in an excellent position to educate and influence the legislative process, and are seen as a key resource on education policy for your district. The same constituents who elected your State Senator elected you!

This Handbook is designed to keep you better informed, and be utilized as a resource throughout the legislative session. We encourage you to include a legislative update as a part of each meeting, and to discuss/share key legislative info with other board members and key individuals in the community.

More important than ever, we encourage you to KNOW YOUR DATA!

Understand the data that will make a difference. Arm yourself to be a better storyteller. Know where you're at, where the Legislature is going, AND HOW TO ALIGN! Advocacy is year-round, although much of the attention is garnered during the session itself. Build the relationship with your Senator(s) early. Be a resource.

We encourage you to bookmark and frequent the *Government Relations* section of www.NASBOnline.org for updates and information, including all of the bills pertinent to your schools. Another great resource is the website www.NebraskaLegislature.gov ... as well as social media, using the hashtag [#neleg](https://twitter.com/neleg).

NO ONE IS MORE QUALIFIED TO TALK ABOUT YOUR SCHOOL DISTRICT THAN YOU!

School Boards Make Nebraska a Great Place to LIVE!

Through Leadership, Innovation, Vision and Engagement, Nebraska's School Boards are making a difference for students across the state.

LEADERSHIP

NASB will provide leadership to groups, individuals, and organizations and facilitate efforts to improve student achievement.

INNOVATION

Through innovation of programs and services, NASB will add value for our members and generate revenue to support growth.

VISION

NASB will develop a vision with other groups, individuals, and organizations to address how we fund schools and provide opportunities to bring a quality education to all children.

ENGAGEMENT

With engagement of its board and members, NASB will provide opportunities for school boards to be advocates for public education.

Based on LIVE, everything NASB does should focus on the beliefs below:

- 1) All Nebraska children shall have equitable access to a high quality public education that prepares them to thrive in the evolving 21st century.
- 2) Schools and communities need to address the whole child, which includes the physical, developmental, behavioral, and mental health of children.
- 3) Local school boards must have the resources and authority to serve ALL children.
- 4) Local school boards shall have board governance standards that address the role and expectations of individual school board members and the board as a whole.
- 5) Local school boards must have the ability to evaluate the effectiveness and fiscal solvency of the programs established by the district.
- 6) Local school boards need to adequately support its administration and staff and hold them accountable.
- 7) Local school boards must have maximum flexibility to govern their schools.
- 8) Local school boards must engage the community and be responsive to the needs, desires and concerns of their families to ensure student success.
- 9) Nebraska public schools must have adequate, predictable and equitable funding.
- 10) The NASB board, staff and members have a responsibility to lead a vision for education in the state of Nebraska to promote these beliefs.

Advocacy Tips, Tools & Resources

106TH LEGISLATURE, 1ST SESSION

As NASB represents the state's 260 member districts and ESUs, effective communication is key to the success of the Association's advocacy work. NASB advocates for the standing positions and legislative resolutions approved by delegates from all member boards at the annual NASB Delegate Assembly. It is here, in person, but also throughout the entire year where our focus is to keep you and your board up-to-date on all of the issues that impact public education, while also helping tell the story of your district and how specific legislation will impact your students.

**CAN YOU REALLY MAKE A DIFFERENCE?
YES YOU CAN!**

You too are an elected official, and a community leader. As a school board member, you are in an excellent position to educate and influence the legislative process, and are seen as a key resource on education policy for your district.

SHARE YOUR STORY

KNOW YOUR DISTRICT'S DATA

UNDERSTAND THE DATA THAT WILL MAKE A DIFFERENCE

Below are examples of the data you should know from your schools to help tell your district's story as various bills are introduced:

NUMBER OF KIDS IN FREE/REDUCED LUNCH
SCHOOL LANDS PER PUPIL REIMBURSEMENT
CENSUS VS ENROLLMENT
NUMBER OF LANGUAGES SPOKEN IN YOUR DISTRICT
NUMBER OF ELL STUDENTS
TRANSPORTATION NUMBERS ... IF SEAT BELTS IN BUSES, IMPACT (\$)
WHAT PERCENTAGE OF YOUR BUDGET IS SPED
AVERAGE CLASS SIZE
STUDENT DISCIPLINE PROCEDURES
RETIREMENT OBLIGATION
SAFETY & SECURITY MEASURES IN THE PAST FEW YEARS
NUMBER OF OPTION KIDS
PERCENTAGE OF ADMINISTRATIVE COSTS

We encourage all boards to be engaged in the legislative process and include a legislative update as a part of each meeting, and to share key legislative info with other board members and key individuals in the community who can also make a difference. While much of the attention is garnered during each Session, advocacy is year-round.

NO ONE IS MORE QUALIFIED TO TALK ABOUT YOUR DISTRICT, COMMUNITY, AND NEEDS RELATED TO PROVIDING A QUALITY EDUCATION THAN YOU!

Advocacy Tips, Tools & Resources

106TH LEGISLATURE, 1ST SESSION

**ADVOCACY IS ON-GOING.
IT IS IMPORTANT TO STAY UP TO SPEED ON THE LEGISLATURE YEAR-ROUND.**

Relationship are key ... Have the relationship BEFORE you need it.

Don't take for granted the access we have as Nebraskans to our Senators & Federal Representatives.
It is not like that everywhere. Take advantage of it. Be involved. Be ENGAGED!

Pass board policy specific to how you deal with legislative issues.

Reach out to NASB's Legislative Team, and/or a member of the NASB Legislation Committee.
Attend the various Legislative Lunches and events throughout the year across Nebraska.

Stay up to speed with your local newspaper, social media, senator emails/newsletters, etc.

YOU HAVE POWER & VOICE!

The Legislature needs to know school board members want to be involved!

Remind them; You are their neighbor.

Voters also put you in office.

You are guardians for the States most precious resource ... Children.

You have an influential role in your community.

You know better than anyone the effect of a decision.

NASB Positions Enclosed

The Nebraska Association of School Boards is the only state organization created by school board members to represent the interests of school board members. Your Association's legislative agenda is initiated each year with the submission of local board proposals. The NASB Legislation Committee reviews all proposals, and then submits its recommendations to the NASB Board of Directors. The Board can then review and amend the submissions before presenting them to the NASB Delegate Assembly. The Delegate Assembly gives each member school district a voice in shaping the agenda of NASB. This publication represents the final agenda, set by the Delegate Assembly, for the 2019 Legislative Session. Standing Positions remain in effect until they are repealed by the Assembly. Legislative Resolutions are in effect for one year only.

What Does This Represent?

The statements you read inside the pages of this book represent a set of belief statements which guide NASB's government relations efforts. These words guide our lobbying efforts at the State Capitol, with the State Board of Education and NDE, as well as with our representatives in Washington, D.C. While this work represents an effort to describe an issue or condition to be addressed, rarely is a bill written in such plain language. Actual legislative bills are a blend of several ideas (or perhaps a good idea, and a substantial price tag). Hence, when NASB analyzes how we will testify on a bill, we take into account a number of factors, including regular reviews by the Legislation Committee which offer guidance on the course corrections necessary to navigate the turbulent amendment process.

Your 2019 Legislative Resolutions

106TH LEGISLATURE, 1ST SESSION

... as approved by the Legislation Committee on July 21, 2018
... and approved by the Board of Directors on August 11, 2018
... and adopted by the Delegate Assembly on November 16, 2018

Resolutions are statements of intended and desired legislative action on items of current needs or problems. Resolutions are in effect for one year and direct the organization and its staff in their legislative efforts with each annual session of the Legislature.

All resolutions submitted are presented for consideration and action. The Delegate Assembly shall receive, consider, and act upon legislative resolution proposals submitted to it by the Legislation Committee and the Board of Directors.

NASB will support leveraging its infrastructure and resources to support a healthy culture in schools. NASB will align with others to develop "resilient" school districts with programs to support both staff and students.

LEGISLATION IMPLEMENTATION

NASB supports the concept that any legislative bill that limits financial resources, or requires additional financial resources, is done within a timeframe that will not negatively affect the school's ability to prepare their budget.

MENTAL & BEHAVIORAL HEALTH

NASB will support legislative efforts to provide services related to mental and behavioral health to school-age children across Nebraska.

SUPPORT OF EARLY CHILDHOOD PROGRAMS IN THE COMMUNITY

NASB will support early childhood education programs at the community level, which may include redefining economic development programs to include early childhood infrastructure development for communities and will support early childhood programs as an element in community comprehensive plans.

SUPPORT THE COLLECTION AND USE OF RELEVANT DATA

NASB encourages boards to use data to support its district strategic plan and goals. NASB supports collaborating with the state and other organizations in the collection and use of relevant data. Nebraska demographics and student needs are dynamic, as are the changing education standards required to be competitive nationally and internationally. To meet this challenge, fiscal policy would be built upon a broad base with the lowest possible rates to provide stability in the tax base and revenue stream, provide local government with the tools to generate adequate financial resources, yet equalize financial support among taxpayers, and assure the principle of uniform assessment. (2018)

USE OF A UNIFORM VALUATION CALCULATION TO DETERMINE LOCAL RESOURCES AND STATE AID

NASB supports a property tax assessment system that utilizes uniform accounting practices to determine the property valuation number from which local and state officials can calculate both the local resources available to fund schools from property taxes, and the resulting calculation of state aid payments to school districts. (2003)

NASB opposes any attempt to amend or circumvent the Nebraska and United States Constitutions to permit the use of public funds for the support, either direct or indirect, of schools not controlled by the public at large. EDUCATIONAL SERVICE UNIT GOVERNANCE

NASB supports governance of ESUs by elected boards and supports local determination of specific mechanisms of that governance. (2005)

EDUCATIONAL SERVICE UNIT REORGANIZATION

NASB supports the continuation of ESUs as an effective means of delivering educational services to school districts and their students. Any reforms would provide for a statutory hold harmless provision in the distribution formula for Core Service funding when an Equity Unit reorganizes with any other ESU, and must be mindful of ESUs' essential role of delivering direct services and being responsible to the local school districts they serve. (2004, amended 2005)

NASB will support a concept of compensation for teachers which is not based solely upon the experience and education attainment of teachers as found on standard salary schedules. (1995)

CRIMINAL BACKGROUND CHECKS

NASB supports legislation which would aid public schools and ESUs in obtaining criminal background history information on prospective and current employees, and personnel provided through any contract service provider or anyone working on school property. (1999, amended 2006)

NASB supports legislation creating a comprehensive plan to recruit, retain and reward highly qualified individuals for teaching professions throughout the state, including offering incentives to encourage employees to sign a contract of employment. (2001, amended 2015)

- c) Engages the assets of the full community;
- d) Utilizes data and technology to individualize education for students and to incorporate new learning into the design;
- e) Closes the achievement gap by focusing on quality teaching and learning opportunities;
- f) Implements standards-based education fully in a seamless curriculum, so one level of the system builds on the next and the end result is known and understood from the beginning;
- g) Provides sufficient resources that are adequate and sustainable at every level of the system to meet the challenge, resisting unfunded or underfunded mandates; and
- h) Preserves the ability of local school boards and their communities to address local needs and challenges in a flexible manner using a variety of options. (amended 2016)

INDEPENDENT SCHOOL DISTRICTS

NASB supports the independence of established PK-12 school districts and also supports the cooperation and equalization of opportunity among school districts within learning communities. family may receive transitional child care assistance for the remainder of the family's eligibility period or until the family income exceeds 85% of the state's median income for a family of the same size, whichever occurs first. In addition, the family will continue to be eligible for transitional child care assistance through the next eligibility period if the family's income is below 185% of the federal poverty guidelines, as long as the family's income does not exceed 85% of the state median income for a family of the same size.

The language limiting transitional child care assistance to 24 months is struck. The language in existing law which would end a family's transitional child care assistance and move the family back onto regular child care subsidy assistance if the family's income falls back below 130% of the federal poverty guidelines is struck. Section 2 of AM 1211 strikes the 24 month limit on work related child care assistance to harmonize provisions.

LB 459 (HHS Committee) Change criminal background check provisions under the Child Care Licensing Act. The provisions of LB 459 appear in section 3 of AM 1211. The original provisions of LB 459 relate to fingerprinting and criminal history record information checks for child care programs under the Child Care Development Block Grant. Persons applying for a license as a child care provider, or persons who are already licensed child care providers, must submit a request for a national criminal history record information check for each child care staff member, including prospective child care staff members, at the applicant's or licensee's expense.

Child care staff member is defined as an individual who is not related to the children receiving care, who is employed by a child care provider for compensation, and whose activities involve the care or supervision of the children for the child care provider or unsupervised access to the children being served. In addition, persons 18 years of age or older who reside in a family child care home are considered child care staff members for purposes of the criminal background checks.

Beginning September 1, 2019, all prospective child care staff members must submit to a criminal history record information check before they can be employed. Similarly, beginning on September 1, 2019, persons over 18 years of age residing in a family child care home must submit to a criminal history record information check. For child care staff members that are already employed before September 1, 2019, they will have until September 1, 2021 to submit to a national criminal history record information check unless they cease to be a child care staff member prior to that date.

To conduct a national criminal history record information check, a child care staff member must submit a complete set of fingerprints to the Nebraska State Patrol. The Nebraska State Patrol will transmit the fingerprints to the Federal Bureau of Investigation for a national criminal history record information check. The State Patrol must then issue a report to the DHHS with the information collected during the criminal history record information check. A child care staff member is required to undergo a national criminal history record information check at least once every five year period, The child care staff member being screened must pay the actual cost of the fingerprinting and national criminal history record information check.

Child care staff members must also submit to several other background checks at their expense, such as the National Crime Information Center's National Sex Offender Registry, a search of a variety of registries and data bases regarding criminal history, sex offenses, and child abuse and neglect in each state in which the staff member resides or has resided in the last five years. Any person who refuses to consent to the national criminal history record information check, knowingly makes false statements in connection with the background check, is a registered sex offender, has been convicted of a crime of violence, moral turpitude, or dishonesty may not be employed by a child care center.

DHHS and the Nebraska State Patrol may promulgate rules and regulations regarding the implementation of national criminal history record information checks, including the costs associated. In addition, DHHS may also promulgate rules and regulations regarding the employment of child care staff members with criminal records. A child care provider will not be eligible for a license if they employ a staff member who is not eligible under these rules and regulations. These provisions do not apply to child care providers licensed as family child care home. A family child care home means a program in the licensee's residence which may serve at least four but not more than eight children.

LB460			Health and Human Services 03/07/2019	Final Reading 05/07/2019 Health and Human Services Priority Bill	Change provisions relating to transitional child care assistance and cash assistance and require background checks under the Child Care Licensing Act and Children's Residential Facilities and Placing Licensure Act as prescribed

LB 460 amends the Children's Residential Facilities and Placing Licensure Act with new federally mandated criminal background check requirements.

Any individual over the age of 18 who is employed by a residential child-caring agency is required to: (a) undergo a national criminal history record information check at least once every five years (b) submit to four other types of background checks.

To conduct a national criminal history record information check: (a) the individual being screened must submit a complete set of fingerprints to the Nebraska State Patrol (b) the Nebraska State Patrol will transmit the fingerprints to the Federal Bureau of Investigation for a national criminal history record information check (Sec. 2, page 2(1), lines 10-13); and (c) the State Patrol must then issue a report to the Department of Health and Human Services with the information collected during the criminal history record information check.

The four additional background checks include: (a) A search of the National Crime Information Center's National Sex Offender Registry (b) A search of three different registries, repositories or databases in the state where the individual resides and in each state where the individual resided during the last five years: (i) State criminal registries and repositories (ii) State sex offender registries or repositories (iii) State-based child abuse and neglect registries. The individual being screened must pay the actual cost of the fingerprinting and national criminal history record information check and the actual cost of the additional background checks.

AM 1211 revises some language in LB 460 and incorporates LB 341 and LB 459 into LB 460. LB 460 is amended to replace the term "employed by" with "working in" to reflect the language in the federal law. In addition, the language regarding who pays the cost for the criminal history record information check is amended. The language from the original bill remains which requires the individual to pay for the cost of fingerprinting and the criminal history record information check, but the amendment adds that the Department of Health and Human Services (DHHS) may pay for all or part of the cost if funding becomes available.

AM 1211 provides an emergency clause for LB 460. But section 6 carves out sections 1 and 2 (LB 341), section 3 (LB 459), and section 7 which will become operative three calendar months after the adjournment of this legislative session. All other sections become operative on their effective date.

LB 341 (Arch) Change provisions relating to a determination of ongoing eligibility for a child care subsidy. The provisions of LB 341 appear in Sections 1 and 2 of AM 1211. The original provisions of LB 341 amend Neb. Rev. Stat. 68-1206 to reflect the changes in federal law regarding the child care subsidy program and the eligibility and duration of transitional child care assistance. Families may receive child care assistance in Nebraska if their income is less than 130% of the federal poverty guidelines. When determining ongoing eligibility, if a family's income exceeds 130% of the federal poverty guidelines, the family may receive transitional child care assistance for the remainder of the family's eligibility period or until the family income exceeds 85% of the state's median income for a family of the same size, whichever occurs first. In addition, the family will continue to be eligible for transitional child care assistance through the next eligibility period if the family's income is below 185% of the federal poverty guidelines, as long as the family's income does not exceed 85% of the state median income for a family of the same size.

The language limiting transitional child care assistance to 24 months is struck. The language in existing law which would end a family's transitional child care assistance and move the family back onto regular child care subsidy assistance if the family's income falls back below 130% of the federal poverty guidelines is struck. Section 2 of AM 1211 strikes the 24 month limit on work related child care assistance to harmonize provisions.

LB 459 (HHS Committee) Change criminal background check provisions under the Child Care Licensing Act. The provisions of LB 459 appear in section 3 of AM 1211. The original provisions of LB 459 relate to fingerprinting and criminal history record information checks for child care programs under the Child Care Development Block Grant. Persons applying for a license as a child care provider, or persons who are already licensed child care providers, must submit a request for a national criminal history record information check for each child care staff member, including prospective child care staff members, at the applicant's or licensee's expense.

Child care staff member is defined as an individual who is not related to the children receiving care, who is employed by a child care provider for compensation, and whose activities involve the care or supervision of the children for the child care provider or unsupervised access to the children being served. In addition, persons 18 years of age or older who reside in a family child care home are considered child care staff members for purposes of the criminal background checks.

Any person who refuses to consent to the national criminal history record information check , knowingly makes false statements in connection with the background check, is a registered sex offender, has been convicted of a crime of violence, moral turpitude, or dishonesty may not be employed by a child care center.</i></p> <p><i>DHHS and the Nebraska State Patrol may promulgate rules and regulations regarding the implementation of national criminal history record information checks, including the costs associated. In addition, DHHS may also promulgate rules and regulations regarding the employment of child care staff members with criminal records. HOSPITAL & SCHOOLS COLLABORATE ON STUDENT CPR TRAINING

*By Olivia Sis
Dundy County Stratton High School Senior*

The Dundy County Stratton Public Schools collaborated with the new *DC Has Your Heart* initiative from the Dundy County Hospital to provide CPR training for students in late February and early March. Approximately 100 students in the 6th, 8th, 10th, and 12th-grade classes dedicated a day to learning life-saving skills from seven volunteer instructors, comprised of hospital staff members and first responders. During the training sessions, students practiced performing CPR techniques for adults, children, and infants. They also learned how to use a defibrillator and implement choking first aid. Upon completion of the course, each student received an American Heart Association CPR certification card.

In the small communities of Benkelman and Stratton, many students do not have the opportunity to learn CPR. Often, the only way they are exposed to the concept is through lifeguarding or babysitting certifications. Pam Reichert, nurse of 31 years, EMT of 20 years, and member of *DC Has Your Heart*, proposed the idea of CPR classes for the students to the DCS school board in 2018. "It's so disheartening to arrive on the scene and find that nobody did anything to help the victim. The sooner you start CPR, even if it's just chest compressions, the greater their chance of survival is. It's better to do something than to do nothing," Reichert said. "We decided to start the students young, so they feel more comfortable with performing CPR when they get older and are more likely to take action in an emergency." Reichert was one of the seven instructors who guided the students through the CPR training.

DCS Jr-Sr High Principal Adam Fette said that the mission behind the CPR classes is to make a difference in the community and build a generation of life-savers among the student body. "The benefit [of providing CPR classes] is that one of these students could potentially save a life using what they learned in the course," Fette noted. "In addition, I hope our students gained a greater understanding and respect for our first responders and medical professionals." DCS High School faculty collaborated with the hospital to arrange training days and provided the gym as a facility for all of the CPR classes.

DCS Senior Grace Frederick said, "I knew absolutely nothing about CPR before going into the class, but I feel like I can perform CPR confidently now. The training team was exceptional. I didn't realize how much of an impact [learning CPR] would have. For the amount of time it took to learn, I think everyone in the community should learn it, too."

DC Has Your Heart will continue their CPR classes to educate the 6th, 8th, 10th, and 12th-grade students each year; following this plan will allow students who did not participate in the course this year to learn the same skills, and then every other grade will renew their

AHA CPR certification each year. *DC Has Your Heart* hosted an additional course in late March for community members, and hopes to provide more classes in the future. They have also certified the sheriff's office and volunteer firemen in CPR and defibrillator use.

DC Has Your Heart currently runs on grant money and looks to fundraise in future years to obtain more equipment. "The local Hester Foundation generously paid for our mannequins and for each student's AHA CPR certification card. Still, with some of the larger classes, we did not have enough supplies, so we borrowed equipment from a community college. We also look to add more instructors. *DC Has Your Heart* runs on a volunteer basis, and some of our hospital staff could not afford to take multiple days off that week. By certifying more people in CPR, we're adding more potential instructors, which will ensure the success of our initiative for years to come," said Reichert.

THE REAL STORY BEHIND SCHOOL SPENDING IN NEBRASKA

In the last 10 years, 51 of Nebraska's 240 districts saw a growth of over 50% in General Fund Operating Expenditures.

Not coincidentally, 42 of those 51 districts also had special education expenditures of more than 50%.

When studying the figures, it can be tempting to compare two districts and decide which school is efficient and which is inefficient. That is simply too simplistic of a way to look at things. It is imperative that one look deeper into the circumstances of individual districts to see what was taking place to cause growth in expenditures.

"Five students result in a \$300,000 annual expenditure."

"The district is growing and has experienced a large number of migrant and ESL students moving into the district."

"The special education population and severity of needs continues to grow."

"Last year a new student showed up the day before school started who was in a wheelchair, non-verbal, and has to be changed every hour. This added a para and reassigned two others."

"A 102 year old high school is not cheap to maintain."

"During this time, a relatively young teaching staff gained experience, degrees, and grew their families, adding to the salary schedule and insurance costs over time."

"Our enrollment is quite low. Given the smaller enrollment and smaller budget, the district is more susceptible to swings in spending."

"We have 7 students assigned to off campus learning centers accounting for \$350,000 in spending mandated by their respective IEP's."

"85.8% increase in enrollment adding 4,150 students from 2008-2009 through 2017-2018. That resulted in 4 new elementary schools, 2 new middle schools, a new high school, and approximately 270 new teachers, special education teachers and specialists to support these students."

"We had tremendous growth in enrollment from 2010 to 2016. As enrollment stabilized, so has spending."

"The biggest outlier has been the needs of two individual students."

"We are projected to continue an upward student growth trend for several years."

NAEP STATE CONVENTION: MAXIMIZING YOUR POTENTIAL

LEADERSHIP

INNOVATION

VISION

ENGAGEMENT

On March 26-27, nearly 80 administrative professionals from across Nebraska attended our 2019 NAEP State Convention in Grand Island for two days of personal and professional development.

Aside from the networking opportunities and conversations with other peer professionals, highlights of the annual Convention included presenters from: Educational Health Alliance (EHA), Nebraska Department of Education, Secretary of State's Record Storage and Retention department, Gallup StrengthsFinder, ALICAP Insurance, SPARQ Meetings, as well as a panel of three school safety and security professionals from Grand Island and Lincoln. Furthermore, the inspirational creator of the Secret Kindness Agents, Dr. Ferial Pearson, spoke on the power of kindness causing several dozen new "agents" to join in the mission of doing secret acts of kindness in districts/ESUs across Nebraska.

While reflecting on everything gleaned from the sessions - whether healthy communication in the midst of conflict, the reporting process for Every Student Succeeds Act (ESSA), board meetings and minutes, or becoming a Secret Kindness Agent - one of our attendees summed up the 2019 NAEP State Convention by describing it as, "The best one yet!"

... ADVOCACY & GOVERNMENT RELATIONS

We are two-thirds of the way through the 2019 Legislative Session.

Lately, a lot of the conversation has been around the property tax bill, now officially LB 289, and LB 670, the tax credit scholarship fund.

Continue to stay engaged on LB 670. We appreciate all of the letters and calls being made to voice your opinions.

The details around LB 289 became clearer late last week, and a public hearing is currently scheduled for Wednesday, April 24.

In short, the current plan calls for an increase to the state sales tax rate by three-quarters of a cent in order to help fund \$500 million in additional local property tax relief.

Continue to follow NASB on social media, as well as the *Legislative Notes* news briefs, the website, and more as information continues to come about.

... ALICAP & INSURANCE

This month ALICAP's Renewal packet was mailed out to the current members and is due back to the NASB office by May 10th. If any district/ESU needs their renewal packet emailed, please let me know at mboldt@NASBonline.org

ALICAP's April Safety Topic is "Fire Evacuation Drills." ALICAP encourages our member districts to practice fire drills with a realistic mindset. Don't just evacuate across the street, wait a couple minutes for the signal and then walk back into the building. Use the fire drill as a true practice. Ask for input and look for ways to better prepare the students and staff for a true emergency.

Thanks, Megan!

... ENERGY PURCHASING

Signing up for the NJUMP and CJUMP Interlocal gas purchase programs is very easy and we will send out the forms upon request.

We're happy to announce we've recently added West Holt and South Central Unified to the CJUMP program for the upcoming years.

... POLICY

The Legislature has recently passed bills making important changes to your annual budget process and to the requirements for your board Americanism Committee. These changes will require additional time on the part of board members in every district across the state. We will be sending out details soon, but the committee, now known as the Committee on American Civics, will be required to meet publicly at least twice a year.

... WHOLE CHILD

According to research performed by the Learning Policy Institute in September 2018 — social-emotional skill building and a positive school climate quantifiably proves its return on investment by improving academic achievement and reducing the negative effects of poverty on achievement, boosting grades, test scores, and student engagement.
