

Regular Meeting

Thursday, May 28, 2026 6:00 PM

The Dalles Middle School - Commons, 1100 East 12th Street, The Dalles, Oregon 97058

1. **Call Regular Board Meeting to Order and Pledge of Allegiance** **Presenter:** Betsy Hege, Chair
2. **District Mission / Vision / Values**
3. **Review / Revision of the Agenda**
4. **Public Comment on Agenda Items Only**
5. **Building Student Representative Reports:**
6. **Student Representatives to the Board - Report:**
 - *Nancy Diaz Sanchez*
 - *Rafael Comacho*
7. **Staff Reports:**
8. **Staff Recognition**
9. **Community Presentations:**
- 9.a. **Presentation: *CGCC Dual Credit Students*** **Presenter:** Dr. Lawson, CGCC President
10. **Consent Agenda**
- 10.a. 4.23.26 - Regular School Board Meeting Minutes
- 10.b. 4.9.26 - Work Session Minutes
- 10.c. Personnel Report
11. **New Business:**
- 11.a. **Discussion / Action Items:**
- 11.a.1. **Action Item: *Approve the nomination of Jenel Rose-Jones for Treasurer to the Scholarship Board.*** **Presenter:** Jose Aparicio
- 11.a.2. **Presentation: *ID for LTCT Programming*** **Presenter:** CJ Toole, Director of Prevention and Intervention
- 11.a.3. **Presentation: *The Great Body Shop K-5 Health Curriculum*** **Presenter:** Allie Ivey and the TLA Department
- 11.a.4. **Action Item: *Approve Sodexo Food Service Management Contract***
- 11.a.5. **Action Item: *Approve Resolution 26-26-12: Transferring Appropriations within the High School Success Fund (Fund 252) for Fiscal Year 2026***

11.a.6. **Action Item: Accept David Jones in Zone 3's Written Resignation and Declare Zone 3 Vacant**

11.b. **Reports:**

11.b.1. **Superintendent's Report**

Presenter: Dr. Carolyn Bernal, Superintendent

11.b.1.a. **Follow-ups from prior meetings, as needed:**

11.b.2. **Chief Financial Officer's Report**

Presenter: Dan Pedersen, CFO

11.b.2.a. **Financial Statements:**

11.b.2.b. **Student Enrollment:**

11.b.3. **Board Attorney's Report**

Presenter: Jason Corey, Board Attorney

12. **Comments from the Audience about Non Agenda Items**

13. **Informational Only:**

13.a. **Board Action Calendar - Review**

13.b. **Members Reports, to include Committee Reports if applicable:**

14. **Adjourn the Regular School Board Meeting**

Agenda Summary:

The district is seeking Board approval to establish a new Long-Term Care and Treatment (LTCT) education program in partnership with Next Door Inc. (NDI) to serve eligible students in grades 6–12. This program represents a second LTCT funding stream and will allow participating students to be served in a more targeted setting aligned to their needs. Approval of this item authorizes the district to request a new Institution ID from the Oregon Department of Education, enabling the program to report enrollment and claim Average Daily Membership (ADM) directly through the State School Fund rather than through existing middle or high school institutions. Final program details, including facility location and formal partnership agreements, are currently in development and will be finalized prior to implementation.

Purpose: to align funding accountability, and services for students receiving LTCT support.

LTCT Program Proposal – Frequently Asked Questions

1. What is an LTCT program?

A Long-Term Care and Treatment (LTCT) program provides educational services for students whose needs are best met in a structured, therapeutic setting outside of a traditional school environment.

2. What is being requested of the Board?

Approval to establish a new LTCT program in partnership with Next Door Inc. (NDI) and authorization to request a new Institution ID from the Oregon Department of Education so the program can report enrollment and claim Average Daily Membership (ADM) directly.

3. Does this reduce funding for the district?

No. This change does not reduce overall district funding. It shifts where certain students are counted so funding aligns with the program that is actually serving them.

4. Does this impact TDMS or TDHS enrollment?

On paper, enrollment at TDMS and TDHS may decrease slightly because students in the LTCT program will be reported under the new institution. However, these students are already being served outside the traditional setting, so this change more accurately reflects where services are delivered.

5. Why create a separate Institution ID?

A separate Institution ID allows the LTCT program to operate with clear accountability, accurate reporting, and proper alignment of funding with services, as required by the Oregon Department of Education.

6. Who is responsible for the program?

The district retains overall educational accountability, including compliance, reporting, and student outcomes. Next Door Inc. will partner with the district to provide day-to-day program services.

7. Where will the program be located?

The district is currently evaluating potential locations in collaboration with NDI. A final site will be confirmed prior to program implementation.

8. How will students be placed in the program?

Students will be referred through established district processes based on eligibility criteria aligned with LTCT requirements. Placement decisions will involve appropriate district staff and follow state guidelines.

9. Will students still earn credit and graduate?

Yes. Students will continue to receive instruction aligned with district standards and will earn credit toward graduation. The district will maintain responsibility for awarding credit and diplomas.

10. How many students will be served?

The program is designed to serve students in two classroom settings: grades 6–8 and grades 9–12. Enrollment projections are based on current and anticipated student needs. However, it is likely there will be anywhere between 6-10 students per classroom once operating.

11. Is this a new program or an expansion of existing services?

This represents an expansion of LTCT services through a second funding stream, allowing the district to better meet student needs and align services with state requirements.

12. Are all program details finalized?

Key components of the program have been defined. Remaining details, such as final location and formal agreements with NDI, are in progress and will be finalized prior to implementation.

ELEMENTARY HEALTH CURRICULUM ADOPTION

The Great Body Shop

Curriculum Adoption Recommendation

Board of Education Presentation | 2025–26 School Year

Presented by the Teaching, Learning & Assessment Department

Today's Presentation

01

Legal Requirements

Oregon statutes, Division 22 assurances, and why curriculum adoption is required

03

Pilot Process & Teacher Feedback

How teachers evaluated the curriculum — strengths and concerns

05

Family Transparency & Opt-Out

How families can review content and opt their child out

02

About The Great Body Shop

ODE approval, curriculum overview, and why one program was piloted first

04

Parent & Family Feedback

Survey themes, concerns raised, and how we will address them

06

Implementation Plan

Training, rollout timeline, and next steps

Why We Are Required to Adopt a Health Curriculum

Legal Requirements & Division 22 Assurances

Division 22 Assurances

Oregon Administrative Rule (OAR) Division 22 requires districts to provide health education aligned with Oregon content standards as a condition of school funding and accreditation.

Oregon Health Education Standards

State law requires that health instruction align with the Oregon Health Education Standards. Districts must adopt curricula that meet these benchmarks at each grade band.

Oregon Revised Statutes

Multiple ORS provisions — including those addressing substance use prevention, personal safety, and comprehensive health — require districts to provide structured, standards-aligned health education.

Bottom line: Adopting a standards-aligned health curriculum is not optional — it is a legal obligation.

Why We Piloted One Program — And What Teachers Decided

ODE Approval, Piloting, and the Independent Adoption Option

ODE-Approved Curriculum

The Great Body Shop is the only elementary health curriculum currently approved by the Oregon Department of Education (ODE) for K–5.

When a state-approved curriculum exists, the standard adoption process requires piloting from that approved list — which is what we did.

Oregon's standard adoption process is designed to ensure districts use curricula that have been vetted for standards alignment and age-appropriateness.

Why Not an Independent Adoption?

An independent adoption process was always available to us. However, it carries significant demands:

- Requires piloting at least two curricula
- Requires extensive teacher time and documentation beyond the pilot itself
- Significantly increases the workload placed on teachers

We chose to pilot The Great Body Shop first so that teachers would only need to pursue the independent process if this program truly didn't meet their needs — and they decided it did.

About The Great Body Shop

A Research-Based, Comprehensive K–12 Health Education Program

K–12

Grade Range

35+

Years of Research

Annual

Content Updates

All NHES

Standards Aligned

Core Health Content Areas

Personal Health & Hygiene

Nutrition & Physical Activity

Emotional & Mental Wellness

Safety & Injury Prevention

Substance Use Prevention

Community & Environmental Health

The Great Body Shop delivers sequential, developmentally appropriate health instruction across all major health content areas.

Key Features:

- Teacher-ready materials that reduce planning burden
- Flexible units adaptable to student needs and local context
- Annually updated content reflecting current research
- Aligned to Oregon Health Education Standards and all National Health Education Standards (NHES)
- Used in thousands of districts across the United States

Pilot Process & Teacher Consensus

How Teachers Evaluated and Adopted This Curriculum

1

Identification

The Great Body Shop identified as the ODE-approved option for K–5 elementary health education.

2

Spring 2025 Pilot

Teachers implemented lessons across multiple grade levels during Spring 2025, experiencing the curriculum firsthand.

3

Feedback Gathered

Teachers documented what worked, what didn't, and noted student engagement levels throughout the pilot.

4

Consensus Process

Collaborative review meeting where all participating teachers reached consensus to recommend adoption.

Note: If teachers had not reached consensus, the district was prepared to initiate an independent adoption process to evaluate additional curricula.

Teacher Pilot Feedback

What Educators Experienced During the Spring 2025 Pilot

✓ Strengths

- Content was relevant — students engaged and asked great questions (Units 3, 4, 5)
- Great conversations — active learning strategies embedded, flexibility in how it's taught (Units 2 and 5)
- Content was strong, relevant, and standards-based
- Topics were super relevant, especially social media influences
- Online platform was helpful
- Active learning not overly complicated to add when needed
- Students enthusiastically engaged with hands-on safety skills (e.g., first aid techniques)

🚩 Areas for Growth

- Curriculum pacing could feel slow — engaging strategies needed to be added (Unit 3)
- 4th grade materials were very teacher-centered
- Some materials needed to be created by the teacher
- Explanations about how to use the curriculum weren't always explicit
- Some worksheets were confusing
- Finding physical materials was difficult at times — prepping ahead of time was helpful
- Sentence frames and language scaffolds needed in some units

Family & Parent Feedback

Survey Results — 11 Families Responded (Many Are District Staff)

Program Strengths

- Take-home materials valued facilitates family conversations
- Positive marks for mental health, body safety, and nutrition content
- Content described as clearly laid out with age-appropriate illustrations

Primary Concerns

- Questions about what is 'age-appropriate' families hold different views
- Desire for in-person curriculum preview night (similar to math adoption)
- Some opposition to gender identity content; preference for neutral curriculum

Questions for the District

- **What subjects are being shortened to accommodate this?** *We will likely be teaching Health units cyclically with science.*
- **Why is only one curriculum being considered?** *While an independent adoption process is an option, we wanted to pilot the ODE vetted option first to ensure we are honoring teacher time.*
- **Can we have a preview night to see the materials in person?** *we prioritized a family survey and are planning a Curriculum Preview Night for in-person engagement with the materials and instructional vision.*

The district recognizes the diversity of family values and is committed to open communication, materials transparency, and honoring the opt-out process.

Family Transparency & Opt-Out Process

Our Commitment to Families

Transparency Commitments

- Scope & Sequence shared with all families before the school year begins
- Families receive advance notice before each unit begins at their child's grade level
- Curriculum materials available for family review at the school office
- We will plan a curriculum preview opportunity for families (similar to math adoption) so parents can review materials in person
- We acknowledge that families hold different values around health topics and respect their right to make decisions for their children

Opt-Out Process

- Parents may opt their child out of any unit or individual lesson
- Written opt-out requests submitted to the classroom teacher or building principal
- Students who are opted out receive alternative, non-punitive activities during lesson time
- Families may opt out of specific lessons without opting out of the entire curriculum
- The opt-out form will be included in the annual family information packet

Opt-Out Sample

- **Grade specific (K-5)**
- **Broken Down by Unit**
- **Sent out to families and available on the district website**

Health Education Unit & Topics (Kindergarten)	Opt-Out Initials
Injury Prevention & Personal Safety: Safety rules and helpers; routines for fire, storms, and floods; safe and unsafe play; personal safety; refusal skills; and safe/unsafe touches.	
Nutrition: Healthful food choices; safe food handling; cultural, familial, and individual preferences; food groups; and the food needs of living things.	
Functions of the Body: Care routines for the five senses; heeding body signals; self-awareness; respecting self and others; and the impact of drugs on the body.	
Growth and Development/Cycle of Family Life: Defining family and team; identifying love, trust, and caring; family similarities and differences; family rules and jobs.	
Disease & Illness Prevention: Roles of doctors, dentists, and nurses; good hygiene; medicine rules; and understanding communicable vs. non-communicable diseases.	
Substance Abuse Prevention: Defining drugs and medicines; identifying dangerous substances (tobacco, alcohol); following drug safety rules; and refusal skills.	
Community Health and Safety (Violence Prevention): Community helpers; rules and laws; safety routines to avoid danger; bully prevention; and conflict resolution.	
Self Worth, Mental and Emotional Health: Identifying personal talents and feelings; methods of communication; making friends; and self-management of emotions.	
Environmental and Consumer Health: Good citizenship; routines for a clean environment; types of pollution; and how to access health services/products.	
Physical Fitness: Choosing heart-healthy activities; physical activity guidelines; benefits of exercise on heart/muscles; and good sportsmanship.	

Website

Updated

Scope & Sequence — Topics by Grade Level & Month

K–5 Health Units

Grade	Sept–Oct	Nov–Dec	Jan–Feb	Mar–Apr	May–Jun
K	My Body & Me	Keeping Safe	Good Food, Good Health	Feelings & Friends	Community Helpers
1st	Body Systems Basics	Germ Busters	Nutrition Choices	Emotions & Coping	Personal Safety
2nd	How Bodies Grow	Staying Healthy	Food & Energy	Friendship Skills	Safety Rules
3rd	Body Changes Overview	Disease Prevention	Healthy Habits	Conflict Resolution	Drug Awareness
4th	Puberty Basics	Mental Wellness	Fitness & Nutrition	Peer Pressure	Substance Awareness
5th	Puberty & Growth	Emotional Health	Body Image	Healthy Relationships	Decision Making

Implementation Plan

A Phased, Supported Approach to District-Wide Rollout

Fall 2026

Teacher Training and Full Implementation

- Staff training and planning time
- All K–5 classrooms launch with Year 1 updated curriculum
- Building wide-scheduling and implementation planning
- TLA team monitors fidelity and supports teachers through coaching cycles
- Grade-level check-ins during PLCs to share best practices

Winter 2026

Midyear Check-In

- Data collection on student engagement and teacher confidence
- Lead teachers gather school-level feedback for TLA review
- FAQ guides for responding to family questions

Spring 2026

Annual Review & Renewal

- Board receives outcome data
- TLA recommends renewal and any curriculum customizations for Year 2
- Continuous improvement cycle established

Our Recommendation

Adopt The Great Body Shop

as the K–5 Elementary Health Curriculum beginning 2025–26

- Required by law — Oregon statutes and Division 22 assurances mandate a standards-aligned health curriculum
- Approved through the state’s rigorous vetting process; teachers chose it through a consensus process
- Teachers found content strong, relevant, and standards-based with manageable areas for improvement
- Comprehensive support plan in place: summer PD, coaching, and clear sensitive-topic protocols
- Families are supported through robust transparency, preview opportunities, and a clear opt-out process

Proposed Next Steps

Following Board Approval

1

Board approves curriculum adoption

2

Curriculum materials ordered (summer 2025)

3

Teacher professional development — August 2025

4

Family Scope & Sequence communication & preview opportunity — August 2025

5

Curriculum implementation begins — Fall 2025

6

Midyear review and feedback collection — Winter 2026

We welcome board questions and invite continued dialogue with families as we move forward.

Notification Health Education Units

North Wasco County School District

North Wasco County School District is committed to supporting every student's health, safety, and well-being. A key part of this commitment is helping students build health literacy, which includes the skills to access, understand, appraise, apply, and advocate for health information and services to maintain or enhance their own health and the health of others.

As part of our health education curriculum, your student will receive instruction in several key health units this school year. These lessons are designed to be age-appropriate, inclusive, and aligned with state and district requirements.

Oregon Statutes, District Policy, and Implementation Plan

Oregon law requires schools to provide comprehensive, medically accurate sexuality education, as outlined in ORS 336.455, ORS 339.366, and ORS 336.059. These laws align with the Oregon Department of Education's (ODE) Human Sexuality Administrative Rule. Under these requirements, school districts must implement a comprehensive human sexuality education plan that ensures students learn about healthy relationships, consent, personal safety, and violence prevention in ways that are developmentally appropriate and inclusive of their diverse identities.

NWCSD Board Policy IGAI requires students to receive comprehensive health education annually in grades K–8 and for two semesters in grades 9-12.

Partnering With Families

We value parents and guardians as students' first educators and we are committed to partnering with you to provide supplementary resources to support you in this role.

- *Preview Curriculum:* You may preview the curriculum at any time on the district website or by contacting your student's teacher.
- *Opt-Out Rights:* You may opt your student out of specific lessons per Oregon Revised Statutes.
- *Support Plans:* If your student has experiences that may make certain topics difficult, please contact the teacher or school counselor to discuss a support plan.

Kindergarten Opt-Out Form

Please review the overview of each unit below. If you do not want your student to participate in a specific unit, please place your initials in the "Opt-Out" box and return the completed form to your student's teacher.

School District Board of Directors

Board Motion for Action Item

BOARD ACTION

Date May 28, 2026

Action Requested: Approve Contract Extension

In November of 2024, the District entered into a contract, approved by ODE Office of Child Nutrition, with Sodexo America, LLC to act as the Food Service Management Company (FSMC) to operate the District's food service program for students, employees, visitors and guests.

Overall, the contract is designed to cover a five-year period through the original one-year contract and a series of four one-year extensions expiring each June 30. The terms of each extension must be approved by ODE.

The District has received the necessary ODE approval and has negotiated the terms of a one-year contract extension for the 2026-2027 fiscal year.

ACTION

I move to approve an extension of the FSMC contract with Sodexo America, LLC for the period beginning July 1, 2026 and ending June 30, 2027.

Resolution No. 25-26-12

NORTH WASCO COUNTY SCHOOL DISTRICT D21

A RESOLUTION TRANSFERRING APPROPRIATIONS WITHIN THE HIGH SCHOOL SUCCESS FUND (FUND 252) FOR FISCAL YEAR 2026

WHEREAS, spending within the fund will be different from what was anticipated when the budget was prepared; and

WHEREAS, the District’s current budget does not provide the legal authority to expend funds as necessary to complete the school year;

NOW THEREFORE, BE IT RESOLVED by the Board of Directors of North Wasco County School District, that the amounts appropriated by the Board of Directors are hereby amended as follows:

APPROPRIATION CATEGORY	CURRENT BUDGET	INCREASE (DECREASE)	AMENDED BUDGET
High School Success Fund Expenditures			
1000 – Instruction	\$442,809	\$50,000	\$492,809
2000 – Support Services	\$454,435	\$(50,000)	\$404,435
Totals	<u>\$897,244</u>	<u>\$ - 0 -</u>	<u>\$897,244</u>
